

# THE RANGER TIMES

35TH YEAR RANGER, TEXAS, SUNDAY, JANUARY 23, 1955 PRICE FIVE CENTS

## The Pathfinder

by Lee Harr

Seems like the college basketball players are getting their share of the workouts these days. New coach Stanley Burnham has called several practice sessions beginning at 6 p. m. and lasting just a few hours, in addition to earlier afternoon sessions.

There's no doubt but what the Rangers will look like a completely different team in their next contest, which is unfortunately not scheduled until Feb. 8. But then a college education is not won on the field of sports. And the athletes are being given their most strenuous tests this week with final examinations.

What we mean by looking like a completely new team is that "Stan" as he prefers to be called, has inaugurated several new offensive patterns during the first few days of practice. Early observers, that we have been, have noticed some mighty welcome innovations.

Even with the long hours and strenuous work, there seems to be quite a lot of spirit among the players and we expect an aggressive and fast moving quintet to compensate for the height that is lacking from this edition of the Rangers.

Kiplinger Service, a small and mostly statistical magazine recently published a few lines which seemed particularly interesting in the method it was handled.

They wrote, "Of the 18,977,474 little boys in the country who are under the age of 10, only six or possibly seven will have to go through the terrible ordeal of being president of the United States."

Among other things which show that the world won't be all heartache and disaster next year the magazine pointed out that:

"There are 162,922,000 Americans who are not members of the Communist Party.

"Some 37,011,460 couples will have one or less happily married during the year.

"On the average, there are 63,868,000 people working to bring home the bacon.

"Last year, the scheduled airlines safely carried passengers 18,902,134,841 miles in the U. S. and possessions; railroads safely carried passengers 31,674,931,200 miles.

"Some 162,717,890 persons will not die of cancer in 1955.

"And 162,280,580 persons will be safe from fatal heart attacks.

"About 629,000,000 acres of forest land will not be set on fire by careless smokers and picnickers this year.

"Most of the time, 16,720,000 organized workers are not on strike.

"At least 162,944,424 people have not been frightened by seeing flying saucers hurtle through the air.

"The Internal Revenue Service will find that 43,846,154 income tax returns are filed correctly in 1955.

"Finally, there are 83 countries in the world that have not discovered the secret of the hydrogen bomb."

## Kimbrough To Face Trial February 2

Jesse Coy Kimbrough of Eastland, charged with aggravated assault on a police officer, will face trial Feb. 2, a check of the 91st District Court docket revealed Saturday.

Kimbrough is charged with assaulting Ranger Police Chief W. G. (Pop) Pounds. He allegedly attacked Pounds last Nov. 28 when the Police Chief stopped him from moving a house through Ranger.

Kimbrough denies he "violated any laws" although he has admitted that he did hit Chief Pounds in the face with his fists.

The Eastland defendant is free on \$1,000 bond.

## Union Leaders To Attend Fort Worth Meeting

William Pugh and D. A. Fawcett local union chairmen, have been called to attend a two day conference with officials of CIO 473 in Fort Worth.

Pugh is union chairman of connection crews of the Service Pipe Line while Fawcett serves as chairman of the station crew of the same company.

Both men, long standing chairmen in the union, will attend the conference designed to bring about certain labor agreements and working agreements.

One phase of debate will hinge on the retirement plan which becomes effective when an employee reaches 55 years of age. It is the union's goal to have retirement effective at the age of 58 with those acquiring 30 years of service at that time.

Also, to be considered is the problem of "bidding." Under the present set-up, when a vacancy exists in some other section of the company's operations, employees who file for the vacancy with bids. The bids are accepted on terms of seniority. However, as Fawcett said, there is sometimes a great lapse of time before the employee receives notification of approval or disapproval on his bid.

## Weather Reports

CONTINUED clear without much change in temperature Saturday. Saturday night and Sunday. Maximum temperatures both days 53 and low Saturday night 33.

## Municipal Heads Support Vehicular Tax Law Proposal

A movement for support of a legislative proposal to equalize the vehicular tax law in Texas got under way Friday from Dallas, Lester Crossley, city manager, announced Friday.

Some 800 letters urging active support of the measure went out Friday to city officials and state legislators over the signature of Dallas Tax Officer Norman Register. He is chairman of the legislative committee of the Texas Association of Assessing Officers.

This association is backing the tax change along with the League of Texas Municipalities and other municipal bodies.

The letters include copies of a resolution which State Rep. Douglas E. Bergman of Dallas will introduce in the January session of the Legislature. It calls for a constitutional amendment election that would abolish the present city and county ad valorem tax on automobiles and other vehicles.

