ONE KILLED, TEN HURT IN AUTO WRECK

A 3-car collision 14 miles east of Ranger on U.S. Highway 80 at about 10:15 p.m. Saturday, claimed the life of one man and sent 10 persons to Ranger hospitals for treatment. All passengers in the three cars were treated for injuries.

Killed was James Hilliard Bruce, 32, 1827 Fernwood, Arcadia Park, a western suburb of Dallas.

The injured were: E. E. Tension, 41, his wife, 37, and their daughter, Mary Ann, 14, all of Abilene.

Bill Williams, 31, his wife, Betty, 30, and their three children, Michael, 8, Peggy, 7, and Kathy, 19 months all of Arcadia Park.

Jessie Banks, 52, Negro and Mary Johnson, 25, both of Abilene.

All but three of the injured were released or removed from Ranger hospitals Sunday.

Highway patrolmen investigating the accident, said that it appeared that the car driven by Williams, a 1941 Cadillac, was headed west, and the Tension car, a 1952 Chevrolet, traveling east, apparently sideswiped or collided near head-on, and following the impact the Williams car spun around. Banks, driving a 1951 Oldsmobile was also going east and following the Tension car. It appeared that he was unable to stop before becoming involved in the previous collision.

It appeared that Bruce, a relative of Williams and a passenger in his car, was thrown out as a result of the impact and the car rolled over pinning him beneath it. It is thought he was killed instantly.

Williams, his family and Bruce were enroute from Arcadia Park to California. Both Williams and Bruce were painters.

The Tension family were enroute from Abilene to Fort Worth for a weekend visit with relatives.

Banks and the Johnson woman, said to be relatives were enroute to Fort Worth.

Some confusion arose regarding the number fatally injured in the accident, as first reports from the scene of the accident stated two persons had been killed. Also, a confusion arose regarding the identity of Williams, who was at the West Texas Clinic and Hospital when they journey to Mineral Wells for the opening of their season's schedule.

The boys have been working out in separate groups and due to the fact that they have had little opportunity to coordinate playing together a whole squad, Coach Boone Yarbrough this morning was not definitely decided upon a possible line-up for tonight's game.

The body was carried from Ranger to a Dallas funeral home Sunday where funeral arrangements were to be made.

All units of the Texas Highway Patrol in a several county area were called to the scene to assist in clearing the traffic congestion and the wreckage. The pile-up of automobiles on the highway, which was about 1 mile west of Thurber, caused a major traffic jam extending for several miles in each direction before Patrolmen were able to clear the highway.

Tension, who was reported to have suffered a broken leg, several broken ribs, and internal injuries was removed from the West Texas Clinic and Hospital to an Abilene hospital Sunday. He is employed by a loan company in Abilene.

Mrs. Tension was also removed to an Abilene hospital. She was suffering from shock and multiple bruises, but was reported to have suffered no broken bones. Their daughter had a head laceration, but was released from the West Texas Clinic and Hospital Sunday morning.

Williams remained at the West Texas Clinic and Hospital today, and was reported to be showing improvement from multiple bruises and lacerations.

Mrs. Williams remained in Ranger General Hospital today, and was reported also to be improving. She sustained a head laceration, multiple bruises and severe shock.

The three Williams children were released by the hospital Sunday, and carried to Dallas by relatives. None was seriously injured.

Banks remained in Ranger General Hospital suffering from a hip injury. He is not considered in critical condition. The Johnson woman, who sustained a cut on her face, was released from the hospital Sunday.

After Dumping Cisco 44-7

Navarro Next Grid Opponent For Rangers

Saturday night it was Ranger Junior College 44, Cisco 7.

And with the third victory in as many games safely tucked away, the fighting Rangers were today concentrating on the next intended victim, Navarro County Junior College, due in Ranger for a game Saturday night.

Monday the Rangers were sent through a light workout by Coach Dick Henderson. Henderson said today he and assistants, Sam Aills and Pat Thomas are working to smooth out some of the rough spots still showing up in activities of the squad on the field and to correct some internal weaknesses, as well as defensive and offensive strategy designed for the visitors this weekend.

For the crushing defeat handed the Cisco Wranglers here last Saturday night, Henderson pulled out the stops, and turned the Rangers loose. Every man who was suited out — all 42 of them — saw action against Cisco as they ran up the final score of 44 to 7.

The Rangers were substituted by teams as far as the manpower went, and then individual substitutions were made to give every Ranger a try at Cisco.

Most seriously injured in the game Saturday night was George Scott, 215 pound lad from Crowell, who has been used as a starting tackle most of the time this season. He was still confined to the West Texas Clinic and Hospital this morning. Henderson said today that Scott would not see action for several days yet.

Jack Parrott, 170 pound half-back from Breckenridge, who has also been a starter this season, was injured early in the game and carried to Ranger General Hospital for a head injury treatment. He was released Sunday and reported for the Monday afternoon workout.

Ranger's first touchdown came about five minutes after the start of the game. The set up for first score came after End Bud Miller the rough spots still showing up of bounds on his own 35-yard line, after failing to gain on the three attempts following Ranger's kick-off to Cisco.

Halfback Kenneth Richardson made one yard on the first offensive play for the Rangers, followed by two yards added by Fullback Tommas Hudson, and three more by Parrott. It was a fourth-down pass from the arm of Quarterback Tommy Wood to End Raymond Gilstrap covered the remaining 29 yards and posted six points on the scoreboard. The try for extra point failed.

Cisco's lone touchdown and extra point early in the second half put them out in front of the Rangers for a few minutes. Cisco had recovered a fumble on Ranger's 25-yard line and moved the ball to the eight. From there Quarterback Severo Vaquera tossed a pass to Bud Miller for the eight yards and six points. Don Blackburn, Cisco fullback made the extra point good.

