WINDBAG  
By The Office Loufer

The membership of the Second Baptist Church in Ranger and its pastor Rev. D. D. Brian are to be commended for taking the lead in giving assistance to one of the church's members. By its "Love" offering at the Sunday night service, the church raised \$92.50 to assist Mrs. C. C. Maddux, whose two children are at the Hendricks Memorial Hospital in Abilene with polio.

A number of friends of the family Saturday morning started the campaign to give financial assistance to Mrs. Maddux, and Rev. Brian said that plans had already been made to take the offering at the church.

Ranger citizens have a reputation for generosity to people in distress. The circumstances confronting Mrs. Maddux are indeed tragic, and it is our belief that this is a case which is worthy of help. Persons who wish to make a contribution may do so at The Ranger Times, The Ranger Chamber of Commerce or at "500" Cleaner.

Who are the best drivers — men or women?

That is a subject which has caused many a debate in many households since the day Mr. Henry Ford began to market his gasoline buggy.

The ladies may be gratified to learn that the National Safety Council's statistical yearbook, "Accident Facts," reveals that 19 times as many men as women drivers are involved in fatal accidents.

Just a minute, ladies! "Accident Facts" goes on to say that while 41,700 men and only 4,100 women were mixed up in fatal accidents last year, more than twice as many men were driving, they drove farther per driver, and they drove more in all kinds of weather and conditions than the women.

"So," the Council says with evident relief, "no one can really tell who's the best driver, a man or a woman."

And so, says this old country boy, there's still plenty of room for plenty more family debates.

And speaking of family debates, this corner of the paper had just about decided not to mention it any more, but it seems that Ralph's Veal is in the process of buying his way out of the dog house. You will recall that he claims this old country boy got him in the dog house when he was campaigning for the office of Constable by printing a report about campaign tactics with the widows and old maids. This was reported not to help matters at home. Well, Mrs. Veal now has a new Chevrolet and that from confidential sources, I have learned Ralph's lot at home is easier.

Fishing News!  
Forecast: Fishing should pick up Wednesday and Thursday, and begin to get good by Friday and remain that way through next Monday. So, boys, get out the gear and give it a trial.

Just to prove my own forecast, last Saturday I went on my first trip to Possum Kingdom. I had advised you to stay away and save your time, gasoline and minnows. (Now I deny that I gave such advice just so I could slip in and get all the big ones.) Honest, I went to see if I had forecast wrong. Based on my own experience there was never a more correct forecast — weather or otherwise.

My luck was worse than terrible. Frankly it almost stank, but I didn't have enough luck to ever get a fish smell. Oh, I did get a few bites, and actually pulled five out of the water, but I had to lay them down beside the minnows to see which was which.

**FOREIGN VISITOR**—Studying agricultural methods in America and in Eastland County in particular, Somchai Dhamnonragsa, 29-year-old student of the Bangkok Experimental Station, Bangkok, Thailand, is shown here when he visited a peanut plant at Gorman recently. During his visit to Eastland County, J. M. Cooper, county agent conducted him on a tour of farms including those of W. B. Starr, Howard Ingram, Herman Schaefer, Lee Leiske, D. V. Warren and John Love. Shown above a r e Melvin Shell, manager of the Gorman Peanut Co., Dhamnonragsa, and County Agent Cooper. (Photo Courtesy Gorman Progress).

## Friends Start Drive To Aid Polio Victims

Friends of Mrs. C. S. Maddux, 403 N. Marston, Ranger, whose two teen age children are confined to Hendricks Memorial Hospital at Abilene with polio, shortly before noon Saturday launched a drive for financial assistance.

## Wood Opens New Office In Cisco

A branch office for the Ranger Transfer and Storage has been opened in Cisco, Alvis Wood, owner of the firm said today.

Wood said he had opened the new office to serve that area with his household goods moving service and at the same time he has obtained a contract as agent in Cisco for the Merchants Fast Motor Lines. He is also the Merchants agent in Ranger.

A permanent force has not yet been assigned to the Cisco office, but his complete services will be made available there, Wood said. For the present Mrs. Wood is managing the new office.

## AA Members Here Attend District Session Sunday

Several Ranger members of the Eastland chapter of Alcoholics Anonymous attended a meeting in Breckenridge of AA chapters in this district, including San Angelo, Brownwood, Abilene, Ballinger, Eastland, and Coleman. Two outstanding speakers, a man and his wife from Irving were heard on the afternoon program held at Legion Hall in Breckenridge.

## WHO IS THIS?

From files that we have had in storage we found this picture that appeared in the Ranger Times at one time. Do you know who it is? Watch each Times issue for a new picture.

ANSWER: The picture which appeared in Sunday's edition of The Times was that of Allen Usery.

## Texas Electric Freezer Expert Here This Week

An interesting, timely and helpful demonstration is being conducted this week in Ranger at the Texas Electric Service Company. It is the food freezer demonstration being conducted by Miss Mary Frances McNair, home service advisor of Texas Electric. She is from the company home service department in Fort Worth.

The demonstrations began Monday and are held throughout each day up to and including Friday. They show housewives interested the newest methods of preparing and packaging foods for the freezer and short cuts that will save much time.

A. N. Larson, Ranger manager for Texas Electric, said, "If you're a homemaker with questions on the preparation of food for a modern freezer, here's your opportunity to get plenty of helpful information. Our home service advisor, Miss McNair, will be glad to answer any questions you have in mind."

## Ranger Market On Cattle, Hogs Very Favorable

Livestock sales were up Monday over the previous several weeks at the Ranger Livestock Commission Company, with 550 cattle and 50 hogs going through the auction sales ring.

Prices paid on the local market Monday were comparable to prices on the major cattle markets, and in a few instances may have exceeded prices at the livestock centers.

Fat heavy calves brought from \$12 to \$21.50; common grade calves, \$10 to \$15; Fat cows, \$9 to \$12.50; canners and cutters, \$6 to \$9; bulls, \$10.50 to \$13; bulls which brought top prices were exceptionally good weight in the 1,500 pound class and up; stocker calves, \$13 to \$17.50; stocker cows and calves, \$8.5 to \$13.5 pair; top hogs brought \$23.50; sows, \$14 to \$18.

A new service to sellers of livestock was announced today at the Ranger Livestock Commission Company. Loy Williams, local manager, said that they would be able to handle livestock brought in before sales days. Williams said the commission company would now be able to feed, water and care for stock brought in a few days before the regular sale.

## Four Enlist In Air Force In Eastland

Four area men have enlisted in the Air Force, S-Sgt. Grady D. Hoyle, head of the Eastland Recruiting Station, said Tuesday.

Ranger men enlisting were Leslie U. Hale, son of Mr. and Mrs. Thomas E. Hale, 121 Bowie, and J. M. Bush, son of Mrs. Elizabeth E. Bush, 225 South Oak. Enlisting from Breckenridge were Don K. Wilks, son of Mr. and Mrs. E. G. Wilks and R. G. Gandy, son of R. Gandy. Both Wilks and Gandy were honor graduates at Breckenridge High School.

## Sweetbriar Holds Denver Meeting And Fashion Clinic For Managers

Mrs. Gertrude Henry, manager of the Sweetbriar Shop in Ranger returned Friday from Denver where she attended the semi-annual Sweetbriar fashion clinic held during Denver market week. She attended a preview and style show of fall and winter fashions from designers in New York, California and Dallas, at which time she selected garments for her Ranger shop for the coming season. These fashions will be shown at the shop here shortly.

In discussing the fashion clinic, Mrs. Henry said she was particularly impressed with the new colors for fall; including Turquoise and Orange shades, known as yam. She was also greatly interested in the many possibilities of interchanging and mixing of clever, new sportswear items.

