BY BMN

We don't lay any claim to being an art critic. Actually we are very ignorant when it comes to the business of harmonizing colors. It is true that we are pleased by certain combinations of shades and hues, we know when something is pleasing to our sense of sight, but for the life of us we couldn't explain why. But working under the natural and developed handicaps mentioned above I think that I could select color schemes that would be an improvement over some of the two to four color mixtures sported by the current models of popular make cars. It would be hard to determine the motive that prompted the designers when they selected some of the clashing colors for decorative purposes on 1955 cars. Whatever it was it must have been a good hunch for they are selling at a fairly rapid clip, even fast enough to get a guaranteed annual wage for the people that build them.

—adacc—
If you have an hour or two some afternoon that you can't put to better use I would like to recommend that you drive to one of the large neighboring towns and park your car or your anatomy about a half block off of a street where there is a steady flow of traffic, for instance College Avenue in Lubbock. If you will watch the cars from an advantage point of that kind I will guarantee that you will see every color combination and color scheme that has been devised by man. The range of colors is limited only by the creative genius of paint company research laboratories.

—adacc—
Franklin Latimer is the new Dimmitt Golf Champion. Latimer, Dimmitt's only southpaw golfer, eliminated an old tournament champion, Joe Butler, in the final championship match to earn the coveted crown. Butler had previously took W. W. (Punk) Glibreath's measurement in the semi-finals to unseat the defending champion. Mr. Vaughn won first place in the first flight after defeating the only local golfer to make a hole-in-one, Jimmy Butler and Ray Bearden have failed to get together so far to decide the winner of the second flight. This year, as in past years, the Dimmitt City Tournament attracted considerable interest, not necessarily because of the brand of golf played but more because of the number of golfers involved.

—adacc—
Some type of industry will come to Dimmitt within the next year or so. Dimmitt is ideally located to serve the great irrigation area of the High Plains and it is inevitable that sooner or later somebody or some company will wise up and take advantage of our strategic location and other advantages as a site for industrial operations. Dimmitt will grow and grow and grow because of its fine agricultural area, but some industrial plants would help stabilize that growth by bringing in more people and the inevitable payrolls that are necessary to produce any type of goods for commerce. Industry would also give agriculture a shot in the arm because of a broadening local market. Maybe the Chamber of Commerce should make the industrial angle its number one project until some results are obtained.

—adacc—
Members of the Dimmitt Cub Scout Pack with their fathers, went to Palo Duro Canyon Saturday night for a Dad and Cub outing, and as is usually the case a cold front moved in Saturday night adding to the discomforts of the Dads and the delight of the Cubs.

J. T. Lindsay Hurt In Tractor Mishap

J. T. Lindsay, son of Mr. and Mrs. John Lindsay of Nazareth, miraculously escaped death Monday morning when the tractor he was driving turned over and pinned him underneath. Lindsay was pulling a loaded freight car to the Lindsay Elevator in Hart when the accident happened.

The victim, taken to Castro County Hospital by friends, was reported in good condition Tuesday afternoon by attending physician Dr. H. W. Bischoff. According to Dr. Bischoff, Lindsay suffered a fractured skull and lacerations of the legs and arms in addition to multiple bruises. Dr. Bischoff indicated the patient would probably be released from the hospital by weekend.

Lindsay reportedly was in the process of moving a freight car loaded with grain to the Hart elevator when the incident occurred. The freight car gained speed, moved ahead of the tractor Lindsay was driving and jerked it over, pinning him underneath.

All League Teams to Participate

Annual All-Star Classic Slated For Local Ball Park June 16

An all-star lineup of players representing every team in the Central Plains League will stage what promises to be one of the best baseball games ever played in the local ball park. The date is June 16 and the time has been set at 8 p. m.

Opposing teams to be known as the East All-Stars and the West All-Stars will be made up of players from each of the teams in the eight-member loop. The best hitters and pitchers in the league

will display their talents in the annual classic.

Chris Clark of Dimmitt will manage the East All-Stars which will be composed of four players each from the Dimmitt, Nazareth, Olton and Umbarger teams. John Renner, Friona Manager, will manage the West All-Stars. Four players, to be taken from each of the following teams—Hereford, Friona, Bovina and Lazbuddie—will make up the West team. Each team in the league will receive a percentage of the game profits.

The East team may have a slight edge in the pitching department. However, the West squad will boast an array of fine hitters so the game shapes up as a tight contest and could even go into extra innings. Managers of each team will choose pitchers for the game.

