PRICE FIVE CENTS NO. 147

LAKE HOLDS WATER FROM AREA RAINS

Homespun

By UNCLE BOB

There is a sickness on America's streets and highways, a malady causing terrible death and misery. Who is to blame? No one knows. Lets take a picture of last year's results. In the case where one automobile collided with another 14,890 persons were killed. This led the field with 38.7 percent. Where one automobile collided with another automobile 1,438,360 persons were injured. More persons were injured with accidents in automobile resulting from a collision with another vehicle than the population of Harris County, the largest populated county in Texas. The population of Harris county is only 806,701. A little more comparison the number injured was 50 times the population of Eastland County.

Lets take a look at how the citizens were injured. Out of the tremendous number 670,400 were injured exceeding the speed limit, 145,810 had their car on the wrong side of the road and 3,350 persons were injured when cars ran away without drivers. It makes you wonder what is wrong its the people of this country.

You can't blame the large number of motorist injured and killed on young drivers because drivers under 18 years of age caused the smallest percent of accidents and the age limit between 25 and 64 caused the largest percentage. The type of vehicle involved in fatal and non-fatal accidents was passenger cars 3 to 1. Cars in apparently good condition caused 98.3 percent of all accidents. Is the condition of the car very important? When the driver puts the blame on his car it's 9 to 1 he is wrong. The weather has very little to do, with it as 77.8 per cent of all accidents in this country took place during clear weather. It seems when the weather is bad the drivers operate their automobile slower. The condition of the road showed very little importance as the largest percent of accidents were during a period when the condition of the road was dry.

The day of the week best for having a wreck last year was Saturday followed very close by Sunday. The smallest accident day was Wednesday. Week-end wreckers were responsible for more than 15,800 deaths and almost three quarters of a million injuries in 1953. The danger hours are between 4 and 8 p.m. At that period in 1953 more accidents occurred. Now listen to this it sounded like speed up to this point but 278,200 persons were injured while slowing down or stopping. Figure out the answer and let me know.

Each year, we stand at a milestone of the passing scene and total up the grim score. We have seen dirt roads become roaring super-highways. We have seen (Continued on Page 2)

Former Ranger Girl On T. V.

Sharon Crawley, five-year-old daughter of Mr. and Mrs. Frico Crawley, formerly of Ranger, will appear on television this evening at 5 over the Midland, Texas station.

Sharon is the granddaughter of Mr. and Mrs. A. E. Crawley, Ranger Postmaster and A. N. Larson. This is the first television appearance for Sharon over the Midland Station and her performance will be witnessed by thousands of West Texans.

Allocation Turned Down By Senators

Junior colleges in the state found, after a vote in the State Senate, that less funds would be coming their way.

The vote was on rule number 106 which has reference to the school budget. The state senators cut seven percent of the allocation.

Dr. Price Ashton, president of Ranger Junior College, stated to

H. H. Vaughn Is Awarded Watch For Long Service

H. H. Vaughn, Firestone Dealer of Ranger received a watch from Firestone for 20 years of service. The watch was made in gold and showed that Vaughn's service for the 20 year period ended on December 14th, 1953.

Vaughn, a long time citizen of Ranger, is very prominent in civic affairs and betterment. He makes his home on the Caddo Road.

LOCAL HARDWARE STORE WILL STAGE SALE HARDWARE WEEK

Killingsworth's will participate in one of the biggest promotions ever staged in the nation. It was announced today.

The event will be known as IRHA Hardware Week and will involve the biggest advertising and merchandising campaign ever conceived.

IRHA means Independent Retail Hardwaremen of America and is the symbol that identifies member stores, including Killingsworth's of Ranger.

Hardware Week will be observed coast-to-coast April 16 to 24 by the 23,000 independent hardware stores, all members of the National Retail Hardware Association.

A total of 486 wholesalers and more than 100 manufacturers, including some of the industry's top names, will support the IRHA stores in the gigantic selling drive.

Library To Be Closed Friday

The Ranger Community Library will be closed Friday, April 16 for the Easter holidays, but will be open Monday, April 19, according to an announcement made today.

Eastland Major Has Important Job Inspecting Food Fed To U. S. G.I.'s.

YOKOHAMA, Japan (Sp.) — No matter how you look at it, 500,000,000 is a pretty big figure. And similarly, 500,000,000 pounds of food is certainly — if nothing else — a lot of food.

That figure represents the number of pounds of food inspected during a six-month period last year by a team headed by Maj. Dan Hightower of Eastland, who is stationed at the Army's 2d Transportation Major Port in Yokohama, Japan.

Major Hightower, son of Mrs. Irene Hightower, 101 E. William St., Eastland, is the veterinarian at the port, through which tons and tons of foodstuffs flow on their way to Army men training in Japan, Okinawa and Korea.

The operation conducted by the port veterinarian is a huge one, but not one single pound of food is allowed to be shipped out for consumption if something is found wrong with it.

For inspection purposes, says the major, food is considered in two categories: the perishable and the non-perishable. Perishable products, which include meats, fruit and vegetables, are examined as quickly as possible after their arrival at the port, owing to the possibility that they might begin to spoil or to lose their flavor.

Major Hightower, who is a 1946 graduate of Texas A & M often makes spot checks himself by means of an "organoleptic" examination. This, he quickly explains, is simply a test conducted

The Times that Ranger Junior College cut their budget earlier and although this new ruling will cost the college the sum of \$3,465, by not receiving the new appropriation, their budget is sound due to an earlier revisionment of their budget.

Many other junior colleges in the state found their finances not in the same order. With plans already made for the use of this money, and in some cases already spent, this vote was a big blow to the state-financed schools.

President Ashton on examining the financial condition of Ranger Junior College, found the school in good shape financially and the vote will have very little effect this year.

Voting was as follows: For the appropriation: Senators Aikin, Corbin, Lane, Latimer, McDonald, Moffett, Moore, Russell, Sadler, Wagonmiller. Against the appropriation: Senators Ashley, Bell, Bracewell, Hardeman, Lock, Martin, Phillips, A. J. Rogers, J. B. Rogers, Rutherford, Strauss, Weinert and Willis.

The Ranger Community Library will be closed Friday, April 16 for the Easter holidays, but will be open Monday, April 19, according to an announcement made today.

Eastland Major Has Important Job Inspecting Food Fed To U. S. G.I.'s.

YOKOHAMA, Japan (Sp.) — No matter how you look at it, 500,000,000 is a pretty big figure. And similarly, 500,000,000 pounds of food is certainly — if nothing else — a lot of food.

