THINKING OUT LOUD
BY JAY BETHANY

The Ranger Jaycees had the pleasure of hearing Dr. Ted Nickstick speak at their weekly Thursday morning meeting.

The subject of Dr. Nickstick's talk concerned the attitude of many of our citizens toward the city and the future it holds for us.

Many have a negative attitude, an attitude that is contagious and unhealthy, if we are to better ourselves.

If we are to move forward the first thing that must be done is to reverse our way of thinking.

Think positive.

"Think not what Ranger has to offer me, but what have I to offer Ranger."

These words, or words to the effect, may have a familiar ring, but they apply so well to our situation.

What is wrong? What can we as individuals do for the betterment of our city?

We can start by taking a long look at what is wrong. After we determine what is wrong a definite plan can be established to correct it.

No Doctor can prescribe a cure for an ailment without first diagnosing the cause.

The citizens, in this case, are the doctors. No one man holds the solution. No one man can diagnose and prescribe, it has to be a team effort.

The Ranger Jaycees have taken a long stride in the right direction. They accomplished that which was thought to be impossible. The rodeo arena stands as a good example of what can be done by putting forth the necessary effort.

What a small group of people cannot do, a combined effort of the entire community can.

The Ranger Times invites all those who are interested in seeing something done for the city to express their opinions on this subject. Letters will be published in the "Letters to the Editor" column providing they are constructive and signed by the writer. If you write please keep the letters brief and to the point. Do not be ashamed of your opinion—express it.

Bulldogs Lose Close One With Dublin Lions With Score of 23 to 14

The hard running of Dublin's fullback John Turney and the toe of Jay Carter was the deciding factor in the Bulldog's defeat by the Lions there Friday night.

In a scoreless first quarter the Bulldogs almost got an early break. Turney received a bad snap on a punt attempt, juggling it seemed almost certain to be thrown for a loss with the Bulldogs taking the ball deep in Dublin's territory.

The speedy fullback pulled the play out of the fire, however, with a nice runback for a first and ten.

The drive was stopped on the Bulldog 22 with L. H. Pound's pass interception.

Ranger moved the ball well only to have the drive bog down on Dublin's 35, giving the ball up on downs.

Dublin could not move the ball and kicked.

Ranger also found the going rough and was forced to punt. Ray Newnam, handling the punting chores for Ranger, put the Lions deep with a punt, dying on the ten.

From that point the Lions set in motion what was to be a 90-yard scoring drive.

John Turney scored from ten yards out. With the try for point no good, Dublin led 6-0, with five minutes, 32 seconds, left in the half.

Ranger's L. H. Pounds returned the kickoff thirty yards and would have gone all the way except for Turney, the boy that was to cause so much trouble for the Bulldogs all evening.

After the good runback, Ranger was shocked once again by Mr. Turney as he swiped Johnny McGee's third down pass and flashed down the sidelines for Dublin's second touchdown. The two point conversion made it 14-0.

Puppies Drop Close One To Eastland, 8-0

The Ranger Junior High Puppies experienced their first defeat of the season at the hands of the Eastland Junior High team Thursday night by a score of 8 to 0.

Both teams, undefeated in previous play were trying to keep their records clean.

With one minute and 20 seconds remaining in the fourth quarter, Eastland finally found the right combination with an end converted to fullback.

The Ranger team moved the ball well but failed to put enough together for a tally on the score board.

The final score, Eastland 8, Ranger 0.

RJC Awards Contract For 4 New Buildings To Abilene Company

Ranger Junior College has awarded a contract for \$281,163.00 to Haney Construction Company of Abilene for the construction of four new buildings on the campus, according to Chairman of the Board, Richard Henderson. Eugene Elam of Wichita Falls is the architect.

An administration-classroom-science building complex will face northwest of 4.95 acres of land, recently deeded to the college by the City of Ranger, and located due south of the present campus.

The gymnasium will be located just southeast of the athletic field.

The new entrance to the campus from Highway 80 will be located southwest of the fine arts building (armory) and will utilize another 7.57 acres of land given the college by the city of Ranger.

Haney said construction would start in the next 24 hours and would consume 200 working days, or approximately 10 months, bringing completion date to the first week in August, 1964.

The 4966 square foot administration building will have a limestone front with the sides of masonry and buff brick, all companion to the newly constructed dormitory for boys, which is located on Sinclair Avenue on the campus.

