John Eisenhower, the President-elect's son Mrs. John Eisenhower, Mrs. Dwight Eisenhower and her mother, Mrs. John S. Doud.

Sullivan Wins Crawley Award

David Sullivan of Woodson, one of the standout members of the Ranger Junior College Rangers 1952 football squad, is the recipient of the first annual Jimmie Crawley Memorial Award to be given each year to an outstanding letterman of the RJC grid aggregation.

The memorial award, according to sponsors, was set up by the faculty and coaching staff of Ranger Junior College and is dedicated to the memory of Corporal Jimmie Max Crawley, 23-year-old son of Mr. and Mrs. Roy Crawley of Ranger, who died on Triangle Hill in Korea on Oct. 15, 1952.

Breck Lions To Visit Ranger's Club Thursday

A delegation of members of the Breckridge Lions Club will be in charge of the program for the day, C. E. May, Jr., president of the Ranger club, reported today.

The visiting Lions will be in charge of the program for the day, C. E. May, Jr., president of the Ranger club, reported today. The Breck guests' program, he said, will be a technical movie of the championship football game between the State Champion Breckridge Buckaroos and Temple.

Visit of the neighboring group, the Ranger Lions head explained, is part of the local unit's customary inter-club visitation program.

President May urges all members of the Ranger Lions Club to be present for the Thursday noon session.

BURKETT BILL WOULD SLASH STATE BOARD

A bill reorganizing the State Board of Control has been prepared by Rep. Omar Burkett of Eastland and given the number he drew Monday, No. 106.

The bill would wipe out the present three-man full time board and set up a three-man part time board that would draw pay on a per diem basis and meet only when necessary.

The new board would name a director who would set up an organization to carry out the duties of the present board, which is a purchasing agency and prepares estimates.

Burkett said the measure is an economy move and would provide for more efficient operation of the state agency.

Present board members draw \$8,400 annual pay, Burkett pointed out. One director would cut administrative costs and the agency would function smoother under a single chief, he said.

The Board of Control measure is the first of several "economy moves" Burkett said he is preparing. "Considerable saving can be made by reorganization," the Eastland man said.

For 48 years Rev. Beavers had been active in West Texas Methodist affairs. After his retirement in 1939 he maintained an active interest in the Hereford Church and the Northwest Texas Conference.

Other survivors include three sons, Lama of Hereford, Milton of Big Delta, Alaska and Morris of Lubbock; four daughters, Zoe Beavers of Dalhart, Mrs. Hubert R. Freeman, Mesa, Ariz., Mrs. J. W. Hendrix, Hereford, and Miss Lovie Beavers, Lubbock and three sisters, Mrs. M. L. Brittain and Mrs. C. L. Jackson of Woodward, Okla., and Mrs. Ola Leveridge of Paul Valley, Okla.

Burkett was in the West Park Cemetery at Hereford.

Show Trippers To Visit City On Thursday

Thursday afternoon there'll be music, song and ab-libbed oratory in downtown Ranger when a band of boosters for Fort Worth's bigger and better than ever 1953 Southwestern Exposition & Fat Stock Show visit the Oil City to plug the Cowtown show and rodeo.

The Ft. Worth goodwill trippers are due to arrive in Ranger about 2:30 p.m. after completing earlier visits during the day at Cisco and Eastland, R. V. (Rip) Galloway, secretary-manager of the Ranger Chamber of Commerce, says.

Arrangements for a hearty welcome for the Fort Worthians and an exhibition of Ranger's warm and friendly hospitality were completed Tuesday by City Manager Lester Crossley.

The Fort Worth group, comprised of leading business men, will be met about two and a half miles west of the city on U. S. Highway 80 by Mayor Price Crawley and an escort of the Ranger Police Department.

They will be escorted to downtown Main street—in front of the Gholson Hotel—where a musical trio will entertain Rangerites and members of the goodwill aggregation, traveling aboard a chartered bus, will distribute advertising matter plugging the Southwestern Exposition & Fat Stock Show.

The Cowtown exposition into West Texas is under the direction of William Holden, executive vice president of the Fort Worth Chamber of Commerce.