That figure represents the number of pounds of food inspected during a six-month period last year by a team headed by Maj. Dan Hightower of Eastland, who is stationed at the Army's 2d Transportation Major Port in Yokohama, Japan.

Major Hightower, son of Mrs. Irene Hightower, 101 E. William St., Eastland, is the veterinarian at the port, through which tons and tons of foodstuffs flow on their way to Army men training in Japan, Okinawa and Korea.

The operation conducted by the port veterinarian is a huge one, but not one single pound of food is allowed to be shipped out for consumption if something is found wrong with it.

For inspection purposes, says the major, food is considered in two categories: the perishable and the non-perishable. Perishable products, which include meats, fruit and vegetables, are examined as quickly as possible after their arrival at the port, owing to the possibility that they might begin to spoil or to lose their flavor.

Major Hightower, who is a 1946 graduate of Texas A & M often makes spot checks himself by means of an "organoleptic" examination. This, he quickly explains, is simply a test conducted

As part of the program, Killingsworth's has stocked up on the latest power tools, new precision-built hand workshop gear, Do-It-Yourself gadgets, sports equipment, kitchen needs, garden tools, as well as the every-day line of hammers and saws, and nuts and bolts.

Many hardware items will be marked down or offered at amazing bargain prices in an effort to lure customers into the store.

Killingsworth's will be decked out in its Sunday best for the occasion, including colorful pennants and gay eye-catching display posters.

Patrons will be given free of charge informative booklets on "Bright Ideas for the Home" which are aimed at the zapping Do-It-Yourself market.

In that connection Killingsworth's will feature items designed especially for the home putterer and the hobbyist. Shelves will be well stocked with things like paint rollers, brushes, quick-drying paints, cabinet hardware and home craftsmen's kits.

Killingsworth's said Hardware Week means "open house" and urged folks "to come in and browse around even though you don't need anything in the hardware line at this time."

FAMILY REUNION—Two brothers meet during an exhibition game at Sarasota, Fla. Twenty-two-year-old Frank Bolling, left, is trying for an infield berth with the Detroit Tigers, while brother MITT, 23, is already a member of the Boston Red Sox infield.

Enthusiasm Needed Now, States Furr

"We must sell ourselves on how to get the job done and then resell ourselves to the people," Donald Furr, personnel director and assistant to the vice president of Furr's, Inc., told West Texas Chamber of Commerce Managers at the noon luncheon of the organization held Monday in the First Christian Church annex in Eastland.

Furr, a member of the family which founded the Furr food chain, was speaking of common

Nuessle Will Attend Waco Law Conference

AUSTIN (Sp.) — J. M. Nuessle, county and district attorney of Eastland county, will attend the Attorney General's Fourth Annual Conference on Law Enforcement at Baylor University in Waco, April 26, 27, and 28.

Attorney General John Ben Shepperd called the annual meeting to discuss problems and new methods of prosecutors, judges and peace officers of Texas.

The meeting will be jointly sponsored by the Attorney General's Office and the School of Law of Baylor.

The Texas statutes authorize the Attorney General to convene law enforcement officials in order to determine law enforcement practices and policies.

Over 400 law enforcement officers are expected to attend from every part of the state. Included among those present will be Justices of the Court of Criminal Appeals, District and County Judges, District and County Attorneys, Sheriffs, Police Chiefs, Justices of the Peace and Constables. Last year's meeting held in Austin was attended by 315 delegates.

Attorney General Shepperd explained that the conference has been enlarged this year from two to three days of business meetings.

Topics for discussion include state-wide crime report, prison and jail problems, control of narcotics, juvenile delinquency, lie detector techniques, hot check legislation and trial and appeal of criminal cases.

Featured speaker will include William J. Jameson, president of the American Bar Association and Erie Stanley Gardner, attorney and novelist.

Senator Johnson Will Announce For Re-Election

Senator Lyndon B. Johnson announced to The Times today that he will seek re-election. The formal announcement will be made in a few days the Senator stated.

Over the State of Texas telegrams and editorials reached the Senator's Washington office offering him a voice of encouragement.

Music President Praises College

Mrs. H. Leo Tucker, president of Sixth District of Texas Federation of Music Clubs, congratulated Ranger Junior College for their part in the festival held in Ranger March 27th, in a letter received by Dr. Price R. Ashton, president.

Mrs. Tucker expressed the gratitude of the organization for the warm welcome and courtesies extended.

The president stated "We trust the effort will bear fruit in the musical lives of the 200 youngsters who attended."

D. Joseph Will Head Rotarians

At a meeting of the Rotary Club in the Gholson Hotel in downtown Ranger D. Joseph was named to lead the Rotarians in the coming year.

Joseph owns the Joseph Dry Goods Company of this city. Joseph has been active in the Rotary Club for many years and also a leader in many civic movements in Ranger. He is not a new comer to this city. The Joseph Department Store is the oldest store of its type left in Ranger.

D. JOSEPH

PARADE BRINGS HUNDREDS TO MAIN STREETS OF THIS CITY

Led by the famous white horses of Dr. F. M. Kuykendall the American Legion Auxiliary parade in Ranger attracted hundreds to the downtown area.

The parade was in observance of Pan American Day and to build the relationship between the people of this country and our good neighbors south of the border.

The queen for the parade was Lupe Ondrea. Miss Ondrea was crowned by Rip Galloway, Ed Freeman and Maybelle Oyster, Parade Judges.

The judges selected parade winners as follows: 1st place went to Claud Beardson, 2nd to Donnie Chestnut, 3rd to Young School, 4th to Sarah Johnson and 5th to Killingsworth Hardware.

The parade was a great success and the legion is due thanks from every citizen who witnessed the splendor and color of this well organized parade.

Last Rites For Ranger Mother

Mrs. C. C. Coalsen passed away in Ranger Wednesday, April 14th. She was born in Appleton, Ark. on June 4th, 1885, and had lived in Ranger for the past 34 years.

Mrs. Coalsen was married to Carl Conrad Coalsen in Whitt, Texas January 20th, 1909. He preceded her in death in 1947.

Mrs. Coalsen was a member of the First Methodist Church of Ranger.

She is survived by two daughters, Mrs. Virginia Luzania, of Fort Riley, Kans., and Mrs. Helen Boen of Ranger; one son, J. J. Barcus Coalsen of Santa Monica, Calif.; three brothers, F. W. Kuhn, Sanger, Tex., H. L. Kuhn of Westford, and J. W. Kuhn of Perrin; three grandsons, Ronnie Carl Luzania, Stephen Edward Coalsen and Dennis Lee Allen. One grandson, Nancy Ann Boen, also survives.

