New Controls Make Truman Very Unhappy

WASHINGTON, July 1 (UP)—A new economic controls law went into effect Tuesday, and President Truman wasn't a bit happy about it.

He drafted a detailed statement to tell the public exactly why he considers the new law inadequate to combat inflation.

The statement also offered Mr. Truman a chance to say whether he intends to comply with the "request" which Congress wrote into the bill that he use the Taft-Hartley Law in the steel strike.

The compromise legislation was rushed through the House and Senate Saturday, and Mr. Truman reluctantly signed it Monday just six and half hours before the old controls law expired at midnight.

Informed sources said Mr. Truman accepted the measure only because Democratic congressional leaders told him, in effect, that he was lucky to get it, and that there was no chance of pushing a stronger version through the House and Senate.

They predicted that his statement would be only the prelude to a series of political campaign blasts at the coalition of Republicans and Southern Democrats which riddled the bill in the House with weakening amendments, and came close to killing off nearly all price controls.

Under the new law, wage-price controls will remain in effect until next April 30, but federal rent ceilings will end Sept. 30.

Few Criminals In This County

HUNTSVILLE, May—Eastland County in the past ten years has committed 38 prisoners to the Texas Prison System.

This was revealed recently in a study conducted inside the prison by graduate students at Sam Houston State Teachers College, under the supervision of Dr. Rupert C. Koeninger, head of the college's sociology department.

In number of commitments per thousand population, the County ranked 148th in the State with 3.59 persons per thousand committed, the study further showed.

Ten counties during the period, 1942 to 1951, representing 41.78 per cent of the total population based on the 1950 census, committed 59.27 per cent of the prisoners.

Highest among them in percentage was El Paso County, which sent 5.77 men per thousand and ranks ninth in the State in percentage of commitments. Next was Hidalgo, which committed a 4.51 per thousand committed were Harris, 4.07, Wichita, 3.76, Dallas, 3.38, Cameron, 3.13, Jefferson, 3.18, Bexar, 2.87, Travis 2.74 and Tarrant 2.66.

"strengthening" amendments, except in "critical defense housing areas" or cities whose local governing bodies request that they be continued until April 30.

Mr. Truman had asked for a full two-year extension of wage, price and rent controls, with

Daisy Coffee Cake

Here's a breakfast as inviting as summer sunshine! Chilled tomato juice is the eye-opener, followed by a light and spicy Daisy Coffee Cake and fried eggs with crisp bacon.

Pretend your family is "company" for Sunday brunch and surprise them with a many-petaled Daisy Coffee Cake you've created yourself. Make this yeast coffee cake fragrant with cinnamon, a day ahead of time and then warm it just before serving. It's made from a basic sweet dough which will help you brush up on your kneading technique. Though the coffee cake looks intricate, the slapping comes easy. After cinnamon sugar is layered in the dough, cut spokes from the circle of dough and twist each one, two or three times.

Daisy Coffee Cake makes a happy addition to the picnic hamper. Since it costs but a quarter to make, it's a thrifty way to satisfy out-of-door appetites. For many of your summer picnics, of course, you'll find it more convenient to drop by your baker for coffee cakes, sandwich bread and desserts.

Score enriched coffee cakes and breads high in your menu planning, not only for appetite appeal but for good nutrition as well. They provide protein, three B-vitamins and food iron for good health.

DAISY COFFEE CAKE

- 1 package yeast, compressed or dry
- 1/2 cup water (lukewarm for compressed yeast, warm for dry)
- 1/4 cup milk
- 1/4 cup sugar
- 1 teaspoon salt
- 2 tablespoons shortening
- 2 1/2 cups sifted enriched flour (about 1 1/2 cups)
- 1 egg
- 2 tablespoons melted butter or margarine
- 1/2 cup cinnamon sugar
- Confectioners' sugar icing

Soften yeast in water. Scald milk. Add sugar, salt and shortening. Cool to lukewarm. Add flour to make a thick batter. Mix well. Add softened yeast and egg. Beat well. Add enough more flour to make a soft dough. Turn out on lightly floured board or pastry cloth and knead until smooth and satiny. Place in greased bowl. Cover and let rise in warm place until doubled (about 1 1/2 hours). When light, punch down. Let rest 10 minutes. Roll out to square about 14 inch thick. Brush one half with butter or margarine and sprinkle with cinnamon sugar.

