FRIDAY, APRIL 15.

Bargain Days Begin Friday

It's going to be Bargain Days again in Ranger Friday and Saturday, March 11 and 12!

Bargain Days have come to mean bonus days here for persons from within the county and several adjoining counties as well. No distance seems to be too great for those who have made the trek previously and indicated that they would not miss others in the future where a \$1 means so much to the Shopper in Ranger on these days.

On hand to greet you and assist

The Path
by Lee Harr

A lovely blonde was trying to hitch a boat ride to the Hawaiian Islands. A sailor obligingly hid her in a life boat and covered her with a tarp. After bringing her food and spending as much time as possible with her for several days, the blonde got a little tired of his attentions. She made herself known to the captain and asked when they would dock at Honolulu.

"Honolulu," the captain gasped, "this boat doesn't go to Honolulu, this is the Oakland Ferry."

According to Rip Galloway, several vacancies yet exist for the two-week public relations course that is being offered by the Chamber of Commerce in cooperation with the University of Texas.

Enrollment fee is only \$2.

Probably he only a matter of days now until polio is dealt, a devastating blow in the form of Salk vaccine which medical experts are eyeing favorably. Of course, the free inoculation will go only to first and second graders if the field trials prove successful and the vaccine is licensed. However, an adequate supply will be put on the open market and can be bought at drug stores practically like buying a cold serum now.

We can not but wonder though, as to the expense of the new drug if approved. Those who can remember back as far as the first days penicillin and the time that it went on the market, just how expensive it was.

Heard a man on the radio say recently, "All of us are afflicted with a wondering mind, but it causes no trouble until we try to follow it."

Up visiting Pete (Pete Turner for whom the television fund was begun) this week and witnessed one of the most enjoyable spectacles that we have encountered in some time. There he was — watching his new set in full operation! He said that during the first few times it was installed, that it was fixed on early in the morning, and not turned off again until after 10:30 at night. Still don't believe anyone would enjoy one more.

What counts is not the number of hours you put in but what you put into the hours.

If this was weather continues for the next few days, most of our business will be transacted on the banks of one of our larger streams of water, equipped with a fishing pole and unfortunate worm. Speaking of fishing, sure looking forward to the time when the new lake is open for fishing.

PRICE FIVE CENTS

Enrollment Gains In Public Relations Course Here

More than 75 persons have enrolled in the public relations course that is being sponsored by the Chamber of Commerce and the University of Texas Extension School beginning Monday and continuing through Thursday night.

R. V. Galloway, Chamber manager, said that booklets that had been distributed here stated that the class was of two weeks duration. He said it would be held only four nights, however.

Galloway said that besides those already enrolled that 15 to 20 others had indicated that they would register at a later date and that total enrollment was expected to reach 100 before Monday night.

Former Ranger Resident Dies In Harlingen

Funeral services were held in Harlingen Monday Feb. 28 for George Owen Owens, formerly of Ranger, who died there the preceding Friday after a heart attack.

He was buried in the cemetery at Combs, five miles outside Harlingen.

He is survived by his wife, five children, two sons, Edward and Robert and three daughters, Mrs. Jack Foust, Mrs. Alton Hall, and Mrs. Clyde Wallace; three brothers, Frank, Charles and Fred and two sisters, Mrs. Ralph Moore and Mrs. Margaret Arnold and stepmother, Mrs. Mildred Mihills Owens.

Bids On Two County Hiway Projects Asked

Bids on almost 30 miles of highway construction in Eastland County will be received until March 22.

Two projects, one totaling 15 miles and the other 14, have been announced, and sealed proposals have been asked.

The first project calls for constructing just over 15 miles of asphalt concrete pavement from the Callahan county line to the M.K.&T. Railroad overpass in Cisco and from Highway 4 at Morton Valley to Ranger.

The other project involves 14 miles from Farm Market Road 569 at Nimrod south to Highway 36, one mile south of Pioneer.

Oil News

Well Fills Storage Tanks In Six Hours

Completion of the No. 2 S. B. Mize by Lowell Suttles, et al of Lubbock, has been announced. The well, located in Section 1, Block 4, H&T Railroad survey, flowed 300 barrels in the first six hours, according to Frank Day.

Mr. Day said all storage facilities were filled in six hours and the well was shut in. The well is located in the south half of the southeast fourth of the section and is on the Holcomb Estate land. The lease is a farm-out from Mr. Day and is about 700 feet southwest of the No. 1 S. B. Mize.

Final Rites For Tom Northcutt Held Saturday

Final rites for Tom H. Northcutt, 93, retired Eastland County farmer, were held Saturday at the First Baptist Church in Desdemona with burial in Shiloh Cemetery.

Mr. Northcutt died Friday morning after a lengthy illness.

Born April 28, 1864, Mr. Northcutt married the former Eula B. Holfield in Comanche Dec. 16, 1891. The Northcutts were married 63 years. Mr. Northcutt had been a member of the Free Will Baptist Church for more than 40 years.

Survivors include four sons, Roy and Virgil of Desdemona, Bennie of Rising Star and Lyman of Kilgore; four daughters, Mrs. H. H. Kullenburg and Mrs. Dan Johnson of Pampa, Miss Eva Northcutt of Desdemona and Mrs. R. W. McDonald of Fort Worth; nine grandchildren; seven great-grandchildren; and two brothers.

PROCLAMATION

WHEREAS: The Governor of the State of Texas has proclaimed the week of March Seventh through March twelfth "Public School Week", and

WHEREAS: Our public schools are entrusted with the training and preparation of our leaders of tomorrow and the thoroughness and completeness of that training is materially affected by our interest in our schools, and

WHEREAS: The teachers in our public schools are a consecrated, loyal, and civic minded group, and are very worthy of our support and cooperation which can best be evidenced by our visits to the public schools during this week, now,

THEREFORE: I, Calvin W. Harris, M.D., Mayor of the City of Ranger, Texas, do proclaim the week of March seventh through March twelfth, to be Public School Week in Ranger, and I do earnestly and sincerely urge you to visit the public schools of Ranger during this week, and to pledge to the faculty your support, interest, and co-operation in their all important work.

GIVEN UNDER MY HAND and Seal of the City of Ranger, This the seventh day of March A.D., 1955.

Calvin W. Harris, M.D., Mayor

ATTEST:

L. Crossley, City Secretary

Commissioner Okay Repairs For Quarles

The City Commissioners again refused Tuesday night to take immediate action on a taxi-cab franchise that had been requested by Don Butler in their weekly meeting one week ago.

Forming a decision by the next meeting date, the Commissioners have indicated that they wanted a mutual settlement between the other existing taxi business in operation here now.

Also, Neil B. Quarles, owner of Quarles Manufacturing Company, here requested additional rest room facilities to be installed in the building which houses his business.

He explained that he was not meeting state requirements with present facilities.

The city owns and maintains the building that Quarles has leased under agreement.

Dr. C. W. Harris, mayor, asked if Quarles would execute a lease agreement for this year if the necessary units were installed and a broken glass pane was mended.

Quarles replied in the affirmative.

Quarles reported that he now had 54 women employees whose payroll totaled approximately \$1,500 a week.

The council voted unanimously to install the equipment at the earliest possible date and to patch a broken plate in the building, after a motion by A. G. Koenig, finance commissioner.

American Legion Army Supper March 17

The American Legion Army Supper will be held on Thursday but it will be March 17 instead of April 17.

In a previous edition of The Times it was reported that the supper would be April 17.

Just a case of mixing up the months.

Burleson Says County Not Out Of H-Bomb Blast Range

Is Eastland County safe from the possible terror of an atomic or hydrogen bomb attack?

According to Rep. Omar Burleson, of the 17th District of Texas, no. Rep. Burleson, in his weekly press release, said, "Ordinarily we think of our towns and communities in West Texas as being safe from this terrible weapon, but actually they are not."

He went on to say that Val Peterson, Federal Civil Defense administrator, disclosed that according to experts, a single H-bomb blast could contaminate an estimated 7,000 square miles.

"Our area," said Mr. Burleson, "is not beyond some of the sensitive target areas. No person living even on the most remote farm or ranch can consider himself entirely safe from this awful threat."

Mr. Burleson also pointed out some safety factors.

"A simple, old-fashioned, dirt-covered storm cellar, like a lot of

used to frequent when we were being raised up out in the country, is about the best protection against the threatened radiation fall-out," he said. "Such a family shelter could be a complete protection against radiation during the eight- or ten-hour crucial period. This would mean, of course, that a cellar should be equipped with facilities to take care of the family during these few hours. A geiger counter, along with a battery-operated radio, food and water, would be a useful piece of equipment to have."

Mr. Peterson also urges that geiger counters be acquired by every fire station, police department, and by high school science.