Ranger's second scoring play which sent Fullback Charles Lenamond across the Cisco goal line for the first of three such trips during the evening, came shortly after the Cisco score. Taking the ball on the kickoff, Ranger racked up three first downs, and moved the ball to the Cisco 10-yard marker. From there Lenamond carried across for the second score, making it 12 to 7. Extra point try failed.

It was Lenamond again, who went across from the 10-yard line the second time. K. C. Smith, Ranger's end had recovered a Cisco fumble on the 15, and Woods moved it to the 19. The score at half-time was Ranger 18, Cisco 7.

From then on the Rangers goal line was never seriously threatened. On the third play of the second half, Richardson galloped 57 yards to change the scoreboard reading to 24 to 7.

Again in the same quarter, Halfback Fred Schkade romped 60 yards from his own 40 to make it read, 30 to 7.

Lenamond made his third trip across the pay line from 20 yards out, after Ranger took over from Cisco on a bad punt which had gone out of bounds. His run was all the way on the first play after Ranger took over. This time, a point-after kick by Halfback J. D. Hanson was good. The scoreboard read Ranger 37, Cisco 7.

The final Rangers scoring spree came near the end of the third quarter. After Ranger had worked the ball to the Cisco 2-yard line, Fullback Bobby Pharies carried across, and added the extra point with a perfect boot between the goal posts. The net result, Ranger 44, Cisco 7.

Nominees for the sophomore representative post are Cecil Gilstrap and Allan Gibbs, with candidates for the freshman representative being J. D. Hanson, James Meazle, Marshall Camp, Jack Parrott and Sherman Adcock.

Kennedy's jump from a plane 1,500 feet overhead will be the climax event of the show's big 20-event program.

Ranger Gets First Load Of '54 Peanuts

Within a space of two hours Monday the first two loads of peanuts of the 1954 crop were marketed in Ranger, as the harvesting of the crop got underway in this area.

The winner of the \$50 cash bonus offered by the Ranger Chamber of Commerce was A. F. Burkhalter, who resides four miles north of Rising Star.

The second load of peanuts was marketed in Ranger by Martin Reich between Cisco and Rising Star.

The Chamber of Commerce had offered a bonus to the farmer in this area who brought the first load of 1954 peanuts, weighing 10,000 pounds or more, to Ranger.

The load of peanuts from the Burkhalter farm contained 360.6 bushels, and weighed a total of 10,285 pounds. They graded 79, and brought a price of \$3.57 per bushel.

Mrs. Burkhalter said that they were harvested from 18 acres out of a total crop of 70 acres, averaging 20 bushels per acre. Of the remaining acreage in peanuts, only about 22 more acres will be harvested for peanuts and the remaining 30 acres are to be baled for hay.

The load of peanuts from the Reich farm weighed 20,430 pounds or a total of 681 bushels, graded at 68. The price paid was \$3.45 per bushel.

T. C. Wylie of the Ranger Peanut Company said that the two loads Monday were, perhaps exceptional as to yield for this year's crop as they came from a section of Eastland County that had a light summer rain which did not extend to other areas.

On the whole, Wylie estimated, the yield of peanuts in this immediate vicinity might average from eight to 12 bushels per acre for those areas that are harvested. This area is faced with one of the shortest peanut crops in a number of years, and it is stated that a high percentage, possibly as much as 75 percent of the peanut acreage will not be harvested, but cut and baled for hay instead.

At one time during the early summer the Ranger area had excellent prospects for a favorable peanut crop, but the prolonged drought, which is yet to be broken by good rains, together with the unusually hot weather cut the crop extremely short.

Presentation of the \$50 bonus from the Chamber of Commerce will be made at a meeting of either the Rotary Club or the Lions Club, although Rip Galloway, manager did not know this morning whether it would be made this week or next. He said both Mr. and Mrs. Burkhalter will be guests of the Chamber of Commerce at one of the club meetings at a time convenient for them to attend.

Lions Club To Sell Light Bulbs Thursday

Rangeans Are Attractive In First Appearance At Grid Game Saturday

It was a flashing first appearance for the Rangeans of RJC at the half-time for Saturday night's Ranger-Cisco football game, and the several thousand fans gave the girls a hearty reception.

The Rangeans, the newest campus organization, is a precision drill team, and from the favorable comments on their first appearance they seem destined to add much to the color of future football games and fame to the college.

The attractive uniforms embody the school colors of purple and white. The girls were attired in white hats, purple shirts, white bolero jackets, white fringed skirts and white boots trimmed with purple.

In the precision drills the Rangeans were led by Lanelle Rowell of Seymour, head majorette, other majorettes are, Delia Joiner of Austin, Pat Simpson of Eastland, Beverly Cary of Vernon, Joyce Steel of Anson, Mary Cary of Vernon and Nancy Hamilton of Moran. The crowd appeared agreeably pleased with the excellence of the drill formations.

With the field lights out, Miss Rowell twirled two fiery batons to the strains of Stars and Stripes Forever, to make a spectacular showing.

The specialty number of the tier entire Rangeans group was the old folk-dance, "Ten Pretty Girls."

Officers of the group are: Joyce Steel, president; Diane Koenig of Austin, vice president; Delia Joiner, secretary-treasurer; Nancy Hamilton, reporter and Mary Ann Wallace of Ranger, sergeant at arms.

Other members of the Rangeans are: Margaret Alford of Eastland; Anna Sue Carroll of Ranger; Barbara Lou Emerson of Graham; Bobbie Loyce Fox of Eastland; Sudie Opal Gray of Ranger; Delores Jean Hagar of Ranger; Jenna Vee Houston of Eastland; Fatsy Beth Neesham of Ranger; Rhelda Jo Reed of Cisco; Cecil Lynn Robinson of Ranger; Gloria Wages of Vernon; Beverly Pharis of Ranger; Margie Lea of Abilene; and Jo Ann Crider of Austin.

**C of C Banquet
Plans Taking
Shape Rapidly**

The appointment of additional committee personnel for plans of the annual banquet and meeting, were announced this morning by Rip Galloway, manager of the Ranger Chamber of Commerce.

