

The Pathfinder by Lee Harr

A coincidence? The Navy says that the first ship designed as an aircraft carrier was the USS Langley.

The Weatherford Herald claims that Garner is the birthplace of "42," the domino game which has been a past time for thousands of people since its discovery. It was originated by W. A. Thomas at the age of 19. He died in Jan. 1946.

Prior to his death, he was the collector of internal revenue at Dallas.

The article states that Thomas worked all one winter and into the spring on perfecting the game and when his father traveled to Mineral Wells to sell peaches, Thomas accompanied him and began teaching his new game to the drummers and town's sons of leisure.

The game was originated because cards were outlawed in public places during that year of 1887.

A farmer was highly incensed on entering the new doctor's office to be told by his nurse that he had to go into the next room and undress.

"But, I just want the doctor to look at my throat," he cried. "I can't help that," the nurse said. "It's the doctor's rule."

Madder than a wet hen, the farmer went into the other room where he saw another undressed man sitting.

"Isn't this ridiculous?" he asked. "All I came in here for was a throat checkup."

"What are you crabbing about?" the undressed man said. "I just came in to read the electric meter."

Was a beautiful thing to witness the assistance we received in our effort to purchase a TV set for Pete Turner. On the first day, contributions in the amount of \$99 were received. And that coupled with what we received over the weekend and Monday will go along ways in securing the set, even though it is not yet sufficient to secure the unit.

One lady said this week, and other words probably could not have expressed her feeling so well, "I am only giving \$1 now, as I feel that everyone else wants a chance to donate, but let me not collect enough, just let me know."

Two Collisions Bring Four Traffic Citations

Four traffic citations were issued as a result of two automobile accidents here Sunday and Monday.

Monday a car belonging to Archie Robinson and driven by Pat Simpson of Eastland, collided with another car driven by Marlin J. Weninger of Ranger, at Sunset Ave. and Caddo Rd.

Miss Simpson was issued a citation for driving without license.

Damages to both cars were estimated at \$75.

Carlos Ontiveros was fined for being drunk in a car and reckless driving after the car which he was driving, which belonged to Antonio Morales, struck another automobile driven by Neville L. Perry at Commerce St. and Blackwell Rd.

Another passenger in the Morales car was treated for cuts about the left shoulder following the accident.

Ontiveros was fined \$35 and will have to replace a utility pole that was broken in the crash. Damages were estimated at \$250 for the automobile he was driving.

Perry was also issued a citation for driving without license and \$50 damages to his car were placed at \$50.

Huffman Files For Water Commissioner

Norman Huffman announced Saturday for election as City Water and Sanitation Commissioner.

He said, "Water is big business and certainly Rangers most important problem at present. The situations which will undoubtedly arise must be met with integrity and sincerity."

Huffman added, "No pressure from any individual or group can be made to bear upon me to affect my balloting."

A native of Ranger, Huffman has lived here his entire life with the exception of the time spent with the armed forces during World War II. He stated that he would have the welfare of the city uppermost in his mind if elected. In conclusion, Huffman continued, "In due respect to age and experience, I sincerely believe that youth must take an interest and active part in city government if it is to grow and prosper."

35TH YEAR

RANGER, TEXAS, TUESDAY, MARCH 1, 1955

PRICE FIVE CENTS

PUBLIC SCHOOL WEEK

The need for the public school never changes, but times and conditions may change or require to be changed methods and practices of public education. This is inherent with anything that grows, for growth is the result of change.

Our Texas public schools were created 101 years ago. In 1854 the first law passed establishing the public school.

It is a healthy thing in our democratic way of life to have an intelligent understanding of the important functions of our basic institutions. This is especially true of the schools. The initiative and resourcefulness and the wisdom and leadership that our schools are inculcating in the youth of today are the answer of the problems of citizenship in the years ahead.

Yes, "bring me men to match my mountains." That is the need of our times and must come from the public schools—schools that are strong in the virtues required for building strong men and women.

We can be assured of this and do our part in understanding and helping the public schools to fulfill their great obligation to our times by being a participant in the annual Public Schools Week, March 7 through 12. Schools will hold open house; accept their hospitality, and you will enjoy the experience of going back to school—if but for a day.

TV Fund Leaps Past \$200 Mark

Donations continued to pour in this week as the Pete Turner TV fund swelled to \$219.50.

Contributions came from all directions in and around Ranger, from all rural routes and even from Strawn, Fort Worth and Odessa.