Salk Polio Vaccine To Be Discussed Tonight

CAN'T YOU SEE?—Queenie, German shepherd who is in training at Guide Dogs for the Blind, Inc., San Rafael, Calif., watches a blind owner-trainee as he reads Braille at the school. Her face mirrors the appeal which she's making as poster dog for the 1955 fund-raising campaign of the non-profit organization.

Doctors, PTA Heads Meet In Eastland

The story behind the new polio vaccine, which may be given to 773 Eastland County school children this spring if it is licensed for use, will be told at a special meeting of county leaders tonight at the Texas Electric conference room in Eastland. Representatives from all organizations in the county have been invited, and Dr. C. Brown, county health officer, has especially urged that representatives from all Parent-Teacher Association groups in the county be represented. The meeting will begin at 7:30 p.m.

Developed through March of Dimes research, the Salk vaccine was given to 140,000 school children last year in field trials sponsored by the National Foundation for Infantile Paralysis, the doctor said. A scientific report on its effectiveness is expected in April.

"If this report shows that the vaccine prevents paralytic polio and it is licensed by the Federal Government, we shall receive a supply for children in the first and second grades of our public, private and parochial schools, and all those in the test groups who did not receive vaccine last year," said Dr. Brown. "It will be supplied without charge for the product by the National Foundation, to Dr. Henry A. Hollis, state health officer. He will apportion it to all communities in this state."

If the evaluation report does not warrant licensing, the vaccine will not be distributed, Dr. Hollis declared. If it is licensed, it will not be used in another test, but will be the first use of a newly-established preventive measure, he added.

"But plans are being made now so that we shall be ready to vaccinate children as soon as possible after the license is issued," he said.

"The meeting has been called to answer questions about the use of the vaccine and to arrange for assistance in clinics, if the program is carried out. While only children in the first and second grades will be offered vaccine in the community program, vaccine also will be available to physicians through usual channels."

Final Services Held Today For Ranger Resident

Funeral services were held in the Killingsworth's Funeral Chapel in Ranger today for George H. Stewart, 82, who died at his residence at 1201 Spring Road Tuesday night.

Mr. Stewart, a farmer and livestock grower, had lived in Ranger for 17 years. He lived in Breckenridge for 35 years before moving to Ranger.

He was born Aug. 15, 1872 in Brown County, and married the former Eddie Elizabeth Raina in San Saba in 1898. She predeceased him in death Oct., 1947.

Mr. Stewart is survived by four daughters, Mrs. Mary Kitchens, Strawn; Mrs. Lella McGough, Cisco; Mrs. Geneva McCain, Cisco; four sons, Emmett of Breckenridge, and J. D., Johnny, and Cecil, all of Ranger; 34 grandchildren and 20 great grandchildren.

Graveside rites were conducted in Green Leaf Cemetery in Brownwood at 3 p.m. with Llozen Sides officiating.

Ex-Ranger Man Injured Directing Fort Worth Traffic

Holland "Bill" Hardin, a former Ranger resident, was injured in Fort Worth Tuesday when struck by a car as he directed traffic there on duty with the police department, with whom he is now employed.

Now recuperating in St. Joseph Hospital in Fort Worth, he received injuries about his back.

Hardin is a grandson of Mr. and Mrs. W. H. Mace of Ranger.

Use Of Emergency Feed Coupons Urged

Holders of dealers' certificates under the emergency feed program in this area are urged to use them before they expire.

Expiration date is 120 days from the date they are issued, C. H. Moseley, director, Dallas Commodity Stabilization Service, pointed out.

After the deadline date, the certificates will be worthless, he added.

These are the certificates issued to feed dealers who have supplied grain to farmers and ranchers under the emergency program. They are used to help purchase replacement grain from Commodity Credit Corporation.

Under the emergency feed program, eligible ranchers and farmers are issued purchase orders for the supplemental grain they need up to a 60-day supply. These purchase orders are worth \$1 per hundredweight for the amount of grain involved. They carry a 120-day expiration date.

When stockmen buy grain they turn over the orders to their feed dealers who must convert them in to dealers' certificates within 120

Country Club Sets Meeting Here Tonight

The Ranger Country Club will hold its regular semi-monthly business meeting tonight, it was announced here today.

Supper will be served those attending and attendance of all members is urged.

City Employee Takes Water Course At A&M

J. D. Barker, a city employee, left for Texas A&M College Wednesday where he will attend a course dealing with water works this week.

Terminating Saturday noon, the A&M Extension short course will instruct water personnel from all over the state in proper operation of water works.

Weather Reports

Partly cloudy and continued warm Thursday and Friday. High temperature Thursday near 80 degrees. Low Thursday night 50.

Minor Damage Inflicted In Car Accident

Only minor damages were caused Tuesday afternoon when Mrs. Maye Frost of Eastland, backed from a parking place on Main St. into a car driven by Leroy Parr of Ranger.

Mrs. Frost's car struck the front fender and door of the car driven by Parr.

Investigative officer estimated the damage at \$40.

Ranger Girl In Cast Of University Play

Deity Louise Hagman of Ranger, is one of a huge cast that will take part in the University of Texas drama department's production of "Hamlet".

The play will run April 23-30.

Legal Notice

THE STATE OF TEXAS
 COUNTY OF EASTLAND

Notice is hereby given that it is the intention of the Zoning Commission of the City of Ranger to recommend to the City Commission of said City of Ranger, Texas that the following covenants regulating future construction, reconstruction and use of property in the Blackwell, Cooper 1st, Cooper 2nd, and Burger 2nd Additions to the City of Ranger, Texas be adopted. Said restrictions and covenants to apply to the following blocks in said Additions listed above to the City of Ranger, to-wit:

Blackwell Addition — Blocks 1, 2, 3, 4, 5, 6.
 Cooper 1st Addition — Blocks 1, 2, 3, 4, 5, 6, 7, 8, 9.
 Cooper 2nd Addition — Blocks 1, 2, 3, 4, 5.
 Burger 2nd Additions — Blocks 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 18, 19, 20, 21, 22, 23.

LAND USE AND BUILDING TYPE
 No lot shall be used except for residential purposes. No building shall hereafter be erected, altered, placed, or permitted to remain on any lot other than one detached single-family dwelling not to exceed two and one-half stories in height and private garage for not more than two cars.

DWELLING COST, QUALITY AND SIZE
 No dwelling shall hereafter be permitted on any lot at a cost of less than \$2,000 based upon cost levels prevailing on the date these covenants are recorded, it being the intention and purpose of the covenant to assure that all dwellings shall be of a quality of workmanship and materials substantially the same or better than that which can be produced on the date these covenants are recorded at the minimum cost stated herein for the minimum dwelling size.

BUILDING LOCATION
 No building will be located on any lot nearer to the front lot line or near to the side street line than the minimum building setback lines shown on the recorded plat.

LOT AREA AND WIDTH
 No dwelling shall be erected or placed on any lot or combination of lots having a width of less than 50 feet at the minimum building setback line nor shall any dwelling be erected or placed on any lot having an area of less than 6000 square feet.

EASEMENTS
 Easements for installation maintenance of utilities and drainage facilities are reserved as shown on the recorded plat and over the rear five feet of each lot.

NUISANCES
 No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon

which may be or may become an annoyance or nuisance to the neighborhood.

TEMPORARY STRUCTURES
 No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuilding shall be used on any lot at any time as a residence either temporarily or permanently.

GENERAL PROVISIONS
 a. TERM: These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty five years from the date these covenants are recorded after which time said covenants shall be automatically extended for successive periods of 10 years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants either in whole or in part.

b. ENFORCEMENT: Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages.

c. SEVERABILITY: Invalidation of any one of these covenants by judgment of court order shall in no wise affect any of the other provisions which shall remain in force and effect.

Publication of this notice shall serve as notice to said property owners in the Blackwell, Burger 2nd, Cooper 1st, and Cooper 2nd Additions that there will be a hearing before the Zoning Commission of the City of Ranger on the 17 day of March, A.D. 1955, at which hearing said property owners shall have the right to register objection to the foregoing restrictive covenants.

There's even more to Chevrolet styling than meets the eye!

This is beauty with a bonus . . . for Chevrolet styling is designed to add safety and comfort while you drive, and to return greater value when you trade.

Truly modern lines are shaped by usefulness. You can see what we mean in the deep crystal curve of Chevrolet's Sweep-Sight windshield . . . a dramatic style note, certainly, but one that stems from the need for wider, safer vision. Or take high-set taillights—they add to the impressive length of line . . . but they are up there where they can be seen for safety's sake, and as convenient guides in parking. So, too, with the jutting peaks over the headlights.

The smart louvers across the hood aren't just decoration . . . they mark the intake for the High-Level ventilation system for cleaner, fresher air. And the whole shape of the body—its lowness, the dipped belt line—is merely a reflection of a lowered center of gravity, the added stability.

