### Nursing home fire displaces residents

Monday is the tentative target date for moving back home for residents of Canterbury Villa Nursing Home in Dimmitt after all 71 residents were evacuated Saturday morning following a fire in the main electrical switch.

Actual fire damage was confined to the main switch panel and one wall of the laundry room, where the panel is located. Smoke damage was also largely confined to that room. No dollar estimate has been placed on the damages as yet, according to nursing home administrator Clota Shaw.

None of the residents were injured and no one suffered from smoke inhalation, due largely to the quick action of the nursing home staff and the Dimmitt firemen, according to Shaw.

Twenty-five volunteer firemen reported to the scene and aided in evacuating the residents, according to DVFD Fire Chief Randy Griffitt. City police officers on the scene also aided in moving the residents to safety, and later transporting them to other living quarters, Police Chief Gary Thurman noted.

Thurman also reported that one of his officers contacted the Dimmitt schools for permission to use the school bus equipped for transporting the handicapped. He noted that the ambulance service and hospital personnel also helped in the

move. About 60 of the residents are currently staying in the east wing of Plains Memorial Hospital until electrical power can be restored to the nursing home facility. Others have been placed in private homes.

Shaw said the total evacuation of residents, their beds, food, linens, etc., took a total of 3-1/2 hours.

"There is no way to thank the community enough for how they've helped us through this crisis," she said, noting that many people brought their pickups, trailers and other vehicles for use in moving the equipment and residents, and helped carry things in and out.

Shaw said the target date for moving the residents back in depends on the repair crews sent out by Texas Health Enterprises, operators of the nursing home, and on the weather, although state and local inspectors have said there may be a further delay.

Griffitt said the State Fire Marshall's office had inspectors at the scene Tuesday, but no formal ruling has been made on the cause of the fire or on whether the building must come up to city code before being occupied again.

Griffitt remarked, "The whole community pulled together on this, and everyone gave an excellent response to the needs of the residents."

WHERE IT ALL STARTED—Contractors look at the damage to the main electrical switch panel in the laundry area of Canterbury Villa Nursing Home in Dimmitt Monday. The panel and a portion of the wall beside it were damaged by a fire Saturday morning, which caused the evacuation of the home's 71 residents, none of whom were injured in the fire. As you may know, Dimmitt Postmaster Bill Sava writes songs.

No, he's not a composer. He writes songs.

He starts with a tune in his head, then puts together lyrics that rhyme and tell a story. When it comes to putting the notes and words together on paper, he gets help from friends who know how to do that sort of thing.

Give him a story or an idea, and he'll come up with a song. We've been treated to some of his originals in the *Follies* through the years, and he already has several in the sack for the county's centennial celebration.

His songs are all "fun" songs—fun to sing, and fun to hear.

He's pretty good at it. So good, in fact, that his hobby got him into the finals of a statewide contest a couple of weeks ago in Deer Park, against a whole field of professionals.

You've got to hear him tell it his way:

"Avie Lewis came to see me back in August. There was a song-writers' contest for a spirit song for the Battleship Texas. And Avie said 'Bill, you can write a song about this.' So I sat down and started working on it, and came up with what I considered were some very good lyrics.

"Avie was telling me all the time, 'I will help you with it when it's time to set it to music.' But when that time came, Avie had been called out of town.

"So, not having any more sense than to try to write the music with A's and B's and little pound signs for sharps and whatever else it took, I wrote it down. Avie was not able to come home and play it to even see what it sounded like, and the deadline was approaching.

"So one day Deanne Clark came into the Post Office and I, not wanting to just scrap the entire effort, approached Deanne on playing this music off of my A's and B's so that I could sing it and make a tape and send it to Deer Park.

"She agreed to do it during my lunch hour. I went to her house and she played the music extremely well. But I couldn't sing the music because—well, as Avie always tells me, until somebody plays it for me I never sing the same thing twice.

"But we made the tape during

the lunch hour and I sent it off to Deer Park. I sent the entry fee along with it and figured 'Well, I've made a contribution to the Battleship Texas.'

"It was about three weeks later that I got a telephone call. My song was one of 12 that was chosen to be performed at the Battleship Texas Veterans' Day Ceremony, and they wanted me to come to Deer Park and sing the song on the 20th of October. I was thrilled to death.

"I thought, 'Wow, that's wonderful—I'm one of 12.' And I called Avie, who was back in town by now, and told her. And Avie said 'That's wonderful. I didn't even know that you ever got the music written.' And I said, 'Well, I just wrote it with the little A's and things like I always do when I give it to you.' And Avie, being such a good friend as she is, said, 'Bill, tell me you didn't do that.' And I said 'No, I really did—I wrote it and sent it in.' And she said, 'You didn't win, Bill—they just want to see what you look like.'

"I said, 'That may be, Avie, but they told me I was one of the top 12.' She said, 'If that's one of the top 12, then there were only nine entries.'

"Of course, everybody needs a real good buddy like that to really build them up.

"After we kidded around with it, she agreed to make an accompaniment tape for me.

"A couple of days later I got another telephone call from a lady in Deer Park. She said that she helped run the show and wanted to know how large an ensemble I'd be bringing with me when I come.

"And I said, 'What do you mean, ensemble?'

"And she said, 'Well, we're going to have a piano onstage, and we're going to have drums and all the outlets if you need various amplifiers and things.

"And I said, 'Have you got a tape player?'

"And she said, 'A tape player?'

"And I said, 'Yes, I'm coming alone.'

"And she said, 'You're coming alone?'

"And I said, 'Yes, do you think it's going to work? Is anybody else coming alone?'

### County officials re-elected

Castro Judge Mrs. M.L. Simpson Jr. and Precinct 4 Commissioner Vincent Guggemos staved off challenges from write-in candidates to reclaim their offices Tuesday in the general election.

Castro County voters turned out in force to re-elect county officials, with 2,318 voters reporting to the eight voting boxes.

Simpson received 1,638 votes to

regain her county judge's seat while write-in candidate Harold Broadstreet received 301.

Guggemos beat the late Tomas Falcon, write-in candidate for Pct. 4 commissioner, by a count of 422-16.

Castro County voters went against the statewide trend in the governor's race, supporting Republican Clayton Williams over Demo-

crat Ann Richards by a narrow 1,046-1,008 margin. Bubbles Cash, write-in candidate for governor, received 22 votes locally.

Other county officials re-elected to offices include Joy Jones, district-county clerk, who received 1880 votes; Oleta M. Raper, county treasurer, with 1,871 votes; John H. Alldredge, county surveyor, with 1,791 votes; Marshall Young, justice of the peace, 1,869 votes; and Dale Winders, Pct. 2 commissioner, 617 votes.

Marvin F. Marshall recorded 1,703 votes in Castro County and reclaimed his seat as district judge, 242nd Judicial District. Jack R. Miller won his race for district judge of the 64th Judicial District, receiving 1,860 votes in the county. (Continued on Page 11)

### Farm accident claims the life of a Hart man

A farm accident last Thursday claimed the life of a 61-year-old Hart man.

Justino Perez died last Thursday from injuries he suffered when he was pinned between a pickup and a tractor he had been working on at the Max Marble farm, five miles east of Hart.

Justice of the Peace Marshall Young pronounced Perez dead at the scene at 11:45 p.m. An autopsy was ordered, and an official ruling is being withheld pending its results.

Officials were notified of the

accident about 10:50 p.m. by one of Perez' co-workers, who looked for him when he didn't return home, according to Deputy Sheriff Rick McClain.

McClain said Perez had been trying to jump start a tractor. The machine was in fourth gear and when it started, it "took off" and pinned Perez between its rear axle and the pickup.

According to McClain, the tractor later was located about a mile north of the accident scene, stalled in a bar ditch.

TUESDAY: Canterbury Villa's annual cake auction will be held tonight at 7 p.m. Proceeds from the event will go to buy Christmas presents for the residents and to the residents' activity fund. The public is invited. Families of CV residents are invited to a Thanksgiving dinner before the cake auction. The meal is scheduled to begin at 5:30 p.m.

Nov. 18: A Thanksgiving dinner and holiday arts and crafts show will be held in Nazareth. The arts and crafts show will be open for viewing from 10 a.m. to 4 p.m. in the Nazareth School Cafeteria. The Thanksgiving dinner, featuring turkey, dressing and all the trimmings, will be served from 11:30 to 2 a.m. at the Nazareth Community

Hall. Dec. 1: The Dimmitt HOME Club, formerly the Dimmitt Young Homemakers, will sponsor its annual arts and crafts show from 9 a.m. to 5 p.m. at the Expo Building. A concession stand will be open throughout the day.

Dec. 1: The Republican Organization for Women will hold its annual Christmas Tour of Homes from 10 a.m. to 4 p.m. Tickets are \$3 per person and can be purchased from any ROW member or at the door of the homes on the tour, which include those of Andy and Kay Rogers, Jack and Susie Bradford and Coby and Connie Gilbreath. Proceeds go to send a girl to Bluebonnet Girls' State and to help with the foster children's Christmas party.

The new single-member districting plan for Dimmitt's city council election paid off for at least one minority candidate as Larry Gonzales was named the representative for City District 2 in Tuesday's election, making him the first Hispanic elected to office in the city's history.

Gonzales led the field of three candidates in the district with 105 votes, followed by Rick Wilcox with 83 and Sam Burke with 4.

In District 1, Lloyd White won the count with 76 votes to 66 for Miguel Velasquez, and one write-in for Larry Gonzales.

In District 3, incumbent Wayne Proffitt won re-election with 109 votes, and his opponent, Charles Richard, received 42 votes.

Roger Malone easily took District 4 with 177 votes, with write-in votes going to Carter Townsend, 3, Lloyd White, 2, Sam Rutkowski, 1, and Ray Sandoval, 1.

