RANGER, TEXAS, TUESDAY, NOVEMBER 17, 1953

PRICE FIVE CENTS No. 103

Moore... ABOUT RANGER

By VIRGIL E. MOORE

How long have you lived in Ranger? Five, 10, 15 or more years. Well then, how much do you know about the city and its immediate area? Just in case you aren't up to date statistically here's some figures: R. V. Galloway, chamber of commerce manager, has come up with.

Are you sure you knew that Ranger was named for the Texas Rangers and we are sure you know the city grew up around the Texas and Pacific Railroad.

Then, too, we know that you know that oil was discovered here in October of 1917, just 36 years ago last month. Soon after oil was discovered the Ranger field reached the enormous total of 90,000 barrels of high grade oil a day. In a few weeks the town of 600 people grew to a city of 40,000, with most of the new citizens living in tents and shacks.

Ranger no longer is an oil boom town. Oil had come—it is not completely gone—but the city now is neat and in few ways a remainder of the old tent city.

The city has 12 churches representing most denominations commonly found active in the South. The city is situated on the "Broadway of America," U. S. Highway 80. The Ranger Independent School District has property valued at more than \$1,000,000,000. It includes a high school building, two elementary school buildings, a recreational building, a gymnasium, a three-story brick Junior College Administration building and 14 others used for boys and girls dormitories, class rooms, library, etc.

Every phase of social and civic life is represented in the clubs and lodges. Ranger has a Lions Club, Rotary Club, Senior and Junior Chamber of Commerce, Retail Merchants Credit Association, Elk Club, American Legion, V.F.W. Post, Country Club, Quarterback Club, Ladies Civic League, and a number of Federated study club lodges and auxiliaries.

Entertainment and recreation is here for the asking. The high school and college both field powerful football and basketball teams. There is a soft-ball field equipped with lights and steel frame grandstand; a \$50,000 football stadium; one of the most modern swimming pools in the state with complete filtration plant which changes the water continuously; a recreation park; a \$25,000 Ladies club house and library building; a nine-hole grass green golf course; tennis courts; well organized youth program... two theatres, one drive-in and one downtown show which releases films simultaneously with those in Fort Worth and Dallas; and one of the outstanding rodeo arenas in the state.

The city has two hospitals, the Ranger General Hospital which has 50 beds and the West Texas Hospital and Clinic, which has 20 beds. A new clinic is now under construction.

High schools to have bands competing include Rotan, Abilene, Throckmorton, Mason, Ranger, Hamlin, Eastland, De Leon, Coleman, Crowell, Cisco, Anson Stephens, Santa Anna, Cross Plains, Dublin, Moran and Rising Star.

Competition will start at 7 p.m. on Tarterton's Memorial Field. Bands will be divided into 4A, 3A, 2A, A and B classes, and each band will present a short marching routine similar to that given during halftime activities at football games.

Judges will grade on general appearance, neatness of uniform, condition of instruments, and response to oral commands. Each band from the moment it steps on the field will be judged on alignment, drum cadence, and the nine required maneuvers. These are forward march, halt, column left, column right, left and right oblique, halt while playing and continuing to play, reverse column, left and right flank, and a special maneuver.

Honor awards will be presented winners in each division. Bandmasters to serve as judges are: A. H. Long, Ponca City, Okla.; Bob Renfro, Texas City; Everett Maxwell, Andrews; and L. Y. Skinner, Waco.

Mr. and Mrs. Jess Fullbright from near Stephenville and Mr. and Mrs. Billy Fullbright of Xray were Thursday and Friday visitors in the homes of Mmes. Emma Dyer and T. A. Townzen.

Engineer At Plant Injured

A Lone Star Gas employe of Ranger, was painfully injured early Tuesday morning when a Bessemer engine's crank rod came loose throwing parts of the engine over a wide area of the plant. Injured was John Boen, an operator-engineer at the plant. He was rushed to the West Texas Clinic in Ranger where hospital attendants said he had still not completely revived at 11 a.m. Attendents said that Boen suffered

several broken bones and other painful injuries, but his attending physician, Dr. P. M. Kuykendall, said his condition was not critical. Johnny Bates, district superintendent, said it was supposed that the crank rod to the engine came loose and threw parts around the area. He said no one else was injured. A wall was knocked down but only minor damages were caused to other equipment. The plant was in full operation Tuesday at noon. No fire resulted.

Farm Bureau Has Report Session

Directors and other members of the Eastland County Farm Bureau who attended the regular monthly meeting on Thursday night, Nov. 12, 1953, were favorably impressed by the reports of the four delegates, Howard Wade, Clyde Coates, Ray A. Norris and John Love, who represented the county group at the 20th annual convention of the Texas Farm Bureau in Mineral Wells.

A. Z. Myrick, of Cisco, president, commended the Resolutions committee and co-workers on their policy development thinking at the county level, and constructing resolutions to help solve the immediate needs of farmers in adjusting to agricultural trends.

George I. Lane, Farm Home Administrator made the statement that "He had never seen farmers seeking solutions to their problems so intelligently, so fairly, or so cooperatively, as those gathered at the state meeting to represent their counties." Analysis of the various resolutions passed were discussed one by one, affecting Eastland counties, and the results seemed favorable, to say the least. Myrick was quoted as saying "Regardless of differences of opinion, we still have confidence in each other and can work out our problems together."

J. M. Cooper, County Agriculture Agent, announced the Pecan Show Dec. 5-8, to be in Cisco, and urged all pecan growers in Eastland and adjoining counties to enter their particular varieties in the show. Prizes will be awarded each variety group. Ray Norris was enrolled in the "100" Club at Mineral Wells and presented a gold pin for writing 100 members during the year. Mrs. John Love is also a member of the "100" Club, winning her pin two years ago. Quota for Eastland county is 425 members.

Local Band Enters TSC March Festival

The Ranger High School Band will compete at Tarterton State College, Nov. 21 with 17 other bands in a Region II Texas Interscholastic League Band Marching Festival.

The Ranger band will march at 8:30 p. m. High schools to have bands competing include Rotan, Abilene, Throckmorton, Mason, Ranger, Hamlin, Eastland, De Leon, Coleman, Crowell, Cisco, Anson Stephens, Santa Anna, Cross Plains, Dublin, Moran and Rising Star.

Competition will start at 7 p.m. on Tarterton's Memorial Field. Bands will be divided into 4A, 3A, 2A, A and B classes, and each band will present a short marching routine similar to that given during halftime activities at football games.

