39TH YEAR

RANGER, TEXAS, WEDNESDAY, SEPTEMBER 30, 1953

PRICE FIVE CENTS No. 90

They that wait upon the Lord shall renew their strength; they shall mount up with the wings of eagles; they shall run, and not be weary; and they shall walk, and not faint.—Isaiah 40:31.

Today this corner departs from a long and well-beaten path. If you're like this humble reporter, there probably are times in your life when your spirits ebb and dip down into the valleys and you find yourself weary, blue, discouraged.

Every human being has his ups and his downs. And that's why several years ago we came across something that has buoyed us up many, many times.

A great number of men and women always turn to the Scriptures when they are confused or in distress. But the American Bible Society was curious to know exactly which chapters appeal most to human beings these days.

So it asked 10,000 American ministers and chaplains to select the chapter from the Old or the New Testament that made the greatest appeal to members of their congregation.

Thirty-three chapters finally were chosen, in this order:

John 14, Psalm 23, Matthew 5, Romans 8, I Corinthians 13, Psalm 91, Matthew 6, John 3, Psalm 46, Romans 12, Hebrews 11, Matthew 7, Isaiah 53, Psalm 1, John 15, Isaiah 40, Psalm 27, Psalm 103, Psalm 121, Philippians 4, Isaiah 55, Revelation 21, Luke 24, Hebrews 9, John 17, Luke 24, I Corinthians 15, John 10, Psalm 51, Psalm 37, John 11, Revelation 21, Psalm 90.

Some of them when your spirits aren't up to par, when you're discouraged, tired or blue, pick up your Good Book and thumb its comforting pages.

You'll find solace and comfort. For instance, read these inspiring, spirit-lifting words: a set down in the most popular and inspirational of all books of the Bible—St. John, chapter 14:

1. Let not your heart be troubled; ye believe in God, believe also in me.

2. In my father's house are many mansions: if it were not so, I would have told you, I go to prepare a place for you.

3. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.

4. And whither ye go ye know, and a way ye know.

5. Thomas saith unto him, Lord, we know not whither thou goest; and how can we know the way?

6. Jesus said unto him, I am the way and the truth, and the life; no man cometh unto the Father, but by me.

7. If ye had known me, ye should have known my Father also; and henceforth ye know him, and have seen him.

8. Philip saith unto him, Lord, show us the Father, and it sufficeth us.

9. Jesus saith unto him, Have I been so long time with you, and yet have you not known me, Philip? he that has seen me hath seen the Father; and how sayest thou, Show us the Father? I who speak of the Father, and the Father in me, the words that I speak unto you I speak not of myself; but the Father that dwelleth in me, he doeth the works.

10. Believe me that I am in the Father, and the Father in me; or else believe me for the very works' sake.

11. Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father.

12. And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son.

13. If ye shall ask anything in my name, I will do it.

14. If ye love me, keep my commandments.

15. And I will pray the Father, and He shall give you another Comforter, that He may abide with you forever and ever.

16. Even the Spirit of truth, whom the world cannot receive, because I testify of him, not, neither knoweth him; but ye know him: (Continued on Page 4)

Grand Jury Is Dismissed For Present Term

The Eastland County Grand Jury was dismissed for this term of court by Judge Turner Collier in Eastland late yesterday, after the body had made its final report, and asked to be excused.

Five bills of indictment were voted during the term, along with one no bill.

The petit jury was given a recess, but members are to report for duty again on Thursday of this week, when the trial of criminal cases will begin.

Born in Houston County, Texas, on March 22, 1877, she was a member of Second Baptist church, Ranger.

Pallbearers at the funeral this afternoon were Clyde Rogers, John Tibbles, John Ussery and Clyde, Floyd and Kenneth Foreman, all of Ranger.

Inductees Will Be Sent To Fort Bliss In Future

Beginning September 28, Army inductees from New Mexico, Arizona, and Western and Central Texas will report from their local induction centers to a new Reception Center at Fort Bliss, near El Paso, Texas.