This is truly functional styling that serves you better every mile, and preserves its value against the distant day when you trade. This is Body by Fisher—another Chevrolet exclusive in the low-price field. Come in and let us demonstrate that this new Chevrolet is just as exciting to drive as to look at!

Sale **16c** ea. 9x9" size

At this low sale price 30.72 covers a 9x12' floor. Standard gauge—lustrous, quiet, long-wearing. Install it yourself. Rich marbled colors: red, blue, green, gray, cocoa, yellow, beige, or white-with-red.

Cheaney Chatter

Mrs. Bill Tucker

Who said that life in the rural community gets humdrum? Last week a freak display of flashes of light and noise was witnessed and heard by several of our trustworthy citizens. No solution has been offered.

Saturday's stranger in our midst caused even more excitement this week. About six o'clock Saturday morning a stranger in a

late model car drove in and parked in the Elmer Blackwell driveway, saying he had missed the Dallas highway, and asked if the Blackwells had a phone. Elmer began to give directions how to get back on to his designated route, when he noticed the stranger was not paying too much attention. Suddenly noticing the dog standing near, the stranger inquired what kind of dog it was, and otherwise paying no attention to road directions.

By this time Mr. Blackwell was fully aware of something not quite right and was thoroughly glad

when he left. All the time Mrs. Blackwell was soundly asleep. When he left he went exactly opposite the way he should have gone.

At 6:15 he stopped at the Jack Revel home and tried to force his way in.

The Revels remembered the only weapon on the place, their gun, was out in the pick-up, with the stranger outside between them and the gun. After seeing he could not gain entrance, saying he was only trying to find an old outbuilding where he could get a few hours sleep, the stranger turned his car around and left.

Next stop was at Johnny Walton, where he drove past, then backed into the drive-way, waking the Walton. He stated he was looking for a place where he could leave his wife and 3 children a few days. He asked Walton if he knew the people in the next house, stating "I guess I'm in for it now, I've been running for 3 days." At this moment the Revels passed and the stranger started to hail them.

By the time the stranger turned back for his car, Walton had the trusted shotgun in evidence, but the stranger calmly thanked Walton and drove away.

Revels and the next neighbor went for the officers, but he had vanished, and no trace could be found. Later he was heard to have been at the Dee Rogers home where he made an effort to 'swap' his automobile for the Rogers car.

Everybody locked their doors and took the car keys out of the cars and wondered what would happen if the stranger should appear again.

Officers were on the trail most of the day, but were not able to locate him.

This happened on Saturday, and is not our imagination at work.

Mr. and Mrs. G. Y. Gillispie, of Goodlett, Texas, visited his parents, Mr. and Mrs. Joe Butler the last of the week. Their son Gladwyn Jr. who is a member of the Goodlett F.F.A. chapter, and one of the grass judging team, tells us of winning at recent contests in San Antonio and in Fort Worth.

Mrs. Flora Perrin and daughter, Patay, of Ranger visited Friday in the home of Mr. and Mrs. Jack Revel.

Mr. Earl Stickler, Virginia and Fred of Caddo were Cheaney church visitors on Sunday morning. Mrs. Stickler was in West Texas visiting with their daughters, Mrs. Ethel Moore and Jim and children. The Moores have a new daughter, but grandfather Earl could not remember the name of the little miss.

Mr. and Mrs. John Love and Loresta, and Mrs. Ann Love and Mrs. Lillie Wallace were in Stephenville Sunday visiting with the Melva Love family.

Loresta had spent the week-end with her cousin, Joy Love.

Mr. and Mrs. Morris Underwood, Betty and Fern of Grand Prairie were visiting in Breckenridge, Saturday night with her mother, Mrs. Joe King, and here in the parental Will Underwood home Sunday.

Burl Shook, son of Mrs. Milton Underwood, was a patient from Tuesday until Friday in the West Texas Clinic at Ranger. He had a virus infection.

Mrs. Wanda Frasier and daughter from Grayford attended church here and visited her aunts Mrs. Hatley Dean and Mrs. Ben Freeman.

NOT "BURROWING" TROUBLE—Trina's no donkey, she's a smart burro who knows the wisdom of the NEW adage, "an apple a day keeps the doctor at play," and takes her daily ration from owner Dr. Laurel Foxworthy, of Bellevue, Wash. Trina has the run of the house, is considered as much a pet as the doctor's four dogs.

It's Just a Little Thing—

... but it may become a very important one when you fail to file your legal documents at the time they are executed. When you get ready to sell out, lease or mortgage these missing instruments will not show up in your abstract. Failure to file promptly may not only cloud your title but cause you extra expense and inconvenience in getting new ones, in case of loss, and maybe from those who have long since moved away or from heirs of some who have died.

GETTING UP NIGHTS

If worried by "Bladder Weakness" (Getting Up Nights, too frequent, burning or itching sensation of strong, cloudy urine) due to common kidney and bladder irritations, try CYSTEX for quick, gratifying, comforting help. A billion CYSTEX tablets used in past years prove safety and success. Ask druggist for CYSTEX under satisfaction or money-back guarantee.

Visiting Mrs. Ruby Blackwell Sunday afternoon was a cousin whom she had never seen, Mrs. Alie Pierce, from San Diego, Cal. Mrs. Pierce was visiting in Cisco with a niece, Mrs. Mina Weed and children, who also visited in the Blackwell home.

Mrs. J. P. Strickler is in Fort Worth for an indefinite stay with her son, Oscar Strickler and family.

Mr. and Mrs. Jack Blackwell and children of Ranger spent Sunday afternoon with her parents, Mr. and Mrs. Herman Neger, at Alameda, following church at Cheaney.

The Inside Story of the New TUBELESS TIRES that are Standard Equipment on 1955 Cars

Firestone Again Makes History by Providing Car Owners with Tubeless Tires at No Extra Cost

A NEW day has dawned for the car owners of America. Tubeless tires are now standard equipment on all of the new 1955 cars at NO EXTRA COST. Until now, tubeless tires have always sold at premium prices. But Firestone, after years of research and after investing many millions of dollars in engineering, in facilities and in new equipment, showed the industry how to build them to sell at the price of a conventional tire and tube.

Yes, Firestone, the Pioneer and Pacemaker, has done it again. The new Firestone De Luxe Champion Tube-

less Tire at the price of a conventional tire and tube takes its place with the first non-skid tread, the first straight-side tire, the first balloon tire and many other Firestone "firsts" as a notable contribution to automotive safety, comfort and economy.

If you buy a 1955 model car, have it delivered on Firestone De Luxe Champion Tubeless Tires. Or, if you continue to drive your present car you can have it equipped with Firestone De Luxe Champion Tubeless Tires without changing your present wheels or rims, and get a generous allowance for the unused mileage in your present tires.

No gasoline—no, not a single one—has higher octane than New 1955 GULF NO-NOX

This lamp is burning the "DIRTY-BURNING TAIL-END" of gasoline which GULF refines out

This lamp is burning NEW SUPER REFINED GULF NO-NOX, the clean-burning super-fuel

This lamp test shows what a difference Gulf super-refining makes. Gulf refines out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new NO-NOX.

but octane alone is not enough...

That's why new Super-Refined Gulf No-Nox is specially made to burn clean—to protect your engine—to give you thousands of extra miles of full engine power.

Fill up with new NO-NOX and feel the difference in lasting power. You'll get:

- More complete protection than with so-called "miracle-additive" gasolines.
- Extra gas mileage in the short-trip, stop-and-go driving motorists do most.
- Stall-proof smoothness... instant starts... fast, fuel-saving warm-up.
- No knock, no pre-ignition—even in today's high-compression engines.

This is GULF'S PLEDGE to the motoring public.

• We at Gulf make this promise to America's motorists. We will not permit a single competitor—no, not a single one—to offer a gasoline superior to our own superb No-Nox.

• It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the finest—in power, in performance, in engine protection.

• This is not a boast, not a claim. It is a pledge to you, the motoring public—a pledge backed by the resources—and the integrity—of the Gulf Oil Corporation.