Funeral services will be held at 2 p.m. Friday, April 16th, at the First Methodist Church of Ranger with interment in Bethesda Cemetery northeast of Mineral Wells. Rev. Finis Crutchfield will officiate.

Funeral bearers will be Aaron Stiles, Bob Johnson, Joe Harries, Fred Tibbitt, V. V. Cooper Jr., and H. A. Shockey.

Dam Backs Ups Tons Of Water

The Eastland County Water Supply District almost completed dam, held back tons of water after heavy rains on its watershed this week. An estimate of eight feet of water is now in the lake and in many sections deeper. Water is backed up to the Staff bridge. The road to Staff is still open.

Milk Production In Area Shows March Increase

Reports of handlers regulated under the Central West Texas milk marketing order showed receipts of 12,322,054 pounds of milk from 732 Grade A milk producers delivering milk to the market during March. Byford W. Bains, market administrator, announced today.

On a daily basis producers delivered an average of 397,486 pounds per day which is 2.5 per cent greater than the average daily deliveries during February and 38.9 per cent greater than during March, 1953. The average daily Class I sales showed an increase of 2.2 per cent during March as compared with February and 36.2 per cent greater than March, 1953. The total Class I sales for March were 11,095,012 pounds or an average of 356,290 pounds per day. Of the total receipts of milk from producers, 85 per cent was classified as Class I.

Producers received \$5.60 per hundredweight for 4.0 per cent milk delivered to handlers' plants located at Abilene, San Angelo, Sweetwater and Stamford. For milk delivered to handlers' plants at Brownwood, the price was \$5.40 per hundredweight and for milk delivered to Lamesa or Midland, the price was \$5.80 per hundredweight.

Construction workers for the past week have maintained a twenty-four hour schedule and have filled approximately eighteen feet of a large gap that was left to allow flood waters to pass through without damage to the construction. The gap is not completely filled up but adequate clay and rock have been placed in the gap whereby the lake could stand many more feet of water and still be held by the dam without damage.

Most of the watershed received two inches or more of rain and forecast called for more rains this week.

In Eastland where 19 inch more rain fell, Wednesday, Ringland Lake and Lake Eastland were full. Lake Eastland rose 18 inches and Ringland's rise was a little more.

In Cisco, the Cisco reservoir was reported in better shape than it had been in the last five years. It rose 2 feet and four inches.

Hagaman Lake, Ranger's water source, rose two feet, but is still two feet low.

Over the West Texas country side other water storage facilities did not have the same fate.

At Lake Thomas, located in Scurry County, that furnishes water for Snyder, Big Spring and Odessa, water poured through a 100 foot gap flooding all properties and equipment.

The new rains drenched the water logged Rio Grande Valley pouring discomfort on the flooded towns of Donna, Alamo and Pharr.

The heaviest rainfall in Eastland County was at Gorman where four inches was reported. This area is not in the watershed for the new lake.

"HE'S SQUIRRELY" — Mary Jean Sciora, of Chicago, broods over the faithfulness of an old friend, "Nuts," the neighborhood squirrel, bit the two-year-old animal-lover while she was feeding him peanuts. It meant an anti-tetanus shot for Mary Jean, as no more nuts for the squirrel.

Carlson, Graham To Fight Grudge Match

Enjoy the wrestling matches Monday night at the Sportarena? If you didn't you just left too soon.

The biggest fight of the night didn't get started until almost an hour after the arena closed. It was then that Roy Graham of Corsicana tangled with Cowboy Carlson in a non-scheduled free-for-all. Not a single fan (not even a reporter) got to see the scrap, but Sportarena officials saw more than they wanted to. It took all of their night to keep the two cowboys apart.

That's when Promoter Henry Pullman decided to match the two

boys this coming Monday night. Pullman simply told them if they wanted to fight in his arena they would have to do so in the ring and not in the dressing room. Graham took the offer up immediately, and when Carlson paused a minute, Roy made it a dare. It was then that Carlson agreed to cancel a scheduled bout in one of the larger sites, to meet Graham.

What the fight started over is something that officials refused to discuss. When questioned, Pullman said, "No comment."

A reporter did find out that the pair haven't been too fond of (Continued on Page 2)

Speed Means Better Automobiles

DETROIT — Automobiles are Motors Corp. being designed for higher and more powerful speeds these days but the mending smoother, more economical aim of such design is to produce engine performance in the 30 to 40 mile-an-hour range. To achieve this performance, he says, at moderate speeds says Jack Wolfram, general manager of the automobiles must be capable of Oldsmobile division of "General much greater speeds.

each other. Carlson told Graham after the opening bout Monday night that it was too bad he was over the hill.

Sugi Sito Bark

Sugi Sito will return for a third bout in the Sportarena in the semi-final event. His opponent will be Ivan Kalaanikoff of Moscow, Russia. Sugi is from China, and a judo expert, so things should get rough. Ivan is classed as one of the roughest boys in the business.

And in the opening event of the night, Henry Lutz, who held Sugi to a draw at the Sportarena last week, will meet another newcomer to the Eastland arena, Dick Hutton. Promoter Pullman calls the opening match, "a feature event."

Homespun—

(Continued From Page One)

automobiles grow from one lung to two to giants of more than 200 horsepower. But each year we have seen the careless and the heedless rush of destruction; the family outing turning into a mass tragedy; the speeding tourist taking a trip to nowhere and the party goer dashing home to a life of pain.

It is my conviction that neither science nor engineering, no matter how wisely or widely applied, can provide a permanent solution. This problem has its roots in the minds of men, and it is there we must look for the answer.

After looking over this human race of destruction I cannot tell a joke today. I can't even write a funny story because the terrible taste a link like this leaves with you makes you wonder.

JAMBOREE—

(Continued From Page One)

"OKER" Recordings. Ace has made such songs as "Change of Heart," and "Home Isn't Home Anymore" a favorite of thousands.

There'll be lots more talent, too, according to officials of the Jamboree. Among them, Jimmy Key, popular hillbilly disc jockey of KERC, and his "Timber Trail Riders," Billy Patton, the eight year old singer from Ranger that drew so much applause last week; Maxine Stroy, of Carbon; Hazel Stagner of Ranger; and, a surprise five piece western band.

Make your plans to attend tonight. Admission is 50 cents and 25 cents in Eastland's large, comfortable Sportarena.

Clam Gets Some Scholarly Study

NEW BRUNSWICK, N. J. — The life and wellbeing of the clam is getting a lot of attention these days from world authorities on the subject.

