## 'College Bond Program Necessary If School Continues To Progress'

On March 6, 1962, people of the Ranger Junior College District will vote to decide whether or not the Junior College can issue bonds in the amount of \$336,000.00 for the construction of a science building, a gymnasium and a class-room-administration building.

The Board of Regents of Ranger Junior College announces that this building program is essential to the continued existence of the college. For years the college has operated under conditions which are somewhat less than adequate for a good junior college program. Criticisms have been voiced by Accreditation Associations which can no longer be ignored. Most of the objections to the junior college program as it now exists is centered around the lack of adequate facilities, in addition to substandard existing facilities. In order for the college to maintain its academic standing and to overcome these criticisms the building program is quite essential.

A direct quote from a report of the Association of Texas Colleges and Universities Committee on Standards and Classification, headed by Dr. Alfred H. Nolle states, "In as much as it is the opinion of the committee that all the difficulties of this institution stem from lack of financial support, it is recommended that the college should have at least three times as much money from the Ranger Junior College District as it now receives." Other quotes from this same report are as follows: "The laboratories were in good order but the facilities for teaching all three of the sciences offered, biology, chemistry, and physics, were inadequate." The plant in general needs extensive repair and rehabilitation." Another quote from the report states that "by way of comment I would add that if Ranger Junior College is to retain its present status as a member of the Association of Texas Colleges, the report of the college to be filed with the committee in advance of the next annual meeting of the Association, must show substantial improvement in all areas to be identified in the minutes of the committee as defective under the standards of the Association. Greatly enhanced support of the institution is to in a position to make the progress expected of it in the several areas indicated."

### College Teachers Elected Officers At TJCTA Meet

Ernen Haby, instructor of social science and agriculture, Ranger Junior College, was elected a member of the Board of Directors of the Texas Junior College Teachers Association in San Antonio at the convention of the association February 22-24.

Haby will serve as Registrations Chairman for the 1963 convention, which will be held in Dallas February 14-16, 1963.

Henry Pope, Ranger Junior College instructor in chemistry and physics, was elected chairman of the chemistry section of the 1963 convention.

### Gravesite Rites Today for Infant Son

Graveside rites will be held at Evergreen Cemetery Thursday (today) at 3:00 p.m. for the two day old infant son of Mr. and Mrs. Fielding Winchester of Odessa.

The infant was born Monday morning and died Tuesday night at 12 p.m.

Survivors include the parents, maternal grandparents, Mr. and Mrs. Wright Emfinger of Ranger and paternal grandparents, Mr. and Mrs. Ronald Winchester of Albany.

### Dinner-Dance Honors RHS Basketball Team

A semi-formal dinner-dance honoring the Ranger High School basketball team a n d coach was held Saturday night at the Union Building.

The school colors, maroon and white, were used in the attractive decorations on the doors, windows and ceiling. Large banquet tables were covered in white and maroon strips were placed down the center of each table. Along these strips were humorous caricatures depicting typical basketball players. Beside each small figure were cards with appropriate quotations to fit that particular model. A lovely flower arrangement centered the head table. A focal point on one of the walls was a large poster with "A Players' Basketball Vocabulary." Miniature basketballs were attached to the borders.

Ray Newnam gave the invocation. Following the meal, Jimmy Drennan acted as Master of Ceremonies for the short program. Special guests were recognized. They were Mr. and Mrs. Rayneal Baze, Gene Townzen, Mrs. Bill Young and Miss Sue Graham, Basketball Sweetheart. Mr. Baze, junior high school basketball coach, and Mr. Townzen, who served as official scorekeeper, were avid fans of the Bulldogs during the season

### Phi Theta Kappa Planning Games Night March 9

Delta Tau Chapter of Phi Theta Kappa, national honorary scholarship society of Ranger Junior College, is planning a Games Night at 7:30 P. M., Friday, March 9, in the college cafeteria. Tickets are now available for the musical revue of "The Sound of Music" by Rodgers and Hammerstein to be given by Elizabeth Peabody of Dallas.

