

Mothers March Nets \$537 In 'Dime' Drive

The March of Dimes campaign in Ranger was benefited by some \$537 during the past few days. Jess Cole, city chairman announced today.

Mothers March was the big contributor Monday night as scores of volunteer women spanned the entire city in collecting more than

\$637. All of the collections of the "march", because of conflicting schedules, have not been received. Mrs. J. A. Bates, fund raising chairman said.

The sale of "blue crutches" this week by members of the Sub-Deb club totaled \$70, and the National Guard turkey shoot netted \$43.

High scores in the turkey shoot went to the Rotary Club which outpointed the Lions. High point man honors were taken by Lynn Nicholson. The ladies did not care to participate in the shoot and the turkey in that event will be given to Eastland High School for an auction.

The Rotary Club has donated their turkey to Ranger High School for a similar auction.

Other activities next week, as the campaign enters its final stages, will be a talent show sponsored by high school students in the school's auditorium. The show will be broadcast.

One of the largest events of the drive will occur Sunday in Eastland with a huge county-wide auction which will be conducted by radio and telephone for those who are unable to attend.

Those chosen to serve from Ranger were Mrs. Rascoe Hopper, Mrs. T. C. Wylie, Mrs. C. B. Pruet, Mrs. G. M. Rogers, Miss Eva Mills and Mrs. H. H. Harberman.

Men from Ranger selected to serve are A. N. Larson, Frank Kribbs and J. E. Matthews.

Eastland women to serve are Mrs. Don Parker, Mrs. Tom Hailley and Mrs. C. M. McClain.

Male members of the panel from Eastland will be Dick Hunt, J. H. Aaron, M. H. Perry, Gordon Wadley and John L. Ernest.

Others are Roy M. Tucker, Robert A. Hammett, J. B. Hagan, Herbert Reich, Dudley Lee, T. H. Lee, W. J. Britain, F. C. Chesire, Mrs. Austin Flint, Mrs. Bethel Gallagher, Mrs. I. A. Brunkenhoefer, Mrs. Jack Anderson and L. F. Keelan, all of Cisco.

Those from Gorman will be Willie O. Parr, Mrs. E. L. Dennis, T. L. Jay, Bill Andry, Mrs. Berthe Crawley and Mrs. A. A. Brown.

C. T. Barton and J. B. Harris will be present from Rising Star. Oscar Schaefer of Nimrod, and W. G. Elliott of Carbon, also have been chosen.

Emergency Feed Program To Terminate Here February 15

Hay Fund Okayed By Govt.

The emergency feed program will be terminated here Feb. 15, George I. Lane, county supervisor of the Farmer's Home Administration has announced.

Lane said that the end of the more economical feed for the drought-stricken farmers and ranchers in this area will be ended Feb. 15 under the provisions of a telegram received from the administration's national office in Washington, D. C.

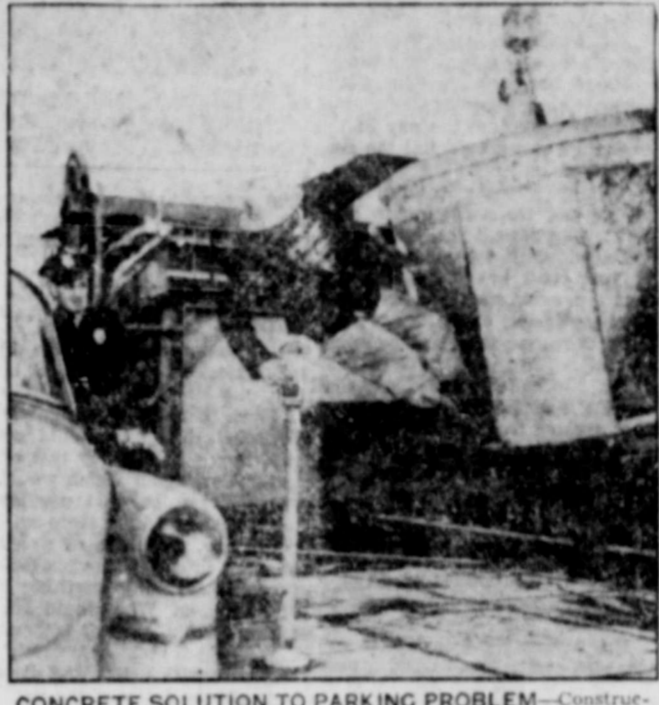

The message said that no further applications for assistance under the emergency feed program will be approved by County Committees, however, those who now have approved applications will have 120 days to use purchase orders issued for grain. The bulletin also allowed federal funds to be used for making payments under hay contract for deliveries through March 31.

Lane said that applications for grain may be taken through Feb. 15 for a 60-day supply from the date of application. Applicants who have previously qualified for feed assistance for a period extending beyond Feb. 15 may re-apply on or before that date.