Six years ago, Rutgers University employed three top scientific minds to study the possibilities of establishing and operating a clam farm in southern New Jersey. The research team included Dr. Thurlow C. Nelson, professor of zoology and world authority on shellfish, and Drs. Melbourne R. Carriker and Harold H. Haskin.

They managed to come up with a lot of answers of some consequence to the economy of southern New Jersey, where clambers annually account for one-fifth of a 6,000,000 Atlantic Coast business.

The scientists found out that clams have feelings, too, being sensitive to such things as water temperature, amount of salt in the water, tidal and tidal currents, air temperature, moon phases, barometric pressure and rainfall.

The university team learned that clam farming, using artificially-spawned and protected clam seed, would be a red-ink operation at first.

WILD TURKEY IN EAST TEXAS FACES TEST OF SURVIVAL

PALESTINE — The Biologist for the Gus Engeling Wildlife Management Area said 1954 will be a crisis year for wild turkeys transplanted in Anderson and Henderson Counties in East Texas, particularly within the management area.

He reported that only "about a dozen" wild turkeys remain of as many as one hundred of the big game birds that ranged the refuge in the winter of 1951-52. The original stock in this area, as brought here from South Texas, comprised sixty-eight hens and sixty gobblers released over 50,000 acres in Anderson and Henderson Counties.

The Biologist explained that the Engeling project status paralleled the wild turkey restocking failures encountered in East Texas during the last ten years.

He said cause of the negative results has not been definitely determined but contended that predation or illegal harvest were not primary factors. He said technicians still are trying to determine the actual reason but meanwhile suspect that the drought, worst in the area within fifty years, was the primary drawback.

"We have not raised any young turkeys for two years," said the Biologist.

TWO POLICEMEN CARRY OLD HABIT TOO FAR

BENTON HARBOR, Mich. — Two city policemen, Harold Stone-well, 29, and Urban Craft, 27, were fired for going too far with the policeman's age-old habit of helping themselves at the fruit vendor's stand.

Chief Vern Story said the two admitted taking two cases of strawberries, worth \$9, from a Benton Harbor fruit market.

SPECIAL GUARDS FOR SCHOOL CROSSINGS

CHICAGO — A recent survey by the Civil Service Assembly shows that at least 122 cities with more than 50,000 population have school crossing guard programs.

The study shows that as a result of this system, larger cities are able to get children across streets safely at school crossings four times a day without using police.

Eighty-eight departments have had no traffic injuries or deaths

among school children since the program was adopted. Other departments report minor injuries. A few serious injuries to guards only were due to circumstances which could not be prevented, such as a runaway truck.

Guards are carefully selected on the basis of physical and mental character, and in some cities are fingerprinted.

In 1953, 1,857 forest fires burned an estimated 13,632 acres in Michigan.

New strength and stamina! Lower upkeep costs!

New Chevrolet Trucks...

do more work per day... more work per dollar!

You save hours on the road. Thanks to new high-compression power, you can maintain faster schedules without driving at higher maximum speeds. Increased acceleration and hill-climbing ability let you save time where it counts.

You save time on deliveries. With new truck Hydra-Matic transmission, you save time at every delivery stop. And you can forget about clutching and shifting for good! It's optional at extra cost on 1/2-, 3/4- and 1-ton Chevrolet trucks.

You save extra trips. That's because of the extra load space you

get in the new Advance-Design bodies. New pick-up bodies are deeper, new stake and platform bodies are wider and longer. Also, they're set lower for easier loading.

You save with lower upkeep, too. Extra chassis strength saves you money on maintenance. There are heavier axle shafts in two-ton models . . . bigger clutches in light- and heavy-duty models . . . stronger frames in all models.

You save on operating costs. New power saves you money every mile! The "Thriftmaster 235" engine, the "Loadmaster 235" and

the "Jobmaster 261" (optional on 2-ton models at extra cost) deliver increased operating economy.

And your savings start the day you buy. In fact, they start with the low price you pay and continue over the miles. Chevrolet is America's lowest-priced line of trucks. It's also the truck that has a traditionally higher trade-in value.

Come in and see all the wonderful new things you get in America's number one truck. We'll be glad to give you all the money-saving facts.

New Jobs for Texans

Texas industries have been providing new jobs for Texans at the rate of about 70,000 a year. That's about 200 new jobs every day.

All kinds of jobs . . . in offices, on construction work, in manufacturing plants, in the development of the natural resources of the State. Jobs for riggers, for secretaries, for engineers, for truck drivers, for accountants, for lawyers, for crane operators, for decorators, for sailors . . . all kinds of jobs.

And the reason why these new jobs have been, and continue to be available is this: Texas industry is expanding, and industry makes jobs.

On the average, each new job created in Texas requires the investment of \$12,000 capital*. Thus, Texas industry invests over three-quarters of a billion dollars each year in new plants and in plant expansion to create 70,000 new Texas jobs.

Much of this annual investment in new jobs is

made by the oil industry itself and industries which depend on oil and natural gas for fuel and raw materials. Every year a wider variety of industries put to profitable use a larger number of the resources of the State, and call on a broader assortment of available Texas skills.

Forecasters predict an even greater industrial development in Texas, and an even larger number of new jobs, as more industries recognize the advantages that Texas offers: good markets, raw and manufactured resources, trustworthy and dependable people, efficient and abundant fuel, a mild climate, and a good state government . . . In that list of advantages, the Texas oil industry provides raw materials for processing, and the world's finest industrial fuel—natural gas.

*In the oil industry, the required investment for each new job is over \$50,000.

Welcome to a glimpse of the RHS corridors. Did you ever make a U turn on a railroad track? If you haven't you ought to try it sometime. It is really a thrill — especially if a train is coming!

The Seniors were measured for their caps and gowns on Tuesday. This was supposed to be done last Friday, but the man didn't come. The Senior Class and the play cast were very disappointed at the small crowd that attended their play. The proceeds of this play

went to the Youth Center. When something like this is given to help the youth program of the people of the city ought to stand behind it.

The First Baptist Church will sponsor the Youth Crusade for the Young People of Ranger. All young people are invited to attend. This program will be held on Saturday nights. There will be a lot of fun and recreation for all — and we hope some food sometimes.

Six weeks test started Wednesday. Just five more weeks for us Seniors — and those weeks will be crammed with activities.

The last payment on the annuals is still due. Better hurry and get it paid before that "certain date" is gone.

The Senior Class has received an invitation from HSU to be their guest — Saturday, April 24 for Ranch Day on the HSU Campus. There will be a free Bar B Q and a free rodeo.

The water sprinklers are getting a rest now since the rain. It is a wonder that the grass hasn't been drowned because it has been kept under water.

