

A big weekend is in store for Ranger. Beginning Friday the Eastland County Pecan Growers will hold their annual show in the Joseph building. Tonight (Thursday) the Ranger Junior College sponsored queen contest will be held in the High School Auditorium at 7:30 p. m.

Friday at noon, Murray Cox of WFAA Dallas will broadcast from the pecan show room.

There will be a number of visitors in town for this occasion. We hope they will find it a pleasant stay.

Sometime last summer there was a new monument placed at the site of the first oil well drilled in Eastland County.

After the monument had been set in place, Delbert Capps took a photograph of Frank Champion, driller of the well, standing by the stone. The picture ran in the Fort Worth Star Telegram and other papers at the time.

Now the same picture has appeared on the cover of a National magazine "The Memorial Builder". Another little bit of publicity for the old home town.

### DID YOU KNOW

Christmas Carol "Hark the Herald Angels Sing" Music for this most popular of English Hymns is from Felix Mendelssohn's "Felix sang," composed in 1840. Mendelssohn did not like the words written first in 1743, and predicted the piece would not become popular.

### Policeman's Ball Set For Friday

Ray Harbin and his Musical Ramblers, featuring Homer Turnbow on the fiddle, will furnish the music Friday night, December 13, for the annual Policeman's Ball. The Ball will be held in the American Legion Hall in Eastland and will be from 8:30 p. m. 'til 12.

Proceeds from the annual Ball will be used to buy communication equipment and other equipment for the police department.

### Bell Telephone Seeks Higher Ranger Rates

Southwestern Bell Telephone Company has filed a request for higher rates in Ranger. Bill Boothe, manager of the company, said that "Continued inadequate earnings on our operations here leave us no choice but to ask for an increase in local rates."

Present basic rates were established here in 1960, at the time dial telephones were placed in service. These rates were the result of a request filed in June, 1956, and were based on a study of operating results and economic conditions during 1955, the telephone manager said.

"Since that time, the continuing high costs of furnishing telephone service in Ranger has resulted in unsatisfactory earnings on our operations here," Boothe declared. "Present rates, based on 1955 operations, are too low to meet today's cost of doing business and provide a fair return on the fair value of our property here."

"The company has done all it can to keep expenses here as low as possible. The only solution is a reasonable increase in rates, in keeping with today's higher costs. We hope our request will receive prompt and favorable action," he said.

**RECEIVE AWARDS** — Three members of the Bulldog squad received awards Friday night during the annual football banquet. Shown from left to right are Larry Blackwell, who received the most valuable player award; Jimmy Drennan who received the Tommy Ford Memorial Award; and Douglas Browning who received the "hat" award from Coach Duvall.

### GRANT TEAFF GUEST SPEAKER AT FOOTBALL BANQUET

Grant Teaff, head coach at McMurry College, was guest speaker at the annual football banquet, Friday, December 6, 7 p. m. at Lone Cedar Country Club.

Invocation was given by Richard Herweck. David Sutton, Master of Ceremonies, welcomed special guests and introduced the football princesses, Barbara Dawson, Pat Townsend, and Brenda Weaver, and the 1963 football sweetheart, Sue Graham.

David B. Allsup, Lion's Club president, presented the Tommy Ford Memorial Award to Jimmy Drennan as the most valuable player of the year. Drennan, a high school senior, is the son of Mr. and Mrs. J. D. Drennan.

Larry Blackwell, freshman, received the most valuable squadsman award. He is the son of Mr. and Mrs. J. B. Blackwell.

Coach Jack Duvall announced that Douglas Browning was the recipient of the "hat" award, wherein his helmet will be placed in an honored place in the field house, and his

### Ranger Airman Given Training

SHEPPARD AFB. — Airman Third Class Charlie B. DeLos Santos of Ranger, Tex., has completed the technical training course for United States Air Force communications center specialists here.

Airman Santos studied military communications procedures, message structure and the operation of teletypewriter equipment used in the worldwide Air Force communications system.