She found that coat fabrics are new and luxurious, while prices are somewhat lower, Mrs. Henry stated. The new boxy suits for college and career wear were unusually attractive to her, and it appeared that party dresses are even more glamorous in the new high shades, billowing skirts with full petticoats and new necklines.

## Lt. W. E. Lummus Being Sent To European Post

Lt. Wm. Edwin Lummus of the U. S. Air Force, son of Mr. and Mrs. Carl Lummus of Ranger reported to Camp Kilmer, N. J. on August 2, from which point he will leave soon for Germany where he will receive reassignment in the European theatre.

Lt. and Mrs. Lummus were in Ranger during the month's leave he had in July visiting with his parents. He had just completed his training in Aircraft Communications Division at Scott Air Force Base, Belleville, Ill. He will serve as Communications Officer under the European Air Force Command.

Mrs. Lummus will remain in Ranger and Moran until she is permitted to join her husband at his newly assigned base in Europe.

## Water District Moves House To Filter Plant Site

The Eastland County Water Supply District has completed moving a frame house it purchased from the City of Ranger to the site of the filter plant, C. B. Pruet, president said today.

The house had been located at the Lake Hagaman plant of the Ranger water system, and was built by the City of Ranger at the plant site several years ago. Until recently it had been occupied by W. O. McMillan, pumper for the Ranger system. McMillan who will continue with the Ranger system while it is in operation has moved into the city.

The house has been located just south of the water district filter plant. It was purchased recently by water district for \$1,300. The moving job was handled by A. O. Templeton of Ranger. Pruet said that the house would be set on a concrete foundation and the contract for this work had been let to Buster Shugart of Hanger.

## City Briefs —

**FIVE ASSESSED FINES**  
Records of the police department show five arrests over the weekend for being drunk. Fines were assessed in corporation court.

**TEENAGERS RUN RAMPANT**  
It was reported to Police that several unidentified teenagers were tossing firecrackers from a car Sunday afternoon. Also some garbage was scattered on Main street. It was not determined whether one or more groups were involved.

## Gulf Transferring Taylor To Miss.

L. O. Taylor, district foreman of this district for the Gulf is being transferred to Mississippi, it has been learned. He resides at Roscoe, but is well known in this area, having been with Gulf for a number of years. It is said his successor is being transferred from Mississippi.

## WEATHER REPORT

GENERALLY FAIR AND CONTINUED HOT through Wednesday.

## Six County Youths Win Trips To State 4-H Lab

## Dollar Day In Ranger Offers Many Values

Tomorrow, Wednesday, August 11, is Dollar Day in Ranger. Ranger merchants are offering bargains in practically every line of merchandise sold in the city. This is the fourth monthly sales day held here and is becoming a popular shopping day for residents in this area as they are rapidly learning of the unusual values set aside for Dollar Day.

Stores have made a special effort to feature timely offerings of reasonable merchandise. Also, some have featured items which are in the back-to-school class, and it has been pointed out that this is the last Dollar Day in Ranger before the opening of the fall school term.

## Desdemona Plans Annual Reunion And Home-Coming Saturday, Aug. 14

The annual Desdemona Home-Coming and Reunion celebration is scheduled for Saturday, August 14, beginning at 10 a.m. and continuing throughout the day. It was announced today by Evah Sparkman, secretary-treasurer of the Reunion.

At the morning session, the oldest man and woman present will be given a Bible. Mrs. Pearl Duncan will make the presentation. The welcome to home-coming visitors will be extended by L. E. Clark with a response from O. H. Moore. A memorial program, "The Way of the Cross" has been arranged by Mrs. J. D. Browning of Cisco. In addition to the special music by the Abernathy Brothers, there will be a lot of group singing at the morning session.

Following lunch at noon, the meeting at 2 p.m. will be a business session. Special music will be featured at this session. The evening session will be devoted almost entirely to music. There will be special numbers by the Desdemona Booster Band, Gordon Quartet; Anderson String Band of Stephenville; Norris Sisters Trio of Carbon; the De Leon Quartet, and duet numbers by Sue Pittman and Jo Ann Clark.

Officers for the reunion are, Zolie Koonec, president; Sam Powers, vice president; Evah Sparkman, secretary-treasurer, and Pearl Powers Duncan, master of ceremonies.

## Oil News County Gets One New Producer; A New Location

With a daily potential of 32.5 barrels of 28 gravity oil, Edwards, Matthews and Moore of Eastland have completed the No. 1-A M. E. Holcomb Heirs. The well is located two miles northeast of Eastland in Sec. 1, Bk. 4 H&TC Survey. It was drilled to a total depth of 1,546 feet. Production is from 1,495 to 1,521 feet where there are 22 perforations. The well is on pump.

A regular field location has been staked four miles south of Eastland. It is the W. H. (Bill) Hoffman, No. 7 C. T. Webb, 330 feet from the west and 600 feet from the south lines of the north-west quarter of Sec. 26, Bk. 2, H&TC Survey. Using a rotary rig, the proposed depth is 1,300 feet.

The Texas Railroad Commission records for the week ending August 7, show reports on 287 completed oil wells, 18 gas wells and 171 dry holes. Sixteen of the oil wells and four gas wells were wildcat locations. There were 87 wildcat operations in the list of dry holes.

The average daily oil allowable in Texas last week dropped 166, 070 barrels. The cutback was the result of lower allowables ordered by the commission for this month. Total production last week in Texas was 2,709,297 barrels.

The 1953 oil production records in Texas show a decline of over 12 million barrels as a result of lower allowables, overstocking and exports. This figure was developed in the annual report just released by State Comptroller Robert S. Calvert. The 1953 production figures show 1,004,742,044 barrels compared with 1,015,027,750 in 1952.

Calvert's report shows Ector County (Odessa) was the biggest oil producing county in Texas in 1953 with 55,708,092 barrels. Gregg County in East Texas was second with 54,743,992 barrels.

Six Eastland County 4-H Club members will attend the Texas 4-H Junior Leadership Training Laboratory at Bastrop State Park, August 23-28, as winners in the annual 4-H Junior Leadership program, it was announced today by Extension Service District Agents R. C. Burwell and Miss Annie Lucy Lane.

The Eastland County winners in the statewide program are Nancy Carol Norris, Route 1, Eastland; Janice Kay Justice, and Glenda Hughes, both of Cisco; Robert Russell Bell and Robert Kirk Bostick, both of Nimrod, and Don Jobe, Route 4, Cisco.

The leadership lab is directed by Extension Service personnel, and the 4-H Junior Leadership program is sponsored by United Gas in cooperation with the Texas Agricultural Extension Service of the Texas A. & M. College System.

Miss Norris, 14-year-old daughter of Mr. and Mrs. G. A. Norris, is in eighth grade at Carbon Junior High School, and a member of the Carbon 4-H Club. She has been in 4-H work for four years. She has been carrying dairy foods demonstrations for her 4-H Club for the past two years, and has been working in the Junior Leadership program for one year. Nancy is president of her local 4-H Club and has also served as parliamentarian, song and game leader, reporter and vice president. She is also a member of the county planning committee.

Miss Justice, 14, is in eighth grade at Cisco Junior High and a member of the school's 4-H Club. She is the daughter of Mrs. E. J. Justice and has been a 4-Her for three years. She was a county dress revue winner in 1951 and received the County Achievement Award last year. Janice has given demonstrations in dairy foods and kitchens before home demonstration clubs in the county, and has been dairy foods demonstrator for her 4-H Club for the past two years. She has served as president of her local 4-H Club as well as reporter and song and game leader, and has been vice president of the County 4-H Council.

Miss Hughes is also in eighth grade at Cisco Junior High and a member of the school's 4-H Club. She is the daughter of Mrs. E. J. Justice and has been a 4-Her for three years. She was a county dress revue winner in 1951 and received the County Achievement Award last year. Janice has given demonstrations in dairy foods and kitchens before home demonstration clubs in the county, and has been dairy foods demonstrator for her 4-H Club for the past two years. She has served as president of her local 4-H Club as well as reporter and song and game leader, and has been vice president of the County 4-H Council.

