

## First Annual Pinewood Derby Set Thursday

The first annual Father-Son Pinewood Derby, to be held tonight (Thursday) in the basement of the First Methodist Church by Cub Scout Pack 34, promises to be both an unusual and exciting event. With 40 cars entered, competition among entrants is keen, with fathers matching the enthusiasm of their sons, members of Pack 34, whom they helped in carving the racers and in preparing the cars for the race.

The races will be carried on much as a regular automobile race is conducted with the father acting as pit boss or mechanic and the son as driver. The diminutive cars will be started from an especially built ramp, and they will race two at a time, losers being automatically eliminated. The car covering the 19-foot track fastest will be the winner in each heat.

First place winner will be awarded a trophy plus scouting equipment. Second, third, fourth, and fifth place winners will receive scouting equipment as prizes.

Members of Cub Scout Pack 34 are as follows: Gregory Slaughter, Rick Williams, Ernest Young, Wynnie Hughes, Gary Poyner, Randall Young, Randall Squires, Mike Campbell, Pat Campbell, Gary Willingham, Robert Revels, Jackie Bush, Rickey Henson, Jimmy Dumith, Terry Rogers, Randall Spindle, Mark Calhoun, Steve Campbell, Billy Anderson, Jackie Melton, Irian Caraway, Jimmy Angus, John Clark, James Dixon.

Jerry Reeves, Charles Bott, Bobby Sipes, David Allsup, Richard Sledge, Billy Woods, Delbert Cozart, Wilburn Nicka, Billy Gues, Larry Simpson, Phillip Sanders, Larry Williamson, Robert England, Richard Hatfield, Kenneth Poyner, Richard Williams, Dennis Kennedy, Gary Bennett, George Beighley and Gary James.

Pat Collins is Cubmaster, and Wesley Poyner is Assistant Cubmaster.

## Homecoming to Begin at Strawn Friday, August 4

The Strawn Homecoming, sponsored by the Strawn Ex-Students and Ex-teachers Association will begin Friday, Aug. 4 at 6 p.m. with a downtown carnival.

A street dance will follow at 9 p.m. and a western band will furnish the music for dancing.

Registration at 8 a.m. opens Saturday's activities Saturday afternoon and evening activities include a gala cake walk on Main Street, the annual barbecue at 6 p.m. and the exas dance at 9 p.m. at the American Legion Hall.

The 1961 Homecoming Queen will be crowned during the barbecue and a drawing will also be held to determine the lucky winner of a Zenith Stereophonic record player being offered as the grand prize in the queen's contest. Candidates for the contest are the Strawn High School girls.

O. G. Polk is president of the Association and other officers are Mrs. Marjorie Venture, first vice president; Gumpie Craddock, second vice president, and Barbara Guydis, secretary-treasurer.

## 120 Home Demonstration Members Attend 4-County Camp In Cisco

There were approximately 120 in attendance of the 4-County Camp which was held in Cisco at the National Guard Armory July 27. There were representatives from Eastland, Brown and Mills Counties.

Comanche was unable to attend. Eastland County served as hostess for the camp. The days activities began with registration at 9:00 a.m. Following the registration, Mrs. Rex Mahan of Brown County, general chairman, extended the welcome to those present.

A get-acquainted game was directed by Eastland County. From 10:00 - 11:30 each county displayed and explained different crafts. Some of the crafts presented were: birdcages, plastic puddles, smoked pillows, fireplace screens, seed pictures, wool noods.

## Women's Golf Tourney Dates Are Aug. 4-6

Details have been worked out for the annual Lakeside Country Club women's golf tournament. Tourney dates are Aug. 4-6 and qualifying rounds will be held Friday.

All women golfers living in Eastland County or its immediate area have been invited to participate. There will be as many flights as are needed.

A supper is planned Friday night to be followed by a putting contest and a long driving contest.

## RHS Graduate On Hospital Duty In Germany

Army Pfc. James Woodruff, son of Mr. and Mrs. Luther Woodruff, 512 Cypress St., Ranger, recently arrived in Germany and is now a member of the staff of the 8th Evacuation Hospital.

A medical specialist at the hospital in Landstuhl, he entered the Army in June 1960 and completed basic training at Fort Hood.

