Official Publication of Castro County, Texas

VOLUME XXIV

Dimmitt, Castro County, Texas Thursday, March 22, 1951

NUMBER 19

about dimmitt and castro county

by b. m. n.

The Bobbies are off to Iowa, accompanied by their coach, assistant coach, the school superintendent and a number of fans. Of course the main thing behind the trip is the game with the Iowa state champion team to be played Saturday night. The fact still remains however, even if there wasn't an intrastate game, the trip within itself would be a treat for the Bobbies or any team that had won the Texas state championship. Girls basketball in Texas has been somewhat garbled due to the fact that a second league has been formed which also claims to have produced a state championship team. The mere fact, however, that the Iowa Basketball Association saw fit to invite the winner of the old league should be sufficient indication of where the strength lies in the two leagues.

adacc

O. B. Trimble is back on the job at the Trimble Barber Shop following a siege of the mumps. The mumps made Shorty wider but failed to add any to his height.

adacc

The membership meeting of the Castro County Chamber of Commerce has been postponed from this Friday night until next Tuesday night because of the Town Hall program to be held Friday night and also because of the fact that a number of the chamber members will be away for the Bobbies basketball game in Iowa. All members are urged to attend the meeting when a general report of the past years accomplishments of the chamber will be made. A number of new directors will also be elected.

adacc

I was in Hereford Wednesday and noticed some of the feeble attempts of the gentry of the neighboring city at growing beards for their old settlers reunion. It is disheartening to see such a group of effeminate men. What few beards they have produced are of a light color that probably won't register in a picture. I believe that it would be a neighborly gesture, and should be appreciated by our neighbors to the north, if we loaned them some of the pictures of our last year's beard growers for publicity purposes. Looks like water that would do so much for molars would put a little color in whiskers.

adacc

The game of the champions, Texas and Iowa, will be broadcast Saturday night over KGNC Amarillo. This time is being purchased over the radio station by the Castro County Chamber of Commerce as a public service and for whatever advertising benefit it may be to Dimmitt and the area.

adacc

Local farmers are invited to attend a Castor Bean meeting in Hereford at the Jim Hill Hotel Friday evening at 7:30 o'clock when representatives from the Baker Castor Bean Corporation will discuss the production of castor beans as a commercial crop. The Deaf Smith county allotment with the company has already been taken, but it is still possible that an allotment might be set up for Castro county farms. Among other good features of the castor bean as a commercial crop it is reported that the plant is immune from attack by insects, that in itself is an item that should attract the interest of farmers in this area especially this year. It seems that insects have really eaten holes in my wheat crop predictions in recent weeks.

BOOTS, HATS, BAGGAGE AND BASKETBALL ABILITY entrained at Hereford at 4:40 p. m. Wednesday when the Dimmitt Bobbies, state basketball champions of Texas started the long journey to Des Moines, Iowa, where they will play Hansell, Iowa, for the worlds championship crown. The Bobbies defeated Cotton Center in the finals at Waco by a score of 36 to 30 to emerge victorious in the State Tournament, while the Hansell team racked up 70 points against Monona to win the Iowa championship. The Bobbies, all wearing western hats and boots, accompanied by their coach, John Blaine and Mrs. Blaine, and assistant coach, Aubrey Lester and Mrs. Lester, and Superintendent Vestal and a number of fans left in high spirits and confident of victory over the Iowa champions.

Bobbies pictured above are: Front row—Peggie Allie, Katie Coke, Connie McRee, Mary Nelson, Decimae Dennis, Peggy Messenger, Top Row—Coach Blaine, Johnnie Godfrey, Mitzi Wilson, Yvonne Bearden, Lometa Odom, Barbara Clark, Mary DeLozier, manager, Maurine Smithson and assistant Coach Lester.

THE STARTERS—pictured above is the starting lineup of the Bobbies basketball squad as they confidentially started their trip to Iowa Wednesday to meet the Iowa state champs. From left to right: Mitzi Wilson, guard; Johnnie Godfrey, forward; Lometa Odom, forward; John Blaine, Coach; Maurine Smithson, guard; Decimae Dennis, guard; Mary Nelson, forward.

SUPERSTITIOUS MAYBE, but anyway the Bobbies are not taking any chances on water of unknown mineral content. They won the state championship with a jug of Dimmitt water in their corner to quench their thirst during time out, and just as a precaution the misses of the basketball court carried an ample supply of the 99% pure liquid from the water sands under Dimmitt to Iowa. Lometa Odom and Mitzi Wilson are inspecting and guarding the precious fluid before it was loaded on the Santa Fe Chief.

Law And Order

THE STATE OF TEXAS
COUNTY OF CASTRO
TO ALL TO WHOM THESE
SHALL COME, GREETING:

I, Houston Fowlkes, by virtue of law the Sheriff of Castro County, Texas, guardian of the rights and liberties of its citizens, and realizing that a large delegation thereof is about to embark to the State of Iowa in support of the Dimmitt Girls Basketball Team, champions of the state of Texas, and being thoughtful of the safety of Dimmitt citizens, and desiring happy relations with the citizens of Iowa, and the City of Hansel in particular, by virtue of the authority vested in me under the LAW OF JUDGE ROY BEAN IN THE LAND WEST OF THE PECOS, hereby make, constitute and appoint LOMETA ODOM a SPECIAL DEPUTY SHERIFF of such domain, with the following authorities, to-wit:

- I. To carry a standard Texas shooting iron;
- II. To shoot to kill on any and all occasions, when necessary;
- III. To keep law and order between visiting citizens of Texas and the citizens of Iowa;
- V. To promote tall tales of Texas cactus, longhorns, and magnificent distances in equality with tales of Iowa corn, Bob Feller and Alberta Varr Dyke;
- VI. To return to Texas with victory over the Champs of the State of Iowa, if possible, in fair play. In this great commission LOMETA ODOM will have as her sub-deputies:
 - Mary Nelson
 - Johnnie Godfrey
 - Maurine Smithson

County School Districts To Elect Trustees April 7

According to an announcement this week by Robert Estes, County School Superintendent, all Castro County school districts will hold their regular trustee elections on Saturday, April 7, with the voters going to the usual polling places to cast their ballots. For names to be filed for the election, and to appear on the ballot they must be filed at least ten days prior to the election with the secretary of the school board of the district.

In addition to the school district trustees to be elected county school trustees will be elected from each of the commissioners precincts and one at large. The present county school board is composed of Lester Dowell, at large; Percy Hart, Precinct 1; C. W. Anthony, Precinct 2; E. H. Youts, Precinct 3; Philip Acker, Precinct 4.

In the Dimmitt District two trustees are to be elected. The two trustees whose terms expire are Leldon Lilley and Norris Wesson. Carry-over members of the board are Morgan Dennis, president; Jack Gregory, Charlie Hays, Ivor Bagwell and Delmond Neumayer.

In the Hart school district the terms of Jack Bradley and Hubert Lilley expire. Other members of the board are Howard Bridges, Milton Sharp, M. L. Aven, J. E. Cook, Marshall Smith.

In the Nazareth district only one member of the three member board will be replaced. The term of Tony Gerber, who is president of the board, expires. Other members are Albert Wilhelm and L. J. Conrad.

Three trustees will be elected in the Arney district, one to fill the vacancy created by the resignation of P. L. Hoyer, and two to replace the outgoing trustees who are Kenneth Tomlinson and Bruce Fields. Other members of the board are Charles Burks, Ben Fortner, Gwen McFarland, and Leo Witkowski, president.