Puck Wallace has been named general chairman.

Added to the decorations committee were Mrs. H. L. Coady, Mrs. A. W. Branda, Mrs. A. N. Larson and Mrs. J. F. Killingsworth. Previously named to the committee were Mrs. Betty Walford, chairman and Mrs. R. V. Mathena, a committee member.

The completion of Lake Leon will be the theme of the banquet and the decorations committee is planning a decoration scheme in keeping with the general theme of the meeting.

R. G. LeTourneau of Longview, internationally known industrialist and noted church layman, will be the principal speaker for the banquet which is scheduled at the city Recreation building on Thursday night, Oct. 21.

Galloway said only 300 tickets will be sold, as this is the capacity of the building for a banquet, and it is expected there will be a sell-out of tickets before the date of the meeting. He said other committees in charge of various phases of planning for the session are busy with arrangements.

CHEST GROUP PLANS DRIVE FOR OCT. 5

Cards were distributed Monday night to the team captains in the Ranger Community Chest drive at a meeting of the group at the Chamber of Commerce. Dr. M. E. Jolly, president of the Chest requested each team captain to select as many workers as they thought were needed and organize for the drive which starts Tuesday morning, Oct. 5, with a kickoff breakfast.

Each team captain was requested to turn in a list of his or her workers to Mrs. Hershel Angus, Chest secretary before Thursday in order that they might know how many would attend the breakfast.

Present at the meeting were Dr. Jolly, Mrs. Hershel Angus, Mrs. H. C. Edwards, Mrs. P. M. Kuykendall, Mrs. Stanley McAnelly, F. P. Prashier, Gaston Dixon, Mrs. A. W. Warford, Mrs. Arthur Deffebach, Mrs. Roscoe Hopper, C. E. May, Joe Dennis, Morris Campbell and R. V. Galloway.

Following is a list of the team captains: G. B. Rush, Mrs. Roscoe Hopper, Mrs. V. V. Cooper, Jr., Mrs. Arthur Deffebach, Mrs. P. M. Kuykendall, Mrs. S. M. McAnelly, Mrs. E. F. Arterburn, Mrs. A. W. Warford, Mrs. Carl Lamm, Mrs. Morris Campbell, Teyssan Hale, F. P. Prashier, Sr., Dr. Grady Tice, Harlan Phillips, Bill Anderson, Joe Dennis, Mrs. H. C. Edwards, J. A. Smith and Mrs. Dorothy Abraham.

Monday afternoon the Ranger gin had exceeded the 100 mark in bales of cotton ginned this season.

At noon the gin had just completed the 99th bale of the season. T. D. Lauderdale said, and he knew of two or possibly three bales which would be brought to the gin Monday afternoon.

Last Saturday the gin had its heaviest run of any single day this season when 21 bales were ginned.

Despite the short crop, Lauderdale said the turnout continues to be good, and the cotton is grading above the average. He has purchased two bales of cotton, one Saturday and another Monday, for a total of \$33.75 a hundred. One was produced by J. H. Littleton near Ranger and the other by J. L. Morrow between Gorman and Ranger. Each graded middling with 15-16-inch staple.

**Pfc. Overstreet
Gets Transfer
From Korea**

25TH DIV., KOREA (Sp.) — Army PFC Robbie Overstreet, whose wife, Janice, and parents, Mr. and Mrs. D. F. Overstreet, live in Eastland, was recently transferred from the 2d Division to the 25th Infantry Division, which is now in the process of leaving Korea for Schofield Barracks, Hawaii.

The 25th "Tropic Lightning" Division, which has seen more combat in Korea than any other American unit, arrived on the peninsula in July 1950, shortly after the Communist invasion.

Pfc. Overstreet, a wireman, entered the Army in March 1953.

The Ranger Lions Club will be prepared to conduct its all-out, house-to-house canvass on the sale of electric light bulbs to Ranger residents Thursday evening. Dr. Calvin Harris, chairman of the light bulb sale, said Monday. Every cent of profit realized from the sale of the "sack of light bulbs" will go to the activities fund of the Club, he stated.

"When all the light bulbs we have received from the Sylvania Corporation are sold, we could really light up Ranger," Dr. Harris added. Over 3,500 bulbs have been sent to the local club and a few stored in the old Texas Drug building on Main.

The bulbs will be sold in bags, each containing two 40-watt, four 60-watt, four 100-watt bulbs and one 150-watt kitchen lite bulb, at the regular price of \$2.00. Every householder can use light bulbs, and this drive affords an opportunity to buy a good supply, while helping a most worthy cause. The bulbs will be sacked and it is a package deal. The retail price of the assortment is exactly what they would cost in a retail store.

By special arrangement with the company, the Lions Club will receive an added discount which will enable them to realize a very satisfactory profit on each sale.

Following the regular noon meeting of the club on Thursday Dr. Jarris said a committee will sack the bulbs and have them ready when the sale starts at 5 p.m. At that time every member of the Lions Club is expected to be on hand and start selling his share of the bulbs. They will make a house-to-house canvass of Ranger.

The entire membership of the Lions Club has been organized to supply friends and neighbors with bags of bulbs. Lions Clubs in other cities have had excellent results with similar bulb sales, and Morris George, club president, expressed his confidence in the success of this fund-raising campaign in Ranger.

The light bulb selling campaign is a unique feature of Lions International which serves a several-fold purpose. Sight conservation is one of the foremost continuous activities sponsored by all clubs, world-wide. The sale of light bulbs helps local clubs to emphasize this activity and at the same time raise funds to enable them to carry on this work.

A part of the funds from the light sale have been earmarked for aid to the Lions Club Camp, near Kerrville, sponsored by clubs all over Texas for aid to crippled children. Dr. Harris said.

**Community
Night At Olden
Set Thursday**

OLDEN (TNS) — The first Olden Community night of the season will be held Thursday at 8 p.m. at the High School gym.

