Kimbrough Denies He Broke Any City Laws Says Scuffle Began By Mistaken Identity

The Pathfinder by Lee Harr

Breckenridge is not fit for 2A football!

We're certain that you will agree that this sounds like a foolish statement.

But, it's true. Breckenridge is not fit to be kicked down into a lower caliber from one of which they were able to enter after season playoffs in three out of the past four years.

Football in Breckenridge means entirely too much to the citizens of that city to be lowered into some classification that would limit their attendance and prestige even more than what they are suffering now.

No football stadium in 9-2A would be able to contain their huge following each game time. No one team can come anywhere near of matching the talent that Breckenridge possesses from year to year and season to season.

No school in 2-A 9 can stir up the fervor and spirit that exists so proudly each year in Breckenridge.

So, we say Breckenridge is not fit for 2-A football.

Ever since our great democracy has existed—beginning with our independence in 1776, great newspapers, large and small have contributed greatly to our maintaining the basic freedoms that we were guaranteed under the declaration.

The newspaper has been the backbone of many communities dispelling undesirable elements, untruths and injustices. The newspaper has been the foundation of two of our more important freedoms. They are those who would hide behind the very wheels of progress, the badge of justice, and the courage of mankind and flaunt their aprons and say everyone is dirty except us. They are the persons who charge but can not stand the weight of counter charges.

They are a detriment to the advancement of society, they are often phony and they are always weak.

They are those with background whose present existence is accountable only by the nature of their position, and the tyranny of their associates.

They are those who make no future for others with an infamous past.

They are those whose whip, and large it often is, lashes the masses into submission.

They are those whose heart is full of only petty jealousy, conspiracy and piratical injustice to the very persons who, as often as not pay their salaries, assure some social position which was never realized before, and then are slapped in the face as a dividend.

They are those who would completely drown out the sound of the feathered pen as it croaked and cried each signature on the document of independence 175 years ago.

A friend was telling us the other day of a merchant, whom he described as living in or around this community, who had a customer on his books with an account that was very delinquent.

The drowsy and surprised customer received a telephone call from the merchant at 9 o'clock one morning.

The conversation on the telephone proceeded something like this, according to the story:

Customer: "Why did you phone me at this time of the night?"

Merchant: "It's about your account."

Customer: "But, couldn't that wait until at least in the morning?"

Merchant: "Well, I suppose that it could, but I couldn't rest from worrying about it, and I didn't see any reason why you should be allowed to sleep."

Free on \$1,000 bond, Jesse Coy Kimbrough of Eastland, Friday denied that he had violated any laws following a scuffle with two Ranger policemen Wednesday, but admitted that he did hit Ranger Police Chief W. G. (Pop) Pounds in the face with his fist. Kimbrough is charged with aggravated assault on a police officer.

In an interview with a Times reporter, Kimbrough, who was in the process of moving a house through Ranger when the episode occurred, said, "We were not violating any laws. We had a state highway permit to move the house through Ranger." He also denied that the house movers had damaged any utility wires. He said, "We didn't tear down or damage any wires in the city of Ranger."

It was a call from a telephone linesman to Ranger police that began the investigation. The linesman told police the house moving operation was destroying telephone lines stretched across the highway.

Chief Pounds said he approached the unit from the front and motioned for the driver (Jesse Coy Kimbrough) to halt the truck. Pounds said Kimbrough caused the vehicle to "lurch forward" causing the Chief to jump out of the way. Kimbrough denied the statement.

Chief Pounds and Patrolman Ed Freeman said that Freeman then climbed on the opposite running-board with the Chief on the other in an attempt to stop Kimbrough from driving on. The policeman said Kimbrough reached for an axe, but couldn't reach it, but did get an iron bar. The policeman said the bar was wrenched from Kimbrough's hands after he had struck at the officers several times. Freeman said he ripped the bar from Kimbrough's hands and then the truck driver struck Chief Pounds in the face, knocking him off the running-board. The policeman said Freeman then pulled Kimbrough out of the truck.

Kimbrough's Story

Kimbrough gave a different version of the happenings. He said he was just turning north on Commerce Street in Ranger when Chief Pounds jumped on the running-board of the truck and ordered him to halt. Kimbrough said his father was on top of the house

GOVERNOR TALKS TB—Governor Allan Shivers and Mrs. Joella Terrill Butler discuss the tuberculosis toll in Texas as the governor prepares to sign an official memorandum calling on Texans to buy and use Christmas Seals. His signature designates November 22 through December 25 as Christmas Seal Month in Texas. The traditional Seal Sale provides the sole support for the work of the Texas Tuberculosis Association and its affiliated organizations throughout the state. Mrs. Butler, of Wichita Falls, is president of the state association.