The administration building will be air-conditioned for year round weather control and covered walks will connect with both the classroom and the science buildings. Double front entries to the administration building will be located on either side of the stone wall.

The gymnasium will have 102' clear-span laminated wood arches covering the gym floor. Reinforced concrete raised bleachers on either side of the playing field will seat approximately 1300 persons. Below the seating area will be dressing and shower rooms both for boys and girls physical education classes. The open entry will have four offices and a ticket booth. The athletic and physical education departments will be housed here.

The gym will have 17,988 square feet of space, the classroom building will have 5852 square feet and the science building 6474 square feet.

The gym interior walls will be of concrete block with the exterior walls matching those of the other buildings. The ceiling will be of exposed wood decking.

A sidelight on the arches for the gym roof reveals that they are some of the largest laminated wood arches ever made in this country and will be hauled by truck to Ranger under police escort, from Magnolia, Arkansas, where they are manufactured, according to the architect.

Anderson said the bonds for the building program were approved by Ranger voters in March 1962. "This culminates one year and seven months of work toward this project and I, for one, am glad to see the work start."

Texas Electric Quarter Century Banquet Tuesday at Breckenridge

Employees and guests of Texas Electric Service Co. in the Eastland area will honor members of the Quarter Century Club at the company's annual banquet, to be held Tuesday, Oct. 8, beginning at 6:30 p. m. in the National Guard Armory at Breckenridge.

Dr. Carl S. Winters, who will be remembered by many TESCO employees for his informative and entertaining talk at the Quarter Century Club meeting three years ago, has been invited to make a return engagement as guest speaker.

Dr. Carl S. Winters is on the lecture staff of General Motors and has made hundreds of talks to business and educational groups in the major cities of the world, District Manager Frank Sayre of Eastland announced.

Winters, of Oak Park, Ill., has achieved a reputation as one of America's foremost inspirational speakers and is noted for his humor. His subject in 1960 was "Opportunity Unlimited" and his message at this year's dinner is expected to be equally provocative.

For the first time in several years none of the 12 new members being added to the Quarter Century Club this year are from the Eastland area. The club now boasts 338 members, including 91 who have retired from the company but are still active in the club. This is the largest membership since the club was formed in 1948 to honor employees with 25 years service.

Only two speakers are on the program, President Beeman Fisher and the guest speaker, Bingo games and a dance will follow the banquet. Music for dinner and dancing will be by Jack Free and his orchestra.

Mr. Sayre will be master of ceremonies and will introduce the guest speaker.

Membership in the club in the Eastland area, now totals 45, and these persons will be seated in a special section in front of the speakers platform.

Governor's Proclamation Starts United Fund Drive

September, October and November have been proclaimed United Community Campaign Months in Texas by Governor John Connally, who urges all Texans "to participate generously in the campaigns which are carried on in their local communities."

The official proclamation was issued as United Funds and Community Chests all over the state prepared for their drives. United Campaigns in Texas last fall raised over 26 million dollars to the aid health, welfare and character-building agencies.

In his proclamation issued in Austin September 18th, Governor Connally said: "The United community campaigns, frequently called United Fund drives, deserve the support of everyone. Many worthy activities benefit from this unified approach, and the contributor has the added satisfaction of knowing that whatever he or she gives will be used for the greatest possible good. These coordinated efforts to raise operating funds for local and national health, welfare and character-building agencies make fund-raising more efficient and equitable."

Ranger's drive will be set in motion with a kick-off breakfast at the College cafeteria, Tuesday morning Oct. 15.

The 1963 United Fund drive will be directed by Bill Collins, President and Dick Henderson, Drive Chairman.

RJC Students Have Kid Party Thursday Night

Ranger Junior College students enjoyed a Kid Party Thursday evening, October 3, sponsored by Miss Sanya Sullivan, personnel director. The Fine Arts Building was invaded by a large group of students dressed as five-year-olds. There were contests, prizes, refreshments, and dancing for the entertainment of the students.

Winners in the different contests were as follows: bubble-gum-blowing contest, Gracie Tankersley; stick horse race (boys) T. C. Collier; stick horse race (girls), Gracie Tankersley. Prizes for best-dressed "kids" were given to Butch Owen and Sandra Ailsap, couple; Mary Rhoads and T. C. Collier, individuals.

The surprise of the evening came when old snapshots were shown of many RJC students on an opaque projector. Childhood pictures of many of the students had been obtained for the occasion by Miss Sullivan from parents, and the showing brought much laughter and merriment.