Dimmitt was selected as the site of the annual game as it is more centrally located and is in easy traveling distance for every member of the league.

A large turnout is expected as fans from other towns in the league will be on hand as well as a large group of local spectators.

Polling Places Designated for Wheat Election

Six polling places have been set up in Castro county for the wheat referendum to be held Saturday, June 25. Voting hours and places were designated by the county Agricultural Stabilization and Conservation committee during a meeting here late last week.

Polls will open at 8 a. m. and close at 7 p. m. Polling places and election officials are: Arney School house—Frank Zachary; Frio School house—J. E. Andrews and J. H. Flood; Dimmitt court house—Percy Estes; Sunnyside Community Building—Embree Sadler; Hart Legion Hall—Earl Jones; and Nazareth Community Hall—Leslie Backus.

Local ASC Secretary Doyle Thomas said this week that all wheat notices had been mailed out and each farmer concerned will know what his allotment is before the election.

If the election fails to carry, support prices on wheat will be 50 percent of parity. If it is approved then support prices will be between 75 percent and 90 percent of parity. A two-thirds majority vote is needed in order for the election to carry.

All farmers who will have an interest in more than 15 acres of wheat are eligible to vote.

Farmers wishing to make application for new grower allotments have until July 15. Farmers who did not have wheat seeded in any one of the years 1953, 1954 or 1955 are eligible for new grower allotments and must make application if they desire same.

4-H Club Council Sets July 28 As Rally Day in Castro County

One of the top events of the year in the life of a 4-H Club member—4-H Rally Day—has been scheduled here by the county 4-H Council for the afternoon of July 28. Members from every 4-H Club in the county will be on hand for the event.

Plans for Rally Day were made at a meeting of the county council Monday night. Council Vice-Chairman Bobby Bradley was in charge. The group voted to start the Rally Day program at 1:30 p. m. and conclude activities with a recreation period and supper at 6 p. m. Part of the program will be held on the local school grounds with the supper being served on the football field.

The program agenda, as drawn up by the council, follows: 2 p. m. to 2:30 p. m.—4-H members will have choice of these ac-

tivities, driving safety, lamp making, leather work, rope making, and basket weaving; 3:30 p. m. to 4:30 p. m.—Swimming; 4:30 p. m. to 6 p. m.—recreation to be followed by supper.

Boyce Tate will be chairman of the driving safety program to be conducted by captain Cecil McNeil, Department of Public Safety. Bobby Bradley will serve as chairman for the lamp making activity and will be assisted by Irvaleen Ott. In charge of the activity on leather work is Mary Ann Huseman. She will be assisted by Mrs. Emil Huseman, 4-H Adult Leader. George Huseman was named to direct the rope making activity and Owen Dunn the activity dealing with basket weaving. Mrs. Fred Dunn, Adult Leader, will assist with the basket weaving program.

Danny Bruton is Close Runnerup

Lynn Thompson, Dimmitt FFA Youth, Wins County Tractor Driving Contest

Young Lynn Thompson, Dimmitt FFA Chapter member, turned in a fine performance Saturday afternoon to capture the county Tractor Driving Contest held on a farm just east of here.

The 16-year-old Thompson, son of Mr. and Mrs. W. E. Thompson, complied with all the rules of the contest and turned in a time well under the 30-minute time limit to edge Danny Bruton, another local FFA Chapter member, for the county title. Bruton trailed the winner by only one and a half points. Jimmy Howell placed third. Thompson will now represent the county in the district contest which was to be held today (Thursday) in Amarillo. Should he win there he will receive a stipend of a plowman and an expense-paid trip to the state contest in Houston June 29. The state winner will be presented with a new 640 series Ford Tractor while second and third place winners will receive wrist watches.

In the contest preliminary held

Friday afternoon and entered by Thompson, Bruton, Howell, Bobby Adams, Stanley Henderson and Truman Touchstone, judges declared a three-way tie between Thompson, Bruton and Howell. Thompson narrowly won over Bruton the following afternoon in the finals. Judging the first phase of the event were Edd McLeroy and Harold Stephens while "Slim" Fuller and J. V. Westcott served as judges for the finals.

The six entrants were judged on a point basis. Judges allowed 20 points for tractor care and maintenance; 30 points for attaching and detaching implement and use of clutch, throttle and power lift as well as safety; and 50 points for actual plowing (includes adjusting of plow, straightness of furrow, etc.)