In such instances applicants may qualify for hay for an additional period not to extend beyond 60 days, taking into consideration in each instance the amount of feed on hand and that previously authorized, and period covered by previous applications.

Arrangements have been made for a committee meeting in Eastland County to be held on Feb. 15 to pass on applications that are received by that date.

Applications and renewals will be received Feb. 7, Feb. 10, and Feb. 14. February 14 will be the final date that applications will be received.

Oil News Wildcat Spotted Northeast Of Olden

Another wildcat has been spotted in Eastland county. The latest strike is located 1 1/2 miles northeast of Olden.

Elp C. Underwood, Amarillo, No. 1 Hamilton was spotted as a wildcat 1 1/2 miles northeast of Olden. Proposed depth is 3,800 feet with rotary. Site for No. 1 Hamilton is 1,750 feet from the north and 1,986 feet from the west lines of Section 3, HT&B (T&NO) Survey.

In other area oil news Warren Petroleum Corp., oil division, spotted location for a wildcat eight miles southeast of Woodson in northwestern Stephens County. It is No. 1 W. D. Boyd, having a proposed depth of 5,000 feet with rotary.

Site is 503 feet from the east line and 330 feet from the south line (river) in Sarah Blythe Survey, A-18.

A wildcat was plugged at 579 feet one mile south of Gansight. It was Fletcher Oil Gas Drilling Corp., Dallas, No. 1 S. G. Tomlinson, Section 416, SP Survey.

Three miles northeast of Ivan, a well was completed in the Rickels (Second Conglomerate) Field. It is AR-TEX Drilling Co., W. D. Frazell & J. E. Connolly of Abilene own a Rickels Estate, Section 8, Block 2, SP Survey.

Daily gauge was 148.86 barrels of 12.7 gravity oil, flowing through a 1-4-inch choke with 1,100 pounds casing and 730 pounds tubing pressures. Production is from 96 perforations at 4,044-56 feet with the casing set at 4,093 feet. Having a gas-oil ratio of 780-1, it is bottomed at 4,091 feet.

McMahon - Bullington Drilling Co. of Wichita Falls No. 4-S Roy A. Carbett was spotted two miles. (Continued on Page Three)

Commissioners Court Slices Constables' Pay

Eastland County Commissioners agreed on a compromise proposal at a special meeting of the Court Tuesday afternoon, cutting the pay of all constables in the county \$25 a month.

The decision came after a two-hour called meeting of the Commissioners Court. The compromise motion came from J. E. McCannles, Precinct 4 commissioner. It was seconded by Precinct 1 Commissioner J. B. (Tip) Arther. The vote was unanimous, with all commissioners present.

The Court debated the issue for two hours before a decision was finally reached. The meeting was called to order by County Judge John Hart, who then asked Sheriff J. B. Williams if it would affect his office if half of the constables in the county were to quit all at once. He added, "I mean, would it be necessary for you to have more help?"

Sheriff Williams replied, "I don't see how it would, since we are doing it all anyway."

Commissioner Arther then directed a question at the Sheriff. "You mean you could get it (law enforcement) done without any more help?"

"Yes," Sheriff Williams replied. "It might take me a little time to do it."

Judge Hart then asked what authority a city policeman in Ranger would have if one was appointed. Sheriff Williams told him he would have authority only in the city limits.

Commissioner McCannles then asked the Sheriff if a city policeman could also serve as a constable. Sheriff Williams said he did not think so.

Mr. McCannles then said, "As I understand it, the only reason we need a county officer in Cisco is

because the city policemen can't go out of the city limits."

The Cisco commissioner then asked what authority the Cisco police had over the city park at Lake Cisco. Sheriff Williams said they had full authority at the park because it was owned by the city.

County Auditor Earl O'Brien, who was also requested to attend the meeting, gave commissioners a quick report of the county budget. "County finances are holding up good with the exception of the general fund," he said. "But if something isn't done, the general

Law Partners Construct New Offices Here

Construction recently began on the old Columbia Theatre which will be re-modeled to provide office space for Dewey Cox and L. E. Pearson, local attorneys.

Re-building of the burned-out theatre interior was started in mid-January and the project is scheduled to be completed by March 1.

Cox said that the building will contain two offices, a reception room and a library. Portions of the floor will be covered with rock and the outside will be finished with Red wood and Roman brick with a portion of the brick extending to the inside.

Bourdeau Construction Company is in charge of the re-building.

First Round Champs Handle Dogs Twice

STEPHENVILLE (TNS)—The Stephenville Yellowjackets took their second game of the season over Ranger Tuesday night by a score of 48-39 after their B team knocked off the Bulldogs 41-26 in the opener.