The revue will be presented at 2:30 p.m. March 17 in the auditorium of Ranger High School. Tickets which are \$1.50 each may be bought from members of 1947, New Era and 19-20 Clubs, which are sponsoring the presentation. Mrs. James Ratliff is general ticket chairman.

### Teenage League To Meet Friday

Joe Camacho, president of the Teenage Baseball League, announced today that a very important meeting for the league would be held Friday night at 7 p.m. in the Chamber of Commerce office.

Camacho said that all parents of the teenagers and officers of the league are urged to attend. New officers will be elected and also an attempt will be made to organize a Senior League during the meeting Friday.

### Schools to Observe Public School Week

Public School Week begins March 5 and continues through March 9 in Ranger. For the 16 years, public spirited citizens of Texas have sponsored this week. Its purpose is to bring to the attention of everyone the fact that the Public School is "Democracy in Action."

Do you remember when you took a red apple to school for the teacher? Or the first flowers from Mother's garden? Yes, those were the good old days, but to the youngsters of today they are the "same days"—different only in individual perspective. You can join with the youngsters of your neighborhood and visit the Ranger Public Schools during the statewide observance of Public School Week. You will be welcome. It will

### PROCLAMATION Public Schools Week in Texas

WHEREAS: The security and future progress of our Nation depend more than ever before on the adequacy of our schools, and

WHEREAS: Since the founding of the Texas Public School System 108 years ago, the growth and development of our State has been tied closely to the educational advantages available to Texas citizens and depend upon the continuance and furtherance of educational opportunities for all Texas children, and

WHEREAS: The Texas Citizen's Committee for Public Schools Week has worked diligently and effectively since 1950 in cooperation with local school officials to bring the one purpose of Texas Public Schools Week to the attention of all the people in Texas; and records show that the number of people visiting public schools during 1961, the eleventh year of the observance increased to more than 2,000,000; and

WHEREAS: Members of the School Board are grateful for this continued interest of the people of Ranger in their public schools,

BE IT THEREFORE RESOLVED: That I, Morris Newnam, Mayor, City of Ranger, hereby designate the week of March 5 through March 9, 1962, as the twelfth annual Public Schools Week in Texas, and urge all citizens in Ranger to visit a public school during that week.

### Fire Destroys Vacant Home on Young Street

Ranger Volunteer Firemen fought a stubborn blaze for over 1 1/2 and one-half hours early Tuesday morning in a house located at 1006 Young Street.

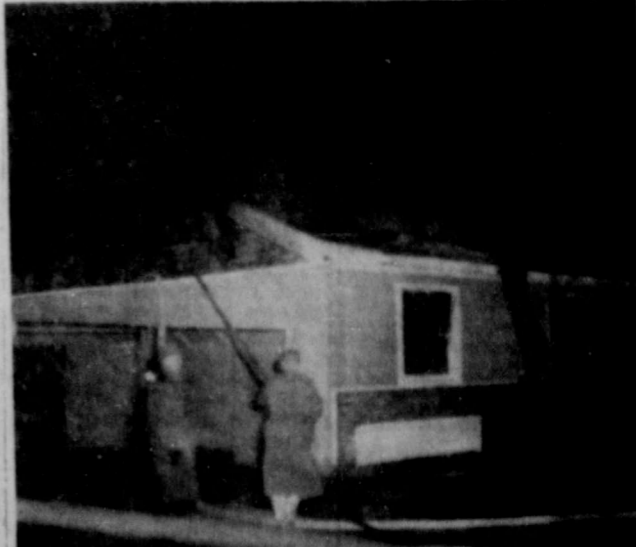

The alarm was turned in at 5:18 a.m. Tuesday, but 1 1/2 hours had a big head start before the fire was discovered. The house owned by Mr. and Mrs. Leo Watson of Fort Worth was a total loss. No one was living in the house at the time

of the fire. Firemen were hampered by freezing weather and sleet.

The exact cause of the fire was not known.

Another fire was discovered early Sunday morning in the lobby of the Paramount Hotel. The fire was discovered about 5:20 a.m. Sunday.

Five started in a divan in front part of the lobby, burning the walls and causing considerable smoke damage.