Miss Hughes is also in eighth grade (Continued on Page 2)

## Service Pipe Line Programs Started Today

The first of a series of four meetings in Ranger, sponsored by the Service Pipe Line Company was scheduled to begin today at 1 p.m. at the Ghieslain Hotel. Although planned for company employees and their friends the meetings are open to the public. Dr. Charles O. Lerche, Jr., associate professor of Political Science at Emory University of Atlanta, Ga., will be the speaker for the meetings.

The Wednesday and Thursday meetings will be held at 2 p.m. and the Friday meeting is scheduled for 1 p.m.

## World Conditions Issue Challenge To United States, Dr. Ashton Says

The geopolitical situation in the world today is a challenge to the United States and unless it is met, invites a serious situation, Dr. Price R. Ashton, president of the Ranger Junior College, declared recently in an address before the Breckenridge Rotary Club.

There must be mobilization of the economic forces as well as of the military forces. Because of changed communications of the world freedom from attack has long since passed, the speaker continued.

If another war comes we will see something different than we have ever seen before. We will see the destruction of our own cities and our people. Every community should be prepared not only with bomb proof shelters, but morally and psychologically.

Dr. Ashton said that another war appears unavoidable because the ideologies of the communists and the democracies cannot exist side by side. We cannot trust our brothers to do the things they should do.

Communism is the development of the theory of Carl Marx, at first rejected by Russia, then adopted. This is a theory that the world must be subdued and the goal of the Russians today is that every communist must work for world domination.

To prevent this the world must become geopolitical nations. We cannot sit by and permit the outside world to work their politics on our geography. It is time to start talking our own politics and geography.

To realize their ends the communists are putting clauses in the education of our children and into our literature and in connection with this the greatest thing they wish to see happen to us is to divide us with a hard depression.

We are making some progress in mobilization of resources. We are developing oil fields on the other side of the world, but we need education on why we should save countries with the materials we need.

England tried to do with geopolitics and lost her position from a dominant world power to a second rate nation.

We are preparing defenses in Alaska and Canada, developing aluminum, uranium, and steel plants, and are making a gateway to the Great Lakes, and these will be needed because at the top of the world it is only 2,500 miles to Russian strongholds and jet planes make the Soviets close neighbors.

## State Fair Style Shows Feature Prize-Winning Texas Creations

Free style shows featuring prize-winning creations of the Texas fashion industry will be presented daily at the 1954 State Fair of Texas Oct. 9 through 24, General Manager James H. Stewart has announced.

Every type of apparel worn in Texas from dude ranch attire to ball gowns and high fashion furs will be modeled. The blue-ribbon designs will be shown two and three times daily for a total of 34 shows during the fair.

More than 325 fashion-producing firms in Texas have been invited to submit entries in the 27 categories. This year competition has been enlarged to include men's wear as well as women's and children's clothing.

Among the judges who will select the winners on Aug. 13 in Dallas are Warner B. Rhoads, vice-president and general merchandising manager of Denver Drygoods

## Howard Payne Taking Bids On New Dormitory

PROCEEDINGS — Sealed bids for contractors for construction of a new four-story brick girls dormitory for Howard Payne College are now being accepted at the college business office, according to an announcement by Dr. Orr, M. Chandler, president of the H.P.C. board of trustees.

The trustees building committee, headed by Smith Bell of Brownwood, received final plans and specifications for the new dormitory last week from Wilson, Patterson and Associates, Architects and Engineers, Fort Worth.

Tentative date for beginning construction of the new dormitory is Sept. 20. Contractors' sealed bids will be publicly opened and read aloud at 2 p.m. Thursday, Sept. 2, in the office of J. H. (Cap) Shelton, Howard Payne College business manager. Any bid received after closing time will be returned unopened.

Bids will be received on general construction, plumbing work, heating and air conditioning, and electrical work, as well as combined proposals covering all work. The new building, to be fireproof and modern throughout, will provide dormitory facilities for 254 women students.

## John L. Brown Funeral Held 3 P. M. Today

Funeral services were held at 3 p.m. this afternoon, August 10, at Alameda Tabernacle, for John L. Brown, who died Sunday afternoon in a local hospital. Services were conducted by Bro. Riley Fugitts of Baird and O. G. Lanier of Ranger with burial in Alameda Cemetery.

Mr. Brown, a retired farmer, was born on Feb. 6, 1871 in Arkansas. He was a member of the Church of Christ and had lived in this community since he was seven years old.

He was married to Emily Watson in 1900 by Eastland County. She preceded him in death in 1942.

Mr. Brown is survived by two sons, Shirley Brown of Ranger and Dale Brown of Baird; five grandchildren; nine great-grandchildren; two brothers, Doran and Wilson of Rochester, Texas; and one sister, Mrs. O. B. Jarrett of Baird.

Funeral services were held at 3 p.m. today at the Alameda Tabernacle, for John L. Brown, who died Sunday afternoon in a local hospital. Services were conducted by Bro. Riley Fugitts of Baird and O. G. Lanier of Ranger with burial in Alameda Cemetery.

## Teaching Career Offers Many New Opportunities Now

AUSTIN (Sp.) — Teaching careers will offer more opportunities than ever before as school enrollments at all levels soar to new heights at the end of this decade, Dr. Hob Gray, University of Texas Teacher Placement Director, declares.

Job openings for 1954-55 reflect the growth of high-school registrations, while elementary-school needs also remain high. Birth-rate statistics indicate more and more scholars for all schools in the years ahead.

Teachers are in demand for all elementary grades, especially the first grade, Dr. Gray reports. Teachers of art and music are sought both for elementary and secondary schools, as schools enrich their fine arts programs, he says.

Health and physical education teachers are being interviewed for elementary grades and high-school girls' classes.

Top high-school needs are for librarians and teachers of mathematics, science and business subjects, Dr. Gray reveals. Many requests for homemaking teachers have come from Texas superintendents, also.

Dr. Gray says education is losing many math and science teachers, as well as business educators, to commerce and industry. However, salary scale increases are drawing back to the teaching fold some persons who left the profession several years ago, he points out.

HEAR, HEAR! — There was nothing wrong with the eyes of the hearing aid experts who chose Vivian Mathis, 23, as their "Miss Hearing Aid" during a convention in New York City. Herself suffering from impaired hearing most of her life, Vivian models a wrist-watch type of hearing aid, considers it just another portion of her costume as she does a watch or other jewelry.

## Cross Plains And Rising Star Seek Water Source

CITY OFFICIALS AND civic leaders of both Rising Star and Cross Plains are giving some consideration to a proposal that the two towns seek to obtain water from Lake Brownwood as a means of trying to overcome a serious water shortage problem.

One of the proposals is to lay a line from Lake Brownwood to a point midway between the two towns and build a treating plant there, with distribution lines from the plant to both Rising Star and Cross Plains.

## Ranger May Have Housing Shortage

R. V. Galloway, manager of the Ranger Chamber of Commerce said today that it is difficult to locate unfurnished houses for rent. At least in recent days they have been unable to assist several prospective new residents in finding houses here.

## Seed Burns Hole In Your Pocketbook, Too

"When you speed, you're burning up more than the road. You're also burning a good-sized hole in your pocketbook."

This reminder from Col. E. B. Tilley of Houston, President of the Texas Safety Association, and Services Advisor for the Gulf Oil Corporation spotlights an aspect of speed that is not generally given much attention. It was pointed out by Col. Tilley in a discussion of the current speed control program of the Texas Safety Association, the Texas Department of Public Safety and the National Safety Council.

"Excessive speed is pretty rough on a car," he said. "The speed demon usually finds this out when he trades his car in on a new model. He can't get as good an allowance as the fellow who's driven his car at a more sensible rate of speed. Accelerated speed accelerates depreciation."

