## RJC Exes Plan Events For '52 Homecoming

**A SABBATH THOUGHT**  
God, let me live each lovely day  
So I may know that, come what may,  
I've done my best to live the way  
You'd want me to.  
Just let me know, if I should stray.  
That I may stop along the way  
At any time of night or day  
And—talk to You.

Early Saturday morning, Mrs. J. J. Kelly said that her son, Lt. Richard B. Kelly, 22-year-old F-80 Shooting Star jet pilot, is back in the air today soaring around up in the wild blue yonder for Uncle Sam.

One week ago, Lt. Kelly shook hands with death—and lived to tell about it.

In fact, Lt. Kelly, a graduate of Ranger High School and Texas A&M College, is surely one of the luckiest guys in all this world.

A week ago Saturday morning at 8:30 o'clock Lt. Kelly parachuted to safety after an F-80 he was piloting collided with another jet in the somber, overcast sky above St. Cloud, Fla.

The jets burst into flame and fell, one on each side of U. S. Highway 192-441, one of Florida's main traffic arteries.

"As the planes screamed to earth," the Orlando Evening Star reported, "a ball shot out of one and Lt. Kelly came down safely."

The charred body of Lt. Alexander Ortiz, 24-years-old, of Brady was found in one of the masses of twisted metal.

An eye witness quoted in The Evening Star said "the two planes appeared to have locked wings and one sheared off into flames. He said the pilot jumped from the second plane and then the two aircraft plunged to earth."

Another witness, as quoted by the Florida newspaper, said he saw a ball leave the plane he was watching that blossomed out into the parachute of Lt. Kelly.

Within an hour and a half after the crash, 2,500 people were at the scene of the crash and all roads were clogged with curious visitors.

Lt. Kelly landed about a mile from the crash and was taken in an ambulance to the hospital at nearby Kissimmee, Fla., where he was treated for lacerations about the face, his only injuries.

Four other F-80 jets were in the air with Ortiz and Kelly. They were flying in formation when the accident occurred.

Lt. Kelly's miraculous escape was made possible by the detachable pilot's seat which automatically pitches the pilot out in time of an emergency. However, it is necessary that the plastic heavy dome over the pilot's head be opened first. The F-80s fly from 400 to 650 miles per hour, carry a pair of 50-calibre machine guns, two skyrockets and a 4½ load of two bombs.

A dean of women at a large co-educational Texas college recently began an important announcement to the student body as follows:

"The president of the college and I have decided to stop necking on this campus."

When Jimmy Hagar grows up he'd like to be a doctor.

But right now he's concentrating on his studies at Ranger Junior High where he's a 7A student and in his spare moments enjoys playing football with the guard.

## One Killed And Two Injured As Car Overturns

Bingley Claud Barron, 50, is dead and G. W. Seaborn and C. W. Funderberg are in Eastland Memorial Hospital suffering minor injuries as the result of a pickup crash near Morton Valley late Friday afternoon.

The pickup apparently went out of control and overturned several times.

Barron was a foreman for the Taylor Electric Company, of Eastland. Seaborn and Funderberg were also employed by Taylor.

Barron's body was taken to the Hamner Funeral Home in Eastland. His wife, who was visiting a son at Dobbs, N.M., was contacted by officers, and she planned to leave immediately for Eastland, and was scheduled to arrive early Saturday. Funeral services have not been completed.

Survivors include his wife, Mrs. Gladys Barron of Eastland and two sons, Bob Barron of Galveston and Jack Barron of New Mexico.

Ray Hutton, Highway Patrolman, investigated the accident.

## LEADER ASKS FOR SUPPORT OF CITIZENS—'GIVE A DAY'S PAY, GIVE ONCE FOR ALL!'

Scores of civic-spirited citizens of Ranger—all volunteers—will launch the 1952 Community Chest Drive Tuesday morning.