New 1955 GULF NO-NOX
It's super-refined... to burn clean! The '55 gasoline for all high compression engines

Only Firestone Gives You All These Built-In Advantages

<p>Blowout Protection</p> <p>There's no tube to pinch or explode! The Safety-Liner, which holds the air, also reinforces the tire... instead of a dangerous blowout you get a harmless slow leak.</p>	<p>Quieter Running</p> <p>No hum or whine because tread elements overlap each other to prevent rhythmic vibration. Silent Safety-Grip Tread won't squeal even on sharpest turns.</p>
<p>Skid Protection</p> <p>Newly designed silent tread has more non-skid angles... more skid-protecting edges than ever before... has 70% more skid-resisters than ordinary tires.</p>	<p>Puncture Protection</p> <p>If a nail or any sharp object should penetrate this tire, the Safety-Liner grips it and slows air loss... No sudden flat tires, no need to change flats on the road.</p>
<p>Greater Comfort</p> <p>New resilient tread compounds and flexible tread design absorb bumps and road shock and cushion the ride. Elimination of the inner tube also provides a softer ride.</p>	<p>Longer Mileage</p> <p>Tread is compounded of tough wear-resistant rubber for extra mileage. Safety-Tensioned, Gum-Dipped Cord Body prevents tread cracking and can be retreaded again and again.</p>

This new cord treating factory combines the famous Firestone Gum-Dipping process with Safety-Tensioning, a new process which takes the stretch out of tire cords. The result is greater blowout protection and longer tire life. No other tire gives you this safety feature.

Also available for use with tube. T.M. Reg. U.S. Pat. Off.

Plant Boxes Important in Design of New Homes

BRACKETS CAN BE FITTED AROUND SILL, IF DESIRED.

Working drawing for window box can be adapted to any length.

Planting boxes play an important part in the design of contemporary homes. They are used in many ways to contribute an ornamental touch to the often severe lines of functional architecture.

In constructing all such boxes the needs of the plants to be grown in them should be considered. They should be sturdy, because the soil which they must hold is heavy. The material of which they are made must be capable of withstanding constant moisture. Most important of all is that they provide quick drainage for excess water which will come from rain and the garden hose.

Window boxes, which have been widely used for the last century in Europe and this country provide experience, both in constructing the container and in selecting the plants to be grown.

Window box plants can be grown satisfactorily in a box at least 10 inches wide and 8 inches deep, with its length to fit the space allotted. A box of these dimensions is large enough to hold the roots of annual flowers, and small foliage plants. If larger subjects are to be grown, proportionately larger root space should be provided.

Concrete and metal boxes are satisfactory; but the do-it-yourself hobbyist can easily build them of wood. White pine or

cypress are preferred because of their moisture resistant qualities, and no boards less than 1-inch thick should be used. The diagram herewith shows how to put the boards together and provide brackets to support the box, where needed.

Think of the plant box as a decoration of the house. It should be painted to match the house color or trim. The flowers should be chosen to furnish a contrasting, yet harmonious color accent. There is a wealth of suitable varieties from which to choose.

Rich potting soil, must be used for window boxes. Because there is so little of it to feed the flowers, it should be well fertilized.

For annual flowers, at least six hours of sun a day is necessary and this requires a south exposure. The best subjects are those of dwarf or trailing habit, the latter drooping festoons of bloom from the boxes. Petunias of the balcony type are excellent, as are the tall nasturtiums, the giant morning glories. Dwarf petunias, marigolds, ageratum, calceolias, annual pinks, lobelia, dwarf morning glories, phlox, and zinnias can be grown.

Boxes which spend most of the day in shade offer a special problem. If the shade is that of a building, perhaps only foliage plants can be grown.

State Newsmen To Gather In Dallas Friday

Texas newspapermen will gather in Dallas March 11-13 for the state convention of Sigma Delta Chi, according to A. Pat Daniels of Houston, president of the state organization of the national professional journalism fraternity.

Sigma Delta Chi is an honorary journalism fraternity with both collegiate and professional members in the journalism field. Members from five Texas professional chapters and six collegiate chapters will attend the week-end convention to be held in Dallas. Panels have been planned which will include three of the top armed

forces information officers who will answer questions about military news policies. Other panels will take up problems of libel, the handling of business news and also will discuss special departments. A student editors panel will feature the editors of the leading college newspapers in Texas.

Speakers for the luncheons and dinners will include Wesley Izard, editor and publisher of the Amarillo Daily News, and W. R. Beaumier, vice president and general manager of the Lufkin Daily News and president of the Texas Press Association.

PINE & RUSK-RANGER

MUNICIPAL DRAGON—Basking in a weak late-winter sun, this ice dragon decorates a lawn in Chicago, Ill. Water from a broken water main formed the frigid reptile, which grew horns along a piece of clothesline, and swallowed a wheelbarrow to form major portion of the body.

IT'S THE LAW

HABEAS CORPUS Produce the body! That in effect is what a writ of "habeas corpus" demands of a sheriff or jailor. That means: Bring the prisoner to court on a valid charge or turn him loose. Habeas corpus has long been a standby of the "who-done-it" writer, but it has been a standby for us and our liberties for a much longer time. In old times, the king or tyrant could jail you on a whim, with no chance of a day in court. No one dared to question him. In 1215 the English barons had taken all they could from King John. They demanded his written guarantee of their rights—the Magna Carta. Among their rights, they wanted the right to a day in court. The English Petition of Rights

Army's Tents Go Modern; Sporting Picture Windows

WASHINGTON — Picture windows are standard equipment on new field tents just developed by the Army. The familiar olive drab squad tent, whose dark, dreary interior was home sweet home to soldiers of World War II and Korea, soon will give way to a new big top which has at least one of the features of a modern, well-lighted home.

Lack of adequate light in field tents long has been a gripe of soldiers in the field. Electricity often is unavailable. When it is, asked for habeas corpus in 1628. It said, "no man should be put in jail or held without cause shown to which he may answer according to law." The Habeas Corpus Act became law 51 years later. Our national Constitution says that "the privilege of the writ of habeas corpus shall not be suspended, unless when in cases of rebellion or invasion the public safety may require it." Let's see how habeas corpus works.

It rarely is accompanied by adequate outlets. Battery-powered lights, lanterns and gas lights never are entirely satisfactory. Rolling up side flaps in order to admit daylight often brings howling winds that play havoc with papers, clothing and tempers of soldiers who would like to relax in comfort. Worse, it often brings a veritable invasion of pesky insects.

But now the Quartermaster Corps, at long last, has solved the problem of getting daylight into tents while keeping out the winds and bugs. It has come up with huge, vinyl-film windows which will roll and unroll as easily as canvas — and every squad tent built in the future will have them. They'll be equipped with easy-to-operate fasteners so they can be blacked out at night when the occasion calls for it. But not only do the new canopies have picture windows—they also have screen sidewalls which provide an effective barrier to hungry mosquitoes and other insects. The new, fire-resistant tent, like the one it will displace, is 16 by 32 feet and comfortably sleeps 16 men in summer. In winter, when two staves are necessary, 12 men are accommodated. Quartermaster planners designed the new tent not only to provide more comfort for soldiers in the field but also to reduce the number of different kinds of tents now in use by the Army. The new tents will be used not only as quarters but also for mess halls, command posts, offices, etc. An old style tent is worn out, the new tents will replace them. Oddly enough, the new tent, complete with poles and other accessories, is cheaper than the squad tent now in use — \$404.35 for the new one compared to \$447.06 for the old one. The QM planners now may pat themselves on the back for a job well done and relax. The new squad tent truly is one of which God would have been proud.

BETTI'S BUDGET of HELPFUL TIPS

A delicious split-pea soup makes a very satisfactory luncheon on a cold day, especially if it's homemade. Try ox-tail for flavoring if you haven't a ham bone, and cook over a moderate flame about an hour or so before adding anything; then add a large onion, two carrots, three stalks of celery, parsley and seasonings, and the dried peas. Cook another hour or until peas are soft.

Painting the last step to the cellar bright orange saves many a misstep.

Wash chenille or tufted bedspreads by themselves. Use your favorite detergent or soap powder, and be sure the water is hot. Place in your gas clothes dryer and set the dial at low. In a half hour they'll be fluffy and ready to put back on the beds.

Such that's delicious: Choose large, shiny green peppers. Halve and clean out all the seeds. Cut the peppers into strips and fry slowly in bacon or salt-pork fat. Do this in a skillet. When the peppers are done, salt. Then toss. Add cut-up tomatoes, and cook until the tomatoes go to pieces. Mix well and serve.

It's just plain silly to be stingy with hot water on wash day! Clothes won't get clean in dirty water—the soil will be driven right back into the fabric. So for the sake of really clean clothes, do use freshly prepared water for

each load of clothes. With hot water, an all-purpose soap or suds, and bead bluing, you'll hear words of praise for your laundering techniques.

When you can't think of a single new dessert, surprise yourself and your family with this delicious chocolate fudge angel cake. Prepare a package of angel-food mix according to directions. With the last addition of flour, fold in two squares of unsweetened chocolate, finely cut. Next, fold in 1-2 teaspoons vanilla, turn into your pan and bake to a glorious height.

If you own a gas incinerator, you have set a new standard in modern hygiene. The gas disposal unit eliminates all odors and quickly consumes garbage, infectious rags and refuse before flies, rodents or pets can reach it.