The donations were running ahead of any expectations as the campaign is not even a week old.

Two City Council Members Won't Seek Re-Election

Two members of the City Council emphatically said today that they would not be candidates for re-election in the city elections schedule for April 5.

O. L. Cantrell, water commissioner, and Lem Rushing, fire and police commissioner, both denied any intentions of filing for re-election as their business does not allow sufficient time for the extra activities required by the council jobs.

Both men said that they have enjoyed their tenure of service for the city with the exception of a few incidents which any "public servant is bound to experience."

Fat Calves Top At \$23.50 At Auction Monday

Fat calves topped the market at \$23.50, the highest price here since Christmas, Monday at the regular weekly auction at the Ranger Livestock Commission Exchange.

The day's activities included the sale of 350 cattle and 150 hogs. Other prices included: common to medium calves, \$13-\$18. canners and cutters, \$8-\$11; fat cows \$11-\$13; stocker calves, \$17-\$21.50; bulls, \$11-\$14; stocker cows and calves, \$10-\$15 a pair; hogs, tops at \$16.50-\$17 and sows, \$14-\$15.50.

Dr. A. Y. Jennings Funeral Held In Maybank Saturday

Funeral services for Dr. Adolphus Y. Jennings, 48, were held in Maybank, Tex. Saturday. Dr. Jennings succumbed to a heart attack just two months after the death of his wife in an automobile accident. He is survived by two sons, A. Y., Jr., 18, and David, 14.

Attending the funeral from Ranger were Mrs. Chas. Sutton and Mrs. Mary Harrington, aunts of the deceased and Mr. and Mrs. Clark McNabb. Also attending were Mr. and Mrs. Buster Jennings of Midland.

Dr. Jennings was also the nephew of Grover Jennings of Ranger, who was unable to attend the funeral because of illness, and a cousin to Mrs. Toots Bott.

New Site Chosen For Teen-Canteen Building Move Will Be West Near Golf Course

QUEEN'S TREAT FOR IKE—Marjorie Campbell, the nation's Cherry Pie Queen, delivers a delectable sample of her delightful art to the White House, where it is received on behalf of President Eisenhower by Homer Gruentler, administrative assistant. The 17-year-old Red Hook, N. Y., high school senior won the 23rd annual National Cherry Pie baking contest in competition at Chicago, Ill.

A new site was chosen for the Teen-Canteen Building Monday night by representatives of various civic and social clubs within the city who met with the Youth Activities Committee of the Chamber of Commerce.

The location was approved after being suggested by Dave Pickrell.

The seven men named on the first board were Dave Pickrell, chairman, Emmett Karoff, vice-chairman, Morris Campbell, Chas. E. F. Arterburn, J. O. Harper and Mrs. Price Ashton.

Dr. W. F. Watkins, chairman of the Chamber of Commerce's Youth Activities Committee, reported that the school board had offered a site for the building on the high school grounds.

However, the offer was not approved.

Dr. Watkins appointed a fund raising committee consisting of J. F. Killingsworth, chairman, T. C. Wylie, Dr. Grady Tice, and Chas. Milkien.

Mrs. Iris Hammed and Morris Campbell were appointed as a committee to handle the funds collected.

The group will meet again Monday night, March 21 and hear reports from the various committees.

Postman Retires After 35 Years Service Here

Charlie Ascraft, 1120 Young Street of Ranger, celebrated his thirty-fifth year with the Ranger Post Office here Monday as he retired from service.

The amiable, joking, 70 year old Ascraft said that his time would be spent working crossword puzzles now.

A dispatch clerk and city distributor, he came to Ranger at the age of six from Henderson County, and was first employed by the post office when the building was located behind the present site of the West Texas Clinic.

He married the former Utile Butler of Gordon, Feb. 22, 1920 and the couple have lived at the same residence since that time.

The couple had four daughters, one whom died seven years ago. One daughter is serving in Japan with the WAC. Another lives in Lake Charles, La., with her husband who is in the Air Force and the fourth is a senior music major at Texas Tech in Lubbock.

Ascraft is an active layman in the First Methodist Church here and served as financial secretary for the Ranger Camp of the Woodmen of the World for 34 years until the camp was transferred to Cloco.

Twyman Hale Announces For Mayor Here

Twyman Hale will seek election as mayor in the city election May 5, it was announced here today. Hale in announcing for the position Monday did not make any statement for publication.