The Juniors are checking their permanent records and getting

EUROPEAN RIDING STARS FEATURED WITH AL G. KELLY & MILLER BROS. CIRCUS COMING SUNDAY, APRIL 25 — MATINEE ONLY

Above is shown three of the principal members of the world renouder and famous Kantolina Family of Bareback Riding Marvels. This family of noted equestrians are a recent importation from high in Pyrennes Mountains of Central Europe, and are making their first American appearance this year with the Al G. Kelly-Miller Bros. Circus, which is slated for an afternoon only performance at the Old Driving Ranger grounds in Eastland on Sun. April 25th.

their subjects picked for next year. This checking is done to see if all the Juniors will be Seniors.

Tuesday, three men from TCU spoke to the Senior Class about college entrance.

The Colonel of the ROTC unit was present. Speaking of ROTC made some of the Senior girls swoon.

Mrs. Hagsman, we are glad that you are feeling better. Just take life easy and get well.

I got some sociology used on me the other day. I'll bet that will be the last time, because the examiner might really find out what I am thinking.

Twirl season is still on. You boys better be careful — because these girls are on the loose — and they might snatch you!

These muddy roads are hard on the buses and their drivers. But the kids seem to like it — If the bus happens to get stuck.

The Senior girls are glad that Mrs. Bates is thinking about going on the Senior trip as girls sponsor.

We know that we can depend on her and that she will take care of all the mothers little girls.

The Bookkeeping Class is going into business for themselves again.

We are getting practice sets which we will have to work with partnerships and cooperations. Probably some of us will break our good business friends.

The Junior Class has ordered their Senior Class rings. It seems like only yesterday since we ordered our rings. Time surely passes fast!

Thought for today: Let us be considerate of our classmates and friends.

See you in Church Sunday at yours or mine.

A Long Trombone
BOSTON — Henry Weeber has been playing the trombone for more than 65 years. Now 80, he recalls having played in theatre orchestras for such stage stars as Joseph Jefferson, Richard Mansfield, Harry Lauder, Maude Adams and Mrs. Leslie Carter.

ITALY'S MODEL MODEL—Ilva Pompli, above, has been named "Italy's Top Model for 1952." The American beauty experts who judged the contest have awarded Ilva a trip to this country, where she will spend at least a month some time during 1953.

NEWS FROM DESDEMONA
By Mrs. Ethel Keith

Virgil Northcutt continues to be a patient in the Gorman hospital.

An eight pound baby girl was born to Mr. and Mrs. Jack Boyd. Mr. and Mrs. Hyson Echols are the maternal grandparents and Mr. and Mrs. Foyd of Gorman are the paternal grandparents.

Mrs. Minton Hanna and little daughter, Marsha Faye, visited Monday with her parents, Mr. and Mrs. H. T. Lane.

Joda Lewis underwent surgery in Abilene Friday for a knee injury sustained more than a week ago. He will be returned to the Gorman hospital Wednesday.

Mrs. H. T. Lane attended the County Singing Convention in Eastland Sunday.

Harold Caudle, son of Mr. and Mrs. F. T. Caudle and Miss Daphne Snodgrass of Carbon, were married Sunday afternoon at the home of the local Bible Baptist Pastor, Rev. Buck Williams.

Holy Week services will begin Wednesday, April 14, at the Methodist Church and will continue through Easter Sunday.

Mr. and Mrs. W. H. Davis, accompanied by Mrs. Bill Tucker, drove to Brownwood last Tuesday. The ladies attended the Sixth District meeting of the Texas Federated Club.

Mrs. Coke Brunelow and daughters, Linda and Cherry, of Ballinger, were week end visitors of her mother, Mrs. Sylvia Abernathy and family.

Mr. and Mrs. F. R. Wilcox and family of Odessa were week end visitors with the Maburn Wilcoxes and Ethel Keith.

Winford Lindley of the U. S. Navy is home for a 30-day leave visiting his father, Will Lindley.

The Bible Baptist Church Spring Revival closed Sunday with an all-day service and dinner on the ground.

Lunch was served at the First Baptist Church Sunday with services in honor of all previous pastors. Rev. and Mrs. H. D. Martin were present and visited here over the week-end.

BONDED WAREHOUSE HOLDS ONE BARREL

FRANKFORT, Ky. — The smallest government-bonded whiskey warehouse in the nation was dedicated recently at a Frankfort distillery, to hold just one barrel of bonded bourbon whiskey.

This particular barrel happened to be the two millionth barrel of bourbon produced by the distillery since the repeal of prohibition. No other distillery has reached that mark.

The warehouse, built of Kentucky limestone, meets 30 pages of government specifications for a bonded warehouse, and is radiant heated to keep the barrel at an even temperature the year around.

Each barrel of whiskey receives a government-stamped serial number before it is placed in a warehouse for aging, so there was no question about whether or not this one was actually number 2,000,000.

For Safe Vacation Try New York City

PORTLAND, Me. — A physician who has made an extensive study of accidents advised members of the Maine Medical Association, "If you want the safest possible vacation take it in August in New York City."

the New York State population also have 40 per cent of the fatal accidents. Maine's rural fatality rate is similarly high, he said.

The physician said he suggests August for vacationing in New York City because that's the month when rural accidents are most numerous.

Dr. John H. Powers of Cooperstown, N. Y., explained that New York City has 53 per cent of the Empire State's population but only 40 per cent of the fatal accidents.

Dr. Powers said towns and villages with less than 24 per cent of

Titan, the largest satellite of Saturn, is the only moon in the solar system known to have an atmosphere. Titan's atmosphere is composed chiefly of methane gas.

Women Making Bigger Impression

CLEVELAND, O. — Women's feet are averaging a full size larger than 25 years ago, according to evidence brought out at the convention of the Ohio Chiropractors' Association.

Dr. Neil C. MacBane explained that this is part of the over-all development of the human race.

"People are taller than they used to be," Dr. MacBane said, "and their feet are proportionately larger."

He also cited a point that many come as a shock to males: "Women are more sensible (today) about shoes."

"They no longer crowd their

feet into small shoes as they used to do," he added. "The younger generations have permitted their feet to stretch to normal length."

However, Dr. MacBane warned against too much foot freedom and pointed particularly to "flat-ties" popular with teen-agers. No arch support, he said.

"In late years these teen-agers may be troubled by foot or back trouble and bad posture," he added.

Dr. MacBane reported that nine of 10 adults have some sort of foot trouble, but that "only five per cent do anything about it."

Mr. and Mrs. E. T. Eubank visited friends in Ranger Tuesday.