EARLY MORNING FIRE—Ranger Firemen are pictured as they fought a house fire Tuesday morning at 5:20 a.m. Firemen worked in freezing rain and sleet in 24 degree temperature for over 2 1/2 hours before bringing the fire under control. (Staff Photo).

BANQUET HONORING Mr. and Mrs. Wilson Guest (back row) was given by the deacons and their wives of the First Baptist Church Friday night in Tom and Jenny's Cafe. With backs to camera are Mrs. G. B. John Merritt; leading free throw  
percentage—Johnny Wells;  
most points scored, in one game  
(A team)—Ronnie Hinds with  
21; most points scored in one  
game (B team)—Jesse Renteria  
with 20.

Coach Young asked team  
members to be recognized accord-  
ing to classifications, mention-  
ing that only four seniors would  
be lost. Concluding the statis-  
tics with a word of appreciation  
to the team for their fine co-  
operation and progress during  
the year, Coach Young asked  
that the entire group stand and  
sing the school song, which was  
led by Miss Sandra Treece.

## ELECT WAYNE GIBBENS

To A Second Term As YOUR  
STATE REPRESENTATIVE

SMEAR TACTICS, in my opinion,  
have no place in any political race. It is  
for this reason that I believe there are  
certain matters which should be called  
to the attention of the people of this  
district.

There are powerful professional lob-  
bysts who live outside this legislative  
district who would like very much to de-  
feat me in my race for a second term as  
your state representative. I have  
consistently voted independently and for  
the best interest of the people of  
his area, and for this reason I have  
aroused the lobby's dislike for me.

It is regrettable that my opponent is  
conducting the type of campaign these  
professional lobbyists would like to see  
carried on in this legislative race. I  
assure you that I will not have any part  
in a "mud-slinging" campaign, and that  
I will continue to ask for your support  
solely on the basis of issues and my  
legislative record and that of my  
opponent.

As the campaign progresses, it is my  
plan to tell you, the voters, the facts  
about the legislative records of each of  
us. I will try diligently to meet as  
many of you as time will allow.

Sincerely,  
WAYNE GIBBENS  
State Representative

### Lacasa HD Club Members Have Meeting Thurs.

The Lacasa Home Demonstration Club had their regular afternoon meeting, Thursday, February 22.

The meeting was called to order by the president, Mrs. Robert Jackson. The Club Calendar was read in unison. Roll call

was answered by "The Coziest Thing I Ever Did", which included such tales as cutting off a snake's head with a butcher

knife to cooking breakfast after an afternoon nap. The Club voted to buy new curtains for the Community Center. Each one is to bring a suggestion or a sample of material to the next meeting.

As a Demonstration for the club, Mrs. Joe Jackson gave a very interesting and instructive demonstration of Plant Propagation. The next club meeting will be Thursday, March 8 and the

lesson will be draperies. Attending were Misses R. E. Miller, Jack Pockrus, J. C. Bradford, Joe and Robert Jackson, Artie Sherrill, and D. B. Raney. Mrs. Pete Nickles and daughter, Wanda of Caddo, were visitors.

**Odako Campfire Girls Have Regular Meet**

The Odako Campfire Group met at the Methodist Church on February 23, 1961.

The President called to the meeting to order and the girls sang the state song, "Texas Our Texas". Minutes of the last meeting were read by the secretary, and roll call was answered with each girl's Indian name. Dues were taken up by the treasurer.

The group discussed writing a short story with at least ten Indian symbols. Two visitors, Christy Woody and Amelia Williams were welcomed to the meeting.

Outdoor games were played by Janet Covington, Mary McGee, Janan Niska, Vicki Summers, Jan Pearson, Becky Adams, Cathy Bourke, Nancy Newnam, Cheryl Mahaffey, Amelia Williams, Christy Woody and Mrs. Morris L. Newnam.

At the close of the meeting the girls sang the Campfire Girls Law and recited with the closing song.