Miss Sullivan was assisted by Miss Dorothea, Mr. and Mrs. Kenneth E. Alfard, Mrs. James P. Morris, and Mrs. Ella Moore.

WWI Veterans, Auxiliary Will Meet At Ranger

World War I Veterans and Auxiliaries of Cisco, Eastland and Ranger will host the 17th District meeting to be held in the National Guard Armory at Ranger, Sunday, October 6, beginning with registration at 8 a. m.

A devotional and memorial service will be held at 9 a. m., and dinner will be served at noon at the Armory by Eubank's Catering Service of Cisco.

Crigger Paschall of Cisco, District Commander, will preside when the group convenes at 1 p. m. and will introduce visitors, dignitaries and officers of the district. He will also introduce the principal speaker, Department Commander E. L. Sprague of Fort Worth.

The Barracks and Women's Auxiliaries will hold separate business sessions. Commander Paschall and Mrs. Roscoe Reger of Cisco, Auxiliary District President, will preside, respectively.

All World War I Veterans and their families were invited to attend the convention.

Two Ft. Worth Boys Write RJC "Fight" Song

Two Fort Worth boys who are attending Ranger Junior College have collaborated on writing lyrics for a FIGHT SONG for the college. Ronnie Smith is a sophomore student from Poly High and the son of Mr. and Mrs. J. L. Smith. Roy Frantom is the son of Mr. and Mrs. Otto H. Meisner.

Both students are members of RJC band which is under the direction of another man from Fort Worth, Roger C. Martin.

The song is set to music taken from "Time Out, Number 1" and will be used by the band and cheering section at all athletic events, currently, football games.

Fight on, You Ranger College Rangers, Fight on for dear Old RJC. Let's give a yell And great big cheer For the school we love so dear. Shut out That purple, white team. Come on, you Rangers, fight and win. We'll shout and fight for dear old Ranger. Come on, you Rangers, Win!

A. G. Hobbs To Speak In Revival

A revival meeting will begin at the Rusk and Mesquite Street Church of Christ Wednesday, October 9th at 7 p. m.

Evangelist, A. G. Hobbs of Fort Worth will do the preaching. He is well known in many states as an outstanding gospel preacher.

Services will be at 7 a. m. and 7 p. m. He will give a special lecture on Communism on Sunday, October 13, at 2:30 p. m.

The following subjects will be used during the meeting: Wednesday, October 9 — The Certainties of Christianity. Thursday, October 10 — Seeking the Lost. Friday, October 11 — Vital Principles for Studying and Understanding the Bible. Saturday, October 12 — Heartfelt Religion. Sunday, October 13, a. m. — Gods That Have to Be Carried. Sunday, October 13, p. m. — What About The New Birth? Monday, October 14 — Christianity and "Churchianity". Tuesday, October 15 — Things That Man Cannot Choose. Wednesday, October 16 — What About Eternal Punishment?

New Non-Fiction Titles Found In College Library

Miss Dorothea Linn, Ranger Junior College librarian, reports that many new non-fiction books have been added to the college library this semester.

One appropriate book is FIGHT FOR FREEDOM, a story of the NAACP by Langston Hughes. Also available is the celebrated PT 109 by Robert Donovan.

James Thurber's FABLES FOR OUR TIMES AND FURTHER FABLES FOR OUR TIMES are humorous satires in the traditional Thurber style that have been added.

For followers of the relatively new sport of skin diving, there are two books: DIVE by Rick and Barbara Davis and LADY WITH A SPEAR by Eugenie Clark.

These are only a few of the new books that can be found on the library shelves. If one doubts it, he may ask Research, a cat that wandered into the library last week and was designated the library cat by Miss Linn, who said that it seemed to be doing research, nosing into every corner and even the film library. Strange to say, he seemed to prefer fiction to non-fiction books. He must have stumbled upon an article about curiosity and cats, for he has abandoned the library temporarily to become a member of Mrs. James P. Morris' English class.

Poll Taxes Are Now On Sale

County Judge Scott Bailey was the first Eastland County resident to pay the 1963 poll tax. Judge Bailey arranged to receive Eastland County's poll tax receipt number "One" in order to call attention to the up-coming election on November 9th, which will allow qualified voters of Eastland County to vote for or against an amendment making payment of the poll tax a requirement of voting.