Installation of Christmas Lights To Begin Soon

Installation will begin early next week on the Christmas decorations that will color Ranger during the Yuletide season.

Hanging of the garlands, which consist of Santa Claus heads, Christmas bells, religious scenes and the Star of Bethlehem, and intermingled with multi-colored Christmas lights will begin either Sunday or Monday.

The huge Santa Claus, 13 feet high and three feet wide, has been cut out but is yet to be painted. It will be placed on a three foot stand at the intersection of Main and Commerce streets at the site of the "derrick."

There is a strong indication that at least two or three floats from Abilene will be entered in the parade, beginning at 3 p.m. Dec. 2.

Present plans call for the installation of lights and garlands at each of the first intersections on Main Street beginning at Highway 80 and also on Rusk and Austin streets.

Ranger Postal Employees Take Part In S-D Day

Post Office employees in Ranger are cooperating in the national "S-D Day" campaign sponsored by President Eisenhower's Action Committee for Traffic Safety in an effort to demonstrate that traffic accidents can be reduced materially when each motorist and pedestrian accepts full personal responsibility for observing the letter and spirit of all traffic regulations.

The goal for Safe Driving Day is for every community to be accident free for the 24-hour period of December 15, and Postmaster A. E. Crawley confidently predicts there will be no accidents here involving post office people or vehicles.

The Department's emphasis on traffic safety is being pushed in the larger cities through traffic safety schools which already have begun to show results.

"The Post Office Department," commented Postmaster Crawley, "is teaching its personnel that courteous driving is safe driving and urging them to make courtesy their code of the road. This kind of policy is reducing the cost to the taxpayer as well as preventing human suffering."

County Women Named On Jury Commission

Mrs. Alla Morris Is Local Woman Named

Two Eastland County women have been named on the 91st District Court jury commission for the December term by Judge Turner M. Collie. The women will be the first in the history of the county and probably in the state to serve in such a capacity.

Judge Collie announced several days ago that at least one woman would be on the commission. This week he named one from Eastland and one from Ranger. To serve from Eastland will be Mrs. Samuel Butler. The Ranger member of the commission will be Mrs. Alla Ray Morris.

Other members of the commission will be Eugene Baker, Gorman; George Boyd, Cisco; and George L. Davenport, Eastland.

Following is a complete copy of the historical court order:

On this the 22nd day of November, A. D. 1954, it appearing to the Court that the services of Grand Jurors will be required for the December, 1954 Term of the 91st District Court, and it will be necessary to impanel a petit jury in the 91st District Court for said term; and

It further appearing to the Court that it will be necessary and proper to select a jury commission to draw names for Grand Jury and Petit Jury service for said term; and

It further appearing to the Court that Eugene Baker of Gorman, Texas, George Boyd of Cisco, Texas, George L. Davenport of Eastland, Texas, Mrs. Samuel Butler of Eastland, Texas, Mrs. Alla Ray Morris of Ranger, Texas, are qualified to act as such jury commissioners.

IT IS, THEREFORE, ORDERED, ADJUDGED AND DECREED by the Court that the persons above named be, and they are hereby appointed jury commissioners for the said term of said Court, and they, and each of them, are hereby ordered and directed to appear before this Court on

Monday, November 29th 1954, at 9:30 o'clock a.m., in the 91st District Courtroom and then and there to take the oath prescribed by law and to be impaneled and instructed as to their duties as such jury commissioners, and that they select in the manner prescribed by law, names for Grand Jury service and Petit Jury service in the numbers and for the lists as hereinafter provided.

Said commissioners shall select sixteen names from which the Court may select Grand Jurors and three lists of fifty names each for Petit Jury service, being lists numbers One, Two and Three for the said term of said Court.

Witness my hand at Eastland, Texas, on this the 22nd day of November, 1954.

BETTER SHOW ON THE SIDELINES—Some of the diaper set apparently didn't care for the proceedings nor their companions at the recent baby show in London, England. In top photo, one-year-old Valerie Turrell shows her disinterest in the judging by probing the eye of barefoot Frances Anne Wing, 11 months. And 15-month-old Janice Wheeler, in typical Eve fashion, insists that her Adam, 13-month-old Nigel Kitching, taste the tempting offering, despite the "Laughton-esque" disgust exhibited by Nigel.

