ELECTRIC BEDCOVERING

Choose a good night's sleep and cheerful "good mornings" by using

a lightweight, automatically warm, electric blanket or electric sheet. No matter

how the wind blows...no matter how low the room temperature

gets...Reddy Kilowatt and the automatic control of electric bedcovering

maintain a steady, even warmth that lets you sleep relaxed.

In the coldest weather just set the switch at the degree

of warmth you want, and get the most restful, relaxed

sleep you've ever had ... for only about 3¢ a night.

See your favorite store or electric appliance dealer for the wonderful electric bedcovering that lets you sleep like a kitten through every winter night.