Mitzi Wilson
Decimae Dennis
DONE, IN THIS THE FABULOUS LAND OF TEXAS, DOMAIN OF JUDGE ROY BEAN, THIS THE 21st DAY OF MARCH, IN THE YEAR OF OUR LORD, ONE THOUSAND NINE HUNDRED AND FIFTY-ONE.

| Miller, Hershel E. Jr. | Hereford |
| Horner, Everett E. | Friona |

Methodist Revival Begins Wednesday

THE BONNEYS

Rev. and Mrs. Gerald E. Bonney of Belle Vernon, Pennsylvania, will lead in the Revival at the First Methodist Church beginning Wednesday, March 28, at 7:30 p. m. Other workers in the meeting will be Rev. U. S. Sherrill of Sudan, Texas, Rev. T. M. McBrayer of Happy, Texas, and the pastor.

Rev. Bonney is a gifted preacher, soloist, pianist, music composer, magician, ventriloquist and leader acceptable to every age and station of life. Mrs. Bonney is also a gifted preacher having served as a pastor before marrying Rev. Bonney. She is also an artist, story teller and special worker with youth and children. Then "Jerry", the children's friend enters into songs, Bible stories and quizzes with the children as a real entertainer for the children. Their program is delightfully different in presentation to any other evangelistic program in the country and decidedly definite in its spiritual emphasis. A program and presentation for all ages with a special appeal to children and youth. The message and the Master are always magnified rather than the mechanics.

Rev. Sherrill and Rev. McBrayer will assist in the visitation program with the pastor during the period together with other leaders of the church. Everyone is invited to attend and in most places you have to come early to get a seat at the Bonney Revivals. Children's meeting will be at 4:15 p. m. and the evening public service, at 7:30 p. m. Other meeting hours will be announced from time to time in

Owen Cox Is New Hospital Manager

Mr. Owen Cox assumed his duties as business manager of the Plains Memorial Hospital Wednesday. Cox is a former Dimmitt resident having lived here in 1943 and 1944, during which time he served as Secretary of the Castro County AAA. Mr. and Mrs. Cox moved to Tulsa in 1944 and since that time he has been connected with the Huxford Dry Goods Company of that city, while Mrs. Cox served as bookkeeper for the West Texas Gas Company in Tulsa. Mr. and Mrs. Cox are natives of Kent County.

Cox replaces Walter Hodges as business manager of the local hospital. Hodges resigned the position recently in order that he might devote all of his time to his farming interests.

The Deep River Singers present a program whose variety reflects the high degree of taste, talent and showmanship which this gifted group has attained. Plantation songs, spirituals, stirring modern songs, are combined with favorites from the classical repertoire. Male quartets are not unique, but the versatility of these artists is rare indeed... also rare is a quartet endowed with such an abundance of solo talent. Precise ensemble singing alternates with solo renditions of the highest caliber. Humorous

songs and reading further vary and brighten the performance of this exceptional group. In their abbreviated program, as well as in full recital, these four artists never fail to win applause, to inspire the enthusiasm of their listeners. They will sing "Old Man River", "Short'nin' Bread", "Down on the Levee", "Old Black Joe", etc.

The Robinson Deep River Singers will appear at the High School Auditorium under the auspices of Dimmitt Town Hall on March 23 at 8:00 p. m.

Weekly News Letter

From Washington by Congressman Rogers

WHEAT TO INDIA: The food grain to India bill is still highly controversial in Congress. There is serious doubt whether or not the Rules Committee will send it to the Floor. Many of the Representatives are opposing it on the grounds that the Nehru government of India did not ask for it. There is no doubt but that India needs the grain. My position is that no starving person should be turned away from a Christian's door. However, I can not understand why India should not pay for this grain in the same medium that she is paying for grain from Pakistan. She has minerals, especially, that we need and could use. I expect to get a firm answer to this question before casting my vote on the bill.

SOCIAL SECURITY: Since January 15 I have investigated the payment of social security funds to citizens of the United States residing in foreign countries and persons living in and out of the country who are citizens. The Federal Security Agency finally gave me some figures that are not entirely satisfactory, but I will pass them on to you until more are available. At the end of June, 1950, 12,350 persons living in foreign countries were receiving old age and survivors' insurance monthly benefits. Payments during the fiscal year totalled \$3,142,158.00. This amount includes lump sums and retroactive payments, as well as monthly benefits. At the present time, under federal legislation, payments are being withheld from beneficiaries in China (except Hongkong), the Russian zone of occupied Germany, Albania, Bulgaria, Poland, Czechoslovakia, Estonia, Hungary, Latvia, Lithuania, Rumania and Russia. Citizens of other countries who desire to live in those countries should not receive benefits from this fund. I expect to introduce a bill to correct this situation and to channel funds that would otherwise be paid to aliens, into the pockets of people who love and appreciate the United States enough to maintain their residence here.

LOBBYING: Washington is probably the center of the greatest lobbying activities ever conceived by man. Under the present law those lobbyists are required to register and most all Members of the Congress know who they are and who and what they represent; that is, the ones who stay here all the time. Others are in

and out on special matters and are not so well known. These lobbyists are representing particular industries, business, professions, trades, or single projects. I am always glad to hear all sides of any question, but the one that I am most interested in is John Q. Public's side, and he doesn't have any lobbyists up here. That is the reason that I want all of you to write me as to how you feel and how you think.

LIQUOR'S CONTRIBUTION TO CRIME: 28.6% of the total number of crimes for the period January to June 1950 were as follows: Violation of Liquor laws, 1.4% of total number of crimes; driving while intoxicated, 6.1% of total number of crimes; drunkenness, 21.1% of total number of crimes. These figures do not include crimes that could be charged indirectly to liquor consumption. I am seeking these figures and will submit them later.

RAW COTTON CEILING: OPS Administrator DiSalle and Secretary of Agriculture Brannan had a rough time of it before the Joint Committee on Defense Production. Senator Maybank of South Carolina was chairman of the Senate Group and Honorable Paul Brown of Georgia was chairman of the House group. The committee room was crowded to overflowing. The question was the advisability of price ceilings on raw cotton. DiSalle admitted under questioning that people from every phase of the cotton business, from producers to retailers, had advised against ceilings on raw cotton; also that Secretary of Agriculture Brannan had suggested that such ceiling would not be enforceable and that such program would be unworkable. All testimony at the hearing, with the exception of DiSalle's was against the price ceiling on raw cotton. However, Mr. DiSalle said that he had not changed his mind and that the price ceiling would remain. This attitude on the part of Mr. DiSalle will require immediate legislation by the Congress to remove the raw cotton price ceiling. Several Members of the House, including myself, appeared and made statements in opposition to the price ceiling.

FAIR LABOR STANDARDS ACT: Congressman Frank Smith of Mississippi tells me that he is introducing an amendment to the Fair Labor Standards Act similar to the one that I introduced in the early days of the session. This amendment would permit children under sixteen to work in agricultural pursuits during school hours, with the permission of school authorities, providing their education would not be interfered with. The cotton sections of the 18th

District are going to need this kind of legislation, and I am going to do all I can to get it passed.

PERSONAL: My 4-year old boy came into the kitchen the other night and told me that it was raining out in the hall. I went out to see what occasioned this remark, and sure enough, he was right. The 2-year old girl had left the water running in the bathroom upstairs, and we had a rain in the downstairs hall that would make a good wheat crop in the Panhandle. I sure wish that I could have switched it over as it ruined the whole ceiling. One of the older boys suggested that we not plug up the hole, but install one of these poles that they use in fire stations for quick descents. I can't figure out whether he is too lazy to walk down the

stairs or maybe has a good idea. **MORE FRESH AIR FROM THE PANHANDLE:** Rex Baxter, Amarillo; Mr. and Mrs. Curtis H. Pond, Amarillo; Henry Pond, Jr., Bolling Air Force Base, Washington, D. C.; and Jackie Dolan, Amarillo. Also had a visit from Red Christy, of Mineral Wells, Texas.