A wax candle is handy for sealing bottles of medicine and beauty preparations when you're traveling.

Here is an economical and tasty fish entree. Mix two cups of flaked cooked fish, one teaspoon onion juice, salt and pepper, two teaspoons of chopped parsley flakes, and one cup of medium white sauce. Shape into croquettes, roll in cracker crumbs, then in beaten egg and again in the cracker crumbs. Fry in hot deep fat until

brown. Makes six medium croquettes.

The more linen is washed and ironed, the better it looks. Keep it beautiful by laundering it properly. Hot water for whites—warm for colors—and always, to insure brightness and whiteness, include bead bluing in the wash water.

Chicken pineapple provides a welcome change, yet is simple to prepare. Allow 3/4 pound broiling chicken per person. Split chicken down the back, and cover with pineapple juice for one hour. Drain, then brush with melted butter. Sprinkle with salt. Arrange skin-side-down on greased, preheated broiler rack and place four inches from flame. Continue broiling for 15 minutes more, basting with butter until tender. Serve with sliced pineapple browned in butter.

Short Tales Of Bulldogs

(At Ranger High School) By Jackie Neeley

The class favorites, hand and football sweaters, and other students elected for the popular high school groups met at 1 p.m. Wednesday to have their pictures taken for the 1955 Bulldog Annual.

Cars furnished by Anderson Chevrolet, Clarke Motor Co., and Cosby Pontiac, furnished the setting and background for the pictures.

Last Week's assembly program was given by the first period senior English class with Mrs. Geo. Robinson as director. The program consisted of two musical numbers directed by Jim Littlefield...

The RHIS Stage Band, directed by Sam Houston, presented a concert Monday night at Ranger Junior College for the Music Federation Club. Musical numbers which the band presented were Martha, Melody of Love, Lonesome Road Blues, Lendary Air, Moonlight Waltz, and two vocals, Sincerely and Hearts of Stone by Elpidia Gonzales.

The annual RHIS Band banquet is to be held in the lower auditorium of the First Baptist Church Friday, March 11, at 7:30 p.m. The theme for this year's banquet is "Kool Kitty" which will be carried out in colors of pink and black.

The decorating committee for the banquet is composed of Bill Creager, Ronnie Jumper, Joe Lawson, Jackie Neeley, Patsy Entler, Elpidia Gonzales, and Mary Lou Wright, has been working hard all week and will continue until Friday to get everything in "tip top" shape for the banquet.

Madrin Huffman Named Veep For Employee's Club

Madrin Huffman, son of Mr. and Mrs. C. C. Huffman, 4124 Lisbon Ave., Ft. Worth, was named Vice President of the Southwestern Greyhound Employees Club, after a recent election held by the club members. The club numbers over 250 members.

Huffman is a graduate of Ranger High School and Ranger Junior College. He has been employed by Greyhound in Ft. Worth for the past 3 years, in the Cost Accounting Dept. He is also attending Texas Christian University.

A guard singles out Dewey Martin from his fellow prisoners, Steve Forrest and Ronald Reagan (right), for special attention in a Red prison camp in North Korea in this scene from "Prisoner of War," showing at the Ranger Drive In Theatre. The gripping M-G-M picture is a factual film dramatization of the indoctrination and "brain washing" techniques used by the Communists on Americans captured in Korea. Showing Friday and Saturday.

Ranger Music Club To Serve Federation

The Ranger Music Club made plans to serve the 6th District Music Federation which meet Saturday, Mar. 19 at the First Baptist Church, during their meeting held Monday, Mar. 7 at 7:30 p.m. in the Ranger Junior College Music Hall.

The president, Mrs. Arthur Deffebach, presided over the business meeting during which Mr. Baumgardner discussed the Federation.

The committees named for the Saturday meeting were: Food - Misses. Pete Brasher, W. F. Creager, A. W. Brazdas, H. H. Oliver and A. G. Koenig; Program - Misses. A. Kirk, F. R. King, Rosee Hopper, D. D. Dickrell; Serving - Misses. Essene Hopper, Geo. Rogers, Raymond Lingie, Carroll Bone, A. Kirk, M. G. Smith and Richard Bonney; Tables and Dishes - Misses. G. B. Rush and Carvis Peck; Decorating - Misses. Floyd Killingsworth, D. D. Dickrell and H. L. Coody; Programs and Flavors - Mrs. Theo Ferguson; Constitution - Misses. W. P. Watkins, Max McCotter, Max Crumley, and Killingsworth.

The Ranger High School stage band, under the direction of Sam Houston, presented the following program: "Moonlight Waltz," "Hearts of Stone" with vocal by Elpidia Gonzales, "Liberstrum," "Melody of Love," "Sincerely," vocal by Miss Gonzales, and "The Lonesome Road."

There were 15 members present. The next meeting will be Apr. 1.

Hospital Report

New patients at Ranger General Hospital include: Mrs. A. E. Ernst, Ranger, medical; Mrs. L. B. Norvell, Cisco, medical; Donnie Chenuit, Ranger, medical; and Mrs. Isetta Smith, Ranger, medical.

Mrs. E. L. McMillan and baby Edward Gforth are new patients at West Texas Hospital.

ROUND-UP on the CAMPUS at Ranger Junior College

Joe Angel and Dalton Bieker were among the ex-students who were back on the campus for Ranch Day.

Billy Mac Nichols, mid-term transfer to the University of Texas was a campus visitor Saturday.

The Breckenridge and Albany Branches of Ranger Junior College took an active part in week-end activities. Fred Gray, editor of The Ranger section for Breckenridge, and his wife, Shirley, were on the campus for the barbecue and dance.

College students were amazed - yet very much pleased - at the way local citizens loaned their horses to the students on Ranch Day. To quote one west Texas rancher's son, "I just can't get over people being generous and trusting enough to loan their fine horses, and it's unusual to see a bunch of tenderfeet take such good care of them, too." That's just one BIG reason for students coming from all over the state to attend a junior college in Ranger.

The Phi Theta Kappans will meet this week and count their funds as they make plans to attend the national convention in Houston on April 21-23.

Spring Training for the football team at RJC will begin on April 15, according to Coach Stan Burnham. This is the date that the first plays will be presented by the Drama Department.

On April 1, the track team will take part in the annual junior college meet at Turlington State. The tennis matches for junior college championships will be played the same day.

A spring fix-up, clean-up, and paint-up operation is already in evidence on the college campus. First to get a coat of paint and an attractive new sign was the Music Building. The Union Building is being painted this week.

A fine job of pruning the college rose garden near the cafeteria, the fruit orchard, and other trees and shrubs on the campus has been done by Dr. Grady Tice and his Horticulture class.

A very fine musical program was presented in assembly Tuesday morning by Sam Houston and his Ranger High School Band and Stage Band. The program varied from classical to popular selections. A novelty number, "Little Red Riding Hood," narrated by "Cat" Ronnie Jumper, and featuring Joe Charles Lawson on the trumpet as "Mr. Hot Lips," especially appealed to the college audience.

Elpidia Gonzales did a fine solo on "Heart of Stone." Rousing applause left no doubt in the minds of the high school musicians and their director that they had captured their audience completely with an excellent presentation.

Cisco Women Complete Home Nursing Course

Eleven members of the class in Red Cross Home Nursing in Cisco, which was concluded Wednesday, Mar. 9, will receive a certificate showing that they have completed the course entitled "Home Care of the Sick."

The 14-hour class has been a study project of the Cisco Parent-Teacher group, according to Mrs. Bill Tucker, authorized Red Cross instructor who is currently serving as county chairman of Red Cross Home Nursing.

Lessons, two hours in length, explaining the principles underlying the nursing procedures to be learned, followed by demonstration and guided practice by the students, are designed as a contribution to the community in the ever-expanding Civil Defense program. The lessons teach the care of the sick, especially the aged and chronically ill and the care of small children in the home.

Anyone interested in similar classes may contact the local office of the American Red Cross in Eastland.

Forty-two Eastland women, including 8 colored women, have completed the course during 1953 and 1954 and received certificates.

West Texas C-C To Convene In Lubbock

LUBBOCK (Sp.) — The West Texas Chamber of Commerce will meet here March 27-29 in its annual convention, John A. Couch of Haskell, president of the regional chamber, has announced.

Registration begins on March 27. A "West Texas Congressional Forum" will be the big event on the morning of March 28, Couch said.

Nine U.S. Congressmen whose districts include territory within the sprawling 132-county territory of the WTCC, and the Texas Congressman-at-Large, Martin Dies of Lufkin, have been invited to participate in the forum.

The general public is welcome to participate along with the members of the West Texas Chamber in directing questions to this panel of Congressmen, Couch said. The forum will be presented from 9:00 a.m. to 12:00 noon in the Lindsey Theater here.