The county contest was sponsored by Bearden Tractor Company and all tractors for the contest were supplied by the local firm.

Butler Slates Lubbock Visit

Paul M. Butler, Chairman of the National Democratic Committee, arrives at Lubbock, June 14, for a five-day tour of Texas which will include stops at Big Spring, Dallas, Tyler, Waco, Allen, Weslaco, Corpus Christi and Houston.

Butler's trip is under the auspices of the Democratic Advisory Council of Texas representing the National Democratic Committee.

Judge Jim Sewell of Corsicana, Chairman of the Democratic Advisory Council, says any and all meetings at which Butler will be present during his stay are open to all Democrats in Texas who wish to attend. Fund raising luncheons and dinners are being held in each of the cities included in Butler's itinerary.

Castro Delegates Leave for Annual Texas 4-H Roundup

Castro delegates to the annual 4-H Roundup, which started Wednesday and will continue through Friday, left Amarillo Tuesday. They will return Saturday evening, June 11.

Delegates selected earlier on the basis of their 4-H records which were judged by a 4-H Adult Leader committee are Alphonse Huseman of the Nazareth Senior Club, George Huseman of the Nazareth Senior Club, Mary Ann Huseman of the Nazareth Senior Club and Mary Taack of the Hart Senior Club. George Huseman is an alternate delegate replacing Richard Hunter who was unable to make the trip.

County Agent Marvin Simms will accompany the boy delegates and Mrs. R. W. Scoggin, Adult Leader, will accompany girl delegates. Simms will also attend a meeting of officers and directors of the Texas County Agricultural Agents Association which is being held in conjunction with 4-H Roundup.

Each delegate will be enrolled in a subject matter short course of his or her choice. In addition the delegates will receive training in leadership and recreation.

Other special features of the three-day event are a chuck wagon supper sponsored by the Texas 4-H Recognition committee and a banquet to be given by Sears Foundation. Special programs of entertainment are also planned.

1955 Wheat Loan Rate Revealed

The county loan rate for 1955-crop wheat will be \$2.07 per bushel, local ASC Manager Doyle Thomas announced this week.

The new rate compares with the 1954 rate which was \$2.21 per bushel. The difference lies in the fact that the 1954 support price was based on 90 percent of parity while the newly-announced rate is based on 82 1/2 percent of parity. Thomas disclosed that number one wheat stored on farms and meeting necessary government requirements will net \$2.07 per bushel. "Warehouse-stored wheat will also net \$2.07 a bushel if storage has been paid through March 31, 1955," he added.

New standards and requirements for wheat storage have been set up by the government and appear in a story elsewhere in the News.

Mr. and Mrs. Theron Hadley and children, Tommie and Patty Lynn, and Mrs. J. D. Little of Fort Worth, Mr. and Mrs. J. E. Compton and Bobbie of Olney and Mrs. J. T. Compton of Lubbock have been visiting in the home of Mr. and Mrs. Jodie Compton this week.

Rites Held For Former Resident

Funeral services for Mrs. Helen Slover, 72, former Dimmitt resident who passed away Wednesday at 3 p. m. in a Lubbock hospital, were conducted today (Thursday) at 4 p. m. from the Lubbock First Baptist Church. Burial was to be in a Lubbock cemetery.

Mrs. Slover was a resident of Lubbock at the time of her death. She had been in ill health for several years. The deceased came to Castro county 65 years ago with her family and moved to Lubbock about 1920 after she married W. J. Slover. Mr. Slover preceded her in death 12 years ago.

Mrs. Slover was a member of the Baptist Church and was very active until becoming ill with heart trouble several years ago. Mrs. Slover is survived by two daughters, Mrs. Wesley Smith and Mrs. Nina Watkins, both of Lubbock; two sons, Edmond Slover and George Slover; nine sisters, Mrs. George Burch, Mrs. Ester Noble, Mrs. John Turner, Mrs. J. O. Ayers, Mrs. Claude Johnson and Mrs. William Gollehon, all of Dimmitt; Mrs. E. C. Williams of Hereford, Mrs. Nellie Jones of Morority, N. M. and Mrs. Dixon Turner of Mineral Wells; also four grandchildren and one great grandchild.

Hart Store is Burglarized

Merchandise valued at \$200 was taken from Gilmore's Grocery and Variety Store in Hart sometime late Sunday night, according to a report from the sheriff's office here Monday.