The 19-year-old soldier is a 1959 graduate of Ranger High School.

## Local Fans to Follow Blue Sox to Finals

The Ranger Blue Sox, winners of the Eastland Teenage League, will be accompanied by a large group of interested parents and friends when they go to Munday Friday night to compete in the district teenage baseball playoff games.

Ranger will play the winner of the Haskell-Seymour game Friday evening, and Saturday night the winning team will play the winner of Thursday night's Baird-Floyd game. The winner of the Baird-Floyd game will have a bye to enter the final Saturday night, when Ranger will play for either the championship or consolation honors.

The Ranger teenage program has been made possible through the backing of the Ranger Pony League, of which Joe Camacho is president, and through the cooperation of the merchants of Ranger. Each boy is sponsored by a local merchant, who provides the uniform for the boy.

Townpeople have shown much interest in the teenage games, and attendance at local games has been good throughout the season.

Coaches are Ronald Bush and Charles White, assistant.

## Chief of Police Offers Tips to Auto Owners

Chief of Police Robert A. Patterson offers some tips to the community for the protection against theft from cars. Patterson reports that stealing of gasolines, car accessories, and tools from parked vehicles is becoming more prevalent, and he advises the public to remove valuables from their cars and, if possible, not to leave vehicles parked on the streets or highways for long periods of time, especially at night. Parked vehicles are easy marks for prowlers, and as most cities cannot afford sufficient man power to perform the important, long-range function of preventing crime in addition to solving crime, people are asked to cooperate by not leaving cars exposed for easy prowling.

A graduate of Ranger Junior College, Patterson received many awards while serving in the U. S. Navy during World War II. Before returning to Ranger after the war, he was connected with the Pinkerton Detective Agency in Dallas. He plans to remain in the law enforcement field in Ranger or elsewhere and to attend FBI school. He is a member of the First Methodist Church, Ranger, and is the new post commander of Carl Barnes Post 69 of the American Legion.

A devoted citizen of Ranger, Patterson believes that community respect and assistance are vital to successful law enforcement.

## Lone Star Gas To Serve Santo In Palo Pinto Co.

Lone Star Gas Company has begun construction of a distribution system to provide natural gas service for the North-Central Texas town of Santo, in Palo Pinto County.

Preliminary construction work started Monday and the project is scheduled for completion before Sept. 1. V. J. Jones of Abilene is pipeline contractor for the project.

E. L. Buelow of Abilene, regional manager of the firm's West Texas Region of Distribution, said Lone Star will initially serve 84 signed subscribers in Santo. He said the town will be included in the firm's Eastland distribution district and will be served from Lone Star's sub-district office at Ranger.

## RHS Graduate On Hospital Duty In Germany

The recent opening of the company's 52-mile transmission pipeline between Gordon and Springtown has made natural gas service available to Santo, Buelow said.

With the addition of Santo's, Lone Star boosts the total number of cities and towns served on its system in Texas and Oklahoma to 466.

## Social Security Representative To Be Here Aug. 9

R. E. Tulley, Jr., manager of the Social Security office in Abilene announced today that a representative would be in Ranger on August 9 and 13 and September 6 and 20.

The representative will be at the City Hall at 10 a.m. on these dates.

## Services for Mrs. Vada Thompson Held Monday

Funeral services for Mrs. Vada Thompson were held Monday at 3:30 p.m. at Killingsworth Funeral Chapel, Rev. N. W. Pitts, of Weatherford, officiated. Burial was at 5:30 p.m. in Dobbs Valley Cemetery in Palo Pinto County.

Mrs. Thompson, 68, died at 9:05 a.m. Saturday at Campbell Memorial Hospital in Weatherford. She had been in the hospital since July 13.

Mrs. Thompson had lived in Ranger five years prior to moving to Weatherford two months ago.

She had lived at Gordon most of her life and was born Aug. 1, 1892, in Palo Pinto County.

She was a member of the Dobbs Valley Baptist Church.

Survivors include her husband G. W. Thompson of Stephens County; two sons, Floyd C. Bradford of Duncan, Ariz., and G. O. Bradford of Westminster, Calif.; three daughters, Mrs. Roy F. Fowler and Mrs. Nolan Imboden, both of Weatherford, and Mrs. C. F. Chestnut of Ranger; thirteen grandchildren; five great-grandchildren and one sister, Mrs. Bertha Robins of Shreveport, La.