The Bliss Reception Center has been created as the result of a new Department of the Army policy to process Army inductees directly to Training Divisions, or Training Centers where they will be trained. The new plan is scheduled to be in full operation here by October 1. It is expected to save time and money by cutting the period of induction processing to 72 hours and by eliminating much transportation cost.

Heretofore, new soldiers from the areas named were routed at Fort Sam Houston Texas, or Fort Sill, Oklahoma, and then assigned to various posts for training.

Under the new plan, the inductees will be sworn in at the nearest large-city induction center and given transportation and meal tickets to Fort Bliss. He will then be given 21 days to attend to personal and business matters, before reporting to Fort Bliss for processing and training.

Rangers Drill For Tilt With Navarro

Coach Dick (Chub) Henderson's Ranger Junior College Rangers, off to a slow start with two losses against a lone win, go into their fourth pickup tilt of the season Saturday night at Corsicana when they clash with the Navarro County Junior College Bulldogs in a non-conference skirmish.

Urges State Action To Aid City Streets

The president of the Texas League of Municipalities has asked Gov. Shivers to take the lead to secure statewide action on Texas street and highway finance problem.

This problem said President Jim Wright of Weatherford in a letter to Shivers, ranks in importance "beside the twin puzzle of drought control and educational financing."

It is a problem which "grows almost daily, accelerated by the tremendous increase in traffic, and which will not be abated by a change in either weather or economic conditions."

Wright said the need for city streets, primary highways and farm to market roads should be considered as a whole.

"Too often in past years, legislative approach has been to solve one portion by taking money from another," he commented.

Mercury Due To Dip Lower This Afternoon

Slightly cooler weather—a welcome 10-degree lower respite from the recent torrid September heat wave—was forecast for the Eastland County vicinity for today and Thursday by the U. S. Weather Bureau.

The maximum mercury reading for this afternoon, according to weathermen, will be about 85 degrees.

And Thursday's top will be in the upper 80s—90 at most.

The low for tonight, cooler than usual, around 50 degrees.

For North Central Texas the Weather Bureau forecast calls for generally fair weather today and Thursday with no important temperature changes, except slightly cooler today.

Generally fair also is the West Texas forecast for Tuesday and Wednesday. Not so hot in upper Pecos Valley eastward tomorrow.

Horace Walker Is Indicted On Fraud Charge

Horace Walker of Dallas, former delinquent tax collector for Eastland County, is listed among defendants in criminal cases on the docket of U. S. District Court, which convenes in Abilene Monday.

Use of the U. S. mails to defraud has been charged in a second indictment returned Thursday in Dallas.

Free on bond now, Walker has been under indictment by a U. S. grand jury since Oct. 30, 1951, for using the mails to defraud. His activities in collecting delinquent taxes are the basis for the federal charges and for five indictments returned by an Eastland County grand jury in 1951, which also included counts of swindling and embezzlement.

Walker was acquitted in a first trial at Breckenridge in 1951. A second trial was called off and other charges dismissed when he reimbursed Eastland County for funds allegedly embezzled.

Federal charges allege that Walker sent fraudulent reports to the State Comptroller's Department on delinquent taxes collected. Each of the two indictments contain four counts based on separate reports.

He was married on Oct. 21, 1897 in Missouri.

Survivors include his wife; four daughters, Ruth McCluney of Fort Worth, Vivian Hamilton of Chicago, Mildred Turns of Fort Worth, and Gladys Carnes of Fort Worth; one son, Dr. Charles H. Brown Jr., of Fort Worth; one sister, Mrs. Ida Daves of Coldwater, Kansas; one half-brother, Elmer Pland of Walden, Kans., seven grand-children and one great-grandchild.