It was Gonzales who filed the election lawsuit against the city that created the new single-member districts. Previously, all council members were elected at large. During the course of the lawsuit, the city adopted a new charter, which incorporated the single-member district system for naming four council members, with another three to be elected at large, with the final details and drawing of district lines to be subject to the outcome of the lawsuit.

The new council members will be sworn in following the canvassing of the votes at Monday's meeting of the city council at 6:30 p.m. at the city hall meeting room.

### Medical fund is established

A medical fund for Larry Sadler has been established at the First State Bank of Dimmitt.

The fund has been set up to help defray medical expenses for Sadler, who was injured in a farm accident Oct. 28 in Snyder.

Sadler, son of Ezell and Verba Sadler of Sunnyside and husband of Sharon Sadler, lost his arm, has five broken ribs and is on life support systems because he has a damaged lung, according to friends.

He is undergoing treatment at St. Mary's Hospital in Lubbock.

Anyone who wishes to donate to the fund may do so at the bank in care of the Larry Sadler Medical Fund.

On Friday night, Oct. 19, a group from the Fourth and Bedford Street Church of Christ went to the Hotel Turkey for dinner, bed and breakfast. They enjoyed a dinner Friday night highlighted by entertainment from a cowboy poet, a singer, and banjo playing by the hotel owner, Scott Johnson. Saturday morning was spent learning the history of the hotel and a visit to the Bob Wills' Museum.

Those attending were Benny and Donna Baker, Dean and Carolyn Wiseman, Woodrow and Alyce Killingsworth, Lonnie and Janice Bell, Eldon and Clotee Minchew, Clara Sullivan, Mae Taylor, Florence Stafford, Margie Tolleson, Rhoda Mays, Louise Cathey and Gerry Chaney.

Benny Baker, minister for the congregation, said this was the first of many trips of this kind and anyone interested in going in the future would be welcome. Plans are being made for a trip to New England next fall.

## Arts and crafts shows are set in area towns

Several towns in the Texas Panhandle and South Plains areas have scheduled holiday arts and crafts shows and holiday events during the months of November and December.

Littlefield will hold its annual Littlefield Arts and Crafts Festival on Saturday Nov. 10; Morton's YM Study Club will hold its Christmas Bazaar on Nov. 17; a first annual Festival of Trees will be held in Hereford Nov. 15-18; the Moonlight Homemakers Club of Muleshoe will hold its annual arts and crafts bazaar on Nov. 30 and Dec. 1; and the Wesley United Methodist Women of Hereford will hold a fall festival on Dec. 1.

Brief details of each event follow:

### LITTLEFIELD

The Littlefield Young Homemakers will sponsor its eighth annual Littlefield Arts and Crafts Festival Saturday in the Lamb County Ag and Community Center.

The 50 booths will be filled with a variety of items including country decorating items, wooden toys, oil painting, ceramics, dolls, jewelry, decorated sweatshirts, Christmas items and other hand-crafted items.

Admission will be \$1, and it entitles each person to a chance to win a door prize. Money will be used for community and charity work.

A concession stand featuring homemade items will be open.

### MORTON

The YM Study Club in Morton will hold its annual Christmas Bazaar Saturday, Nov. 17, from 10 a.m. to 5 p.m. at the Cochran County Activity Building, 200 West Taylor Ave. in Morton.

Hourly door prizes will be awarded, with the items given away being donated by exhibitors. Everyone 18 years or older, including exhibitors, may register for door prizes.

A snack bar and baked goods booth will be open to the public.

### HEREFORD

The first annual Festival of Trees will be held at the Hereford Senior Citizens' Center next Thursday, Nov. 15, through Sunday, Nov. 18.

Offering several new events to the area, the festival has a dual purpose—to provide fun for the community and funds for the sponsoring Hereford Senior Citizens' Association.

A preview and auction of more than 25 professional designed and decorated Christmas trees will feature a festive gala with catered dinner and a band on opening night, Nov. 15. Entertainment will continue for four days.

Meals, refreshment bars, shopping opportunities and live entertainment and various children's activities are scheduled each day.

Advance tickets are required for several of the events, and may be ordered from Festival of Trees, in care of Cecil Boyer, P.O. Box 270,

Clotee Minchew invited me to attend the dinner and special meeting that was being held at the Church of Christ.

The delicious meal was served at the Senior Citizens Center. We visited with some of the youth who are members of AIM: Adventures in Mission. Colleen Race, 22, of Vancouver, Canada was one of them. AIM is a group of 53 youths from all over the US, Canada, and one from South Africa. They have been drawn together at the Sunset Church of Christ in Lubbock with a common love and a common goal—world evangelism. With mission points in Europe, Asia, Africa and the US, they are training to serve as missionary workers. Their director, Rex Boyles, encourages their spiritual and intellectual growth with a combination of classes, fellowship and practical teaching experiences. Colleen requested our prayers and she thanks everyone for their love and support.

John Sursa, who sings with the

group, is the son of a former Dimmitt coach.

Rex Boyles, the director, gave an inspirational message Sunday morning and afternoon.

Jason Gosett, youth director from Lubbock, gave me some papers on AIM by Rex Boyles. One concerns "In Time of War," and "Fallen Walls and Open Doors." A newspaper *AIM: For the 21st Century* makes for interesting reading.

A lovely bridal shower was held for Beth Welch of Lubbock Saturday morning in the home of Debbie Schumacher in Dimmitt. Beth is the bride-elect of Charles Cargill.

Quiche and sweet breads, spiced tea and coffee was served from a pretty table with a mauve centerpiece and a silver coffee service. Out of town guests were Mr. and Mrs. Howard Cargill of Lubbock, Grandmother Cargill of Hale Center, Juanita Welch Howard, Ann Philpott and Delese and Brenda Porch of Lubbock; and Carol Welch of Tulia. Mary Lou Webb entertained out of town guests with a luncheon in her home following the shower. Kathy Welch and Kristin and Jonathan, all of Dimmitt, joined the group after lunch.

Beth Welch, Kelly Potts Proffitt, Kim Griffith Hollingsworth, Debbie Murdock Smith, Terri Hamilton Robison and Brenda Underwood Porsch, all former classmates at Dimmitt High School, enjoyed visiting and lunch at El Sombrero.

Retta Cluck was hostess to the Friday Bridge Club that met at the Senior Citizens' Center. The group enjoyed "Stacks" for the noon meal. Edith Graef won high score and Alma Kenmore was second high. Others playing were Ina Rae Cates, Elizabeth Huckabay, Cleo Forson, Ruth Coleman and Betty Renfro of Amarillo.

The choir at the First Baptist Church enjoyed a Halloween social after choir practice on Wednesday night. Sandwiches, chips, dips and Halloween Cookies were served.

I stopped and visited with Bob McClellan the artist from Morton who is painting the north side of Higginbotham-Bartlett Lumber Co. This is being done with pictures of the past, since Castro County is celebrating its 100th birthday in 1991. This is a nice way for us to remember some of the landmarks.

Susie Reeves was hostess to the Thursday Bridge Club that met at the Senior Citizens' Center for lunch and a day of bridge. Johnnie

Vannoy won high score and Alma Kenmore was second high. Others playing were Cleo Forson, Opha Burks, Oleda Schumacher, Ina Rae Cates, Dugan Butler, Louise Mears, Emily Clingingsmith, Virginia Crider, Dude McLauren, Elizabeth Huckabay, Neva Hickey, Ferne Dickey, Bernice Hill and Helen Braafladt.

Tex and Norma Conrad have been making several trips to St. Mary's Hospital in Lubbock to help their daughter, Sharon Sadler. Sharon's husband, Larry, was in a farm accident in which he lost his right arm and broke four ribs. He needs help from machines to help him expand his lungs. They said, "Thanks for all your prayers and concern."

The Castro County Museum board members held their monthly meeting on Thursday evening with Lon Woodburn presiding. Clara Vick read the minutes and showed pictures of the Harvest Days Parade and "open house" at the Museum. Edgar Dennis gave rides in his "Surrey with the fringes on top," during Harvest Days. Halloween treats were served. The centerpiece was an arrangement of miniature pumpkins. Members present were Mary Woodburn, Helen Richardson, Madge Robb, Ralph Lambright and Mary Edna Hendrix.

Visitors at the museum from out of town were Troy and Lynna Cloer from Tulia, Bill Hartenstein of Canyon and Kalindi Dighe and Giorgio Serafini from Brussels, Belgium. The people from Belgium are here for the making of the film about Italian prisoners of war at the POW Camp in Castro County.

Emily Roberson celebrated her 12th birthday on Friday night by eating with her guests at Pizza Hut. After eating, they all went swimming at Ruskin. Those enjoying the fun were Kimberly Proffitt, Summer McLean, Alisa Littlefield, Carrie Bradley and Tawnee Matthews.

Tobin and Angela Touchstone and Ret of Mansfield, visited with the Touchstone families and the Ross family last week.

The youth from the First Baptist Church went as a group to the football game at Friona Friday night. They enjoyed a fellowship at the Kenneth Frye barn where they sang and ate Sloppy Joe's. The youth from Friona Baptist Church joined them at the Fryes. Those enjoying the fun were Randy Ste-

phens, Elaine Broadstreet, Deena Nava, Amy Littlefield, Roxanne Vigil, Phebe Sams, Tiffany Wilcox, Amy Booth, Kim Thomas, Holly Wise, Katrina Acker, Mitzie Heller, Molly Young, Derek Thomas, Tobin Bossett, Prissy and Mike Booth and Richard Young. The group enjoyed singing on the way home.

The Baptist Women of the First Baptist Church held their organizational meeting and installation tea Sunday afternoon at the home of Esta Vandiver in Dimmitt. Jeane Law, state promotional vice president of Texas WMU, conducted

the installation ceremony. Mrs. Law lives in Lubbock.

New officers installed are Margie Rogers, director; Mauzee Youts, secretary-treasurer; Debbie Annen, mission support chairman; Ysleta Ball, mission action chairman; and Barbara Kenley, mission study chairman.

