

# Witkowski, Felder, and Kittrell Show Grand Champion Animals

Castro County's Seventh Annual Junior Fat Stock and Project Show clicked smoothly through to a successful completion Saturday with twenty-three girls and a hundred boys competing for project prizes.

Grand Champion honors in the beef calf division went to Gerald

Witkowski, son of Mr. and Mrs. Leo Witkowski of Nazareth. He won with a middle-weight Hereford calf. Reserve Champion was won by a middle-weight Hereford raised by Ralph Brockman, also of Nazareth. First place in the light-weight division went to Bill Ste-

vens' Hereford calf. Jerry Felder of Hart doubled up and won both the grand champion and reserve championship in the swine division. His grand champion was a Hampshire weighing 182 pounds and his reserve champion was a 188-pound Poland China.

In the lamb division, Johnny Kittrell of Hart won grand champion with his 116 pound Southdown and Don Sharp of Hart won the reserve championship with his 118-pound lamb. Eugene Oldham won fine wool breed championship and reserve breed championship in the same division. Don Sharp won breed championship in the other breeds and crosses division and Reserve breed champion in the Southdown class. Bobby Schaefer

had Other Breeds and Crosses reserve championship. Judge in animal show as Richard Liggin a representative of Swift and Company of Oklahoma City.

In the girls division, Miss Rita Witkowski won four blue ribbons for a score of 20 to take highest honors in the food and clothing division. There were sixty-five entries. She was followed closely by Jana Cole with 19 points, and Sharon Hochstein with 16.

Cash awards were made in this division by the Castro County Farm Bureau. There were four sub-divisions according to age. Winners in the 9 and 10 year old division were: 1st, Sharon Hochstein, \$5; 2nd, (tie) Linda Husman and Eilana Vinson, \$3; and 4th, Tommie Hutchison, \$1.50. In the 11 and 12 year old division Jana Cole won \$5 first place; Carol Robbins, \$3.50 for second; and Paraly Render and Sandra Husman each won \$2 for their tie for fourth. In the 13 and 14 year old group Madelyn Smith and Linda Davis tied for a \$4.50 prize. In the 15 year old and older group first prize of \$5 went to Rita Witkowski while Lou Ann Witkowski and Virginia Husman won \$3 for their tie for second and Sandra Lively won \$1.50 for fourth place.

Jerry Felder of Hart won the Dimmitt Wheat Growers traveling showmanship trophy.

Trading in the sale following the show was brisk and some observers said this was one of the best sales yet from a standpoint of high across-the-board bidding. A floor price of almost 28 cents was set by packers for calves. The grand champion calf of Gerald Witkowski brought 45 cents a pound and Ralph Brockman's reserve champion calf sold for 38 cents. High price in the beef cattle division came from Farmer's Grain at Hart who bid 71 cents for Doug and Mark Martin's calf.

Gerald Witkowski and Grand Champion Calf

## JC's Postpone Air Day Until Next Sunday

The Dimmitt Junior Chamber of Commerce, stymied last week by foul weather, has postponed its first "Farmer's Air Day" until this coming Sunday (Feb. 12).

Everything planned last week has been scheduled and indications are that people will come from all over this area to be on hand for the occasion. Phone calls from all over the area came Sunday inquiring about whether the show would be held.

As announced last week a special feature of the afternoon will be airplane rides for farmers over their own farms at a good observation altitude. No flat rate will be made for the rides, although it will be possible to donate to the airport operating fund upon returning. Any money made above expenses will be used to retire indebtedness against the airport hangars and other facilities.

Another big attraction for the afternoon will be parachute jumping and aerobatics displays. The parachute jumping is currently set for 2:30 Sunday afternoon but this depends on wind conditions. As stated last week, a wind velocity of 15 miles per hour or more is too much for safe parachute jumping. Two men from Dimmitt and other parachute enthusiasts from Hereford and Lubbock are scheduled to take part. A parachute jumping expert from Kileen has reaffirmed this week that he would be in Dimmitt for an exhibition "sky dive" if the weather is favorable.