Judges will grade on general appearance, neatness of uniform, condition of instruments, and response to oral commands. Each band from the moment it steps on the field will be judged on alignment, drum cadence, and the nine required maneuvers. These are forward march, halt, column left, column right, left and right oblique, halt while playing and continuing to play, reverse column, left and right flank, and a special maneuver.

Honor awards will be presented winners in each division. Bandmasters to serve as judges are: A. H. Long, Ponca City, Okla.; Bob Renfro, Texas City; Everett Maxwell, Andrews; and L. Y. Skinner, Waco.

Mr. and Mrs. Jess Fullbright from near Stephenville and Mr. and Mrs. Billy Fullbright of Xray were Thursday and Friday visitors in the homes of Mmes. Emma Dyer and T. A. Townzen.

RULES FOR COUNTY'S FIRST ANNUAL PECAN SHOW LISTED

Rules and regulations for the First Annual Eastland County Pecan Show to be held Dec. 5-8 in Cisco were released Tuesday and prizes to be awarded at the show were disclosed. County Agent J. M. Cooper said entries in the show can be brought to his office in the courthouse at Eastland or to the Cisco Chamber of Commerce office. He said the show would be held in the Crawford Building in Cisco. The Extension Service and the Cisco Chamber of Commerce are sponsors of the show.

Cooper released the following rules: 1. All pecans entered must have been grown in 1953. 2. All entries of nuts must be in by 9:30 a.m. on Dec. 5. 3. Exhibitors are limited to one entry of each variety. 4. Nuts must have been grown by the man entering them. 5. Nuts must be left on display until 3 p.m. of Dec. 8. 6. Each entry must consist of enough nuts to at least weigh a pound.

7. Entries will be accepted from growers in adjoining counties also. Cooper said a prize of three dollars and a rosette will be given to the grand champion entry and \$2 and a rosette to the reserve champion entry. Prizes will be given for each of 18 varieties. They will be judged on size, color, appearance, shell thickness, cracking quality, kernel quality, weight, attractiveness and other features. First prize will be \$1 for each variety. Second prize for each variety will be 75 cents. Third prize is a ribbon. All winners will compete for grand champion and reserve grand champion honors. All first place winners will be invited to send their entries to the state pecan show at College Station.

Varieties to be judged include Burkett, Mahan, Western Schley, Eastern Schley, Texas Prolific, and others.

Former Ranger Man Passes, Funeral Monday

Jacob Ab Pitcock, a resident of Brownsville for the past 10 years, passed away suddenly in Brownsville Saturday at 2 a.m., November 14. He formerly resided in Ranger, having been born and reared here. He moved from Ranger in 1925.

He was a member of the Baptist Church and the Masonic Lodge. He is survived by his widow; one daughter, Mrs. Louise Hallburg, Ft. Worth; two sisters, Mrs. B. B. Bryant and Mrs. Geo. McKinnon, Ft. Worth; three brothers, G. C. Pitcock, Portales, N. M.; C. T. Pitcock, Corpus Christi and Louis Pitcock, Graham.

Funeral services were conducted from the First Baptist Church in Ranger Monday, Nov. 16 at 2:30 p.m. with interment in Merriam Cemetery. Rev. Ralph Perkins, officiating. Masonic graveside services were held.

Olden Hornets Play Putnam

The Olden High Hornets take on Putnam tonight in two practice game tilts at the Olden gym. Game time is 7 p.m. There will be a boys and a girls game. The teams met earlier in the season with the Olden girls winning and the Putnam boys coming out on top. The tilt promises to be a close one.

Country Store To Be Held Here Thursday

Ranger High School seniors will open their annual "Country Store" at 7:30 p.m. Thursday at the Recreation Building. High point of the night's activities will be a program by grade school students and skits by high school students.

Biggest article to be sold at the "store" will be candy. Numbers will be in some of the candy packages and prizes will be given to lucky ticket holders. Prizes include a wash and grease job, gasoline, groceries and many other prizes. All proceeds from the "store" will go to the Senior class. Admission will be 10 cents.

Stewart, Success, San Saba, Halbert, Ideal, Olison, John Garner, Dennis, Money Maker, Equirel Delight and round and oblong seedlings. Cooper said entries should be sure their name, address, and the variety of nuts is left with the nuts. He said the show was being arranged to focus attention on pecan growing as an added income crop in the area. He said the increase in the number of pecan orchards was sufficient to make the county one of the centers of the industry. Cost of the show will be underwritten by the Cisco Chamber of Commerce.

Draft Lists For Rest Of Year Released

Mrs. Jewell Reeves, clerk of the Eastland-Stephens county Selective Service board, Tuesday announced this schedule of physical examinations and inductions into the armed forces during the remaining two months of 1953.

The next call for induction is set for Nov. 19 when seven are on the list. 19 will be called from Preckenridge, two from Eastland, and one from Cisco and Ranger. On Dec. 9 six more will be called for induction. Then on Dec. 17 two will get their calls for physical examinations.

Mrs. Reeves said the two-man call for physicals was the smallest number she can remember.

Special Day Planned For City At Show

Eastland and Ranger have been extended an invitation by President - Manager W. R. Watt to have special days at the Southwestern Exposition and Fat Stock Show, Dates of the Fort Worth Show are Jan. 29 through Feb. 7. The letters received by the respective Chambers of Commerce state:

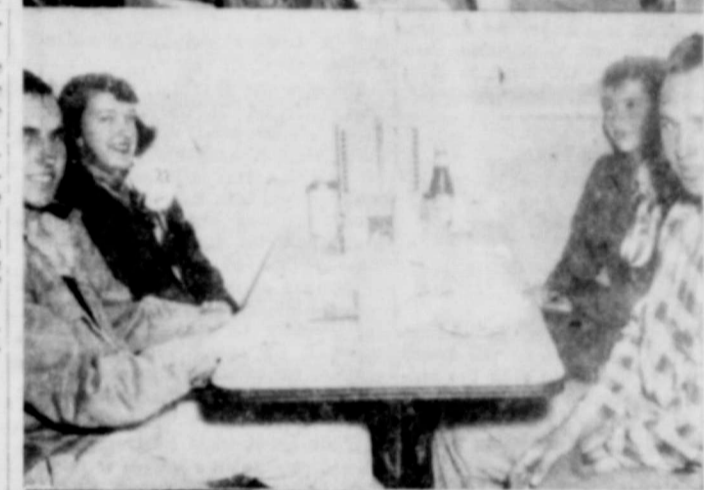

"For 57 years now, the Southwestern Exposition and Fat Stock Show has been serving livestock industry of this great section. The show has grown steadily through the years due to the support it has received from many individuals and cities. We are already putting into motion the plans for the 1954 show and it is a pleasure to extend an invitation to your city to have a special day, with your Cowgirl Sweetheart being introduced to the thousands at the rodeo, your band and other entertainers giving a program on the stage and your citizens with hatbands or ribbons publicizing your city and some civic enterprise, such as your own rodeo."