A social hour followed the installation. Chocolate and pecan tarts and tea and coffee were served. The centerpiece was a grouping of dolls from foreign countries, selected from a collection from the late Mrs. W.E. Kirkpatrick.

### Nursing Home Volunteers

During Saturday morning's cold, wet, blustery weather, something really heartwarming happened here.

When the main electrical switchbox at Canterbury Villa blew, it left 71 residents of the nursing home without heat, light or vital support equipment.

It could have been tragic. But thanks to the quick response of our people who are trained for emergencies, and the help of dozens of volunteers, the situation developed into a model of efficient action and small-town caring.

Bill Sanders spotted the smoke and turned in the alarm. As the word went out over the county's law enforcement radio system, the call was answered not only by the Dimmitt Volunteer Fire Dept., but by the Nazareth Volunteer Fire Dept., and by emergency medical technicians and ambulance teams from the Hart Volunteer Fire Dept. and Plains Memorial Hospital. The Dimmitt Police Dept. rushed to the scene to help. Off-duty staffers of the nursing home and the hospital reported for duty.

The decision was made quickly to transfer all nursing home residents to the hospital. (Maybe that was part of an emergency plan worked out previously.)

The firemen immediately set up smoke-clearing equipment and generator-driven floodlights inside the nursing home. At the same time, they started checking every room and closet to make sure everyone got out as soon as possible.

Meanwhile, Supt. Robert Ryan and DISD Business Manager Gene King brought the school's special bus for handicapped students, equipped with a wheelchair lift. They drove and operated it themselves, shuttling several busloads of wheelchair patients from the nursing home to the hospital.

Bedridden patients were transported in ambulances. Ambulatory residents were taken by volunteers with cars and Suburbans. Beds and equipment were hauled by volunteers with pickups.

"As the nursing home residents left, they had their medical charts in their laps," George Sides said. "That was obviously a pre-planned procedure."

While the evacuation was going on at the nursing home, the hospital staff was moving all patients into the obstetrical wing. The rest of the hospital was turned over to the nursing home.

"The hospital staff had everything ready for them when they got there," Reeford Burrous said. "Extra staff came in to help. The hospital people brought the nursing home residents right in and put them to bed and covered them with blankets."

"You'd think they had a plan all worked out in advance, the way everything went so well," Burrous added. "You just couldn't ask for anything to go any better. It was just wonderful the way everyone jumped in and helped."

It makes one realize—again—what great people we have here.

## TPWD buys county tract, playa for waterfowl wintering habitat

The Texas Parks and Wildlife Dept. has purchased a 420-acre tract of land that includes a 98-acre playa basin located about five miles west of Dimmitt.

The Panhandle acquisition is a project of the Playa Lakes Joint Venture program under the auspices of the North American Waterfowl Management Plan.

The tract has been named the Dimmitt Playa Unit of the Playa Lakes Wildlife Management Area and is seven miles northeast of the Armstrong Playa Wildlife Management Area in Castro County. The Armstrong Playa, donated to the department in 1989, was the first playa lake easement donated.

Dr. Dan Moulton, waterfowl habitat acquisition program leader, said the Dimmitt Playa Unit was acquired with funds from the Texas Waterfowl Stamp and Print program and with Pittman-Robertson federal aid funds for wildlife restoration.

The purpose of the Playa Lakes Joint Venture is to maintain and, where possible, enhance the 25,390 playa lakes in a five state region including Texas, Oklahoma, New Mexico, Kansas and Colorado, for wintering waterfowl, said Gene Miller, technical guidance biologist from Amarillo.

Biologists across the region are concentrating their efforts on playas and other areas that have

semi-permanent water and that historically winter significant portions of the Central Flyway waterfowl populations.

The joint venture will seek to provide area waterfowl with sufficient feeding and resting areas spaced to allow for an even distribution of game and non-game birds, and wetland and upland environments safe from contaminants and disease, Miller said.

Moulton said other units will be added in the future.

"Our objective is to establish areas throughout the Playa Lakes Joint Venture region where we can develop and demonstrate wildlife management techniques, especially for waterfowl and pheasants that can be integrated into typical farming and ranching operations. Only in this way can we hope to impact enough habitat to make a difference in the second most important waterfowl wintering area—after the Texas Gulf Coast—the Central Flyway," Moulton said.

## County horse judges compete in Ohio contest

The Castro County 4-H Horse Judging Team competed at the American Quarterhorse Congress in Columbus, Ohio Oct. 25 and 26.

The Congress is a world class show held every year in Columbus and judging teams must qualify to be able to compete.

The Castro County team won the state 4-H contest held in College

Station in June and were invited to judge in several major shows as a result of their achievement. The group judged at the American Junior Quarterhorse Show in Tulsa, Okla., in July, and placed 10th.

In the Columbus contest, Kim Spring placed 10th in individual reasons, Justin Gleghorn finished ninth in individual performance and 9th high overall individual. The team, including Spring, Brant Baca, Kay Gleghorn and Justin Gleghorn placed sixth in halter, fifth in performance and third high overall as a team.

Coached by Scott Bagley and Tod Bradley, the team competed against the top 26 teams from across the nation.

## Hart class sets reunion

The Hart High School class of 1980 will hold its 10-year reunion Nov. 23 and 24.

On Nov. 23, class members and their spouses and guests will have a dinner at the Golden Corral Steakhouse in Plainview.

On Nov. 24, the group will enjoy a family reception at the Golden Group Building in Hart.

For more information, contact Theresa Kittrell Marble at 1524 East Capital Ave., Grand Island, Neb. 68801 or call (308) 384-1032. All spouses and former teachers are invited to attend.

## TDA is using propane fuel to power 14 of its pickups

It might look like just any other 1/2-ton pickup, but the truck which the Texas Dept. of Agriculture has assigned to Grain Warehouse Specialist Raymond Roybal runs on an alternative fuel that is readily available in Texas.

Roybal's pickup is one of 14 being used in TDA district offices statewide that has been converted to run on propane or liquefied petroleum gas (LPG). Propane is available here and now in the Panhandle District and throughout the state from almost 2,000 dealers.

Roybal, a TDA inspector for nine years, will use the vehicle as he carries out his routine duties enforcing Texas laws affecting grain warehouses. He is responsible

for inspecting grain warehouses and making certain the amount of grain they have on hand actually coincides with the amount of grain that warehouse records show should be on hand. Roybal works in a 26-county area including Castro County.

Ag Commissioner Jim Hightower initiated TDA's Clean Air/Alternative Fuels Demonstration Program earlier this year in an effort to give TDA a head start in efforts to comply with recently passed state laws requiring 30% of each state agency, school district and metropolitan transit authority fleet to be alternatively fueled by 1996.

"The use of propane-fueled vehicles is one component of TDA's total Clean Air Demonstration Program. TDA staff investigated alternative fuels such as compressed natural gas, electricity, methanol, ethanol and hydrogen before concluding that propane was an inexpensive, effective and readily-available alternative for use at this time," Hightower said.

Evaluation of other alternative fuels and technology to reduce

greenhouse gas and other harmful emissions will continue and TDA will convert to others as the technology becomes more readily available.

TDA's LP Gas Demonstration Project now includes conversion of 10 new 1990 1/2-ton pickup trucks to propane; conversion of four used pickup trucks to propane; selection of a control group of 14 similar gasoline-powered vehicles with similar mileage and usage; monitoring closely the operating characteristics, mileage, maintenance and repair costs of both the test and control groups; evaluation of the findings to determine whether other vehicles in TDA's fleet should be converted to propane and; reports to the Texas Legislature, the Texas Air Control Board and the State Purchasing and General Services Commission for the benefit of other fleet managers and the public.

For a first-hand opportunity to see TDA's Clean Air Demonstration Project in action in your area, contact TDA District Director Harold Bob Bennett or Roybal at 358-7285.

**DIMMITT MIDDLE SCHOOL CAT CARD Winners**

Four Cat Card Club Winners for this week have been named at Dimmitt Middle School.

Three fourth graders were named, including Michael Lopez and Dale West for turning in lost items, and Beau Hill for helping the PE teacher.

Fifth grader Angie Vidal was honored for turning in a lost item.

Winners of Cat Card privileges get to attend school-sponsored functions free during the week of their selection, and get to go to the head of the cafeteria line. Coupons for redemption are also offered by local merchants.

Students are nominated by teachers, with final selection made by DMS Assistant Principal T.J. Parks.

# 'Pray for peace'

Dear Editor:

It is sad to be hearing news of the possibilities of war on television once again after all the good news we heard last year about peace and reconciliation between countries.

I am sure most will agree that war is a tragic event that we must seek to avoid if we can. Many families are concerned about their sons and daughters stationed in the Middle East.

This is a time to unite in prayer so that there may be peace in the Middle East. Maybe it would help to write to the President and congressional representatives, asking them to try all possible means to resolve this conflict without war—

diplomacy and working together with other nations. Perhaps we could do our own part to conserve our use of energy (gas, heat, etc.) so that our country will not need to depend so much on foreign oil.

Even though our efforts may seem small, it is better to light one candle than to curse the darkness.

# Police Calls

A case of suspected arson in Hart Oct. 28 is still under investigation by the State Fire Marshall's office.

The Elias Martinez residence at 1106 First Street in Hart received fire damage in two bedrooms and smoke damage to the living room. The family reported that several items of value were missing, according to Hart City Marshal James Samples.

Three suspects are still at large on indictments handed down by the Oct. 17 session of the Castro County grand jury on charges of theft and theft of cattle.

## Pybus wins game trip

Cheryle Pybus was the winner of an all-expense paid trip for two to Sunday's Dallas Cowboys versus the San Francisco 49ers football game, with round-trip airfare to Dallas, overnight accommodations, transportation, game tickets, a breakfast buffet and a \$100 cash bonus all included.