Travis Keen, in charge of the program, and he said fun and fellowship will be the agenda for the night.

The only charge is for refreshments, and Reese urged everyone to attend.

**W. C. Harris Hurt
In Accident Mon.**

W. C. Harris, 64, of 712 Walnut street, was hospitalized at Ranger General Hospital Monday afternoon following an injury which resulted in a compound fracture to his right leg.

Harris, an employee of the Texas Pacific Coal and Oil Company, was injured at the company's Butler plant west of Ranger. It was reported that he was injured while helping in the movement of some pipe on the plant yard.

The annual cemetery working will be held at Bullock on Friday, October 1, which is a standing date.

A spokesman asked that each and everyone come out and help clean the cemetery from fence to fence.

**Breckenridge
Men Pay Heavy
Fines; Kill Doe**

Two Breckenridge men found out the hard way that it isn't a good idea to hunt out of season recently.

The two men paid fines a n d court costs totaling \$1,287 after being caught with a dead doe and fawn near Caddo.

The fines were paid in a Breckenridge justice court.

WANTED: Mechanic. A good proposition for the right man. Paid, guarantee and commission. Apply Kimes Nash Co., Breckenridge, Texas.

REDUCE PILES' SWELLING WITHOUT SURGERY!

NEW STAINLESS FORM NOW ALSO AVAILABLE!
In 90% of cases simple piles—tested by doctors—amazing Pazo! Ointment stopped bleeding, reduced swelling, healed cracking—shrank piles WITHOUT SURGERY! Pains were stopped or materially reduced. Pazo acts to soothe, relieve itching instantly. In tubes, also modern Suppositories at all drug stores. Get Pazo today for wonderfully fast relief right away.

Heavy Sales Mean Fewer Cattle In '55

Because more cattle were slaughtered this year, the nation will enter 1955 with fewer cattle than a year ago. The larger marketings are due partly to dry weather and partly to reduced interest in expanding beef cattle herds in some regions, says John G. McHaney, extension economist, at College Station.

Beef production is running at record levels. Prices for fed cattle are not likely to change much this fall while prices of grass fed cattle can be expected to make the usual seasonal decline. Feeders in areas having feed are in a more favorable position than those in drought areas where feed is short and higher in price.

Since mid-July, more hogs also are being slaughtered than a year ago. Prices for hogs are expected to trend seasonally downward and to continue considerably below the rather high prices of last fall.

Seasonal decreases in prices for lambs have been earlier and greater than usual, with more sheep and lambs slaughtered this summer than last, McHaney reports.

There now appears to be little prospect for any substantial price recovery until the fall marketing season is past, the economist adds.

Three Types Operating Loans Are Made Available By F.H.A.

Texas farmers can obtain three types of operating loans from the Farmers Home Administration, George I. Lane, county director, said today. The credit is available immediately and can be used to finance current farm and living expenses as well as the production of next year's crops.

The three kinds of operating loans are emergency loans, special livestock loans, and regular production and subsistence loans. These loans may be made only to operators of family-type farms. The emergency and livestock loans are made to operators of family-type farms and other farmers and ranchers as well. All of the loans are made only to farmers who are unable to obtain the credit from other sources.

The regular production and subsistence loans help small farmers to improve their farming operations. These loans may be made to buy farm and home equipment, feed, seed, lime and fertilizer, and to pay other farm operating and family living expenses.

There is a statutory limit of \$7,000 on each production and subsistence loan and the total outstanding debt for these loans cannot exceed 10,000. Repayments are based on the income to be received each year after reasonable expenses are met. In no

Governor Has Set Oct. 4-9 As Farm Week

Governor Allan Shivers has proclaimed the week of October 4-9 "Texas Farm Bureau Organization Week," and Eastland County Farm Bureau members will join others throughout the state in celebrating.

During that period, thousands of voluntary workers will conduct an intensive state-wide membership drive in an effort to enlist Texas farmers and ranchers in the independent state farm organization. The official goal for 1954 is 63,750. The total membership last year was 53,195 farm families.

In his official proclamation, the Governor paid tribute to agriculture, the state's largest industry. "Farming and ranching activities afford a major source of income for the inhabitants of the State of Texas," the proclamation read.

"The farmers and ranchers of Texas, through their various organizations, have worked for recognition and economic equality by democratic procedures. These groups recognize the necessity and supreme importance of having an educated, prosperous and organized agricultural husbandry in our State.

"Therefore I, as Governor of the State of Texas, do hereby request the observance throughout the State of October 4 through 9, 1954, as Texas Farm Bureau Organization Week and urge that our citizens do cooperate in the recognition and observance of this week in an effort to publicize this important phase of our Texas life."

case may the loan run for more than 7 years.

When the main purpose of the production and subsistence loan is to improve the farmer's operations, a limited amount of funds may be included to refinance debts secured by liens on livestock and farm equipment.

Special livestock loans are made to producers and feeders of cattle, sheep, and goats, except commercial feed lot operators. These loans are made to meet usual expenses necessary to successful livestock operations, such as the purchase or production of feed, and replacing, hiring, or repairing farm machinery and equipment. Livestock loans are not made to expand operations or to pay existing debts, except incidental current bills.

Livestock loans are made for periods up to 3 years. Any balances remaining on these loans after the three years are serviced for collection based on the repayment ability of the borrower. Other creditors are not asked to subordinate their liens, but are expected to stand by and to agree that a reasonable part of the applicant's normal income from livestock can be used in repaying the loan.

Emergency loans are made to farmers and ranchers who because of losses suffered from the drought or local economic conditions need credit to continue their operations.

These loans may be used for the purchase of feed, seed, fertilizer, machinery repair, replacement of equipment, and for other essential farm and home operating expenses. Emergency loans may not be made to pay existing debts. Ordinarily emergency loans to meet current operating and living expenses are expected to be repaid out of the year's income. Repayments on advances for other purposes are scheduled in accordance with the borrower's ability to repay.