Funeral services were held at Weatherford, Texas, by Charles Arnett, Alonzo Stevens and John J. Boeh.

## Vandals Damage SARCO Building Tuesday Night

The Ranger Police Department reports that vandals damaged the Southwest Athletic Repair Company building Tuesday night by throwing huge rocks through a plate glass window and door. The interior of the building was not molested, however, as the building was not entered. The police have picked up three suspects, but no arrests have been made.

Police officers Bob Patterson and J. W. Vinson also report the arrest of a man from San Angelo for drunkenness at 3:00 a.m. Tuesday. The man, who resisted arrest, was charged with drunkenness, but was later released and told to leave town.

## Funeral Services Held Monday for Grover Lee Baker

Funeral services were held for Grover Lee Baker, 71, at 10 a.m. July 31 in the Church of God on Strawn Road with Rev. H. A. Fox, Jr., and L. R. Winnegar, officiating. Interment was in Colony Cemetery.

Mr. Baker died at 6 p.m. July 29, in a Fort Worth hospital after a short illness.

He had been a resident of Ranger for 43 years. Born in Brown County, Texas, Oct. 12, 1889, he was married Aug. 19, 1909, to Miss Mary Ada Samuel, who preceded him in death June 20, 1961. A construction worker, he was employed by W. N. Bourdeau for 25 years. Earlier he had worked 12 years for the Jake Hammon Railroad.

Survivors include one son, A. C. Baker, Abilene; three daughters, Mrs. Chester D. Fonville and Mrs. A. T. Mitchell, both of Fort Worth, and Mrs. Elmer O. Wright, Abilene; four sisters, Mrs. Clyde Rodgers and Mrs. Sam Goodman of Ranger, Mrs. Tom Goodman, Fresno, California, and Mrs. Ivy Brown, Mineral Wells; one brother, R. E. Baker, Corpus Christi; 14 grandchildren; and one great-grandchild.

Burial services were held at 10 a.m. at the Killingsworth Funeral Chapel, with Rev. W. E. Woods, and Walter Henry

## MOVES HERE FROM DALLAS

Mrs. Helen Julius has moved from Dallas to Ranger, where she will make her home permanently. She is the daughter of the late Judge McPater, and she is a member of the First Baptist Church.

Mrs. Julius is making her home in the Marston Building.

This year shows promise of being a bumper peanut year in Eastland County. Indications at present are that the 1961 peanut crop will be a bumper crop.

Rains have come in good time this year, and moisture conditions are better than in most years at this time, for one or two more inches of rain, preferably around

September 1, should be sufficient for the crop. Plants are growing nicely, but harvest will be late this fall except in the few cases of farmers who planted early. The peanut crop is usually harvested in September, but as most planting was late because of the rainy spring, it will be October before there is any big crop movement of peanuts.

Acres in Eastland County is good this year with 95 percent of the government allotment planted, and growers in this area are greatly encouraged by the increase in the price of peanuts. The 1961 price is approximately \$228 a ton, up \$28 a ton over the price per ton in 1960. As this year's crop promises to be as good as, if not better than, the 1960 crop, the increase in price will mean many thousands of extra dollars for Eastland County growers, if it materializes as expected.

Approximately 28,000 acres are planted in peanuts in the county this year, and on a basis of at least 30 bushels to the acre, growers should harvest 840,000 bushels of peanuts. With an approximate price of \$3 a bushel, which has already been offered some farmers on prospects of their crops, the harvest should yield over \$2.5 million for Eastland County peanut farmers, if existing favorable crop conditions persist.

## Dean Richey Signs Letter of Intent at RJC

Coach Jim Lewis of Ranger Junior College has announced the signing of Dean Richey of Ranger to a letter of intent to play basketball and baseball at the college for the coming year.

Richey, a six-foot-two performer who led the local high school in scoring with a 21-point per game average, plans to major in elementary education. He was named to the 7-A all-district team in 1960 and 1961 and received honorable mention on the all-area team.