The trip was offered as the prize in a fund raising project sponsored by Dimmitt's Alpha Chi Omega sorority. The drawing was held Nov. 1, with County Judge Polly Simpson drawing out the winning ticket.

Proceeds from the project will supply food baskets for the needy at Thanksgiving and Christmas and also will go toward the Shawn Schaeffer Memorial Scholarship Fund.

"A big thank you goes to our community for their support of our efforts through their donations," an organization spokesperson said.

The theft charges stemmed from incidents over a 19-month span in which aluminum pipe was taken from the farms of J.G. Black, Jack Howell, Gene Bradley and Max Sageser, and a trailer and pipe were taken from the Ronnie Gfeller farm. The incidents began around January of 1989, and continued through August of 1990.

The stolen cattle were taken from Leroy Pohlmeier and Joe Caballero—five head and three head, respectively, in incidents about a year ago.

A spokesman for the Castro County Sheriff's Office said other thefts are also under investigation, and noted that the only property recovered so far is the trailer belonging to Gfeller. It was found about 150 miles from Dimmitt.

The three suspects already in custody in the case are Raymon Aleman, Billy Ray Aleman, and Gerardo Garcia.

Pedro Sifuentez, 38, of Dimmitt is in jail awaiting return to the Dept. of Criminal Justice, Institutional Division, after he was apprehended on a state warrant for violation of felony parole. Sifuentez was on parole from felony theft charges.

A 58-year-old Dimmitt man was charged with DWI around 8:07 p.m. last Thursday when he drove his pickup into the path of an oncoming semi-truck driven by Louis Carl Lee, 50, of Hereford. Both vehicles sustained heavy damage, and the suspect was treated by an ambulance attendant for bleeding about the face. Lee had been driving north in the 500 block

of North Broadway, and the suspect attempted to make a left turn onto East Halsell, turning in front of Lee's truck. The semi-truck hit the suspect's pickup, which then hit a fence, causing an estimated \$25 in damages to it.

A saddle valued at \$1,500 was taken from Farm and Ranch Supply in Dimmitt sometime during the night Friday night. Entry apparently was gained by damaging a wooden door, valued at \$200.

Three incidents of criminal mischief were reported in the past week. Glass windows valued at \$250 to \$300 were damaged at the new location of Associated Insurance in Dimmitt. The damage was reported last Thursday morning, and had apparently happened sometime the night before.

Doyl Underwood of Dimmitt told police that someone had broken the glass window on the storm door of his home, causing approximately \$75 in damage. The damage was reportedly done around 12:30 a.m. last Thursday.

LaRue Hasley of Dimmitt complained to police that someone had torn down her windchimes, valued at \$20, and had thrown them on the ground. She also said that her car's antenna had been bent, with the damage estimated at \$25. The damage was reportedly done around 10 p.m. Oct. 31.

A 32-year-old Dimmitt woman told police that her husband had slapped her on the face in an incident around 1:30 a.m. last Thursday.

A Dimmitt man, 27, and a Friona man, 29, were picked up around 12:34 a.m. Monday on charges of public intoxication.

## Nazareth's holiday meal, crafts show set Nov. 18

The Nazareth Christian Mothers' Society and Nazareth Art Club will hold their annual Thanksgiving dinner and holiday arts and crafts bazaar Sunday, Nov. 18 in Nazareth.

The annual Thanksgiving dinner features turkey and all the trimmings, and will be served from 11:30 a.m. to 2 p.m. at the Nazareth Community Hall.

The arts and crafts bazaar opens at 10 a.m. in the Nazareth school cafeteria and will remain open until 4 p.m.

Booths for the arts and crafts

## HOME Club plans bazaar

The Dimmitt HOME Club, formerly the Dimmitt Young Homemakers, will hold its annual arts and crafts bazaar Saturday, Dec. 1, from 9 a.m. to 5 p.m. at the Expo Building in Dimmitt.

Only 39 booth spaces are available for rent for the show, so the organization urges those who wish to reserve a booth to do so now. Booths will be assigned when payment of \$30 per booth is received.

Anyone wishing to reserve a booth should contact Shelly Smith, Rt. 4, Box 97A, Dimmitt 79027, phone 647-5349, for an application form.

Exhibitors may set up their booths the day of the show from 7:30 to 9 a.m. Two banquet-size tables will be available for each exhibitor. Single and double-occupancy booths are 8 x 10 ft.

The walls in the Expo Building are metal and no nails can be used. There are electrical outlets, but exhibitors must provide their own extension cords. They are also urged to indicate on their booth registration form if electricity will be needed.

A concession stand featuring food and drinks will be set up.

show may be reserved for \$15 each, and anyone may reserve a booth by sending the booth rent fee to the Nazareth Art Club, in care of Lucille Drerup, Box 3, Nazareth 79063; or Rose Mary Wilhelm, HCR 2, Box 15, Nazareth 79063. The deadline for booth reservations is Nov. 10.

The 8 x 10-foot booths will be assigned on a first-come basis. Exhibitors renting booths will be supplied with a table and two chairs, and are asked to state if they need the table or if they will be using their own display racks. Exhibitors may also specify whether they need a wall or center booth, and indicate what they will have on display.

The cafeteria will be open at 8 a.m. on Sunday, Nov. 18.

For more information about the arts and crafts show, contact Drerup at 945-2562 or Wilhelm at 945-2583.

## Book Club to meet

The Dimmitt Book Club will hold its annual Silver Tea at 4 p.m. on Wednesday at Rhoads Memorial Library in Dimmitt.

Reta Welch will review Judith Viorst's book, *Forever Fifty and Other Negotiations*.

"Her (Viorst) best-selling verse has unerringly captured our follies and foibles over the decades," Welch said. "Viorst's new book once again shows her uncanny ability to transform our daily realities into poems that make us laugh with recognition."

Viorst has also written 10 children's books and *Necessary Losses*, a best seller. A contributing editor to *Redbook* magazine, she lives in Washington, D.C. and is married to political writer, Milton Viorst. They have three sons.

Kacee Gragg and Woody Glass

## December vows set

Engaged to wed on Dec. 28 are Kacee Genon Gragg and Woodrow Keith Glass.

Parents of the couple are Sherry Gragg of Newcastle, Okla., and Johnnie Gragg of Waco; and Alex and Jaquetta Glass of Plainview.

The couple will wed in the First Christian Church of Hydro, and plan to make their home in Weatherford, Okla., where both are attending Southwestern Oklahoma

State University.

A graduate of Newcastle High School, the bride-elect is a junior at SOSU, majoring in elementary education. She has also served as a cheerleader there.

The future groom is a 1986 graduate of Dimmitt High School and is a senior, majoring in political science. He is also a graduate assistant in the college football program.

## Breast cancer screening clinic planned in Dimmitt

A breast cancer screening program by the Don and Sybil Harrington Discover Center and High Plains Baptist Hospital of Amarillo will hold a community outreach clinic in Dimmitt on Monday, Nov. 19, from 10 a.m. to 2:30 p.m. at Plains Memorial Hospital.

Exams will be performed by appointment only. For information about the clinic or to make an appointment, call the Harrington Cancer Center at 1-800-274-4673, toll-free. For information locally, call the hospital at 647-2191.

Funding is available through the Texas Cancer Council for screening mammography for Texas residents qualifying for financial assistance.

Early detection of breast cancer is the major goal of cancer control for each woman seen in the clinic. The clinic provides low-cost screening which includes a breast exam by a registered nurse trained in breast cancer detection, teaching of breast self-examinations, and a mammogram.

Currently, the most effective method known to win the battle against breast cancer is early detec-

tion. Early detection is best accomplished by following the guidelines recommended by the American Cancer Society for breast cancer screening for women who have no signs or symptoms of breast cancer.

The guidelines are to learn and perform breast self-exams every month, have a physical examination every year, and have a mammogram according to the recommendations by age, which are one baseline mammogram between the ages of 35 and 40, a mammogram every one to two years between the ages of 40 to 50, and yearly mammograms for women for 50.

## 4-H food show set Nov. 10

The Castro County 4-H Food Show will be held Saturday at the Nazareth school cafeteria.

Youths competing in the show must be at the school cafeteria by 8:30 a.m. Nov. 10. Judging will begin at 9 a.m. and the winners will be announced later.

Winners will advance to the district food show, which is scheduled for Dec. 1 at Levelland.

## Dimmitt FHA to declare war on tobacco during Smokeout

The American Cancer Society will hold its Great American Smokeout next Thursday, Nov. 15, and one local organization has plans to "declare war on tobacco" that day.

The Future Homemakers of America will launch an all-out offensive this year which is aimed at reducing tobacco use among adolescents, according to Joanne Snider, home economics teacher at Dimmitt High School.

The Great American Smokeout is an annual celebration held on the third Thursday in November to encourage smokers and tobacco users to quit the habit for 24 hours.

Studies show that the age of tobacco initiation has fallen over the years. Younger and younger kids are smoking and chewing tobacco.

Future Homemakers of America's battle cry is "Tobacco Free Schools" and FHA/HERO members will begin their fall campaign by working for the complete ban of tobacco use on school property.

Tobacco use by students on school property in Texas is against the law. However, school boards can designate smoking areas for faculty.

The FHA doesn't like the policy because of what it calls a double standard.

"The policy sends a mixed mes-

sage to students. On the one hand, students will think the policy is unfair if it only applies to them and not the faculty. On the other hand, students will view tobacco as a forbidden, but desirable adult thing to do. We think the best policy is a complete ban of tobacco use on school property," Snider said.

FHA/HERO members have other anti-tobacco projects in mind within the school district and the community.

For more information on the Tobacco Free School Project, you should call the FHA at Dimmitt High School.

## VFW plans breakfast

The Veterans of Foreign Wars (VFW) post in Dimmitt will hold a breakfast and flag raising ceremony Monday morning in celebration of Veterans' Day.