"Your community's participation and help in the Southwestern Exposition and Fat Stock Show will be publicized before and during your visit, and you will all have a good time while attending the show. We will be looking for your acceptance soon."

Cloudy And Mild Weather Is Forecast

Partly cloudy and mild weather is forecast for the Eastland county vicinity today and Wednesday. High both days is expected to fall between 70 and 75 with the low between 50-55.

Mangum Wildcat Gives County New Oil Field

Eastland county has what appears to be a new oil field today after a wildcat test six miles south of Eastland near Mangum, flowed in completion tests. The well is by Clark F. Chandler et al, San Angelo, No. 1 Ethel Hillison Co. Five offset locations in the same general area have already been staked. Fay was taken from the Upper Mangum sand. The top of the sand was 8,278 feet and the bottom 1,318. The current production rate (Upper Mangum) is about one and a half million north-McClure heavy, Company's Wright South lease—and an Elkhartberger well at Carbon. The well was sand fracked Monday afternoon and a potential net is due to be run later in the week. Title for the well is one mile northwest of Mangum in the west central part of the county—330 feet from the north and west lines of the southwest quarter of Section 2, Block 2, H&T Survey. A drill stem test was run early last week after cutting 18 feet of sand and it showed flowing oil.

Area Milk Receipts Show Increase

Reports of handlers regulated under the Central West Texas marketing order showed an increase in receipts and sales of milk during the month of October. Byford W. Bain, Market Administrator, announced today. Average daily receipts of milk from producers increased 2.52 percent over September 1952, while Class I sales (fluid milk, skims milk, butter-milk, flavored milk and cream) increased 4.90 percent over September 1952. During October there were 664 producers delivering milk to eleven handlers regulated under Federal Order No. 82. This is an increase of nine producers over September 1952. Producers delivered 9,477,285 pounds of milk during the month, or an average of 305,719 pounds per day. On a daily basis this is an increase of 6,940 pounds per day, or 2.32 percent. The average value of producer milk per farm was \$860.65 during October, which compares with \$856.12 per farm during September. Handlers in the area disposed of 5,971,003 pounds of milk as Class I during October, which is an average of 321,661 pounds per day. This is an increase of 15,931 pounds per day, or 4.90 percent over September. Producers will receive \$6.12 per hundredweight for their October deliveries. This price is the result of \$6.273 per hundredweight and \$22,725 pounds utilized as Class II at a price of \$5,782 per hundredweight.

FIVE NEW WELLS STAKED AS OIL ACTIVITIES INCREASE

After pipe was cemented and allowed to set for 72 hours, completion work was begun Friday afternoon. The well was opened again Saturday morning and flowed for 20 minutes. A five and a half inch pipe was used with ground elevation 1,513. During the test 720 feet of oil rose in casing. Shut in pressure was 1,560 pounds; time, 30 minutes; flowing pressure, 520 pounds; gravity of oil, 43. The well is on a 16-64 choke. Wayne Dodson is field superintendent.

The Chandler company reportedly holds a block of 2,000 acres in the vicinity of their discovery well. Their No. 2 Coates is located about 1,500 feet east of the first well. Original plans called for a Hickory sand test to 5,200 feet and it was understood that one of the offset tests would be carried to that depth to satisfy terms on the contract.

The Chandler company reportedly holds a block of 2,000 acres in the vicinity of their discovery well. Their No. 2 Coates is located about 1,500 feet east of the first well. Original plans called for a Hickory sand test to 5,200 feet and it was understood that one of the offset tests would be carried to that depth to satisfy terms on the contract.

COMMUNITY THANKSGIVING SERVICE SET

The Ranger Ministerial Alliance will sponsor a community Thanksgiving service Sunday evening, Nov. 22, at the First Baptist Church. The service will begin at 7:30 p.m. Rev. Finis Crutchfield, pastor of the First Methodist Church, will deliver the Thanksgiving message. A song service will be under the direction of the First Baptist Church.

Rev. D. D. Brian, Second Baptist Church pastor, will give the prayer and Rev. Lynn Robbins, pastor of the First Christian Church, will read scriptures. Rev. Ralph Perkins will give the welcoming address. Following the message by Rev. Crutchfield, Rev. Charles D. Buchanan, president of the Ministerial Alliance, and pastor of the Church of the Nazarene, will give the benediction. Rev. Buchanan said everyone in Ranger and surrounding area is invited to attend the service.

CATTLE SALES Active Here

A good run of cattle brought active sales at the Ranger Livestock Commission Monday. Fat calves brought from \$12 to \$17.50; fat cows from \$8 to \$12; bulls from \$9 to \$15; stocker cows from \$75 to \$120; stocker calves from \$12 to \$17.50; cows and calves from \$90 to \$140; top hogs \$29.50; and pigs, \$17.25 to \$18.50.

Mrs. Dennis' Uncle Dies, Goldthwaite

Robert W. Long, age 86, died at his home near Goldthwaite at noon yesterday. He had lived in that community for 53 years and had been married for 63 years. Long had been in failing health for some time. He is survived by his widow, the former Sarah Richie; two sons, three daughters, several nieces and nephews, grandchildren and one great grand daughter. He was the uncle of Mrs. Joe Dennis. Funeral services were held today at the Big Valley Baptist Church, of which he was a member. Rev. C. E. Langester, pastor of the church, officiated. Nephews acted as pallbearers.

Hervey Fox's Leg Crushed By Binder

An Eastland man suffered serious injuries Friday when his leg caught in a row binder. Injured is Hervey Fox, Route 2, Eastland. His leg was crushed from the knee down. Eastland Memorial Hospital attendants said his condition was as well as could be expected.

CHURCH NEWS

Attendance Good, Church of Christ 275 So. Rusk St.