"The car that's driven at an excessive rate of speed will also cost its owner a good deal more in upkeep," Col. Tilley said. When speed is increased from 40 miles per hour to 65 miles per hour gasoline consumption increases 30 per cent. Oil consumption increases even more, and tire wear is two and a half times as great as it is at the lower speed.

"But," he said, "the greatest cost of unsafe speed is its cost in human lives. According to the National Safety Council, unsafe speed contributes to more than 10,000 traffic accidents annually."

He advised motorists to avoid the unnecessary expense and danger of unsafe speed by always driving at sensible speeds.

"The only safe speed is a speed that's determined by conditions," he said, "and the only intelligent speed is a safe speed."

In series of DOCTORS TESTS 90% OF CASES OF PILES' PAIN RELIEVED!

NEW STAINLESS FORM now ALSO AVAILABLE! In 90% of cases of simple piles—tested by doctors—staining Pains stopped bleeding reduced swelling, healed cracking... WITHOUT SURGERY! grade at Cicero Junior High and a member of that school's 4-H Club. She is the 14-year-old daughter of Mr. and Mrs. O. A. Hughes and has been in 4-H work for three years. She has been a kitchen demonstrator for the past year, has participated in all special events during her 4-H work and has given demonstrations to other girls and clubs.

Bell, 16, is a junior at Scranton High School and a member of the 4-H Club. He lives with Mr. and Mrs. Ed Townsend, his guardians. Robert has been in 4-H work for three years and has won awards in recreation, safety, poultry and share the fun contests. His 4-H demonstrations and activities include entomology, soil conservation, dairying, electric lamp show, rally day, and share the fun. He has served as secretary, reporter and parliamentarian of his local 4-H Club.

Bostick, 14-year-old son of Mr. and Mrs. R. C. Bostick, is in seventh grade at the Scranton school and a member of that 4-H Club. He has been in 4-H work for five years, and was a delegate to the State 4-H Round-up at Texas A. & M. College in 1953. He has won awards in recreation, dairying, safety and health. His 4-H demonstrations include recreation, leadership and electric. Young Bostick has served as parliamentarian of his local 4-H Club.

Jobe, 17, is a senior at Scranton High School and a member of that 4-H Club. He lives with Mr. and Mrs. Bill Clinton, his guardians.

Young Jobe has been in 4-H work for nine years, was the county field star boy and his awards include those in tractor maintenance, leadership, dairy achievement, safety, health, recreation and achievement. He also won a trip to Chicago last year. His 4-H demonstrations and activities include recreation, rally day, the scrap drive and club camps. He has served as president, vice president, secretary and reporter of his local 4-H Club and chairman of the County 4-H Council.

DE LEON (Sp.) — In spite of the drought, De Leon's Watermelon and Homecoming will be held on Friday and Saturday, August 20 and 21. Coronation of the queen will be held immediately following the 6 o'clock parade and after that her highness and 20 duchesses will be entertained at the Traveler's Hotel by the Shakespear club.

A free watermelon slicing will be held on the main street at 4 p.m. Saturday. All the melons you can eat. They are fine this year. There will be a square dance on the street, old fiddlers contest and other attractions. A greased pig contest when a \$25 pig will be given to the one able to catch and sack the animal.

Dublin and Rising Star Roping Club and local horsemen will be in the parade at 6 on Friday afternoon.

Prize totaling more than \$100 will be awarded. This is the 47th annual Watermelon Festival and Homecoming and is sponsored by the entire community. The public is invited.

**SENATE JOINT RESOLUTION NO. 3**  
 proposed an amendment to the Constitution of the State of Texas permitting the Legislature to fix the salary of the Governor, Attorney General, Controller of Public Accounts, Treasurer, Commissioner of the General Land Office and Secretary of State, providing that such salary shall not be fixed in an amount less than that provided in the Constitution on January 1, 1933; fix the per diem of the members of the Legislature at \$25.00 per day for 120 days only; providing for the submission of this Resolution to a vote of the people; and directing the Governor to issue the necessary proclamation therefor.

**REPEAL BY THE LEGISLATURE OF THE STATE OF TEXAS:**  
 Section 1. The Section 1 of Article 4 of the Constitution of the State of Texas is amended so as to hereafter read as follows:

Section 2. The Governor shall, at stated times, receive no compensation for his services an annual salary in an amount to be fixed by the Legislature and shall have the use and occupation of the Governor's Mansion, fixtures and furniture.

Section 3. That Section 22 of Article 4 of the Constitution of the State of Texas be amended so as to hereafter read as follows:

Section 22. The Attorney General shall hold office for two years and until his successor is duly qualified. He shall represent the State in all suits and cases in the Supreme Court of the State in which the State may be a party, and shall especially appear in the State in suits involving corporations, and from time to time, in the courts as may be proper and necessary to prevent any private corporation from exercising any power or demanding or collecting any species of taxes, tolls, freight or wharfage, or any other fee by law. He shall whenever sufficient cause exists, seek a judicial forfeiture of such officers, unless otherwise expressly directed by law, and give legal advice in writing to the Governor in all suits and cases in which he is called upon to appear, and perform such other duties as may be required by law. He shall reside at the seat of government during his continuance in office. He shall receive for his services an annual salary in an amount to be fixed by the Legislature.

Section 23. The Controller of Public Accounts, the Treasurer, and the Commissioner of the General Land Office shall each hold office for the term of two years and until his successor is duly qualified. He shall receive an annual salary in an amount to be fixed by the Legislature during his continuance in office, and perform such duties as are or may be prescribed by law. They and the Secretary of State shall not receive a salary in office. All fees that may be payable by law for any service performed by any officer specified in this section or his office, shall be paid, when received, into the State Treasury.

Section 24. That Section 21 of Article 4 of the Constitution of the State of Texas be amended so as to hereafter read as follows:

Section 21. There shall be a Secretary of State, who shall be appointed by the Governor, by and with the advice and consent of the Senate, and who shall continue in office during the term of service

**NEWS FROM LACASA**  
 By MRS. D. B. RANEY

Mr. and Mrs. O. J. Caraway have as a visitor, Mrs. Caraway's cousin, Eddie Miller of Louisiana.

James Raney returned Friday night from two weeks of Band Camp at McMurry College, Abilene.

Rev. and Mrs. Billy Jack McKee and baby are visiting in South Texas. They left Friday night, taking the two vacation Bible School workers to Beaumont.

Mr. and Mrs. Gail Mitchell and Sheryl of Strawn were Friday night visitors to the Vacation Bible School at New Hope Baptist Church.

Rev. H. D. Blair of Cisco preached Sunday morning and evening at New Hope Baptist Church.

Mr. and Mrs. High and children, Eugene, Charlene and Terry spent the week end visiting in the H. E. Martin home. Eugene stayed for a longer visit while Mrs. Ida Raney and Peggy Leonard accompanied the High's back to Dallas. Mrs. Raney will visit her brothers, Tom Bradford of Dallas and John Bradford of Weatherford.

Mr. and Mrs. Gladys Jennings and daughter Brenda of Temple visited Mrs. Mary Herrington and family this week end and attended Sunday morning services at New Hope. Brenda stayed for a week's visit.

Mr. and Mrs. Major Langford and daughter, Mildred, of Frankell visited Sunday evening services at New Hope.

Mr. and Mrs. Nuge Sudderth, Miss Nettie Sudderth and an aunt visited Mrs. J. A. Caraway Sunday.

Six Members attended WMS meeting Monday afternoon at New Hope Baptist Church for bible study on Women of Destiny. Mrs. G. V. McGovern taught the lesson.

In some instances, other smaller towns are near the water sources mentioned. The data also do not include figures for reservoirs near larger cities.