Mrs. Ina Hackleman Is Club Hostess

The McRea Circle met with Mrs. Ina Hackleman Monday, March 12, with 14 ladies present for Bible Lesson. Lovely refreshments were served by the hostess. Monday, March 19, the McRea Circle met at the church for the Missionary Program led by Mrs. L. Smith. Ten members were present.

Monday, March 26, the circle will meet at the church for prayer and visits. Have plans made. Will meet at 2:30.

Northedge Club News

The Northedge Home Demonstration club met Thursday evening with Mrs. A. S. McJimpsey. The roll call was answered by "What I think we could do to help 4-H girls."

Mrs. Kenneth Mullican acted as president in the absence of Mrs. Giles Tate.

An interesting demonstration was given by Mrs. Vann on placing the pattern, cutting and marking.

Our first meeting in April will be with Mrs. Joe Williamson. Refreshments were served to

Mrs. Kenneth Mullican, Mrs. John Crum, Mrs. Wootie George, Mrs. Joe Williamson, Mrs. Garland Glenn, Mrs. J. D. Williamson, Mrs. Homer Herring, Mrs. Carlos Calvert, Mrs. Robin Vann, one visit-

or, Mrs. Henry Howell, and Mrs. McJimpsey.

Announcing 2 NEW AUTOMATIC LAND LEVELERS and HYDRAULIC SCRAPERS

Combining in ONE Machine

- AUTOMATIC LEVELER
- FIELD PLANE
- HYDRAULIC SCRAPER
- SEED BED FINISHER

A modern AUTOMATIC LEVELER by Eversman proven over past two years on thousands of acres and farm demonstrations. For all types of field leveling and dirt moving. Very maneuverable because of special hinged frame. Levels in corners. Excellent for orchards. Has famous Eversman Crank Axle for Automatic Leveling Action. Two way, finger tip, hydraulic control of cutting blade for field plane-ing and dirt moving jobs. Gives greater length, lower draught, superior maneuverability, greater utility. Now available in two models, the 289 (length 31', weight 1700 lbs.) for wheel tractors and small crawlers, and 489 (length 48', weight 6000 lbs.) for large crawlers.

COME IN TODAY FOR FULL DETAILS on 6 different mechanical and hydraulic Eversman Models for wheel and crawler tractors for use BY YOU ON YOUR OWN FARM. Priced for the average farm

So Long For Awhile, Basketball—

Basketball season is coming to a close for DHS, but not in vain. The Bobcats made a good showing for themselves all year—you can see this by looking at the inscriptions on the trophies the Bobcats have won this year—"Hale Center Tournament, First Place"; "Whiteface Tournament, First Place"; "Happy Tournament, Second Place"; and "District 5B Champions". The Bobcats lost only two games all year and, to quote Mr. Blaine, did the best with what they had of any Dimmitt team in the last 15 years.

The Bobbies—need we say more? All right, to make it official, here it is: "Happy Tournament, First Place"; "Whiteface Tournament, First Place"; "District 20 Champions"; and "Texas High School Girls Basketball Champions". We won't know until the end of this week if the Bobbies are intra-state champions, but we congratulate the Bobbies here and now for a very, very successful season.

So long, ol' man Basketball, until next year when you will again take your place as one of the most popular sports in the country—a place you have well earned and richly deserve. Thank you for giving such youths as these a chance to prove their athletic ability in a clean, sportsmanlike way so they won't have to seek "chicken" games, etc. for an outlet of energy. You are helping to boost "the cream of the crop" toward manhood and womanhood.

Society Sue

Last Thursday night we saw the Seniors running around dressed in their western clothes on a treasure hunt. The Baptist church entertained the Seniors with a Banquet. The Seniors gave up their play practice to attend the banquet.

The Seniors are working hard to get their play ready for April 2 and 3. There is still a lot to be done to get the Magic tricks perfected for Jan (Merle), and Aunt Googie (Dona) has to learn to stand on her head. Be sure and come and see these and many other things work out in "Who's Batty Now."

One-Act Play

There will be three one act plays given Thursday night in the High School Auditorium for an Interscholastic League contest. Those entering are:

Olton "Town Hall Tonight" Jimmie Millsap, Jim Speer, Bobby Bryant, Helen Hysinger, Nellie Mathes, and Mary Lee Measles.

Springlake "Dark Wind" Delora Whitworth, Janabeth Laign, Earl McNeill, and Juanell Crawford.

And Dimmitt's "Balcony Scene" Lenora Poe, Bill Hunter, Bill Murphy, Jim Jowell, Don Nelson, Beth Hance, Ray Hardy, and Charlyne Campbell.

Bobcats Win Invitational Track Meet

Bobbies Left For Iowa Wednesday

The Bobbies, Texas State Champs left for Iowa Wednesday afternoon on the train from Hereford at 4:40 p. m. The girls dressed out in their Western Togs will give Iowa a closer look at our Texas Beauties as well as our Basketball ability.

The businessmen of Dimmitt bought Western hats for all the girls. Lometa Odom was deputized before she left and is wearing a deputy sheriff's badge. This is just for show, while she is in Iowa.

As everyone knows as the Bobbies walk in the gym at Iowa with their western clothes on and their guns hanging low, the people from Iowa will probably walk slow so as not to arouse the girls temper, as they look and act like the old west did.

Chapel

Friday morning in the auditorium, the Band, directed by Nolan Froehner gave a preview of their coming concert. They played several different types of numbers such as marches, waltz and overtures.

The band played several selections that will be played in the contest, that will be held in Canyon, the middle of April.

Mr. Vestal and Mr. Loyd congratulated the Bobbies for winning state, and wished them luck in their coming game with Iowa.

Annual Staff Sends Yearbook Copy To Printers

The cramped fingers of our industrious annual staff are now stretching out for a well earned rest.

After almost seven months of incessant toil and sweat, the 1950-51 Bobcat has been completed and is now awaiting publication.

The last pages of ink-stained copy was on its way to the publishers early Monday morning. After long hours of work and worry, mixing copy, and picture snapping, the memory magazine is now complete.

Our never tiring staff may now write fins to their usual Saturday routine of sorting and pasting snapshots, choosing patterns, and typing columns.

Now all the staff must solve the problem of raising two hundred dollars to finish payment on this year's D. H. S. yearbook.

Striking Seniors

Jim Dowty is our Striking Senior for the week. Jim is 18 years old, 5'9½" tall, weighs 153 lbs. and has green eyes and brown hair. Jim came to Dimmitt from Sunnyside in the second grade and then went to Springlake in the fifth and sixth grades. He moved back to Dimmitt for good in 1946.

Jim belongs to the FFA Club, Annual Staff, and the Press Club. He takes an interest in mathematics.

His favorite sport is football and his favorite pastime is hunting and photography, which he takes special interest in.

Jim may attend Eastern New Mexico College, after which he plans to be a farmer.

Bobcat Band Gives Concert

If you listened closely March 16, music could be heard. From your radio? No, it was the Bobcat Band. The Band entertained a large audience with a concert. In the field of popular music, they played "Tennessee Waltz." The "Mexican Overture" presented a number of different Mexican tunes. From another country comes the piece, "Russian Choral". For something lively "Joshua" proved very entertaining to the audience. A variety of Easter numbers were played in view of the coming season. The Band appreciates the large turnout for their performance.

Choral Club Entertains P. T. A.

The Choral Club, directed by Mr. Nolan Froehner, furnished some entertainment for the Tuesday night P.T.A. The program consisted of music to be presented by the Chorus in the Choral Contest. The contest is slated to be held in Canyon on April 13 and 14, 1951.

Juniors Prepare For Jr.-Sr. Banquet

Since the Seniors were getting worried, the Juniors decided to start preparations for the Junior-Senior banquet. The Juniors had a class meeting, March 16, at 12:20. The theme was chosen and various committees were appointed to carry out the plans. May 12 is the date set for the banquet.