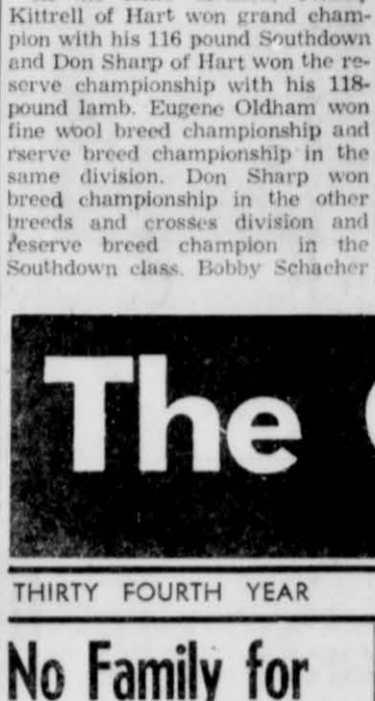

If the weather this week prohibits the show and air day it may be postponed indefinitely. If this happens there will be an announcement to this effect in next week's issue of the News.

Beginning at about 1 p.m. Sunday the general public may purchase rides at the airport for \$2.50 per person which will include a trip or two over town, depending on what passengers want to do. This will be a different arrangement from the "Farmer's Air Day" rides.

There will also be coffee, soft drinks and other refreshments on hand, served by the Dimmitt Jay-Cee-Ettes.

Johnny Kittrell and Grand Champion Lamb

## No Family for Boy Foreign Student Yet

The local chapter of American Field Service this week made a new appeal for some family to step forward and volunteer to take a male foreign student for the coming school year.

"So far we have had one application," said representative Dr. James E. Wohlgenuth this week. "This application was for a girl and the local chapter earnestly wants both a boy and girl in Dimmitt this year."

Wohlgenuth stressed that farm homes and city homes receive equal consideration. "One foreign student boy near Hereford even helps with the farm chores," he added.

There are few specific rules guiding the selection of a family to take a foreign student. The minimum age of the parents is 39 years and they should have or have had teenage children at home. Childless families are not eligible.

Wohlgenuth also said that there are general unlisted restrictions in selecting a family in that they must be economically stable, capable of human understanding, unselfish and with a desire to give to the student facts concerning the vital aspects of life in the United States. "It's a pretty good order," he said, "but we have many families here who can fill this bill if some of them will just step forward."

To guarantee a student or students for this area there should be three or four families volunteer. The family is responsible for feeding and clothing the student while here and seeing to their general upbringing. Other things like spending money, travel money and other miscellaneous expenses are paid out of a special fund set up within the community.

In Denver Hospital

Mr. Marvin S. Witt who has been in the Veteran's Hospital in Amarillo has been transferred to the Veteran's Hospital in Denver. He would like to hear from friends. His address is Marvin S. Witt, Veteran Administration, Ward 4, North Hospital, Denver 20, Colorado.

## Bobbies Hope To Anchor Title Friday Night

The Dimmitt Bobbies seem assured of a district championship—the first for coach Bill Culpeper—and the Bobcats are considered a better than even bet in their upcoming bash with Tulla for the boy's title.

Dimmitt and Tulla boys' coaches will get together Saturday morning at 10 a.m. in the Grade School Cafeteria in Dimmitt to decide how to work out the championship tie that developed when both teams turned up with 8-1 records for the season. The game or games will be played next week so the winner can go on to the 14-district playoff the early part of the following week and on into the regional tournament that weekend. The district tie playoff will consist of either one "sudden-death" game or a best two out of three situation.

The Bobbies have one more district game to play. It is against Dalhart here Friday night. The Bobbies have a good chance of defeating Dalhart, but the championship won't be decided until after the game. The Dimmitt girls paved the way to their present league-leading position by defeating Canyon in their last game 67-50. Doris McDermit, was high point scorer with 30 points.

If the Bobbies win Friday night they will face Muleshoe in two weeks. They have won one and lost one in their past games with Muleshoe. The regional tournament will be held March 8th.

## Premeasure of Cotton Offered Here Again

Premeasured cotton acreage is again offered this year to producers by the ASC office, but in most cases at an increased rate over last year, according to an announcement by Charley Hill, ASC secretary.

Determination of the premeasurement cost will be based on the reporters salary for estimated time involved while on assignment to the farm, stakes, mileage, and the cost of office work involved in computing acreages and the preparation of notices.

"It will, of course, require a lot more time for irregular or contour plots than for regular or straight rows therefore increasing the cost to the farmer," Hill noted.

The premeasurement of cotton is a service that is being offered by the ASC office and is not compulsory. All cotton in the county will be measured at a later date with no cost to the producer for the first measurement.

Hill also said that it is the producer's responsibility, when he requests the service, to assist the reporter in making the necessary measurements.

Applications for the premeasurement of cotton will be accepted between February 6 and March 31.