Goal of the campaign is \$6,800 with that amount to be divided among eight important agencies—Boy Scouts, Girl Scouts, Salvation Army, Red Cross, USO, Teen Canteen and Public Library—each of which depends upon donated public contributions.

Purpose of the annual Community Chest drive, points out W. C. Whittle, president, is to consolidate the fund-raising efforts of all eight groups into one solicitation. "Give once—for all," President Whittle said Saturday, "is the simplest way to meet the responsibilities which are ours each year."

"This year," he said, "we are suggesting that each family give the equivalent of one day's pay."

"The donation," he went on to point out, "doesn't have to be given all at once in a lump sum. It may be paid in installments."

"One day's pay out of 365 days in the year isn't a whole lot," Whittle declared, "considering the vast benefits that donation will make possible in aiding worthwhile community agencies and providing aid and assistance to the less fortunate. These funds also provide a bulwark against unknown disasters which might strike the Ranger area in the future."

"You are the key which must open this campaign Tuesday," President Whittle emphasized Saturday in a message to Rangerites. "You can—YOU MUST—make the Community Chest drive successful. Every man, woman and child who is aided by one or more of the 8 agencies is depending upon your contribution."

"Remember, each of the eight agencies is making only ONE request for your support this year. Instead of, as in the past, each agency making a separate request for your support, they have all combined to ask for your help in this one campaign. Why have they done this? Simply to keep the cost of giving LOW so that more good can be done with each dollar contributed."

"A campaign to raise funds costs time and money—the more campaigns the greater expense and trouble conducting them. This ONE, Community Chest drive, is the answer to that problem."

"The campaign begins next Tuesday, October 21. It's up to YOU to help Ranger reach the goal of \$6,800. This quota is the absolute minimum needed to take care of the hundreds of jobs performed by the eight participating agencies. Tuesday is the time to start. Tuesday is the time to do your part."

"Give generously," President Whittle urged. "Give once for all. Give just one day's pay. Remember—YOU are the Community Chest!"

# Name County Officials For Nov. 4 Election

With the all-important and highly crucial balloting date only 17 days away, Eastland County election officials today announced primary completion of pre-Nov. 4 arrangement, including appointment of judges and clerks for the area's 25 precincts, to handle what may be a record-setting presidential vote.

Printing of the large-sized 17x 22-inch ballots has been completed, and county pro-Eisenhower and pro-Stevenson forces are launching their last big appeals to woo the support of Eastland County balloters.

In addition to the lists of various party candidates, the ballot also carries two proposed amendments to the State Constitution. One would authorize the Legislature to provide for Workmen's Compensation Insurance for employees of cities, towns and villages; and the other would provide for the establishment of a state medical education fund, from which grants, loans or scholarships may be made to students desiring to study medicine.

Election judges have been named as follows:

Eastland No. 1—E. C. Satterwhite, H. P. Pentecost, Happy Hightower and H. H. Durham.

Eastland No. 2—H. L. Hassell, Marene Johnson and Maud Bravley.

Ranger No. 4—R. H. Hodges, Leslie Hazeman, A. H. Powell and Mrs. R. J. Taylor.

Cisco No. 5—W. W. Wallace, W. R. Huestis and Kent Word.

Cisco No. 6—Fred Grist, J. V. Heyner, W. W. Fewell and W. R. Ivie.

All contributions secured during the opening day of the 1952 campaign—next Tuesday, Oct. 21—will be turned in at the Chamber of Commerce office. After that day, all donations collected by the volunteer workers will be accepted by Miss Marjorie Maddocks, secretary of the Community Chest, at the C. E. Maddocks Insurance Co. office on Main Street.

Volunteer workers will attempt to contact every family and every business establishment in Ranger and the surrounding area during the drive to raise the city's goal of \$6,800.

The 1952 fund-raising campaign is being staged under the direction of President W. C. Whittle and five key committees.