Attendance at all assemblies of the Church of Christ, meeting at 275 S. Rusk St., is showing an encouraging increase. A fine young man was baptized into Christ at the conclusion of the assembly late Sunday. The ladies Bible study class on Wednesday morning at 10 is well attended.

Mrs. Warford Is Circle Hostess

Members of the Katherine Howell Circle of the First Baptist Church met in the home of Mrs. A. W. Warford at 3 o'clock, Monday, Nov. 16, Mrs. T. J. Anderson presided and Mrs. Warford led the invocation.

CARD OF THANKS

We wish to express our thanks to our many friends for their kind expressions of sympathy extended to us during the illness and at the loss of our beloved wife and mother; for the lovely floral offerings; and also, our sincerest appreciation for the kindness shown us by the entire West Texas Clinic staff.

CARD OF THANKS

We wish to express our sincerest thanks to the many friends who were so kind during the illness and death of our wife and mother. Also for the many lovely flowers and the food brought in. Thanks especially to Dr. Brasda and the nurses and staff of the Ranger General Hospital.

G. O. Kimbrough
Mr. and Mrs. O. C. Warden.

CREOMULSION

Relieves Coughs, Chest Colds, Acute Bronchitis

\$7,000 Waits For—Perhaps It's For You.

A will-o'-the-wisp search is underway in Texas today for two German immigrant brothers and their sister who would be quite aged if living and, therefore, more likely for their children or grandchildren who are wanted to claim a \$7,000 estate of which they obviously never heard.

The brothers, if still living, are Friedrich Wilhelm Jaeger, 92 years old; Gustav Ferdinand Jaeger, 89, and the sister, Mrs. Anna Elizabeth Maria Joeger Koenig, 97. If they are dead, then their children would succeed to claim, with grandchildren next in line.

James W. Smith, probate geologist, 1299 California St., San Francisco, who specializes in locating missing relatives to settle estates, is directing the hunt, but without clues as to in what part of Texas members of the Jaeger family may now be living.

Friedrich Wilhelm Jaeger and Gustav Ferdinand Jaeger, and Mrs. Koenig were born in Germany," Mr. Smith said, "and emigrated to this country while in their 20's or 30's. They are reported to have settled somewhere in Texas, but information as to just where is lacking. Mrs. Koenig was presumably accompanied by her husband. There are also indications that their descendants afterward scattered over the state. Since the translation of Koenig is (King) there is a possibility that the Koenigs or their children may have changed their name to King to Americanize it.

"The estate in question was left by a relative who died without descendants and under the circumstances it reverts to the elder Jaegers or, if they are dead, to their descendants."

After Killing Buck Here's Next Step

The annual army of Texas hunters soon will take to the brush and mountainside to seek the antlered buck both for the thrill of good marksmanship and the satisfaction of ultimately being served a juicy venison steak.

A practical side to the sport after the proud buck has fallen, says R. E. Callender, extension wildlife specialist, is the preservation of the meat. Don't waste an ounce of it, he says, because venison is a palatable substitute for domestic animals. Deer meat may be processed similar to beef or lamb. Immediately after the animal is shot in the field, bleed and quickly remove the viscera, Callender says. The carcass should be wiped dry inside with clean rags and if the animal is badly shot up it may be necessary to wash the inside with water. In any case, dry the carcass promptly.

The prize possession should remain dry and be cooled immediately. If cold storage is unavailable, prop open the carcass and hang it from a tree to chill at night and during the day wrap it in a tarp or blanket and move to a shady spot. Transport the fallen buck inside the car or in the truck. This, Callender adds, is better than on the fender next to the warm engine. The buck should be wrapped for protection, especially from flies.

Deer meat is successfully cured, but the thick, plump rounds process best. The most satisfactory method is to have the carcass cut into the desired pieces and placed

Her Nylons Went To Her Head

THAT attractive head scarf above, used here to conceal milady's pin curls, is an ex-pair of nylon stockings that's been rescued from the scrap heap, according to the Tintex Home Economics Bureau. Home-dyeing and simple needlework did the trick.

Shown on dresser are other attractive items made from discarded nylons—lamp shade, doll's dress and sachets. Photo insets show dyeing process and finishing touch on lamp shade. A preliminary step to re-dyeing is to take out old color with color remover, obtainable at all-fabric dye counters, the Tintex bureau says.

into a freezer locker, Callender points out. He says the shoulder, neck and lower portion of the ribs when boned makes good sausage. Two parts venison and one part pork fat is a flavorful mixture, but for a dryer product use three parts deer meat and one of pork fat. Season with 14 ounces of salt and three ounces of black pepper to 50 pounds of meat before it goes into the grinder. Some, Callender says, prefer to season with salt only at the time the meat is ground. Other seasonings are added later for meat loaf, hamburger or chili.

If the meat must be transported a considerable distance it may keep better if first frozen solid. But, Callender concludes, frozen meat must always be utilized as soon as possible after thawing.

Mr. and Mrs. Joe D. Kimbrough and son of Abilene, visited his father, G. O. Kimbrough, and sister and family, Mr. and Mrs. O. C. Warden, over the week-end.

Captain Drake Builds 65-Foot Steel Tow-Boat

ST. LOUIS, Mo. — It will take more than advancing age and the protests of his wife to stop Capt. Charles N. Drake from building his own all-steel, 65-foot towboat.

"Can you imagine!" the 74-year-old river-boat captain exclaimed. "My wife says I'm too old. But I just want to get back into the thick of things."

And Drake has been doing just that for the past four years.

The boat, dubbed the Lorene E., is nearly completed and standing high on the levee along the Mississippi River.

"All that's lacking now is installation of the engines, some finishing touches and some high water," Drake said.

He has followed no plans or blueprints in building the tall, sturdy craft, just the ideas gathered from years of boating experience. It will have housing for an eight-man crew and draft shallow enough to enable it to go almost anywhere.

Drake, a riverman from way back, spent his boyhood on his grandfather's packet boats. He has operated riverboats more than half a century and doesn't feel like quitting now.

"I can still stand at a pilot wheel 13 hours at a stretch and then some," he said.

But Drake used a little psychology to handle the protests of his wife. He got the name, Lorene E. by using portions of the name of his daughter, wife and daughter-in-law—Lola Belle, Irene and Elizabeth, respectively.

"Doesn't pay to get the woman-folks too mad," the old-timer commented.

Red Ants Can Be Killed—Here's How

Five minutes and the use of five percent chlordane can help avoid the powerful sting of the Texas harvester ant.