Two New Tests Are Announced For Palo Pinto

Two new locations for tests were announced late Tuesday. Both are located in neighboring Palo Pinto County.

Wilcox Investment Co. No. 3 Hart Cattle Co. has been staked as a wildcat three miles northwest of Brad in Palo Pinto County. It's 2,310 feet from the west and 2,420 feet from the north lines of Section 18, Block 3, T&P Survey. Proposed depth is 1,950 feet with cable tools.

The other test is the Palo Pinto Oil & Gas Corp. No. 12 William Sanders which has been staked 10 miles north of Strawn, 220 feet from the north and 2,800 feet from the east lines of Section 43, Block 2, SP Survey. The new PPO&G project, to be drilled with cable tools, is scheduled for 1,350 feet.

More Springlike Weather Today And Tomorrow

If you like today's weather—and who doesn't?—you'll be pleased with the weather man's latest prediction for the Eastland County area.

In a nutshell—more of the same for the remainder of Wednesday and also for tomorrow, Thursday.

The U. S. Weather Bureau forecast "partly cloudy and mild" for today with today's high mercury reading due to be recorded around 70 degrees this afternoon.

Tonight's low is scheduled in the mild lower 40s—well above freezing.

And tomorrow's high is forecast for a warmish around-70 level.

Eastland Woman's Relative Dies

Funeral services were held in Hereford Jan. 6 for Rev. M. M. Beavers, pioneer Methodist preacher, who died Monday in the Deaf Smith county hospital following a two-week illness. Rev. T. Edgar Neal, pastor, officiated.

Rev. Beavers was the brother-in-law of Mrs. W. T. Rutherford. He and his wife, who survive, visited here last September with Mrs. Rutherford, who makes her home here with her daughter, Mrs. L. C. Harlow.

Legion Women Meet Thursday

A regular business session of the Auxiliary of the Ranger post of the American Legion will be held tomorrow night—Thursday—at 7:30 o'clock, it has been announced.

All members and officers of the local Auxiliary group are urged to attend this important session, a Legion women's leader said.

High Schoolers May Join RJC CAP Squadron

The Ranger unit of the Civil Air Patrol may now accept enlistments of high school students in this area, Captain Dick Henderson of Ranger Junior College, commander of the civilian flying group, announced Wednesday.

The local squadron, tagged "The Rangers," is consistently growing in size, Capt. Henderson said, and many students from high schools in Eastland County and the surrounding area are expected to join the CAP unit in coming weeks.

Those interested, he said, may secure application blanks from him or his aides at Ranger Junior College.

A weekly session in ground instruction for the high schoolers is being planned for Tuesday nights at 7:30 p.m. at the Ranger college.

High school students interested in the CAP program and its many benefits are urged to contact Capt. Henderson at the earliest opportunity.

WEST TEXANS' APPOINTMENTS GO TO SENATE

A long list of interim appointments, made by Governor Alan Shivers since the last regular session of the Legislature, has gone to the Senate at Austin for confirmation.

The Senate is due to act on the list piecemeal. Included in the list of appointments, already made, are:

C. A. Freeze, San Angelo, to the State Board of Public Accountancy, term to expire Sept. 4, 1953.

C. C. Cate, Sweetwater, Rural Association Rate Board, term to expire June 12, 1955.

Elyde Grissom, Eastland, Texas, Civil Judicial Council, to fill the vacancy created by the resignation of Judge Atwood McDonald, ex-officio member.

Rufus Higgs, Stephenville, Board for Texas State Hospitals and Special Schools, term to expire Feb. 15, 1957.

W. D. Noel, Odessa, Liquor Control Board, to fill the term of J. Gordon Bristow of Big Spring, new legislator, expiring Nov. 15, 1955.

Herbert W. Whitney, Big Spring, Board of Trustees, Municipal Retirement System, to fill the term expiring Dec. 31, 1952, of Boyd J. McDaniel, Abilene.

Mrs. Jessie Williams Smith, Sanatorium, Tom Green County, State Board of Tuberculosis Nurse Examiners, term to expire May 15, 1958.