CARRIERS WANTED

Wanted at once boys with bicycles for Ranger Daily Times routes.

Any boy interested in securing one of the routes should contact Mrs. Joe Dennis at the Times office any time.

Fish Are Bigger Down At The Old Fishing Hole

Many fishermen will travel hundreds of miles this year to their favorite fishing spots, but the farmer or rancher who owns a good pond can solve the travel problem without ever leaving home.

Stock tanks all over Texas soon will become mighty popular hangouts for the country type fisherman.

R. E. Callender, extension wildlife management specialist, says now's the time to give farm ponds a little attention so they'll be ready when the fish commence to bite within the next month or so. Remove all trash around the pond so the surroundings will be attractive to the family and their friends.

Farm ponds can be fertilized the same as farm crops. And, the results are equally as promising. An increase in food supply increases the pounds of fish raised.

Callender recommends a pond treatment of 400 pounds of cotton seed meal plus 200 pounds of 20 percent superphosphate. A 4 acre of water per year. Make this first 300 pound treatment of this mixture early in March, he says. Broadcast the materials over the surface of the pond. Then, three subsequent applications of 100 pounds should be made at three to four week intervals.

In addition, 600 pounds of high grade commercial fertilizers applied similarly to the above recommendation may be substituted instead of the above treatment.

Callender says that properly treated ponds take on a greenish-brown color. He says a good test is to plunge the arm into the water up to the elbow. If the finger tips are visible through the water, make the next application.

The wildlife specialist says a program of farm pond management paves the way to ideal fishing at home and added summer recreation for family and friends not to mention the addition to the family menu.

Cisco Baptist Brotherhood To Meet April 19 In Breckenridge

Dr. Evan Reiff

Cisco Brotherhood Association will eat barbecue dinner in Breckenridge April 19 at the First Baptist Church. Dr. Evan Reiff, president of Hardin-Simmons University will bring the inspirational message. The Brotherhood and their guests will be welcomed at this meeting.

Dr. M. A. Trendwell, of Eastland is president and with his officers and directors has planned a wonderful evening of food, fun, and fellowship. Dr. Reiff, who has served as president of H-SU for the past year, has proved a most popular after dinner speaker. He has preached and spoken in many churches and other public meetings. He is much sought after and will bring a splendid message, according to Dr. Marshall Jolly.

vice-president, Walter Jetton of Ft. Worth will serve the meal in the basement of the First Baptist Church of Breckenridge.

Plans are made for three hundred or more and each of the 36 churches in the Cisco association has a quota to bring to the meeting. The meal will be served from 5:30 to 6:45.

Rural Chairman's Red Cross Report

Four communities are way over the top in their quotas for the 1954 Red Cross fund campaign according to Mrs. Bill Tucker, rural chairman. They are, North Star, \$45.31; Cheaney, \$43.00; Shady Grove-Ward, \$40.50; and Corinth, \$26.00. Others meeting their quotas are Flatwood, \$25.00 and Colony, \$19.00.

A note of appreciation is due all community chairmen for a job well done whether their community is large or small. A few more communities have not sent in a final report, but the overall quota raised to date is \$337.71.

CARD OF THANKS

We wish to express our deepest gratitude and thanks to our many friends for their kindness during the illness and death of our loving husband and father, Ed Franklin. May God bless each one of you for what you have done.

The Franklin Family.

An average female rainbow trout will produce from 5,000 to 9,000 eggs a year.

LACK OF TRAIN KEPT PRIEST ON THE JOB

HOVEN, S. D.—When the Rev. A. C. Hembrecht arrived here in 1908 he found only a few board shacks and a desolate-looking little board church.

The Catholic priest told friends in later years that "if there had been a train out of here that first night, I would have been on it." But Father Hembrecht stayed.

This spring he celebrates his 60th year as a priest and his 46th year in charge of the local parish. The 84-year-old priest now has charge of a Roman-style \$250,000 Cathedral of the Prairies which towers over this prairie village.

Mr. and Mrs. M. S. Wade and daughter, Betty Jane, of Tyler, visited friends in Ranger over the weekend.

FIRST BAPTIST GOES ALL-OUT FOR YOUTH

The Young People of the First Baptist Church assisted by scores of Youth from other churches laid the ground work for a great and Spiritual Revival that has changed their lives and has awakened the Adults of the City. To the Youth goes the honors.

At the regular conference Wednesday night the Church heard many recommendations from the Deacons in support of the over all program. The Church voted to support both morally and financially the program.

Various committees of the church have been in conference and plans are well under way to sponsor the youth program and to present an adequate program. This program does not carry a "membership in the Baptist Church requirement," but is for all The Youth who are interested in a bigger and a better program.

The B.S.U. of R.J.C. has already formed a "Life Service Band" and have been conducting services in various churches in this area. They plan to send a group to the spring retreat at Latham Springs April 23, 24.

The Youth For Christ Group has planned their programs for some time in advance and will have their first meeting Saturday night at 8:00 in the auditorium of the

Church. Fellowship and refreshments will close the evenings program. Plans are well under way for a Youth Choir, and special vocal arrangements. A church orchestra and a dramatic club are in the making.

Recreation will include indoor and outdoor activities. Both boys and girls will have the opportunity to join in these activities. Soft ball or base ball will be sponsored for the little fellows who are not eligible for the Little League.

The W.M.U. will honor the High School Seniors and the Junior College Sophomores with their annual banquet April 30 in the lower auditorium.

Senior Day at Hardin-Simmons will find the Students from the Sigh School and the Junior College as guest of the Local W.M.U. for the day in Abilene.

—ADV.

CHURCH SERVICES

Easter Week Revival Continues At First Christian Church

The Easter Week Revival continues with increased attendance at the First Christian church of Ranger. Special services will be held tonight in observance of Maundy Thursday and tomorrow night in commemoration of Good Friday. These evening services begin at 7:30 p.m. Your attendance at these Revival meetings will make this Easter season one of the most meaningful in the history of this community.

Rev. A. Lynn Robbins, pastor of the local church, will preach tonight on the topic: "The Feast of Love". Thursday of Passion Week is the annual celebration of the institution of the Lord's Supper and Rev. Robbins will bring his

message upon this important Christian theme. On Friday night the sermon topic will be "The Meaning of the Cross." Perhaps no other symbol of Christianity has become as widespread as that of the sign of the Cross. Every Christian person should, thus, have a clearer understanding of the reasons for the Crucifixion of Jesus upon Friday of Holy Week.

There will be appropriate special music for each of these services and there will also be the popular fellowship singing of the favorite hymns of the congregation. Your attention is called to the fact that there will be no service Saturday night and that the Revival will close with the two church services of Easter Sunday.