Better known as the red ant, this reddish-brown insect not only has a painful sting but bites and destroys lawns and field plants. First signs of the pest, says Neal M. Ranolph, extension entomologist, is a smooth circular area cleared of all vegetation. The size of the area is determined by the colony population.

One-half pound of 5 percent chlordane or 2 percent dieldrin will eradicate the pests, Randolph says. Spread the dust around the hole in a continuous band four to six inches wide. The band should be five or six feet in diameter.

Liquid fumigants, carbon disulfide and methyl bromide may also be successfully used. Four ounces of carbon disulfide released into the entrance of the nests gives effective control. When the liquid, which volatilizes into a gas, is fully discharged close the entrance with the heel of the shoe. The material should not be ignited, he says, because it destroys the gaseous effect of the fumigant. These chemicals are poisonous to man and animals and must be handled carefully, Randolph adds.

While the activity of the ant varies with weather conditions, he says, they are most active on warm, sunny days, especially during late fall and early spring.

I. McKee Passes In Breckenridge

Word has been received here of the death of Isaac McKee in Breckenridge Saturday night.

Mr. McKee is the father of Wilbur McKee of Dumas, who is the son-in-law of Mr. and Mrs. R. C. Everett of Ranger.

Kiser's Funeral Home in Breckenridge has charge of arrangements and funeral is pending the arrival of some of the children.

Legionnaires Meet Thursday

The Carl Barnes American Legion Post No. 69 met Thursday, Nov. 12, at the hall. Commander Don Butler presided over the business session, during which plans were made for giving away three turkeys November 12 in downtown Ranger.

It was reported that Chas. Surbrooks is returning home and that Pink Woods is improving in the Dallas V. A. hospital.

J. F. Byas, World War I veteran, spoke on the hopes of more World War II veterans joining the Legion, stating that these men are wanted and needed. A. B. Avinger, World War II veteran, responded by stating that all veterans must join together for their mutual benefit.

Colors were retired, after which doughnuts and coffee were served the legionnaires by the auxiliary.

Oddfellows Meet Thursday

Members of the IOOF No. 350 met Thursday, Nov. 12, at Oddfellows Hall for their regular meeting.

The meeting was presided over by Noble Grand Jesse Smith. Routine business was transacted and sick reports given.

On Nov. 19, a candidate will receive the initiatory degree. Members of the Eastland lodge will be present and all Ranger members are urged to attend. Refreshments will be served.

Red Cross County Chairman Tells How To Obtain Emergency Leaves

Rev. Otto Marshall, Eastland, home service chairman for the Eastland County Chapter of the American Red Cross, stated today that many persons had been asking for information or assistance in obtaining emergency leaves and dependency discharges for members of the armed forces. He lists the most frequently asked questions and has supplied the answers as follows:

(1) What is the present procedure regarding applications for emergency leaves?

Service men in all branches of the military services who are stationed in the United States must make applications for emergency leave to their commanding officers.

A serviceman in the Army or Air Force who is stationed overseas may make application for emergency leave to his commanding officer, or the serviceman's family may make the request. In the case of the Navy, Marine Corps or Coast Guard, the family cannot make the application; the serviceman must submit his own application to his commanding officer.

(2) What steps should the family take when emergency leave is desired?

A. If the serviceman is stationed in the United States: The family may report the situation to the local Red Cross Chapter, which will make a verification and will submit a report of the facts to the Red Cross field director at the serviceman's station for decision by the man's commanding officer.

B. If the serviceman is stationed overseas: The family may report the situation to the local Red Cross chapter, which will make a verification and submit a report of the facts through Red Cross channels to the military headquarters, to a Red Cross field director overseas, or to the commanding officer of a ship, in accordance with established regulations.

(3) Does the Red Cross recommend that leave be granted or denied?

No. The Red Cross makes no recommendations. It submits verified factual reports for consideration by the military authorities.

(4) Who makes the decision?

The decision is made by the serviceman's commanding officer or by the military headquarters, depending upon where the serviceman is stationed and his branch of service.

Dependency Discharges

(1) What is the present procedure regarding applications for dependency or hardship discharge?

A. If the serviceman is stationed in the United States: Both enlisted men and officers must make their own applications to their commanding officers. The family is expected to communicate with the serviceman, stating the situation at home and asking that he request discharge. Affidavits, statements, or recommendation from individuals in the community should be obtained and sent by the family to the serviceman to attach to his application.

B. If the serviceman is stationed overseas: He must make his application to his commanding officer in accordance with the procedures in A above. In the case of

the Army only, the family of an enlisted man may send a request directly to the Office of the Adjutant General, Department of the Army, Attention: AGPO-XD, Washington 25, D. C. Such request should be supported by at least two affidavits from disinterested persons; certificates of death or disability should be included if either factor is involved. This procedure does not apply to families or officers.

(2) How can the Red Cross chapter help the family when discharge is being requested?

If the family so desires, the chapter will advise the family of proper procedure and may assist in assembling necessary documents.

(3) Does the Red Cross chapter forward the affidavits and statements?

No. Affidavits and statements should be sent by the family directly to the serviceman. The only exception to this is in the case of

(4) Is a Red Cross report requested?

No. Red Cross chapters will, however, obtain supplementary data, after all evidence has been submitted, if military headquarters or the officer having discharge authority requests specific information. Supplementary Red Cross reports are not requested in connection with the discharge of officers.

(5) Does a Red Cross chapter recommend that the application for discharge be approved or disapproved?

No. The Red Cross submits factual reports, in accordance with IV above, regarding the family circumstances. The Red Cross makes no recommendations.

BULLDOGS END DISTRICT PLAY WITH EASY 48-7 WIN OVER DELEON; REMAIN IDLE FRIDAY

Ranger's High School Bulldogs remain unbeaten, untied and untested in District 7-A play after their final conference game played Friday night at Bulldog Stadium. The Dogs moved on in convincing fashion in that one as they dropped the De Leon Bearkats 48-7 in their usual seemingly easy way.

Coach Stubby Warden's eleven, with eight victories under their belt, can now settle down to watch the Albany-Haskell tilt this Friday night. That game will decide which of the two teams meets Ranger in bi-district play.

The Dogs were at their usual best for the De Leon game. Coach Warden again used his reserves at will after the Dogs had piled up a lopsided lead.

Again it was the aggressive Dog powerful backs. The forward line 4 x 7 made things easy for the blocked two De Leon punts and threw the visitors for several long losses in demonstrating their importance.