Sheriff Jack Cartwright said an investigation conducted by his office showed that the thief or thieves had gained entrance to the store by kicking out a front door glass after efforts to pry the door open failed. Two percutators and five pair of khaki pants were missing from the grocery while several sets of costume jewelry and other items were taken from the variety department adjoining the grocery. No pilfering or stow-away of merchandise was discovered by officers, indicating a hasty retreat was made following the thefts.

Bill Gilmore, store proprietor, was the first person to discover the break-in. He reported the incident to Cartwright shortly after opening for business Monday morning.

The Castro county sheriff said no clues were found and no arrests have been made. He added, however, that an investigation of the case would be continued.

Hereford Carpenter Suffers Knee Injury

Oliver Rudd, Hereford carpenter, was reported in good condition in the local hospital Tuesday afternoon after suffering a severe knee cut while working on a home here.

Rudd's right knee was cut by an electric power saw. He was doing carpenter work on the new J. E. White home at the time of the accident. Time of the incident was 2:30 p. m.

Dimmitt Cub Scout Pack Journeys to Palo Duro Canyon For "Camp-Out"

Dimmitt cub scouts and their scoutmaster, Jim Hays, accompanied by several fathers, enjoyed their annual "camp-out" Saturday night at Palo Duro canyon. Most, if not all attending, agreed that it was a big success.

The group gathered on the south side of the courthouse square Saturday morning at 11 o'clock and departed for Palo Duro, scene of this year's outing. At noon cars and pickups hauling supplies and the cubs, stopped at a roadside park near Canyon, where sack lunches brought from home satisfied appetites for a while.

Upon arriving at the canyon, camp was pitched a few yards from the river. Everyone helped with this chore and soon everything was in order. The boys then enjoyed splashing and swimming in the shallow water.

Heading the cooking detail was Sal DeCuffa, W. H. Fuller and Jack Cowsett. Hamburgers, potato chips, chocolate milk and coffee comprised the supper menu Saturday, and there was plenty for seconds and third helpings.

By night most of the boys were ready for the "sack", and there was not much activity until morning. After a breakfast of bacon and eggs Sunday morning, the boys left for a hike, accompanied by their scoutmaster. An early morning swim at the crossing proved to be a little cool for the daring ones that jumped in.

At noon a delicious steak dinner was cooked on the open fire. This, with potatoes and other trimmings, soothed appetites, and at the conclusion the group broke camp.

On the way out, the group enjoyed a ride on the railroad, "The Sad Monkey," and heard the conductor explain some of the history of the canyon and its formations.

WAYNE J. NORMAN, director of Lions International, will be the principal speaker when Dimmitt Lions hold their 25th Anniversary Celebration and Ladies Night Observance in Fellowship Hall here Monday night. A forceful and dynamic speaker, Lion Norman was named to the International Board of Directors at the International Convention held in New York City in July, 1954.

In addition to being a charter president of his hometown club in LaSalle, Colorado and a key member and Charter Monarch, Lion Norman holds the International Extension Award, the Award of Merit and the 100 percent District Governors Award. At the International Convention in 1953 he was elected vice-chairman of the Executive Council of the Board of Governors, and has served for the past two years as Secretary of the Colorado Lions State Council.

Some 150 persons are expected for the silver anniversary celebration which begins at 8 p. m.

Lion Celebration To Feature Talk By Top Official

Dimmitt Lion Club members completed final plans for their Silver Anniversary celebration and Ladies Night Observance set for Monday night (June 13) at a meeting here Tuesday noon.

Lion Bruce Wooddell, chairman of the arrangements committee, announced that 30 past presidents, charter members and out-of-town guests will be present for the big event. Wayne Norman, Director of Lions International and described as a very fluent and dynamic speaker, will bring the main address for the occasion.

First reports indicated that about 100 persons would be on hand for the celebration. However, this figure has now been revised upward to 150. Both the District and Deputy District Lion Governors will be present to help celebrate the event, which marks the 25th year of the local clubs founding.

Tickets went on sale last week at \$1.50 each and can be purchased from any Lion member.

A special attraction of the Tuesday luncheon meeting was a short vocal program featuring Gail Cooper, Ann Gollehon and Joy Walker. They were accompanied at the piano by Judith Cleavinger.

Club members unanimously voted to accept Bascom Nelson, Jr., as a new member.