Fold over. Brush with butter or margarine and sprinkle with cinnamon sugar and fold over again. Roll out to circle about 12 inches in diameter. Place on greased baking sheet. With scissors or sharp knife cut to within 1 inch of center making about 16 pie-shaped pieces. Turn each piece over two or three times to make twists. Let rise until doubled (about 45 minutes). Bake in moderate oven (350° F.) about 20 minutes. When cool brush with confectioners' sugar icing, if desired. Makes 1 coffee cake.

Long Holiday Cause Worry To Safety Men

AUSTIN, (Sp)—Most Texans are looking forward eagerly to the long three-day Fourth of July holiday this year but there is one group who eye the prospects with a tongue-in-cheek attitude. They are Homer Garrison, Jr., Director of the Texas Department of Public Safety and the personnel of his Highway Patrol Division.

Garrison pointed out today that while the Nation would be celebrating the birth of its independence Americans generally would find themselves "slaves" of the traffic menace. In Texas alone, he said, 42 persons will lose their lives in traffic accidents on July 4, 5, and 6.

The extra-long holiday period will flood the highways with additional automobiles filled with vacationists and pleasure seekers bound for beaches, rodeos, ball games, parks, night spots and other conceivable places of recreation. Hundreds will be hospitalized as the result of traffic injuries and the morgue will claim the toll of 42.

In appealing to the fellow Texans to break the fetters of traffic "slavery" by cautious motoring, Garrison said: "There is no justifiable reason why intelligent people should slaughter themselves in their quest for a good time. We take no pride at all in the fact that our statisticians can predict with considerable accuracy the disaster on our highways. They know that lack of observance of the traffic laws is responsible for the vast majority of highway deaths and our best recourse as a preventative measure is to appeal directly to the drivers. We urgently plead that you will practice a safe and sane Fourth behind the wheel of your car. And, remember—in driving, as in a ball game, it's not how many times you start that counts but how many times you reach home safely."

Scattered Rains Bring Relief To Some Parts State

Scattered rains and thunder-showers provided some relief from the heat for Texas and Texas crops Thursday, but temperatures again sizzled into the 90s in many areas.

In the latest 24-hour reporting period, Beaumont received 1.24 inches of rain, Waco had .86 inch, San Antonio .11, El Paso .02, Galveston .04 and Austin .01.

More showers and thunder-showers fell later Tuesday. Monday North Texas was struck by violent winds, hail and rain. The storms followed a squall line. At Valley View, Tex. trees were uprooted and roofs were torn from three downtown buildings. Barns and communica-

CAN'T REMEMBER — Nervous Pvt. Morris Cantwell, Ottawa, Ont., face still blackened from explosion waits to receive treatment for wounds received while on night patrol in Korea. Pvt. Morris said he remembered being thrown into the air by an explosion but doesn't remember how he escaped alive nor how he was able to walk back to UN lines. (NEA Telephoto).

Democrats Get Ready For Long Vote In Chicago

WASHINGTON, July 1 (UP)—Democratic presidential candidates agreed Tuesday that their national convention faces marathon balloting before it selects a nominee.

While every one of the active Democratic candidates is ready to predict eventual victory for himself, none is willing to claim that he will have the needed 616

Mrs. Cooper said people often stop her on the street to ask if her child "is any relation to Jackie Cooper."

Mrs. Cooper, the former June Horne, is divorced from the grown-up Jackie. He's acting in New York now "and hopes I don't let little Jackie be a child star."

"My son sees his father on TV all the time," Mrs. Cooper said. He keeps saying, "I want to be an actor." He tells everybody at school that he's going to be one.

"But I'd never let him sign a contract. Then it's seven years before he's free, and he doesn't know anything else. It's hard on you've been in pictures to do anything else."

convention delegates votes on an early ballot.

Back from a 10-state western tour, Sen. Richard B. Russell of Georgia told a news conference Monday that he expects to win the nomination but that he thinks the convention will go to seven or eight ballots.

Sen. Robert S. Kerr of Oklahoma said that he has more "second choice" support than any other candidate and that he expects to win on the fifth or sixth ballot.

Sen. Estes Kefauver of Tennessee also has predicted victory for himself on the fifth or sixth ballot. With 257 delegates pledged to or known to favor Kefauver, he leads the big Democratic field but still has less than half the number required to win.

Russell, whose delegate count is now 134 and one-half in the United Press tabulation, said he expects about 300 votes on the first ballot and that he will climb thereafter.