The breakfast, which features bacon, sausage, eggs, and all the trimmings will be served at 6:30 a.m. at the VFW Hall.

Boy Scouts from Dimmitt will raise the flag.

Everyone is invited to attend.

# FUMC to host evangelist for revival on Nov. 18-20

Evangelist Wesley Putnam of Bedford, singer and composer, will lead a revival and concert at the First United Methodist Church of Dimmitt Nov. 18 through 20.

The revival is scheduled for 10:45 a.m. on Nov. 18, and will begin at 7 a.m. and 7 p.m. on Nov. 19 and 20.

His ministry includes preaching, drama and music, woven together to create a fresh approach to renewal, according to church spokesmen.

Rev. Putnam holds a bachelor of music degree from Northeast Louisiana University and a master of divinity degree from Asbury Theological Seminary. He is an ordained United Methodist clergyman, and he is a member of the Northwest Texas Annual Conference. He pastored local churches for over eight years before turning his attention to full-time evangelism in the summer of 1981.

Putnam is a songwriter whose

compositions touch on virtually every aspect of Christian living from temptation to suffering to forgiveness and praise. He has cut six albums, two of which are being distributed nationally to radio stations and book stores. Selected songs from those two albums now are available as a printed choral collection through Tempo music. In addition, he has produced an audio and video cassette of one of his dramatic presentations. Attired in authentic Hebrew costume, Wesley captivates audiences as he recounts the lives of various Old Testament characters as though they were alive today. He animates James, the brother of Jesus, to relate New Testament stories.

He has presented special music at many national Methodist gatherings. He is currently serving as president of the National Association of United Methodist Evangelists.

## Bobcats ramble past Chieftains, 36-0

SET-UP RUN—Dimmitt's Jeremy Langford reels off a 10-yard run to the Friona 6 in the final minute of Friday night's District 2-AAA game at Friona. Monty Moore broke into the end zone on the next play for the final touchdown as the Bobcats won, 36-0.

Photo by Kim Watson

After a slow start, Dimmitt's Bobcats struck for 36 points in 36 minutes to shut out Friona's Chieftains Friday night at Friona.

The victory hiked the Bobcats' record to 7-3 (3-1 in district) and set up a showdown with the Tulia Hornets (5-4, 3-1) in the regular-season finale Friday night, with a district co-championship on the line.

It was the sixth consecutive shut-out for the hard-luck Chieftains.

After a scoreless first quarter, the Bobcats struck for two second-period TDs, then added one in the third and two in the fourth while rolling up 347 yards' total offense in a balanced attack. Dimmitt's defense, meanwhile, held Friona to 80 yards on the ground and 23 in the air while intercepting three passes and recovering two fumbles.

Armando Arce reeled off a 42-yard run to the Friona 6 in the opening period, but the scoring

opportunity fizzled when fullback Johnny Ortegon was knocked loose from the ball at the 11 on the next play.

Lincoln Stewart got the ball back for Dimmitt with a great leaping steal of a Blair Burney pass at the Chieftain 38, and the Bobcats drove to the Friona 1—only to be denied again when the Chieftains' Chad Hamilton sacked quarterback Freddy Martinez for an eight-yard loss on a fourth-and-goal pass play, completing a goal-line stand that had started with a first-and-goal at the 4.

But three plays later, the Bobcats knocked Friona's Curtis Brady loose from the ball and David Maxwell recovered it to give Dimmitt another shot from the 12-yard line.

This time the Bobcats collected as Martinez hit Robert Ruiz with a 12-yard scoring pass with 7:09 remaining in the second. Ruiz's extra-point kick made it 7-0.

An interception by Michael Ethridge at the Friona 48 with two minutes remaining in the half started the Bobcats on their second scoring drive. Two consecutive completions by Martinez to Ruiz and Ethridge netted 36 yards, and three plays later Stewart got the final eight yards on a right sweep with 32 seconds left. Ruiz booted the extra point to make it 14-0 at halftime.

The Bobcats opened the second half in high gear, driving 80 yards in 11 plays—all on the ground—for their third TD. Longest runs in the drive were a 29-yarder by Arce and

a 23-yarder by Stewart. Arce got the touchdown on a one-yard plunge with 6:32 remaining in the third. Martinez lofted a pass to Ruiz for a two-point conversion to make it 22-0.

The two teams held each other at bay until midway in the fourth, when the Bobcats put together a 44-yard drive that was highlighted by a 30-yard pass from Martinez to Casey Summers on a fourth-down fake punt play that carried to the Friona 10.

A clipping call nullified an apparent TD run by Ortegon, then a holding call moved the Bobcats back to the 31. But the Bobcats recouped with a 20-yard pass from Martinez to Stewart, a five-yard run by Arce and a six-yard scoring pass from Martinez to Arce with 3:04 left in the game. Ruiz kicked the extra point to make it 29-0.

The Cats' final TD was almost a freebie. With 52 seconds remaining, the Chieftains went for it on fourth-and-three at their own 14, but were stopped for no gain. Jeremy Langford reeled off eight yards, then Monty Moore raced in from six yards out with 33 ticks left on the clock. Ruiz booted his fourth extra point of the night to make the final score 36-0.

"I was a little concerned that we might be flat after playing such a fired-up game against Littlefield," Bobcat Coach Army Salinas said. "I was also worried that our kids might take Friona lightly—which they did. We played physically in the first half, then played physically and mentally in the second half."

### Freshman Cats top Friona, 38-8

The Freshman Bobcats broke open an 8-8 tie and raced to a 38-8 victory over Friona here last Thursday.

The victory hiked the Freshman/JV Bobcats' record to 3-4-1.

Tait Crow hit Raymond Limas with a 40-yard pass for Dimmitt's first touchdown. Guy Lewis ran the two-point conversion to give the Freshman Bobcats an 8-0 lead.

Friona followed in the first quarter with a 10-yard touchdown pass and a two-point conversion to knot the score.

But the Freshman Bobcats went out front for good in the second period on a 10-yard touchdown run by Guy Lewis. The extra-point attempt failed, leaving Dimmitt with a 14-0 halftime lead.

The third quarter saw the Freshman Bobcats put together a 60-yard scoring drive. Max Moore got the TD on a 15-yard pass from Crow, and Lewis ran for a two-point conversion to hike Dimmitt's lead to 22-8.

In the fourth period, Crow scored on an eight-yard run, and Velasquez added a two-point conversion to make it 30-8.

Dimmitt's final TD came on a 10-yard sweep by Johnny Levario. The two-point conversion was good.

Coaches Alan Steinle and Gus Ortiz commended their entire offense and entire defense for their winning effort.

Dimmitt's Freshman/JV squad will host the Tulia JV today (Thursday) in the season's final game. Kickoff time will be 6 p.m.

### Junior high teams win

Dimmitt's 7th Grade Bobcats extended their district record to 4-0 with a 14-0 victory over Friona there last Thursday.

And the 8th Grade Bobcats threw up a big goal-line stand to preserve a 6-0 victory.

Dewayne Espinosa scored both touchdowns and the two-point conversion in the 7th Grade Bobcats' victory. Espinosa finished the game with 84 yards rushing, while Toby Crow gained 36, Jason Wooten 18 and Romero Gauna 9.

After a scoreless first half, Coach Lanny Crow's seventh graders got their first TD in the third period, but failed on the conversion attempt. Their second TD and two-point conversion came in the final quarter.

Top defensive plays were turned in by Joey Martinez and Chad Ellis with a fumble recovery apiece, and by Wesley Ralston with an interception.

In the eighth grade game, Dimmitt went ahead early when Derrick Thomas scored from five yards out in the first quarter. The extra-point attempt failed.

It appeared that Friona would tie or win the game when they gained a first down just inches away from

the goal line. But Coach Greg Clark's 8th Grade Bobcats held them out of the end zone on four successive plays to preserve the 6-0 victory.

Dimmitt gained 124 yards on the ground and 30 through the air.

Top defensive plays were a pair of interceptions by Juan Rodriguez and Johnny Flores.

The Dimmitt eighth graders' record now stands at 4-3.

Dimmitt's junior high teams will close out their season when they travel to Tulia today (Thursday), with the seventh grade game scheduled at 5:30 and the eighth grade contest at 7.

### Pre-game meal set in Tulia

The Tulia Chamber of Commerce is sponsoring a Cornbread and Swisher County Pinto Bean Supper Friday night before the Dimmitt-Tulia football game, there.

The meal will be held at the Tulia High School cafeteria, and cost will be \$2.50 per person for all you can eat. The menu will include cinnamon rolls for dessert, and tea and coffee.

### Skating planned

The Dimmitt Chamber of Commerce Youth Committee will sponsor a skating session Sunday from 2 to 4 p.m. at the Expo building.

Admission for skaters is \$1 each, and skaters must bring their own skates.

Skating games will also be held.

### SS rep here today

A representative from the Social Security Administration will be in Dimmitt today (Thursday) from 9 to 11 a.m. at the courthouse.

The representative will be available to answer questions for anyone with problems or questions about Social Security or Medicare benefits or claims.

NAZARETH'S LYNN NELSON (12) takes off around the left end and breaks free from Vega defenders to gain good yardage during action against Vega in Nazareth. The Swifts won the important District 2-A matchup, 28-0, moving them

one stop closer to a playoff berth. The Swifts improved their record to 3-1 in district play, and a victory Friday night over Bovina will clinch them a playoff spot for the first time since 1985.

## Swifts shut out Vega, 28-0 to stay alive in playoff chase

By CINDY ALBRACHT  
The Nazareth Swifts shut out the Vega Longhorns 28-0 Friday night to move one step closer to a playoff spot.

The win boosted Nazareth's record to 6-3, 3-1 in district.

Nazareth's defense shut out the Horns throughout the game and didn't give up a first down in the first half.

"Overall, I think this was one of our better defensive performances," said Rick Price, Nazareth's head coach. "We were able to come out and play four quarters of defensive football instead of just three."