Judge Bailey called attention to the fact that a provision for poll tax was added to the State Constitution in 1877. The early poll tax was strictly a financial proposition, with the first mention of it as a voting requirement coming in 1902. At this time, according to Texas History books, the Populist Party in Texas was making considerable progress and some feared it would harm the Texas Democratic Party so the payment of a poll tax was made a requirement to become a qualified voter.

Those attending were Mmes. L. L. Bruce, Frank Hicklin, L. H. Kay, L. D. Tankersley, Lloyd Clem, T. J. Anderson, Pete Miller, C. A. Strong, W. Gorman Morton Jr., B. Houghton, Sr., W. A. Lewis, Avery Sullivan, Felton Huff, H. E. Brooks, Alvin Hutchins, F. E. Langston, R. L. Hamrick, Roger Martin, and Anice Locke.

Personality of the Week

Don Barker, recently elected president of Phi Theta Kappa, has been chosen Personality of the Week. A sophomore, he is an accounting major at Ranger Junior College. He is undecided what senior college he will attend after he graduates from Ranger.

Born in Vernon, he is the son of Mr. and Mrs. T. E. Barker, Electric. He is of a football family, being one of five sons, all but one of whom play football. Don is a defensive cornerback on the 1963 Ranger Junior College football team. One of his brothers, Gary, is freshman RJC student this year.

A very popular young man Don was elected Mr. EHS in Electra High School and freshman class favorite last year in Ranger College. He lettered in all sports in high school and was selected for the 1959 All-District football team. In addition to football, his hobbies are hunting and fishing.

BAND NOTES
The bass and baritone sections are the youngest of the Ranger Junior College Marching Band, for they have the largest percentage of freshmen. Of the ten members of these combined sections seven are freshmen.

The freshmen bass players include Robert Barnes of Eastern Hills High School, Fort Worth, whose major is aeronautical engineering; Jimmy Helm of Polytechnic High, Fort Worth, whose planned profession is music education; Mark McCarty of Brewer High in Fort Worth, whose major is math; and Lloyd Broyles of

Breckenridge, who plans to be a band director. The booming veterans of this section are David McCarty of Fort Worth and Dayle Penney of Ranger. McCarty plans to become a band director and Penney, a teacher. Freshmen among the baritone players are Tommy Brown of Hamlin, whose major is business administration; Ronald Austin of Polytechnic High, Fort Worth, whose planned profession is law; and Jamie Hudman of Smiley High, Houston, whose major is accounting. The lone veteran baritone is James Carrigan of Fort Worth. Carrigan plans to teach the deaf upon graduation.

MASCOT
The little blond with the big blue eyes who is helping the cheer leaders this year is Angie Williams, 1963-1964 mascot. Angela Elizabeth is the four-year-old daughter of Coach and Mrs. Gerald Williams. Last year Angie was mascot for the Blinn Buccaneers at Brenham. She likes to twirl and has studied dancing. She is looking forward to going to kindergarten next year. Angie has a brother, Ricky, 5, and a sister, Kim, 2. She also has a kitty cat named Fuzzy Wuzzy.

The band, faculty, and student body of Ranger Junior College met at 7:45 a. m. Friday morning for a pep rally "Under the Trees" to give the Rangers a rousing send-off. The Rangers left at 8:00 a. m. by bus for Wharton where they will meet the Wharton Junior College football team Saturday evening, October 5. The boys dressed in coats and ties lent dignity to the rally, and their attractive appearance should make a favorable impression on people they meet on the road.

**Miss Hallbrooks and Mr. Garrett
Wed in Double Ring Ceremony**

Miss Sandra Hallbrooks and Charles E. Garrett were married Saturday evening, September 28, at 8 o'clock in the First Methodist Church of Ranger. The bride is the daughter of Mr. and Mrs. Wendell A. Hallbrooks of 320 East Main and the groom is the son of Mr. and Mrs. Charlie L. Garrett of 709 Paige Street.

Rev. Lively Brown of the First Methodist Church of Georgetown officiated at the double ring ceremony.

Wedding music was presented by Mrs. F. P. Brashier, Jr., organist, and Gaston Dixon, soloist, both of Ranger.

Mrs. Brashier accompanied Mr. Dixon as he sang "O Perfect Love" and "The Lord's Prayer." Other traditional selections were rendered as the bridal party entered and left the church.