Truck Driver Victim Of Peculiar Attack

Luther L. Harrison, of Henderson, was carried to the Ranger General Hospital Thursday night after falling into unconsciousness as he stepped from his large trailer truck near the Porky Pig on Highway 80.

A 26-year-old Navy veteran, Harrison was enroute to New Mexico along with two other trucks belonging to the J. H. Rose Co., whose home office is in Dallas.

The other vehicles did not arrive at the scene, however, until an hour later.

Rev. Jack Randle, of Abilene, one of the first persons to reach Harrison, reported that he saw the truck driver depart from the cab of his vehicle. Moments later, Rev. Randle said, that he saw Harrison lying beside his truck.

Harrison was immediately placed under oxygen on his arrival at the hospital, where Friday morning doctors said that he was still under observation.

Dr. C. W. Harris, said that Harrison was taken from the oxygen tent Friday morning, and was gradually regaining strength.

Harrison, after recuperating enough to talk, could offer no explanation for the sudden attack.

Tommy Mitchell, of Strawn, reported the incident to the police department who dispatched a patrol car and ambulance to the scene.

Hospitalization To Be Studied By Farm Bureau

Plans for protecting farm and ranch families against financial hardship in case of illness, including cancer, will be discussed at a meeting on Tuesday, Nov. 30 at the Recreational Hall on the rodeo grounds at Coleman, is the announcement this week by A. Z. Myrick, president of the Eastland County Farm Bureau.

Farm Bureau leaders from Eastland and six other counties in this area will meet with Blue-Cross, Blue-Shield and Texas Farm Bureau staff members to plan increased participation of farm families in the group hospitalization and surgical benefits program.

A concerted campaign will be conducted over the state in December and January to enroll more Farm Bureau families in the Blue Cross-Blue Shield program. The Texas Farm Bureau, with over 14,000 farm families enrolled, is the largest Blue Cross group in Texas.

The drive has been set up in conjunction with the offering of the Blue Cross-Blue Shield Catastrophic Illness Endorsement to Farm Bureau members. The endorsement, which includes coverage for 11 dreaded diseases, including cancer, has not been available to Farm Bureau groups in the past, and will be offered only during the months of December and January, president Myrick said.

B. J. Gist of Abilene, state director for district 7, will preside at the meeting. The Texas Farm Bureau will be represented by field representative Leon M. Lane, Lubbock, Texas.

The Blue Cross-Blue Shield representatives will be Philip C. Hubert of Abilene and George M. Merrill of Fort Worth.

New Uniforms Due Police Department

Members of the Police Department will take on a new appearance—somewhat similar to the Dior look—next when complete new uniforms arrive for the entire force of patrolmen.

The new uniforms, of blue gabardine, were ordered for the group last Saturday from Dallas and the shipment is expected to reach Ranger within two weeks from the date of the order.

With two new uniforms for each officer, the clothing will be trimmed with light blue accessories and be equipped with shoulder patches and "hash" marks denoting the length of service each policeman has performed.

Previous to this, each officer was required to purchase his own clothing at his own expense.

Wreck Injures Ranger Family In Louisiana

Mrs. Navie Pafford of Eastland, Mr. and Mrs. F. C. Tye and son, Ronnie, of Ranger and L. P. Quarrels, also of Eastland, were injured in a car accident Thursday morning near the Texas-Louisiana line.

Mrs. Pafford suffered the most serious injury of the group, although all of the others are injured and hospitalized in Shreveport, with the exception of Quarrels.

The car was a total loss. The group were en route to Cullen, La., where Mrs. Pafford was to visit with a son.

Cinemascope Screen Due For Dixie Drive-In

The Dixie Drive-In Theater will be closed from December 1 through January 1 for the purpose of widening the screen and installing equipment which will enable the showing of pictures filmed in cinemascope," I. B. Walker, theater manager announced today.

Located on the Eastland-Ranger highway, the new screen will be presented in the correct ratio as recommended by the leading engineers in the motion picture industry.

The picture presentations will be in the true dimension and ratio specified by the engineers, who have worked so diligently to perfect this new method which guarantees the tops in motion picture entertainment.

After the renovation is completed, the theater will be re-opened January 2 with the film "Seven Brides for Seven Brothers."

Rev. D. D. Brian pastor of the Second Baptist Church, will deliver the Thanksgiving sermon with Rev. Bruce Weaver presiding.

Everyone is invited to be present and join in this Thanksgiving service.