The Tattles

The 6-A Class held an Indian Pow-Wow in the home room on March 16, from 2:45 to 3:45. The following class members did various things on our program: Nelda Widernm, Patricia Sadler, Myrna Thompson, Marvin Anderson, David Bull, Jackie Twiner, Donald Cook, Betty Ruth Lamb, Martha Burgin, Sandra Adams, Edward DeLozier, La Rue Weaver, Genell Preston, Danny Brewer, Keith Taylor, June De Wolfe, Richard Hunter, Eudora Gipson, Kaye Killingsworth, Cecil Poe, Mildred Bolton, Wilton Ivey, Howard Smithson, Ernestine Smith, Ellen Sue Ragland, Zoe Balch, and Milton Moore. Danny Bruton was ill. Much to our regret he missed our most enjoyable Pow-Wow. Our guests were Mrs. Day, Mrs. Balch, Mrs. Ivey, and Mrs. Keith Lowe.

In the way of eats we had beans, hot dogs, potato chips and cold drinks.

We wish to thank our sponsors Miss Agee and Mr. Day for giving us the Pow-Wow. Mrs. Loyd for letting us take Keith Lowe out of class for our program, Mrs. Ray Balch and Mrs. Eugene Ivey for helping us out with the eats, and last but certainly not least, Mrs. Day for coming and taking an interest in our program.

June De Wolfe

D. H. S. Directory

March 22, our school presents "Balcony Scene" in the one act play contest here at 7 o'clock. March 24, our Bobbies travel to Des Moines, Iowa to tangle the Hansell basketball team.

The Dimmitt Bobcats won first place in an invitational track meet in Farwell Thursday over Farwell, Friona, Bovira, and Lazbuddy, by collecting 7½ points, more than the four other teams put together. Farwell was second with 48½, Friona's 17 points placed them third. Bovina with 11 points was fourth and Lazbuddy collected 4 points for fifth place.

Dimmitt and Farwell collected all of the first places with Dimmitt having 9 out of 14 places. First places for Dimmitt were Easley—22 yard dash, Ricketts—440 yard dash, Crum—Low Hurdles, Crum—High Hurdles, Nelson—Shot Put, Nelson, Dennis—High Jump, and a mile relay team of Ricketts, Easley, Burch and Cluck. Farwell won the broad Jump, Sprint Relay, Mile run, 880 and 100 yard dash. The 100 yard dash was the race of the day with Poole of Farwell nosing out Easley by inches with the time of 10.2 second. Collecting second place for Dimmitt were Easley—100 yd. dash, Axe—880, Behrends—Mile run, Hodges—Low Hurdles, Easley—broad jump, and the sprint relay team of Crum, Hodges.

Winning thirds and fourth places were Ziegler—third in the mile, Hunter—Fourth in the 880 Hodges third in the high hurdles, Burch third in the discus, Brown third in the broad jump, and a tie for third and forth between Crum and Bagwell.

Individual high scorer of the meet was shared by Crum and Easley with 11½ points each.

Good time was recorded in all events with a very good time of 3 min. 46 seconds in the mile relay which is just 6 seconds more than the regional record held by another Dimmitt team of last year.

Sports Afield

Does shooting have a future? You might as well hazard a guess as to the future of our latest breakfast food, claims Edwards Brown, noted arms authority. He says shooting won't end, but it could develop to a point where it is no longer a sport.

Stop a moment and think. What has happened to our constitutional right to bear arms? It is no fantasy that a law-abiding man, in most parts of our country, is prohibited from having a gun in his car ready for the protection of his life.

If you are stopped by a bandit on the highway, of course you don't have to submit. Instead you can choose to be clubbed or shot to death. Naturally—and here's the irony—the bandit can have a gun because he isn't a law-abiding citizen!

Most of us are engaged in shooting because we're interested in it as a sport. A vast majority channel their enthusiasm into hunting because it gets them out in the open and they like the spirit of the chase. Killing game does not breed a lust to kill—most humans feel a pang of sympathy for game they have killed.

Many who are against hunting try to outlaw guns because they regard them as dangerous. But are they as dangerous as many household risks—steps, bathtubs, and butcher knives? Accident records indicate that they are not. Frankly, we'll never eliminate a few accidents with guns—but legislating against them isn't the answer.

If you love shooting, only you can do something about preserving its future. The answer to the firearms question is not narrow-minded gun legislation. The answer is education. Teach everyone boys, young men, adults—how to use a gun. Then gun handling will be safe.

Not long ago an officer's report from Korea complained about the lack of GI experience in gun handling. If ever there was a time when Americans should be able to handle a gun—then it is now.

Mr. and Mrs. Ray Balch, Zoe and Myrtle, Mr. and Mrs. Sam Maynard, Wade and K. Sharon were Clovis, N. M., visitors Sunday.

THE LAW AND YOU

by Robt. (Bob) Kirk

DO YOU KNOW whether you may go onto the land of another to hunt, where there are no "posted" or warning signs?

You do not have the right to set a foot on another man's property for any purpose, except with his consent, either expressed or implied. "Posted" or warning signs do not make the prohibition against trespassing any more binding than it is without the signs, except perhaps the warnings on a game preserve. The signs merely remind you that if

you do not have some lawful reason for going on the property of another that you are a trespasser. You would be just as much a trespasser, if there were no signs.

By statute it has been made a criminal offense to go upon the lands of another for the purpose of hunting or fishing without proper authority to do so.

FOR FURTHER INFORMATION ON THIS SUBJECT, SEE YOUR LOCAL ATTORNEY.

Nazareth Round Up

EDITOR'S NOTE: The following Nazareth News was delayed from last week because of unavoidable reasons.

Round-Up Staff and all the other students of Nazareth High wish to extend congratulations to the Dimmitt Bobbies for their winning the title of Texas Basketball Champions again. Most of us listened to the finals game Saturday night and enjoyed it a lot.

Around Town

by JULENE HEIMAN

Teachers Attend Conference

The teachers of Nazareth attended the Northwest Texas Conference for Education which was held in Amarillo on March 9. They reported that never have they attended a conference where all the speakers were as brilliant and outstanding as were the three speakers who gave the main addresses of the day. These speakers were Dr. Ethey J. Alpenfels of

New York University, Dr. Andrew D. Holt of the University of Tennessee, and Dr. H. Roe Bartle, Civic and Youth Leader of Kansas City.

Men Attend Retreat

The men of Holy Family Church of Nazareth spent the afternoon of March 11 attending a retreat conducted by Rev. Arnold Carlson of Canyon. The retreat preceded the Holy Hour which was held from four to five. A large number of men from this parish and neighboring parishes attended.

A farewell party was given one evening last week for Walter Klemman by his two brothers, Paul and Bob, in the home of the Walter Klemmans. Many friends and relatives attended. Walter left March 11 for overseas duty in Japan.

Mr. and Mrs. Henry Wilhelm entertained friends in their home on the eve of March 11. This was a farewell party for Tony Acker who also is leaving the States for duty in Japan.

Mr. and Mrs. LaVern Klemman announce the birth of their son, Billie Joe. Sponsors were Mr. and Mrs. Art Klemman.

Mr. and Mrs. Clarence Wilhelm announce the arrival of their son, Virgil Howard. Sponsors were Bernard Wilhelm and Angela Wethington.

The Knights of Columbus enjoyed a club breakfast during the morning of March 11. Many members and their wives or lady friends attended.

Mr. and Mrs. George Brockman of Umbarger visited relatives in Nazareth over the week-end.

Miss Patty Heinen spent the week-end in her home in Littlefield.

bers elected delegates for the state convention to be held in Galveston. The members enjoyed a game of cards before the meeting broke up.