The University's cotton economics research division published the data as part of a project pointing out Texas' industrial advantages to cotton textile manufacturers.

A Japanese munitions factory which once turned out machine-gun bullets is manufacturing a new type of "ammunition." Its machines are now turning out lipstick cases for Cupid's shock troops.

A part of the safety program on every farm should be adequate liability insurance to protect the farmer against the legal risk resulting from injury or death to another person.

Have a picnic at home during the days of high temperatures! Refreshing tomato juice appetizer, pork and beans with cheese-stuffed frankfurters, and hot brown bread are downright good eating. Add cole slaw, or a lettuce salad, and iced melon for dessert. It's a meal that gives Mom a kitchen-holiday and saves the family budget.

- Bean and Frankfurter Picnic Bake**
- 2 1-lb. cans pork and beans with tomato sauce, or kidney beans
  - 1 small onion
  - 4 cup diced green pepper
  - 4 large frankfurters
  - 1/2 cup grated sharp cheese
  - 2 tablespoons mayonnaise
- Combine beans, diced onion and green pepper in a baking dish. Slice frankfurters and stuff with cheese mixed with mayonnaise. Arrange on beans and bake in a moderate oven (350° F.) about 20 minutes, or until heated through. Four hearty servings.
- Try These Easy-On-The-Cook Meals**
- Junior's Choice**: Tuna-Cheese-Burgers, Relishes, Corn on the Cob, Crushed Pineapple on Ice Cream
  - Time Saver Supper**: Creamed Dried Beef with Peas, Cole Slaw, or Green Salad, Buttered Potatoes, On Canned Peas
  - Dad's Request**: Platter of Cold Cuts (Cheese, Canned Tongue, Vienna Sausage, Deviled Eggs), Sliced Tomatoes, Creamy Potato Salad, Melon or Fruit

**Four County Youths Are Awarded Registered Jersey Heifer Calves**

CISCO (TNS) — Four Eastland County youths were presented registered Jersey heifer calves Thursday by the Eastland County Youth Dairy Committee. All who received the calves were 4-H Club members.

Chairman T. D. Wheat of the Youth Dairy Program executive committee was in charge of the ceremonies. Heifer calves, some of them third generation calves in the county program, went to Miss Carolyn Berry, daughter of

Mr. and Mrs. Elmer Berry, Cisco; Robert Dell, grandson of Mr. and Mrs. Ed Townsend, Nimrod; Jimmy Sandlin, son of Mr. and Mrs. D. D. Sandlin, Carbon; and Roland Earp, Jr., Rising Star.

Mayor G. C. Rosenthal of Cisco spoke briefly to open the program. He noted that "the original 12 heifers have now increased to 43 heifers in our county's program to increase interest in dairy." The mayor complimented the farm program leaders for the

"fine interest you are stimulating among our young people."

What told the young people that the heifers would be their permanent property when they returned a registered heifer calf to the committee for reassignment. The four calves were brought in and turned over to the committee by Rosemary Berry, Carben Neal Tankersley, Eastland; Clyde Moore, Eastland; and Jerry Winfrey, Rising Star.

Cooper pointed out that registered Jersey calves are still selling for about \$200 each, despite the fact that the price of cattle has gone down considerably since the program began.

**Many Smaller Texas Cities Have Adequate Water For Industries**

AUSTIN, Texas (Spl.)—Many smaller cities in Texas have enough water to support sizable industrial development, University of Texas research shows.

Examples of towns with more than a million acre-feet of water nearby include Belton (1,097,600 acre-feet), Lewisville (1,016,200), Whitney (2,017,500), Jasper (4,040,800), and Rockland (3,287,500).

An acre-foot contains about 325,848 gallons of water or a prism of water one foot high and an acre in area.

**Look at the 3-way bonus you get in the car that's sweeping the nation!**

- You get the car that's styled for tomorrow —**
- You get the car that's a sure high resale value**
- You get a bigger allowance from our volume business**

and for just a few dollars more than the so-called "low-price three"!

In Buick today you find the fresh modern beauty that will pattern the styling of other cars yet to come. That's a major reason for Buick's soaring success this year. But the clincher is Buick's low delivered price — lower than you think. No other car at so low a price gives you this advanced styling — plus Buick's great room, comfort, ride and V8 power.

Of this you can be sure: the new Buick you buy today will look modern next year, too — because that broad panoramic windshield will be appearing on other cars as a 1955 feature. So with the new Buick you buy now, you'll stay right up in the style parade for years to come — and command a higher resale price when you trade it in.

Regardless of price class, Buick today is outselling all other cars in America except two of the "low-price three." That's the fact. So with this tremendous sales volume, we can offer you a higher trade-in allowance when you buy a new Buick. Come in, see and drive Buick the beautiful buy. Then see for yourself how our volume business means a far bigger allowance for you.

**Each new month firms the fact — Buick Sales are Soaring!**

# BETTI'S BUDGET of HELPFUL HINTS

**Emphasize white!** White is everywhere in the good old summertime — but it's only as white as you keep it. One of your best aids, to make it fairly sparkle, is bead-bluing added to your hot wash water. It will keep your whites fashionably bright — and it will do just as good a job on your colors, too!

For a quick summer supper, how about a broiler meal-in-one: Cheeseburgers, french fries and baby squash halves. Use brown sugar and butter in the hollow section of the squash. Broil ten minutes, then place cheeseburgers and two packages of quick frozen french fried potatoes on the same rack. Continue to broil 10 to 12 minutes longer. Turn potatoes once during cooking to crisp them evenly.

The kitchen - dining - living room has many things to offer. It affords the opportunity to relax, play and cook. You can listen to music or watch television and cook at the same time. With decentralized equipment in your kitchen more than one person can cook at a time; a boon to holiday parties, midnight snacks and other occasions when you want to whip up an impromptu meal.

The fall silhouette is a twofold one. Dresses include the slimmolded line from shoulder to hem and the full-skirted line, some with empire waistlines.

If you like chicken, try this. Make a chicken fricassee. Season with salt and pepper and a little oregano, and add cream to make it taste just right. At the very end, add 1-2 cup of grated Parmesan cheese. Serve very hot with either dumplings or baking powder biscuits.

For a quick snack on any occasion try cheddar cheese cut into small cubes. Supply toothpicks for dipping into a sauce made with 1-4 cup catsup and a teaspoon of horseradish. Have some crackers handy.

Children need to be reminded that a swim is not a bath! Youngsters invariably feel that as long as

they're wet, they're also clean. Since this is far from the truth, it's wise to point out that a bath should always follow a swim!

Blowing petticoats are often a closet or travel problem. But now there's a new one made of washable nylon net that folds away in a little case you can hang up like a parasol.

In a hurry for a clean sweater? Squeeze it through soapuds and rinses, blot it in a towel, lay it flat, and ease it to shape. Then insert cardboard rollers (saved from wax paper or aluminum foil) into each sleeve and between the back and front. This allows the air to circulate through the sweater and makes the drying faster.

Don't discard the old expansion gate that you once used to keep the youngsters safe! It can be made into an attractive rose trellis on the side of your house or garage!

Here is a recipe for cool summer refreshment. The ingredients are: four cups of cranberry juice cocktail, two cups of pineapple juice; one cup of lemon juice, fresh, frozen, or canned; eight seven-ounce bottles of chilled ginger ale; and lemon slices (to float on top of bowl.) Combine the juices before serving, add ice cubes or an ice block and pour ginger ale slowly down the side of the bowl. Garnish with lemon slices. This recipe will make about three quarts.

## WINDBAG—

(Continued from Page One)

Gunsight reports that he read about a town down in Mexico that has paved its streets with cuss words. Seems that everytime anyone was heard swearing in public he was fined one or more sacks of cement, depending upon the word used. The result is that the town of Alvarado, Mexico, now has paved streets. Our man at Gunsight says if someone in these parts ever started that bad pretty soon they would run out of palces to pave.