In the main event, both teams battled point-for-point in the initial quarter and Ranger took a narrow lead early in the second stanza only to see it dissolve and Stephenville hold an 29-18 margin by the end of the first half.

The win gave the Yellowjackets a perfect 8-0 mark in district competition.

Chief point maker for the losing Bulldogs was Scott Forney who netted four field goals and a 36-point run for ten points. Ronald Pux, followed close, with nine and Jim Littlefield contributed eight.

For the winners, Carroll Roberts and Colville Jones set the scoring pace with 13 tallies each. Stephenville's win came mostly by field goals as they were successful in netting only four free

throws. Ranger's mark was only a bit higher with seven.

In the opener, David Wharton was high for Ranger with ten (Continued on Page Three)

County Orchard Field Day Set For February 17

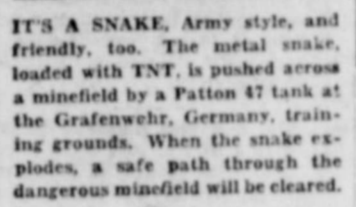

The annual Eastland County Orchard Field Day to be held on the B. R. Freeman orchard, 10 miles southeast of Ranger in the "honey Community" on February 17, will feature peach production and marketing, according to County Farm Agent J. M. Cooper, who helped to plan the affair.

Growers from Eastland County, as well as adjoining counties, are invited to attend the all day affair which gets underway at 10 a.m. on that date, Cooper said. Those who attend, however, and stay all day, are asked to bring a picnic lunch for noon. Drinks are to be furnished, however.

New varieties, fertilizers, control of insect and diseases, marketing, discussion of and an exhibit of the very latest insecticides as well as pruning demonstration will be on the program during the day.

Those from the A&M College extension service to appear on the program include B. G. Hancock and G. B. Williams, horticulturists as well as C. F. Garney, entomologist. Others will be Tom Denman of the Stephenville Agricultural Experiment Station and J. W. Foster, Jr. of Weatherford.

The Orchard Day is an annual affair in the county to help Eastland County growers keep abreast of the latest methods and developments of production and marketing, Cooper explained.

IT'S A SNAKE, Army style, and friendly, too. The metal snake, loaded with TNT, is pushed across a minefield by a Patton 47 tank at the Grafenwehr, Germany, training grounds. When the snake explodes, a safe path through the dangerous minefield will be cleared.

Loop Basketball Tourney Set For Mineral Wells

First rounds of play in the District 9-AA basketball tournament will begin Friday, Feb. 10 in Mineral Wells with Weatherford and Graham beginning the elimination. It was announced here today.

Second round will pit Ranger against host Mineral Wells at 8:20 p.m. for the first night's final.

Resuming play Saturday, Feb. 11, Cisco and Stephenville will tip off at 6:00 p.m. and the winners of the Weatherford - Graham and the Mineral Wells - Ranger contest will meet at 9 o'clock.

Also, Feb. 11 the Cisco and Stephenville girls will meet with the winner playing Weatherford, who drew a bye in first round play, the following night.

Winners in the Cisco-Stephenville boys game Feb. 10 will ride a bye Friday and play in the finals Saturday.

High school basketball rules provide for the district to be divided evenly between the winners in conference play throughout the district tournament.

Stephenville has inaugurated the crown in conference play in winning 18 out of 20 games. Their two defeats came at the hands of Midland and Abilene and they have marked a perfect 7-0 district record.

If another 9-AA contender, other than Stephenville, takes the district tourney flag, a three game play-off between the Yellowjackets and that quintet will follow to settle the conference championship.

Ranger which now contains two boy scout troops and a cub scout pack, is a member of the eight-county Comanche Trail Council.

Scouts here will attend church services at the First Methodist Sunday morning. They will also visit the First Baptist Church Sunday for night services.

Commissioners Vote To Pay Hospital \$250

County Commissioners Tuesday voted to continue paying \$250 a month to the county hospital in Ranger. The vote came after County Auditor Earl O'Brien pointed out that the Court's approval to pay the \$250 expired Jan. 1.

The decision to continue paying the \$250 a month came on the recommendation of Commissioner J. B. (Tip) Arther. Mr. Arther made a motion to "temporarily continue paying \$250 a month" and Commissioner Henry Carter seconded the motion.

In other action, the court voted to meet only twice a month in the future instead of once a week. Meetings will be held on the second and fourth Mondays of each month.

Two out-of-town men were arrested by city police Tuesday night and fined a total of \$40.76 upon their release from jail Wednesday morning.

Arrested and fined \$25 for being drunk in a car was a Wichita Falls man and a Dallas man was fined \$15.70 for drunkenness.