Ranger got things under way in a hurry with Charles Massegee racing 20 yards for the tally. Bill Browning's point after try was no good. The drive started back on the Dog 30 yard line.

The Bulldogs struck for paydirt again before the quarter ended when Jim Nail jumped on a blocked Cat punt on the De Leon 16

yard line. From there it took Massegee just one play to race over and Browning converted to put the Dogs out front 13-0.

The second quarter was the big period for Ranger. Jim Littlefield, who seems to improve with each game, smashed over from the 17 early in the period to climax a 63-yard drive.

Browning again converted. Later in the period De Leon fumbled and Ranger recovered on the 17. The Dogs worked the ball to the two from where Browning bulldozed his way over and then kicked the extra point.

Littlefield showed his downfield running ability for the next Ranger tally. The powerful fullback raced around left end behind beautiful blocking and raced from just inside the midfield stripe for the tally. Browning's kick was true again.

Another blocked punt gave Ranger their final first half score. End Chico Mendoza, who played his usual fine game on defense and offense, recovered the loose ball on the 18 and from there Halfback Benny Robinson went over around left end. Browning's kick was again good.

De Leon held the vaunted Dog scoreless in the third period but the final stanza saw Ranger getting seven more points. With just seconds remaining on the scoreboard Quarterback Scott Forney smashed over the middle of the Cat line from the two on a quarterback sneak to score. The drive started back on the Cat 41. Browning converted.

MAVS DROP HEARTBREAKER TO DUBLIN 7-6; TAKE ON CROSS PLAINS FRIDAY IN '53 FINAL

The Dublin Lions took runner-up honors in District 7-A Friday night by the margin of an extra point and a field goal which looked good but was ruled bad. Eastland Mavericks were on the losing end of a 7-6 count in a game played at Maverick Stadium.

Played in ideal weather before a crowd of some 3,500, the game was one of the most exciting of the season. Both teams were about equal in strength with Eastland making the best showing except for scoring.

The Lions didn't threaten a single time during the game. Their touchdown came on a 66-yard scamper by Lefthalf James Berna in the second quarter. Berna, who was the big man in the visitor's offense, dashed through a hole in the left side of the line on a quick opener play, found himself in the open and then outran the Mav defenders for the score. It was Quarterback Dick Johnson's extra point try which actually proved the difference between the two teams, however. His kick was perfect and the Lions went ahead 7-0.

The Mavericks couldn't manage to score until the final period when Fullback J. D. Hanson took a pitchout from Quarterback Vern Meroney and paced to End Clyde Moor for the score. The play started on the 33 and Moore scampered most of the way. Stan Harris' try for extra point was wide to the left and Dublin led 7-6.

With just seconds left in the game the Mavs decided to try to pull the game out of the fire with a field goal. Time was running out when Eastland took over the ball on their own 14 following a punt. Hanson found Jamie Jessop in the

open but his pass dropped short. A Lion defender tipped the ball into the shifty Eastland back's hands and he raced down to the Dublin 15 before he was knocked out of bounds. Meroney tried one pass and then Harris came into the game for his field goal attempt from the 15. Harris got his kick away—a high beauty which appeared to be just inside the left side of the goal. The Eastland stands went wild and then the glow turned to disappointment as the officials ruled the kick wide to the left.

The Mavericks drove to the Lions' 20 yard line in the first quarter but couldn't punch across. Later Jessop raced the ball down to Dublin's 10 but fumbled and the Lions recovered.

Harris and Moore were the standouts for Eastland on defense. Clyde Evatt also did some outstanding work. For the Lions, David Hancock, 200 pounds of right tackle, was everywhere.

Coaches Ed Hooker and Carroll Shelton will send the Mavs against Cross Plains next Friday night to end grid play for the year.

RANGERS BLAST HENDERSON JC CARDS 32-12 IN GAME PLAYED IN ATHENS THURSDAY NIGHT

Ranger Junior College gained prestige and a non-conference victory Thursday night when they smashed the highly rated Henderson County Junior College Cardinals 32-12 in a game played in Athens.

Coach Dick Henderson's charges were still riding high from their Arlington State tussle and threw powerful ground and air games at their hosts as well as the same terrific defense that held ASC at bay so well. The Henderson-men were all powerful on the ground, rolling up 363 yards. Add to that the 153 yards the Rangers compiled in the air and the RJC aggregation had a high respectable 522 gross yards gained.

Henderson, stymied on the ground, went to the air-ways in an attempt to beat their Pioneer Conference opponents. The Cards winner of the Texas Junior College Conference title, tossed 30 passes and completed nine for 209 yards. The strong Ranger defense brought in five of the aeriels for interceptions, however. Tommy Wood intercepted two. Bobby Pharris one and Ray Gilstrap one.

Ranger drew first blood when 225-pound Fred Vinson, tackle from Memphis, jumped on a loose ball in the Cardinal endzone after Guard Allen Gibbs broke through to block a Henderson punt on the three. Gibbs then converted to put Ranger ahead 7-0.

Henderson scored by way of the air still in the first period. A 49-yard aerial put the Cards back in the game but their extra point try was no good and Ranger still led 7-6.

The Rangers went ahead again in the second quarter when Ray Gilstrap pulled in one of Wood's aeriels and raced 46 yards for the tally. Gibbs kick failed and Ranger led 13-6.

Gibbs again missed the extra point and Ranger had a 19-6 lead at halftime.

In the third quarter Bobby Pharris raced 40 yards for another Ranger tally. This time Charles Blanton converted.

A 95 yard scamper by Quarterback Ed Cheek gave Henderson their last score in the game. The Cards missed their extra point try and Ranger held a 25-12 lead.

The final tally came when Blanton did a tightwire dance down the sideline for 35 yards about midway in the final stanza. The extra point try was good.

Ranger JC will end their season Saturday night when they entertain Schreiner Institute in a Pioneer Conference tilt.

Dewey Rated Best Governor By Scribes; Shivers Rates Fourth

The nation's "best" governor is Thomas E. Dewey of New York, according to a poll of newspaper

and radio-TV correspondents who covered the recent Governors' Conference in Seattle. The results of the poll, conducted by two reporters from Pageant Magazine who canvassed correspondents from all over the country, were published today in the current issue of the magazine. They show the press representatives' answers to the following questions:

1. Who are our best governors?
 2. Who are our worst governors?
 3. Which are Presidential material?
- Runners-up in the class of "best" governors were:
- Second: Earl Warren, Republican of California, who has since been appointed Chief Justice of the Supreme Court.
- Third: Alfred Driscoll, Republican of New Jersey who is retiring from office at the end of this year.
- Fourth: Allan Shivers, on "Eisenhower Democrat" of Texas.
- Fifth: Frank Lausche, Democrat of Ohio.