Can anyone tell me what to expect in the way of weather now that the pre-fall hordes of crickets have descended upon us? Does it foretell a spell of cooler weather, a hard winter, or early fall, or just what? Will we get a rain soon? Who knows the answer?

Quotable Quotes: "A woman who'll gladly listen to both sides of an argument is the one who lives next door." You ain't kiddin', cousin.

## NEWS FROM STAFF

By Mrs. M. O. Hazard

Mr. and Mrs. T. E. Pope and Mrs. M. O. Hazard attended the revival at the First Baptist Church in Eastland Friday evening.

A large number of women of the Community met last Thursday in the home of Mrs. O. T. Hazard for a Stanley party conducted by the company demonstrator, Mrs. Albert Fouth from Eastland.

Mr. and Mrs. Allen Crosby attended the revival services at the Cheaney Baptist Church last Friday evening.

Mr. and Mrs. Jim Coop were Eastland visitors Saturday.

Mrs. R. A. Parker spent the day Friday visiting in Eastland with her daughter, Mrs. Maurice Hazard, Mr. Hazard and Don.

Guests in the home of the Allen Crosbys Saturday were their son, Tommy and his wife from Fort Worth.

Mr. and Mrs. Abel were visiting in Breckenridge Saturday.

The Maurice Hazard family from Eastland were out Sunday to visit with their parents the M. O. Hazards and R. A. Parkers.

Mr. and Mrs. T. E. Pope were guests of Mrs. Pope's aunt, Mollie Webb in Eastland Tuesday afternoon.

Mr. and Mrs. W. E. Downing had as guests Monday and Tuesday, his sister, Mrs. Risinger of Hutchinson Kansas and other relatives from St. Louis, Mo. They reported hot dry weather in all the country they traveled through.

Mr. and Mrs. Allen Crosby attended preaching services at the Baptist Church in Olden Sunday evening.

Mr. and Mrs. Clifford Pope from Lueders were guests in the home of his uncle, Mr. and Mrs. T. E. Pope, Thursday.

The C. Foreman family from Olden was visiting with Mrs. Foreman's parents, Mr. and Mrs. Allen Crosby, Saturday.

Rev. Eldon Shipman of Gorman filled the pulpit at the Baptist Church here Sunday morning and he and Mrs. Shipman and their two daughters were the dinner guests of Mr. and Mrs. C. L. Henderson.

Mrs. Anson Little and children from Slaton visited with her parents the J. W. Mouncees, Sunday and Monday.

Mr. and Mrs. Allen Crosby were Graham visitors Sunday.

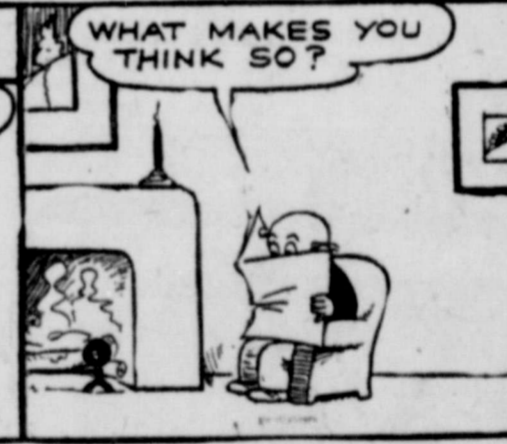

Mr. and Mrs. Maurice Hazard and son, Don from Eastland were in the Community Wednesday evening to visit with relatives.

Mr. and Mrs. Roy Lindsey of Fort Worth spent the week end visiting in the home of her parents, the B. R. Hattons.

### The 'Big Tent' Is Coming To Town Next Saturday Morning

The "Big Tent" is coming to town, Next Saturday morning at 7 a.m. some 40 men will be at the Athletic Field to help put the tent up. The tent will be the meeting place for the Cliff Brannon Revival sponsored by the First Baptist Church. Mr. Brannon will preach Sunday night Aug. 15.

The tent will seat some 2,000 people. There will be a seating capacity for a choir of 60 people. There will be an electric organ and piano to assist in the music program. Mr. Jerry Barnes, of Baylor University will direct the congregational singing. Misses Beverly and Madlyn Brannon will be at the instruments.

The public is invited to see the raising of the big tent on Saturday morning. People from neighboring towns are planning to attend one of the biggest revivals to be held in this section in many years.

Mr. Brannon is an outstanding evangelist. He was the attorney for a multi-million dollar enterprise before the Lord called him into Evangelistic service. Mrs. Brannon a former society woman in keeping with a husband's high powered job refused at first to serve as the wife of "A Preacher" but when the Lord put on her heart to serve in His vineyard then she became a most ardent follower of the Lord Jesus Christ. She says, "There is no place in God's work for the foolishness of wasted time, and talent, that the Lord must be first."

The Brannons have two daughters and one son, Cliff, Jr. They live in a trailer house when traveling in evangelistic programs. In the party will be Mr. and Mrs. Jack Mabry, the tent man, and co-laborer with the soul winning group.

### NOTICE

The Society and other news items which appear in this newspaper are run as a service to our many readers. We are most happy to print such items; however, we must have them before the deadline on press days so that they may be edited, set on the linotype and made up.

So, to avoid disappointment, please phone or bring in your news by 9 a.m. on Tuesday and Thursday and 8:45 a.m. on Saturday. Better still, if possible, get the news to us the day before we go to press, especially long items such as weddings, etc. All church news to be run in the Sunday paper must be in by noon on Friday.

Pictures to be run must be sent out of town in order to have a cut made, so we must have a glossy print at least three days before they are to be run in the paper.

Your cooperation will be very much appreciated and will aid us in putting out a better newspaper for you. Thank you.

THE RANGER TIMES STAFF

### CARD OF THANK S

We wish to express our thanks and deepest appreciation to our many friends for the kindness shown during the illness and recent death of our father, J. B. Myton.

The J. B. Morton Family.

### PERSONALS

Pfe. Fred E. Wortham, Jr. is spending the remainder of his leave from Camp Carson, Colorado, here with his father, Fred Wortham. Fred, Jr. is former editor of the college paper at West Texas State.

Mr. and Mrs. Roy Blankenship and daughter of Arlington, California, have returned home after spending several days visiting in the home of Mrs. G. A. Townsen and Mrs. Emma Dyer.

Rev. and Mrs. D. D. Brian Monday were called to the bedside of her brother, R. M. Smith, who underwent a major operation at the VA hospital at McKinney.

Mrs. J. B. Craig has been in Dallas for several days at the bedside of her mother who is reported to be seriously ill.

Mmes. John M. Gholson, Madeline Quinn, J. P. Morris, Frances Jameson and Ella White spent the week end in Dallas where they were guests of the Alton Cherry family, Mrs. Gholson's daughter.

Mrs. Saunders Gregg has returned from Shreveport, La. after taking her granddaughter, Alexandria Gregg, home. Miss Gregg had spent three weeks here visiting her grandmother.

Mr. and Mrs. J. E. Matthews have returned from McAllen where they visited their daughter and family, the Jack Butlers.

### SOCIETY

### WMU Meets For Royal Service Program Monday

The Woman's Missionary Union of the First Baptist Church met at the church Monday, Aug. 9, for a Royal Service program. The Katherine Howell circle had charge of the program.

Mrs. Charles Layton presided over the meeting. The opening song was led by Mrs. Earle Pittman and accompanied by Mrs. Marshall Jolly. The opening prayer was led by Mrs. Lee Mitchell.

The devotional was given by Mrs. W. A. Heuser followed by the singing of the fourth stanza of "America" by the group. Nine ladies spelled "Indonesia", telling about the islands. Mrs. J. B. Houghton spoke on "The Cry is Merdeka — Freedom". Mrs. Dwayne Dennis spoke on "Binding Webs", Mrs. Daniels, "Think of Christmas, 1951". Mrs. L. G. Kennedy, "Some Have Accepted True Freedom"; and Mrs. Lee Everheart, "We Help Make Their Future".