Dr. G. C. Boswell, Ranger, Board of Directors of Texas Southern University, to fill the term expiring Feb. 1, 1953, of Dr. M. E. Sadler, resigned.

John H. Owens, Abilene, Veterans Affairs Commission term to expire June 12, 1957.

Ag Committee Of C-C Meets Here Tonight

The agricultural committee of the Ranger Chamber of Commerce will meet at the C of C office in Ranger Wednesday evening at 7:30 o'clock to make plans for the group's work for 1953, Morris Newnam, chairman of the farm and livestock group, announced Tuesday afternoon.

In addition to Chairman Newnam and members of his chamber committee, County Agent J. M. Cooper of Eastland, B. S. Dudley, local vocational agriculture instructor, and Leslie Hagaman, a director of the Palo Pinto Soil Conservation District, will be present to aid the Rangerites in formulating a program for the year.

Charlie Joe Owen, new president of the Ranger Chamber, and R. V. (Rip) Galloway, secretary-manager, also will be present for the important session.

The C of C agriculture committee is composed of Chairman Newnam, J. T. Smith, Lee Everheart, James W. Ratliff, T. C. Wylie, H. G. Adams, J. D. Johnson and John Tibbels.

Olden Takes 2 Games From Gorman Quint

Olden Hornets, boys and girls, took two games from the Gorman Panthers Tuesday evening at the Olden Gym.

Coach Hillard's girls took a rather decisive victory over their opponents; the final score being 46-37 in favor of Olden. Canet was high to take scoring honors with 25 points. Brown was high for the Panthers with 24 points.

In the boys' game Coach Weaver's quint held on to take a close one from the Panthers. Final score was Olden 35 and Gorman 35.

Norton was high for the Hornets with 10 points, closely followed by Rowch and Slatten.

The Hornets will be in action again Thursday night when they play at the Rising Star Tournament.

Bake Sale For March of Dimes

Ranger's 1947 Club will stage a bake sale in downtown Ranger Saturday at the Piggly Wiggly food store.

Proceeds from the all-day event will go to the 1953 March of Dimes.

'BEL AIRS' NOW ON DISPLAY AT ANDERSON CHEVROLET CO.

The beautiful new Bel Air series of Chevrolet models now is on display at the Anderson Chevrolet Co. in Ranger, it was announced Tuesday.

Originally scheduled for showing on Jan. 9, shipment of several 2 and 4-door Bel Airs in various colors was delayed, T. J. Anderson, Ranger dealer, said. The striking new series, however, is now being shown.

"The Bel Air is so different that it creates a field all its own," says Mr. Anderson. "It's an entirely new kind of Chevrolet to be compared only with the higher-priced cars."

In the Bel Air series, Chevrolet has created a new class of American cars—with distinction of appearance and fineness of appointment far beyond anything in Chevrolet's field. It's a truly distinguished and luxurious car available without paying the premium formerly associated with such quality.

"We cordially invite residents of Ranger and the surrounding area to visit our showrooms and inspect the Bel Air series," Mr. Anderson said.

Brown's Bond Hearing Is Set For Thursday

A bond hearing for Donald Hawkins Brown, 24-year-old Dallas man charged with the New Year's Eve slaying of Joe Campbell, finance company collector and son of Mr. and Mrs. Charles A. Campbell of Ranger, has been set for Thursday morning at 9:30 a.m. in Dallas, it was announced early today.

Brown is being held without bond in the Dallas County jail pending the hearing.

The hearing originally had been scheduled for Tuesday morning, but Justice of the Peace Glenn Byrd postponed the session until tomorrow morning.

District Attorney Henry Wade and Homicide Capt. Will Fritz were in a long conference yesterday afternoon discussing the bizarre case.

Young Campbell, 25 years of age and a former resident of Ranger, was brutally slain in a South Dallas residential section on New Year's Eve, Brown, apprehended and arrested in Fort Worth several days ago, denies any connection with the murder. However, Det. Fritz claims a pair of Brown's trousers, spotted with blood, definitely link the red-haired former Dallas bus driver with the crime.