Instead, each owner of a vehicle in the state would pay one-third more for his state highway license fee (that fee now averages \$12 per passenger auto), and the extra one-third would be divided between the city, county and school districts in which the owner resides.

As an example, this is how the new tax would work. On a 1955 Ford, Chevrolet or similar model auto, the owner currently owes \$18.40 city and school taxes, \$7.40 county and state, plus the \$12 state license fee, for a total of \$37.80. The new proposal could cut that to a total of \$16 — the \$12 state license plus one-third or \$4.

Every owner of a vehicle would pay the tax, instead of just those with later-model cars, as now. "The city does not assess autos

**SAFER, TOO** — Policeman in Rome, Italy, directs ever-increasing traffic through Rome's ancient streets from one of the new traffic control platforms which are bolted to corners of many buildings. They leave more room for the cars and at the same time provide a measure of safety for officers' shins.

## Record Influx Expected

After a week of final examinations, registration for the Spring term will begin Monday at Ranger Junior College, Dr. Price Ashton, school president, announced today.

Dr. Ashton said that he expected one of the largest enrollments in the history of the college as applications began flooding the registrar's office several weeks ago.

Enrollment at the school may tax facilities temporarily, but Dr. Ashton said we have anticipated certain problems and certainly are equipped to eliminate any "bottle-necks" in our organization.

The college president added that construction will soon begin on a men's dormitory which will not only serve as living quarters for some of the male students but also will contain a modern cafeteria and auditorium. The unit will be large enough to house 200 students.

Two dormitories, one for boys and another for girl students were completed during the past summer, before the beginning of the Fall term.

Dr. David L. Norton, along with his duties here, heads the evening program of the Breckenridge branch of the college.

Registration for the Spring Semester will continue through Tuesday with classes scheduled to begin Wednesday.

New students are requested to bring a transcript of previous work from high school or other colleges attended. A late registration fee of one dollar will be charged to those students who fail to register on the proper days.

Courses leading toward higher degrees in arts and sciences, architecture, agriculture, education, (Continued on Page 2)

## Cats, Dogs, Mire Hamper TV Count

By TIMES STAFF WRITER

Have you ever stopped to wonder how many television sets there are in our town? If someone asked you, what would be your guess? Well, we had been wondering the same thing — so we counted them! Yes, we really did. Some of the Times staff scoffed and said it couldn't be done. So two members of the staff, not having anything better to do at the time, set out to count the antennas.

We got a couple of well-sharpened pencils, a thick pad of paper, filled the car up with gas and took off. It took two afternoons of hard counting.

We went up one street and down the next, counting as we went along. A few motorists who were unfortunate enough to get behind us probably thought we had gone crazy.

Before we had gone two blocks a black cat ran across the street in front of us. Of course, we aren't really superstitious, but we thought it was a very good idea to turn the corner.

We were both trying to count, and a few hapless dogs and chickens had to scurry for cover. Fortunately, no humans got in the way. We nearly got stuck in a mudhole and in one instance, we came very near having a head-on collision — but we counted the antennas. We may have missed one or two but we guarantee our count to be very nearly accurate.

Oh yes, to come to the point, there are 451 television sets within the city limits of Ranger. At least there are that many antennas, and we presume there are sets to go with them! This means that over a third of the homes have sets, and that nearly one-half of the population of Ranger has access to one.

Brother, that's a big percentage, and with reception as good as it is, there will undoubtedly be a lot more sets installed within the near future. We'll let you know how many more this time next year if any of us are crazy enough to count them again.

## Savings-Loan Assn. Chart 20 Years Growth

The 20th Anniversary of the First Federal Savings & Loan Association was observed Thursday evening at the annual meeting of the members at King's Cafe. F. P. Braubler and J. T. Harness were re-elected to 3 year director terms.

Other hold over directors are L. R. Pearson, C. B. Pruet, C. E. May, Willard Swaney and J. E. Matthews.

It was announced at the meeting that during the past year the association paid out dividends in the amount of \$18,227.79 which was the largest in history. Earnings are four percent per annum, compounded semi-annually. Today's deposits total \$485,928.26 and are owned by 152 members, most of whom either live in Ranger or did at the time they made their investments.

During the past year the association's assets passed the half-million dollar mark for the first time to a new high of \$527,948.46. This marks an increase of 12 percent. (Continued on Page 2)

## Rising Star Blast Kills Cisco Man

RISING STAR (TNS) — Charlie Rogers, 45, of Cisco, was killed Friday afternoon about 10 miles southeast of Rising Star in Comanche County when a small charge of solidified nitroglycerine was accidentally discharged.