The program closed with the singing of "Come Thou Almighty King". The closing prayer was given by Mrs. Glenn West. Refreshments were served to about 25 members by the Carolyn Bell circle.

### HOSPITAL NEWS

New patients at Ranger General Hospital include: Mrs. B. W. Lee, Desdemona, surgical; J. E. Pitman, Olden, medical; W. E. Dean, Cisco, medical; Mrs. L. S. Farg, Caddo, medical; Miss Pat Perrin, Ranger, medical; and Paul Weems, Ranger, surgical.

New admissions at West Texas Hospital are Mrs. Helen Ben and Mac Jones, son of C. D. Jones, both of Ranger.

### Dinner Party Marks Birthday

Mrs. Leslie Jones Sanders entertained with a birthday party Saturday evening for her daughter, Deanne. Guests were friends and college classmates from Ranger and Fort Worth.

A fried chicken dinner, including cake and ice cream was served, after which gifts were presented to the honoree.

### Church of Christ Mesquite & Rusk

The mid-week services of the Church of Christ, Mesquite and South Rusk, have been changed from Wednesday evening to Tuesday at 7:30 p.m. for this week only.

The elders of the local church announced this change for this week to allow the members of the church to attend services at Strauss on Wednesday and Thursday nights in particular.

Themes of special interest to the church will be discussed by A. F. Waller, Evangelist of the Brockeridge Church, who is currently doing the preaching in a series of evangelistic services, with the Strawn Church.

The Hour of Edification at the local church tonight will feature another program by the young people under direction of Max Crumley Jr.

Other spiritual devotions will be led by various members of the church and a special invitation is extended to all to enjoy these services. Brother Crumley said today.

### Dorcas Class Has Luncheon

The Dorcas Sunday School class of the First Baptist Church met Thursday, Aug. 5, at the home of Mrs. Matt Robinson for a luncheon.

Mrs. O. E. Garner presided over the business meeting. Mrs. Lee Mitchell led the opening prayer. The devotional from the 11th chapter of John was given by Mrs. Tannie Merrick.

Mrs. Betty Jerde was chosen class mother. The closing prayer was led by Mrs. Applegate.

Refreshments were served to the following: Mmes. Geo. Robinson, R. E. Barber, Amy Brown, A. A. Daniels, W. W. Mitchell, Lee Mitchell, Nettie Sudderth, N. Sudderth, Hugh Dawley, L. D. Tankersley Applegate, Roberts, O. R. Gafney Merrick, Pat Crawford; Mrs. D. D. Hobert and son of Houston; Miss Ethel Adams and the hostess, Mrs. Matt Robinson.

### Mid-Week Service At First Baptist

One of the most important meetings of the Sunday school department will be held Wednesday night at 6:30. This meeting will concern the last and final plans for the first Sunday of the Tent Revival, and the work department to assist in the first week. There will be time for the departmental meetings and for the teaching of the lessons.

Following the Sunday school program the pastor will direct the hour of inspiration. The mid-week services have been well attended and an even larger attendance is expected this Wednesday evening. The choir will meet at 8:20 and the last rehearsal will be held before the big revival time. Jerry Barnes, choir director for the revival has asked for a choir of 60 voices.

There is always a welcome for all who visit in our services, and visitors and friends are always welcome.

### LOOK WHO'S NEW

Mr. and Mrs. Albert Jimenez of Ranger are the parents of an 8 pound 2 ounce boy, born at 7:55 p. m. Aug. 7 at the West Texas Hospital.

Mr. and Mrs. John L. McKelva of Waco are the parents of a 9 pound 13 ounce boy, born at 12:40 a.m. Saturday, Aug. 7 in a Waco hospital. They have named him Ken Morton, and he is reported to be doing fine.

Maternal grandparents are Mr. and Mrs. Gorman Morton of Ranger.

### Child Study Club To Meet Thursday

Members of the Child Study Association, Pre-School, will meet at 8 o'clock Thursday, Aug. 12 in the home of Mrs. Dwayne Dennis. All members are urged to be present.

Mr. and Mrs. Harry Wallace and Mary Ann are vacationing in Hattiesburg, Miss., where they are visiting their son, Jack Wallace and family, and in Pampa, Texas, with another son, Jimmy Wallace and family.

### PERSONAL

Mr. and Mrs. Barrett Walker and daughter, Peggy of Cape Girardeau, Mo., are here visiting with relatives, including his mother, Mrs. W. O. Walker; the families her sister, Mrs. Edna Chambers and her brother Felton Brasher.

Mrs. Elsie Brodfield, Mr. and Mrs. O. P. Brodfield and daughters, Elsie Fay and Doris and John Pierce of Beaumont, have returned home after visiting here with Mrs. Nora Weaver and Mrs. E. W. Burnett.

### Elite Study Club To Meet Thursday

Members of the Elite Study Club will meet at noon Thursday, Aug. 12 at the IOOF Hall for a covered dish luncheon and business meeting.

All members are urged to be present.

Rev. and Mrs. Wallace N. Dunson of Taylor, are visiting in the home of their daughter and family, the Willie Clarks.

**SENATE JOINT RESOLUTION NO. 10** proposing an amendment to the Constitution of the State of Texas creating the State Building Commission and determining the membership thereof, creating the State Building Fund, providing for the transfer of the Confederate Pension Fund to be transferred annually to the State Building Fund, providing for the expenditure of such fund under the direction of the Legislature, providing for the expenditure of a limited amount of the building fund for the erection of memorials under certain conditions and limitations, providing for an election thereon, the provisions of such election, and the form of the same.

**IT IS RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

**Section 1. Article III of the Constitution of the State of Texas shall be hereby amended by adding thereto a new section to be known as Section 51-b and reading as follows:**

**Section 51-b. (a)** The State Building Commission is hereby created. Its membership shall consist of the Governor, the Attorney General and the Chairman of the Board of Control. The Legislature may provide by law for some other State official to be a member of this Commission in lieu of the Chairman of the Board of Control, and in the event said State official has not already been confirmed by the Senate as such State official he shall be so confirmed as a member of the State Building Commission in the same manner that other State officials are confirmed.

**(b)** The State Building Fund is hereby created. On or before the first day of January following the adoption of this amendment, and each year thereafter, the Comptroller of Public Accounts shall certify to the State Treasurer the amount of money necessary to defray the expenses for the ensuing calendar year as provided by the constitution and laws of this State. Thereupon each year the State Treasurer shall transfer forthwith from the Confederate Pension Fund to the State Building Fund all money except that needed to pay the Confederate pensions as certified by the Comptroller. This provision is self-executing. The State Building Fund shall be expended by the Commission upon appropriation by the Legislature for the uses and purposes set forth in subdivisions (c) hereof.

**(c)** Under such terms and conditions as are now or may be hereafter provided by law, the Commission may acquire necessary real and personal property, acquire and dispose of property, construct, build and equip buildings for State purposes, and negotiate and make contracts necessary to carry out and effectuate the purposes herein mentioned.

The first major structure erected from the State Building Fund shall be known and designated as a memorial to the Texans who served in the Armed Forces of the Confederate States of America, and shall be devoted to the use and occupancy of the Supreme Court and such other courts and State agencies as may be provided by law. The second major structure erected from the State Building Fund shall be a State office building and shall be used by whatever State agencies as may be provided by law.

Under such terms and conditions as are now or may hereafter be provided by law,

the State Building Commission may expend not exceeding five (5%) percent of the money available to it in any one year, for the purpose of erecting memorials to the Texans who served in the Armed Forces of the Confederate States of America. Said memorials may be such battlefields or other suitable places within or without the boundaries of this State. The authorization for expenditures for memorials herein mentioned shall cease as of December 31, 1955.