Miss Donna Drennen, bride's maid, wore a street length dress of blue taffeta, featuring a scooped neckline. The skirt was encrusted with pearls which formed a diagonal design. Her tiara was of blue net and she carried a single yellow rose.

The groom's father served his son as best man. Ushers were Bill Kendricks of Eastland, Jim Tom Garrett of Ranger, brother of the groom, Billie Mac Nichols of Houston, brother-in-law of the groom, and Gene Guy of Fort Worth.

Donna Perrin of Ranger and Jolly Brown of Georgetown were candle lighters.

The bride, given in marriage by her father, wore a floor-length gown of white satin, accented with small white satin covered buttons down the back where the fullness of the dress formed a short train.

Long tapered sleeves came to a point over the wrists. Her elbow length veil was attached at a pearl beaded tiara with crystal drops. Her only jewelry was a diamond and drop pearl necklace, a gift of the groom. She carried a bridal bouquet of white iris, centered with an orchid atop a white Bible.

Immediately following the ceremony, a reception was held in the fellowship hall of the church. The bride's table was laid with a three-tiered skirt of tulle over a white satin cloth, trimmed in Alecon lace and white satin streamers at each corner. Centerpiece was a crystal container holding an all white arrangement of pom-poms. Mrs. Jack Hillard served the white, four tiered wedding cake which was topped with a miniature bride and groom. Mrs. James Swinney of Denton laded the punch.

Miss Kay Wood of Fort Worth presided at the registry table which was centered with an arrangement of white chrysanthemums.

Members of the house party included Glenda Rains of Fort Worth, Mrs. Glen Riley of Denton, Mrs. Raymond Yarbrough of Arlington, Sissy

Blackwell, Dorothy Ann Olliver, and Betty Jo Weeks of Ranger.

Assisting at the reception were Mmes. O. L. Cantrell, Joe Weeks, J. A. Lenzen, E. Huffman and J. D. Johnson. For her wedding trip, the bride wore a beige double-knit suit with tan accessories, and an orchid corsage.

Out-of-town guests at the wedding included Mr. and Mrs. C. V. Gothart, and Ronnie, and Mr. and Mrs. N. E. Huffman and Cheryl of Decatur, Mr. and Mrs. J. A. Lenzen and Tommy of Abilene, Mr. and Mrs. J. S. Wilhelm, Kay, Richard, and Larry of Austin, Tim Covington of Austin, Glenn Covington, and Cathy of Arlington. Mrs. Lively Brown and children of Georgetown, Mrs. Billy Mae Nichols and Kelly of Houston, Mrs. Carl Elliott of Eastland, Mrs. Bill Kendricks, Stacy and Ron of Eastland.

The bride is a graduate of Ranger High School where she was a member of the Sub-Debs, and a majorette in the high school band for four years. She is presently employed at Olmsted-Kirk Paper Company of Fort Worth.

The groom attended Ranger High School and Ranger Junior College and is employed by Kirby Inc. of Fort Worth. The couple will live at 608 Haskell Street, Fort Worth.

**Church Loyalty
Month At First
Christian Church**

"Church Loyalty Month" will be held at the First Christian Church during the month of October. This is a special month promoted by the Brotherhood of Christian Churches all across the United States each year when a special effort is made to urge all of the church members to attend the church services and thus show their loyalty. Members of the congregation will be making special calls during the month and will be contacting members and sharing with them the work and program of the church.

Special messages will be given concerning church loyalty each Sunday morning. This Sunday the message will be "One Great Fellowship of Love." This will emphasize the meaning of the Communion Service on this day that has been set aside as "World Communion Sunday" when congregations of all denominations across the country will be observing the Communion Service on the same day.

During the month other special messages and special speakers will be heard. You are invited to attend all of the church services: Church School at 10 a. m. each Sunday; Morning Worship at 11 a. m.; Christian Youth Fellowship at 6 p. m. each Sunday evening; and the Evening Worship Hour at 7 p. m. every Sunday night.

State Fair Of Texas Opens 16-Day Run Saturday

DALLAS — The 1963 State Fair of Texas, a star-spangled "Exposition of Our American Heritage," will open Saturday, October 5, and run 16 fun-filled days through Sunday, October 20.

"How to Succeed in Business Without Really Trying," the award-winning Broadway musical comedy, and the State Fair Horse shows both will open Friday night, October 4.

Gov. John Connally will officially open the Fair in ceremonies Saturday morning following the opening day parade through downtown Dallas, led by the 4th United States Army Band.