On March 5 Leo Dobmeier, assisted by Lawrence Acker, presided over a meeting of the Catholic Order of Foresters. On March 7 a meeting of the Catholic Daughters of America was held. Angela Wethington, grand regent, called the meeting to order. Mrs. Thomas Annen, historian, read the minutes. The members made preparations for the initiation and the reception of new members on May 6. Plans are being made for a dance and banquet on that day also.

Around N. H. S.

by MARTHA BURT

Some freshmen volunteers have been seen busily assisting in the cleaning of the front school grounds.

The census survey for the school year of 1951 has just been brought to a close.

The commercial arithmetic class has been helping to complete the survey for high schools with less than 100 pupils. It has been helping fill in several of the tables for the committee meetings.

The junior class now has the American Red Cross Drive in full swing. The class is contacting the members of the community in order to receive their donations.

The school children enjoyed a free day on Friday. The teachers attended the teachers' convention held in Amarillo on that day.

State-wide Clean-up Is Recommended By State Health Officer

"All citizens must cooperate with their neighbors and local authorities if Texas, towns and countryside are to be kept free of unsightly and health-menacing accumulations of garbage and rubbish," warns Dr. Geo. W. Cox, State Health Officer.

"Since garbage, rubbish and other types of refuse are of no value to the producer, by the same token they are of no value to a neighbor. Everyone is responsible for the waste materials which he produces and is under obligation to collect, store and dispose of these materials in a sanitary manner. The officials of every municipality or other political subdivision encounter the problem of collecting and disposal of waste materials discarded by their residents.

"Improper disposal of refuse presents definite hazards to public health for such material create breeding places for rats, flies and other vectors of disease transmission. Odors, smoke and disagreeable appearance are other important considerations.

"The State Health Department and County Health Units are vitally interested in proper storage

collection and disposal of refuse and stand ready to aid towns or individuals in solving their problem. Receptacles for storage should be of water tight metal with lids that fit. Final disposal is a serious and difficult problem which individuals and communities must solve according to local conditions. Waste materials should never be dumped on prop-

erty belonging to another person or organization."

Mrs. Alta Birdwell of Loving, Texas is here for a visit in the home of her sons, Bud and Wade Birdwell.

"My SD-3 has given me unbelievably fine performance from my forage harrower"

Says: ALBERT SAUTTER
R. F. D. #1 Edisto, Ohio

"My other new 3 plow tractor just could not do the job because of constant plugging of the chopper." In Sautter's own words, it was the Sheppard Diesel's "live power take-off, wide choice of gears, added power and economy of operation" that sold him on trading in his brand new tractor on an SD-3 Sheppard Diesel.

Meetings

by NORA KLEMAN

The P-TA was called to order for their regular meeting on March 8 by the president, Arnold Brockman. Minutes of the last meeting were read by secretary, Andy Schumacker. The financial report was read by the treasurer, Leonard Conrad.

During the business session, the meeting to be held in Childress was discussed. It was recommended that as many as possible attend that particular meeting. Another matter under discussion was the repair of the playground equipment. Definite arrangements were made for several of the men to come to the school grounds on March 13 to do the repair job.

After the business session, the group was entertained by the first and second grades. They presented a playlet, "Letters-Escape from the Dictionary" and some very cute square dancing.

In the evening of March 6 another meeting of the Knights of Columbus was held with Greg Hoelting, grand knight, presiding. The recorder, Albert Gerber, read the minutes of the previous meeting and held roll call. The mem-

Of course - it's Electric!

It's electric because there is no better way for complete food protection.

Today's high food prices demand the best in food protection. You get the best in electric refrigeration. The valuable vitamin and mineral content of meats, fruits and vegetables are kept at peak perfection. And you have the added value of making frozen salads and desserts which bring new pleasure to menu planning.

See the glistening electric refrigerators now being displayed by your electric appliance dealer. Keep your food values up and your food costs down with dependable electric refrigeration.

Take a look at the
only trucks with
Fluid Drive!
NEW
DODGE
"Job-Rated" TRUCKS

The trucks that do the most for you!

Makes driving
extra easy!

You get smooth-as-silk performance with gyrol Fluid Drive—a Dodge exclusive available on 1/2-, 3/4-, and 1-ton models. This proved fluid coupling between engine and clutch eliminates jerky starts, helps prevent stalling. Loaf along in high, slow down in traffic, speed up again—all without touching the gearshift or clutch!

More
convenience
on hills!

Fluid Drive lets you stop on an upgrade and hold your Dodge "Job-Rated" truck in gear, simply by slightly speeding up the engine. And on a downgrade, Fluid Drive gives you effective engine braking. Under all driving conditions, Fluid Drive is easier on both driver and truck.

New safety on
slippery roads!

With Fluid Drive, there's less wheel-spinning, less tendency to skid on wet or icy pavements. You can start in higher gear, apply power gradually and get away smoothly and safely. Traction is applied more efficiently. With less wheel-spinning, tires last longer, too—another money-saving advantage of Fluid Drive!

Lengthens
truck life!

The "cushioned" power of Fluid Drive saves wear and tear on over 80 vital parts—including clutch, transmission, rear axle. This insures longer truck life—lowers your upkeep costs. And trade-in value stays high! Ask us for interesting booklet on gyrol Fluid Drive.

Better load
protection!

Fluid Drive assures extra-smooth starts... protects your load. There's less chance for cargo to shift—less chance of breakage or other damage.

WHAT "JOB-RATED" MEANS TO YOU

A Dodge "Job-Rated" truck is engineered at the factory to fit a particular job... save you money... last longer.

Every unit from engine to rear axle is "Job-Rated"—factory-engineered to haul a specific load over the roads you travel and at the speeds you require.

Every unit that SUPPORTS the load—frame, axles, springs, wheels, tires and body—is engineered right to provide the strength and capacity needed.

Every unit that MOVES the load—engine, clutch, transmission, propeller shaft and rear axle—is engineered right to meet a particular operating condition.

Nazareth Round Up

Around Town

by JULENE HEIMAN

Church Cleaning Takes Place

A large number of both men and women took part in the spring cleaning of the church preparatory to the feast of Easter. Those taking part in what resulted in a very thorough and good job were Mesdames Leo and Nick Ehly, Leo Dobmeier, Ed Drerup, Frank Hoelting, A. M. Heiman, Leroy Pohlmeier, Tony Gerber, Robert Emil, Louis Frank and Philip Huseman, Wm. Hochstein, John Hanson, Louis and George, Jr. Schacher, and Joe Guggemos, Miss Florene Huseman, and a group of men: Eugene Hochstein, Lawrence Huseman, Greg Hoelting, Emil Huseman, Louis Brockman, and Arthur Kleman.

Sodalists Entertain Fathers

Because March 18 was the eve of the feast of St. Joseph, the Children of Mary used the occasion to honor their fathers since St. Joseph is their patron.

During the early morning services, a large group of the young people accompanied their fathers to the reserve pews in the front part of church. Then the entire group went to Communion in a body.

In the afternoon they all met in the community hall for an enjoyable party. Preceding the playing of cards and the serving of refreshments, the Sodalists gave a program of readings and songs. Those taking part in this entertainment were the following:

Miss Clemie Aichlmayr, prefect, Welcome Address.

Rev. Peter Morsch, an address on The Dignity of Fatherhood.

Very Rev. G. A. Boeckman, an address complimenting the Sodalists on such a gathering.

Bert Wilhelm, A toast to fathers.

John Heiman, a group of German songs, accompanied by Angela Wethington.

Harry Kleman, this grandpa business.

Irene Brockman, naming the baby

A group of fathers: Tony Gerber, A. P. Hoelting, Val Acker, George Book, Sr. Henry Wilhelm, and Andy Schumacher, all accompanied to the stage by and singing with Vincent Gerber, Clyde Hoelting, Luke Acker, Lois Book, LaVern Wilhelm, Buddie Hoelting, and Angela Wethington. Vincent Ramaekers, Master-of-Ceremonies.