College Opens New Agriculture Work Shop

A recent order of power and hand tools has provided Ranger Junior College with an Agriculture Shop, the first of its kind in the history of the institution, to supplement regular agriculture courses that are offered by the school.

Grady Tice, agriculture instructor said, "We are now prepared to efficiently instruct our ag engineering classes."

The agriculture engineering class which is considered a freshman course includes lectures and

demonstrations on the use, care, and the cleaning of various types of equipment. Four general areas of mechanical skills are to be taught. They are gasoline motor maintenance, general metal work, general woodwork, and electrical wiring.

Each student is encouraged to furnish his own project for each of these units. Those who choose not to have a project will be furnished materials for repair and maintenance of the college buildings and equipment.

Horticulture is listed on the college program as the sophomore ag class for this semester. It is to include lectures and demonstrations concerning growth and production of horticultural plants that are adapted to this general area. Field trips are planned where student participation is emphasized in performing many skills such as pruning, grafting, budding and landscape gardening.

Other plans are in the offing at the college for developing an agricultural demonstration laboratory on the college's farm which was leased recently from the Ranger Chamber of Commerce. This laboratory will be used primarily for teaching and educational purposes. Livestock is to be furnished for the laboratory for the 1955-1956 school year by Morris Newburn.

The ag department also hopes to serve the urban and rural areas of the county in consulting and promotional methods in addition to the formal on-campus courses.

For the newly organized department, a library has been established with agriculture yearbooks, periodical publications and government agricultural bulletins

covering a broad subject-matter field.

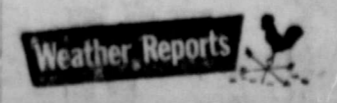

The department will initiate a small broiler production unit soon. Different breeds of broilers will be used and in the demonstration, feed will be weighed and accurate records maintained of the foods consumed and pounds gained per bird.

The group has run soil tests for available mineral nutrients on a number of soils during this school year. However, this is an approximate indication of what soils need since the testing equipment is only a portable unit.

College Coeds Choose Boy Favorite Here

W. H. White of Austin, was recently chosen boy favorite by the coeds at Ranger Junior College, it was announced here Monday.

He will share space in the annual with the football sweetheart, Mary Ann Wallace of Ranger, who was chosen earlier in the year by members of the football team.

Partly cloudy and not quite so warm Tuesday and Wednesday. High Tuesday 70-75, low Tuesday night 50. High Wednesday about 75.

CHAMPION FIGURE—Tealey Albright, 19, of Newben, Miss., displays the face form which has made her the world's figure-skating champion for the second time, during a practice session at Vienna, Austria. She first won the coveted crown of skatedom in 1952.

Businesses Cautioned By Tax Expert

R. M. Smith of the Eastland Internal Revenue Office said today that the Internal Revenue Service has cautioned area businesses about a new penalty provision of the Internal Revenue Code of 1954.

The 1954 Code provides a penalty on business taxpayers who fail to comply with the depositary receipt system unless reasonable cause can be established. This penalty is one percent of the amount of the underpayment of the deposit for each month or part of a month during which the underpayment continues.

However, the penalty does not exceed six percent in the aggregate. The penalty also will not be imposed for any period after the date prescribed for filing the return (without regard to any extension of time) or the date the tax is paid, whichever is earlier.

Under the new instructions taxpayers subject to filing returns on Forms 941 or 720 or both whose reportable taxes in either category total more than \$100 for any month except the third month of a quarter are required to make deposits. These deposits must be made on or before the fifteenth day of the succeeding month for taxes reported on Form 941. Deposits must be made on or before the last day of the succeeding month for taxes reported on Form 720. In every case the taxpayers must secure validated depositary receipts for submission with the quarterly returns.

Depository receipts can be obtained from any Federal Reserve Bank or from a local bank authorized as a government depository.

Mayor Of Fort Worth Suburb Arrested Here

Elbert Burr Hill, 52, Mayor of White Settlement, a suburb of Ft. Worth, was arrested in Ranger Monday night after being indicted by the Tarrant County Grand Jury on a charge of statutory rape.

Hill, who was seeking his second term as mayor, was charged after two of his daughters, filed complaints yesterday before the Grand Jury. The girls are 13 and 19 years old.

The charge narrows a 13-year-old girl as the victim on April 15, 1954.