Also concerning cotton was an announcement that applications will be taken in the county until April 14 for released cotton acreage allotments.

**NEW ARRIVAL**

Mr. and Mrs. L. R. (Pete) Wright are the parents of a baby daughter born Thursday morning February 9 in Seminole Memorial Hospital. Her name is Pamela Lynn and she weighed 8 pounds and seven ounces at birth.

**Funeral Rites Held for Father of Mrs. Schaeffer**

Funeral services for Bruce Gressett, 52, were held Monday in LaGrone Funeral Chapel in Canyon with the Rev. Strauss Atkinson, pastor of the First Baptist Church officiating. Mr. Gressett is the father of Mrs. Stanley Schaeffer of Dimmitt.

Burial was in Dreamland Cemetery in Canyon.

Mr. Gressett was pronounced dead on arrival at Neblett Hospital at midnight Saturday after suffering a heart attack in his home.

He is survived by his wife, Mrs. Lillian Gressett; and four daughters: Mrs. Bobbie Horn of Mobeetie; Mrs. Jean Mason of Fayetteville, Arkansas; and Miss June Gressett of Lubbock; two sons Johnny and Jamie of Canyon; two brothers, and three sisters and his mother, Mrs. Sally Gressett.

## Nelson Resigns County C of C Manager's Post

Castro County Chamber of Commerce announced this week the resignation of manager, B.M. Nelson, effective February 1. No replacement has as yet been named.

Nelson was manager for almost five years, assuming the position during the summer of 1956. During most of this period he has been on a half-time basis, spending the early part of the week as advertising salesman and publisher of the Castro County News and the latter three work-days as Chamber of Commerce manager.

Nelson said this week that "The press of private business makes it necessary that I give up the position. The Castro County News has been operating relatively short-handed for the past several years and this seems to be the proper time to step down and turn the job to a full-time Chamber of Commerce manager. It is impossible for me to devote full time to the job."

Nelson also stated that "There were several special projects of a Chamber of Commerce nature that I have always wanted for Dimmitt and Castro County. I was able to see these to completion largely because of the hard work and cooperation of the men who were executives and board members of the Chamber in the past. It has been a distinct pleasure working with and for these public-minded people."

The Chamber of Commerce office is being maintained now by Mrs. Jennie Burch.

## Nazareth Legion To Sponsor Sale

The Nazareth American Legion will sponsor its third annual Community Auction Sale Monday, February 13. Hundreds of items have already been consigned to this sale to make it the biggest ever, according to one spokesman. Anyone who wishes to consign items to this sale may do so the day of the sale. A five percent commission will be charged on all items sold and a \$2.00 minimum on pass-outs up to \$100. One percent will be charged after that. Raymond Aiken and Gene Harris will be the auctioneers.

## Highway Patrol Needs Recruits

"The Texas Department of Public Safety still has an ever present need for young men who are interested in the field of Law Enforcement as a career," Major Hutchinson said today.

Major Harry Hutchinson, Commander of the Department's 60 county Region 5, announced the deadline of February 10, 1961 for applicants who desire to take the next entrance examination. The next examination to select recruit patrolmen to fill the vacancies now existing in the Department's Field Services will be given in different cities of the State on February 14, 15 and 16.

"Young men between the ages of 21 and 35, and who have the other basic qualifications have an opportunity to receive the best police training in the nation," Major Hutchinson said. "Our training Academy in Austin offers approximately 14 weeks of training in all of the modern, up-to-date methods and procedures of police work. The salary starts when the recruit starts training, and upon graduation from the school all of the proper working tools are furnished each man."

Young men who are interested in becoming a patrolman with the DPS should contact the nearest Field Office of the Department's Public Safety or the Department's State Headquarters at Box 4087, North Austin Station, in Austin.

## 45,000 Bales Produced in Castro County

According to a survey of cotton gins this week about 45,000 bales of cotton were produced during the 1960-61 crop season.

All harvesting activity was completed about a month ago leaving county farmers with their record in several years. The county average thus was about five fifths of a bale per acre.

County farmers came out rationally light weather-wise this year with fewer halostorms than in past few years. However, excessive rainfall during the early ton period lowered production somewhat, although the extent damage would be difficult to estimate since it was spotted.

The 45,000-bale figure is an approximation. Only a few of gins contacted could give figures and most rounded off to production to the nearest ten fifty bales. Several gins were closed and could not be contacted so their production figures were created the same percentage of the dozen gins reporting. There are fourteen gins in the county.

