Here's another Thursday, only two more days until this week is over. Only one more day until the Bulldogs go to Mineral Wells for scrimmage at 7 p.m. The college, as far as is known will not indulge in a scrimmage outside their imcature Baptist College at Decatur on September 18.

The Bulldogs encounter their first game opposition at Jacks-boro on Sept. 12. That little city is 24 miles to the north of Mineral Wets, and Mineral Wells is said to be 48 miles from Ranger.

We ambled out to Bulldog field yesterday morning and watched the high school practice passing, punting and punt returns while we were there.

We noticed that Eddie Wallace is on crutches, with some torn ligaments in one of his knees. Eddie has ben having trouble with this wing since spring training where it was first hurt. After he recotered he kicked at a gate and damaged the knee again. He hurt it again the other day at practice while pssing the ball.

Charles Massegee has seeming! gotten over the ill-effects of his leg broken in the Dublin game last year. Both he and Bill Brazda, whose leg was broken before the season opened, were working out as though nothing had ever hap-