The Pathfinder by Lee Harr

If certain members of the commissioners court succeed in cutting back the number of constables now on duty in Eastland County to fit their own desires, it will leave the Ranger area completely unprotected with the exception of the police department which by necessity limits the larger portion of its activities to within the city limits.

For instance, if during the night, and that is when most law infractions occur, the police department can simply not afford to dispatch its only patrol car and lone patrolmen in some cases on one of the highways or to investigate some cause of trouble nearby and leave the city completely unguarded and in the hands of any who can take what they wish from the unprotected businesses.

There seems to be some amount of discrepancy dating back when the county was divided into precincts. Eastland and Ranger, representing 45 percent of county's population falls into Precinct 1. Thus, it is the view of a portion of the commissioners that each precinct should have only one constable. Undoubtedly if the county had been evenly divided, one constable would have been sufficient in each precinct.

However, Gorman, fourth largest city in the county, has its own constable and yet, does the commissioners court imply that Ranger, ranking second in county population, does not deserve a constable to be on duty here.

Completely divorcing the needs of the city from the county law offices, we can visualize another point of view of a constable's presence here.

Today, with the activity of the law what it is, with their two way radio units here receive numerous calls from Fort Worth areas, of the approach of certain undesirable with their stolen cars, thieves and other outcasts of the human way of life.

The constable, cooperating with the police department as has been the avowed practice here, is able to curtail the progress of such, before they are able to saturate Eastland County with further crime.

Ranger and Eastland, comprised of by far the greatest amount of population of any one precinct within the county, has one strike against the proposal from the beginning, as only one commissioner represents this population in the court. It would only be too simple for other commissioners, while cutting down on the budget and at the same time allowing themselves the maximum amount of protection, to vote down our one representative.

Arguments in favor of the cut-back in this precinct which would only affect Ranger, as the law governing the district officers stipulates that the county seat city shall be required to have a constable on duty.

Some would contend that we need no constable here as the deputy sheriff makes his home in Ranger. Anyone who understands the specific duties of the deputy realizes that he is required to spend as much of his time in other precincts as in Ranger.

RED CHAIN CHICK STARTER

A Complete Feed • Mash or Granules

ONLY A LITTLE NEEDED SO IT MUST BE **Tops!**

Baby chicks have a very small capacity for feed but when growing normally they attain 20 times their hatching weight in eight weeks. This means that the feed you give them must be high in nutrient levels . . . and every particle of feed must contain the right quota of the various ingredients. Only by using the most modern weighing, blending and mixing machinery can this be assured. For example, when 10 grams of antibiotics is provided in a ton of feed each 100 pounds of finished feed must contain 1/2 gram. This is equivalent to 1/2 teaspoon of antibiotics. Very small amounts of vitamins and minerals are also needed . . . but these amounts also must be present for fast, healthy growth.

When you feed your chicks RED CHAIN Chick Starter you provide them with the very best feed we know how to make. SEE YOUR RED CHAIN DEALER TODAY.

fund is going to be depleted." Constables are at present paid out of the general fund.

Commissioner R. M. Bennett of Gorman, Precinct 2, said, "I still think there ought to be one constable to each commissioner's precinct. Of course Tip has the hardest problem."

"Of course that's my individual problem," Mr. Arther replied, "I won't say I'll vote with you." Mr. Arther then added, "I still think I need two constables in my precinct. Of course there are three of you and you don't need my vote. There will be no hard feelings on my part."

Mr. Bennett then said, "I just don't think there's enough crime in Eastland County to justify such a high price for justice."

"I think we should, if we can, cut them down to four precincts," Mr. McCannies stated.

Mr. Arther replied, "That would have to be at the end of a term." Judge Hart reminded the Court that a Grand Jury had suggested that the Court cut the pay of the constables down to equal the fees they turn in.

"We are running in the hole on money and we are going to have to do something," the judge said. To which Mr. Arther replied, "I just can't get it in my head that the constable's job is a revenue producing office. I can't get it in my head they are overpaid at all."

Mr. McCannies pointed out that when the office of constable was first created there was a need for a man in each community. We have cars and telephones now, he said, "I just can't see much use in constables."

Mr. McCannies then made a motion that . . . we have four constables in the county at \$100 a month and have two others at \$1 a month.

Mr. Arther replied, "What you mean is, I'm saving \$1,200 a year for all of us and you are not kicking in a penny. That's just the way I see it."

Mr. McCannies replied, "I think it is best for the county. That's why I'm doing it."

Commissioner Henry Carter of Rising Star, Precinct 3, then said, "I just don't think you can legally do it." He then suggested that a \$25 round-the-table cut be made.

Mr. Arther said, "I'll come a lot nearer going along with that." "It's immaterial to me," Mr. McCannies said, "I'm willing to cut mine to 50 cents a month, because I don't think I need one."