Two other men who were working at the site of accident were injured, though not seriously. Clyde B. Smith was deafened at least temporarily and the other was the dead man's brother, Richard Rogers.

Rogers was killed when a quart of the powerful explosive went off only a short distance down an abandoned well where it had been lowered to part the oil casing.

All three men were employees of Hailey and McMillan Well Servicing Co. of Cisco and the dead man was a peanut farmer who worked for the company during the off-season.

The nitroglycerine after being placed in the well did not explode when it was positioned and the crew began retrieving the explosive. It was during this operation that the explosion occurred.

## Speeding Citation Issued After Collision Friday

Dwaine Brown of Ranger, was issued a citation for speeding and reckless driving in a school zone Friday after a pickup truck he was driving collided with an automobile driven by Melvin White, also of Ranger, at the intersection of Pine and Marston Streets.

The Police Department said that Brown, turning right off Marston St., was traveling too fast to negotiate the turn and crashed into White's automobile on Pine St. as he approached the intersection.

The front portion of both vehicles were damaged and the investigating officer estimated that the damage to both vehicles would amount to approximately \$200.

## Aunt Jemima Prepares For Pancake Supper

The Lions Club promises pancakes, aplenty Saturday night when they sponsor their Pancake Supper as supervised by Aunt Jemima. Proceeds from the supper will be diverted to the March of Dimes campaign.

As one Lion said, "There is no better deal in town, all the pancakes, coffee and sausage you can eat and drink for only 50 cents per person."

Beginning at 6 p. m. in the Ghoslon Hotel coffee shop, Aunt Jemima will be on hand for the entire program supervising the cooking of her favorite commodity and generally adding her zest and laughter to the program.

Tickets are now on sale for the supper, and they will also be on sale at the door Saturday night.

Aunt Jemima has sent advance word that no one will be allowed to leave hungry and that she knows how to please all with her golden brown pancakes.

It's not only a good bargain but the proceeds go to a worthy cause.

## Service Pipe Line Gives Service Pins

A total of 212 east Texas division men and women, who have been employees of Service Pipe Line for ten or more years, will be given pins during the next few weeks in recognition and appreciation of their continuous service with the company, F. M. Willenburgh, division manager, announced today.

They are among 1472 employees in the company's eleven state operating area who this month are receiving service-award pins.

The pins include the Service Pipe Line Company emblem as a part of the design. Pins for employees completing 10 years service will be set with a ruby; those with 20 years service with a sapphire, and for 30 years, a diamond. Service Pipe Line employees average 14 1/2 years of continuous service.

As another feature of the service award program, employees who have 30 years continuous service during the year in which they retire, will receive a watch. Wrist

## Eastland Telegram and Ranger Times

### Casebolts Buy Half Interest In Paper

EASTLAND, Jan. 23 (TNS) — Mr. and Mrs. Floyd W. Casebolt of Ennis have bought half interest in The Times Publishing Co., publisher of the Eastland Telegram and the Ranger Times, from Mr. and Mrs. O. H. Dick of Eastland, Owners of the other half interest are Mr. and Mrs. Joe Dennis of Ranger.

The Casebolts will actively operate the Eastland property as editors and publishers and the Dennises, as in the past, will have charge of the Ranger property. The Dicks plan to rest a while and then enter another type of business.

Mr. and Mrs. Casebolt, who are moving to Eastland this weekend, have had many years' experience in the newspaper profession. Mr. Casebolt was editor and general manager of The Waxahachie Daily Light and three allied weeklies for 17 years, later headed the Department of Journalism at Sam Houston State Teachers' College in Huntsville, and was editor of The Ennis Daily News the past seven years. Mrs. Casebolt has held editorial positions with the Waxahachie and Ennis papers and, also, The Item at Huntsville.

Both are college trained in their profession. Mr. Casebolt is a graduate of the University of Missouri School of Journalism, where he was a member of Kappa Sigma (fraternity) and Sigma Delta Chi. Mrs. Casebolt who was associate editor of the Waxahachie Daily Light several years, was staff writer and society editor of the Ennis Daily News and Huntsville Item. She studied journalism at Southern Methodist University, Dallas, and attended Trinity University, West Texas State Teachers' College and Howard Payne College. She will write the Woman's Department of the Telegram, as on other papers where she has worked.

The Casebolts have been active in community life wherever they have lived. Mrs. Casebolt is well-known in club circles. At Waxahachie she was president of the City Federation of Women's Clubs and the Garden Club and was president-elect of the Shakespeare Club at the time they moved to Ennis, where she also was active in club work. For a number of years she was a board member of Second District, Texas Federation of Women's Clubs. Prior to engaging in newspapering, she conducted a speech studio, having been graduated from Mrs. Harry Fugate's Private School of Speech. Both Mr. and Mrs. Casebolt are press photographers. For two years she published her own slick paper magazine.