The airman, son of Mrs. Ruth Morales of Ranger, is a graduate of Ranger High School. His wife, Sandra, is the daughter of Mr. and Mrs. Leon Treese of Ranger.

**EXPECTED SATURDAY** — Mrs. J. B. Asher and children, Freddie, Teddie, Eddie, and Tammy of Lima, Peru, will be met at Love Field in Dallas on Saturday by herents, Mr. and Mrs. Max Jacoby.

Mrs. Asher and her family have been in the South American continent about 17 months and will probably be in the states about three and a half months.

**BACK IN TOWN** — That Jolly Old Fellow was back in town Saturday and the children were happy to see him. Pictured above, receiving gifts of candy are the children of Mr. and Mrs. Joe Scott. Caprice, in the arms of her mother, seems uncertain about the whole thing, while her brother, Joe Shelby, turns his attentions to the candy. (Photo by Capps Studio)

### Santa Comes To Town Via Fire Truck, Leads Parade

Santa came into town Saturday afternoon, leading the Christmas parade that brought a large number of people to the sidewalks of downtown.

The parade, for which there had been 19 floats promised, fell short of the expected goal. Lone Star Gas Co. employees entered a float which was ob-

viously a result of much time and thought. A large white base with a burning gas light stood behind a large snow man which apparently was the driver of the vehicle.

Beta Sigma Phi entered a float which was an automobile gaily wrapped and decorated. (Continued on Page 5)

## Eastland County Law Group Hears Talk by Dallas Officer

Members of the Eastland County Law Enforcement Association held their monthly meeting in the dining room of the Porky Pig Monday night in Ranger.

Officers of the county meet the second Monday of each month for the purpose of relaxing a little and hearing ways that they may improve the function of their jobs.

City officers from Eastland, Ranger and Clasco along with the Sheriff's department and the Department of Public Safety were present Monday night. John H. Webb, mayor of Clasco, and G. C. McGown, member of the Ranger City Commission, were also in attendance.

The group heard a talk by Sergeant Gene Brewer, a Department of Public Safety officer stationed in Dallas.

Sgt. Brewer's primary mission was to bring to the officers a report on a study regarding the setting up of roadblocks. Before he got into this, however, he gave his audience an added feature talk on the assassination of President Kennedy.

Working with the Dallas police as well as providing security cover for the governor at Parkland Hospital put the Department of Public Safety officers on a tight schedule for a time.

Sgt. Brewer was able to give the local officers a rundown on developments in the Oswald case.

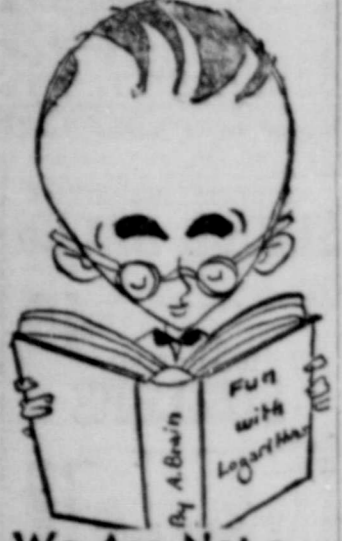

The subject of road blocks was the last topic on the agenda with the findings of a study passed out to the attending officers.

The study was conducted by the Department of Public Safety in an attempt to better organize the process of setting up roadblocks, if the circumstances called for such action.

Although roadblocks can not legally be conducted, this is, at times, a vital link in apprehending known violators.

Sgt. Brewer cautioned the members attending the meeting against using weapons unless they were absolutely certain of the identity of the suspect being approached.

The next meeting of the organization will be held in Rising Star.

## Around The Campus

Personality of the Week

This week the Ranger College journalism class has chosen the all-season tri-captains for the football squad as Personalities of the Week.

They are sophomores Wayne Thrasher, tackle, Eddie Franz, end, and Albert Pozzi, center. Two-year lettermen, they were elected by their teammates last week.