State Executives Entertained On RJC Campus Last Friday

Ranger Junior College entertained on the campus Friday, September 25, two distinguished visitors, Mrs. J. A. Wesendorf of Richmond and B. W. Musgraves of Austin. Mrs. Wesendorf, a past president of the Texas Congress of Parents and Teachers, is a member of the State Board of Education and of the Committee for Higher Education, and Mr. Musgraves is Executive Secretary of the Junior College Association. Members of the State Board are visiting all public junior colleges in Texas in order to study the services, facilities, and needs of these colleges. One of the primary purposes of this study is to find out what state appropriations are being used for, and both Mrs. Wesendorf and Mr. Musgraves were complimentary about the economy being practiced at Ranger Junior College.

A luncheon honoring the visitors was given at noon Friday in the Student Union Building. A cornet trio, composed of Dorothy Steffy, Noel Kim, and Johnny Gay from the Fine Arts Department, provided music; and the cheer leaders, Beverlie Crawley, Rita Jones, Betty Jo Pounds, Youvonne Offield, and Doris Vann assisted Mrs. Roy Crawley, manager of the cafeteria, in serving. NEW THRU BUS SERVICE SPANS THE NATION

No longer is it necessary for cross country bus passengers to change coaches every 200 miles or so and look after the transfer of coats, luggage and packages. The new day in highway transportation arrived September 16 when Continental Trailways Bus System inaugurated its new coast-to-coast through bus service between New York City and San Francisco, a distance of 3,030 miles with no change. This new service operates through such metropolitan centers as Pittsburgh, Toledo, Cleveland, Chicago, Omaha, Cheyenne, Salt Lake City, Sacramento, Oakland and many smaller intermediate cities.

independent donors to help take care of the ranch operating expenses and said the Jaycees had dug up a little more money to help reduce the figure.

Richey has been operating a close to a cash basis as possible this year.

This week he will mail out around 8,000 letters to Abilene area people explaining the work being done at the ranch and asking for regular monthly contributions or lump sum donations.

Since the Community Cheer drive is approaching, Richey said he would make no organized drive for funds—no canvass.

A number of improvement have been made at the ranch during the year, especially in the agricultural side of the shop.

Richey invited the public to the ranch at any time and said contributions might be mailed to Box 893, Abilene.

Tyler Texas Rose Festival To Feature Variety of Exhibits

A total of 250 dozen "queens of the rose world" in 150 varieties "Oscar" winners of this and past years will be exhibited in the Variety Section of the Texas Rose Festival's Rose Show in Tyler, October 2-4.

Delbert Thompson, chairman of the variety display will exhibit the roses on 54 feet long against a backdrop of native myrtle.

The choice bloom will be shown in vases instead of individual specimens for better appraisal of quality and variety in all stages from bud to open bloom.

The flower lovers will also get a "preview" look at the unnamed varieties being grown in the past year's test gardens which today are only numbers. But tomorrow may win the coveted All-American award.

Shows too will be Mohave and Libbet, the 1954 A.I. American winners and tops in the rose kingdom.

In addition to the choice patented roses top product of the hybridizer's skill Thompson will many of the old-fashion standards rarely seen in show rooms today. In this group will be many that grandly family recollects, including the hybrid-rose Devonianus, Mrs. B. R. C. Cant Mancan Coche and Prichet Ven Marchel played.

In addition to the hybrid-rose, hybrid polyanthias will also be displayed.

Tyler's garden clubs will assign upwards of 200 persons, all skilled flower arrangers to combine their talents in preparing 60 niche arrangements to be featured during the three days of the show. Mrs. T. J. Cassidy, chairman of the Artistic Arrangements Committee of the show, has announced.

A giant niche non-competitive and for decoration only, is to be arranged by Mrs. William Speas. This "king size" niche will be clusters of flowers where one would ordinarily suffice to magnify the effect.

Tri-color awards, a silver bowl, will be given to the most outstanding exhibit in each class each day, if merited, said Mrs. Rey Smith, chairman of the judges committee.

The Rose Show will tie its theme to that of the coronation and parade—"Festival of Fantasies," and depict this theme in artistic arrangements, niches and massed floral displays, Mrs. Rob-

in H. Brians and Mrs. William Speas, Jr., scheduled ensembles, announce.