Cash Awards To Be Offered For Decorated Homes

The Chamber of Commerce is planning again this year to make cash awards for the best decorated home for the Christmas celebration, it was announced today.

A step further this year, the chamber will also make identical awards for the best decorated store windows.

Awards of \$10, \$7.50 and \$5.00 will be made for first, second and third prizes in both the residential and commercial classes.

Those who desire to enter the contest should telephone the Chamber of Commerce who will in turn notify the judges so that they may consider each individual entry.

Homes will be judged on the basis of the decorations on the outside premises.

Thanksgiving Planned For Sunday Evening

Ranger's Community Thanksgiving service will be held at 7:30 Sunday evening at the First Methodist Church. This service is being presented under the sponsorship of the Ministerial Alliance, with most Ranger churches taking part.

Rev. D. D. Brian pastor of the Second Baptist Church, will deliver the Thanksgiving sermon with Rev. Bruce Weaver presiding.

Everyone is invited to be present and join in this Thanksgiving service.

Lincoln Tops Entries In Mexican Races

For the third consecutive year, Lincoln took top honors in the Mexican Pan American Road Race Tuesday (November 23) by finishing first and second in the large stock class of over 30 entries representing nearly all standard American production cars.
Ray Crawford of Pasadena, Calif., driving a 1954 Lincoln Capri coupe, streaked across the finish line at Juarez near the U.S.-Mexican border at El Paso, Texas, to complete the five-day, 1,912-mile course in 20 hours, 40 minutes and 19 seconds. His co-pilot in the race was Enrique Iglesias.

Walt Faulkner, of Long Beach, Calif., also driving a Lincoln, was second with an elapsed time of 20 hours, 42 minutes and 7 seconds.
Crawford was the leader all the way, finishing the first day with a one minute edge and building it up to six minutes the second day. Faulkner, who was second and third respectively the previous two years when Lincoln also captured the Pan American race, got within three minutes of Crawford in the last two days.
Faulkner's co-pilot was John Holeman. Faulkner was sponsored by Tupman Motors of Los Angeles. Crawford, who operates a market in Southern California, was his own sponsor.

This year's race, the fifth of its kind over the tortuous Mexican highway from Tuxtla near the Guatemalan border in the extreme south, was the most difficult because of tightened rules. Repair work on the cars at the end of each day's leg at Oaxaca, Durango and Chihuahua was restricted to one hour, as contrasted to three hours in last year's race. At Mexico City, racing crews were given one and a half hours to ready their cars for the next day's run.
The winning Lincolns were strictly stock in every detail with the exception of safety modifications as permitted by race rules. Entries in the large stock class were restricted to 1951 to 1954 models.

Texas First State To Enter Chicago Show

COLLEGE STATION (Spl.) — Texas will make history during the annual Live National Livestock Exposition in Chicago November 27-December 5.

For the first time since the Exposition's beginning in 1901, a state has been asked to provide an exhibit showing research and its findings as part of the program. Texas is that state.

The Texas Agricultural Experiment Station and PanTech Farm, a cooperative division between TAES and Texas Tech, College at Lubbock, have prepared a 78x12 foot exhibit showing Texas' beef cattle improvement research program.

This program is a cooperative project between the TAES, Texas Tech, Texas Beef Cattle Breeders and the U.S. Department of Agriculture.

Fifty of the exhibit's 87-foot frontage will be taken up by pens holding tested beef sires and their offspring. The other 28 feet will be filled by large poster signs graphically showing the results of the program from its inception at the TAES sub-station at Balmorhea in 1941 through the present. Actual photographs of the cattle and statistics showing weight-gain and management practices form a part of this poster display.

As part of the exhibit, printed, pocket-size booklets answering almost every possible question about the research project will be distributed to those who desire them.

Dr. O. D. Butler of the A. and M. Animal Husbandry Department and J. P. Smith of PanTech Farm now are in Chicago setting up the exhibit.

Dr. J. C. Miller, head; J. K. Riggs, Dr. H. O. Kunkel, Dr. R. O. Berry, all of the Animal Husbandry Department; Dr. R. R. Shrode of the Genetics Department, and Bill Magee of the TAES sub-station at Sonora, will arrive in Chicago in time to attend the annual meeting of the American Society of Animal Production November 26-27.

During the Breeding and Genetics Session of this meeting, Magee will speak on "Performance of Selected Rams in Relation to That of Their Unselected Half-Sibs." Dr. Shrode will speak on "Variations in Rectal Temperature, Pulse Rate and Respiration Rate of Cattle as Related to Variation in Four Environmental Variables." Dr. Miller will participate as a member of several committees of the society.