We of the First Christian Church are looking forward to seeing our many friends and neighbors at the revival services tonight and tomorrow at 7:30. You and your entire family will receive a cordial welcome and a real Christian blessing.

Banquet At First Baptist To Honor Spring Graduates

The graduating classes of the high school and junior college will be guests of the W.M.U. of the First Baptist Church at a banquet given April 30 in the lower auditorium of the church.

The program committee, Mrs. Ronald Pruet, chairman, assisted by Mmes. A. Kirk, and Marshall Jolly; the Food Committee, Mrs. Hugh Smith chairman, assisted by Mmes. Cecil Meadows, L. Tankersley and Lee Mitchell; decoration committee, Mrs. L. L. Bruce, chairman, assisted by Mmes. L. G. Kennedy and J. W. Warren.

Serving Committee, Mrs. W. A. Reuser, chairman assisted by the high school girls Sunday School class and the Junior College Sunday School Class, who are not graduating; Table arrangements, Mrs. A. W. Warford, chairman, assisted by Mmes. Jimmy Jones, Keith Langford and Dwayne Dennis; Imitation committee, Mrs. Glenn West, chairman, assisted by Mmes. W. J. Arterburn and Wilson Guest.

A youth speaker will be secured and a splendid program is in the making along with a most appetizing menu.

This is an annual banquet that the ladies of the church serve to the graduates of our two schools. Various officials of the schools, and the sponsors will be guests of the banquet.

Meeting Monday WMS Members

The WMS met Monday, April 12th at the church for a Royal Service Program.

The meeting was opened with a prayer led by Mrs. Carl Eakin. The opening song "Showers of Blessings," led by Mrs. Earle Pittman.

The Carolyn Bell Circle was in charge of the program with Mrs. L. S. Kennedy, chairman, leading. Mrs. L. D. Tankersley brought the devotion.

The program was put on with a group going on a plane trip discovering they were all missionaries going to South America. Mrs. Kennedy was the stewardess. Mrs. Roy McCleskey, Mrs. J. W. Warren, Mrs. Walter Arterburn and Mrs. Earle Pittman, Missionaries. Mrs. Jimmie Jones dismissed in prayer.

Refreshments were served by Marion Wolfe Circle.

Those present: Mmes. Charles Layton, R. E. Webb, J. I. Houghton, A. A. Daniels, Carl Eakin, T. J. Anderson, W. A. Reuser, Jimmie Jones, Wilson Guest, Hugh Smith, R. E. Langston, L. D. Tankersley, Joe Tullis, J. M. Daniels, W. H. Kimbrough, E. I. Norris, L. L. Bruce, Lee Everheart, E. C. White, H. E. Hargrave, Bob Hodges, Lee Mitchell, Ralph Perkins, H. A. Shockey, Roy McCleskey, J. W. Warren, Earle Pittman, Walter Arterburn, Mamie Ruth Hamrick, and Glen West.

CARD OF THANKS

To all who sent cards and flowers and were so kind to us during our bereavement, we wish to express our sincere thanks.

'Christ Is The Answer' Is Theme Spring Revival, First Baptist Church

"Christ is the Answer", is the theme that has been chosen for the Spring Revival that is to begin at the First Baptist Church Sunday, April 18, with the pastor doing the preaching. Mr. Gene Uppshaw, music and educational director of the Handley Baptist Church will lead the music and direct the booster band choirs.

Christ has proved to be the answer for all the problems of life and will furnish strength for the day and courage for the problems of life. There are many scores of folk in Ranger area who need the deep spiritual peace that comes from above when the individual is right with God.

Willing Workers SS Class Has Meeting Tuesday

Members of the Willing Workers class of the First Methodist Church met at 7:30 p.m. Tuesday, April 13, in the home of Mrs. Walter Daniels with Mrs. Vernon Deffebach as co-hostess. Mrs. Charlie Hamilton presided over a short business meeting. The devotional was given by Mrs. B. S. Dudley Jr. Mrs. Daniels presented an Easter story entitled "The Dogwood Tree."

Rev. Perkins has these years in Ranger given assistance to hundreds of sick in the two local hospitals. He has stood by in time of need and has conducted 136 funerals in Ranger during his ministry. He has been a loyal and faithful supporter of both the Public Schools and of the Ranger Junior College.

During these past few years the church has grown in membership and has attained a state wide recognition for Sunday School and Training Union growth. The church has ranked high in the number of conversions each year. The pastor has served on state committees and has been a leader in the Associational and District work.

Services will be conducted at 7 a.m. with breakfast served until 7:20 and the benediction at 7:50. This enables families and men who work to come as they work and enjoy the breakfast and the message and go directly to work. The mothers can return their children to their home or school.

The evening services will begin at 7:30.

First Baptist G.A.'s Meet

The Girl's Auxiliary of the First Baptist Church met Monday evening, April 12 at the church for a program from "Tell."

The meeting was opened with the song, "What A Friend" led by Marilyn Warden, accompanied by Norma Gayle Emfinger. Prayer was led by Mrs. Wesley Stiffler.

The business meeting was presided over by Sarah Johnson. The minutes were read by Janice Belknap.

Diana Cantrell had charge of the program. The girls worked on their scrapbooks and decorated a fruit basket for the food to be taken to Girl's Ranch. The program was closed with a prayer by Sarah Johnson.

Those present were: Mary Getts, Maxlyn Warden, Paula Lingle, Patsy Graham, Norma Gayle Emfinger, Doris Sharp, Kaye Hopper, Marinell Shockey, Diana Cantrell, Sue Cantwell, Sarah Johnson, Beverly A. n Daniels and Janice Belknap.

Series of Spring Recitals Are Planned by RJC Music Department

The music department of Ranger Junior College is planning a series of spring recitals to be scheduled early in May, according to Fred D. Baumgardner, head of the music department.

The recitals, each set for eight o'clock in the evening, will be held in the Music Building of the college, beginning with an all-boy recital on May 3rd. This recital will be made up of piano and organ selections, with one cornet student being presented.

Two all-girl recitals will be given, one on May 4th and the other May 10th. These recitals will be made up of piano, organ and voice.

Friday, May 14th, a special recital will be given, presenting Janel Jernigan of Goldthwaite, Jan-

nell, who is only ten years old, is considered the leading young artist in this area of the state.

All these recitals are open to the public, except that of Miss Jernigan, which is to be for students and parents only.

Mrs. Theo Fergusons' sister, Mrs. W. B. Donelson and daughter, Carol Jan, visited the Fergusons home last week. The Donelsons are from Dulce, N.M.

