Bulldogs Will Meet Lions At Brownwood

For the second consecutive week, the Ranger Bulldogs will play away from home, when they journey to Brownwood tomorrow night for an encounter with the Brownwood Lions.

Killingsworth's Joins IRHA To Stage Week For Fix-It Fans

The station's independent retail hardware men will stage the biggest exclusively Do-It-Yourself promotion in history with Killingsworth's joining in the seven-day event that starts Friday, Oct. 1. Billed as IRHA Do-It-Yourself Week, the national campaign will feature a spectacular merchandising program and a huge advertising display that includes a special section in The Saturday Evening Post.

LIONS CLUB LIGHT BULB SALE TONIGHT

Members of the Ranger Lions Club tonight will stage its house-to-house canvass in the sale of electric light bulbs to raise funds for the club activities.

Ranger Man Is Member of Navy Drill Team

Acker Everett, son of Mr. and Mrs. R. C. Everett of Ranger, is now a member of the Navy precision drill team at Treasure Island, Calif. He is second drill master and the right hand man in the front rank. The team specializes in acrobatics and precision work.

The Bulldogs will be playing a team one notch higher in classification and it will be a rugged foe for the local boys take on.

Hardware Association and sellers of quality merchandise. Do-It-Yourself Week opens Oct. 1 and continues through October 9 in virtually every community in the country. It is tailored especially for the millions of "fix-it fans" whose hobby shops and home improvement programs have turned the constantly growing Do-It-Yourself trend into a four billion dollar industry.

To prepare for what may be one of the biggest events for the hardware industry this year, Killingsworth's has loaded counters and shelves with every conceivable Do-It-Yourself item — from push pins to power tools, from hammers to hinges, from tubing to tile. Almost any tool or material that will be used in the home is available.

"Do-It-Yourself Week is really a seven-day family affair," said Killingsworth. "Almost every member of every family has some sort of hobby that we hardwaremen cater to. This week we are holding a sort of open house to welcome all of them."

Tickets On Sale

Tickets to the Ranger-Brownwood football game to be played in Brownwood at 8 p. m. Friday, went on sale in Ranger today.

CATTLEMEN SET MEET FOR TODAY

The annual Eastland County Livestock Raisers Association meeting and barbecue will be held tonight beginning at 6:30 p. m. at the Eastland County Park. Approximately 300 persons are expected to attend the annual affair.

The Livestock Raisers Association is one of the oldest livestock groups in this part of the state. The group annually stages the Eastland County Livestock Show, Livestock tours, field days and assistance to Future Farmers of America and 4-H club youth ranks high on the list of accomplishments the group has made.

The annual barbecue was the first of its kind in Eastland County. Boyd Hilley, Gorman is president of the organization. He will join a list of past presidents this year that includes such well known men as Judge M. S. Long of Eastland, Lester Hagaman of Ranger and Sutton Craft of Cisco.

Heavy Fines Paid By Three On DWI Charges

Heavy fines were levied in three County Court cases this week involving driving while intoxicated.

The bulldog coach pointed to the fact that Brownwood may think they will have an easy game this week, but if the Bulldogs show the determination evidenced on the practice field Wednesday the score would be in condition to see action against Brownwood, with the exception of Jameson.

One-Sixth of State Population Living in 12 Counties

More than 16 per cent of Texas' entire population—some 1,248,600 persons—live along U.S. Highway 75, which passes through 12 counties in this state, a University of Texas researcher reports.

Thomas E. Stutzberg of Fort Arthur wrote a Master of Arts thesis on the highway's Texas history.

Individual chapters are given to the counties through which U.S. 75 passes—Grayson, Collin, Dallas, Ellis, Navarro, Freestone, Leon, Madison, Walker, Montgomery, Harris and Galveston.

New Ultrasonic Dental Drill Makes For Painless Dentistry

The old gag about the so-called "painless dentist" is now true for millions of Americans, thanks to a new precision dental drill that will drill your teeth absolutely without pain.