Also a letterman on the Ranger High School football team, Richey, the grandson of Mr. and Mrs. Dave Morgan of Ranger, was awarded the Lions Club Outstanding Player Award his senior year, and he was named on the All-district football team, both his junior and senior years. He was also a member of the RHS tennis team.

A class officer all four years in high school and president of the 1961 senior class, he was in the upper portion of his class scholastically.

Lewis says of the all-district, all-area Richey, "We are mighty pleased to have Dean with us, and we look for him to give us a lot of help, not only in basketball, but also in baseball."

## Angus Association Is Organized for Area

G. C. Hampton of Brownwood was elected president of the newly organized Cross Timbers Angus Association. A group of Angus breeders organized the association Monday when they met for a Dutch lunch at the White Elephant.

"What we need is a small organization in this area so that we can get together and have a sale of Angus cattle without all of the formality one has to go through at the large sales."

The above statement was made by an Angus breeder sometime ago which caused several men interested in Angus cattle to call a meeting at the White Elephant Saturday.

Those present expressed appreciation for the fine work done by the Texas Angus Association. However, it was brought out that where a man has only a few head for sale the cost of transportation, fees and care of the cattle during the large sale cut too big a percentage from the profits.

It was also stated that small cattle sales in other states was proving successful.

Acting as temporary chairman,

Dr. Joe J. Fite of Dublin called the meeting to order. Paul Hickie of Stephenville was elected as vice president and Don Estes of Desdemona as secretary and treasurer.

Board of Directors were elected on a three-two-one year basis. Directors elected for three years were Dr. Fite, Jesse Garrett, G. C. Rutherford, B. B. Hickman and Sutton Crafts.

Directors elected for two years were Dr. Jerry Everett, D. R. Franks, Jim Clonta and Dr. Jo McFarlane.

One-year directors will be elected when the group meets at the Progress Library in Gorman Saturday evening. All interested persons are invited to meet with the group Saturday at 7:30 p.m.

Attending the organizational meeting were Dr. and Mrs. Jerry J. Everett of Brownwood; Dr. and Mrs. W. S. Carter, C. C. Rutherford and B. B. Hickman of Rising Star; Dr. J. Fite and D. R. Franks of Dublin, Jim Clonta and Paul Hickie of Stephenville; Jesse Garrett and Sutton P. Crafts of Cisco; and Don Estes of Desdemona.

### Turkeys On Top Of Plentiful Food List for August

Turkeys star in summer meals as well as in autumn meals because marketings are as large this August as around Thanksgiving in yesteryears.

This is pointed out by the Texas Agricultural Extension Service, in announcing that turkeys top the list of August plentiful foods prepared by the U. S. Department of Agriculture.

With turkey marketings running a fourth or more larger than last August, prices hover near a record low, making turkey a bargain meat.

Local supplies of peaches, cantaloupes and watermelons as well as many summer vegetables are r e generous enough to rate USDA's plentiful tag this month.

Shipments of eating plums from California are running much larger than usual for this season.

Other foods in better than normal August supply include eggs and shrimp, fresh, frozen and canned.

After checking local and national food stocks, USDA's Agricultural Marketing Service compiles this monthly plentiful foods list to help farmers market more of their produce through normal trade channels, and to help consumers make better use of America's agricultural abundance.

### AS IT LOOKS FROM HERE

WASHINGTON, D.C. — It was recently my pleasure to participate in graduation exercises of the F. B. I. National Police Academy.

In the class were 72, four of whom were from Texas. Practically every State in the Union, including Puerto Rico, Hawaii and the Philippines, were represented by a law enforcement officer. They came from county police forces, city police, highway and State police. It is an intensive training period which lasts six weeks and has as its purpose instructions in expert law enforcement.

The FBI has just released statistics for 1960, which point up the great need for more scientific and coordinated law enforcement. The figures speak for themselves. Probably the most startling is finding that in the United States as a whole, the number of serious crimes reported increased at the astonishing rate of 98 per cent over that for 1950. During this same period, the growth in population was 18 per cent.