It is not the policy of the Farmers Home Administration to foreclose on borrowers because of their inability to make payments when the payments are due, except where there appears to be absolutely no chance of the borrower's future success or where a borrower has violated the terms of his loan agreement.

There is no limit set by law on the amount that a farmer or rancher can borrow under the special livestock and emergency loan programs. The amount that can be borrowed under these programs is determined by the farmer's needs and his ability to repay. No loan is made unless it appears that an applicant has reasonable prospects for success.

For each loan made, the Government obtains the best security available including a first lien on all crops to be produced with the loan and on all livestock and farm machinery purchased with the loan.

While special livestock emergency loans cannot be used to refinance existing debts the loans can include funds to pay interest on existing chattel and real estate debts and to pay creditors for the annual depreciation on chattels serving as security for their loans. In addition, local businessmen who are creditors benefit from loans

funds used to purchase local supplies and services.

The county committees of the Farmers Home Administration pass on the eligibility of all applicants.

New Amendment Changes Social Security Act

Amendments to the Social Security Act, signed into law recently by President Eisenhower, will affect virtually every family in this area, according to Ralph T. Fisher, district manager of the Social Security Administration.

"The protection of old-age and survivors insurance is now extended to 9 out of 10 families in the community," Fisher said, "and the benefit payments, not only to future beneficiaries but also to those now on the rolls, have been substantially increased."

The amended Act provides many changes, and among them are included the following:

1. Extends coverage, commencing Jan. 1, 1955, to about 10 million more gainfully-employed people, including self-employed farm operators and most farm workers.
2. Increases benefits to all present and future retired workers and to their dependents and survivors.
3. Determines benefits on a more advantageous basis by permitting a worker to drop out as many as five years of low or no earnings in computing his average wage, and by increasing to \$4,200 the amount of annual earnings that can be counted toward benefits.
4. Preserves the rights of totally disabled workers to any rights they may have earned and provides for their referral to State agencies, for rehabilitation services.
5. Permits employed and self-employed beneficiaries under age 72 to have earnings up to \$1,200 a year without loss of social security payments (A beneficiary 72 or over will be able to receive all his payments regardless of the amount he may be earning.)

Rogue Helpful To New Engines

Minute particles of rouge added to lubricants may improve the "breaking in" of engines, University of Texas engineers have found.

A new engine can be built only to a limited degree of precision. It must be run until parts wear themselves into satisfactory fittings. H. G. Rylander and E. M. Wight have discovered that rouge particles make the job of breaking in copper-lead and aluminum sleeve bearings easier.

The bearings are parts of crankshafts and other sections of engines.

The largest limestone quarry in the world is located near Rogers City, Mich.

Over 4,000 Head Of Livestock Due

A total of 4,101 head of beef and dairy cattle, swine, sheep and goats have been entered in livestock events of the 1954 State Fair of Texas, Livestock Manager Ray W. Wilson has reported.

The total included 2,109 in the Pan-American Livestock Exposition, Oct. 9-17, and 1,992 for the Junior Livestock Show, Oct. 18-22.

Cattle, sheep and goat entries increased more than 15 per cent over last year in the Pan-American Exposition and more than 4 per cent in the Junior show. No swine shows were held last year. The entry total does not include Quarter horses, Palominos and Shetland ponies.

How Often Have I Wondered—
. . . why so many other people get along better than I. Ever have that feeling? If so, it's time for us to do a little soul-searching together. If we are day-dreaming or drifting along aimlessly without thought or reason, let's stop and about face. Let's begin to do things wisely. Let's guard against buying property with faulty titles. Investing in good titles is a sure way to get along better financially—better than those who don't. I will if you will!

ROUND-UP on the CAMPUS at Ranger Junior College

Mr. and Mrs. Alvin Roberts of Vernon spent the weekend with Dr. and Mrs. Price Ashton. They also visited with their sons, Harold and Lynn who are attending RJC and attended the Ranger-Cisco game Saturday night.

Mr. and Mrs. R. C. Vinson of Memphis visited the son, Freddy and also attended the Ranger-Cisco game Saturday night.

Mr. and Mrs. A. L. Gilstrap of Big Spring, parents of two Ranger players, Cecil and Raymond, were on hand Saturday night to see the Rangers whip Cisco 44 to 7.

Jerry Carter, son of Mr. and Mrs. J. C. Carter of Ranger, who is majoring in Agriculture, is on leave from his college classes this week to receive his formal discharge from the Armed forces.

Mr. and Mrs. E. R. Gibson of Odessa were Campus visitors Sunday.

Mr. and Mrs. H. L. Bleeker, parents of Tackle Dalton Bleeker, of Breckenridge were in Ranger Saturday night for the game against Cisco.

R. L. Greer, student at the University of Texas, was a weekend visitor on the RJC Campus, guest of the Austin boys attending college here.

Harold Merryfield, the fast running Rangers halfback from Ballinger, had as his guest, his wife, Pat, and small son, Merf. They also visited in the home of Dr. and Mrs. Price Ashton.

Thursday night is the big night for RJC students at the Student Union building.

Mr. and Mrs. Aubra White, and son, Richard of Austin visited their son and brother, and attended the Rangers-Wranglers football game.

Miss Orvella Harden of New

Castle, was a weekend guest of Lanell Rowell and Barbara Emerson.

Mrs. J. H. Maynard of Graham spent Sunday afternoon with her daughter, Barbara Emerson.

The Rangeanns made such a hit Saturday night that they are already receiving invitations to entertain for civic groups and clubs in this area.

A movie was made of the Rangeann's first public appearance at half-time of the Ranger-Cisco game Saturday night. The girls will see this movie before their next appearance, which will be Saturday night at the Ranger-Narvarro Junior College game.

Three different teams of Rangers saw action Saturday night against the Cisco Wranglers, and what impressed fans most was each team moved the ball right along. This game proved that the Rangers have lots of reserve power in depth. Watch the Rangers go!