This new dental drill by sound wave means a new era of dental comfort. The machine does not cut or drill in the usual sense of the word, but removes the solid matter with microscopic precision.

Most of the painlessness of the ultrasonic drill is probably explained by the fact that the drill never gets hot when it is drilling the patients' teeth. Much of the pain caused by rotating dental drills is caused by heat from the friction. And not only does the heat of the rotating dental drills hurt, but heat can actually damage the pulp, dentine and nerves of the tooth itself.

The new dental drill has a metal head that moves up and

down delivering more than 29,000 blows each second. The blows are only 1/1000 of an inch in depth. The tremendous speed of the blows and the relatively light touch of the drill is responsible for the painlessness of the operation.

Patients who have been subjected to the new drill for their teeth have given the dentist enthusiastic reports. In fact, one patient who was sitting in the dentist's chair when the new machine broke down

leaped from the chair and said he would return to have the tooth fixed when the new drill had been repaired. He added that no dentist was going to use the old-fashioned drill on him.

The new drill can be installed in any dentist's office. Although the drill is definitely past the experimental stage, there is still a considerable amount of research going on in laboratories in an attempt to improve the mechanism.

Two Enlist in Army During Past Week

Two area men enlisted in the U.S. Army this week. They are Andrew R. Lowmore Jr. of Route 2 Eastland and Gordon Lee Wood of Route 1, Cisco.

Lowmore is the son of A. R. Lowmore.

Both enlisted at the enlistment station in Breckenridge.

Scattered Rain Falls Over Area

Eastland County has received spotted rains and heavy clouds hanging over all of the county promise even more moisture.

Cisco reported an inch and a half, the heaviest measurement in the county. Eastland, early today, had received only .09. Rising Star reported .25 and Ranger about .08. Gorman reportedly got "about half an inch."

Hodges Oak P-TA Holds Initial Meeting Tuesday

Members of the Hodges Oak Park P-TA held their first regular meeting of the year in the music room at the school at 3:30 p.m. Tuesday, September 28.

The meeting was opened with a prayer by the president, Mrs. Calvin Harris, who then led in singing "The More We Get Together."

Following a "get-acquainted" session, Mrs. David Pickrell, program chairman, introduced the new principal, O. C. Warden, who made an interesting talk on plans for the school year and answered parents' questions concerning their child's school work.

During the business meeting, committee reports were made and projects for the year discussed.

Refreshments were served to about fifty members in the auditorium.

Royal Neighbors Have Birthday Supper Monday

The Royal Neighbors of America, No. 9559, met in regular session at 7:30 Monday evening, with Oracle May Smith presiding. Routine business was transacted and Mrs. Bertie Shipman and Mrs. Della Rushing were reported as being ill.

Mr. and Mrs. Carl Marlow of Abilene were introduced and given grand honors, Mrs. Marlow being district deputy.

The penny prize, which was furnished by Lena McDonough, was won by Edna Huffman.

After lodge closed, ice cream and cake was served, honoring those having birthdays this month.

Present were: Misses Laura Melton, Lee Graham, Edna Huffman, Smith, Alice Joy Lennin, Gussie Tankersley, Alberta Miller, Eary Wallace, Lillie Anderson, Rosalie Lee, Claudie Alexander, Tillie Hicks, Winnie Phillips, Lora Huffman, Ellen Jones, McDonough, Eleanor Horton and Mr. and Mrs. Marlow.

SOCIETY

BETTI'S BUDGET of HELPFUL HINTS

It's an old trick — but it still works — stubborn stains can be removed from hands by rubbing them with a piece of lemon or raw potato.

"Back-to-school-days" bring to mind an old trick we used to use. We found that by brushing a coat of clear shellac on the covers of textbooks they stay new-looking and easy to wipe clean when soiled!