West Texas Congressmen who have been asked to appear include George Mahon of Colorado City, Frank Beard of Wichita Falls, Walter Rogers of Pampa, J. T. Rutherford of Odessa, Clark Fisher of San Angelo, Omar Burleson of Anson, W. E. Poage of Waco, Jim Wright of Weatherford, and Olin Teague of College Station.

Committees of the regional chamber will meet during the afternoon following the forum to review activity reports of the year and to make recommendations for work during the next year.

New officers elected to serve for the next 12 months will be announced during a general business session on the morning of March 29.

in the absence of the pastor, who is in South Texas in a revival meeting.

Mr. Vaughn, a native of Tennessee, graduated from Union University in 1946 and received his B. D. degree in theology in Southwestern in 1949. He has served as pastor in a number of Texas churches and interim pastor in several of the larger churches.

Mr. Vaughn is married and has one son. The Vaughns are members of the Polytechnic Baptist Church in Ft. Worth.

Mr. Vaughn will be well received and the friends of the church are invited to the services. Mr. Vaughn will be in Ranger just the one day.

Rebekah Lodge To Have Open House Friday

Members of the Rebekah Lodge No. 244 met Tuesday evening in regular session with Noble Grand, Eleanor Horton, presiding. Routine business was transacted and sick reports made.

Plans were completed for the Open House to be sponsored by the Oddfellows and Rebekahs at 7 p.m. Friday evening at the hall. An evening of entertainment, games and refreshments will be offered for a small charge at the door.

Those present were: Eleanor Horton, Gertrude Gideon, May Smith, Willie Anderson, Callie Lee, Lora Huffman, Mattie Cox, Della Kushing, Tillie Hicks, Alberta Miller, Irene Sides, Laura Todd, Mabel Greer, Ruby Greer, Ellen Jones, Clara Ivy, Laura Melton, Julie Strong, May Eyley, Lillie Wilson, Gussie Tankersley, Edna Huffman, C. E. Bell and Jesse Smith.

Use Of -

(Continued From Page One) to any of the 120-day expiration dates may not have time to make the transfer. This means they may lose out on the dollar value of the certificates when they buy replacement grain from CCC, Moseley emphasized.

States taking part in the program in this area are Oklahoma, Texas, New Mexico, Arkansas, Louisiana, Mississippi, North and South Carolina, Georgia, Alabama, and Tennessee.

HOMEMAKING CHATTER

by Minnie Mae Billingsley and Julia LaFaye Mason

To most of us spring is an inspiration. A time when we want to improve, to make different, or give our surroundings a "face-lifting."

One thing that most of us could profit by is personality improvement. Think about the qualities you like in other people. Learn to be dependable, and to depend on other people when needed. Try to help other people in ways they want to be helped. One important thing most of us need is to learn to control the way we express our feelings about things and people. Good grooming, good manners, learning to take part, taking the lead, and planning good work habits are other personality improvements. Last, but not least, we need to learn to use divine help and guidance and to express gratitude and reverence.

In grandmother's day there were sulphur and molasses, sassafras tea, and "store bought" tonic to tone up the blood each spring. Today this toning up is done the year around by including a variety of vegetables in the diet.

Green vegetables are important in the diet mainly because of their Vitamin A and C content. The intensity of the vegetables' green color and the part of the plant from which it comes are clues to the food value. In general, the greener the vegetable, the richer it is in minerals and vitamins. The fresher the green vegetable, the better flavor and crispness, and perhaps some food value, too, are lost when vegetables wilt or are stored.

Homemakers are asking many questions about cotton rugs. Pleased with the lovely colors and the variety of weaves, now available, families are eager to include them in decorating schemes and home furnishing budgets. Common questions are "How much wear will it take?" "How much will it shrink?" and "Will it fade?" Tests conducted show that they will last through an abundance of hard wear, have little shrinkage, clean easily, and most of them hold their original color with practically no change. For more information on these tests, if you are in doubt, please come by our office.

We have a recipe that we would like to pass on to you, hoping that you will find a use for it.

French Peas

1 1-2 tablespoons butter or margarine
2 tablespoons water
1-2 cup thinly sliced mushrooms
1 1-2 cups fresh peas, or 10 oz. package frozen peas
1 small onion, thinly sliced
1-2 teaspoon salt
Melt butter or margarine and add the other ingredients. Cover the pan tightly and cook over moderate heat until the peas are tender, shaking the pan occasionally to prevent sticking. Cook fresh peas until tender, 8 to 20 minutes. For frozen peas, begin counting time when steam begins to escape. Cook 5 to 10 minutes. Makes 4 servings, about 1-2 cup each.

For quick cooking of vegetables, use a pan with straight sides, flat bottom, and tight fitting lid. Quick cooking is a good practice because it conserves more of the

food nutrients which are so vital.

Many times homemakers find they have a lot of scraps left when they put new linoleum on the floor. These scraps can be used for room brighteners. Recently we made an attractive waste basket by using a large pail and pasting linoleum around it. Other uses of scrap linoleum are to cover shelves, make card table covers, make wall hangings by painting designs on the plain colored linoleum, make cube shaped book ends, and table mats. There are numbers of things which you might think of to use your scrap linoleum. Think twice before you throw yours away.

As we close our chat with you, let us leave you with a thought. "A smile goes a long way, but you are the one who must start it on its journey."

Cheaney Chatter

Mrs. Bill Tucker

Latest developments on Cheaney's story of last week about the stranger comes from the Flatwood community. It seems that a person whom we shall call Obie, read the story in the local paper or heard it being circulated through the usual channels, and upon retiring for the night, locked the doors of their home. Mrs. Obie, not wanting her husband to know that she was afraid, waited until his sound snores assured her he was asleep. Stealthily she crept from bed and apparently locked the doors. She calmly went to sleep, not realizing that she had unlocked the doors. We thought the story might amuse our readers.

Mrs. Etta Brittain of Grayford is visiting her sisters, Mrs. Ben Freeman and Mrs. Hatley Dean this week.

Mrs. Lela Lockhart of Sweetwater and a son, J. C. Lockhart of Weatherford, spent Saturday visiting her parents, Mr. and Mrs. John Walton. Mrs. Lockhart will spend a month with her son, while she is recuperating from recent illness.

Mrs. John Love was ill Sunday and unable to attend church.

Mr. and Mrs. Frank Poteet made a round of calls in the community Friday evening, eating supper with the Richard Tuckers.

Mr. and Mrs. Billy Tucker and son, Garland of Crane, spent Friday until Wednesday with his parents, the Bill Tuckers at Cheaney.

Mr. and Mrs. Joe Butler visited in Weatherford Sunday with their daughter and family, Mr. and Mrs. Graham Compton and children.

Sanford Lemley of Alameda suffered pneumonia this past week, but was reported some better Sunday. Colds have been prevalent in both Cheaney and Alameda communities.

Mrs. Gene Ferrell was called to Fort Worth to be with her daughter, Mrs. Frances Forey, who is ill. Mrs. Ferrell will care for the two small boys while their mother is under medical care.

You may make your Red Cross contribution to any member of the Cheaney Home Demonstration Club, according to the president.

CHOKED with GAS?

Regular meeting of the board of directors of the Eastland County Farm Bureau is scheduled for Thursday evening, Mar. 10 at 7:30 p.m. in the county court room in Eastland. Officers, directors and members are asked to attend and bring someone with them.

'ENQUIRE' ISN'T THE WORD FOR IT—'He Who Would Duly Enquire' is the legend over this mural in the statehouse at Lincoln, Neb., but 'enquire' is too mild a word for the row kicked up over New York Artist Kenneth Evett's work. Titled 'Labors of the Hand,' it depicts, from left: Craftsman, Cattleman, Miner, Builder, and is executed in the modern manner. It caused little comment since its installation several months ago, until Evett's bill for \$25,000 was received by the legislature. Commented one senator: 'The artist is old enough to paint a round head on the bull.' Another senator said that the work was executed with a 'T-square.'

NEWS FROM DESDEMONA

By Mrs. Ethel Keith

Mrs. Hyson Echols underwent major surgery at the Gorman Hospital early Friday and is reported doing fine.

Mrs. Katie May suddenly became quite ill Monday. The doctor was called and soon reported Mrs. May was much better.

Tom Northcutt passed away early Friday at his home and was buried Saturday at Shiloh near Comanche.

Mr. and Mrs. Morgan Roberts and daughters spent the past weekend in Granbury with his parents, Mr. and Mrs. F. K. Roberts.

Mr. and Mrs. John Grisham and children of Abilene spent the weekend here with her parents, Mr. and Mrs. B. E. Relyea. While here the Grishams, the Relyeys, Mr. and Mrs. Howard Williams and Mrs. Bob Koonce attended the funeral in Gorman Sunday of Mrs. Lander Bennett, a great aunt of Mr. Grisham.