Campbell's body was found a flame in a car owned by the Pacific Finance Co. He had been shot four times in the head with a 25-caliber revolver.

Dallas detectives allege that Brown had an argument with Campbell relative to his delinquency in payments on a 1947 model Buick sedan. The suspect was three payments in arrears. Following the words, the detectives believe, Brown assaulted Campbell, later shot him and then, after drenching the collector's body with gasoline, he set it afire in the 2400 block of Goulet Avenue in Dallas where a few minutes later firemen discovered the body when called to extinguish the blazing auto.

A few hours after the slaying, Brown, his wife and their two small children disappeared from their modest apartment in a South Dallas rooming house and became the object of a Southwest-wide manhunt which was climaxed with Brown's capture in Fort Worth several days later.

County's Dimes Drive Set-Up Is Complete Today

The Home Demonstration Clubs at Morton Valley and Colony will lead the 1953 March of Dimes drive in those communities, Mrs. J. A. Bates of Ranger, chairman of the current fund-raising effort, announced Wednesday morning.

Appointments of volunteer workers in those communities, the Eastland County Dimes drive chairman said, completes organization of the entire area.

The fund-raising effort, now in progress, is scheduled to end on Jan. 31.

"We're asking Eastland Countians to lend their all-out support to this highly worthy cause," Mrs. Bates said. "The county unit of the National Foundation for Infantile Paralysis is heavily in debt as a result of last year's terrific and costly toll of this dreaded epidemic."

"Thirteen persons, most of them children, were victims of the insidious disease," the county March of Dimes chairman said, "and the cost of care and treatment for them forced the county organization to negotiate two loans with the national organization."

"There is no indication whatever that 1953 won't be another record polo year," the chairman declared, "and that's why it is so vital and necessary that we all give and give liberally during this March of Dimes drive."

Jackets, Indians Atop 10-AA Heap—Bulldogs Drop Tilt To Comanche, 45-38

The Comanche Indians loomed today as the big threat in the four-way District 10-AA cage race.

The Comancheans, long favorites prior to the opening of conference play, boasted a "perfect record" today after humbling Coach Sam Ails Ranger High Bulldogs, 45 to 38, in a hardwoods duel unrecruited at Comanche last night.

The Indians paced by the stellar play of Dalton Hicks, and his cousin, Weldon Hicks, staged a fourth period uprising to wipe out a Bulldog lead and whoop on to victory. Prior to their scoring spurge, the Comanche quieted something like a mile and a half south of the city.

Both cars were badly wrecked and Mr. Harbin sustained some serious and painful injuries. Kimbrough was not hospitalized.

Rangermen snaking in the second stanza to jump out front and stack up a 20-19 margin at the halftime intermission.

The Hicks boys led the scoring parade of the night—Weldon canned 16 and Dalton hit the mesh for 15 points.

For the losing Bulldogs Tommy Hinga sparked in the point-making department. The rangy RHS forward piled up 13 tallies. His mate at the other forward post, Rocky Carter, chalked up 10.

In the other District 10-AA conference contest played at Stephenville, the highly touted Yellow Jackets made an impressive bid for future reckoning in the schoolboy cage title scramble as they pummeled out a 40 to 26 triumph over the Cisco High Lobos.

The 10-AA picture today—Stephenville and Comanche—undefeated with one victory each.

Ranger—a .500 rating with a win over Cisco last week (53-33) and a loss to Comanche (38-45).

Cisco—currently the cellar dweller in the four-team AA circuit. The Lobos were beaten by Ranger last week and dropped their second to Stephenville last night.

Further light will be shed on the district round-ball situation Friday night when all four teams mix it in a pair of 10-AA duels. At Ranger, the Bulldogs will be hosts to the Stephenville High Yellow Jackets, and on the Cisco hardwoods, the cellar-dwelling Lobos and the top-ranking Indians will clash.

1953 FARM PRODUCTION GOALS ARE ANNOUNCED FOR TEXAS

The 1953 Farm production goals for spring-seeded crops in Texas reflect the need for more grain and forage crops and less cotton and wheat. If the goals are attained, says B. F. Vance, chairman of the State Agricultural Mobilization Committee, total agricultural production must continue at a high level and would equal or exceed last year's output.