Did you ever "bake" a cake in the refrigerator? Here's how: Soften 2 teaspoons unflavored gelatin in cold water, dissolve over hot water and stir in 1 cup drained, crushed pineapple. Chill until partially set. Whip 1 cup cream; fold in. Spread on 40 graham crackers and put together to form a loaf. Frost with 1 cup whipped cream. Garnish with bits of candied ginger. Chill thoroughly. Slice on the diagonal to serve. Makes 8 to 10 servings.

A new plastic freezer tray which forms water into finely chipped ice instead of cubes has been developed, using a tough, flexible product of the chemical industry known as "Alathon."

If your furniture is padded with foam rubber, it's best to shampoo the upholstery with thick soap-suds and water. The reason is that dry-cleaning solutions will deteriorate the rubber.

If you have a freezer, packing lunches will be easy, done at your convenience instead of being a rush job every morning. All breads freeze well in sandwiches, if generously spread with butter or margarine so that fillings will not soak through. Most fillings also freeze well, except for egg salad, jelly, lettuce and tomato. Most sandwiches can be stored in the freezer two or three weeks. They thaw in 3 to 4 hours and taste best immediately after thawing. You

can also freeze cakes and cookies for lunch boxes.

Here is a good one-dish meal for these early fall days — Mix one pound of ground beef with one teaspoon salt, one teaspoon Worcestershire sauce and one teaspoon minced onion. Form into six squares. Brown well in frying pan in about two tablespoons hot fat. Add two cups cubed potatoes, two cups sliced carrot rounds and one cup chopped onions. Season with one teaspoon salt and add one and one-half cups water. Cover pan. Bring to steaming point, then turn heat low and let cook slowly for about 45 minutes. The last few minutes of cooking, thicken stock with one tablespoon flour, moistened with two tablespoons cold water.

Columbia Study Club Has Called Meeting

Twelve members were present at a called meeting of the Columbia Study Club, held Tuesday afternoon, September 28, in the home of Mrs. P. M. Kuykendall.

The president, Mrs. Kuykendall, presided and heard the secretary-treasurer's report by Mrs. W. L. Downton. Routine business was discussed.

Following the business session, light refreshments were served to those present.

The next regular meeting will be held on October 5 in the home of Mrs. A. N. Larson, with Mrs. L. H. Hagaman giving a book review.

Officers Named By Ranger FHA Chapter Tuesday

Officers for the Future Home-makers of America Chapter at Ranger High School were elected at the first meeting of the year on Tuesday, Sept. 27, when a record attendance of 63 girls were present.

Darlene Crabb was named president.

Other officers include, Donna Blackwell, vice president; Peggy Fox, secretary; Geraldine Sledge, treasurer; Betty Wells, reporter; Sue Garrett, c-v defense chairman; Laquardo Wortham, scrapbook keeper; Betty Green, parliamentarian, and Maxine Vandergriff, pianist.

Mrs. Dick Henderson, Home Ec teacher at Ranger High, and FHA sponsor, outlined the eight purposes of the FHA organization, and reviewed a tentative goal for the chapter during the coming year.

The newly elected officers of the FHA chapter will hold a meeting Monday night, Oct. 4 at which time they will make plans for the formal initiation of new members into the chapter.

Ashton, Norton To Attend JC Meet At A & M

Dr. Preece Ashton, president of Ranger Junior College and Dr. David Norton, administrative assistant of the college, will attend the 11th annual conference of Junior College administrators, deans and faculty representatives at College Station, Oct. 4 and 5, it was announced today.

Dr. John D. Moseley, president of Austin College at Sherman, will speak at the Monday evening banquet highlighting the two-day program. His topic will be "Junior Colleges have a Challenging Responsibility in Higher Education in Texas."

Dean John R. Bertrand of the basic division at Texas A&M will preside at the banquet. Invocation will be given by Dr. E. J. Howell, president of Tarleton State College at Stephenville.

Dr. Monroe S. Carroll, Dean of the University, Baylor, will preside at one of the opening day sessions. Others on the slate of speakers include Prof. Royal B. Embree, Jr., of the University of Texas and Dr. Walter H. Delaplane, dean of the A&M School of Arts and Sciences.