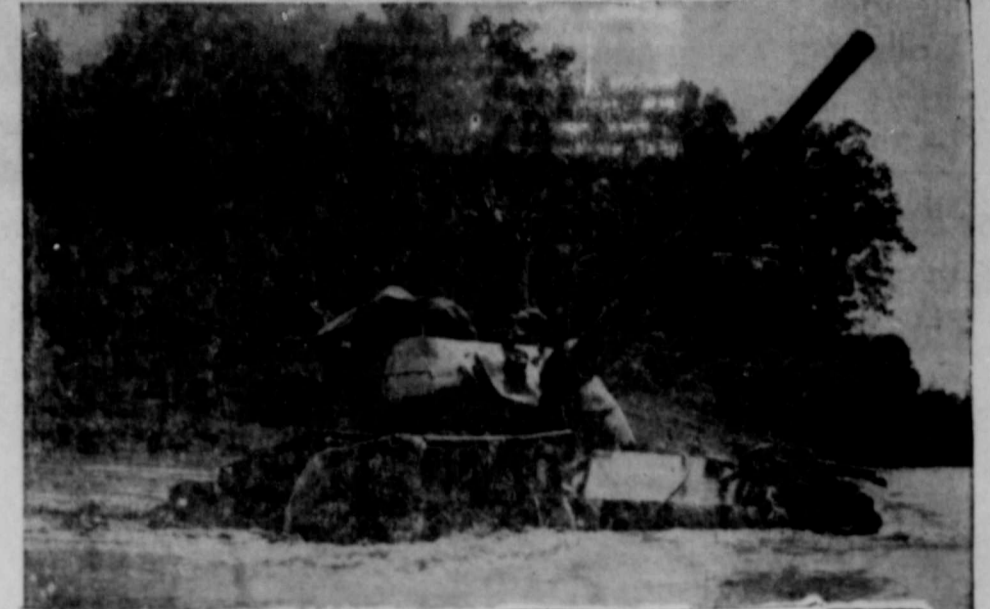

During 1960 a serious crime was committed every 15 seconds. In every three minutes a murder, forcible rape or assault to kill occurred. A car was stolen every two minutes. One of every 26 young people in the entire Country between the ages of 10 and 17 was arrested during 1960.

In the city of Washington the FBI reports rape and murder up 29 per cent. Robbery is up 58 per cent and burglary 33 per cent. The theft of automobiles increased at the unbelievable rate of 61 per cent. The Capitol of the United States is the Nation's tenth largest city and stands 14th in the rate of crime.

The responsibility for these appalling figures may not lie in one single cause, but the fact remains that there is seemingly little chance that the upwards spiral will be reversed until, as Mr. J. Edgar Hoover reminds us, it becomes a matter of concern to every parent, every teacher, every clergyman and, in fact every citizen.

Mr. Hoover further says that the report should be a reminder to communities throughout the land that their first line of protection lies in more adequate law enforcement. This means, of course, the kind of law enforcement which will not only apprehend criminals, but which also will keep habitual offenders out of circulation.

The futher fact remains that the best way to reduce this appalling rate of crime is to prevent it before it happens. For that which does happen, there should, of course, be a sufficient number of

### J. C. Penney Adds Journalism Contest Prizes

Expansion of the second annual J. C. Penney - University of Missouri Journalism Awards competition for women's interest pages and fashion writing was announced in Columbia, Missouri, today by Dean Earl F. English of the School of Journalism.

Two new attractions have been added to the 1961 national newspaper contest: A separate class for weekly newspapers, making four women's page classes.

A provision which permits the fashion writing winner to select any one of Europe's fashion capitals for her Awards trip.

Awards for 1961 again will be \$1,000 first place, \$500 second place and \$250 third place in each of the four circulation classes.

A special award will go to the single fashion winner: A \$1,500 cash award, or \$750 cash plus a week's expenses-paid trip to a European fashion capital.

The J. C. Penney - University of Missouri Journalism Awards program started in 1960, when the Penney Company honored James Cash Penney, 85, its founder and a retailing pioneer, with a grant to the University of Missouri to establish the program. Mr. Penney is a native of Hamilton, Missouri.

The Penney grant specified that the School of Journalism should administer a national newspaper competition annually to stimulate development of better women's interest pages and encourage fashion writing excellence.