We Like To Talk About Abstracts—

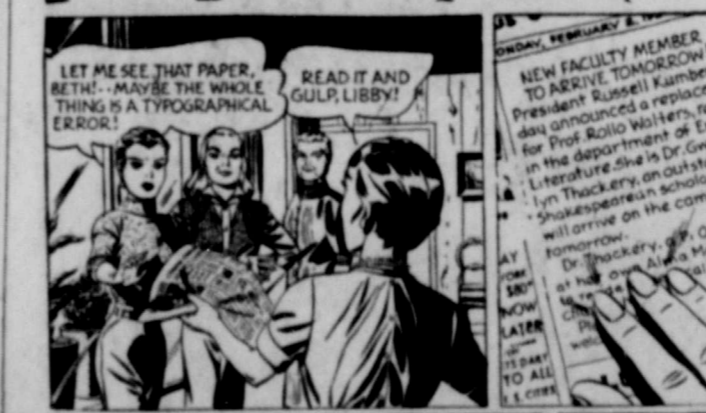

. . . because making abstracts has been our job for many years. Every day people come to us with their title problems. Some cases are tragic. Take the example of the couple who have put their life's savings into a home to find out later they have no title. But most title problems are simple and the abstract helps to make them simple. So before buying real estate, better talk to us about the title.

Fidelity Class Meets Tuesday

Members of the Fidelity Maternity Sunday School class of the First Baptist Church met last Tuesday evening in the home of their teacher, Mrs. C. C. Harris, for their regular monthly meeting.

Mrs. W. E. Herweck had charge of the program. Mrs. A. W. Dillard read the 95th psalm. Then all present told what they were thankful for. Mrs. Harris dismissed with prayer.

Refreshments were served to the following: Meses. E. L. Hargrave, Caraway, Herweck, Dillard, J. M. Daniels, S. P. Williams, Isetta Smith and the hostess, Mrs. Harris.

Christian Science

The important need to gain a correct understanding of God as all-powerful, and therefore of evil as subservient to good, will be stressed at Christian Science services Sunday.

In the Lesson-Sermon entitled "Ancient and Modern Necromancy, Alias Mesmerism and Hypnotism, Denounced," the following passage will be read from the Bible (Isaiah 5:20): "Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter."

The following passage will be read from "Science and Health with Key to the Scriptures," by Mary Baker Eddy (p. 469): "Mind is God. The exterminator of error is the great truth that God, good, is the only Mind, and that the supposititious opposite of infinity—Mind—called devil or evil—is not Mind, is not Truth, but error, without intelligence or reality."

The Golden Text is from Romans (8:31): "If God be for us, who can be against us?"

Weekly Schedule For St. Rita's Catholic Church

Church of Christ Mesquite & Rusk
The following is the schedule of services for the Church of Christ, Mesquite and South Rusk, Max R. Crumley, evangelist.
Sunday: Crusade for Christ (KERC) 7:45 a.m.; Bible School 9:45 a.m.; Morning Worship 10:45 a.m.; Morning Sermon: "Enoch Walked With God"; Young People's Training Class 6:00 p.m.; Evening Worship 7:00 p.m.; Evening Sermon: "Trying To Help God."
Wednesday: The Hour of Edification 7:30 p.m.
Brother Crumley said, "The past few days have emphasized the theme of Thanksgiving. It is a fine sign when people express their gratitude to God for the many blessings they have received. We can show our gratitude to God in no finer way than that of faith and service to Him; and we show our love and thankfulness by worshipping Him in His appointed way."

"Come to worship Sunday and give reality to the profession of your gratitude to Him who said: 'If you love me you will keep my commandments.' You are always welcome at our services."
Dee Gebaver of Austin visited in the home of Mr. and Mrs. Addie Williams recently.
A 1-c Elmer H. Williams, son of Mr. and Mrs. Addie Williams, is now stationed in Bangor, Maine, where he is an instructor on airplane jet engines.

Showing The Way...

HERE is life's romance; a grandfather guiding the minds of young boys and young boys seeing Heaven through grandfather's eyes. This may be hero-worship but it is a grand time to teach them to pray... to introduce them to the eternal Friend. *Your child will listen at each bedtime when you talk about God, and Heaven, and the Church. He will follow when your journey is toward Sunday School. Oh, for the faith of grandfathers who care and who help youngsters find the way to God. It is our privilege and our responsibility to teach them to say, "Now I lay me down to sleep, I pray the Lord my soul to keep. If I should die before I wake, I pray the Lord my soul to take." If you teach them to trust this prayer, then you can trust them anywhere.*

SOCIETY

New Era Club Annual Dinner Is Held Wednesday At Club House

Members of the New Era Club and their husbands were entertained with their annual Thanksgiving dinner Tuesday evening at 7 o'clock at the Community Club House.