Mr. Casebolt has been president of the Community Trust, Ennis charitable institution; District Chairman of Boy Scouts, president of the former Community Concerts Association, a director in the Community Chest and the Municipal Hospital Board and public relations director for the Ennis Chamber of Commerce. Mr. Casebolt has many years to his credit as director in the Waxahachie Chamber of Commerce, which voted him the first "Man of the Month" award for "devoted service to the welfare and progress of the community." In Huntsville, where he was a member of the Rotary Club, he edited the weekly Rotary Bulletin and in Ennis he has been active in the Kiwanis Club. Articles by Mr. Casebolt have appeared in a number of magazines. He is a member of the Masonic Lodge and U. M. W. Mr. and Mrs. Casebolt are Baptists. In Waxahachie she taught the Beginners Sunday School class eight years.

While they have been in Eastland on only a few occasions thus far, they say that they have found it an attractive town; that they have thoroughly enjoyed its friendliness of the people they have met here.

"The community will find us deeply interested in the welfare of town and county, and ready with our paper, to lend a hand to any worthy project," said Mr. Casebolt.

Both Virgil Moore and Mrs. Don Parker have accepted invitations to continue with the Eastland Telegram. Mr. Moore as managing editor and Mrs. Parker in accounting and sales.

"Mr. and Mrs. Dennis have been engaged in the newspaper business at Ranger for many years," said Mr. Casebolt, "and we feel very fortunate to have them as our partners in the Times-Telegram enterprises. The Dicks have been close friends of ours over a period of four or five years and coincidentally on two occasions we very nearly bought a paper with them."

The Casebolts said that the policy of the Telegram will be progressive and constructive.

## 'Pay By Mail' Poll Tax Plan Announced

Poll tax payments in Eastland County continue to lag far behind, Tax Assessor - Collector Stanley Webb said Saturday. Webb said that approximately 1,400 Eastland Counties have paid their tax so far.

Poll taxes are payable in Ranger at the C. E. May Insurance Agency.

He reminded voters that the deadline for paying poll taxes is Jan. 31. Webb also announced that he would accept application for poll tax or certificate of exemption by a 11. The Times, in cooperation with Webb, will run a form in today's edition that, when properly filled out and mailed to the Tax Assessor - Collector's office with \$1.75, will gain a poll tax for Eastland Counties. Webb said his office would even pay the cost of return postage, giving tax payers every break.

The Tax Collector pointed out that persons 60 years of age before Jan. 1, 1954, or 21 years of age after Jan. 1, 1954, are eligible for exemption. If a voter will become 21 years of age 30 days prior to an election he is also available for an exemption. No fee is required for exemption. Exemption certificates are required to be renewed each year, however. Over-age exemptions are not required of residents of communities smaller than 10,000 population. Twenty one-year-olds are required to obtain exemptions regardless of where they live, however.

Political observers in the county have blamed the drop in poll tax payments in the county on the new constitutional amendment which requires that women serve on juries. One observer said, "Women around here are just not paying their poll tax this year. They are afraid they'll have to serve on a jury."

## Parking Fines To Aid MOD

Overtime parking is apt to be a little more expensive Saturday, Jan. 29.

The city has agreed to give the Ranger Volunteer Fire Department complete charge of all the parking meters on that day in their effort to hold the 1955 March of Dimes campaign. Virgil Johnson, fire chief, said Friday.

The fire department will keep a close eye on all the meters, write the tickets and assess the fines.

Johnson said that he would not be at all surprised if the fine was not more than five cents for infractions of the parking rules.

All collections from the meters as collected by the Police Department next week will also be donated to the "dimes" fund.

## Scout Leaders Pian Breckenridge Pow Wow Monday

Scouting leaders from the North District of the Comanche Trail Council will gather in Breckenridge Monday night for the first Pow Wow of 1955 to discuss the program for Boy Scout Week in February.

Special programs will be planned with unit and district leaders for the week honoring the scouts. A chili supper in Breckenridge's First Baptist Church will inaugurate the program.

All scout and cub leaders and den mothers from this area have been invited to attend the conference.

The Casebolts said that the policy of the Telegram will be progressive and constructive.

## 'Pay By Mail' Poll Tax Plan Announced

Poll tax payments in Eastland County continue to lag far behind, Tax Assessor - Collector Stanley Webb said Saturday. Webb said that approximately 1,400 Eastland Counties have paid their tax so far.