**WINS BOWLING MATCH**

Mr. and Mrs. George Hoard were guests of Channel 10 TV in Arlillo last weekend. George won match played Sunday afternoon. He will play again and be telecast this Sunday February 12 from 12:30 to 1:30 p.m.

**VISITS IN ALAVARADO**

Mrs. Glover Frazier is visiting friends and relatives in Alavardo this week.

## School Board Elections Due

Candidates have until March 1 to file for vacancies in county school boards. Filing is done with school district secretaries.

To be elected this year are three school board members at Hart and Dimmitt and two at Nazareth. Also to be elected are county trustees for precincts 3, 4 and one at large. Present trustees are E.H. Youts from precinct 3; Ed Droup of precinct 4; L. Ter Dowell, trustee at large; F. C. Hart, precinct 1, and Geo. Sides, precinct 2.

The Dimmitt School board composed of H.C. Nelson, Jan Bradford, R.E. Hendrix, J. Davis, Jim Elder, M.E. Cleaver and Ward Golden. Members whose terms expire this year are Nelson, Bradford and Hendrix. Candidates who have been notified for the expired terms are Hendrix, Bradford and G.L. V. Ila.

On the Hart board are Loree Lee, Milton Sharp, Ed Bennie Glenn Reed, M.L. Aven, Rosh Smith, and R.G. Henderson. L. Piring terms are those of L. Sharp and Bennett.

Leroy Pohlmeier and Val Acl have expiring terms on the Nazareth School board. Other members are Greg Hoelting, G.H. Be Jr., Francis Wilhelm, Robert Steffens, and Paul D. Warren.

**3 Sunnyside Boys Win In Ft. Worth Stock Show**

Charles Axtell, Don Curtis and Bill Shirey of Sunnyside, members of the Springlake FFA, were winners in the Fat Stock Show Fort Worth last week.

Charles Axtell, son of Mr. and Mrs. R. A. Axtell, won Champion in the Berkshire Division. Don Curtis, son of Mr. and Mrs. C. Curtis won first place heavy weight Berkshire. Bill Shirey, son of Mr. and Mrs. J. E. Shirey placed fifth place with his Berkshire Barrow.

## New Church Under Construction

**GOING UP**—This is the new Northside Baptist Church under construction on West Halsell in North Dimmitt. Virtually all of the work is by volunteer labor from the membership of the church. The concrete block structure measures 36 x 72 feet and will seat 250 persons when completed. Pastor is Rev. Jimmy Gresham, who works on the building, preaches and attends Wayland College in Blaineville. The old church building is behind the new building. —staff photo

about dimmitt and castro county by bascom nelson

Every new decade brings something to jolt the American people. Either a war, a depression, a boom or simply a period of rapid change have marked every ten year period in our history.

This next ten year period is going to have a block-busting effect on our economy both from the standpoint of technology and foreign competition. We'll feel it right here in Castro County.

In the first place automation is beginning to make deep inroads into the employed labor force. Here at the News office we are currently considering going to automatic typesetting. This machine — if we make this move — will not replace present employee, but it will remove the current need of another man. Actually it will cause another job not to be created which means another one person will be removed from the national unemployment picture. It is the same with lathes which are being run by perforated tapes, automatic manufacturing machines, stampers, welders extrusion machines and so on ad infinitum.

In short, business has reached plateau where increasing new business is unavailable and to increase profits in a time of sales sought new avenues must be sought. Most of these new avenues arise from cost-cutting which gives better profit picture and has any other enviable aspects.

While we can't see how, it is quite possible that farming will meday be pretty well automated. A farmer of Civil War period could see the average Castro County farm operation now he would think it was a thing of automation. In the next hundred years may bring it as many striking changes.

There are a few machines in Dimmitt which have removed any jobs in the past. Tractors, cotton gins, automatic washers and dryers, concrete mixers, coin operated dispensers and literally hundreds of other machines have, one time or other, displaced employees. These people who have been displaced make up much of the unemployment. These unemployed are the customers for our eat, cotton and grain sorghum beef. Their lack of work has very definite effect on our farm economy.

Among the coin operated machines now being field tested are automatic dry cleaners that can be set at about half price. One manufacturing executive says that cities with populations over 100,000 will have some type of coin-operated dry-cleaning installation by the next six months. Just imagine how many people this one piece can put out of work. There are 36,000 conventional dry-cleaners in the United States.

Other coin operated machines are dug deeply into small businesses. Soft drink dispensers, shoe polishers, automatic washers, ice dispensers, coin-operated cafeterias — a host of other machines unattended actually do the work formerly done by a human being.