Discussion of junior college libraries, student personnel work, visual aids for effective teaching and conference-leading techniques are main parts of the program.

All sessions will be held in Memorial Student Center and delegates will arrive and register there Sunday afternoon and early Monday. The general assembly is set for 9 a.m. Oct. 4.

Ranger Chapter Of FFA Elects New Officers

Officers for the Ranger Future Farmers of America Chapter have been elected for the coming year, and plans are being made by the group to attend the State Fair of Texas on Oct. 16.

Named as officers at the second regular meeting of the Chapter on Sept. 24, were the following:

Jo Young, president; Allan Lewie, first vice president; Dalton Brian, second vice president; Charles Tibbels, third vice president; Albert Harris, secretary; Jack Blackwell, treasurer; Charlie Taylor, parliamentarian; Don Bratton, historian, and Howard Oliver, reporter.

Beverly S. Dudley, Jr., Ranger High School vocational agriculture teacher, is the advisor for the local FFA chapter.

Total membership in chapter for this year is 29 of which 10 members hold the degree of Future Farmer. The remaining 19 are green hands.

Mineral Wells Defeat Pups In First Game 7-0

One mistake by the Ranger Pups, which resulted in the Mineral Wells junior football team scoring, proved to be a costly one, as the Pups lost their first game of the season by a 7 to 0 score. Mineral Wells managed to draw a defensive player out of position and completed a pass which covered for a gain of 50 yards and their lone touchdown. Previously

the Mineral Wells boys had defeated the Stephenville Junior Jacket's for a 13-0 score.

Other than allowing the one touchdown, the Ranger Pups gave an excellent account of themselves, and during the entire second half, kept the Junior Mountaineers playing in their own back yard.

Twice the Pups backed the opposition up to their own goal line in a serious threat to score. Once the Pups lost the ball by a fumble to the Mineral Wells crew after moving to the one-yard line, and as the game ended the Pups had the other team backed to its own two-yard stripe.

Defensively the Pups looked good. After they had overcome a slight case of "stage-fright" in the first of the game, they settled down and held the boys of Mineral Wells in check. Except for the pass and run which gave the other side a scoring edge, the Pups never let the ball get past their own 35-yard line.

The Pups will see action next Tuesday night at Bulldog Stadium when they entertain the Junior Steers from Graham.

Jessie Pittman Jr., of Tulsa Okla., visited Sunday with his parents, Mr. and Mrs. Jess Pittman of Olden.

Meeting Place For F B Supper Is Changed

A change in the place of meeting for the Farm Bureau Kick-Off Supper has been made, according to an announcement made today.

The meeting will be held at 7 o'clock, October 5, in the Legion Hall in Cisco instead of Eastland City Park as was previously announced.

Christian Influence Must Spread

Bible Comment For Oct. 3
One of the greatest problems of present-day life and society is that of the home.

It is constantly emphasized that at the root of juvenile delinquency is poor homelife, with lack of parental guidance and control, and often serious delinquencies in the parents themselves. Nor are such parental delinquencies confined to the poor, illiterate and underprivileged.

Careless, self-indulgent and undisciplined parents, rich and poor alike, must bear their share of responsibility, but there is an all-too-common tendency to blame parents for everything.

with forces and influences outside of the home that tend to offset all that it can do, and these outside influences have youth for longer periods than the home itself.

A more serious factor, however, is the low standards of conduct that are so widely prevalent today. We live in a so-called Christian land, and all our religious institutions try to typify wholesome ideals, evidenced in character and conduct.

Unfortunately, without being pessimistic about it, or disregarding the wholesome influence of all these institutions, we must face the fact that a widespread secularism, materialism and low morality is all too evident. And this debasement of ideals seems to have increased in recent years.

If youth could be surrounded by the Christian standards and ideals outside, as well as inside the home, our problems would not be nearly so acute.