Coach George Sims, Jr., of New Castle was a weekend guest of Lanell Rowell.

A number of Ranger JC students enjoyed an outing at Possum Kingdom dam Sunday afternoon. They included, Arlena Ash, Nancy Hamilton, Beverly Ann Cary, Mary Frances Cary, Margie Lea, Barbara Emerson, Bill Spears, Marshall Camp, Jim Shertliff, Sammy Neal, Freddy Vinson, and Harold Roberts.

The shirts, boleros, and belts for the Rangeanns were custom tailored for them by the Tex-Tan Company of Yoakum, and the attractive white boots were purchased in Ranger from E. L. Martin and Sons.

The sound service for the marching music at the half-time performance at Saturday night's game by the Rangeanns, was through the courtesy of W. H. Stevenson, Manager of Montgomery Ward's in Ranger, and the use of the equipment was made possible by D. A. Weems and C. E. Harper.

PERSONAL

Mr. and Mrs. Ed Crawford and her brother, Mr. and Mrs. P. E. Nicol have just returned from a ten-day vacation in Las Vegas, Salt Lake City and Colorado Springs. The Nicols will return to their home in San Antonio today.

Mr. and Mrs. Glenn West had as week-end guests, Mr. West's sister and husband, Mr. and Mrs. Julian A. Sory of Fort Worth.

Mr. and Mrs. George Beck have returned from a five weeks vacation trip up into the mountains of New Mexico. They also went to Ruidosa and through Carlsbad Caverns. Mr. Beck reported that they really had a nice time.

Mrs. Ven White and Mrs. Frances Jameson visited Mrs. John Ghoslin at Baylor Hospital in Dallas Sunday.

NEWS FROM CHEANEY

Mrs. Bill Tucker

Earnest F. Dean of Odessa spent Thursday night in the Hatley Dean home. He was enroute to Dallas. He has visited his uncle here a number of times.

Mr. and Mrs. Earl Strickler, Virginia, Fred and Jerry of Caddo were Cheaney church visitors with his mother Sunday.

Haden Eastland and son Butch of Fort Worth visited the E. E. Blackwell family during the supper hour Saturday.

Mr. and Mrs. Calvin James of Hobbs, New Mexico visited here last week with Mrs. Ava Grice, Miss Artie Pilgrim, the John Tuckers and Olive Pilgrim.

Visitors in the Ann Love home and with Mr. and Mrs. John Love during the week-end were Lum Love and Clarence Horn of Lubbock and Walter Wood of Seminole. John Love accompanied them to Fort Worth Saturday to attend a trailer show at the Will Rogers Coliseum. Mr. and Mrs. Bob Love and Don of Odessa came for a short visit Sunday.

Alton and Janie Perrin and daughter Ann of Gorman visited his parents the Henry Perrins Friday.

Mr. and Mrs. Charlie Miller who have been working in West Texas moved back Thursday and are at home on the Love Estate place for an indefinite stay. They plan to find work here.

Mr. and Mrs. Boyd Wisdom of Abilene attended the Dan Powers funeral at Desdemona on Thursday and visited here with the William Meltons for awhile.

Mrs. Jack Rogers, accompanied by her parents, Mr. and Mrs. William Melton went to Waco Sunday to visit the Troy Melton family.

Mrs. Wanda Frasier whose husband is on his way to Venezuela, visited her sister in law in DeLeon Saturday and came by the Ben Freemans, enroute to Graham, where she will make her home for the time being.

This writer was in conference Wednesday in Hillsboro with Miss Annie L. Lane, District 8 extension agent of Stephenville and Mrs. W. A. Tate outgoing vice president of District 8 Malone, Texas. The day's itinerary included a stop in Waco before returning to Stephenville and on home.

Due to funeral services of Geo. Love on Thursday, Sept. 23, the Cheaney H.D. club will meet this week Sept. 30 at the home of Mrs. R. W. Gordon in Ranger.

Leader demonstrator will be Mrs. Gordon at the morning session. A Covered-dish luncheon will be served and the afternoon spent in etching glass, a new craft.

Think it's hot this summer? The highest temperature ever recorded under standard atmospheric conditions is believed to be 136.4 degrees F. It was recorded in Libya on Sept. 13, 1922 according to the National Geographic Society.

Methodist Men Hear Weatherford Mayor, Jim Wright, Thursday Night

Jim Wright, mayor of Weatherford, and congressman-elect from the congressional district including Fort Worth, will be the principal speaker for the Mens Methodist Club on Thursday night, Charles Hamilton, club president announced today.

The meeting is the regular monthly session for the club, and will be held in the basement of the First Methodist Church beginning at 7 p.m.

A turkey dinner will be served by Circle Three of the WSCS of

New Method Found For Testing Of Clays

A new University of Texas x-ray technique will help soil scientists identify clay materials more easily and accurately.

Dr. E. Joseph Weiss of the ceramic engineering department, evolved the technique, which identifies an unknown material as it is heated. Previously, scientists had to heat a substance, then shoot x-rays through it and attempt to identify it by the pattern created.

Technicians found, however, that sometimes a substance produced one pattern after it was heated the first time, another pattern after a second heating. The Weiss method does away with such errors and allows scientists to trace changes as a material is heated. The method also is expected to aid petroleum scientists in studies of geologic formations.

CALL 224 FOR CLASSIFIED ADS

which Mrs. J. T. Roberson is chairman.

Dr. Price Ashton is program chairman for the meeting.

Hamilton urged all members to attend the meeting.

Reception Opens AAU W Fall Season

The Ranger Chapter of The American Association of University Women opened its 1954-55 season with a reception held last Thursday evening in the Women's Club. Honored guests were recent newcomers to Ranger and invited guests.

Guests were received by Miss Mildred Balch, Mrs. Pat Thomas and Mrs. M. L. King.