The automation in with the current trend of business to import to actually make their own goods using foreign help and you an indication of things to come in the field of labor.

This is a serious proposition. For is the customer of business farms. It is the very essence of free enterprise because there is a market for the system to work. The more business automates the more it cuts the margin and the lowered market forces automation and so on.

We think part of the solution will be a shorter work week for labor. Men can work three days a week and exist where one worked days and lived well before. Labor leaders have tried to force this trend to keep jobs available for members. This lowered work week can mean countless problems which may be so most men today would be able to adjust to a three-day work week successfully. Man, like of his forebears must spend most of his waking hours providing himself and his family to be well-adjusted individual, especially during his prime years. When the nation can use its new time for gain remains to be seen. But it must surely come this.

A lady representing the American Hearst Association dropped by office last week and left us particulars about a chapter of the organization she was starting here. We predict that soon there will be a concentrated drive to set up within the county. This drive, when it comes, will be at least a score the number of such campaigns conducted the county every year. We think that a community chest would work satisfactorily here and that each organization realizes its best hope for success lies in individual campaigns.

The March of Dimes dramatically stopped the serious threat of infantile paralysis. It is our guess that it's only a matter of time

# Bobcat Tales

OFFICIAL PUBLICATION OF DIMMITT HIGH SCHOOL STUDENTS

### A Valentine Venture

It's the quiet type and the despairing type, too. To explain myself, I'll say that I was really in despair when Mr. Rogers asked me to run a snowball again this week. You see, I had already agreed to help Mrs. Rawlings as a special postman delivering Valentines.

### Which Shall It Be? Freedom or Slavery?

Twenty-two classroom teachers met in the cafeteria last Tuesday night and heard a vigorous speech on American Heritage program given by Dr. McMillan of Waco, Texas.

### THE YOUNG FARMERS SEE "UNCHAINED FRONTIERS"

The first meeting of the young farmers was held last Tuesday night for the purpose of organizing and electing officers. This group is set up for all young men of the school up to the age of 35 years and for the fall show on Friday evening.

### TRUE LOVE?

Was it true love of animals or money that furnished the dog-boys with pride at the results of the Fat Stock Show judging last week? Richard Lugin of Oklahoma City was on hand as judge for the hog and lamb showing Friday and for the calf show on the following day.

### Mysteries of the Mind

Part Two  
This week some of the effects and uses of hypnosis will be discussed. It seems that the general consensus of opinion is that hypnosis is, in itself, a curable for various ills and a multitude of sins. Popular articles which have sensationalized the uses of hypnosis and the effects achieved through the application of hypnosis tend to convey the impression that in order to achieve such results, a specialist must do it. Nothing could be further from the truth.

### Cupid's Baptism

Very interesting...  
Cupid's baptism was held at the Baptist Church on Tuesday night. The officiating minister was Rev. J. H. Gresham.

### NEWS FROM NAZARETH

Friday afternoon Miss Bettye Friemel, bride-elect of Jerome Birkenfeld, was honored with a bridal shower and get acquainted

party given in the home of Mrs. Tom Wethington. About 20 guests enjoyed refreshments of fruit, cake and coffee.

## SAVE WITH A&C PUMPS

### Direct From Factory To You

You can save money and receive better service when you deal directly with your pump manufacturer. Call or visit A&C's modern plant. Install the rugged, dependable irrigation pump — A&C with water lubrication, oil lubrication or oil lubrication with redwood tubing.

2008 Ave. C • PO 2-5205 LUBBOCK, TEXAS

Hostesses were Mrs. Bob Kleiman, Mrs. Walter Warren and Mrs. Tom Wethington.

Mr. and Mrs. Herbert Mayfield of Dimmitt, were guest of the Square Dance Party Sunday night. Mr. Mayfield called the dances. Hosts for the party were Mr. and Mrs. Emil Huseman, Mr. and Mrs. Sonny Hochstein and Mr. and Mrs. George Book Jr.

Enjoying a Mexican dinner in the home of Dr. and Mrs. R.E. Cogswell Thursday evening were Mr. and Mrs. Ray Schulte and Carol, Mr. and Mrs. Leonard Wilhelm, Joy and Dean and Mr. and Mrs. Ed Drerup, Grace, Nancy and Carol.

Elmer Schulte and Marvin Jones enjoyed a birthday party Tuesday evening in the home of Elmer Schulte.