Opening day is also Rural Youth Day, and some 100,000 4-H clubbers, Future Farmers and Future Homemakers from

all over Texas will be on hand.

Keyed to the Americana theme of the Fair, there will be a colorful "Parade of the Stars and Stripes" around the fairgrounds each evening at 6:45 p. m.

Exhibits from around the world will be on display in the Texas International Trade Fair in the World Exhibits Building. Spanning a wide range of interests, other special features include the "Faces of Freedom" display of 75 original historical paintings, an authentic encampment of Indians from the Iroquois Nation, the "Wonderful World of Jewelry and Gifts", "Optical Mazer" demonstration of a new concept of transmitting communications over light beams, FFA children's barnyard, new 1964 model cars in the Automobile Show and "live" television broadcasts from the Gas Exhibits.

Daily free fashion shows, a quilting bee, demonstrations of food preparation in the "Texas Kitchen Window" and the traditional displays of prize-winning arts and crafts and homemaking skills will be in evidence in the Women's Building.

More than 2,200 head of pure bred cattle, swine, sheep and goats will compete in the 11th annual Pan-American Livestock Exposition, October 5-13, and there are approximately 2,500 entries in the Jr. Livestock Show October 16-19. Twelve hundred horses and ponies will perform in the free horse shows.

Special free attractions include the Texas Music Festi-

val October 8, Dallas Symphony Spectacular October 10, Military Tattoo October 12, East Texas on Parade October 15 and a College Jazz Show October 16.

T&P Railway To Drop Part Of Pullman Service

Pullman service on two of the four Texas and Pacific passenger trains operating in West Texas between El Paso and Fort Worth will be discontinued in mid-October this year, due to continued deficit operations of the sleeping cars, it was announced today by T&P officers.

Pullman service on the eastbound Texas Eagle, T&P train No. 22, will bend Oct. 12. On the westbound train, No. 27, the Westerner, Pullman service will be discontinued Oct. 13.

The Pullman operating loss for the two cars being discontinued amounted to more than \$70 thousand in 1962. Last year, the westbound sleeper averaged 7.2 passengers per day; on the eastbound train, the figure was 4.6 passengers. The two sleeping cars have been averaging only about 5 patrons each per day this year.

"Texas and Pacific regrets having to discontinue Pullman service on these two particular trains," said C. A. Roberts T&P passenger traffic officer, "but with the deficit continuing and increasing, we cannot keep on running these sleeping cars at such a loss."

On other West Texas schedules, Texas and Pacific will continue to provide Pullman service. T&P's westbound Texas Eagle, No. 21, and its eastbound No. 28, the Westerner, both have sleeping car service which will be continued.

Long-term loans are helping many families to own their own homes. Since World War II, both government loans and conventional payments of mortgages have been increased from 20 years to as long as 40 years under special circumstances.

Proof of the fact that long-term mortgages with lower monthly payments have been important factors in the increase in home ownership is shown during the decade of 1950-60, when the proportion of owner-occupied homes that were mortgaged increased from 44 per cent to 57 per cent.

By using a long-term rather than a short-term mortgage, a family with a specified amount available for shelter each month can buy a more expensive house or a family buying a house at a specified price can make smaller monthly payments.

What families should be aware of is that the long-term mortgage will cost more for interest by the time it is paid off. The important decision for the family to make is to decide which is more important to them — to own now and pay more or save and buy later. The savings can be drawing interest. The family must remember to consider the amount of rent they are now paying, and how much taxes, insurance, and upkeep would be necessary should they decide to own now.

An example of the added cost of interest a family would pay on a \$15,000 loan at five and one-fourth per cent would be \$17,823 if it took 35 years to pay, and \$9,264 if it took only 20 years, a difference of over \$8,500. The mortgages would be \$78.15 and \$101.10 respectively. Total interest costs on a five and one-fourth per cent mortgage exceed the original amount of the loan when it takes more than 30 years and three months to pay the debt.

Each family must consider its own situation, needs, and goals before making decisions about loans. Whether the family selects the long or short term loan, members should make sure that the mortgage contract permits the borrower to pay off the debt faster than is required. Then the family can make larger payments if its financial situation improves later, and gain some of the advantages of a shorter-term mortgage.

'64 Johnson 90 h. p. Motors At Sport Center

Johnson Motor's new 90-horsepower Golden Meteor, the outboard with "more soup, more sass... less oil, less gas" is now on display at the Sport Center in Eastland, Bruce Pipkin has announced.