In the awarding of gifts to distinguish fathers, Frank Brockman was honored as the oldest father present and LaVern Kleman as both the youngest and the most-recent father.

Out-of-town guests who attended the party were Very Rev. G. A. Boeckman, Miss Bobbie Hafernik, both of Happy, Florene Heiman and Bernard Kleman of Amarillo, LaVern Kleman of Tulia, Charles Finch of Dimmitt, Jerome Brockman of Muleshoe, and Henry Gerber of Umbarger.

Mrs. Leo Huseman has announced the engagement and approaching marriage of her daughter, Florene, to Elmer Schulte, son of Mrs. Frank Schulte. The wedding is to take place April 3 in Holy Family Church.

Relatives and friends here have learned of the approaching marriage of George Thomas Bowers, formerly of Nazareth. The bride

is to be Dorothy Ann Smith of Olpe, Kan.

Mr. and Mrs. Joe Birkenfeld recently returned from a trip to Rhineland, Texas, where they visited friends and relatives.

A birthday party honoring Mrs. Louisa Kern, 87, of Umbarger was held at the home of the Joe Warrens on March 18.

Mr. and Mrs. Leo Conrad and children of Claude visited the Leonard Conrads March 18.

Mr. and Mrs. P. T. Zimmermar of Port Arthur spent the weekend with the George Books.

Mr. and Mrs. Joe Wemhoff of St. Mary's, Nebr., and Mr. and Mrs. Joe Albus of Pep, Texas, spent Sunday visiting with the Joe Albrachts and the Joe Birkenfelds.

Mrs. John McBride and son, George, of Canyon visited the Hermat Ackers over the weekend.

Show Held

A "pink and blue" shower was held Sunday in the home of Mrs. George Book, Jr., for Mrs. Jerome Brockman of Muleshoe. Mrs. Book acted as hostess. Many beautiful gifts were given and refreshments and entertainment were enjoyed by all.

The Easter vacation for the Nazareth Schools will begin Thursday afternoon and end Tuesday morning.

Meetings

by NORA KLEMAN

The American Legion Auxiliary held its monthly meeting March 13. The meeting was opened with that of the Legion, in order to discuss plans for the annual Legion-sponsored V-E celebration, which is to be held May 13. The Auxiliary will take charge of the lunch to be served.

Later, the Auxiliary, meeting alone, was told of plans for a home-nursing school in this district. However, the group decided that the fact that they have been so recently organized make it inadvisable for them to take part now in the nursing school or in the poppy sale usually sponsored by Auxiliary groups.

A history of the Auxiliary, presented to the Nazareth group by the state department, was shown to the members, and then given to the historian to be kept with the records of the local group.

After the first part of the meeting with the Auxiliary, the Legion then met alone. James Schwallier, commander, presided, assisted by Leroy Pohlmeier, adjutant. Plans were discussed for the annual Legion picnic to be held May 13.

4-H Club Meet

On March 14, Lois Book, presi-

dent of the Senior Girls 4-H Club, called another of their monthly meetings to order. The club met, to pledge, and prayer were recited by the members. Georgiann Schacher, secretary, read the minutes, and Clemie Aichlmayr gave a report on the last council meeting held in Dimmitt.

Mrs. Vann then gave an interesting talk on the points of a good dairy cow. Points stressed in the talk were diseases carried by milk and good points that can be easily seen when buying a cow.

Around N. H. S.

by MARTHA BURT

The seniors received a pleasant surprise last week when the placings in the diocesan drive for Register subscriptions were announced. The seniors found that Harold had placed second on the winner's list. He received an ivory Truetone radio which he donated to the seniors and which is now on display in the trophy case in the front entrance hall of school. The seniors are selling chances on the radio which will be given away during the senior dance on April 10.

Those juniors that had ordered the senior pins and necklaces were thrilled on Thursday afternoon when news was received that the pins and necklaces had arrived.

The American Red Cross Drive is still being conducted by the juniors.

Several of the high school students celebrated a birthday re-

cently. These were Elmer Huseman, March 3; Julene Heiman, March 6; Grace Acker, March 10; Rosemary Conrad, March 12; and Vincent Gerber, March 16.

Then there were some of the NHS'ers on that committee that did such a wonderful job in preparing the Fathers' Day program yesterday. The whole committee was made up of Vincent Ramaekers, Margaret, Cecilia, and Clemie Aichlmayr, Emely Pohlmeier, Irene Brockman, Vincent Gerber, Martha Burt, Rosemary Conrad, Aurelia Acker, and Mike Schacher.

Clemie Aichlmayr has received her OAT certificate in typing and Nora Kleman and Irene Brockman are proud of themselves since they have recently received their 40-word certificates.

All the kids were seen admiring the new ring worn today by Aurelia Acker. It is a diamond engagement ring and was given her by Pvt. Albert Schoenenberger of Canyon who is soon to be sent overseas for duty.

Are You Interested?

by ESTELLE HOELTING

Doubtless you are interested in knowing where our boys are who have gone into the military services during the last year or so. This column is intended to supply that information.

There is one group fortunate enough to be together. They are David and Charles Acker, Carl

Dean Kleman, Ed Raemaekers, Fidelis Ehly and Julian Huseman. These boys are all stationed in Fort Jackson, South Carolina. All except Carl Dean are in the Field Artillery. He is specializing in radio work. He also writes about driving a jeep. In case some do not know what Field Artillery is: it is learning to use the guns that are used in the front lines. Anthony Acker and Walter Kleman have just had furloughs before being shipped to Japan. Tony, who is in the Infantry, has been in Camp Cooke, Calif. Walter has been stationed at Camp Polk, La.

Al Maurer, who is in Fort Ord, Calif., is attending school. He is looking forward to a furlough about the time of the Prom. Then he, too, must go across.

James and Jerry Wilhelm, two of the boys to leave recently, had to report to Fort Lee, Va.

Robert Bowers and Vernon Braddock have gone very far since going into the army. Robert is in a medical division in Korea. Vernon is a sergeant and a supply clerk at an Air Terminal Unit in Ashiya, Japan.

Acker, gave her report. Mrs. Vann gave the March Newsletter to each member. Then she gave demonstration of dairy foods. She explained the parts of the cow. This was to help the members of the club in buying cows.

The fifth and sixth grades have purchased a few new books for their library. These are "Mary Rose Keeps House" by Mary Wirries, "Signals from the Bay Tree" by Spalding, "Mr. Bumps and His Monkey" by Walter de la Mare with illustrations by Dorothy Lathrop.

West Texas Gas Co. Announces Personnel Changes of Officials

T. S. "Thurman" Whitis, new vice president, transmission, began his career with West Texas Gas Company in 1930 as rod man and instrument man on construction of Littlefield city distribution plant. His other work with the company has included service as a surveyor and draftsman in the engineering department on

T. S. WHITIS

city plant and main line construction, clerk in Lubbock city office, clerk in Plainview city office, superintendent of the gas measurement department in Lubbock, engineer, and general superintendent transmission.

Thurman has been actively associated with the Southwestern Gas Measurement Short Course, held annually at the University of Oklahoma, for many years. He is chairman of the publication committee this year. Papers presented at the short course are compiled in a publication which is used as a textbook by several colleges in the south. He also is an active member of South Plains Chapter Texas Society of Professional Engineers.

He studied engineering at Texas Tech, where he was one of the first to register when the college opened in 1925.

H. F. "Herman" Heath, new vice president, distribution, started to work for the company in 1928 as clerk in Lubbock city office. In 1930 he was appointed Brownfield district manager and remained in Brownfield until 1945, at which time he transferred to Midland as Midland district manager. He returned to Lubbock as superintendent of city plants in 1948. He was made general su-

perintendent distributor in 1950.