Thomas Birkenfeld has been home on leave part of his time he spent visiting his sister in Knoxville, Iowa and another sister in Ope, Kansas. On Tuesday night Mr. and Mrs. John Birkenfeld, Mr. and Mrs. Louis Brockman and Mr. and Mrs. Philip Pohlmeier had a farewell party for Thomas. On Feb. 3, Thomas had to report to Oakland, California to be shipped overseas.

Mr. Dorothy Christi of Albuquerque, New Mexico is visiting with Mr. and Mrs. Lew Hindman.

Mr. Joe Albracht has been in the Osteopathic Hospital in Amarillo, and reported doing real good

since surgery Mr. Lew Hindman has been in Northwest Texas Hospital this week for nerve treatment.

### Minister Bedford Smith Reports Christian Church Activities

There were 17 in attendance from the First Christian Church in Dimmitt at the Glad Youth Rally at the First Christian Church in Clovis, N.M. in Saturday, Feb. 4. All the young people attending and their sponsors report a wonderful time. Minister Bedford W. Smith brought a 30 minute inspirational message just before noon. On Friday evening of this week, Minister and Mrs. Smith, accompanied by several young people will attend the Sweetheart Banquet of the Central Church of Christ (Christian) in Clovis.

In all but the first Sunday in January, attendance at Bible School each Sunday has exceeded the membership of the church. Morning worship has averaged above the figure also. During January six people from three different families have responded to the invitation for membership in Dimmitt's newest church. The Charter Membership Roll will be open for the first calendar year, or through February since the church received members formally for the first time last February 28 when it met for the first time in its own building on Western Circle at the end of West Grant St. Prospects for continued growth in the new church are very good.

Minister Bedford W. Smith began a series of sermons on the Holy Spirit last Sunday. They will continue for two weeks. Topics for February 12 are as follows: 10:50 a.m. service, "Spirit Filled Men" and the 7:00 p.m. service "The Sin Against the Holy Spirit" or the "Unpardonable Sin". Youth meeting is at 6:00 p.m. Sundays and Family Hour Bible Study and Prayer Meeting is on Wednesday, 7:30-8:30 p.m. All visitors are welcome at all services stated the Minister.

### RETURN FROM VISIT

Mr. and Mrs. Earl Morgan have returned from a visit with her parents, Mr. and Mrs. J.A. Duncan in Wolfe City. They returned by way of Dallas.

### Karrol Waggoner Engagement Told

Mr. and Mrs. Fred Waggoner of Dimmitt announce the engagement and approaching marriage of their daughter Karrol Joyce to David William Rettman, son of Mr. C.A. Rettman of Hereford, Texas.

Marriage vows will be exchanged in the Lee Street Baptist Church on March 25 at 7 p.m. Friends of the engaged couple are invited to attend the ceremony.

### Duplicate Bridge Club Plays for Master Points

Dimmitt's Duplicate Bridge Club met for its first "master" point night February 6.

Mrs. Pearl Sheffy and Mrs. C. L. Morris were high scorers, receiving a full master point. Mrs. Buster Tidwell and Mrs. Dorit Smiley were second highest and received a one-half "master" point. Mrs. Tom Rice and Mrs. Ray Riley received a third "master" point. Mr. and Mrs. Swain Burkett were fourth place winners and received a fourth "master" point.

Other players were Buster Tidwell, Dorit Smiley, Mr. and Mrs. Sam Gilbreath, Mr. and Mrs. Raymond Wilson, and Mrs. Robert Singer.

Two couples visiting from Hereford were Mr. and Mrs. Terry Kirby and Mr. and Mrs. Tommy Carnahan.

## Through a hard-hitting, Conscientious Advertising Program

Competition is a demanding taskmaster—but it can also be the greatest rewarding factor in merchandising or servicing. It is a taskmaster when competition defeats, when it sets the rut that engulfs the businessman. Competition is rewarding when the merchant forces it to become his tool, when he knows he has a thriving, growing business that will never want for customers. Business goes where it is invited—and competitive prices, outstanding courteous service with a good selection, and promotional advertising will do the most inviting.

Do yourself, your customer, and your community a favor by using the pages of the Castro County News to sell your goods and services. It is not only good business but it will help you gear your operation to today's quickly changing trends and increasing competition.

Success stories of large businesses almost always hinge around concentrated advertising and other sound business practices. Start a campaign now—you'll be amazed at how quickly you will feel the difference. Just telephone 88 and a salesman will call on you at your convenience.