T. A. Singer Named Honorary Secretary

IPHA Members Elect Odessa Man President at Rapid City Meeting

Members of International Parks Highway Association, meeting in Rapid City, South Dakota Saturday, elected A. V. (Pat) Patterson of Odessa as their first president since the organization was reactivated in the spring of 1953. Ed Lighter, publisher of the Rapid City Journal, was named vice-president and Judge Herbert Chesshire of Brownfield was elected treasurer.

The group elected T. A. Singer, Dimmitt businessman and founder of IPHA, honorary secretary for life. With the honor goes the right to sit in on all executive meetings of the national organization and cast a vote.

Twenty-two Texas Highway 51 members attended the IPHA conference, leaving here June 2 and arriving in Rapid City Friday, June 3 at 6 p. m. Singer and Gler Youts of Dimmitt and Bill Hochstein of Nazareth represented Castro county at the meeting. The group voted to hold their 1956 meeting in June and selected La-

mar, Colorado as the site. The morning session of the Rapid City meet, which was presided over by Frank Spiller, president of the South Dakota Division of IPHA, was taken up with progress report by delegates of each of the states represented. The morning session ended with a talk by Glen Burgess of Alpine, director of Big Bend National Park and correspondent for the Fort Worth Star Telegram. Burgess reported on plans for the dedication of Big Bend Park and told the group that according to plans of the Mexican government "IPHA will probably hook up with the new road to Mexico City in the not too distant future." The afternoon session was taken up by a discussion and revision of the Association's constitution and by-laws and the election of officers.

A new secretary for the national association will be appointed soon by the president.

All states except North Dakota had delegates at the conference. Canada also sent a delegation to the meeting. The visiting delegates were treated to a hospitality hour Saturday night given by the Rapid City Chamber of Commerce. This event was followed by a banquet in one of the Rapid City hotels.

The Texas delegation toured the South Dakota Badlands Sunday before making the return trip. Castro delegates arrived back in Dimmitt Tuesday afternoon.

Dimmitt Church Has New Pastor

Rev. Joe Bradley, former pastor of the Assembly of God Church at Ft. Stockton, has assumed the pastorate of the Assembly of God Church here, Rev. and Mrs. Bradley and four children arrived here May 28, and he has been conducting services at the local church since that time.

The new pastor replaces Rev. Claude Holt who moved to Slaton. Rev. Bradley announces special services will be held at the local Assembly of God Church Sunday (June 12). An all-day fellowship meeting will be conducted and dinner will be served at the church. Rev. H. M. Reeves will be guest speaker at both the 11 a. m. and afternoon services. Rev. Reeves is a former superintendent of the West Texas District.

A number of out-of-town visitors are expected for the services, including a quartet from Hereford which will provide special music. In regard to the Sunday services, Rev. Bradley states, "Every one is invited to come fellowship ship and worship with us."

Game and Fish Meet Slated Monday Night

A discussion of 1955 regulations governing hunting and fishing in Castro and other Panhandle counties will be on the agenda when a meeting of sportsmen and landowners is held in the courthouse here Monday (June 13) at 8 p. m. But L. Donnelly, State Game Warden, will be on hand to answer questions.

Castro is in the district with 27 other Panhandle counties. The meeting is open to the public.

Mr. and Mrs. M. L. Smithson of Hart are the proud parents of a little girl born June 3 in Lubbock Hospital. Named Gwendlyn Kay, the infant tipped the scales at nine pounds and 15 ounces.

Leo Witkowski Re-Elected President

Record Crowd Attends 21st Annual Wheat Grower Membership Meeting

The largest crowd to ever attend a stockholders meeting in Castro county turned out Thursday night, June 2 for the 21st annual Dimmitt Wheat Growers membership meeting held in the company's new warehouse building. Six hundred and eight persons were served barbecue dinners and at least 100 more were present for the business session that followed.

Members re-elected Leo Witkowski as their president and Wes Anthony vice-president. Ray Haltom, company bookkeeper, was named acting secretary-manager and Raymond Annen of Nazareth was elected to a three-year term as director to replace H. L. Axe, whose term expired.

In other business, the group voted approval of a proposed amendment to the company charter which will in effect raise capital stock from the present \$500,000 to \$1,000,000.

Witkowski, commenting on the success of the local company, told members "We have one of the best agriculture systems in the world right here. We've come a long way in recent years, expanding most recently to handle milk. Members can take pride in the fine organization that has been built up." The president also gave

a brief resume of his trip to Washington, D. C. in March at which time he and other Panhandle farmers sought to obtain an increase in grain sorghum support prices.