H. F. HEATH

the job he held at the time of his recent promotion.

Herman is a member of the Masonic Lodge and the Lubbock Lions Club. He was president of the Brownfield Lions Club while stationed there. He attended West Texas State College, Canyon.

J. J. "Bill" Wiley, new vice president, accounting and budget control, started to work for the company in 1937 as clerk in Lubbock office. He was transferred to the company's general offices in 1940 to assume more responsible positions.

Bill was called back to active duty with the Navy in 1941. As Supply officer of the USS Corvador, he participated in five invasions in the Pacific theatre

J. J. WILEY

of war, which included the Gilbert Islands, Marshall Islands, New Guinea, Saipan and Guam.

He returned to work for the company on his release from the

Navy. In 1948 he was appointed assistant secretary and assistant treasurer of the company and in 1950 he was made chief accountant, the job he held at the time of his recent promotion.

Bill is secretary-treasurer of the South Plains Society for Crippled Children and a member of the Lubbock Optimist Club. He was graduated from Texas Tech in 1937 with a BBA degree.

R. M. "Rod" Curry, assistant to the president, began his career with the company in 1927 as draftsman. He was with the company about a month when he was made chief draftsman. In 1932 he was appointed resident engineer and in 1950 he was made chief engineer distribution. He

R. M. CURRY

will continue to serve as chief engineer distribution.

Rod is well known in the industry for several of his regular installations. Executives of the company give him credit for having designed distribution systems, building and regulators now used in West Texas Gas Company's operations.

He is a member of the Lubbock Rotary Club, South Plains Chapter Texas Society of Professional Engineers and the Masonic Lodge. This year he was elected to serve as vice president of the engineer's club. He is a graduate of Meridian College.

All six men will continue to make their headquarters in Lubbock.

FORD WINS AGAIN!

V-8 TAKES FIRST PLACE IN CLASS "A" 1951 MOBILGAS ECONOMY RUN

Both Ford V-8 and SIX Deliver more than 25.9 miles per gallon

Gruelling 840-mile test proves Ford Economy

Again this year... it's high honors for Ford! In the most important economy trial for American stock model cars... the famous annual Mobilgas Economy Run... A Ford 100-h.p. V-8 equipped with Overdrive took first place competing against all cars in its price class, making 54.587 ton-miles per gallon* and 25.994 miles per gallon. And its companion in quality, the new Ford SIX with Overdrive, was right up there with the winner. In fact, both cars averaged better than 25.9 miles per gallon.

Traditional Ford economy, for the second straight year, has been proved in open competition. Proved on the tough 840-mile grind from Los Angeles to the Grand Canyon... a course that included city traffic, below-sea-level desert heat and 7,000-foot mountain passes. Ford's Automatic Mileage Maker, standard equipment on all Ford V-8's and SIXES, contributed to this great achievement by squeezing the last mile out of every drop of gasoline.

Why not "Test Drive" the new Ford at your neighborhood Ford Dealer's? There's no better way to be convinced that "You can pay more but you can't buy better!"

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles travelled, divided by number of gallons of gasoline consumed.

FORD V-8 with Overdrive F.G.A.
DOES 54.587 TON-MILES PER GALLON*

Health Talks . . .

Everyone has germs, of course, various assortments of vegetables and animal life scattered about the body, inside and out. As long as those germs stay at a certain population and behave themselves properly, they add to your growth, energy and well-being.

When they get out of, line either because they multiply too fast or the bad germs bat down the good ones, you are likely to end up with an infectious disease. And it usually runs a set course, lasting a certain time, and is capable of spreading to others for a certain length of time.

Some people catch the germs

which thrive in or on them but never cause the disease to develop. Such a person was the now-famous Typhoid Mary who was able to spread typhoid though she never developed typhoid herself. Many other people did from contact with her "germ" and finally she was discovered as the source of many cases of typhoid.

She wasn't aware of her ability to spread disease until it was proved to her and she was limited thereafter in her contacts with people, as all typhoid carriers are today; they are not permitted to prepare food and drink for anyone except themselves or to work in places where food and drink are handled. With certain other limitations, carriers are able to go

about their normal routine of living without having to be isolated completely.

Leprosy and tuberculosis do require isolation, however, until the ability to pass the infection is gone.

Other diseases require definite periods of isolation in order to prevent the spread of the illness to others. Typhoid fever is considered catching for at least 3 weeks after the disease develops, diphtheria may be passed on to someone else for about 14 days after it shows up; and among the many diseases which are thought catching for the first week after the signs of the ailment are obvious are anthrax, dengue fever, sleeping sickness, glanders, measles, mumps, Bubonic plague, polio, parrot fever, scarlet fever, meningitis, smallpox, granulated eyelids, typhus fever and whooping cough.

You have the germs that cause these diseases in your body for some time before you come down with the illness, of course, and during that incubation period you are also able to pass the disease to someone else. That is the reason that public gatherings are banned when any bad disease seems to be spreading rapidly.

The public health officials can tell when a disease is likely to become an epidemic because each county is required to report the number of cases of a long list of diseases each week. The officials keep check on the numbers reported and when some certain disease seems to be getting out of hand, they find the source when possible, whether it be a person, animal, water, food, or what.

Different types of germs cause different diseases and sometimes the study of the germ which caused the disease will lead to the discovery of the origin of the disease. Bacteria are the plant-like germs which are part of mankind and protozoa are the animal-like germs. They may both be very good for you for some function of your body or they may be very bad, interfering with proper function.

The different kinds of bacteria may be seen with a microscope, telling the doctor what kind of germ is likely to be doing the damage. The oval-shaped germs are called cocci, the rod-shaped germs are called bacilli, and the corkscrew-shaped germs are called spirillas. They each work in different ways and they each require a different type of medicine to help them back in line.

The cocci germs, those oval ones, also have different habits among themselves. The streptococci germs line up one after the other, forming chains to do their work. The staphylococci germs cluster around each other like a bunch of grapes, the most common picture of these "staph" germs being the plairr old boil.

Mr. and Mrs. Robert Masten of Sudan attended church services at the Methodist church here Sunday.

"50,000 MILES-NO WEAR!"—PROVED HERE:

After a punishing 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence . . . in fact, an average of less than one one-thousandth inch on cylinders and crankshafts.

AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that new Conoco Super, with OIL-PLATING, can make your car last longer, perform better, use less gasoline and oil.

"WHEN A MAN BUYS A USED CAR from us, we want him to get his money's worth in performance and operating cost. That's why we put new Conoco Super Motor Oil in all our cars and tell the buyer to use nothing else," says H. C. Wheeler, Wheeler Motor Company, Denver, Colorado.

"I RECENTLY CHECKED A CAR that had gone 39,000 miles on Conoco Super Motor Oil," reports Joe Prestidge, Chief Garage Mechanic, St. Paul, Minnesota. "I found the connecting-rod journals were within five ten-thousandths of an inch of the original factory specifications. I've never seen so little wear!"

FLAGG NEWS

Mrs. Truett Boothe was hostess at a pink and blue shower honoring Mrs. Jimmy Buckley Friday afternoon. Games and conversation were enjoyed and many lovely gifts were presented the honoree, Mrs. Boothe was assisted by Mesdames Cecil Ginn, Clyde Damron, Andy Thompson, and Sid Sheffy. Refreshments were served to twenty guests.

Mr. and Mrs. Andy Thompson were visitors in El Paso last week end.

Mr. and Mrs. James Bradford and Mr. and Mrs. Louis Coke have returned from a trip to Waco.