There is no constable in Cisco at present since the elected officer recently resigned.

Asked by Judge Hart if he made his suggestion as a motion to the Court, Commissioner Carter said, "No, I didn't make it as a motion, only as a suggestion. I think I would be selfish to throw the problem on Tip and Froggie (Mr. Bennett)."

Mr. McCannies then said he would withdraw his previous motion to cut the salaries of two of the constables to \$1 a month. He then made the motion to cut the salaries of all of the constables

Jeff Chandler and Ludmila Tcherina in a scene from the CinemaScope production "Sign of the Pagan" showing Thursday - Friday and Saturday at your Tower Theatre.

\$25 a month. Mr. Arther seconded the motion. Judge Hart called for a vote and all commissioners voted yes.

The Pathfinder -

(Continued From Page 1) er sections of the county as here.

Even though the commissioners feel that the force should not be cut, then offer to pay two of the constables, again which would affect Ranger, only \$1 per month, making the position more an honorary one, than one of necessity. We can in no way visualize this proposal as being anything short of ridiculous. Who would fill the office at that salary? If someone did, would they be completely willing to sacrifice time and pleasure to fulfill the duties of the position? We can not believe that they would.

No matter what the outcome of the present situation may be, Ranger and this precinct may well look forward to the short end of things to come because of the unorthodox zoning of the counties' precincts.

Dennis Named Constable Of Precinct Five

E. L. (Jug) Dennis of Gorman was appointed constable of Precinct 5 Tuesday afternoon at a special meeting of the County Commissioners Court.

Mr. Dennis will fill the vacancy created by the resignation of V. E. Overstreet, Mr. Overstreet, who won the post in the recent general election, resigned because of other business interest, he said.

The new constable held the post until Jan. 1. He ran for the office of sheriff, however, instead of seeking re-election as constable.

ROUND-UP on the CAMPUS at Ranger Junior College

About the busiest place on the campus this semester is Cooper Library. Most any hour of the day finds diligent students studying biology notes, writing research papers for history, or evaluating a current magazine for English.

Each Tuesday night at 7 o'clock a Facts Forum film will be shown on subjects of current interest in the college auditorium. "Wire Tapping" and "Does Communist Russia want War?" were shown Tuesday evening. These showings are sponsored by the Delta Tau Chapter of the Phi Theta Kappa.

There are many interesting new students who entered R. J. C. with the beginning of the new semester. Don Wilgins of Dallas is the latest rave on the campus. Don, who has just completed four years in the U. S. Navy, is formerly of Dublin. His English made MG sports car has created quite a bit of excitement on the campus.

Harvey Carpenter of Los Angeles, Calif., enrolled as a science major. He plans to become an osteopathic surgeon. His mother, Mrs. Beatrice Densley lives in Olden.

Tommy Wood and Seldon Wood were busy in the shop Monday afternoon. A brand new ping pong table was the outcome of their construction.

Dr. Norton's P. E. Class marked off a volley ball court in the U. E. to be used by Mrs. Tice's P. E. Class. Mr. Bailey added the finishing touches with gym coat and wax.

The Board of Regents will meet Thursday evening at 7:30 in the Cooper Library.

NEWS FROM CHEANEY Mrs. Bill Tucker

The Cheaney group who attended the meeting at Carbon, Monday night, Jan. 31, sponsored by the Eastland County Farm Bureau, were Mr. and Mrs. Ben Freeman, Mr. and Mrs. John Love, Mr. and Mrs. Gene Ferrell, Mr. and Mrs. Jack Rogers, and Mr. and Mrs. Bill Tucker. Other surrounding communities were also represented.

Speaker for the program was the Assistant Manager, Social Security Administration, Mr. Ralph C. Fisher, of Abilene, who was there representing Mr. K. E. Tuley, Manager, S.S.A. who was scheduled earlier to speak on Social Security affecting farmers and farm workers or farm employees.

Farmers, possibly 70 in number, gathered at the Carbon School auditorium, to hear the new Social Security law explained. A question and answer period followed the talk by Mr. Fisher, that gave light on various ways Social Benefits and Old Age Assistance will help the farmers, as they reach retirement age.

These benefits under this new law will be based on net earnings, which will be reported annually, Mr. Fisher stated.

A Member program on Poultry, proper housing, why cull, why raise standard bred poultry, was used as the basis for round table discussion at the meeting of the Cheaney home demonstration club, in the home of Mrs. R. W. Gordon, near Ranger, Thursday afternoon, Jan. 27, 1955. Mrs. Gordon, president, Mrs. Bill Tucker gave the January County Council report, and served as secretary pro-tem.

Mrs. John Love was nominated for re-election as county THDA chairman.

She will also be nominee for delegate to the District 8 THDA meeting, with Mrs. Gordon as alternate nominee, to be presented for election at the February Council. The THDA 25c contribution was also paid.