The Golden Meteor, like every '64 Johnson, uses a gas-oil mix of 50 to 1, cutting oil costs in half, Pipkin said. This V-4 engine has a 4-barrel carburetor with a straight-through induction system, equipped with electromagnetic Drive, it also has a 20-ampere, car-type alternator generator, plus a super-sensitive air-actuated automatic choke plus a lot more.

The 13 new Johnson motors for 1964 are in nine power classes, all backed by a two-year warranty policy covering both parts and labor.

The Electramatic Drive is available on the 90 horse Meteor, the 40 electric sea-horse and the 28 Sea-Horse convertible.

The Electramatic works automatically, shifts electrically, and is now even more responsive than ever, Pipkin said. Unique directional throttle controls both gas and gears.

Fall Is Just Around the Corner —

... and there are some indications that business conditions might improve. A good business climate will insure a revival in real estate trading and possibly in leasing, and now would be a good time to get the abstract ready for any emergency. Many trades are lost because the landowner waits until the last minute to have his abstract brought to date. Order now so your abstractor will have plenty of time to do you a good job.

Shrinks Hemorrhoids Without Surgery Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Lyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation 148. At all drug counters.

Mrs. Katie May remains a patient at her home here, and is reported as to be slightly improved.

Mr. and Mrs. W. H. Davis spent a couple of days last week at Temple where she underwent a series of tests. Mrs. Davis remains a house patient and is improving slowly.

Mr. and Mrs. Bud Wisdom spent the weekend here with their son, Mr. and Mrs. Bobbie Wisdom and girls.

Mrs. Bernard Keith and girls, Vicki and Tami of Clyde spent the weekend here with the Pug Gutherys and Ethel Keith. Bernard is in an Electric School at Houston for the Humble Oil Co.

Mr. and Mrs. Morgan Ro-

berts and Ulenda left Saturday for South Texas on a vacation trip. Mrs. Charlene Brutton kept the beauty shop open Saturday in Dorothy's absence.

Mrs. Howard Wade accompanied by Patsy, Jim and Jean Mosley of Olden, Randy, Elaine and Bill Moley of Ranger were in Austin recently visiting places of interest. On the return trip, they stopped at the Ole Stage Coach Inn in Salado and had dinner.

Miss Fannie Warden and her mother of Ranger attended church at the Church of Christ here Sunday and visited friends.

Mr. and Mrs. Sam Powers have had two of their grandchildren the past two weeks.

Mrs. C. E. Ragland is in Dallas this week attending Grand Chapter of OES.

Saturday Mrs. H. Wade and Mrs. J. F. Moseley were in Fort Worth shopping.

Mrs. Tom Friday has returned home from an extended visit with his children in Midland, Oklahoma, Missouri and Iowa.

Mr. and Mrs. Rob Gurhery and children of Irving, the Buck Guthery family and Peg Guthery had dinner Sunday with their parents, Mr. and Mrs. Roy Guthery.