CHURCH NEWS

WCSA Meets For Mission Study Monday

Members of the Woman's Society of Christian Service of the First Methodist Church met at 3:30 Monday afternoon at the church. Mrs. A. J. Ratliff presided over the business meeting and led the opening prayer. The group joined in singing "Let All the World in Every Corner Sing."

Mrs. A. W. Brazda gave the introduction to the new mission study, "Man and God in the City" by Dr. Kenneth Miller, the main thought being why people move to

the city and Jesus' concern for the city.

Mrs. Gaston Dixon discussed "Who Is My Neighbor"—(to which Jesus responded with the story of the Good Samaritan) touching on work of the different settlement houses and recreation centers.

A playlet showing why people have gone to the city was given, with the following taking part—Mmes. W. F. Creager, Dixon, Vernon Deffenbach and R. S. Balch. The program closed with the re-reading of the Lord's Prayer.

Next Monday afternoon the program at the church will be an address by Mrs. Jasper Wright, social worker for the Cisco district. All members of the society are urged to be present and visitors are always welcome.

Church of God Revival Begins Sunday, Oct. 3

A revival will begin at the Church of God on the Old Strawn Road in Ranger on Oct. 3, according to the pastor, Rev. E. E. Malone.

The Rev. Wesley Boyanton of Dallas will be the evangelist and meetings will be held nightly at 7:15 p.m.

Everyone is welcome to attend any of the meetings.

WMS Meets For Bible Study

Members of the Women's Missionary Society of the First Baptist Church met Monday afternoon at the church for a business meeting and Bible study.

The opening song was "More About Jesus", and Mrs. Joe Tullos led the opening prayer.

The members voted to meet on Tuesday mornings at 9 o'clock during the coming year.

Mrs. Ralph Perkins brought the Bible study, "Young People of Destiny in the Bible." Mrs. Glenn West dismissed with prayer.

Edification Hour Held Wednesday, Church of Christ

Regular mid-week services of the Church of Christ, Mesquite and South Rusk, were held Wednesday evening at 7:30. The services were under the direction of H. E. Wallace. The service was opened by congregational singing led by Jerry Bob Greer. Lawrence Purefoy voiced the petitions of the worshippers as he led the audience in prayer.

Following the singing of deeply spiritual songs the various classes assembled in their rooms for instruction in the Bible. The auditorium class was directed in their discussion of Proverbs 11:17-31 by Brother Crumley. At the closing of the Service Morris George pronounced the benediction.

Mary Martha Group Meets For Bible Study

The Mary Martha group of the First Christian Church met Monday afternoon at 3 o'clock in the home of Mrs. E. T. Matthews, for their weekly bible study, with Mrs. Matthews, leader.

Those present were: Mmes. Edgar Black, R. A. Jones, Henry Martin, H. G. Pirkle, Mame Maffett, B. E. Patterson and the hostess, Mrs. Matthews.

Second Baptist WMU Meets For Bible Study

The Second Baptist Woman's Missionary Union met Monday afternoon at the church for a business meeting and Bible study.

The meeting opened with the group singing "Jesus Saves." The devotionals were given by Mrs. J. D. Nichols, followed by a prayer by Mrs. H. A. Pitman.

Rev. D. D. Brian gave the Bible study on Daniel from "Young People of Destiny in the Bible."

The president, Mrs. Pitman, presided over the business session. Reports were given by the secretary, Mrs. Jack Hull; treasurer, Mrs. Pitman, community missions chairman, Mrs. J. D. Nichols; and mission study chairman, Mrs. Brian.

Mrs. O. J. Caraway was nominated for Diamond Jubilee chairman.

There were 22 members present.

Men's Training Class Meets Tonight, 7:30

The second meeting of the Men's Training Class of the Church of Christ, Mesquite and South Rusk, meets tonight at 7:30. Additional enrollment is expected at this meeting, a church spokesman told the Ranger Times Wednesday.