Ranger Policeman Joe Farcloth and Deputy Sheriff John Boyd, the arresting officers, said that the arrest was made after Tarrant County detectives advised the police department in Ranger of the warrant for his arrest.

Two detectives traveled to Ranger Monday night to take Hill back to Fort Worth.

Hill, nonchalant and seemingly undisturbed over his arrest, said, "This will hurt my chances for reelection."

A mild cold front moved into the Eastland County area Sunday morning before heading back north.

The front was not strong enough to drain any moisture from the low over-hanging clouds that lingered over the vicinity most of the day. The area missed one of the best chances of rain that was noted here recently.

East Texas benefitted some from the clouds which deposited small traces of moisture there.

Clouds began breaking up Monday as the temperatures warmed up into the middle 70's here.

Showers were predicted in some parts of the state Monday, but no appreciable amount of rain was reported.

Charles Crawford Chapter, D.A.R. Has George Washington Tea, Cisco

The Charles Crawford Chapter, D.A.R., entertained in the home of Mrs. W. W. Wallace in Humboldt, Cisco, with a George Washington Tea Monday Feb. 21, 1955. The guests were met at the door by Mrs. Wallace. Co-hostesses were Mrs. W. C. McDaniel and the Chapter Regent, Mrs. Yancy McCrae.

The tea table and room decorations emphasized the season with a patriotic theme. The table was centered with a blue, white and red flower arrangement in an antique silver and crystal centerpiece with candles in triple crystal holders of the same colors. On the piano and secretary were miniature cherry trees and hatched. A lovely potted azalea graced the living room before the fire place. Red candles in antique crystal holders

The hostesses were assisted by daughters of members, in serving refreshments to about 70 guests who called between the hours of 3:30 and 5:30 p.m. Mrs. Wesley Isenhour, Mrs. Sterling Drumright, Mrs. W. B. Wright and Mrs. Forbes Wallace wore costumes reminiscent of colonial times. Back ground music was furnished by Miss Phyllis Phillips of Eastland. A group of girls from Cisco Junior High, under the direction of Mrs. Stanley Webb, sang two groups of songs.

Bridal Shower Compliments Miss Williams

Misses Pat Simpson and Cecil Lynn Robinson were hostesses at a bridal shower complimenting Miss Pat Williams, bride-elect of Jimmie Cole, last Tuesday evening in the Robinson home. The honoree, her sister, Mrs. Jerry Whitt and Misses Robinson and Simpson formed the receiving line. Miss Shirley Wymmer registered the guests. Other members of the house party included Norma and Katha Richardson. The bride's chosen colors of blue, white and yellow were carried in the decorations. The refreshment table was covered with a white lace cloth and centered with an arrangement of white carnations in a silver basket, flanked by white candles in silver holders. Misses Robinson and Simpson alternated at the punch bowl. A large number of guests were registered during the calling hours.

Mrs. Woods To Host Luncheon

Members of the Martha Dorcas Sunday School class of the First Methodist Church will hold their monthly luncheon in the home of Mrs. H. O. Woods at noon Thursday. All members are urged to attend and visitors are welcome.

Wednesday Nite Services Set

Wednesday evening at 6:30, the Adult Department of the Sunday School of the First Baptist Church will serve the covered dish supper to the officers, teachers, and members. Immediately following the supper there is an instruction and inspiration period wherein the workers are brought up to date on the program for the month of March, and the part the Sunday school is to have in the revival that begins March 27.

At 7:30 the pastor will bring a Bible message pertaining to the place of Christians in the field of service. This hour of inspiration and prayer is likewise one of Bible study. The choir rehearsal begins at 8:25 each Wednesday night. Those who sing in the choir should always consider this phase of worship as essential to the spiritual on going of the Kingdom of God. The Nursery is always available for the little ones.

Cheaney HD Club Meets Thursday

Did you know that the lowly apron, such as homemakers wear and consider a necessary item, dates back to the 15th century? The origin of aprons, the early uses of aprons down to the present ones made of choice bits of unique and favorite fabrics, was the subject material for the Thursday afternoon program when members of the Cheaney Home Demonstration Club met in the home of Mrs. Lois Melton. Roll Call was answered by each one donning an apron and telling something about it. One apron was 50 years old and was made of white lawn, with rows and rows of tucks and lace, a Sunday best, shown by a grand daughter of the original owner. Aprons made from print feed sacks, tea aprons of organdy, coveralls, cobbler aprons, elaborate ones and plain ones, made a gay display. Miss Betty Tucker was elected as treasurer to take the place of Mrs. Theibert Jones, who resigned. Mrs. R. W. Gordon, president, made tentative plans for the 1955 rural Red Cross drive, which will begin March 1st. The next meeting was planned for March 19, with Mrs. Richard Tucker as hostess. Those attending the Thursday afternoon program were Meses Gordon, Richard Tucker, Bill Reid, Bill Tucker, Miss Tucker, the hostess, Mrs. Melton and a visitor, Mrs. Charlie Miller.