The largest increase—92 percent—is for grain sorghums for grain. The acreage goal is 5,150,000 acres, says Vance. The goal for all sorghums which includes those used for forage such as hay and silage and for grain has been raised 22 per cent above last year's figure to 7,385,000 acres. The corn goal has been increased to 2,500,000 acres or 9 percent above the 1952 acreage. The goal for tame or planted hay crops has been increased by 5 percent and stands at 1,400,000 acres.

These increases, points out Vance, are urgently needed to restore the depleted stock of grain and roughage feeds because of the drought and reduced plantings in the state during the past two years. Usually large quantities of hay have had to come from other states, says Vance, to help meet the demands for roughage feeds. Texas producers below the July 1 acreage of last year. The 1953 goal, according to Vance, has been

set at 9,945,800 acres. It is hoped that much of this reduced acreage will be planted to grain sorghums. Producers in the state of extra long staple cotton are asked to plant no more than 14,290 acres or a reduction of 55 percent from plantings. This type of cotton is produced in the Pecos-El Paso areas.

In commenting on the 1953 goals, Vance emphasizes that the goals program, as worked out by the State Mobilization Committee and approved by the USDA, recognizes that the demand for farm products will probably remain high because consumer income and expenditures are expected to exceed those for 1952. At the same time, he adds, exports of some of our important crops are dropping due to increased supplies of agricultural products in other countries and a shortage of dollar exchange. Cotton and wheat are two mighty important Texas crops affected by this export situation, says Vance.

In commenting further, he says, the purpose of the goals program is to give farmers information on expected demand for their products and what acreage will be needed to meet this demand. If farmers make the necessary adjustments suggested by the goals program, he continues, they will reduce the possibility of building up burdensome surpluses and de-

pressing prices which may in turn necessitate acreage allotments and marketing quotas.

The goals are carried to the farmers through the State and County Mobilization Committees. Other 1953 goals for Texas spring-seeded crops include rice, 550,000 acres, a decrease of 1 percent from last year; sudan for seed, 27,700 acres, an increase of 32 percent and sweet potatoes 28,000 acres.

Vance urges farmers to plan their spring planting schedules in accordance with the goals program and to utilize abandoned wheat acreage—should moisture deficiencies make this necessary—for growing grain sorghums and pasture or hay crops.

Hatchery Test To Be Resumed

The Chief Aquatic Biologist of the Game and Fish Commission said temperature control tests will be expanded at the San Marcos State Fish Hatchery. He said efforts will be made to hatch young bass earlier and that the new fry will be released in lakes and streams at earlier dates to determine the survival rate as compared with those released later.

The Commission pioneered in the control of hatchery water temperatures originally as a means to avert losses to bass because of unseasonably cold weather late in the hatching season. If the experiments are success-

ful, the so-called steam heated hatchery ponds will be installed in all state hatcheries managed by the late frozen freeze.

Another major phase of the temperature control program is the earlier hatching of bass as a means of increasing the survival rate against the rough fish problem.

The Chief Aquatic Biologist pointed out that young bass released at dates under normal hatching procedure suffer heavily from rough fish. The earlier hatching and release arrangement, he said, is designed to turn the tables on the undesirable species, on the theory that the young bass will feed on the small rough fish.

SORE PILES

Don't let sore, very painful itching piles drive you nearly crazy. In 15 minutes CHINAROID starts giving you wonderful cooling, soothing, temporary relief from pain, burning and itching of rectum, back, perianal. Genuine CHINAROID costs only \$1.50 at drugstore. Try it today for better sleep tonight and a brighter tomorrow.

Figures from test ponds of the San Marcos hatchery indicate the success of the temperature-controlled program, he said. The steam heated tank produced almost 250,000 young bass as compared with less than 200,000 in one unheated pond and less than 100,000 bass in another unheated pond, even though more brood bass were used in the two unheated ponds.