Under such terms and conditions as are now or may hereafter be permitted by law, the State Building Commission may expend not exceeding Thirty Thousand (\$30,000) Dollars in the aggregate for the purpose of erecting memorials to the Texans who served in the Armed Forces of the Republic in the Texas War for Independence. Said memorials may be erected upon battlefields, in cemeteries, or other suitable places within or without the boundaries of this State. The authorization for expenditures for memorials herein mentioned shall cease as of December 31, 1955.

**(d)** The State of valorism tax on property of Two (2%) Cents on the One Hundred (\$100.00) Dollars valuation now levied under Section 51 of Article III of the Constitution of the State of Texas is hereby repealed and Article VII (adopted in 1947) is hereby specifically levied for the purpose of continuing the payment of Confederate pensions as provided under Article III, Section 51, of the Constitution of this State, and for the establishment and continued maintenance of the State Building Fund hereby created.

**(e)** Should the said Legislature enact a law or laws in anticipation of the adoption of this amendment, such shall not be invalid by reason of their anticipatory character.

**Sec. 2.** The foregoing amendment shall be submitted to a vote of the qualified electors of the State at the general election to be held throughout the State on the first Tuesday after the first Monday in November, 1954, at which election those favoring such amendment shall have printed or written on their ballot the following:

**FOR** the amendment transferring that portion of the Confederate Pension Fund not needed for the payment of Confederate pensions to the State Building Fund to be used for State building purposes as may be provided by law, and also permitting not more than six (6%) percent of such fund to be used for memorials for Texans who served in the Confederate States of America.

Those opposing such amendment shall have printed or written on their ballot the following:

**AGAINST** the amendment transferring that portion of the Confederate Pension Fund not needed for the payment of Confederate pensions to the State Building Fund to be used for State building purposes as may be provided by law, and also permitting not more than six (6%) percent of such fund to be used for memorials for Texans who served in the Confederate States of America.

**Sec. 3.** The Governor shall issue the necessary proclamation for the election and shall have the amendment published as required by the Constitution and laws of the State of Texas.

**Quick Tricks**  
**Kitchen Queen**

Have you ever thought of making a skirt out of a bedspread? According to Winifred S. Carter who directs the Household Information Service for Proctor & Gamble, old bedspreads, the candlewick or embroidered kind, make very pretty casual skirts. Of course, you have to know how to sew, but the swirly, circular skirts are easy to make. Mrs. Carter doesn't advise cutting up a brand new bedspread. She says to use the least worn places of an old one. And if you like, you can dye it to make it look fresher. Of course, this kind of a skirt can be popped into a tub with the other wash, and may not even need ironing.

Don't throw away left over cake. Toast it and serve it with ice cream or crushed fruit. It's delicious.

If you have one of those pretty new pastel umbrellas, treat it to a bath occasionally to keep it new and bright. Rain, you know, washes dirt out of the air and logically enough, deposits some of it on your umbrella. On dark umbrellas, it doesn't show, but it can stain pastel colors and make them dingy. So, open your umbrella, (we hope you have no superstitious), and wash it in the bath tub. Use a good soap or detergent and a soft brush for the job, and rinse in clear water. If you get the spokes or handle wet, dry them at once, otherwise let the umbrella dry naturally before you close it.

Better results will be obtained from baking pans if they are greased lightly with an unsalted fat and tempered an hour in a moderate oven 350 degrees Fahrenheit before they are used.

Place an old baking pan or cookie sheet under casserole dishes or fruit pies which are likely to bubble over during baking. It makes oven cleaning easier.

If you sew, and have bits of gay colored material left over, why not use them for table napkins. Seersucker, gingham, chambray, almost any cotton or linen is very usable, and adds to the gaiety of a table setting. If you want to be very up to the minute, says Winifred S. Carter, director of Proctor & Gamble's Household Information Service, use nylon lace on the edge of the napkins. And on the edge of table cloths, too. It's the thing this season — THEY say.

A good way to wash fragile curtains in an automatic washer is to sew or tie them in a pillow slip. It saves time as well as wear and tear on the curtain fabric.

Housewives in 25 states, to the tune of 90 per cent, rated Texas produced turkeys as excellent or good.

**AND THERE'S A STYLE FOR EVERY HOME**  
**Floors of Oak Are Always in Style**

More than ever before, decorators and homemakers are planning their rooms around the decorative appeal of attractive floors. Oak floors in particular are widely utilized in this treatment because of their rich natural beauty of grain pattern and coloring, their ease of upkeep and lifetime durability. Long favored for most rooms, oak is available in three general types or styles. The strip style (upper photo) leads the popularity parade.

Economical in cost, it also is highly versatile from a styling viewpoint. Because it is "at home" in dwellings of any price class and blends well with any kind of furnishings, it is the widest used of all hardwood flooring species and types. Unit-blocks (lower left) are well adapted to rooms where a note of formality is desired. It is a modern form of conventional parquet. Plank flooring (lower right) is especially appropriate for colonial and ranch style homes.

**NEWS FROM DESEDEMONA**  
By Mrs. Ethel Keith

Mrs. Casey Meazelle returned home the latter part of last week from "Medical Arts," where she had undergone treatment for a head ailment. She is reported to be quite improved.

Hershal Wayne Griffith has been under a doctor's care for the past several days.

Mrs. R. H. Abel returned home Sunday from Valley Mills, where she had spent several days at the bedside of her mother, Mrs. F. Davis, who has been ill for several weeks.

The annual Desedemona home coming will be held at the Community tabernacle, Saturday, August 14th. All ex-residents were invited to attend and meet old friends.

The Raymond Andersons of Stephenville are expected to visit here Sunday with Mrs. Iva Buchanan and Lillie and Mrs. Sally Huffman.

Mr. and Mrs. Bill Norris of Andrews spent a part of last week with her mother, Mrs. Ida Wilhite.

A.B.C. stands for Abel Butler and Cameron Reunion, which was held Sunday August 1st at the Y.M.C. Club near Valley Mills.

Among the nine hundred and two persons present for lunch were Mr. and Mrs. R. R. Abe of Desedemona. The reunion celebrated the birthday of the late R. R. Abel and will be held annually.

Mrs. Sarah Eaton, Mrs. Juanita Pilgrim, Mrs. Nina accompanied by Ethel Keith drove to Ballinger Saturday to attend the Esten family reunion, held in the Ballinger Park.

Others present were Mr. and Mrs. Gordon Eaton and daughter, Sarah Mae of San Angelo; Mr. and Mrs. Daymon Eaton and son Riley, Mr. and Mrs. Daymon Lohman and little Dwayne Pilgrim of Odessa.

Absent were two sons, Jack Eaton and family of Corpus Christi and Mr. Tom Eaton and family of Comanche.

West German authorities have readied a draft law for presentation to parliament if and when she is authorized to rearm under the European Defense Community treaty.

**Larger Quantities Of Cottonseed Oil Used In Margarine**

The margarine industry may absorb 28 per cent or more of the nation's anticipated cottonseed oil production this year, according to S. F. Riepma, President of Margarine Manufacturers.

The latest crop report of the U. S. Department of Agriculture indicates an estimate may not be out of line that this year's cotton crop will yield 1,300,000,000 pounds of cottonseed oil, approximately 60 per cent of last year's production.

On the other hand, margarine output this year has run at an average of 119,000,000 pounds a month, about 10 per cent above last year, Mr. Riepma reported. Margarine's use of cottonseed oil so far this year, he said, has been running nearly two thirds above the same period of 1953. Margarine used 275,000,000 pounds of cottonseed oil, refined, last year.

Feeds other than roughages are also needed by beef animals. The content of dry range plants must be supplemented and oil meal products are the cheapest source. Mineral supplements are needed at all times.