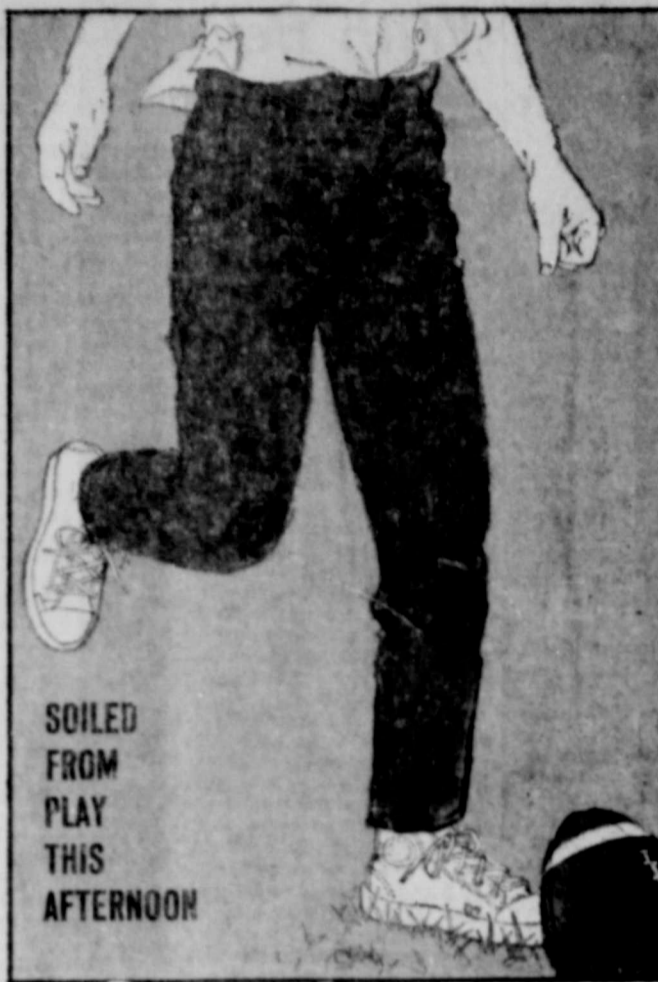

Mr. and Mrs. Fred Keith of Fort Worth spent the week end here with her mother, Mrs. Edna Clayton.

Mrs. Ollie Fein returned home Sunday following an extended visit with her daughter, Mr. and Mrs. LaRoi Western in Minneapolis, Minn.

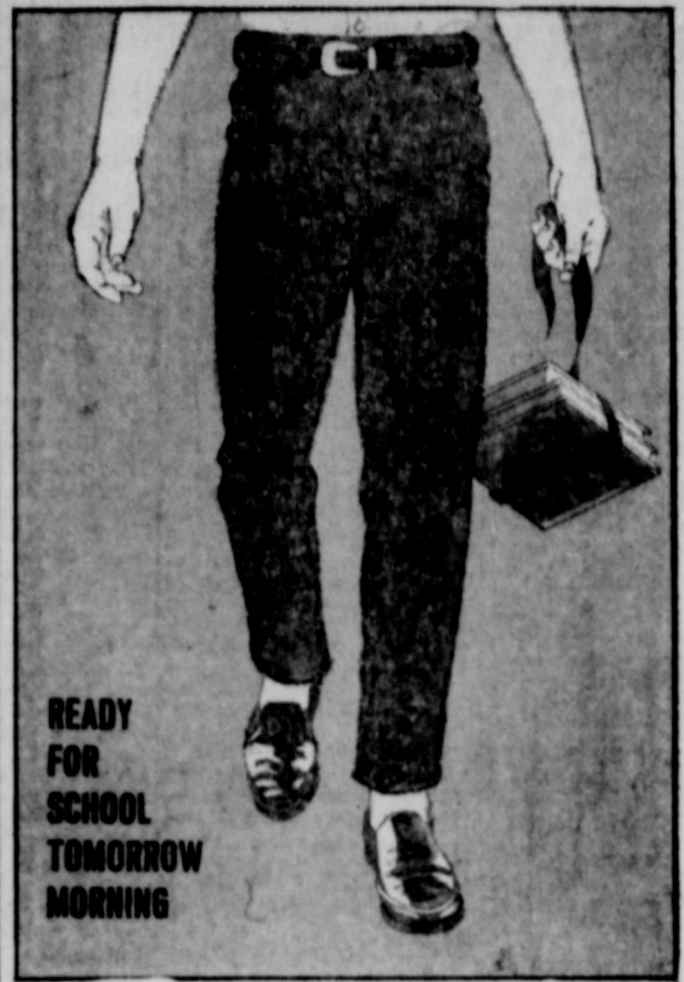

Christian Science

"Judge not according to the appearance, but judge righteous judgement." This passage from (John 7:24) will be the Golden Text at all Christian Science churches this Sunday.

The subject of the Bible Lesson is "Unreality." Related readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include these lines: "All the evidence of Physical sense and all the knowledge obtained from physical sense must yield to Science, to the immortal truth of all things." p. 493).

Dry clothes as fast as you need them...with a

FLAMELESS ELECTRIC DRYER

one of the nicest things about living better electrically

It's easy to keep your family supplied with fresh clean clothes when you have an electric dryer. When your youngsters need clean blue jeans or Dad needs clean shirts, you can dry them any time, even at night or during bad weather, with an electric dryer. And all your clothes last longer and look better, because flameless electric heat is kind to fabrics—never fades colors. See your favorite appliance dealer soon. Only electricity gives you flameless clothes drying—always clean, safe and gentle.

A SAD STORY
FOR SALE

Behind many "For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.

We work with you to arrange for a loan that's as easy to handle as monthly rent.