**Drama Is Theme Of Program At Chapter Meet**

The following were filed for record in the County Clerk's office last week:

**We Are Fond of Fires—**

... that warm the home in wintry weather, but not the kind we read about in the papers. We like ice in its place, but in the form of sleet and hail its unbearable. Spring breezes are exhilarating until they turn themselves into tornadoes and leave us helpless in their wake. So we can't have everything exactly as we want it with the possible exception of insurance. Because it costs so little and its value so great, always be adequately insured.

**THANK YOU RANGER...**

I recently visited every residence in Ranger, and found most of the people at home. My mission was to meet you and ask for your vote in the Democratic Primary for County Judge of Eastland County.

Having lived in the county for 45 years, I know the people and the county's needs and problems. And you can be sure that I will be ready to work very hard to make you a good county judge if you honor me with this office.

Don't hesitate to call me at my home in Olden if you have any questions. My past business experience qualifies me to do you a good job as your county judge.

**Price, spice and everything nice!**

Who ever thought a car that saves like this could have so much pizzazz? Chevrolet engineers, that's who! Liveliness and luxury for a low, low price were exactly what they had in mind to begin with. And they began from scratch with a whole carload of ingenious new ideas designed to give you more car for your money. That spunky 6 with gas-sipping stinginess is just one example. Another: a new unitized Body by Fisher that's fit for a full-size family inside, easy to park outside. Still another: tough but gentle one-piece Mono-Plate rear springs that outdo many a bigger car for quiet comfort. And along with the dollar-saving dependability you just naturally

expect in a Chevrolet-built car, Chevy II has a flock of features that cut upkeep costs to the bone. For example, the various front-end components—fenders, engine compartment, the works—bolt on and off to make repairing easy. Any wonder Chevy II won Car Life magazine's 1962 Engineering Excellence award hands down? (The only wonder would be if you settled for anything less—once you get your hands on one at your Chevrolet dealer's!)

1962 Is a Great Year, and This Sunday Is a Great Day In The Life of The

**FIRST BAPTIST CHURCH**  
 Of Ranger

This year marks the 80th anniversary of the church. Organized in 1882, for four score years it has stood as a symbol of the presence of God in the midst of the people.

In 79 years, the church was blessed by the labors and leadership of twenty-two men who served as pastors over periods ranging from a few months to eleven years.

Recently Rev. Avery Sullivan accepted the call to become our pastor and will be in the pulpit for both services this Lord's Day. This will be a new experience for many. Our Junior boys and girls as well as many older people who have united with our church cannot remember the occasion of "A New Pastor".

A concerted effort is being made to make the services an all time high in spirit and numbers. The attendance goal of 310 for Sunday School is almost 100% pledged. Officers, teachers, and members are busy contacting absentees and preparing for the expected increase.

We urge our members to make this "Church Day" on their calendars. Surely attendance on such an occasion is a "Must". We extend a cordial invitation to our friends of other churches or of no church to come and worship with us, and to meet and hear Rev. Sullivan—Our Pastor, Ranger's Citizen.

You are always welcome! The Nursery will be open!

# Wintry Blast Expected To Damage Fruit Crop

The Eastland County fruit crop was expected to be severely damaged as a result of a cold wave Monday and Tuesday that dropped temperatures to 15 degrees early Wednesday morning.

The forecast was for more of the same with possible snow or freezing drizzle.

The cold wave moved into this region Sunday night drop-

ping the thermometer to a low of 31 degrees. The mercury went down to an even 21 degrees at 5 a.m. Tuesday.

Due to unseasonal warm weather during much of February, most fruit trees were in bloom. County Agent J. M. Cooper said it is too early to determine the amount of damage done to the crop by types of fruit trees were in bloom, including pears, plums, apricots and peaches.

Cooper said it would be two or three days after the weather thaws to determine the extent of the damage. "Orchardmen can determine for themselves by peeling the bloom," Cooper said. "If the little fruit is black then there is no hope for the crop."

There are many factors involved, Cooper said, including the vigor of the tree itself, the duration of the sub-freezing temperatures and the amount of moisture which fell be-

fore the temperature dropped. Precipitation amounted to between two and three tenths of an inch Sunday night.