Poll taxes are payable in Ranger at the C. E. May Insurance Agency.

He reminded voters that the deadline for paying poll taxes is Jan. 31. Webb also announced that he would accept application for poll tax or certificate of exemption by a 11. The Times, in cooperation with Webb, will run a form in today's edition that, when properly filled out and mailed to the Tax Assessor - Collector's office with \$1.75, will gain a poll tax for Eastland Counties. Webb said his office would even pay the cost of return postage, giving tax payers every break.

The Tax Collector pointed out that persons 60 years of age before Jan. 1, 1954, or 21 years of age after Jan. 1, 1954, are eligible for exemption. If a voter will become 21 years of age 30 days prior to an election he is also available for an exemption. No fee is required for exemption. Exemption certificates are required to be renewed each year, however. Over-age exemptions are not required of residents of communities smaller than 10,000 population. Twenty one-year-olds are required to obtain exemptions regardless of where they live, however.

Political observers in the county have blamed the drop in poll tax payments in the county on the new constitutional amendment which requires that women serve on juries. One observer said, "Women around here are just not paying their poll tax this year. They are afraid they'll have to serve on a jury."

## Parking Fines To Aid MOD

Overtime parking is apt to be a little more expensive Saturday, Jan. 29.

The city has agreed to give the Ranger Volunteer Fire Department complete charge of all the parking meters on that day in their effort to hold the 1955 March of Dimes campaign. Virgil Johnson, fire chief, said Friday.

The fire department will keep a close eye on all the meters, write the tickets and assess the fines.

Johnson said that he would not be at all surprised if the fine was not more than five cents for infractions of the parking rules.

All collections from the meters as collected by the Police Department next week will also be donated to the "dimes" fund.

## Scout Leaders Pian Breckenridge Pow Wow Monday

Scouting leaders from the North District of the Comanche Trail Council will gather in Breckenridge Monday night for the first Pow Wow of 1955 to discuss the program for Boy Scout Week in February.

Special programs will be planned with unit and district leaders for the week honoring the scouts. A chili supper in Breckenridge's First Baptist Church will inaugurate the program.

All scout and cub leaders and den mothers from this area have been invited to attend the conference.

## Guard Loses Two Members By Transfer

The Ranger National Guard lost two of its members through transferring this week, Jess Cole, first sergeant of the organization announced Friday.

Pfc. Charles D. Seagle transferred to the New Mexico Guard and Pvt. Brigido Marmolejo transferred to Cuero. Both members were students at Ranger Junior College during the last semester.

They were originally members of the units to which they are now transferring.

## Savings -

(Continued from Page 1)  
The board of directors will elect its officers for the coming year at their next meeting.

The purpose of the association has been a place where members savings might be deposited and earn a dividend and also provide a means of assisting people to purchase a home.

It was on October 10, 1934 that a group of Ranger citizens met in the Gholson Hotel together with officials of the Home Owner's Loan Corporation to organize the local savings and loan association. The original directors were A. J. Ratliff, C. E. May, Jno. Haasen, Ed. Fontaine, J. C. Smith, Walter Harwell, and D. Joseph. A. J. Ratliff was elected first president and C. E. May was selected secretary and treasurer. Both of them served in those capacities until their deaths in 1949.

During the past two years, the association has increased its scope and made a large number of FHA Title I Improvement loans for home repairs in maintaining its service to home owners.

All deposits are insured by the Federal Savings & Loan Insurance Corporation, a permanent government agency, up to \$10,000 per account.

As the association was organized during the depression its growth was very slow, and the directors at that time were extremely cautious since all building and loan associations before had become involved in financial trouble, in Ranger. This policy of conservatism in the type of loans that were made has been carried on through the years, and even though the total amount of loans has grown to nearly a half million dollars, the directors are proud of the fact that they have never foreclosed on a loan.

There are 172 first mortgage loans now in force, made primarily on dwellings within a 50 mile radius in Ranger and Eastland, with a small number in Cisco, Rising Star, and Strawn.

During the past two years, the association has increased its scope and made a large number of FHA Title I Improvement loans for home repairs in maintaining its service to home owners.

All deposits are insured by the Federal Savings & Loan Insurance Corporation, a permanent government agency, up to \$10,000 per account.

## LEGAL NOTICE

THE STATE OF TEXAS  
COUNTY OF EASTLAND

NOTICE is hereby given that the undersigned intend to apply to the Fifty-fourth Legislature of the State of Texas, for the passage of a special or local law, the general purpose, nature and substance of which are as follows:

Such law will amend Chapter 465, Acts of the Fifty-First Legislature (being the law creating Eastland County Water Supply District) as amended by Chapter 284 Acts of the Fifty-Third Legislature, by making certain changes with reference to the election of Directors; by expressly authorizing the District to sell any real or personal property not needed by it; and by correcting a typographical error contained in Section 6 of said Law.