This year's competition, which will open in early fall, now will have four classifications of awards for women's interest pages. The first three classes - for daily newspapers - will give awards to winners in the 25,000 and below circulation bracket; 25,000 to 100,000; and 100,000 and up.

The new weekly classification covers all weekly newspapers. Winners in 1961 will be feted at an honors assembly and banquet at the University of Missouri, when they will receive their awards and medallions.

## and "FRESH-AIR" Gas heat can save you thousands of dollars!

Pennies saved per hour might not sound important, but check with care — choosing gas heat can literally save you thousands of dollars, just during the life of your mortgage alone. Fuel costs are lower with gas, yet you are more comfortable. You pay less maintenance, because gas heats without moving parts in the heating system. You're spared the costs of installing and running extra heating units for extra-cold days — your gas system is perfectly capable of keeping you cozy always. And you can add summer cooling with gas, thriftily and easily. Why pay more — to get less — than safe, dependable gas gives?

Glass Aids Temperature Control

In Texas, where temperatures frequently climb over the 100-degree mark in summer and seldom go below freezing in winter, Thermopane insulating glass was used in the Texas Instrument Research Laboratories building to aid air conditioning and for environmental control. The building has a total of 1,250 of these sealed units in window areas, each having a quarter-inch air space for insulation. The laboratories are in Dallas.

Back in Genesis, the 23rd Chapter

... there is recorded one of the early-day real estate transactions. Sarah had died at the age of 127, and Abraham bargained for and finally bought a field containing a cave for her last resting place. While there is no direct mention of an abstract, the evidence is clear that Abraham got a good title in the purchase. Time changes many things, for better or worse, but the caution used by Abraham still prevails. The title was important then, it's more so now.