Offensively, the Swifts rushed for 196 yards and added another 159 through the air. T.J. Garza and Lynn Nelson paced the Swifts' ground attack, recording 187 yards rushing between them and scoring two touchdowns apiece.

"I was extremely pleased with the effort. The boys came out and set the tone early, then didn't let up," said Price.

"We controlled the clock and were able to control the ball with a balanced attack."

The Swifts won the toss, but elected to kick the ball to the Longhorns and it paid off.

After just four plays, the Longhorns statistics revealed a loss of 12 yards on offense and Jason Henderson was forced to punt. The wind caught the kick and the ball landed on the Vega 19-yard line.

The Swifts capitalized on the field position to score on their first offensive play of the game.

Garza took the handoff and raced into the end zone for the touchdown, but was stopped short of the

goal line on the two-point try, and the Swifts went up 6-0 with 10:26 left in the first quarter.

The teams exchanged possession before the Swifts regained control and started their second goal line march from their own 38-yard line.

On the first play from the line of scrimmage, Nazareth quarterback Michael Schmucker attempted to find Wade Hoelting upfield, but the pass slipped through Hoelting's fingers and Vega's Mike Crouch caught it. Crouch attempted to run the ball, but was tackled and fumbled the ball on the Nazareth 43-yard line, where Blaine Johnson fell on it for the Swifts. The result of one play.

The Swifts continued their march for the end zone, driving across the midfield line before the first quarter expired.

On the first play in the second quarter, Nelson got the call and sprinted 25 yards for the touchdown. Nick Johnson's extra point kick was wide, leaving the score at 12-0 with 11:53 left in the first half.

The Swifts next scoring drive started with 5:57 left in the second quarter from deep in their own territory.

Nazareth racked up four first downs while working its way down the field and scored with 2:10 left in the half.

The ball rested near the goal line when Nelson took the pitchback and scampered into the end zone for the Swifts' third score. He found the end zone again seconds later for a two-point conversion, improving the Swifts score to 20-0 at halftime.

The Swifts scored their final points early in the second half.

To open the third quarter, Garza received the kickoff at the Swift 45-yard line. Six plays and three minutes later he took the handoff and sprinted around the left side for a 15-yard touchdown. Nelson found the end zone for another two points and the Swifts' lead was expanded to 28-0.

Both teams were unsuccessful in locating the end zone in the final period and the Swifts held on for a 28-0 win.

## Hart buries Hale Center, 39-21

By TERRY PITTMAN

The Hart Longhorns battled back from a 14-7 deficit in the second quarter to defeat the Hale Center Owls 39-21 Friday night in Hart.

The Longhorns didn't waste any time in putting points on the board.

After holding Hale Center's offense and forcing a punt, Hart took over and ran three plays before taking the early lead.

Danny Reyna, who carried the ball 29 times for 245 yards, sprinted 33 yards into the end zone to score the first of his four touchdowns.

### Freshman Cats top Friona, 38-8

The Freshman Bobcats broke open an 8-8 tie and raced to a 38-8 victory over Friona here last Thursday.

The victory hiked the Freshman/JV Bobcats' record to 3-4-1.

Tait Crow hit Raymond Limas with a 40-yard pass for Dimmitt's first touchdown. Guy Lewis ran the two-point conversion to give the Freshman Bobcats an 8-0 lead.

Friona followed in the first quarter with a 10-yard touchdown pass and a two-point conversion to knot the score.

In the fourth period, Crow scored on an eight-yard run, and Velasquez added a two-point conversion to make it 30-8.

Dimmitt's final TD came on a 10-yard sweep by Johnny Levario. The two-point conversion was good.

Coaches Alan Steinle and Gus Ortiz commended their entire offense and entire defense for their winning effort.

Dimmitt's Freshman/JV squad will host the Tulia JV today (Thursday) in the season's final game. Kickoff time will be 6 p.m.

Hale Center answered with an 80-yard touchdown run by their team's rushing leader, Dwayne Johnson, who rushed 22 times for 156 yards and two touchdowns. He tossed a pass to Dwight Johnson later in the game.

After Johnson's run, Hale Center tried to kick the extra point, but it was blocked by Hart's Roger Avila. During the play, Avila suffered a gash on his arm which required stitches. Coaches say he will be out for this week's game against Morton.

Hale Center took the lead in the second stanza when it scored on a 20-yard Johnson carry. The Owls found the end zone for a two-point conversion and they took a 14-7 lead with 1:03 left in the half.

Hart didn't stay down long, however.

It took just three plays for the Horns to drive 66 yards and score, capping off the drive when Reyna broke free to travel 61 yards to paydirt. The kick failed, and Hart had to settle for six points. That wasn't enough to give the Horns the lead, but they would regain it 40 seconds later.

quarterback Jay Davis to give Hart a 19-14 lead.

Three minutes later, Hart's offense padded that lead when Davis raced 21 yards to give Hart a little breathing room and a 25-14 halftime lead.

Reyna scored his third TD of the game in the third quarter when he barreled in from a yard out. Bryan Welps' extra point try was good and Hart expanded its lead to 32-14.

In the fourth quarter, Hale Center attempted to narrow the margin when Dwight Johnson hauled in a pass from Dwayne Johnson and raced 69 yards into the end zone. Sanchez added the PAT and the lead was narrowed to 32-21, but that was all Hart would allow the Owls.

Reyna wasn't finished on offense. He wanted another touchdown and he got it late in the game. He added a seven-yarder to his statistics. Welch added the extra point to give the Horns their final margin of victory, 39-21.

Hart's junior varsity saw action in the second half, including Cesar Salas, who did a good job subbing for the injured Avila, according to coaches.

# Teams play for playoff berths

## Dimmitt at Tulia

How's this for close? Tulia will host Dimmitt and Floydada will host Littlefield Friday night in a pair of regular-season finales that will determine who goes into the playoffs. All four teams are tied for first place with identical 3-1 district records.

The District 2-AAA race is so tight that there won't be a 1-2-3-4 finish.

Instead, two teams probably will be co-champions and two others will share third place. Only a tie score in one of Friday night's showdowns could change that scenario and make it a 1-2-2-4 finish.

No team has been able to dominate everyone else in the district. Tulia lost to Littlefield (7-6), Littlefield lost to Dimmitt (27-13), Dimmitt lost to Floydada (13-6), and Friday night Floydada lost to Tulia (21-14).

"We were in the same situation when we played Tulia last year," Bobcat Coach Army Salinas said. (Tulia won the second playoff berth with a hard-fought 20-7 win over Dimmitt in the final week.)

"This year," Salinas added, "it's our turn to go."

The Hornets have played the toughest schedule of any District 2-AAA team, and now stand at 5-4 overall. They lost their first three games to powerhouse teams—by 23-12 to Panhandle, by 17-15 to Canyon and by 22-20 to District 1-AAA leader Childress.

But then the Hornets handed West Texas High its first loss, 16-14, and knocked off tough Sanford-Fritch, 27-24, before losing by a

point to Littlefield in their district opener.

Since then, Coach Dan Pair's Hornets have defeated Muleshoe 20-3, Friona 47-0 and Floydada 21-14 to set up Friday night's showdown with the Bobcats.

The Hornets are back at full strength with the return two weeks ago of junior tailback Michael Smith (6-0, 175), who pierced Floydada's doomsday defense for more than 120 yards Friday night.

"Smith is to Tulia what Kenneth Collins is to Floydada," Salinas said.

Another big threat in the Hornets' Wing-T attack is 145-lb. wingback Ricky White (24), described by Salinas as "a blazer."

"He's the one who returned an interception for a TD against us last year," Salinas said.

Both teams are stronger than they were when they met in last year's showdown.

For the Bobcats, the key strategy will be to control the ball and keep it out of Tulia's hands as much as possible, and to contain the Hornets' superior speed when they do have the ball.

The Hornets will have to cope with the Bobcats' versatility and contain a covey of good Dimmitt receivers who can break a game open.

"I think our kids realize the significance of this ball game," Salinas said. "We need to play with intensity, with our hearts. I think it's going to be a battle of wills."

## Nazareth at Bovina

Nazareth could be headed into

the playoffs for the first time since 1985.

All the Swifts have to do is beat Bovina Friday night and they will clinch the No. 2 spot in District 2-A and will earn the right to advance to the playoffs.

But beating Bovina won't be an easy task, especially when the Mustangs will have the home field advantage.

"This next game is the game we have worked and prepared for all year. It's a pressure situation, but we feel like we are ready to meet the challenge," said Nazareth Head Coach Rick Price.

"This game is like a playoff game. It's between us and Bovina. Whoever wins goes on and whoever loses stays home. If we tie, it'll be decided by penetrations, then first downs.

After a shaky 0-5 start, the Mustangs have rebounded to win their last three outings against Happy, 8-0; Vega, 14-13; and Kress, 14-6, to improve to 3-5 overall and more importantly, to 3-1 in District 2-A play. That ties the Mustangs with the Swifts for second place. The showdown to decide the playoff team will be held Friday night at Bovina. Game time is set for 7:30 p.m.

The Mustangs, who competed in six-man action last season, returned to the field in an 11-man lineup this year and it took a while for the team to adjust, but once they did, it has spelled trouble for District 2-A teams.

Bovina's only district loss came at the hands of the state-ranked Farwell Steers (Farwell won 26-0).

"Bovina's defense is really tough. They haven't been giving up many points. They held Farwell

scoreless for a half," Price said.

"They are really quick. They like to swarm and get to the ball. They try to line up in different places to confuse the blocking. If we don't get there and block, they are quick enough to make some big plays. We're not going to try to make a bunch of secondary blocks, we're going to stick with base blocks."

Price said he feels the key to the Swifts winning the game will be their offense.