Miss Williams And Jimmie Cole Recent Marriage Is Announced

Mr. and Mrs. M. C. Williams of Kukatit, Arabia, announce the marriage of their daughter, Patricia Ann to Jimmie Cole, son of Jack Cole of Ranger and Mrs. E. E. Morrow of Hawthorne, Calif.

The double ring vows were read in the First Baptist Church by the pastor, Rev. Ralph Perkins, Monday evening, Feb. 28.

Wedding music was played by Fred Baumgardner who also accompanied Gaston Dixon as he sang, "Because" and "The Lord's Prayer."

The bride, given in marriage by her brother-in-law, Jerry Whitte of Graham, wore a waltz-length gown of white satin. The long-sleeved, fitted bodice featured a lace Peter Pan collar and tiny self-covered buttons down the front. The bouffant skirt of lace over satin was worn over hoops. Her fingertip veil fell from a lace bandeau

covered with seed pearls. The bride carried a white Bible topped with garland.

Mrs. Jerry Whitte of Graham was her sister's matron of honor. Bridesmaids were Misses Cecil Lynn Robinson of Ranger and Pat Simpson of Eastland. They wore identically designed waltz-length dresses of crystalline, fashioned with deep v-necklines and full skirts. They carried yellow daffodils on lace fans.

Johnny Wilton of Quanah was best man and ushers were Rod Carter and Jackie Heath, both of Ranger.

A reception was held in the church dining room immediately following the ceremony. Miss Sudi Gray presided at the guest register, while Miss Robinson served the cake and Miss Simpson the punch.

Mrs. Cole is a student at Ranger Junior College and her husband is a ministerial student at Hardin Simmons University in Abilene. They plan to make their home in Ranger.

Large portrait collar and pert or gandy bow provide neckline interest on a dark print dress by Donovan of Dallas. Its shaping hip yoke is a perfect foil for the swish of the skirt. Sizes: 8-16. Colors: Black, brown, navy. Style # 1095-

Helen Jean Parks WMU Circle Meet

Mrs. Walter Arterburn was hostess to members of the Helen Jean Parks circle of the First Baptist Church when they met in her home at 9 o'clock Tuesday morning.

The meeting, which was opened with prayer by Mrs. Dwaine Dennis, was presided over by circle chairman, Mrs. Arterburn.

Mrs. Wilson Guest reviewed the last three chapters of the mission study book, "Under the North Star."

Refreshments were served to Meses. W. G. Myers, Keith Langford, Guest, Dennis and the hostess, Mrs. Arterburn.

Hope Class Has Meeting Tuesday

Members of the Hope Sunday School class of the First Baptist Church met Tuesday, Mar. 8 in the home of Mrs. Richard Vann.

The meeting was called to order by Mrs. Richard Henderson, after which Mrs. Raymond Bryan gave the devotional entitled "God's Kingdom."

Mrs. Sammy Elder closed with prayer.

Refreshments were served by the hostess to Meses. Ralph Perkins, Henderson, Elder, Bryan, and Sam Houston.

Mrs. Willis Is WSCS Hostess

W.S.C.S. Circle No. 3 of the First Methodist Church met Monday afternoon in the home of Mrs. R. L. Willis.

The meeting was opened with prayer by Mrs. A. J. Ratliff. Mrs. A. W. Brazda presided over the business session and heard routine reports.

Mrs. W. M. Brown presented the devotional entitled, "New Nations Shall Turn to the Lord" and Gaston Foote's article "Slot Machine Religion." Mrs. Beverly Dudley, Jr. had charge of the program and discussed the work of the church in India and Pakistan.

Refreshments were served to the following: Meses. Brazda, Dudley, Lee Dockery, J. T. Killingsworth, George Moore, C. E. May, Sr., E. H. Mills, J. S. McDowell, Ratliff, R. A. Tunnell, Lillian Wolfe, William Brown and the hostess, Mrs. Willis.

Baptist Dist. 17 To Convene In Abilene Friday

The Baptist District 17 will convene in Abilene Friday, March 11 at the Southside Baptist Church, with the opening session beginning at 10 a.m.

The main speakers during the morning session will be Mrs. Henry Heck, Dist. 19 WMU president and H. M. Ward, who will deliver the convention sermon.

Dr. T. C. Gardner, State Training Union secretary and Dr. Andrew Allen, State Sunday School secretary, will speak during the afternoon session.

The evening session which will convene at 7 p.m., will feature Dr. Forrest Foster, Executive Secretary, Baptist General Convention of Texas.

Several Ranger Baptist are planning to attend.

WSCS Circle 1 Meets Monday In May Home

W.S.C.S. Circle No. 1 of the First Methodist Church met in the home of Mrs. C. E. May, Jr. at 3:30 p.m. Monday, Mar. 7.

Mrs. W. F. Creager presided over the program entitled "New Nations Shall Turn to the Lord." She was assisted by Mrs. F. S. Pearsall and Mrs. E. L. Danley.

The song, "Love Divine" was followed by a prayer in unison entitled "O, For A Heart To Pray As My God."

Mrs. Creager told of the consecrated life work of a missionary in the India jungle. She used a lighted cross to illustrate the thought that the hearts of Christian people need never be discouraged.

Mrs. Arthur Deffenbach gave a synopsis of a missionary's work in India, Pakistan and Ceylon and gave a demonstration of flags of the three countries. Mrs. Deffenbach also gave a report of the work of Executive Secretary, Lucille Colony, who has just returned from India.

A short business session was presided over by Mrs. C. W. Harris. The Scaritt Fund was completed and pledges added. The meeting closed with the group repeating the Lord's Prayer in unison.

Refreshments were served to those present during the social hour.

Jack Pockrus Is Honored Sunday On His Birthday

The many friends of Jack Pockrus brought their covered dishes and gifts to his home at Lacasa Sunday, Mar. 6 to celebrate his birthday.

After the noon meal, the crowd joined in the singing of hymns and Sue Watson and Linda Ferguson sang a special number. Rev. W. R. Ivie, a former pastor of New Hope Baptist Church, preached.

Those attending were Austin Gueso, Mrs. Lillie Anderson, Mrs. Lue Lane, Linda Ferguson Mrs. Truman Dempsey and Bobby Dale of Ranger; Mr. and Mrs. C. M. Echols, Mrs. Dill and Mr. and Mrs. Ferrell Ritchie of Oak Grove; Rev. W. R. Ivie of Cisco; and Rev. and Mrs. A. E. Howton, Mr. and Mrs. Hubert Pockrus and Billy Jack, Mrs. Sosa Taylor, Mr. and Mrs. A. N. Bradford, Mrs. Phelton Herrington and children, Mr. and Mrs. Joe Lynch Jackson and children, Mrs. Judy Wells and children, Mrs. Mary Herrington, Mr. and Mrs. D. Z. Herrington and Larry, Mrs. Cordia Lambert, Mr. and Mrs. Wilson Watson and children, Mrs. Vera Gray, Mr. and Mrs. G. V. McGowan, Mr. and Mrs. D. B. Waney and children and Mrs. Valie Jones and J. B., all of the Lacasa community.

Mrs. Houghton Is Circle Hostess

Members of the Virginia Wingo circle of the W.M.U. of the First Baptist Church met Monday, with Mrs. J. B. Houghton as hostess. The invocation was given by Mrs. Lee Everheart.

Mrs. V. A. Galloway taught the last three chapters of the mission study book, "Under the North Star" by Harold E. Dye.

During the social hour, refreshments were served to the following: Meses. Jimmie Jones, Everheart, Earle Pittman, T. J. Belvin and Judy; Mrs. Galloway and he hostess, Mrs. Houghton.

Mrs. Pittman Is 1947 Club Hostess

Mrs. Earle Pittman was hostess to members of the 1947 Club when they met at 4 p.m. Tuesday.

The meeting was presided over by club president, Mrs. Pete Brasher.

Mrs. Marshall Jolly spoke on "Using Your Leisure."

During the social hour refreshments were served to Meses. Sam Ailis, James Ratliff, Ronald Pruet, Larry Purefoy, Morris George, Willie Clarke, Jr., C. E. May, Jr., Jolly, Brasher, Joe Nusselt, Deane Crawley, Chas. Millikan, Calvin Lipkin, Bill Anderson, Morris Campbell, Pat Thomas, Joe Collins and the hostess, Mrs. Pittman.

10% DOWN BUYS YOUR TIRES AND TUBES ON TERMS

(Editor's Note: This is another in a series of articles prepared for farm families by R. E. Taylor, Jr., District Manager of the Social Security Administration Office in Abilene.)