The greenhouse area of the new Rose Show building now being rushed to completion will be converted to a floral garden with a green carpet of St. Augustine grass and rolling beds of rose on each side of the walkways. The garden will bring the "out-of-doors" to the indoors area with shrubs, trees and elevated terraces.

The live rose buds in sunken cases will be covered with a profusion of colorful flowers.

In the show building to the right of the entrance will be featured the "Festival of Roses." Here a hundred of the named blooms will form a fascinating pattern of color. The pool with its water fountain will spray a showering dew drops onto the floating blooms.

Eighteen niches will line the walls of the showroom. Here artistic arrangements will be shown by garden clubs. This year for the first time in Festival history, no exact specifications have been drawn, and each exhibitor is allowed to use his own imagination.

The show will be housed in a functional - type building overlooking the new Memorial Rose garden with its 6,000 bushes in 175 varieties. Its proximity will actually make the garden a part of the rose show itself, said Shelton. In the "educational area" of the garden, which is a miniature rose field, visitors may see the rose understock or root plant its growth and how roses are laddered, cultivated and grown in the fields.

The Rose Show will also feature an educational exhibit showing how to prepare rose beds, fertilizer, choose rose bushes for quality, how to trim the canes and roots, plant and cultivate the bushes. This exhibit is being prepared by Dr. E. W. Lyle, plant pathologist of the Rose Research Foundation.

for he dwelleth with you, and shall be in you.

18. I will not leave you comfortless: I will come unto you.

19. Yet a little while, and the world seeth me no more; but ye see me because I live, ye shall live also.

20. At that day ye shall know that I am in my Father, and ye in me, and I in you.

21. He that hath my commandments, and keepeth them, he it is that loveth me; and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself to him.

22. Judas saith unto him, not beariot, Lord, how is it that thou wilt manifest thyself unto us, and not unto the world?

23. Jesus answered and said unto him, If a man love me, he will keep my words; and my Father will love him, and we will come unto him, and make our abode with him.

24. He that loveth me not keepeth not my sayings; and the word which ye hear is not mine, but the Father's, which sent me.

25. These things have I spoken unto you, being yet present with you.

26. But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatever I have said unto you.

27. Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid.

28. Ye have heard how I said unto you, I go away, and come again unto you. If ye loved me, ye would rejoice, because I said, I go unto the Father: for my Father is greater than I.

29. And now I have told you before it come to pass, that when it is come pass, ye might believe.

30. Hereafter I will not talk much with you: for the prince of this world cometh, and hath nothing in me.

31. But that the world may know that I love the Father; and as the Father gave me commandment, even so I do. Arise, let us go hence.

furnishing the opposition for the charges of their former coach, Willie Zepalast, who is at A&M this fall after master-minding the ASC Rebels to the league title last year.

The Tarleton passing attack, featuring the pitching of Clayton Robertson, ought to give the frosh a thorough test.

On Saturday the Schreiner Mountaineers, stronger apparently than earlier estimates of their potentialities would indicate, will be shooting for their third straight victory of the season. Opponents in the game to be played at Harlingen will be Mexico City Military College, and the Mountaineers should unveil too much offense for the Mexicans.

Ranger, victim of a second half comeback by Cisco last week, will go to Corsicana Saturday for a game with the Navarro JC Bulldogs who hold an opening game victory over Kilgore. Navarro is favored, but the Rangers, paced by the fine passing of Tommy Wood could spring an upset themselves this week.

The Arlington State College Rebels, also victims of a last half passing attack by Kilgore last week, will be seeking a comeback against Texas Lutheran, a senior college at Seguin. The Lutherans were rocked by Schreiner, 6-16, in their opener, and the Rebels ought to win this one.

Things Seen and Unseen—
... are all paid for by the ultimate consumer. The farmer sells his bale of cotton for \$150.00 and we buy it back in clothes for several hundred dollars. Same old cotton except the looks, design, color, wage, transportation, rent, storage, interest, commission, profit and taxes—many kinds of them. Like the bale of cotton, the abstract must bear its myriad of hidden costs, but it is still worth many times its cost. If you gamble never do it on land titles.