The purpose of the class, as stated by Brother Crumley, Evangelist of the local church, is to give practical training in rules of Bible study and interpretation; preparation and delivery of sermons; class teaching; personal work; and the performance of public functions in the church.

This class is open to any person who feels the need for future preparation in any of these fields. The class meets every other Thursday night at 7:30.

PERSONALS

Rangers Have Best Defense In Conference

With all teams in the Pioneer Conference well under way on their season schedules, the Arlington State College Rebels, 1953 1000 champions are leading the league in total offense. The Rebels have a total net average gain of 352 yards in two games.

The Ranger Junior College Rangers are the leading defensive team, allowing a total of three opponents an average net gain of 167 yards and a total score of 27 points. They are closely trailed by Schreiner Institute which has allowed two opponents an average of 179 yards and a total score of 14 points.

The loop's leading runner is Billy Pavlika, ASC's fleet fullback, who has carried 17 times for a total gain of 190 yards. That is an average of 11.2 points per carry. Runner up is Howard Meisner of Tarleton State who has 23 carries for 170 yards.

Leading passer is Raymond Glasgow, ASC quarterback, who has completed 9 of 25 pitches for a total of 194 yards, an average of 21.6 yards per completion. Raymond Gilstrap of Ranger is the leading pass receiver with 2 catches for 97 yards.

Top punter thus far is Bob Mangieberger of Scheiner Institute with 4 punts for 187 yards, an average of 46.9 yards per kick. He's closely trailed by Jerry Season of San Angelo who has kicked twice for 92 yards, an average of 46 yards per punt.

Johnny Symank, TSC's all conference halfback is the leading punt returner, 4 for 63 yards.

John Seay Is New President Senior Class

Fred Seay was elected class president by members of the Ranger High School senior class during a meeting held last Thursday.

Other officers elected were Scott Forney, vice-president; Billie Fox, secretary; Sherry King, treasurer; and John Rush, student council representative.

The new officers have already appointed a committee to plan entertainment for the seniors this year.

Senior class sponsors are Mrs. L. H. Hagaman and Miss Anna McEver.

What The New Housing Act Means To You

Lower down payments on both old and new homes is now possible for the would-be home owner as a result of the Housing Act of 1954, the most complete rewriting of such law in twenty years.

The October issue of Better Homes & Gardens Magazine tells how the new act prevents profiteering and other abuses of government-backed housing projects. Important too, is the creation of a committee to step up FHA mortgages in smaller communities where this financing hasn't existed in the past.

The new ACT is expected to bring home ownership within immediate reach of millions of homeowners. On the purchase of a new home, the law increases mortgage amounts insured by FHA to 95 percent of the first nine-thousand-dollar of value plus seventy-five percent of the remainder up to a maximum amount of twenty-

thousand dollars. While the purchase of a new home still is an advantage in the Act's terms, the recent new law greatly narrows the difference that existed under previous FHA regulations.

The new law also gives a shot in-the-arm to home improvement. Homeowners who have remodeling in mind for a home bought on

either FHA or VA mortgage can now finance the improvements on terms identical to their first mortgage. This is the first time that so-called "open end" mortgaging has had government backing.

Landowners May Get Government Loans To Finance Soil Conservation

A new type credit for financing made to FHA county offices, soil conservation measures will be available to farmers through a recent amendment to the Water Pollution Act. In addition, loans to develop irrigation systems and farmstead water supplies, previously limited to 17 states, are extended to the rest of the nation. The loan services will be available from the Farmers Home Administration. Applications must be made to the county office. Loans will be made under the amendment, to pay costs of ma-

terials, equipment and services directly related to the application or establishment of soil and water conservation practices, water facilities or drainage. This may include such things as construction or repair of terraces, dikes and ponds, pasture improvement, and application of lime and fertilizers, and tree planting. Water facilities that can be financed with these loans include tanks, cisterns, wells, pumping and irrigation equipment and similar facilities. From private sources will be four per cent a year on the unpaid principal, plus an annual loan insurance of one per cent. Direct loans interest will be five per cent.