GIVEN this 18th day of January, 1955.

## WANTED BY THE FBI

CLARENCE DYE  
with aliases Jackey Dye, "Jock"

Unlawful flight to avoid prosecution—armed robbery

DESCRIPTION: Age 44, born July 5, 1910, Pad, W. Va.; height, 5 feet 10 inches; weight, 140 pounds; build, medium; hair, brown; eyes, blue; complexion, fair; race, white; nationality, American; occupations, waiter, cook, bartender, ship fitter, welder, laborer; scars and marks, several small pit scars over face, scars over left eyebrow, blue scar over right eyebrow, small cut scar on right index finger, tattoo of initials "C. D." on right forearm.

A Federal complaint was filed at Akron, Ohio, on November 9, 1951, charging Dye with unlawful flight from the State of Ohio to avoid prosecution for the crime of armed robbery.

Dye is probably armed and should be considered extremely dangerous.

Any person having information which may aid in locating this fugitive is requested to contact the nearest office of the FBI, the telephone number of which appears on the first page of local telephone directories.

## Junior College -

(Continued from Page One)

law, medicine, journalism, business administration, home economics, nursing, pharmacy, and engineering are being offered.

Faculty members will be on hand to assist students in choosing courses that will prepare them for their chosen field and help them select their courses with reference to future training in four year colleges and universities.

The regular student load is fifteen hours per week. Tuition charges are \$25 per semester for each student taking from 12 to 15 hours of work. A charge of one dollar per semester hour is made for all work above 15 hours.

Breckenridge and Albany, another branch of the college, will begin their registration and classes on the same date as those prescribed by the parent school.

Dr. Ashton said, "The college is beginning the new term with one of the best faculties of any two-year college. One of the academic advantages that Ranger Junior College has to offer students is the opportunity for close relations between students and instructor. This develops a different attitude and serves an invaluable function."

The Board of Regents has outlined a program of expansion and growth for the college which included the men's dormitory on the long-range charter.

The faculty of Ranger Branch of Ranger Junior College for the spring semester are as follows:

Dr. Price R. Ashton, President; Dr. David L. Norton, Administrative Assistant; Dean Russell F. Webb, Adult Education; Dean Robert L. Willis, Social Science; Dean Fred Baumgardner, Music; Dr. Grady Tice, Agriculture and Science; Mrs. Grady Tice, Registrar and Physical Education for Girls; Mrs. Mamie Ruth Hamrick, English and Languages; Miss Kathleen Earnest, Secretary to President and Associate Registrar; Miss Waldine Cribbs, Bookkeeper; Mrs. Frances Jameson, Girls' Counselor; Judson Hardy, Engineering and Math; Rev. Bruce Weaver, Bible History; Stanley Burnham, Biology and Physical Education; Mrs. David Norton, Speech and Drama; Miss Vivian Simmons, Business Administration; A. P. Thomas, Business Administration.

## FINAL RITES FOR E. COLLIN SATTERWHITE HELD SATURDAY

Final rites for E. Collin Satterwhite, 81, Eastland resident since 1912, were held Saturday afternoon at 2:30 p.m. at the Hamner Funeral Chapel, with Rev. Jackson C. Oglesby, pastor of the First Methodist Church, officiating.

Mr. Satterwhite died at 8:30 a.m. Friday in the Eastland Memorial Hospital.

Mr. Satterwhite was born in Crockett on Sept. 17, 1873. As a child he moved to Comanche with his family, then moved later to Gorman, where he was associated with the Munger Gin Co., then to Caddo and Big Spring, and finally to Eastland in 1918.

Here he was associated in Satterwhite Hardware with his brother, the late H. O. Satterwhite. He had been retired for a number of years.

Mr. Satterwhite married Lina Gray of Rising Star in 1914. She survives him. He had been a member of the Methodist Church since 1932, when he and his son joined the church together. Mr. Satterwhite was also a member of the Masonic Lodge.

Survivors, besides his wife, are one son, Collin Gray Satterwhite

of California; one granddaughter, Lindsay Gray Satterwhite of California one sister, Mrs. W. J. Langford of Ranger; and two brothers, E. A. Satterwhite of Ranger and T. B. Satterwhite of Oklahoma City.

Burial will be in Eastland Cemetery under the direction of Hamner Funeral Home.

The Lord placed men in this vineyard to care for it. What are you doing?