Predictions that many ballots will be required reflected a widespread view among Democrats that the convention may be deadlocked by the first free-for-all Democratic race in 20 years.

The Democrats have needed no more than one ballot to nominate their presidential candidate since 1932, the last convention year in which the two-thirds rule was in force.

OPPORTUNITY

To parents who wonder . . .

Are you wondering what your high school son is to become?

Is he headed for the overcrowded professions?

If these questions bother you, consider this:

PRINTING, one of the world's oldest crafts and one of the greatest industries, needs trained men.

Your boy doubtless can be trained for this interesting and profitable calling. It offers the greatest opportunity of any industry, the highest pay, and a wonderful opportunity for advancement to executive positions.

Write for information.

Mrs. William Joseph Wood

Miss Anne Matthews Becomes Bride Of Ensign William Joseph Wood, Saturday Evening In Ranger

In a ceremony at the First Methodist Church in Ranger Saturday evening at seven o'clock, Miss Anne Matthews, daughter of Mr. and Mrs. James E. Matthews, became the bride of Ensign William Joseph Wood, son of Mr. and Mrs. James H. Wood of Monahan.

The Reverend Garland Lavender read the service before a garden setting of white delphinium and asters against an elaborate background of graceful woodwardia fronds outlined by cathedral candles. Green and white callidiums encircled the chancel rail. The choir loft and pews were accented by bouquets of lacinon and varigated polished ivy.

Proceeding the ceremony, Miss Betty Reuser, organist, played Andante Cantabile and Overture from Romeo and Juliet by Tchaikovsky and Serenade by Schubert. Miss Reuser also accompanied Miss Scrippy Cluck of Cisco, violinist, who played Ave Maria by Bach-Gounod and Mr. Gaston Dixon, soloist, who sang Oh Promise Me and The Lord's Prayer.

Altar candles were lighted by Mr. R. B. Carothers, III, of Sulphur Springs and Ensign John H. Hyrne of Savannah, Georgia.

Mrs. Jack Butler of McAllen, sister of the bride, was matron of

honor and bridesmaids were Mrs. Kenneth Landrum of Houston, Mrs. Thomas Patterson of Denton, and Miss Joan Cameron of McAllen. All wore identical dresses of mint green organdy fashioned with a molded bodice and wide bateau neckline. Three quarter length sleeves were accented by flared cuffs and a narrow velvet ribbon. Their waists were marked by a velvet belt, and extremely full gathered skirts enhanced by deep hems, extended to demitasse length. They wore small green hairbraided brims and matching pumps. The bridesmaids carried bouquets of white Marconi daisies and polished ivy, and the matron of honor carried a crescent of gardenias and feathered carnations with polished ivy.

The bride, who was given in marriage by her father, wore a gown of imported Swiss organdy. The tightly molded bodice of embroidered organdy, intricately beaded with iridescent paillettes having a faint pink cast, was fashioned with a wide scalloped portrait neckline filled in with appliques of the embroidered flower and leaf motif. Tiny covered buttons extended up the back of the bodice from below the waist line. The extremely full circular skirt was complimented by an overskirt of organdy with a peplum front of scalloped embroidered organdy, intricately beaded and extending to the floor in a wide flange on either side, forming a cathedral length train.

Her veil of imported French illusion extended in misty folds beyond her finger tips from a brim of puffed illusion caught with appliques of organdy to match her gown. She carried a bouquet of white Phalaenopsis orchids and stephanotis.

Mr. James H. Wood, Jr., attended his brother as best man. Groomsmen and ushers were Ensign Hyrne, Mr. Carothers, Mr. Dale Wilson and Dr. T. G. Beal of Dallas.

For the wedding the bride's mother chose a dress of gray starched chiffon of demitasse length and appliqued with Alencon lace. She wore matching pumps, white gloves and a small white lace hat, and her corsage was of white Cymbidium orchids. Mrs. Wood, mother of the groom, wore a ballerina length dress of blue lace. Her accessories were a small beaded hat, white gloves, purse and pumps. She wore a corsage of white Cymbidium orchids.

Following the ceremony a reception was held at the home of the bride's parents. Guests were received by Mrs. Matthews, Mrs. Wood, the bride and groom, and the bridal party.

The reception rooms were decorated with silver baskets of white Marconi daisies, asters, and a gladioli. The bride's table was laid with an imported linen cutwork cloth. A four-tiered white wedding cake topped by wedding bells centered the table and was encircled by nosegays of white carnations nestled in flocked lace. White candles in crystal holders lighted the table from which coffee and punch were served.