Haltom, who was instrumental in arranging for the barbecue dinners as well as the program and entertainment that followed, cited the fact that the Association had enjoyed its best financial year in history with current assets listed at \$800,144.93. He also cited the construction of the new elevator annex, which was built at a cost of \$120,550.41 to increase storage capacity by 285,000 bushels. The combined storage capacity of the elevator is now 1,165,000 bushels.

Providing music for the occasion was the Caprock Boys of Donley County. Members of the talented organization, which specializes in western music, are Gene Aldridge and Ray Davit of Clarendon and Toke Woodward, Jack Woodward and Mack White all of Hedley.

A movie of the meeting was taken and will be shown over a farm program on Amarillo TV Station KGNC Sunday, June 12, at 12:30 p. m. A brief resume of the meeting was recorded and has already been re-broadcast over Radio Station KGNC.

HERE IS ANOTHER picture of a Castro county farm. Can you identify it? The farm is listed as the twentieth Mystery Farm published in the News. Readers have until Monday noon to call in. The owner must identify the farm before the contest is official and will receive a mounted enlargement of the original picture upon making identification. The Mystery Farm series is sponsored by Blanton Butane, Inc.

Cantwell-Gibony Wedding Vows Read in Double-Ring Ceremony At Carlsbad

Under an archway entwined in pastel colors and flanked with candelabra and floor baskets of carnations, Barbara Ann Cantwell and Norman L. Gibony exchanged vows recently.

The Rev. H. M. Reeves read the double-ring ceremony in the Assembly of God Church in Carlsbad, N. M.

Mrs. Gibony is the daughter of Mr. and Mrs. A. M. Cartwell of Dimmitt and before her marriage made her home with a sister and attended school in Carlsbad. The bridegroom is the son of Mr. and Mrs. N. L. Gibony of Carlsbad.

Miss Mary Lee Hutchens sang "Always" and "Melody of Love." She was accompanied by Mr. Bill Rittle, organist.

The bride was given in marriage by her father. She was gowned in an ensemble of traditional white lace over satin. The wide neckline was scalloped and the sleeves extended to points over her hands. Her finger tip veil of illusion fell from a satin bonnet trimmed in tiny flowers and her bouquet was white carnations on colonial lines.

The matron of honor was Miss Annalee Thayer and bridesmaids were Miss Boneva Whitlock, Miss

Maxine Reeves and Miss Ruth Isaac. They were gowned in identically styled full-length dresses of aqua, orchid and pale yellow and carried colonial bouquets in matching colors.

Glenda Irwin wore pink and served as flower girl.

Tommy Jones was ring bearer and Sammie Clark attended the bridegroom as best man. Groomsmen were Bobby Gilliland, Johnny Hutchens and Carol Niblet. Ushers were Donnie MacMiller and James Otts.

The bride's mother, Mrs. Cartwell, wore a dress of steel grey with pink accessories. Mrs. Gibony, mother of the groom, wore

a pink lace with white accessories.

The social hall of the church was the scene of the reception following the ceremony. The bride's table was lace covered and centered with a tiered cake, topped with a miniature bridal pair under an arch of tiny flowers.

At the time of their marriage the bride was a sophomore student at Carlsbad High School. The bridegroom, a corporal in the Marine Corps, is a veteran of 16 months Korean service. They will make their home at Camp Pendleton, Calif., where he reported for duty May 21.

Mrs. Michael Rule and baby son and Miss Brenda Garrison of Childress, sisters of Mrs. Carl Bruegel, were visitors in the Bruegel home this week.

BETHEL NEWS

Mary Elizabeth Givan is home for the summer after attending school in New York for the past several months.

Mr. and Mrs. W. C. Pollock and daughter have returned to San Diego, Calif., for a short stay on business.

Mrs. Ivor Bagwell and Nelda were in Amarillo Thursday on business.

Mrs. Leona Rothwell and grandson, Kent Rothwell, who is spending the summer with her were Thursday evening visitors of the Harry Rothwells.

Mr. and Mrs. Earl Lust and Mr. and Mrs. Vern Lust left Friday to visit relatives in Kansas and attend a reunion of the county where the Lusts were boys and will visit their sister, Mrs. Paul Godfrey and family of Columbia, Missouri.