### Rev. Perkins To Report Sunday On Central American Missions

The Lord's day services in the First Baptist Church will find the pastor in the pulpit for both services. A report on the Central American Missions, as supported by the First Baptist Church in cooperation with the Baptist General Convention of Texas and of the Southern Baptist Convention, will be given. The report will include the work of Missionary and Mrs. Paul of Guatemala, and of Missionary Gerald Riddell of Columbia. The Scripture for the morning message is found in Romans the 3rd chapter. The text is the 22 verse.

The Evening message, at 7:30 will be on the theme, "A Cry for Deliverance," as the children of Israel in Egypt, the Jamaicans are crying for help.

Sunday school at 9:45 will be ready for a splendid service after the teaching of the lesson on Wednesday night and the study in the book of Hebrews during the week. The Sunday school department under the leadership of Wilson Guest has maintained a high degree of Bible teachings and adequate preparation for the teachers on the Lord's day Bible classes.

Training Union continues to maintain a high attendance during the recent Sunday evenings when bad weather could have cut the attendance. Through the recent years the followers of the Lord Jesus have learned that Sunday night belongs to the Master and should be given in attendance in the evening services. Mr. W. J. Arterburn has led the Training Union to the highest attendance records in the history of the church.

Lovers of Gospel singing will find the choir, under the direction of Mr. Lee Russell and congregational singing to be of the highest quality. Good singing by both congregation and choir is an inspiration for everyone.

The church maintains a modern equipped nursery with germicidal lamps and the hospital qualities for sterilization, and sanitary measures. Red babies and toddlers are cared for by women of years of experience.

There is a welcome for the people of Ranger and the community to worship in our services and to become a part of the spiritual program that is making a place for all members of the family. You are always welcome.

### James Allison To Preach Sunday At Second Baptist

James Allison of Eastland, junior ministerial student at Hardin-Simmons University, will preach at both the morning and evening services Sunday at Second Baptist Church.

Sunday School begins at 9:45 a. m. according to superintendent Gene Falk, and the worship service begins at 10:45.

Training Union convenes at 6:15 and the evening worship service at 7:30 p.m.

At 3 o'clock Monday afternoon the Woman's Missionary Union will meet at the church for mission study. The second and third chapters of the current mission book, "Under the North Star" will be reviewed by Mrs. Betty Pitman and Mrs. Clemmie Rogers.

The Sunbeams also meet at 3 p.m., with Mmes. Marcus Matthews and E. J. Noth as leaders.

The teachers and officers meet at 7 p.m. Wednesday preceding prayer meeting at 8 o'clock.

### First Christian Ladies Meet For Luncheon Thursday

The ladies of the First Christian Church met in the home of Mrs. O. R. Ervin at 1 p.m. Thursday for their monthly covered dish luncheon.

Mrs. B. S. Dudley, Sr. opened the meeting with prayer. Mrs. Edgar Black presented the lesson on India and also gave the devotional.

Those present were: Mmes. Dick Jones, Lottie Davenport, R. A. Jones, Dudley, Bob Allen, Black, Janice Black and the hostess, Mrs. Ervin.

### Second Baptist Willing Workers Class Meets

The Willing Workers Sunday School class of the Second Baptist Church met in the home of Mrs. Marcus Matthews at 1:30 p.m. Thursday for their monthly social and business meeting.

Mrs. Matthews opened the meeting with prayer, after which the devotional was given by Mrs. Howard Sutton.

Refreshments of coffee and donuts were served to: Mrs. Tommy Gore and daughter, Mrs. Tom Campbell and daughter, Mrs. Sutton, Mrs. Jack Mace and the hostess, Mrs. Matthews.

The Lord's Table still retains its vital meaning in our worship today. It is authorized by the certified Gospel. Come worship with us and receive spiritual guidance from the Word of God, and observe anew the Lord's Supper at His Table.

DAVID KUYKENDALL

### David Kuykendall To Preach For Youth Revival

Youth preacher David Kuykendall, of Southwestern Seminary, Ft. Worth, will do the preaching for the Youth Revival that begins in the First Baptist Church Friday night Jan. 28, at 7:30. The services will be held on Saturday night and morning and Sunday evening.

Dick Waters, Youth director of the church will direct the music. Mr. Waters is junior in Hardin-Simmons University, Abilene.

The youth revival is under the direction of the Youth Committee, W. J. Arterburn, Wilson Guest, Charles Layton, and Glenn West.

The B.S.U. and the Youth Crusade are likewise supporting the three day revival. Rod Carter is B.S.U. president and Miss Pat Williams, president of Youth Crusade.