Assisting in the dining room and in the house party were Mrs. John E. Morgan, Mrs. James Hay, and Mrs. Melvin Howe of Dallas; Mrs. E. E. Crawford, Mrs. P. M. Kuykendall, Mrs. D. D. Pickrell, and Mrs. C. E. May, Jr., of Ranger; Miss Helen McAnelly of Houston; Miss Jane Cloyes of Pittsburg; and Mrs. Ernest Potet of Kingsville.

When the bride and groom left on their wedding trip, the bride wore a suit of Bermuda tan imported Italian silk pesante fashioned with a pointed white organdy collar, bracelet length sleeves and accented by a peplum and pearl pin on each pocket. Her accessories were of a matching shade and her corsage was of white orchids.

After a wedding trip to Old Mexico, Ensign and Mrs. Wood

will spend the summer in Corpus Christi before going to Norfolk, Virginia, where the groom is serving with the Naval Air Corps.

The bride attended Hockaday Junior College and graduated from Southern Methodist University where she was a member of Pi Beta Phi sorority. The groom, also a graduate of Southern Methodist University, is a member of Kappa Alpha fraternity.

Out of town guests included Mrs. E. M. Pulk of Corsicana; Dr. and Mrs. W. F. Slaughter, Miss Marilyn Slaughter, Mr. and Mrs. B. N. Burns, Miss Shirley Burns of Fort Worth; Mr. and Mrs. E. H. Mendenhall, Mr. John Morgan, Mrs. W. J. Hunsucker, Miss Elizabeth Hunsucker, Mr. and Mrs. O. T. Estes, Mrs. Thomas G. Beal, Mrs. Dale Wilson, Mrs. J. H. Wood, Jr., Miss Electra Pearson, Mr. Melvin Howe, Mr. and Mrs. Alfred Karsten, all of Dallas; Mrs. Clinton W. Murphy and Mr. Charles Murphy of Abilene; Mr. and Mrs. C. C. Childs of Anson; Mrs. B. F. Hardin of Brownsville, Mr. Henry Wallace, Lufkin, Mr. and Mrs. C. C. Butler of Austin, Mr. Jack Butler of McAllen, Miss Mercedes Pearson of Stephenville, Mr. Bill Hodges of Fredericksburg, Mr. and Mrs. Philip Cezaux of Humble, Mrs. Betty Hebert, Liberty, Mrs. A. B. Cummings, Dickinson, Miss Judy Gladys Reed, and Mr. Louis Wester of Lufkin.

Plans for the next year are already in motion and the nominating committee has been elected by the church, Mrs. W. A. Reuser, Mr. Loyd Bruce and Mrs. Arlie Carver. The Sunday School Superintendent, the Training Union Director, the Pastor and Educational director will also serve on this committee. The new Church building has been remodelled, with the basement being completely redone. Two large auditoriums, the church offices, the church library, a large kitchen, and 14 class rooms are now housed in the new basement. The building is cooled and heated with a 50-ton air conditioning unit and two Educational annex's are air-conditioned. The modern Nursery department in Annex No. 1, has "germicide lamps", and a special arrangement for bed-babies.

The annex No. 2 is arranged for a complete department of Primary boys and girls for both Sunday school and Training Union.

The W.M.U. and the Brotherhood are growing in numbers and service to the kingdom work. Along with this general growth, there has been an increased interest in every phase of Church work, according to a report made by Mr. Bill Bullock, Educational Director.

The W.M.U. of the First Baptist Church Fifth Monday meeting was a Mystery Program opened with the song "Make Me A Channel of Blessing," led by Mrs. Earle Pittman, accompanied by Mrs. Dick Hodges at the piano. The group was led in prayer by Mrs. W. J. Arterburn, with Mrs. Ralph Perkins in charge of the program. A Rhythm band of Mexican children was presented by and under the direction of Mrs. Pinkey Randa. A colored group was heard in

Sunday Ended Third Quarter, First Baptist

Sunday marked the close of the third quarters work for the First Baptist Church with an increase in all phases of the work. There have been 160 additions to the church thus far, with 42 upon profession of faith, and baptism and 58 by letter. Three were baptised Sunday evening. The Rev. Jimmy Houghton baptised his brother Ernest, who was converted on Fathers day. The pastor baptised two into the fellowship of the church. During the pastors twenty-one months with the church there have been 12 additions by baptism and 137 by letter, a total of 259.