Mrs. Sid Sheffy and sons, Rex and Don are visiting in Las An-

Della Gay Teague Weds Cpl. Bunker In Home Ceremony

Miss Della Gay Teague, daughter of Mr. and Mrs. Elzie Teague, of Dimmitt became the bride of Cpl. Merrill C. Bunker, son of Mr. and Mrs. Ralph Bunker of Bar Harbor, Maine, March 15, in an impressive ceremony performed by Rev. Earl Landtroop in the home of Mr. and Mrs. Clyde Damron.

The double-ring ceremony was performed by candlelight in a setting of ferns and baskets of white flowers.

Mrs. Melvin Settle played the traditional wedding marches and accompanied Mrs. Sid Sheffy as she sang "Always" and "Oh, Promise Me".

The bride, given in marriage by her father, wore a suit of navy blue with a corsage of white gladiola.

The matron of honor was Mrs. Bob Mapes, sister of the bride. She wore a gray suit and a corsage of white carnations.

Best man was Jack Teague, brother of the bride.

A reception followed the wed-

With lace petals and tucking in this one-piece combed chambray dress for the miss of seven to twelve. Colors: Aqua, henna, and lime. Sizes: 7 to 12.

Light truck with a Lifeline!

EXTRA-DUTY engineered from rims to roof, packed with power—these new GMC 1/2- to 2-tonners are truck-built to stay young and free of trouble down through the uncertain years ahead.

Model for model, feature for feature—things like these tell you why: Rotating Free-Valve action; wider Twin-Action hydraulic brakes, heavier front axles, new thrifty carburetion, Weathersealed "Six-Footer" Cabs with new Ventipane-controlled ventilation—lifetime engineering in every detail.

Yet one thrifty price covers all—you pay no "extras." As your GMC dealer, let us prove to you that extra-duty features are standard equipment on a GMC.

Come in—compare these hauling champs. In price, in product—in operating economy—there's never been a better buy!

FRIO NEWS

(By Mrs. Owen Andrews)
Mrs. C. N. McClure was hostess at a buffet style Birthday dinner Sunday honoring her husband and Mrs. Sam Greene. Guests, relatives of the McClures were Mr. and Mrs. Sam Greene of Floydada, Mr. and Mrs. W. H. Masten of Amherst, Mr. and Mrs. G. W. Masten and son, Donald Mack of Sudan, Mr. and Mrs. R. L. Masten and daughter of Sudan, Mr. and Mrs. A. L. Frazier of Sudan, F. O. Masten of Sudan, Mr. and Mrs. W. J. Wood and son, Billy Charles of Lubbock, Mr. and Mrs. Joe Davenport and Jo Frances of this community.
W. C. Masten, who is the father of Mrs. McClure, Mrs. Frazier and the Mastens, have been visiting the McClures for the past week. Mr. Masten, who is ninety years of age makes his home with his children near Sudan.
Mr. and Mrs. W. H. Andrews and children were visiting his sister, Mrs. Roscoe Burris and Mr. Burris near Clovis Sunday.
The Leonard Irwins, except Lester and Tommy, spent Satur-

day night with Mrs. Irwin's brother, Luther Dowdy and family near Tulia. On Sunday Mr. Irwin, Luther and Velma came to Sunday School and went back to Tulia where they all spent the day at the Dowdy home.

Miss Gladys Thompson spent the week end at the Hiram Odum home, and on Friday night accompanied them to Plainview to see a basketball game between Wayland and a Denver, Colorado team.

Rev. and Mrs. Coley Arrendar and daughter, Betty, of Dawn, visited the R. L. Shannons Tuesday night.

Sunday visitors in the E. B. Berryman home were Mr. and Mrs. Audry Franks, Mrs. Glenn Franks and children all of Amarillo and the Buck Barnetts of Hereford.

The W. H. Thompson family took dinner at the Raymond Odum home south of Dimmitt Sunday, the occasion being in honor of Raymond's birthday. Quite a number of other relatives were also present.

Visiting the W. H. Thompsons from Wednesday until Saturday were their daughter, Mrs. Florence Gregg, her husband, Charles,

and son who are from Oklahoma City.

Leonard Schmidt, who underwent an appendectomy at the Deaf Smith County hospital on Wednesday of last week was able to be out of the hospital on Monday. His father from Clinton, Oklahoma, who has been here since the day of Leonard's operation, has been visiting at the home of another son, Herb Schmidt. Leonard and his dad left Monday to go back to the family home where Leonard will visit his parents until after Easter.

Hart H. D. Club News

Hart Home Demonstration Club met Tuesday, March 20 in the home of Mrs. Willis Hawkins Sr. This was an all day meeting on Leather Craft. A covered dish luncheon was enjoyed by all.

In the afternoon after the business hour Mrs. L. Aven and Mrs. J. D. Murray gave a demonstration on work simplification. 10 members were present and one visitor.

Reporter

Southedge H. D. Club

The Southedge Home Demonstration Club met Wednesday in the home of Mrs. B. T. Hamilton with Mrs. Marvin Sanders, president, presiding. A full report of council meeting was given by Mrs. Orbie Armstrong. All business which could be taken care of at this meeting was done as the whole time of the next meeting will be needed for demonstration.

Mrs. Vann, County HD Agent, continued her demonstration on cutting garments from patterns. These demonstrations will finally take the members into tailoring.

At the conclusion of the meeting, Mrs. Hamilton served a delicious lunch, carrying out the St. Patrick's day motif.

HADACOL is Requested By Nurses

HADACOL Helps Folks Suffering Deficiencies of Vitamins B₁, B₂, Niacin and Iron.

Registered nurses, in increasing numbers, are showing a keen interest in HADACOL and the results that are being secured with this great modern formula. Requests have been received from many of these nurses for professional samples of HADACOL and many of them indicated that they recommend the HADACOL formula to patients who are deficient in Vitamins B₁, B₂, Iron and Niacin.

Mrs. Lovett
Mrs. L. D. Lovett, a registered nurse who lives at 2205 Walnut St., Philadelphia 3, Pennsylvania, says this about HADACOL:

"I was down in Florida for the past month. I had no energy so several members of my family told me to try a bottle of HADACOL. My sister, who is a nurse, was taking a bottle so I tried a bottle. I feel fine since taking HADACOL. I do private duty here. I am 50 years old."

HADACOL can help you if you suffer such deficiencies. Ask your druggist for HADACOL today. Only HADACOL gives you that "Wonderful HADACOL feeling."

Study Water District

Water users groups in two counties are examining means of implementing the creation of a proposed underground water conservation district in the Panhandle-South Plains area.

Deaf Smith County Water Conservation Association met Friday (Mar. 16) in the Jim Hill Hotel at Hereford. Directors of the Hale County Water Conservation Association have scheduled a meeting for Friday, March 23.

The Deaf Smith group heard talks by two attorneys, John Aiken of Hereford and Arthur P. Dugan, Jr., of Littlefield, and by John I. Bowling, Hale Center gimer. Tom McFarland, president had charge of the meeting.

The Deaf Smith and Hale county organizations are associate members of the High Plains Water Conservation and Users Association, along with county groups in Farmer, Lamb, Hockley, Floyd, Swisher, Castro, Brisco, Bailey, Lubbock, Dallam, Crosby, and Randall counties and the Petersburg association.

Earl Hembree, Reuben Mayfield and Jess Birchfield attended a meeting of the IOOF Grand Lodge at Fort Worth Saturday and Sunday.

Mr. and Mrs. Vernon Simmons, Mrs. Floyd Copeland, Mrs. Earl Hembree and Mrs. Raymond Chism returned home Sunday from a Rebekah Assembly at Ft. Worth.

Mrs. Russell Moran is at Dallas to be with her mother, Mrs. H. C. Pearson of Lorenzo, who is receiving medical treatment in a Dallas hospital.

CARD OF THANKS

We wish to express our sincere appreciation for the many acts of kindness that our many friends have shown us during our recent

fire loss and especially to the fire department for their efficiency in subduing the fire. Please accept our heartfelt gratitude.