To Renew the Spirit that Built Our Country

IN THE FAITH WE PLACE IN GOD . . . in ourselves as individuals . . . in our fellow men . . . in Freedom — rests the future of our nation!
The faith of our country's founders was a sturdy and simple faith.
They believed in the Power which sustains through any crisis.
Upheld and guided by that Power, they believed in their own strength to do: to achieve, to build.
And, thus sustained and fortified, they believed that Freedom was more than an abstract dream: they made it an accomplished fact.
This Freedom is our children's birthright — ours to hand on to them and to their children — undiminished, undespended.
This is a sacred trust — one in which we must not fail.
Yet these are troubled times. What can we do?
We can do as those before us did . . . renew the spirit that built our country.
We need . . . Faith in God, Who answers prayer . . . Faith in ourselves, and in our work . . . Faith in our fellow men, their courage and their honesty . . . Faith in Freedom . . . and in its strength!
When we have done these things — and only then — can we be secure in the knowledge that our children will be free and our country safe.
We must not fail.

'DESERT SONG' IS FEATURE AT FT. WORTH STOCK SHOW

The ever-popular operetta, "Desert Song," with a star cast, will be presented in Will Rogers Memorial Auditorium at the Southwestern Exposition and Fat Stock Show in Ft. Worth. Two of the stellar performers are Sterling Holloway, tousle-headed comedian of the screen, and Jean Fenn, of whom the Los Angeles Times comments, "She not only is beautiful but she can sing and she can act". Already famous as leading lady in operettas, Miss Fenn last year made her debut with San Francisco opera with tremendous success. First performance of "The Desert Song" will be Monday night, Feb. 2, and nightly thereafter until Feb. 8, when there will be a matinee. Dates of the Stock Show are Jan. 30 through Feb. 8.

fast excitement is promised, and Coach Ains and his lads need the loyal support of Maroon & White fans. So let's go!

Before boarding the train, the little city had been cautioned by his mother that if the conductor asked his age, he was to say that he was five years old.

The conductor did ask his age, and the little fellow replied that he was only five.

"You're a big boy for five," said the conductor. "How soon will you be six?"

"Realized the youngster: "Just as soon as I get off this train!"

A way-faring stranger recently found himself stranded in our Oil City with a meager bankroll totaling a very modest 25 cents in change.

He received a helping hand from some warm-hearted folks, and after he departed, he left this note, addressed to the "Chief of Police,

the Paramount Hotel" and "all others - in the community who made this seeming miracle possible."

His note went on— "Years ago, under a nom de plume, I wrote fiction; but find in this occasion mere words wholly inadequate for an appropriate expression of thanks for your unusual spirit of Christly and charity, found only in Texas. Excuses are self convictions, reason is logic, and I wish all you folks to know that due to acute glaucoma, the most deadly of all eye ailments, I had my left eye removed, after months of futile attempts to save it.

"These operations—I had two—hospital bill and glass eye, cost over \$500.

"So today I am hitch-hiking to Tucson, Ariz., where I formerly worked as a guard at the Grand Central Aircraft in the hopes that I may regain my work or some other employment.

"I came to your town devoid of funds—I had 25 cents—and no

place to sleep; hungry, weary, but with a great faith in God. God answered my plea for material aid. From the library of my heart I extract this one word, full of meaning—Thanks. "Jerome Shepard."

Six-year-old Mary woke up about two in the morning. "Tell me a story, mama," she pleaded. "Hush, darling," said the mother. "Daddy will be in soon—and he'll tell us both one."

There'll be at least one balloting of importance in this area during 1953—the annual city election in Ranger this spring. And to

vote—well, you'll have to possess the customarily-required poll tax receipt. That means—if you have not already done so—you've only got a few more days to pay the required fee of \$1.75 for same and thus be eligible to cast ballots in the city election and any other important referendums scheduled during 1953. C. E. May, Jr., in charge of the Ranger sub-station accepting local poll tax payments, said this morning that poll taxes are "very slow" in Ranger. And he adds, furthermore, that they're "dragging far behind." So neighbor, pay your poll tax—today! The Ranger sub-station, for the convenience of taxpayers, is conveniently located in downtown Ranger—at 214 Main Street. . . . More than three fourths of the