Mrs. David Pickrell heads the budget group composed also of Pete Brashier and Charlie Milliken.

The publicity committee is composed of Granville Jones, R. V. Galloway and Grover Lee.

W. F. Creager of the Commercial State Bank heads the big gifts committee and his co-workers include J. A. Bates, David Pickrell and T. J. Anderson.

Galloway chairs the kickoff breakfast committee of himself.

# RHS Wins 4th Straight; Top Brewer Bears, 26-6!

By GROVER LEE

The hotter-than-apistol Ranger High Bulldogs lengthened their victory string to four straight at Bulldog Stadium in Ranger Friday night riding rough-shod over the Brewer High (White Settlement, Fort Worth) Bears, 26-6, before an under-sized crowd of slightly over 1,000 paid customers.

The Maroon & White's top-dog varsity crew started the non-conference battle and battered the Bears for intermittent spells of short duration, but it was the resurging, eager-beaver benchwarmers of past weeks, who gave fans a preview of the power and finesse to come a year hence when they performed admirably through most of the four-quarter fracas.

40-Yard TD Scamper  
Fans had hardly gotten seated comfortably in the stadium before Charles Massegee, fleet 135-pound Bulldog halfback, scampered a

round left end from the Bear 40 on the sixth play of the game to score the Maroon & White's initial tally.

Halfback Bill Browning's try for the point was low.

Near the end of the first quarter, the Rangerites capped a 47-yard march to the 17 with another touchdown play when Fullback Herbert Williams circled left end to cross the double stripe. Browning's kick from placement was perfect.

The Bulldogs struck twice more in the third period.

Massegee scored both tallies on running plays. Ranger recovered a fumble on the Bears' 12, and then four plays later after suffering a stiff penalty setback, Scott Forney, 150-pound reserve quarterback, handed off to Massegee

who went through center from the 10. Browning's kick was wide.

Four and a half minutes later in that third quarter, it was Massegee loose again—this time from the 25 and over right tackle. The pay dirt run climaxed a drive which had started at midfield.

Double Passes Pay  
Brewer's lone tally of the night resulted from the most beautifully executed offensive play of the evening—a double pass. The Bears took the Bulldogs' after-touchdown kickoff on their 32 and drove down to the Rangerites' 25-yard stripe. There Donald Dobbins, quarterback, faded and threw a pass behind the line of scrimmage to Halfback Buddy Reeves near the right sidelines who in turn pitched one in the left flat to End Tommy Stringham on the 10. Stringham scored from there with ease. The point-after-touchdown placekick of Halfback Johnny Wilson failed.

CARRIERS WANTED  
Wanted at once boys with bicycles for Ranger Daily Times routes.

Any boy interested in securing one of the routes should contact Mrs. Joe Dennis at the Times office any time.

## Lone Drunk Is Only Arrest

With what is usually a busy Saturday yet unreported, Ranger police officers began the week-end in comparatively quiet fashion Friday night, their lone arrest being an intoxicated Rangerite who was picked up out on Highway 80.

The man, age 50, was released early Saturday morning upon payment of a fine of \$15.70, reports Chief of Police W. G. Pounds.

## Ike Rally Here Next Tuesday

A Democrats for Eisenhower rally will be held in Ranger at the Community Club house Tuesday evening at 7:30 o'clock. It was announced at noon Saturday.

Further details will be announced in Tuesday's Times.

**FOR PEOPLE WHO THINK**

Is there more than ONE way to be saved? Does anyone say there is no difference between churches on HOW to be saved--that denominational churches are divided ONLY on NON-ESSENTIALS? The following are but a few of the things upon which they differ--God, Christ, Holy Spirit, redemption, justification, faith, repentance, confession, baptism, name of the church, sanctification, origin of the church, importance of the church, polity of the church, terms of membership in the church, worship of the church, work of the church, organization of the church. ARE ALL OF THESE NON-ESSENTIALS? Can any be saved without God--without Christ--without the Holy Spirit--without being justified--without being sanctified--without faith--without repentance--without confessing Christ--without being baptized for the remission of sins, etc.?