Dinner Honors 85th Birthday Anniversary

A dinner was held Sunday in the home of Mr. and Mrs. A. F. Stevens in honor of the 85th birthday of her mother, Mrs. Tena Blythe of Kingfisher, Okla. Those attending besides the hosts and the honoree were Mr. and Mrs. O. L. Stevens, Mr. and Mrs. R. A. Casey and Mrs. Myrtle Strange of Coleman; Mrs. Morris Weber of Odessa; Herman D. Dempsey of Ft. Worth; and Mrs. Cora Preslar and Eunice, Mr. and Mrs. W. C. Shofner, Mr. and Mrs. Bill Calhoun and Mark of Ranger. Mrs. Blythe, who has been visiting here for the past several months, is leaving for home today.

Rev. Perkins To Preach Revival

Rev. Ralph Perkins, pastor of the First Baptist Church, is to preach in a revival in the First Baptist Church of Fremont, Texas, beginning March 6. The pastor will leave on Saturday and return on Monday following the revival. Dr. Robert Baker, professor of the department of Church history in the Southwestern Seminary in Ft. Worth, will preach March 6. Dr. Baker is one of the finest in the kingdom's work. Dr. Curtis Vaughn, of the New Testament department of the Southwestern Seminary will preach March 13. All services will continue in their regular schedule and the program will be carried out by the various departmental heads, and the committees elected yearly to take care of the work of the Lord. There is always an invitation to all in the city to visit and to worship in our church.

Two Cases Due District Court Hearings Thurs.

The B. D. Daniel robbery by assault case was reset for Thursday when the trial was called in 51st District Court Monday. The case was reset after Earl Conner Jr., defense attorney, said he would be unable to be present Tuesday. Mr. Daniel, Cisco, is charged

with assaulting Mrs. O. G. Phillips, an elderly woman, and forcing her to give him a check.

Another case is also due to go to trial Thursday. It is the Travis Smith assault with intent to murder. It was to have been tried last month, but the defense won a delay.

Your New SOCIAL SECURITY

(Ed. Note: This is another in a series of informational articles prepared by Raleigh R. Tuley, Jr., Manager of the Abilene District Office.)

In concluding this series, Tuley again calls attention to a provision in the amended law which affects survivors of workers who died before September 1, 1950, without having acquired enough covered employment to become insured under the old law. "If you are the surviving aged widow, child, widowed mother with minor children, or aged parent of a worker who died between 1939 and September 1, 1950, and you were not eligible for survivor's benefits before," Tuley said, "the new law may make it possible for you to get payments. If the deceased breadwinner in your family had at least 1 1/2 years of covered work between January 1937 and September 1950, you should come to or write the Abilene, Texas, Social Security Office, 308 Post Office Building, and inquire about your survivor's insurance benefit rights."

"It is especially significant," Tuley said, "that these 1954 amendments to the social security law preserve the contributory and self-sustaining principles of the old-age and survivors insurance system, as well as the principle that benefits are related to the level of the worker's earnings. "All benefit payments and costs of administering the program are paid out of the special Trust Fund into which go the social security taxes paid by employees, employers, and the self-employed. "The tax rate is now scheduled to reach a maximum of 4 percent each for employee and employer in 1975. It remains at the present 2 percent each until 1960, with intermediate steps between 1960 and 1975. Self-employed persons pay at 1 1/2 times the employee rate."

Fire Causes Heavy Damage Last Night

Eastland firemen marked up their first fire loss of the year early today when the Dub Wright home was partially destroyed by a blaze shortly after midnight. Wright is employed by Phillips

Transport Company of Ranger. Damage was reported to be heavy at the Wright home, which is located at 1501 South Bassett. A Fire Department spokesman said that cause of the fire was undetermined. He said the house was insured.

All members of the household escaped injuries. The fire was discovered at 12:05. The blaze was the first that resulted in a loss since Dec. 22 of last year.