"We've got to be able to move the ball and hold on to it. If our defense plays good, their offense can be controlled. Bovina forces a lot of turnovers and that's how they get a lot of their points. That's what beat Vega," Price said.

The Mustangs offensive leader is quarterback Corey Kirkpatrick (5-11, 173), who pilots the I-formation offensive formation.

Last year's six-man team finished second in district play and the Mustangs' starters last year will return this season. They are tailback-corneback Robert Guevara (5-9, 156), wide receiver-corneback Hugo Renteria (5-7, 136), offensive guard-defensive lineman Rey DeLa Rosa (5-11, 174), offensive guard, defensive tackle Pedro Castillo (5-7, 160), offensive and defensive tackle Cain Neal (6-2, 222), fullback-linebacker Genaro Ruvalcaba (5-8, 160), tailback-corneback Isabel Marrufo (5-7, 137) and tight end-linebacker Andy Stormes (5-9, 162).

## Hart at Morton

A victory over Morton Friday night should place the Hart Longhorns in a position to win a playoff spot and possibly the district championship, but if Abernathy and Olton also post victories against their opponents, the story takes a twist.

The Horns, 5-1, in District 3-AA play, will travel to Morton for a must-win game. Kickoff is slated for 7:30 p.m.

Hart, Abernathy and Olton each will bring 5-1 marks into their final district matchups of the regular season, and if each team wins their game, the season ends in a three-way tie for first place.

That means a coin flip will decide the first and second playoff seeds and the loser of the flip has to stay home.

So, in addition to the Hart-Morton matchup Friday night, Longhorn fans will be keeping their eyes on results from the Abernathy-Lockney and Olton-Shallowater contests.

But the Horns have to beat Morton before they can qualify as a playoff team, and although the Indians have posted just a single win this season (over Hale Center three weeks ago), Hart coaches say they are a team "that is better than their 1-8 record indicates."

The Indians like to mix it up on

offense and run a 4-3 set up on defense.

Tailback Brent Scoggins (6-2, 215), a second-team all-district honoree as a sophomore, rushed for 650 yards last season, despite a variety of injuries, and he's back leading the offense this season.

Returning starters in addition to Scoggins, who also returns as a defensive end, include linebacker Jesse Villareal (5-9, 200), center Derek Lamar (508, 150), wide receiver and defensive back Bradley Hoyl (5-8, 150), guard Paul Gonzalez (5-7, 160), tackle Shun Paul Harvey (6-0, 250), and defensive backs Chris Woods (5-9, 150) and Leo Lopez (5-6, 145).

**TOUCHDOWN!**—Dimmitt runningback Armando Arce wraps up the ball on a six-yard touchdown pass from Freddy Martinez in the fourth quarter of the Bobcats' game against the Chieftains at Friona Friday night. Pursuing him is Friona's Harvey Martinez. Arce also gained 128 yards on 23 carries as the Bobcats won, 36-0.

## On to state

# Naz, Dimmitt girls place at regional cross country

The Swiftettes and Bobbies will make return appearances at the state cross country meet Saturday at Southwestern State University in Georgetown after finishing first and second, respectively, at their regional races Saturday in Lubbock.

The Swiftettes, ranked second in the state, squeaked past Irion County to take first place with 60 points in the Region 1-A race. Gruver, the top-ranked team in the state, finished third with 81 points. The Bobbies finished second in the Region 1-AAA race, tallying 68 points to Canyon's 29.

The two teams will compete in the state cross country meet Saturday in Georgetown. The Swiftettes will run at 10 a.m. and the Bobbies will run at 11:40 a.m.

Jill Pohlmeier and Christy Birkelfeld paced the Swiftettes with sixth and seventh place finishes, respectively. Pohlmeier finished the two-mile race in 13:11.9 and Birkelfeld's time was 13:12.4. Other Swiftettes competing and their respective finishes were Janay Johnson, 11th, 13:23; Monica Kleman, 18th, 13:33; Stephanie Farris, 32nd, 13:59; Peggy Huseman, 36th, 14:07; and Noel Johnson, 40th, 14:11.

Nazareth Coach Leslie Storer said her team didn't have to contend with as much of the miserable weather that other teams which followed did, because it hadn't hit yet.

"When we ran, it was cold, but the wind wasn't blowing and it wasn't raining. After we finished our race it hit.

"The girls really were under a lot of pressure and they came through. I'm really proud of them. That's probably the best race they've run all year," Storer said.

For the Bobbies, Halley Bradley led the pack, finishing fifth with a time of 12:17.8. Renea Harman crossed the finish line in ninth place, clocking 12:31.7. Rounding

out the Bobbies team were Amanda Flores, 15th; Rosie Enriquez, 18th; Monica Garcia, 27th; Renee Garcia, 39th; and Beatrice Ramos, 74th.

"The ran very well, considering the conditions they were up against," said Dimmitt Coach Richard Wood. "When we started our race, the temperature was 30 degrees, it was drizzling and the wind was blowing. Anybody who can run as well as we did in those conditions ran a good race," he said.

The Longhorns finished eighth overall as a team while the Swifts finished 11th.

The Longhorns compiled 241 points enroute to their eighth place finish. Leading the Horns was Harvey Robledo, with a 26th placing. He was joined by Ty Waller, 59th; Jason Ethridge, 74th; and Charles Maldonado, 76th.

The Swifts finished 11th with 265 points. Andre Maukisch paced

the Swifts' attack, finishing 43rd in the three-mile race with a time of 19:38. Teammate B.J. Klein finished 49th, 19:53; Bill Hochstein was 61st in 20:40; Adrian Farris, 69th, 21:19; and Bobby Wilhelm, 84th, 24:17.

"The guys put out a good effort," said Storer. "They've really got a tough region to compete in."

## Drug program set Monday

Sgt. David Boswell, investigator for the Dept. of Public Safety Narcotic Unit, will present a program on drugs Monday at the Dimmitt High School Auditorium.

The public is invited to hear his presentation at 6 p.m. He will also present the same information to school students in an assembly at 2:30 p.m.

Boswell will give an overview on what drugs are available on the streets today, the effects of drugs on the body, what symptoms to look for, and what the drugs actually look like.

The program is a community service project of the Individual and Family Living class taught by Allison Davis at DHS.

Davis said the students have made the arrangements for the program.

## More about

County officials . . .

(Continued from Page 1)

US Rep. Larry Combest, who was unopposed, received 1,365 votes here and reclaimed his 19th District congressional seat.

County residents came out in favor of US Sen. Phil Gramm, joining the statewide trend in putting the incumbent back in office.

Voters shied away from voting on the amendment clarifying Senate authority over nominees and vacancies, with only 1,235 voters marking their ballot yes or no. The amendment passed in the county, 744-491.

County voters joined voters across the state in electing Bob Bullock, lieutenant governor; Dan Morales, attorney general; John Sharp, comptroller of public accounts; Kay Bailey Hutchison, state treasurer; Gary Mauro, land commissioner; Rick Perry, ag commissioner; and Bob Krueger, railroad commissioner.

## Hart band earns III

The Hart Longhorn Band competed in the district marching contest Oct. 30 in Lubbock and received an overall III rating.

The rating was based on judges' marks of II, III, and III.

Nelson Dotson, director of the band, said, "They did real well, they're just a young group."

## Workshop to feature horticulture as therapy

Techniques and the benefits of horticulture and therapy will be demonstrated Nov. 17 at a workshop at the Texas A&M University Agricultural Research and Extension Center north of the Lubbock International Airport.

The training will be conducted by Dr. Diane Relf, visiting consumer horticulture specialist with the Texas Agricultural Extension Service. A founder and past-president of the American Horticultural Therapy Association, she is an extension horticulturist on the faculty of Virginia Polytechnic Institute and State University in Blacksburg, Va.

The workshop, sponsored by the West Texas Arts and Botanical Association and the Texas Agricultural Extension Service, will begin at 9:30 a.m. and will end at 4 p.m. Registration is \$25 for the full day; \$10 for the morning session only and \$20 for the afternoon session only.

"As a result of repeated succes-

ses of practitioners, horticulture is being widely accepted as an effective therapeutic tool," Relf says. Gardening is one of the oldest healing arts, yet horticulture therapy is relatively new as a recognized profession, according to Relf, one of the nation's leading scholars in the field.

Life for many handicapped persons is greatly enriched by caring for their gardens and indoor plants, appreciating their beauty and productivity, she noted.

The morning session will feature basics of horticulture therapy. It will emphasize how it works, who uses it, the dynamic interaction of people with plants, and organizing sources. Student scholarships are available for this session.

The afternoon session will provide hands-on activities, demonstrate method and techniques, explain adaptation of projects to specific handicaps, produce a project and provide materials and a handbook. This session will be limited to the first 40 who register.

To register for the day or individual sessions, send a check, payable to the West Texas Arts and Botanical Association, in care of Dr. R.E. Roberts, TAMU Research and Extension Center, Route 3, Box 213AA, Lubbock 79401. For additional information, telephone Roberts at (806) 746-6101.

## Water district releases brochure

A new brochure released by the High Plains Underground Water Conservation District No. 1 highlights the dangers associated with open or improperly covered water wells.

The new brochure, "Avoid a Tragedy: Fill and Destroy Abandoned Wells. . . . Cap Unused Wells," points out the threat of open, abandoned wells to adult, child and animal safety; the potential for groundwater contamination resulting from pollutants entering these uncapped wells and state law and Water District rules for the temporary capping or permanent plugging of open wells. Guidelines for destroying an abandoned well site are also included in the informational brochure.

"It is the District's hope that the text and photographs in this new brochure will motivate landowners and operators to close any abandoned wells on their property," says Carmon McCain, information/education director. "They can refer to the brochure for concise information about the proper closure of these dangerous well sites," he adds.

The brochure will be provided free to anyone residing within the 15-county High Plains Underground Water Conservation District service area. Requests for the brochure should be directed to Carmon McCain, High Plains Underground Water Conservation District No. 1, 2930 Avenue Q in Lubbock, 79405 or call 762-0181.