Plans for the next year are already in motion and the nominating committee has been elected by the church, Mrs. W. A. Reuser, Mr. Loyd Bruce and Mrs. Arlie Carver. BIG TRACTOR NEWS

from your John Deere Dealer

ON SATURDAY, JULY 19, we will announce an entirely new line of general-purpose tractors — successors to the famous John Deere Models "A" and "B." By far the greatest values ever offered by John Deere, these new tractors feature major engineering advancements and a host of improvements that step up tractor performance in many different ways.

One of these new models will be on display at our store this Saturday so be sure to stop in and see for yourself how much more value these great new John Deere Tractors offer you.

"Hot flashes" of Change of Life stopped or strikingly relieved

in 63-80% of the cases in doctors' tests!

• Those suffocating "heat waves" — alternating with nervous, clammy feelings — and accompanied often by restless irritability and nervousness are well-known to women suffering the functionally-caused distress of middle-life "change"!

You want relief from such suffering. And — chances are — you can get it. Thrilling relief! Thanks to two famous Lydia Pinkham medicines!

*In doctors' tests, Lydia Pinkham's Compound and Tablets brought relief from such distress in 63 and 80% respectively of the cases tested. Complete or striking relief!

Thousands Have Benefited

Amazing, you say? Not to the many thousands of women who know from experience what these Lydia Pinkham medicines can do!

Their action — actually — is very modern. They exert a scientifically calming, soothing effect!

Try Lydia Pinkham's on the basis of medical evidence! See if you, too, don't gain blessed relief from those terrible "hot flashes" and weakness so common in "change of life."

Don't put it off! Get Lydia Pinkham's Vegetable Compound or new, improved Tablets with added iron (trial size only 59¢).

Wonderful — too — for the functional pains, cramps, "dragged-out" feelings and other discomfort of monthly menstrual periods!

Now Lydia Pinkham's works! It acts through a sympathetic nervous system to give relief from the "hot flashes" and other functionally-caused distresses of "change of life."

AN ORDINANCE REGULATING THE RATES OF THE SOUTHWESTERN BELL TELEPHONE COMPANY IN THE CITY OF RANGER, TEXAS BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF RANGER:

Section 1: That the Southwestern Bell Telephone Company is hereby authorized to place into effect on its first billing date after this ordinance becomes effective in accordance with the Charter of the City, the following schedule of rates:

Class of Service	Monthly Rate
One Party Business	Flat Rate \$8.00
Business Extension Station	Flat 1.75
One Party Residence	Service 4.25
Two Party Residence	Service 3.50
Four Party Residence	Service 3.00
Residence Extension	Station 1.25
Commercial PBX	Stations 1.75
Trunks	(A)
Semi-Public Service	(Guarantee) .21 per day
Extension Semi-Public—	Coin 1.75
Extension Semi-Public—	Non-Coin 1.25

(A) The rate for a flat rate PBX trunk is one and one-half times the rate for one party business flat rate service.

Authority to charge for certain miscellaneous services and equipment the rates set out in the Schedule of Miscellaneous Rates and Charges attached hereto and made a part hereof is also granted.

Section 2: That nothing in this ordinance contained shall be construed as in any manner, now or hereafter, limiting or modifying the right and power of the City Commission under the law to regulate the rates charged by the Southwestern Bell Telephone Company for its service within the City of Ranger.

Passed and approved this 19 day of June 1951.
Price Crawley, Mayor, City Commission City of Ranger, Texas.

ATTENT: L. Crossley, City Secretary

LEGAL NOTICE

Passed and approved this 19 day of Jun- 1952.
Price Crawley, Mayor, City Commission City of Ranger, Texas.

ATTENT: L. Crossley, City Secretary

First Baptist Weekly Plans Are Outlined

The Monthly Planning meeting for the Sunday School of the First Baptist Church will be held on Wednesday evening at 6:30 according to an announcement by Wilson Guest, Sunday School Superintendent. The Evenings activity will begin with a covered dish supper held in the Young Peoples department.

Plans for the month will be made and projects will be discussed. In addition to the regular business that will be discussed the group will also be led in a "Preview Study" of the entire fourth quarters work or lessons. This will be for the Adult, Young People and Intermediate departments. The Junior, Primary Beginner and Nursery departments will have their regular departmental meeting at the time the "Preview Studies" are being presented by the Pastor, Rev. Perkins.