The table, laid with an Italian cut-work cloth, was centered with an arrangement of yellow pom poms and appointed with silver and crystal. Mrs. D. L. Penney ladeled punch and was assisted in serving by Mmes. Saunders Gregg, Jettie Ballinger and Arthur Deffebach.

The fall theme was repeated throughout the clubroom with arrangements of pampas grass, chrysanthemums and fruit in brass and copper containers.

During the calling hours, Mrs. Vernon Deffebach registered approximately 65 guests.

Fort Worth Man Heads Insurance Service Group

Karl F. Vasen, widely known casualty insurance company executive of Fort Worth, has been named president of the Southwestern Insurance Information Service which has headquarters in Dallas.

The organization is sponsored by 51 casualty insurance companies. It functions as an information and educational office on matters involving insurance problems. The companies identified with the organization are leading, standard insurance carriers. The organization provides guest speakers for many types of civic and service clubs and other organizations.

Vasen is the executive vice president of two large insurance companies in Fort Worth and has been previously identified with other large insurance carriers.

Mr. and Mrs. Glen McCleskey and Glenda Fay of Dallas were here visiting Mr. and Mrs. Roy McCleskey over the week-end.

Mr. and Mrs. Hardin Bridges and children of Wichita Falls spent the week end here visiting her parents, Mr. and Mrs. Dick Ivy.

Mrs. Jess Roy and children, Jay and Janice Ann, of Colorado City, spent the week end here visiting her parents, Mr. and Mrs. E. T. Boyd. Jay remained here for a weeks visit with his grandparents. Mr. Roy is a patient in a

Colorado City hospital, recovering from injuries sustained in an oil-field accident recently.

Your Family Will Cluck With Pleasure Over Chicken Chili

BY DOROTHY MADDOX

WE'VE found a new and really delicious version of chili con carne. This one is made with chicken instead of beef. Leftover chicken can be used. As chicken is in abundant supply now, this is a budget recipe.

Chicken Chili Con Carne
(Yield: 6 servings)

Two tablespoons margarine or butter, 1/2 cup chopped onion, 1/2 cup chopped green pepper, 2 cups chicken broth, 6-ounce can tomato paste, 3 teaspoons salt, 1 teaspoon sugar, 4 teaspoons chili powder, 1/4 teaspoon ground black pepper, 1/4 teaspoon garlic powder, 1-pound can red kidney beans, 2 cups cooked, shredded chicken or leftover chicken, 4 teaspoons cooked rice.

Leftover chicken flies back to the table as a real tasty treat when it's used as the meat base for this delicious chili.

Chili Pork Chops
(Yield: 8 servings)

Six pork chops, cut 1-inch thick, 2 small onions, sliced; 1 medium green pepper, sliced; 4 potatoes, sliced; 4 carrots, sliced; 1 teaspoon salt, 1/4 teaspoon ground black pepper, 1 teaspoon chili powder, 1 cup tomato juice.

Place margarine or butter in a saucepan with onion and green pepper, saute until limp (about 10 minutes). Add chicken broth, tomato paste and seasonings. Cover. Simmer until thickened (30 to 40 minutes). Add kidney beans and shredded chicken. Heat. Serve over cooked rice. For a party of 12, double this recipe.

NEWS FROM DESDEMONA

By Mrs. Ethel Keith

Due to a short vacation trip taken by this reporter, no news appeared in this column as most of the readers may have noticed last week. On the trip I visited in Odessa with a daughter, Mrs. T. R. Wilcoxson and Mr. Wilcoxson and with a son Bernard Keith and family in Monahans, with Mack Keith and wife in Kermit, with the Pug Gutherys. Mrs. Mack Keith returned home with me to visit her parents, Mr. and Mrs. Hubert Raney and family.

The Hubert Raney's had the misfortune to leave their home and all its contents by fire last week. This and other surrounding communities were generous in donations on food, clothing and furniture and the family have already set up to housekeeping about one mile west of this place on the Gorman Highway.

Hearts were made sad here late Friday, when word reached here that Edwin Hattax, youngest son of Mrs. Electra Hattax, had been electrocuted while at work at the Gorman hospital. Edwin was highly esteemed by all who knew him. He, with his brothers formerly attended school here. He is survived by his mother and two brothers, Garvin and Raymond.

Mrs. L. F. Davis of Valley Mills, mother of Mrs. R. H. Abel, who

has been in ill health most of this year has been a patient in the Gorman hospital for almost two weeks was moved to the home of Mrs. Abel here Sunday, another daughter, Mrs. Minnie Jones is at her bedside.

Mr. and Mrs. A. M. Hale of Alexander were visitors late Sunday afternoon with her brother and family, Mr. and Mrs. Abel.

Mrs. Juanita Pilgrim left last week for an indefinite stay in Odessa and Kermit and her grandmother, Mrs. Sarah Eaton left to visit in Ballinger with her son and their families.

Mr. and Mrs. Shorty May and children visited in Brady last week end with a son, Mr. and Mrs. Ernst Key and Debbie.

On a weeks vacation trip, Mr. and Mrs. John Arnold visited in Moorings Port, La. with Rev. and Mrs. Rupert Coles, after a short visit with the Coles, the two couples left for a visit in New Orleans, La., to visit Mrs. Coles' mother, Mrs. J. K. Kneese and sister, Joan on the way back to Moorings Port they visited in the home of Rev. and Mrs. J. C. Skinner, Reverend Coles and Reverend Skinner are former pastors of the local Methodist Church.

Mr. and Mrs. Rufus Buckley and sons of Abilene were here for the week end looking about business at their home here. Their eldest son, Jerry who is home on leave

Junior Council Of R. A.'s To Meet Wednesday

The Junior Council of the Royal Ambassadors, of the First Baptist Church, will meet Wednesday evening at 6 p.m. This extra meeting time is to give the boys an opportunity to have their supper at 6:30.