Mr. and Mrs. Virgil McCarley and son, Sandy, of Spring Valley, Calif., are visiting his mother, Mrs. A. F. Parton and his sister and family, Mr. and Mrs. O. S. Durham.

Barbara Dawson Has Birthday Party Monday

Barbara Dawson, daughter of Mr. and Mrs. C. A. Dawson, celebrated her seventh birthday, April 12, with a party at her home.

The children played games and the prize winners were Marim Milmo and David Dunson.

The birthday cake was decorated in the Easter theme, and each child was given an Easter favor. Refreshments of cake and punch were served to the following: Jan Watkins, Marim Milmo, Jimmy Purefoy, Donna Crumley, Jimmy Boone, David Dunson, Donny Dawson and Larry Wilhelm; also, Bobby and Nancy Dawson and Nancy Harrison of Breckenridge.

Hospital News

New patients at Ranger General Hospital include: Mrs. Walter Baker, Ranger, surgical; Clifford Richardson, Eastland, medical; Mrs. Bill Kendall, Cisco, surgical; and Doris Marie Shubert, Brad, medical.

Patients admitted recently at West Texas Clinic are: Mrs. Saunders Gregg, Lee Cantrell, and Mrs. Vallie Jones all of Ranger. Hall Walker was dismissed this morning.

SOCIETY

WSCS Concludes Study On Alcohol At Meeting Tuesday

The Woman's Society of Christian Service of the First Methodist Church met at 9:30 Tuesday morning, April 13 for the third and last session of the study of "Alcohol and Christian Responsibility" taught by Mrs. A. W. Brazda.

Mrs. Arthur Deffebach presided over the business session which was opened with prayer by Mrs. G. O. Strong. The song "This is My Father's World" was followed by the reading of the minutes of the last four meetings by Mrs. R. L. Willis.

Rev. Crutchfield gave the devotional from Matthew 21 on "Priority of Christian Relations and Conflict of Will." Miss Helen McAnelly gave a report on an alcoholic survey in Nassau County, New York, principally about the teen age situation taken from the

March issue of Better Homes and Gardens. She also read a poem entitled "The Bridge Builder."

Mrs. W. F. Creager talked on "The Truth About College Training," a survey on Alcohol at Yale University. A book will be available soon entitled "Drinking in College" by Dr. Seldon D. Brown and Dr. Robert Struss.

Mrs. Brazda closed the program with prayer.

Mrs. Arthur Deffebach will give a book review next Tuesday morning.

Mrs. J. L. Turner Is Hostess To New Era Club

The New Era Club met Wednesday, April 14 in the home of Mrs. J. L. Turner with Mrs. W. Mitchell and Alex Roberson as co-hostesses. Mrs. E. R. Green presided over the business meeting.

Mrs. B. S. Dudley, Sr., talked on "Come Into My Garden" and Mrs. Robinson on "Seed Catalogue Contagion". Mrs. A. N. Larson gave a talk on demonstration on "Flower Arrangement."

Refreshments were served to the following: Mrs. Price Ashton, Fred Baumgardner, L. L. Bruce, W. F. Creager, Max Crumley, Vernon Deffebach, Arthur Deffebach, Lee Dockery, J. D. Drennan, R. S. Dudley, Sr., B. S. Dudley, J. Green, M. H. Haggaman, N. E. Landers, A. W. Lewis, W. A. Robinson, Buck Wallace, A. W. Warford, Glen West; the hostesses, Mrs. Turner, Mitchell and Roberson; and two guests, Mrs. Larson and Mrs. J. T. James.

A. L. Auxiliary To Have Mexican Supper Tonight

The American Legion Auxiliary will climax their Pan-American Day activities with a Mexican supper at 7 o'clock tonight at the American Legion hall.

All who attend are asked to bring a covered dish of Mexican food.

Mr. and Mrs. Wm. Eyley and Mr. and Mrs. Bill Eyley spent the week end in Tyler visiting Mr. and Mrs. Hershel Eyley. Mr. Eyley is a clinical psychologist in a hospital there. Mrs. Eyley is the former Jane Harmon of Ranger.

Personal Items

Mr. and Mrs. Walter Pruitt of Midland will spend the week end here visiting her parents, the O. G. Laners.

Guests in the J. E. Moroney home last Sunday were their sons, Joe and Billy Mac of Abilene and their daughter and husband, Dr. and Mrs. Ernest Green of Fort Worth.

Mrs. E. S. Datch is expecting her son, Bob, home this week end in Midland.

Mr. and Mrs. J. A. Johnson visited in Dallas last week end with their son and daughter-in-law, Mr. and Mrs. Frank Johnson. Mrs. J. K. Dorris accompanied them and visited relatives.

Mrs. Leola Martin is visiting in Midland and will return home Sunday.

Mr. and Mrs. E. F. Arterburn spent the week end in various parts of Oklahoma visiting relatives, after returning Mr. Arterburn's mother to her home in McAllister.

Mr. and Mrs. W. N. Borders are expecting their daughter and son home for the Easter holidays. Their daughter, Cecilia, is a student of O.L.V. in Fort Worth, and their son, John, is from Midland.

The ALL new
CYCLA-MATIC FRIGIDAIRE

Here's the easiest-to-use food freezer-refrigerator ever made! Makes other refrigerators old-fashioned. And now there are even more Cyclamatic models to choose from!

Roll-to-you shelves glide out ALL the way!

With Complete Self-Service

Egg Server delivers one egg at a time.
Server Tray slips out for handy serving!
Butter Conditioner keeps butter soft, easy to spread.
Cheese Compartment is separate and covered.
Covered Containers for 1-liters.
Frozen Juice Can Holder in Food Freezer.

Colorema Styling Inside and Out
This new Frigidaire has a glamorous interior finished in a pastel shade—with a golden trim. Choice of white or two colors ON THE OUTSIDE. Right of left-opening door.

Seven-Size Servable Food Freezer
Has a separate freezing system... handles variety of frozen foods in 22 different sizes.

Cyclamatic Frigidaire
Cyclamatic Frigidaire in the refrigerator never needs attention. No buttons, heat, or cold water evaporated automatically.

\$449.95
Only Frigidaire offers a choice of Dulux or Lifetime Porcelain exterior finishes.

SPECIALS FOR EASTER

Garnish your Ham with Canned 'Cling' Peaches from California

Quick Broiled Clings: Brush cling peach halves with melted butter or margarine. Sprinkle a little brown sugar over each. If desired, dust with cinnamon, nutmeg, or dry mustard. Broil until lightly browned and heated through, about 5 minutes.