Most farm operators will be affected by social security in two ways, beginning January 1, 1955. We have discussed how he will determine and report his own income for social security in previous articles. Today, we will endeavor to explain his responsibility concerning his hired farm laborers under the social security laws.

The law provides that any farm worker, whether it be outside the farm home or inside, who is paid as much as \$100 in cash wages in a calendar year is covered by social security and such wages must be reported by the farm operator. There is no other test except the receipt of \$100 or more in cash wages. These wages are taxable, 2 percent to be collected by the farmer from the worker when he is paid and another 2 percent to be paid by the farm operator when the wages are reported to the Bureau of Internal Revenue.

This means that Farmer A must deduct two cents from each dollar of cash wages earned by his hired help; must obtain each worker's social security number and full name from the worker's social security card; and, must report these numbers, names and amounts of wages paid each worker to the Government through the Bureau of Internal Revenue, periodically. Along with the reports, Farmer "A" will send the tax collected from the workers, together with a matching amount for himself. Only cash wages are to be reported and taxed.

Should Farmer "A" hire a hand and be uncertain whether or not the hand will receive as much as \$100 cash wages, he is permitted to deduct the tax from the hand's wages anyhow, and, if less than \$100 is paid, give the tax back to the worker when he leaves Farmer A's employment.

This coverage of farm labor is compulsory on both the farmer and the farm worker. Forms on which the reports are to be made will be furnished by the Bureau of Internal Revenue, along with instructions on how to complete the forms. Your social security office will also assist you, if requested.

Completing and mailing the coupon below will bring you even more details on just what this new social security coverage will mean to you and your family.

STANLEY POWERS PLEDGES PKA FRATERNITY AT TECH

Stanley W. Powers, a Desdemona student at Texas Tech, was one of the 249 men pledging special fraternities this week at the close of spring rush activities, announced James Whitehead, assistant dean of student life at the college. Powers pledged Pi Kappa Alpha.

Castleberry and the late Mr. Castleberry, and is an accomplished musician and singer in her own right.

Mr. Page was reared at Abilene, was graduated from Abilene Christian College, received his M. A. degree from State University, Bloomington, Ind., and is former choral director at Odessa High School and Odessa College.

The grant will permit Mr. Page to study music at New York University for 12 months with all expenses paid. His picture and cut-lines about his receiving the grant appeared in the papers at Odessa, Albuquerque and Portales.

HELP for Coughs

You feel cooling, soothing help from the very first dose. Chugging phlegm is loosened, you breathe deeper.

CREOMULSION

A \$10 insurance policy that every family should have

You have a nice family, but that doesn't mean you may not wake up some morning facing a damage suit for thousands of dollars, for something your family has done.

Your child may hurt somebody with his bicycle. You may hit somebody with a golf ball. Your dog may bite somebody. Somebody may trip on your steps and break a leg.

For \$10 a year we can protect you against many kinds of lawsuits up to \$10,000* with an America Fore Family Legal Liability Policy. It even pays medical fees up to \$250 for non-family injuries even if you are not legally liable. Ask us.

*You can get higher limits if you want them.

Kinnaird Is Director On Safety Council

D. L. Kinnaird of Eastland has been named an honorary director of the Texas Safety Council. A letter from Pierce P. Brooks, president of the Council, informed Mr. Kinnaird that he had been nominated and elected as an honorary director.

"The Council and Citizenship of Texas appreciate the sincere effort of the business men and women of Texas, who are directing their efforts toward conserving the lives of our citizens, and we take this means of honoring those of you who are participating in this fine work," Mr. Brooks said.

TRY A CLASSIFIED FOR QUICK RESULTS!

Salk Polio -

(Continued From Page 1) clude Dr. Brown, who will explain how the vaccine will be used, why first and second grade school children were selected for vaccination, why three inoculations will be necessary, and why all three shots should be given before the 1955 polio season begins.

The need for volunteers to perform various jobs in the vaccination program if it is carried out will be presented by a member of County Chapter of the National Foundation. The advance effort will include distribution of informational materials containing background facts on the vaccine and its current status.

If the vaccine is licensed, volunteers will be needed to help transport supplies and medical personnel to and from the clinics, help handle children in the clinics and to work with school officials to expedite the program.

Twenty-Two Teams To Compete In Indian Trail Track Meet, Gorman

Twenty-two teams will compete for honors in the annual Indian Trail Track Meet to be held Saturday in Gorman. Teams from Eastland, Gorman, DeLeon, Comanche, Ballinger, Baird, Granbury, Cranfills Gap, Rising Star, Santa Anna, Fort Worth Tech, Abilene, Leuders, Diamond Hill, Hico, Richland Springs, Hamilton, Boyd, Stephenville, Cisco, Early and Meridian will vie for awards.

Eastland will enter a 30-man team in the meet. Track and field men from the 22 schools will be trying to break records, including Eastland's J. D. Hanson's time of 20 seconds flat in the 100-yard low hurdle event. Hanson graduated and will not be around to protect his time.

Other records which may or may not be broken include Herman Johnson's discus throw of 155 feet and seven inches. Johnson is from DeLeon. Mays who will compete in the event this year will be Larry Tankersley, Burt Norris and Carl Freeze.

Johnson also holds the shot put record, with a toss of 54 feet. Trying to break the record this year will be Tankersley and Freeze.

The pole vault record is 11 feet and one inch, held by Comanche's Don Pyburn. Bill Norwood, Leo Murray and Bill Upchurch will compete this year for Eastland.

Tony Munger's 9.9 time stands as best in the 100-yard dash. Munger is from Mineral Wells. Eastland runners entered in the event are Charles Dry, Jack Akers, Stan Rlevins, Dick Corbell and Saul Pullman.

Baney Jim Pierce holds the record in the 120 yard high hurdle event with a time of 15 seconds flat. Bill and Jack Akers will try to break the record for Eastland.

Lupe Herrera, Clyde Evtatt, Dale Slatten and Duard Turner will be trying to break the 440 yard dash record of 53.8, posted by Calvin Lee of Comanche.

Jimmy Webb of Cisco holds the high jump record of five feet, seven inches. Jimmy Phillips, Mike Taggle, Don Smith, Ronald Robertson and Johnny McMahan will try to win the event for Eastland this year.

Entered in the broad jump event from Eastland are Lupe Herrera, Bill Smith and Saul Pullman. They will be trying to outperform the 18 feet, seven inch record recorded by Mineral Wells' Tony Munger.

Comanche holds the record in the 440-yard relay event with a time of 48.6. Eastland will not compete in this event.

A time of two minutes, seven seconds was registered by Mineral Wells' Flores last year in the 880-yard run. That record will be shot at by Eastland's Wayne Durham, Don Smith, Ken Watson, Rual Herrera, Allan Miller, Clyde Young, John McMahan and Harvey Lewis.

Munger also holds the 220 yard dash record with a time of 22.1. Clyde Evtatt will be Eastland's lone entry in this event.

Entered in the mile run from here are Paul Fuentes, Tony Johnson and Bill Upchurch. They will be trying to break the record of 4:42.9, nailed up by Wilson of Comanche. One of that trio will join with Lupe Herrera, Henry Sims and Duard Turner in the mile relay. Highland Park of Dallas holds the best Indian Trails time in that event with a 3:41.2.

The meet will begin at 9:30 when the 120 yard high hurdle preliminaries get underway along with the shot put prelims and finals.

At 9:50 the 100-yard dash event is scheduled. At 10 the broad jump event and at 10:10 the 440 yard dash; at 10:30 the 180 yard low hurdles and the discus event; at 10:50 the 440 yard relay, and at 11:10 the 220 yard dash.

Afternoon finals will begin at 2 p.m. when the 120 yard high hurdle event, the pole vault try and the high jump event begin. At 2:10 the 100 yard dash finals are set, at 2:20 the 410 finals, at 2:40 the 180 yard low hurdle finals, at three the 440 yard relay, at 3:10 the 880 yard run, at 3:30 the 220 yard dash, at 3:50 the mile run and at 4 the mile relay.

Al Langford will be meet director. David Goodwin, clerk of the course; Graydon Baze, starter; Dick Wynne, Jack Everett, and Jimmy Hughes, timers; D. B. Warren, Glen Mohaffey, Adlon Smith, B. M. Bennett, Odo Monroe, Othel Clark and D. E. Clark as finish judges; Jack Harrison, Neal Clark and Rayford Burgess as turn inspectors; E. C. Bramlett in charge of high and broad jump; Marvin Moore in charge of the pole vault event; Bill Little the shot put event; and Floyd Sorley the discus throw.

SHORT course in how to become a cynic was taken by a London, England, cabbie who refused a tip from a dear, sweet old lady; later discovered she'd tipped herself to his wallet.

Hearse driver in Providence, R. I., said he was speeding to pick up a body. Unimpressed judge buried \$5 of driver's money in the fine box.