Mr. W. G. Myers is counsellor of the chapter. The R.A. organization is open for all Junior age boys, 9-12 The work that is done is not paralleled in any other organization either in or out of the Church.

The R.A. of the First Baptist Church has functioned these past several years and the boys have enjoyed the programs, and the work that is carried out. Many projects are sponsored by the Chapter.

All the Junior boys are welcomed to attend and to become a member of this fine organization that is part of the church program.

This does not conflict with the Boy Scout Troop sponsored by the Church. The Brotherhood of the First Baptist Church has sponsored a Boy Scout Troop for many years and will continue to be active in both the R.A. and scout work. Parents who have Junior boys should bring them on Wednesday at 6 p.m. this Wednesday evening. The regular meeting time is 8:30 except the last Wednesday in each month.

A large number of members were present for this first meeting of the new year.

American Legion Auxiliary To Meet

The American Legion Auxiliary met in its regular session Thursday, Sept. 23. The meeting was presided over by the new president, Mrs. A. H. Powell. The new officers filled their places.

During the business session various committee chairmen were appointed. Mrs. Electra Pearson was appointed hospitality chairman for the sick, Mrs. H. C. Croon Peggy, chairman, Mrs. V. J. Butler, Americanism chairman, Mrs. Ed Freer and Mrs. E. C. Ward were appointed membership chairmen for the drive now in progress. All members are asked to pay their 55 dues during this drive.

Mr. and Mrs. Rufus Buckley and sons of Abilene were here for the week end looking about business at their home here. Their eldest son, Jerry who is home on leave

from the armed forces was with them.

Another cafe is to be opened here soon. Mr. L. E. Clark is remodeling the little building west of his shop and Mr. and Mrs. Roy Northcutt will open a cafe there in the near future.

Mrs. H. H. Kullenburg of Austin, who was visiting with her mother, Mrs. Eula Northcutt and family had the misfortune to fall and break her arm and had to return home before her visit was completed.

Condition of Mrs. Gholson Reported Good

The condition of Mrs. John Gholson is reported to be fairly good this morning. Mrs. Gholson sustained a broken hip in a fall on the driveway at her home Saturday evening.

She was taken by ambulance to Baylor Hospital in Dallas and is in Room 216. She was accompanied there by Dr. and Mrs. P. M. Kuykendall.

PERSONALS

Mrs. Ann Shaefer, Father Boesmans, James Higginbotham and Miss Mary Frances Higginbotham all attended the graduation exercises for the Confraternity of Christian Doctrine at the Saint Patrick's Cathedral.

Mr. and Mrs. Keith Langford and Dickie visited with his parents, Mr. and Mrs. C. R. Langford in Lawn over the week-end.

SOCIETY

First Baptist Meeting To Be Held Wednesday

The Sunday School Department of the First Baptist Church continues to move forward in a great way. Wednesday night at 6:30 with a covered dish supper served by the Intermediate department. At 7 p.m. all Class nominating committees will meet for special instruction. Mrs. Ralph Perkins will direct the discussion. Class committees have an important task in securing the correct leadership for the new year.

The Sunday school lesson for the adult departments will be taught by Mrs. Geo. Robinson. Intermediate and Young People Departments will be provided for. The Junior teachers will have for the next quarter the "Uniform Sunday School Lessons" and will have the lesson taught each Wednesday night.

At 7:30, will be the Hour of Inspiration, wherein there will be scripture reading, prayer, a study of the teachings, and prophecy of Zechariah, who lived and prophesied in 520-518 B.C. This study will prove of great inspiration during the next several Wednesday nights. Mid-week prayer service is the power for the Sunday services. The Nursery is open for the entire services on Wednesday evening. Visitors are welcome at all the services.

PERSONAL

Mrs. Mittie Perkins of Megargel is here visiting in the home of Rev. and Mrs. Ralph Perkins and children.

Mrs. Harold Merryfield a n d baby of Ballinger were here over the week-end to be with her husband and father, Harold Merryfield.

HOSPITAL NEWS

New patients at the West Texas Hospital are Mrs. Pinky McAlpine of Ranger and W. E. Williams of Dallas.

E. E. Tension has been transferred to an Abilene hospital and Mrs. Tension and daughter Elizabeth have been dismissed.

Recent admissions at Ranger General Hospital include: W. C. Harris Ranger, surgical; Mrs. Virginia Rayfield, Ranger, surgical; Mrs. Betty Williams, Dallas, medical; Mrs. Max Jackson, medical, Gorman; Jesse Banks, Abilene, medical and Joseph Harrell, Cisco, surgical.

Alvin Sparks, brother of Mrs. B. P. Perrin of Ranger, was moved from a Snyder hospital to the Methodist Hospital in Lubbock where he underwent his second operation. His condition is termed as very critical.

Lone Star Ladies To Meet Thursday

Members of the Lone Star Ladies Club will meet at 2 o'clock Thursday afternoon, September 30, at the Community Club House, with the Gordon members as business.

All Lone Star ladies are invited to attend.

Is Your Home PROPERLY LIGHTED to Prevent Eyestrain?

Proper lighting in your home to provide maximum eye comfort requires two kinds of light... specific light for close-seeing activities, and general lighting for the entire room.

Specific light arrangements usually are most beneficial when lamps with bulbs of 150-watt size or larger are used. This is particularly important so that you will have the proper light, and eyestrain will be avoided when members of the family are reading, studying, sewing, preparing food, doing hobby work, or any of the many activities found in well-rounded family life. Television, too, is more enjoyable when the room is properly lighted to eliminate harsh contrasts that cause eyestrain.

For suggestions as to how you can improve the lighting in your home, consult the booklet, "See Your Home in a New Light," which includes recipes for solving lighting problems in any room of the house.

See your home in a new light

There's A Copy For YOU...

For helpful, easy-to-follow lighting recipes that will make seeing easier and every room in your home more attractive, phone, write, or come by our office for this free booklet, "See Your Home in a New Light."