Next meeting will be in the home of Mrs. Bill Read, near Abilene.

Visitors Friday, in the Willis Weekes home in Rising Star, were his sisters, Mesdames Ben Freeman, Hatley Dean, of Cheaney, Mrs. Jennie Kimbrough, of Ranger and Mrs. Etta Brittain of Graham, Texas. Mr. Weekes is manager of the local theatre.

Mr. and Mrs. Jack Revel of Cheney and their son Clinton Revel and family of Gorman were in Fort Worth Sunday, visiting relatives and attending the Fort Worth Stock Show.

The engagement of Miss La Verne Ainsworth came as a surprise to her friends here at Cheaney, when announced Sunday that she would wed Pvt. Lyle Greene, of the U.S. Marines, Camp Felton, California. Pvt. Greene's parents are Mr. and Mrs. James F. Greene, of Abernathy, Texas, near Lubbock.

La Verne is the daughter of Mr. and Mrs. Monroe Ainsworth, of Cheaney community, and is a student of Ranger High School.

No wedding date will be set until Pvt. Greene returns from overseas. He will be based in Japan, upon completion of training at Camp Felton.

Buddy Rogers, who has been employed for the past several months with a Fort Worth construction firm, was injured when a heavy piece of equipment fell on him, Saturday. He came to Ranger for treatment, but the extent of his injuries were not known at this reporting. Relatives thought injuries were not too serious.

The Dick Weekes family of Comanche visited the Ben Freeman and Hatley Deans Sunday. Their sister, Mrs. Etta Brittain, of Graham, is house guest of Mrs. Freeman and attended church Sunday at Cheaney.

Miss Linda Needham of Ranger was the week-end guest of Miss La Verne Ainsworth, and also attended Cheaney Church Sunday morning.

Mrs. John Love and this writer attended an area meeting of Farm Bureau service agents in Breckenridge, Wednesday Feb. 2nd. The meeting was held in the Burch Hotel with Austin Crowder, insurance executive, in charge of

the meeting. Mrs. Love is service agent for the Eastland County Farm Bureau.

Around 30 insurance personnel attended the training session.

Mr. and Mrs. Charlie Miller have moved to the Sanford Lemley place west of Abilene this week, where he will be farming cotton and row crop grain this year.

Mr. and Mrs. Raymond (Bud) Hart of Andrews, Texas were here first of the week visiting with his aunt and uncle, Artie and Olive Pilgrim and the Jim Grice family, and in Ranger with the maternal Glenn family.

Mother Goose In Texas

By Ray Wood

I had a little hen,
The prettiest ever seen;
She washed up the dishes
And kept the house clean.
She went to the mill
To fetch me some flour,
And always got back
In less than an hour.
She baked me my bread
And brewed me my ale,
Then sat by the fire
And told a fine tale.
It has been speculated that the "little hen" in this old country rhyme did not refer to a bird at all, but was a term of endearment for a woman or wife, and these words have been substituted in some editions of the classic Mother Goose Rhymes.

There is no exact parallel to this rhyme in American childlore, but the "Little Hen" has always been one of the favorite subjects for child rhymes in this country. Pioneer kids in Texas, now old and grey, will doubtless recall:

I had a little hen,
I called her Blue,
Every time she laid an egg
She laid two.
She laid in the flue,
She laid in the oven,
She laid a dozen eggs
In grandpa's shoe.
Next: More about "critters."
Variants of these or similar rhymes will be recorded in the permanent collection of Mother Goose in Texas if sent to Ray Wood at Raywood, Texas.

LONGEST WINNING STREAK IN HISTORY HELD BY TARLETON

STEPHENVILLE. — For a basketball coach to win 20 consecutive games is memorable; to cop 50 straight is unheard of; and to gain victory in 86 straight games is unbelievable.

Yet, there was a coach whose teams won 86 consecutive basketball games to set a still-standing world's record.

That coach was W. J. Wisdom, long-time mentor and athletic director at Tarleton State College.

In case one doubts Wisdom about the unbelievable feat Ripley's "Believe It or Not," or the Basketball Hall of Fame have recorded the winning streak.

The victory march began during the 1933-34 season and continued until mid-way of the 1937-38 season.

Ironically the last college to beat Wisdom's team before the streak started and to hand them their first set back after 86 wins was San Angelo College.

The Rams defeated the Plowboys in the last game of the 1932-33 season, 41-39, and then turned the trick in January, 1938, 27-26.

During this five-year period Tarleton racked up 3,547 points to its opposition's 1,650.

Following the 26-27 loss to San Angelo the Plowboys put on another streak and won 25 more straight games before meeting defeat.