# Railroad Denies Negligence In Answer to Petition

The Texas and Pacific Railway Co. this week filed an answer in 91st District Court in Eastland to an original petition filed earlier by Mrs. Jodie Robinson.

Mrs. Robinson filed a \$36,500 damage suit claiming seven counts of negligence on the part of T&P, as the result of an incident in which her husband, Jodie Robinson, was killed when the auto which he was driving was struck by a T&P freight train at the Daugherty St. crossing on Jan. 23rd.

In the petition, Mrs. Robinson asked for \$5,000 for the loss of love and affection of her husband, \$25,000 for his

loss of earning and \$1,500 for burial expenses.

Mrs. Robinson is represented by Splawn and Manor.

T&P's answer to the petition contained four points, including:

1. Exceptions to the claims for loss of love and affection, stating that such is "not recoverable";

2. denying each of the material allegations concerning negligence;

3. offering to show that Jodie Robinson was negligent; and

4. calling the incident "unavoidable."

The T&P answer was filed by Earl Conner Jr. and Jackson Walker, Winstead, Cantwell and Miller law firm of Dallas.

## Gordon FHA-

(Continued from page one) every section of the United States. The recipes are very practical and are suitable for everyday meals.

The "Meats Edition" contains a separate section for each of beef, veal, pork, and lamb. Cooking tables and charts, and over 90 actual photographs of meat cuts are included. A meat calorie chart and an herb and spice chart are featured. Ground beef and hamburger recipes are included in a section containing over 300 recipes. The recipes in this section feature many methods—everyday, creative, and gourmet—of preparing ground beef and hamburger.

One section is devoted to casseroles with over 325 meat, seafood, and poultry recipes featured. Other interesting sections include meat recipes for large groups and out-of-door cooking, meat soups and sandwiches, recipes on seafood and poultry, and recipes on ready prepared and convenience food.

The two most interesting sections feature wild game and foreign foods. These alone are worth the \$2.95 price FHA members said.

Cookbooks containing fewer recipes than this book cost much more.

For information on how to obtain this book, contact the FHA adviser at the Gordon High School.

## College Bond-

(Continued from page one) goal cannot be accomplished nor can the college continue to grow unless the voters enable it to grow. The increased enrollment will be a definite asset to the economy of the city in that the construction of these buildings means more work for the labor forces in Ranger, more business for the local businessmen and a general improvement in the outlook for the entire city. The building program promises more teachers will come to live in Ranger and to bring their families to Ranger, more demand for more business and better education for our local young people.

Both the city and the college are fighting for their lives. The Board of Regents, among other civic minded groups in this city, feel that the destiny of the town is linked with the destiny of the junior college. The rather small increase in taxes paid means the difference between having a junior college and not having one. A voter in the district who renders property with a value of \$2000.00 will have an increase in his school taxes of only \$10.00 per year.

On March 6, the voters of the community can decide whether to build a bigger city and an improved city by building a bigger junior college and an improved junior college.

# Olden HD Club Hosted By Mrs. J. D. Herrell

The Olden Home Demonstration Club met Monday, Feb. 19, in the home of Mrs. J. D. Herrell with Mrs. W. P. Edwards, vice president, presiding in the absence of Mrs. Rudi Marshall, president.

Mrs. Beverly Nicholson, County HD Agent, led the group in the opening exercises followed by the devotional given by Mrs. O. H. Dick.

Twelve members answered roll call with "My Favorite Thing." Mrs. Jessie McIvain read minutes of the previous meeting which were approved by the club.

Following the brief business

## 4-H Club Week March 3-10

March 3-10 has been designated as 4-H Club Week in Texas. The same week will also be observed as National 4-H Club week.

In his official proclamation, Governor Daniel pointed out that the development of citizens and leaders for America is a high purpose of 4-H Club work. All citizens have a special invitation to participate in the activities planned for their community.

Officers elected were the following: Joe Collins, president; D. E. Warren, vice president; Wayne Eaves, secretary; and Tom Broom, reporter.

Jay Nanna, president of the Texas Farmer's Union, showed a film on farm progress and made a very interesting talk concerning farmers' unions and its purpose.

Refreshments were served at the close of the meeting.