Dewey's triumph was solely on the basis of being the ablest state administrator. Many correspondents, reports Pageant, were outspoken in their personal dislike of him—but still they gave him their vote.

Only one out of every four newsmen queried felt qualified to answer the question, "Who are the five worst governors?" One correspondent maintained that there are "none so bad as to be obviously worse" while another took a

SMALL VISITORS—Donald Inglehart, 5, and his sister Becky, 11, look on as Governor Allan Shivers signs an official memorandum designating November 16-December 25 as Christmas Seal Month. The young visitors who live in Dallas were waiting in his office to shake the gubernatorial hand when the memorandum was placed on his desk. An alert cameraman caught their intent interest as he penned his signature.

grimmer view: "Looks like a 40- "worst" list also appeared on the "best" list—but of the 12 who received one or more votes as "worst," only five got that label exclusively, failing to get a single nomination in any of the "best" categories. They are:

1. John S. Fine, Republican

WHO'LL TRY FOR 704

Jo Ann Stuard, Hardin-Simmons University freshman, is now anticipating the 176-page letter from her boy friend, Navy radioman Doyle Purifoy, now stationed in the Pacific.

Miss Stuard, whose home is in Abilene, recently mailed the sailing seaman an 88-page letter and received word from him that he would double that one.

These long letters started when Miss Stuard typed Purifoy a 22-page letter. "The long letter was nothing unusual," said she. "I just had a lot to say that time. I dared him to double what I had written."

Accepting the challenge, Purifoy wrote her in return a 44-page epistle which was rolled up so that it looked like a magazine when it arrived. He also dared her to double a letter in return for the 44-page one.

Of the 88 pages, Miss Stuard, "The first 60 pages were easy, but the last 28 were rather slow." It

took her 20 hours to write the 88 pages.

To make the 88 pages, she answered all the questions asked by his 44-page letter. She wrote poetry, jokes, magazine articles, copied jokes from a joke book and told about school.

Miss Stuard is expecting the 176-page letter from Purifoy any day now.

She says she has already begun her 352-page answer.

The world's largest and most powerful turbine-generator, which Westinghouse will build for the Detroit Edison Company, will be as big as two six-room homes. The giant unit will consume 1 1/2 times its own weight in steam every 24 hours. Its power output of some 350,000 horsepower will be enough to supply the electrical needs of a city the size of Cincinnati or Dallas.

When you call by number... your call goes through twice as fast!

Here's the stunning Ford Victoria, America's "Best Dressed" hardtop. Like other Fords, it's got a hulltight Crestmark Body, Full-Circle Visibility, easier working suspended pedals and Center-Fill fueling—all exclusive with Ford in its field.

Two fine cars for the price of one

America's "Worth More" car is also one of America's lowest priced... two Fords cost you no more than one ordinary fine car.

The Fordor (above) like all this year's Fords, travels you "first class" over all kinds of roads. Front end road shock alone is reduced up to 80%.

You'd expect to pay costly-car prices for the many costly car advantages you get in this year's Ford. But Ford delivers these "Worth More" features for so little money, you can actually own two for the price you'd pay for one ordinary fine car.

Only Ford in the low-price field offers you a V-8. Or, choose Ford's Six, America's most modern economical six.* Ford offers power steering, too. It makes all driving easier and safer. Check all of Ford's "Worth Features" and you'll see why Ford's worth more when you buy it, worth more when you sell it!

*A Ford Six, with Overdrive, won over all other cars in this year's Mobilgas Economy Run.

Automatic Overdrive and Motor-Aside power steering optional at extra cost.

SOCIETY

Ann Newell And Virge Johnson Marry Saturday

Ann Newell and Virge Johnson were united in marriage at 12:30 p.m. Saturday, Nov. 14, in the home of Mr. and Mrs. Carl Eakin. The Rev. Eakin read the double ring ceremony.

The bride wore a royal blue suit with ice blue accessories and a corsage of pink carnations. Following the ceremony, a reception was given by the groom's sister, Mrs. Eakin. Mrs. Boyd Laquay presided at the punch bowl and Miss Patsy Simpson served the three-tiered cake, which was topped with the traditional bride and groom.

The following were present: Mrs. Johnson, mother of the groom; Mrs. Alton Simpson, of Eastland, sister of the bride; Mr. and Mrs. Gerald Lee of Cisco; Mr. and Mrs. Boyd Laquay and Don Ann of Breckenridge; Patsy Simpson of Eastland; Donna and Alex Eakin, and Marilyn Kay Hoopes, daughter of Mr. and Mrs. Eddie McKibben of Ranger.

The couple left for a short wedding trip after which they will be at home at 315 Elm St. in Ranger.

Mrs. J. P. Morris Reviews Book for Child Study Club

Members of the Child Study Association, Pro-School, met at 7:30 Thursday evening, November 12 in the home of Mrs. Glynis Covington.

The meeting was presided over by the president, Mrs. Lynn Robbins. Roll call and the minutes of the previous meeting read by the secretary, Mrs. R. V. Robinson. Treasurer's report was given by Mrs. Duaine Dennis.

Plans were completed for the Thanksgiving dinner to be held at the Community Club House on Nov. 19 to which members' husbands will be invited.

Mrs. Norman Huffman, program leader, introduced Mrs. J. P. Morris, who gave a delightful review of Pearl Buck's "Come, My Beloved".

During the social hour, refreshments of pie and coffee were served.

Members present were: Mmes. Fred Lamb Joe Fabry, Keith Langford, Dennis, J. S. Wilhelm, L. A. Lennix, Robbins, A. G. Knisk, J. C. Swinney, Huffman, Robinson, Walter Arterburn, Williams, Moses Morris, Walter Baker, Jr., Ray Jones, Sammie Elder, Dean Elder, and the hostess.