Thrasher, who is from Hawkins, Texas, is president of the RJC Student Council. He is 6'1" and weighs 225 pounds. He is a business administration major and plans to enter the business field after graduating from a senior college. His major interests are fishing, hunting, and skating.

Pozzi, who hails from Victoria, Texas, earned a berth on the 1963 Texas Junior College Athletic Conference All-Conference team as linebacker. As a freshman he was also selected for the all-conference team and received honorable mention for all-American. Standing 5 feet, 11 inches and weighing 215 pounds, he plays center on offense. He, too, is a business administration major and plans to enter either business or farming after graduation from college. After finishing at RJC he plans to attend the University of Texas.

Franz, a 200-pound end, is student council representative

of the sophomore class. He is chosen "Mr. Industrial." He is majoring in business and plans a career in that field. He was vice-president of the RJC freshman class last year.

Dear Premier:  
Thank you for letting me know that you will discontinue selling Golden Rhapsody China on December 31. I love it, and I do want to complete my set. I don't think I'll buy some extra pieces to give as Christmas gifts. And thanks for opening so many new Premier stations. You're really growing aren't you? Makes it very convenient for me. Thanks again.

Our pleasure, madam. But don't forget, complete your Golden Rhapsody China service before December 31, at your Premier service stations.

## A BUICK COSTS LESS THAN YOU MAY THINK!

That's the "Beauty of a Buick." Buick automobiles have won such favor as quality cars that a lot of people assume that the Buick also has a luxury price. Not so. The workmanship, the value is built into every Buick — but the prices will most likely surprise you. The unsurpassed quality of Buick is present in every model, and there's a model just right for you. Take the '64's for example — a prettier car you couldn't ask for, and the cost for these superb vehicles is "right in line."

Why not play Santa Claus to the whole family right now by looking over the Buick. You'll find personalized service at Muirhead Motor Co. in Eastland, and "tradin' days" in progress.

## RJC Basketball Team Downs Hill County JC 63-59

The Ranger Junior College basketball team edged Hill County Junior 63-59 in its second home game Monday evening, December 9, at the City Recreation Building.

The Hill County Rebels started off with the lead, but after falling behind four points in the first minutes of play, the Rangers settled down. In the middle of the second quarter they caught up with Hill County 17-17 and took a slight lead before the end of the first half.

In the second half the Rangers surged back to gain a fifteen-point lead.

They kept the lead for the remainder of the game, though the Hill County team crept to within one point of Ranger in the closing minutes of play. There were a few hectic moments, but Ranger stretched the lead to four points and held it to the end of the game.

Gary Watson, recently dismissed from the hospital, was the leading scorer for the Ranger with 21 points, and Dail Ables was a close second with 20.

# NEW CHEVELLE! BY CHEVROLET

The kind of go-6 or V8—you'd expect from one of Chevy's great highway performers. Come on down and drive it.

## Now—Chevy spirit in a new kind of car!

We built this one to do more than just stand around looking beautiful. Held its weight down in the 3,000-pound range. Then built four lusty engines—two sixes and two V8's—with output all the way up to 220 horses\*! And if that makes you think this is one frisky car, you've got the right idea. You've also got a roomy car here. Yet its 115-inch wheelbase keeps it highly maneuverable in traffic and very easy to park. With its Full Coil suspension, it's got a ride that reminds you of the Jet-smooth kind the way it muffles noise and cushions bumps. And the fine hand of Body by Fisher craftsmen shows up beneath this one's suave good looks, too. Sound good? There's more. Like the fact that Chevelle comes in three series with eleven models—convertibles, sport coupes, sedans, wagons, even Super Sport models with front bucket seats. Like the fact that (and see if this isn't one of the nicest surprises of all) the new Chevelle comes at an easy-to-take price! Like to hear more? The listening's wonderful at your Chevrolet dealer's—and so's the driving. \*Optional at extra cost

See five entirely different kinds of cars at your Chevrolet Showroom—CHEVROLET, CHEVELLE, CHEVY II, CORVAIR & CORVETTE