Coach Wisdom, who retired from coaching in 1942, vividly remembers "those" years.

"The winning streak was the worst ordeal I have ever been through. The boys were always nervous before the games. I have never geared them up. They were always high enough."

Not all the contests were close. Such scores as 53-4, 92-17, and 72-6, were recorded but the strain on Wisdom and his players was terrific.

The old-time Tarleton coach recalls that he would have his players pull antics and tricks to break the tension, such as having the big center, Joe Headstream, shoot blindly over his head.

"This always brought laughs." Possibly one of the most memorable games in Wisdom's mind was the time Texas Wesleyan College phoned and wanted to schedule a game.

"I didn't much want to play them because we had a hard game

the next night with Arlington (then called NTAC), but I couldn't let them think we were scared.

"Well, TWC came, and they brought nearly all the newspapermen and photographers in Fort Worth.

"I think some of the newspapers already had their headlines set, 'TWC Ends Floyboy Winning Streak.' That was foolish for in the first eight minutes we had rolled up a 23-8 score."

Some of Coach Wisdom's "boys" have gone on to become famous themselves.

"Slue" Hull is head basketball coach at the University of Texas and Marshall Hughes is one of his assistants.

Alvin "Bull" Katrola, another of his "boys", recently took his "Cinderella" Stephen F. Austin of Houston football team to the finals in 4-A high school football.

Ranger Girl In Class Stunts At Womens School

DENTON (Spl.) — Jeannette Kirkpatrick of Ranger is serving on a Class Stunts selection committee at Texas State College for Women. Dates for Class Stunts this year are Feb. 18 and 19.

She was selected by her class to choose a skit for competition in the annual rivalry. The winning scripts submitted by student writers are now being read by an official script reader appointed by TSCW president John A. Guinn.

The reader will go over the scripts with individual class presidents this week to clear any objectionable parts or duplications.

Miss Kirkpatrick, a senior foods and nutrition major, is the daughter of Mr. and Mrs. S. L. Kirkpatrick.

Class Stunts, an annual presentation, have become a college trademark. TSCW students write the scripts, direct and produce their 15 minute skits, design and make costumes, do staging and lighting and backstage crew work.

A silver cup, the most coveted of all college awards, is presented to the winning class announced on the second night of presentation.

Miss Kirkpatrick was a member of the winning class last year, whose stunt was "Big Toppy Turvy," a takeoff on animal life in the circus. Stunt titles are kept secret until dress rehearsal night.

Cattle Dislike Taste Of Grub Medicine

Free-choice of phenothiazine may someday help control cattle grubs but several problems regarding its use must first be solved.

Main drawback to phenothiazine is its taste. Cattle do not like it and a practical way to feed the product has not been found.

Its future may hinge on whether research can "chocolate coat" phenothiazine and guarantee that animals on the farm will consume enough to produce a grub killing effect, says Dr. C. M. Patterson, extension veterinarian of College Station.

In preliminary tests, a definite drop in the number of grubs was noted among cattle fed 2 grams of phenothiazine daily free-choice in protein supplement.

"With need for further testing, no recommendations are being made now," Dr. Patterson says.

If phenothiazine should prove an effective grub-killer, it would be a significant step in the control of the costly parasites.

Southern Accents

Anyone who has even glanced at the radiant colors prominent in the new resort collections, knows how lusciously beautiful they are. You'll want your stocking tones to go handsomely with them. Two such are "Gold Accent" and "Pink Accent" by Munsingwear. The former is ideal with yellows, nasturtium and all shades of beige or gold. The latter with pinks, lilac tones, turquoise and blues. They're fitting accents to this year's resort clothes, the most glorious ever.

Your New SOCIAL SECURITY

(ED. NOTE: This is another in a series of informational articles prepared by Raleigh R. Tuley, Jr., Manager of the Abilene District Office.)

Almost all beneficiaries of monthly payments under the Social Security Act will find that 1955 starts a more liberal work deduction provision than was formerly possible.

Beneficiaries now receiving payment because their current employment or self-employment is not covered by the Social Security Act are cautioned to read the following paragraph very carefully.

The new law increases the amount of covered earnings a beneficiary is entitled to have and still receive his monthly benefit check. The provision in the old law which restricted such earnings to \$75 a month in covered employment and to \$900 a year from self-employment has been changed.

Discrimination against the wage earner as compared to the self-employed has been removed and all retired persons will have the earnings exemption on an annual basis. All beneficiaries under 72 years of age may then have earnings up to \$1,200 in a year without loss of any benefits. This applies to all earnings of any kind, whether covered by social security or not. Only one month's benefit will be deducted for each additional \$80 earned. Benefits are payable regardless of annual earnings for any month in which the beneficiary neither has wages of over \$80 nor engages in substantial self-employment. After reaching age 72, the beneficiary may earn any amount and still receive benefits, beginning in 1955.