For special emphasis the Sunday School group has chosen attendance as their objective this next month. The entire month of July will be given to the subject of attendance. Attendance at Sunday School and for the Morning Worship hour. The goal of the highest average attendance for the month of July for the local church has been set as objective.

The Adult department of the Sunday School will be host to the group tomorrow night in the serving of the supper. All Officers and Teachers of the Sunday School are urged to be present.

SOFTBALL TONIGHT

The men of the First Baptist Church will meet again this evening for their softball game at the softball field. The time for the meeting is 6:30 and W. J. Arterburn, Chairman of the recreation committee urges all men of the church to be present for the evening of fun and fellowship.

WORK NIGHT HELD

The men of the First Baptist Church held a "Work Night" at the church last evening at which time they were busy about making the grounds and the building a better place to worship. Under the leadership of Lloyd Clem the deacons sponsored the evenings work. Much was accomplished as the group cleaned the parking lot, made improvements over all the grounds, and made improvements in the Church kitchen. A good number of men were present and Lloyd Clem was pleased with the response made by the men of the church.

Methodist Women For New Business Circle Monday

The Business Women's Club of the WSCS of the First Methodist Church met Monday in the home of Mrs. J. A. Johnson.

This is a newly organized circle especially for the business women of the church. Each one is invited to attend these meetings and take part in the program and fellowship.

Mrs. Lavender gave the devotional. Mrs. Leslie Hagaman and Mrs. Walter Daniels gave a very interesting discussion on Humanizing labor relations.

The following officers were named for the circle: Mrs. J. A. Johnson, circle leader; Mrs. N. M. Brown, program chairman; Mrs. Garland Hamilton, secretary; Mrs. Eva K. Milmo, publicity; Mrs. Ira Wolford, cheer fund; Mrs. J. B. Rayfield and Mrs. Carl Heinlen, telephone committee.

Methodist Board Stewards Meet Called Wed.

A. E. Crawley, chairman of the First Methodist Church Board of Stewards, calls attention to the regular meeting of the board of stewards for July at 8 p.m. on Wednesday in the basement of the church. Mr. Crawley was elected chairman of the organization at the last regular meeting for the second year.

A special emphasis will be given to the final checkup on pledges for the new conference year. Each steward is urged to contact those on his list and be able to make a final report Wednesday.

Rev. J. C. (Calloway) Atkins and family of The Church of God at Trinity spent Monday night in the home of Mrs. Atkins sister, Mrs. Charles Ashcraft. They were returning from a business and pleasure trip to Hobbs, New Mexico and Brownfield, Texas.

State Health Officer Warns Holiday Goers

AUSTIN, Texas—On July 4, 1952, Texans will celebrate the one-hundred-and-seventy-sixth anniversary of our National Independence.

Thousands of persons in Texas will enjoy this National holiday, and it is up to all of us to do everything possible to see that this day brings pleasure and no tragedy, say a warning from the State Department of Health.

"While there certainly is no desire to minimize the joys of this nation-wide holiday," said Dr. George W. Cox, State Health Officer, "it is only common sense to respect hazards to life and limb, and to govern one's actions accordingly."

"Not so many years ago the newspapers on each July 5, would publish columns detailing tragedies that were invariably associated with the handling of dangerous fireworks by careless persons. For a number of years now, however, the press has been placing particular emphasis on the need for a "Safe and Sane Fourth of July," with the result that accidents of this kind have decreased.

"All injuries, however slight, may carry the lock-jaw or tetanus menace with them. Every wound should be cleaned thoroughly and all foreign matter removed. A physician should be consulted immediately, and tetanus antitoxin administered if necessary.

"Unfortunately, while the hazard of handling fireworks has consistently diminished, that of the automobile has just as consistently been increasing. Every one will agree that to be careless in the operation of a motor vehicle on this day when the roads carry peak loads, is to invite possible injury and even death.

"Your future happiness and health and that of your family may depend on your recognizing and carrying out the ordinary rules of precaution. Obey these rules and live to enjoy many other fourths of July."

TV Strike Threat Settled
CHICAGO, July 1 (UP)—The American and National Broadcasting Companies Monday night settled a labor dispute that threatened to cause picketing of the Republican and Democratic national conventions. The companies granted wage boosts and other benefits. The pickets could have crippled live telecasts of the two events.