## Name your favorite courthouse

Every Texan has a favorite county courthouse.

Now each one has the opportunity to enter a contest by completing, in 50 words or less, the statement, "My favorite Texas county courthouse is \_\_\_\_\_, because \_\_\_\_\_."

No purchase or entry fee is required, and winners will receive books about Texas written by June Rayfield Welch, a professor of history at the University of Dallas.

The grandprize winner will receive a set of ten books. The six runners-up will receive *The Texas Courthouse Revisited*, a 278-page volume of photos and histories of Texas' 254 courthouses and counties, written and photographed by Welch.

Entries must be postmarked on or before Texas Independence Day, March 2, 1991, and mailed to Yellow Rose Press, P.O. Box 160221, Irving, TX 75016, with winners to be announced on San Jacinto Day, April 21, 1991.

Entries will be judged on originality and clarity by a panel of distinguished Texas attorneys, educators and authors, according to Welch.

## State task force to hold waste management hearing in Canyon

The 1990 Joint Task Force on Solid Waste Management will hold a public hearing in Canyon on Friday.

Scheduled to begin at 9 a.m., the hearing will be held in the Virgil Henson Activities Center on the campus of West Texas State University.

The task force has conducted several hearings around the state and plans to submit a report with recommendations to the 72nd state legislature in January, 1991.

Persons wishing to testify before the task force are requested to limit remarks to five minutes, and are encouraged to provide a written copy of their statement. Written testimony may be submitted by persons who cannot attend the hearing and it will be made part of the Task Force's official record.

This will be the final meeting to receive public input regarding the management of Texas' industrial and municipal waste, according to State Sens. Teel Bivins and Chet

Brooks.

The Waste Management Task Force was appointed by Gov. William P. Clements, Lt. Gov. Bill Hobby and Speaker of the House Gib Lewis, and it is charged with the responsibility of providing oversight, support and direction in bridging the gap between Texas policies and Texas practices regarding source reduction and recycling of wastes generated in the state. In addition, the task force has been charged to make policy recommendations that address short term waste issues such as compliance with federal Environmental Protection Agency (EPA) regulations and funding needs for the state's superfund program.

The task force members want to hear comments and recommendations from citizens, industry and elected officials about the area's waste management concerns, especially methods to reduce and minimize solid waste.

Although the primary focus of

the task force is source reduction of solid waste, another issue which is currently under study deals with the importation of solid waste across state lines. Should the state attempt to restrict the importation of solid waste into Texas as the state of Oklahoma has recently done, or should this practice continue to be unregulated?

Saturday morning, there was .20-inch of rain in the gauge after the first shower. At least .10 had to be from a previous rain. After the afternoon rain, sleet and snow, .40 was recorded. The ground was covered with sleet before it started snowing, but the warmth of the ground melted the sleet as the snow fell. Little snow was left on the ground by Sunday afternoon, even though the temperature was not above freezing until about 4 p.m.

A group from the church went down to the Floydada encampment grounds Friday afternoon for some fun and relaxation, and stayed through Saturday afternoon. Those going were Rev. David and Debra Fletcher, Haley and Harmony, Willie Mae and Embree Roy Sadler, Ezell and Verba Sadler, Ruth Spencer of Lubbock, Lillian Carson, and Gerald and Pat Elkins and his mother and a cousin from Olton. Hadley Fletcher stayed at home, except for spending Friday night with James and Joan Norrell.

Larry Sadler underwent a second surgery on his arm Tuesday morning in St. Mary's Hospital in Lubbock. Although he had had some difficulty with fluid in his right lung, he was doing better Friday.

Teeny Bowden and Clara Vick took Kalindi Dighe and Giorgio

Serafini, film co-producers from Brussels, Belgium, out to lunch at K-Bob's Monday. They are doing interviews and writing script so that when their two-man camera crew gets here Nov. 6 they will be ready to begin filming. The documentary is about the Hereford Prisoner of War Camp and the restoration of the POW Chapel.

Teeny Bowden took Giorgio and Kalindi to Plainview Friday to interview Eddie and Patti Guffee, and they all went out to eat together at Furr's. Teeny went on to Lubbock to see Larry. Giorgio and Kalindi saw the museum in Plainview and finished the interview, then they went on to Odessa and Clovis for the weekend.

Embree Roy and Willie Mae Sadler got home from Fort Worth and Houston Friday evening, having spent a week with her brothers, Tommie and Sarah Fowlkes of Fort Worth, and C.J. and Irene Fowlkes of Houston. Both brothers were feeling better. Tommie is having to have more tests, but C.J. is walking with a cane.

Tuesday, Emma Jean King went home with Margaret and Britni Williams to El Paso and spent the rest of the week with them and Otus, and came home Sunday

night. Billie went down on Thursday. Margaret and Britni had come down last Saturday.

Melinda Wilson was home from Lubbock for the weekend, visiting with her parents, Glenn and LaWanda Wilson.

David Sadler of Hobbs has been staying in Lubbock all week with Larry and his family. He stays with him nights, and Sharon and the girls and others stay with him during the day. James and Patricia came Monday and spent Monday night, staying until after his surgery on Tuesday. Gay came Thursday and Karla and a friend from Hobbs, N.M., picked her up Friday night. Patricia came back Friday evening also for the weekend. Larry got to sit in a chair for a while Sunday afternoon.

Madge Robb and Teeny worked on the book Monday and Tuesday afternoons. Clara Vick came out Tuesday night and Wednesday night and worked Saturday trying to get the computer work and POW Chapel restoration section finished. We will now add an article about the documentary from Kalindi and Giorgio to that section.

Bill Lane, a young attorney from Lubbock, visited Thursday afternoon with Teeny Bowden to discuss their Petty connection. They have been working on the problem since he was a law student in Austin. He has some new leads, which should tie the two family lines together with a little more work. Ezell and Verba Sadler visited with Ronnie Blanton in the University Nursing Home Tuesday between visits with Larry. The nursing home is not far from St. Mary's Hospital. Ronnie was glad to see them. He can move his fingers and toes, but that is about all.

Patricia Powell of Canadian spent Sunday night with Ezell and Verba Sadler, and went home Monday morning.

Phyllis Bridges visited with Beck Bridges following the fire at Canterbury Villa Nursing Home, which caused all of the residents to be moved to the hospital or to private homes. Beck was okay, but shook up, as they all were.

Mrs. Tom Quinn, the former Christy Fields, will be honored with a bridal shower in the First Baptist Church of Springlake Saturday, Nov. 10, from 2 to 4 p.m.

LOIS WALES AND PAT BAGLEY, both of Dimmitt show off the "Moonshine Special," an ethanol-powered stock car which is co-sponsored by the American Corn Growers Association. The NAS-CAR stock car was on display at the Texas Corn Growers Association's fair booth at the State Fair in Dallas recently. The car is owned by Steve

Vardell of Illinois and is expected to be a top contender in an upcoming nationally-televised race from Atlanta on Nov. 17. The car features "American Corn Growers Association" painted on its hood to help publicize ACGA's support of ethanol production and use.

## Nazareth

By Virgle Gerber, 945-2669

David and Dorothy Huseman of Amarillo and children, Adrienne and Wesley, and Ronnie Wilhelm of Nazareth recently flew to Pittsburgh, Penn. While there they toured the coal mines, visited relatives in New Jersey, Morrisville, Penn., Bedford, Ohio, and drove to Coopers Rock in Morgantown, West Virginia and also toured the Good Counsel Friary which depicted 30 passages from the Bible. They reported the foliage being really beautiful everywhere.

Lavern and Ronnie Wilhelm go to Amarillo each Sunday to visit Lavern's mother, Ozetta Wilhelm, 84, who is a resident of the Westgate Care Center.

Elmer Kleman is a surgery patient in St. Anthony's Hospital in

Amarillo. He is out of intensive care and is in a private room. His room number is 379.

Viola Kleman is home to recuperate after having surgery at St. Anthony's Hospital last week.

Gene Gerber of Odessa spent Monday night at the home of Virgie Gerber after being in Amarillo on business.

Basketball fans enjoyed the Wayland Baptist Flying Queens "Blue and Gold" intersquad scrimmage Monday night in the Nazareth gymnasium. Several season tickets were given as door prizes.

## Girl Scouts to sell magazines

All Dimmitt Girl Scout Troops for girls in grades 1 to 4 are selling magazine subscriptions in a fund-raising effort for local scouting activities.

"Current subscriptions for magazines included in our listing can also be renewed, with credit going to the local Girl Scout program," said Suzzie Hubble, a local scouting sponsor.

She noted that businesses which subscribe to magazines for business purposes could also benefit the Girl Scouts by making necessary renewals through the scouts.

The subscription sales will continue through Nov. 12. For more information or to subscribe, contact any Girl Scout or phone Hubble at 647-4166.

Hubble reported that 10% of the subscription price will go to the local Girl Scout troop and 5% will go to the local service unit.

"So, 15% of the proceeds will remain in the local community, with another small portion going to the area council," she noted. "The girls will also be able to earn incentive prizes."

The program is administered through *Readers' Digest*.

Hubble said the troops have not forsaken the annual cookie sales, but adopted this project as a way of raising additional funds, since Dimmitt no longer has a United Way funding effort.

When it comes to doing things better for less, nothing works like gas. Naturally.

Nothing heats your home, heats your water, cooks your food, or dries your clothes as efficiently. Or as cost-effectively. Or as cleanly.

What's more, no other form of energy helps to protect our environment — or our economy — quite like natural gas. Leading scientists state that the use of natural gas can guard against many of the environmental problems facing us today. And, virtually all of the natural gas we consume in the United States is produced right here in North America.

As for reliability, when's the last time your natural gas went off?

Use natural gas for your household energy. For cleanliness, cost-efficiency and reliability, it's a natural.