Annual Natches Pilgrimage Is Set For March 2nd Through March 31st

High on bluffs overlooking the mighty Mississippi and deep in the heart of the Old South lies Natchez, Mississippi, famed for its annual Natches Pilgrimage. Most people know that during the month of March Natches throws open hospitable doors to thirty of its most beautiful and historic antebellum houses, but perhaps it is not so well known that this project of restoration and preservation of Old South landmarks was pioneered by garden club women and is still under the sponsorship of Natches' two garden clubs.

The first Natches Pilgrimage, undertaken with much trepidation in 1932, drew a few hundred visitors to the city which in times past had been the hub of wealth and culture in the Deep South. Now,

after years of experience and painstaking hard work, the ladies of the garden clubs are hosts to an estimated thirty thousand or more visitors annually during March.

It is a well known fact that, human nature being what it is, everyone dons his best bib and tucker for company. Being hosts to the world has truly been a challenge to Natches' garden clubs, and the members have reacted normally by striving to make their gardens and grounds as beautiful as possible. The lush natural growth of this section of Mississippi is in itself a magnificent bill and tucker, but the lovely trimmings have been added by the labors of Natches gardeners. Azaleas, camellia japonicas, sweet

olives, dogwoods, redbuds, 'disterias, limitless varieties of bulbs, and many other species which were abundant in great-grandmother's garden have been carefully nurtured to please the eye and feed the soul of the garden lover.

So garden conscious have Natchezians become that even the evening entertainment, the Confederate Pageant, is presented in the magnificent stage setting of an old-fashioned garden. Through this beautiful scene pass the beffes and beaux of yesteryear in a series of tableaux which reenact the gracious life of antebellum days in the Old South.

To garden lovers everywhere The Natches Garden Club and The Pilgrimage Garden Club extend a most cordial invitation to visit Natches during the 1955 Pilgrimage, March 2 through March 31. For detailed information write The Natches Pilgrimage, P.O. Box 21, Natchez, Mississippi.

LLL Class Has Monthly Meeting

The Women's Sunday School class of the East Side Baptist Chapel met in the home of Mrs. Mary Faircloth Friday evening, Jan. 28, for their regular monthly meeting.

The class president, Mrs. Amy Brown, presided. The opening prayer was given by Mrs. Joe Harper and the devotional brought by Mrs. Jasper Masegee.

During the business session the group selected the name L.L.L. for the class, meaning Live, Love, Lift. Prospects were assigned to the group captains, Mmes. Lois Harris, Zetta Mayfield and R. C. Grable.

The hostess served refreshments to Mrs. Cordia Lambert, teacher; Mrs. Bessie Sharp, a visitor; and Mmes. Grable, Harper, Brown, Mayfield, Harris, Masegee and Ina Peterson.

The next meeting will be held in the home of Mrs. Joe Harper.

Statewide Farm Bureau Membership Meeting Is Scheduled In Lubbock

Farm Bureau membership acquisition efforts in 51 counties in Texas will be given a "shot in the arm" at a statewide captains' meeting, Feb. 7 in Lubbock, according to Mrs. Bill Tucker of Ranger, publicity chairman of Eastland county.

The purpose of the one-day meeting at the Lubbock Hotel is to give recognition to the volunteer membership leaders who will plan and direct membership campaigns during the spring months.

A similar meeting will be held Sept. 22 in Austin for the counties which hold fall membership drives. Eastland County Farm Bureau leaders will attend this area meeting.

Speakers at the Lubbock meeting will include J. Walter Hammond, of Waco, Texas Farm Bureau president and Roger Fleming, Washington, D. C., secretary-treasurer of the American Farm Bureau Federation. Attendance at the meeting will be limited exclusively to county membership captains. Door prizes will be given at the meeting.

The statewide spring round-up of members will be held Feb. 14-19, with kick-offs set for Feb. 14 where possible.

Counties planning spring drives include: Childress, Collingsworth, Deaf Smith, Donley, Hall, Lipscomb, Randall, Wheeler, Bailey, Castro, Cochran, Crosby, Floyd, Hale, Hockley, Lamb, Lubbock, Lynn, Motley, Parmer, Swisher and Yoakum. Also Haskell, Knox, Collin, Cooke, Fannin, Grayson, Hill, Hunt, Bowie, Hopkins, Lamar, Howard, Tom Green, Callahan, Comanche, Jones, Anderson, Houston, Leon, Milam, Williamson, Comal, Goliad, Victoria, Brazoria, Colorado, Matagorda and Washington.

The Eastland County Farm Bureau membership drive is annually scheduled for early October following the annual county convention. Resolutions to be studied and presented are already under consideration by the county resolutions committee.