Mitchum and Russell At Your Tower

Robert Mitchum, Jane Russell and William Bendix (left) are the stellar trio in RKO Radio's "Macao," exciting melodrama about the teeming oriental port and its strange array of adventurers, entertainers and merchants who mingle with other fascinating characters around the gaming tables. "Macao" is showing tonight and Wednesday at your Tower Theatre.

William Anthony McGraths To Make Home In Bermuda

Mr. and Mrs. William Anthony McGrath left Ranger Tuesday, June 24th by train for New York, arriving there Thursday. And from New York they sailed on the "Queen of Bermuda" to the Bermuda Isles, where they will make their home. Mrs. McGrath is the former Francis Ruth Hagaman, daughter of Mr. and Mrs. Leslie Hagaman.

Mr. McGrath is a prosecuting attorney for the British Constabulary in Bermuda.

Terrifying Toll Polio In Houston For Month June

HOUSTON, July 1 (UP)—Houston marked off June as its blackest polio month in history Tuesday and turned hopefully toward tests inoculations Wednesday that might prevent at least the crippling effects of the disease.

With 16 cases diagnosed here Tuesday, the total for June stood at 258 with three deaths, nearly half of the cases coming from Houston itself. The machinery was virtually complete for starting the test injections of gamma globulin Wednesday, injections that a research team from the University of Pittsburgh hopes will knock out polio virus while it is in the blood stream and before it reaches nerve centers where it does its crippling.

Dr. William McDowell Hampton, director of the tests, and other personnel, took extra steps Tuesday to insure parents that their children would not be unnecessarily jammed into the eight clinics set up to handle the injections thus increasing the possibility of exposure to polio virus.

Officers will be on hand at each clinic when the expected thousands of children between ages of one and six begin reporting for injections Wednesday. The officers will keep the children spaced in lines to avoid contact with other children.

Dry Ice Makes Insects Pose For Photographs

ITHACA, N. Y. (UP)—Scientists have found a new use for dry ice. It's being used to make insects stand still long enough to have their pictures taken.

After much experimentation, the Cornell University visual aids laboratory discovered that dry ice "slowed down" and insect sufficiently for close-up pictures without killing it in the process.

That's all to the good of farmers and fruit growers troubled by insect pests.

"When they see what they are fighting they can do a better job of insect control and do it more cheaply, too," said Prof. A. A. Lal'plante.

JUST HERE FOR CONFERENCE—Gov. and Mrs. Earl Warren of California chat with their three daughters Nina, Virginia and Dorothy at their hotel swimming pool. Gov. Warren, in Houston for the Governors Conference, had no comment for the national political scene and said he had committed himself to no one. (NEA Telephoto).

CIO And Steel Officials May Meet In NY

NEW YORK, July 1 (UP)—Reliable sources said Tuesday that CIO-United Steelworkers representatives will meet here this week with officials of at least two major steel companies in a new effort to settle the month-old steel strike.

The report was neither confirmed nor denied by spokesmen for the union, which has lowered a curtain of secrecy over its negotiating activities.

However, the executive committee of the American Iron & Steel Institute, which represents the "big six" of the steel industry, is scheduled to meet in New York Wednesday. This might be the occasion for a new effort toward agreement in the dispute which has idled 600,000 steelworkers and a growing number of workers in other industries to have met Monday with representatives of Bethlehem Steel Corp.

They were said to have worked out an agreement providing for a watered-down union shop, the most controversial issue in the strike.

However, U. S. Steel Corp. has indicated its firm opposition to the tentative agreement, under which employees would be required to join the union but could withdraw within 30 days of the hiring date. A company official said that U. S. Steel would make no agreement taking away the "freedom of choice" by workers on whether they shall join the union.

Disease Halts Hog Shipments

LINCOLN, Neb., July 1 (UP)—Almost all shipments of hogs in Nebraska were banned Tuesday after an outbreak of a little-known sickness "very similar" to hoof and mouth disease. The ailment attacks hogs, but sheep and cattle, which would be affected by hoof and mouth disease, were not affected.

IT WASN'T YOUR FAULT
—when the party who sold you your home did not have an abstract, but it was your fault if you bought it without an abstract. One authority on titles put it this way: "Titles were good yesterday, fair today, but sure to be worse tomorrow." Better insist on an abstract when buying real estate of any kind. It's safer, more business-like, and a sure sign of good judgment.