It is evident that if churches are divided ONLY over non-essentials, and they certainly ARE divided over these things, then these things are NON-ESSENTIALS. The thoughtful person realizes that this reasoning (which is completely foreign to fact) does away with God, Christ, Holy Spirit; in fact, the whole list. What more is this than plain atheism? No wonder it sometimes seems that God has turned His back upon this nation and she is in a state where confusion reigns supreme, and the saying of James 3:16 is indelibly impressed upon us: "For where envying and strife is, there is CONFUSION and EVERY EVIL WORK"--Caps. mine--CRM.

The above is true and can be defended without fear of successful contradiction. Then, is it not time for us all to open our Bibles and learn how to be united upon these things? The church of Christ makes just such a plea.

A big salute to Jimmy Hagar. All of us here at your Ranger Daily Times are mighty proud of him.

There was considerable ruckus activity out at the home of a stormy Ranger married couple the other day, a reader reports.

"I had to marry you," the wife shouted, "to find out how stupid you are."

And her husband's voice boomed back: "You oughta have known that when I asked you."

The Republican Party was my Shepherd.

I am in want he maketh me lie down on park benches.

He leadeth me by still factories. He restoreth my doubt in the Republican Party.

He guideth me in the path of Un-employment for his party's sake.

Yea, though I walk through the Valley of soup kitchens, I am Hungry, I do fear evil for thou art against me.

Thy Cabinet and thy Senate they discomfort me.

Thou didst prepare a reduction in my wages in the presence of my creditors.

Thou appointed my income with Taxes so my expense Auer-runneth my income.

Surely, Poverty and hard times will follow me all the days of the Republican Administration and shall dwell in a rented House Forever. AMEN.

Why Should I Have an Abstract? ... is a question often asked of abstracters and one we like to answer. When ownership of real property enters your business life then title problems also come in. Buying, selling, mortgaging and otherwise dealing with real estate require correct title information. The abstract reflects the true record title and therefore has everything to do with values. That's one answer, there are many others.

**Morton Valley HDC Club Have Enthusiastic Enrollment Luncheon**

Mrs. Bobby Lee Emfinger and Miss Mildred Daniel, county home demonstration agent shared the spotlight Wednesday when the Morton Valley Home Demonstration Club held their meeting.

Preceding the program a covered dish luncheon was held, with Mrs. D. F. Williamson giving the invocation.

Mrs. W. J. Graham, vice president, presided and introduced Miss Daniel, who presented Mrs. Emfinger.

Mrs. Emfinger gave her demonstration on make up and hair styling using Mrs. D. F. Williamson as her model. She began by cleaning the face, showing the proper methods, then the entire facial makeup, stressing that color of cosmetics should blend with complexion and color of clothing to be worn. She then called attention to the new fall coiffure she had given Mrs. Williamson, which was the new short cut, swept around to one side with waves on the other. It was exceptionally becoming to Mrs. Williamson.

Mrs. Emfinger also told of the various types of shampoo and rinses. She told how to part the hair for each type of face.

Mrs. Daniel's demonstration concerned plaids and striped materials. She displayed the two types of plaids and told how to cut the material so that the pattern of the plaid would be carried out. She showed the type of plaids and stripes which should be worn by the different types of figures.

She told of the warm and cool colors which should also be a deciding factor when purchasing a dress or material.

The meeting ended with the enrollment of seven new members, who are Mmes. W. C. Baker, Stanley Morris, D. F. Williamson, Clarence McCullough, L. D. Reed, J. C. Butler, and Bobby Lee Emfinger. Other members present were Mmes. D. D. Franklin, J. W. Harrison, W. J. Graham, R. E. Beck, Charles Harris and C. D. Beck. Ten children of members were also present.