Salmon Fondue Is Easy To Make

DECEPTIVELY easy is a delicately flavored Salmon Fondue which capitalizes on the convenience of canned salmon and slices of bread as main ingredients in its preparation. It's like salmon sandwiches baked with a cheese sauce, and the effect is delightful. Smart cooks use canned salmon often in meal preparation because it offers convenience and a store of nutritive values combined with a delightful and distinctive flavor. Salmon for canning is in prime condition since the fish are caught just as they return from roaming the ocean where they have become sleek and meaty in preparation for their long trip upstream to spawn.

Drain and flake salmon; reserve liquid. Combine salmon with celery, mayonnaise, mustard and salt. Spread mixture on bread slices. Place 4 of the slices in shallow baking dish; top with 4 remaining salmon-topped slices. Add enough milk to reserved salmon liquid to make 2 cups. Combine with eggs, Worcestershire sauce and Tabasco; pour over salmon-bread mixture. Sprinkle with cheese. Bake in a slow oven, (325° F.) 45 minutes. YIELD: 4 servings.

- Salmon Fondue**
- 1 1-pound can salmon
 - 1 cup flaky bread
 - 1/2 cup mayon-
 - 1/2 cup prepared mustard
 - 1/2 teaspoon salt
 - 1/2 cup grated American cheese
 - 4 thin slices bread
 - Milk
 - 2 eggs, beaten
 - 2 teaspoons Worcestershire sauce
 - 1/4 teaspoon Tabasco

Legion Ladies Meet Thursday

Ladies of the American Legion Auxiliary met Thursday evening, Nov. 12, at the hall for a business meeting. The charter was draped in memory of a deceased member, Mrs. G. O. Kimbrough. Those taking part in the ceremony were Mmes. Luna Lane, Gertrude Gidson, Don Butler, Barney Salter, Ed Greer and Edgar Ward.

During the business meeting, plans for the Christmas program were discussed. A play entitled "The Soldier and the Shepherd" will be given under the direction of Mrs. Frances Pryor. A film will be shown by courtesy of the Greyhound Bus Co. There will be a Christmas tree and exchange of gifts and Santa will pay a short visit. The remainder of the program and the date will be announced later.

A letter was read from Cpl. Robert Butler thanking everyone who sent books to servicemen overseas. Mrs. Minnie Varner stated that her son also had received his books. Also, Mrs. Katherine Heatley is taking the books to the V. A. hospital in Waco; where she is employed.

Mr. and Mrs. R. M. Smith and Mrs. Cleo Lamb of Mineral Wells visited friends here Sunday.

LOOK WHO'S NEW

Mr. and Mrs. Floyd Foreman, Ranger, are the parents of an 8 pound, 3 ounce boy born at 8:20 a.m. Tuesday, November 17 at the Ranger General Hospital.

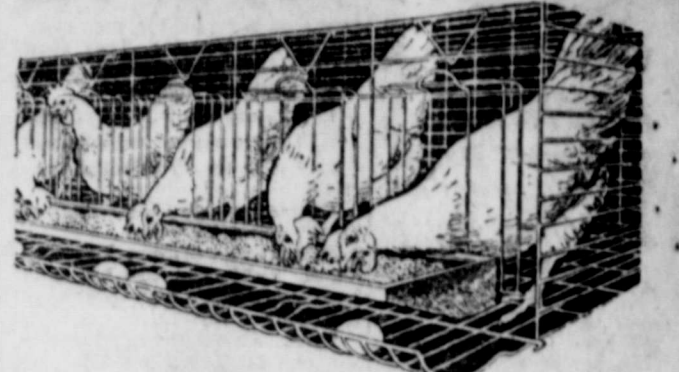

Hospital Report

Rangerites At Weatherford Service Sunday

Mr. and Mrs. Jess Weaver and Mr. and Mrs. Raymond Doss attended Centennial Methodist Church in Weatherford Sunday. It was the homecoming of the former pastor and members.

Dinner was served on the church grounds and ground was broken for the new church. Rev. Garland Lavender, formerly of Ranger, is now pastor at Centennial.

NEW JOY FOR THE Hard of Hearing
WITH THE NEW **Beltone Transistor HEARING AID**
FREE Hearing Clinic

Mr. Ed Bailey will show the NEW BELTONE ALL TRANSISTOR Hearing Aid at the Ghoulson Hotel on Tuesday Nov. 17 from 1:00 to 2:00 p.m.

Come in and see this new aid with no tubes— with not one—not two—but THREE transistors and eliminates the "B" battery.

Chas. Ashcrafts Attend Funerals

Mr. and Mrs. Charles Ashcraft returned Sunday night from Herleigh and Colorado City, where they attended the funerals of two relatives.

Mrs. Ashcraft's cousin, Mrs. A. A. McMullen, former Eastland County resident, was buried Saturday at Herleigh. She is survived by her husband, fourteen children, four sisters and five brothers.

Services were held Sunday afternoon at Colorado City for Mrs. Edward Morren at Westbrook Baptist Church with interment at Colorado City. She is survived by her husband, two sons, a daughter, her parents, Mr. and Mrs. F. C. Brown of Colorado City, four brothers and a sister. Born at Mingo, she was a grand daughter of the late Mr. and Mrs. Joseph F. Butler of Gordon and a niece of Mrs. Alvin Pulley and Mrs. Vernon Hancock of Gordon and Mrs. Ashcraft, all of whom attended the Sunday rites.

Mr. and Mrs. Norman Huffman and children, Terry and Cheryl, spent the week-end in Wichita, Kan., where they visited her father, Roy Burton and Mrs. Burton. Mr. Burton is confined to the hospital with a broken hip. They were joined by Mrs. Huffman's grandmother, Mrs. R. E. Burton and aunt, Miss Gladys Burton of Kansas City.

AAUW To Meet Thursday Nite

Members of the American Association of University Women will meet at 7:30 p.m. Thursday, Nov. 19, in the home of Mrs. A. P. Thomas Jr.

Mrs. Hal Hunter will talk on "The American Short Story." All members are urged to attend.

Couple Married In Elmore City

Mrs. Mary Todd has received word of the marriage of her grandson, Bobby Joe Todd, to Miss Anna Mae Hope, of California.

The couple was married November 12 at Elmore City, Okla. The groom is the son of Mr. and Mrs. L. E. Todd, formerly of Ranger, now of Elmore City.

Child Study Club Thanksgiving Dinner Set Thurs.

Members of the Child Study Association, Pro-School, and their husbands will have their annual Thanksgiving dinner at 6:30 p.m. Thursday, Nov. 19, at the Community Club House.

Games of canasta and "42" will be played after dinner. All members and their husbands are urged to attend.