How 45,000 companies help their employees buy security

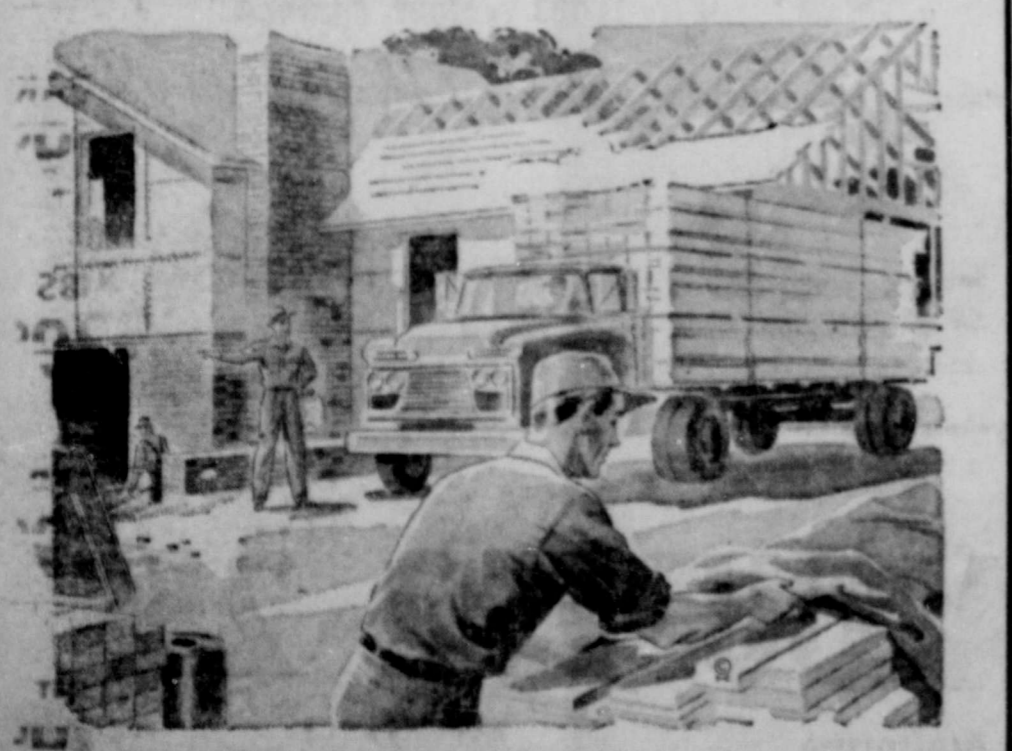

The average American company is pretty busy tending to its own business. Yet many companies have sandwiched in a valuable service for their employees—the Payroll Savings Plan for U.S. Savings Bonds. Through this plan, your payroll clerk sets aside a certain amount each payday for Bonds, buys them, and arranges to get them to you. It's completely automatic, and the easiest way in the world to save. Save as much or as little as you wish Employees can sign up to save as little as \$1.25 a week. The average among the more than 8 million folks on the Plan is \$20 a month. All in all, 45,000 companies help their employees save about \$2 billion in Savings Bonds a year—a lot of future homes, vacations, college degrees, and nest eggs for retirement. The security built into Savings Bonds U.S. Savings Bonds are guaranteed by the Government to grow. \$18.75 becomes \$25 in 7 years, 9 months. In 10 more years, it becomes \$36.25. Your Bonds can be cashed in anytime, with interest. And if they're lost or destroyed, the Treasury Department replaces them free. Every Savings Bond you buy is an investment in Peace. What better way to help your government help you enjoy the things you're saving for.

Hats off to American Industry! "American Industry has given the Savings Bond Program its greatest success," says William H. Neal, National Director of the Treasury's Savings Bonds Program. "45,000 American companies have sold many billions of dollars in Savings Bonds—at no cost to the taxpayer," says Mr. Neal. "By operating the Payroll Savings Plan, these companies, big and small, are helping to keep our country strong. At the same time, they're helping more than 8 million people save automatically for the things they want. America owes a vote of thanks to these companies for their outstanding contribution to the 20-year success story of the U.S. Savings Bonds Program."

You save more than money with U.S. Savings Bonds Buy them where you work or bank

For 20 years America's newspapers have published Savings Bonds ads at no cost to the Government. The Treasury Dept. is grateful to the Advertising Council and the newspaper for their generous support.

"There is one body, and one Spirit, even as you are called in one hope of your calling; One Lord, one faith, one baptism, One God and Father of all, who is above all, and through all, and in you all." (Eph. 4:4-6). We hear many pleas for unity by prominent men in high places. Quoted above are seven specific things that must be accepted and practiced before man can have unity with God and man. Man wants unity on the basis of One Spirit, one Lord, and one God, but contrary to God's Word he wants to retain many hopes, many faiths, many bodies, and many baptisms. I am sure that in Paul's day it was not unusual for someone to ask you what god you worship. This question today would cause a great deal of excitement as most accept the fact that there is but one God. In our day the reverse is seen, and though the same Scripture passage that says there is one God also says one faith, one hope, one body, and one baptism it is commonly accepted that it matters not at all what you accept of these things. "Of what faith are you?" Is there more than one? "Of what body or church are you a member?" See (Eph. 1:22-23). "What hope do you have?" "And what baptism were you baptized with?" These are common and accepted questions among those that plead for unity. Can there be unity between those that believe in salvation by faith only and those that believe in predestination? Can there be unity between those that believe a Christian can fall from grace and those that do not? Can unity prevail between a Jew and a Gentile? Well, unity did prevail between Jews and Gentiles, but not until the Jew gave up that which had been abolished, the Law of Moses (Eph. 2:15; Col. 2:14), and the Gentile accepted the gospel of Jesus Christ. When both gave up their unauthorized religions and both accepted the "one faith" they were united with God and each other. "And that he might reconcile both unto God in one body by the cross, having slain the enmity thereby." (Eph. 2:15). Many Jews and many Gentiles were never united, not because unity could not be had but because they would not give up their false doctrines and accept the Gospel, the New Testament. A few people are united today in Christ by the gospel (Eph. 3:6), but most talk of unity and hold to their own doctrines that prevent unity. If you want to be united with God, then study your New Testament.  
—Hollis Windham

**ANYTHING FOR PUBLICITY**—Bill Samuels, Majestic Theatre manager in Eastland, will do just about anything for publicity, and that includes bringing an elephant into the theatre. That's just what Samuels did this past week to prove that the Majestic's pop corn "draws in the customers." Donna Pugh, left, is enjoying feeding Big Bill, but Wanda Arther and Ann Freyschlag don't look too sure of themselves. Katherine Watson, up there high, is all for it, of course. (A&C Studio Photo).