Mr. Kuykendall is a graduate of Hardin-Simmons University and is a senior in the seminary. He comes highly recommended by many of the leaders of our denominational work. Otis Strickland, president of Decatur Baptist College, says, "David is one of the finest of our youth preachers. Safe, sound, and equipped with the Holy Spirit and is grounded in the scriptures. He is not a sensationalist, and neither does he glamorize any material substance but always points the youth to Christ."

The youth of Ranger are invited to these services. "We believe," the pastor stated, "that this three day revival will do more to bring the Gospel to our youth than anything we have had in recent years. Adults will be happy for this experience in the Youth Revival."

There will be a youth choir each night and a fellowship following the evening services. Plan now to assist in this important mission.

## CHURCH NEWS

### Christian Science BSU To Meet Tuesday Night

"Truth" is the subject of the Lesson-Sermon to be read Sunday in Christian Science churches. The Golden Text is from Psalms: "God shall send forth his mercy and his truth" (57:3).

Biblical selections and passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, which make up the Lesson-Sermon, will emphasize that Truth is God, and can be discerned only through a spiritual understanding of God which comes through prayer and gratitude.

"I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men. For this is good and acceptable in the sight of God our Saviour; who will have all men to be saved, and to come unto the knowledge of the truth." This passage from I Timothy 2 (1, 3, 4) and the following from the Christian Science textbook will be included in the Lesson for this week:

"The true understanding of God is spiritual. It robs the grave of victory. It destroys the false evidence that misleads thought and points to other gods, or other so-called powers, such as matter, disease, sin and death, superior or contrary to the one Spirit."

"Truth, spiritually discerned, is scientifically understood" (page 275).

### BSU To Meet Tuesday Night

The B.S.U. will meet Tuesday night in the lower auditorium of the First Baptist Church according to Rod Carter, president. All new students of the College are invited and all the others are urged to be present. The time will be 6 p.m. Plans for the youth revival will be completed and introduction of the new students will be made.

The B.S.U. for the past several years has been the connecting link between the campus and the church. This organization has upheld the high Christian standards that grow and develop the character pleasing both in the sight of God and man.

Mr. and Mrs. Glenn West are Counsellors; Rod Carter, president; Sudie Gray, program V.P.; Letty Frazier, devotional V.P.; Jo Ann Crider and Jerry Carter, membership V.P.; Della Joyner; secretary, Glenn Clifton, publicity; and Rev. Perkins, pastor advisor.

Membership in the B.S.U. is governed by membership in a Baptist Church or one of the auxiliaries supported by the church. It may be any local or home church of a student who is commuting. A special membership is afforded those students who are not members of a Baptist Church. The B.S.U. is open for those who are interested in the spiritual side of their life.

### Weekly Schedule For St. Rita's Catholic Church

The following is the weekly schedule for St. Rita's Catholic Church:  
Holy Mass every Sunday morning at 8 o'clock.  
Evening devotions on Sundays at 7 p.m.  
Study club for the high school students Wednesday evening at 7 p.m.  
Choir practice Wednesday evening at 7:45 p.m.

Study club for the Junior College students Wednesday evening at 8 o'clock.  
Religion class for the grade school students at 6:30 p.m. Thursday.  
Rev. Fr. Boesmans, pastor of St. Rita's Catholic Church, is always available to give information and to explain the Catholic faith to those who want to know more about it. This information is given without any obligation whatsoever and without prejudice against any other religion.

it's easy to put this much sugar into one cup BUT HOW WOULD YOU MIX IT IN 5,330 CUPS?

a problem of the same proportion is facing most feed companies in mixing about 1/3 oz. of stilbesterol into one ton of cattle feed

The Food and Drug Administration in its approval for use of stilbesterol has set about 1/3 oz. per ton as the right amount for this powerful growth stimulant. That means it is added in the proportion of only 1 part to 90,800 parts. It must be mixed so that cattle get just the right amount... too little stilbesterol in their ration won't produce maximum gains... too much in their ration can prove toxic. Yes, it is a big mixing problem for most feed companies—but not for Purina, with its exclusive Micro-Mixing process.

**MICRO-MIXING** is accurate to the 1/10,000,000 part! Modern mixing equipment plus the technical skill of Purina engineers, laboratory technicians, and mill employees makes such a mixing job routine for Purina. Purina's Micro-Mixing is a quality control process that assures you every bite is mixed just right. Every animal gets its fair share when you feed Purina Steer Fatena or Beef Chow with stilbesterol added. That means that you go to market with a much more even bunch of cattle.

NOW AVAILABLE at your Purina Dealer's—Steer Fatena and Beef Chow with stilbesterol, MICRO-MIXED—every bite mixed just right.