The room was decorated with various species of chrysanthemums and roses mingled with greenery in pottery vases.

Dinner was served buffet style. The dining table was laid with a cutwork linen cloth and centered with an arrangement of autumn fruit and flowers flanked by white tapers in crystal candleholders. Placecards bearing the Thanks-

giving motif marked places for thirty.

Games of "42" were played after dinner.

Those present were: Dr. and Mrs. Price Ashton, Messrs. and Mrs. L. L. Bruce, V. V. Cooper, Max Crumley, Arthur Deffebach, Vernon Deffebach, Lee Dockery, B. S. Dudley, Sr., E. E. Green, N. E. Landers, W. W. Mitchell, H. H. Oliver, Buck Wallace, Glenn West, A. W. Warford and Mrs. Myrtle George.

Spicy Apple Banana Muffins Are Wonderful Addition To Any Meal

Another wonderful apple addition to an autumn meal is Spicy Apple Banana Muffins... combining the sweet, mellow flavor of fully ripe mashed bananas with tart, juicy apples. You'll like these muffins particularly well with salads, with poultry and ham-main meals, and for a breakfast or brunch treat.

They are easy to make with our tested recipe. Just be sure to use fully ripe bananas, since they are used here as the liquid ingredient, simply slice them into a bowl and beat well with a fork, rotary egg beater or electric mixer until smooth and creamy.

SPICY APPLE BANANA MUFFINS
2 cups sifted flour
1 tablespoon double-action baking powder
1 teaspoon salt
1-4 cup sugar
1 teaspoon ground cinnamon
1-2 teaspoon ground nutmeg
1 egg, well beaten
1-4 c up melted shortening or oil
1 cup mashed ripe bananas* (2 to 3 bananas)
1 cup pared, cored, diced apples
2 teaspoons sugar
*Use fully ripe bananas... yellow peel flecked with brown.

BETTI'S BUDGET OF HELPFUL HINTS

If you're a really practical home dressmaker, you'll sew washability into your coats this year! There's something very satisfying about sewing wonderful machine washable fabrics — using findings that will last, too.

You can use Orlon lining fabrics (one containing Millium is brand new this year), Orlon interlinings, and Orlon interfacing. Nylon bias tape and Dacron and nylon threads can help to complete a soap-and-water garment.

With such fortitude, there's no more chance of crinkling seams and hemlines and little likelihood that the garment will stretch when laundered.

For something different in the bread line, try quartering hotdog buns lengthwise. Spread cut sides, or all sides with soft butter or margarine. Roll in one of these: minced parsley, chives or nutmeg; poppy seeds; or grated Parmesan cheese. Bake at 425 degrees F. 5 to 10 minutes. They're called "Slim-Jim Bread Sticks."

The fact that knits don't wrinkle or muss up, and do launder so beautifully, makes them just sheer bliss to own. Since many of the new sweaters and knit dresses need no blocking, you simply wash and rinse, then blot and lay them flat to dry. It's always a good idea, after you've laundered knitwear, to smooth out all surfaces with your hands — paying special attention to hemlines, collars, yokes and trimming.

Here's an unusual way to use some of the cranberry sauce you're storing in the refrigerator; put a generous spoonful of the sparkling stuff on each portion of orange or coconut tapioca pudding. It's a rare flavor combination — and easy to create since the pudding comes from a package mix, the cranberry sauce from your holiday leftovers.

Perhaps a teen-age party is on for an autumn afternoon. For growing boys and girls, hearty, husky sandwiches are definitely the order of the day. If facilities permit, let the kids make their own sandwiches out of doors. The hot dog is unrivaled for such occasions. Set out a variety of spreads and relishes, plus potato salad, crisp relishes and an assortment of carbonated beverages or hot chocolate. Also supply a choice of cookies and cupcakes.

Mr. and Mrs. W. H. Clarke, Sr. and Linda spent the Thanksgiving holiday in Snyder visiting their daughter and family, Mr. and Mrs. Horrace Bostick and boys.

Mr. and Mrs. Willis Clarke, Jr. and girls attended the Shrine Circus in Fort Worth Thursday.