Mr. and Mrs. Carl Bruegel have moved to Dimmitt after spending the school term in Lubbock.

Mr. and Mrs. Kay Roberts were in Amarillo Monday for Mr. Roberts to have a check-up at the hospital. He is doing fine.

Mrs. Carl Byrd and boys of Santa Fe, N. M., are here for a few days to visit with her parents, Mr. and Mrs. Ira Brown.

Mrs. Harry Rothwell and Mrs. Bobby Warren and son were in Amarillo Wednesday on business. Lovd Earl Lust of Littlefield spent the week-end with home folks.

Mr. and Mrs. George Bagwell and girls were Sunday dinner guests of Mr. and Mrs. Kay Roberts.

Mr. and Mrs. Houston Lust and children attended a get-together of the Copper Community in Swisher county on Sunday.

Mr. and Mrs. Cecil McSpadden and children visited friends and relatives in Hobbs, New Mexico, and Searaves, Texas Sunday.

Mrs. Bobby Warren called on Mrs. Rodney Smith of Hart Friday afternoon.

Mr. and Mrs. Ira Brown went to Plains, Texas, on business Thursday.

Mr. and Mrs. Leland Smith, Zella Vee and Nelda Bagwell spent the week-end at Camp Chaffee, Ark., near Ft. Smith visiting Wesley Smith who is stationed there.

Lois Cleavinger Is Honored With Bride's Shower

The home of Mrs. P. L. Cunningham was the scene of a tea and bride's shower Friday afternoon honoring Lois Cleavinger, bride-elect of Charles Wales of New Deal.

In the receiving line were Mrs. Cunningham, Mrs. Norman Cleavinger, Mrs. Goldman Dyer and Miss Cleavinger.

The table was covered with cut work linen cloth and appointments were a big silver punch bowl and crystal pieces. Flower arrangements of roses and Snapdragons were arranged around a bridal veil and cap of pearls. Roses were used throughout the entertaining rooms.

Mrs. E. B. Wright, Mrs. Raymond Wilson and Mrs. George Bradford served punch to the 82 guests that called.

Assisting hostess were Mesdames Earnest Jones, Dee Neumayer, Jack Hinson, Sid Sheffy, Clarence Bearden, T. A. Singer, George Bradford, George Bagwell, Pearl Sheffy, Ray Wilson, E. B. Wright and Jack Cowsert.

Nancy Neumayer, Patricia Wilson and Judy Cleavinger provided piano music for the occasion.

Hilton Hotel Ballroom

Thursday Evening, June 16, 1955 at 8 o'clock

Don't argue with this baby!

All Chevrolet's competitors and most of the high-priced cars tried it recently in official NASCAR* trials—and took a licking!

Meet the champ! The new Chevrolet "Turbo-Fire V8"—the most modern V8 on the road today. Here's what happened—

Daytona Beach, NASCAR Acceleration Tests Over Measured Mile From Standing Start. Chevrolet captured the 4 top positions in its class! 8 of the first 11! And on a time basis Chevrolet beat every high-priced car, too—but one! But wait!—this is just the beginning!

Daytona Beach, NASCAR Straightaway Running. Open to cars delivered in Florida for \$2,500 or less. Chevrolet captured the first two places, 7 out of the first 11 places!

Daytona Beach, NASCAR 2-Way Straightaway Running Over Measured Mile. Open to cars from 250 to 299 cu. in. displacement. Chevrolet captured 3 of the first 5 places!

Columbia, S. C. NASCAR 100-Mile Race on half-mile track. Very tight turns. Chevrolet finished first!

Fayetteville, N. C. NASCAR Late Model Event. Chevrolet again finished first. Because of even tighter turns the driver chose to run the entire 150 laps in second gear! Yet no overheating or pit stops!

These facts you can't laugh off. Sales leader. Road leader. A crowning achievement of Chevrolet and General Motors. Try a Chevrolet . . . and live in a land of going-away where you win all the arguments! Soon, maybe?

*National Association for Stock Car Auto Racing

Way, way ahead!

Chevrolet

Sales leader for 19 straight years!

To My Patients and Friends

I am in the process of changing my office from the Castro County Hospital in Dimmitt to a new location in the Citizens State Bank building in Earth. I am establishing a Clinic with complete laboratory and X-ray equipment of latest design for the diagnosis of medical and surgical conditions and for the humane treatment of illnesses.

I wish to express my appreciation to the board of Directors of the Castro County Hospital for their support and anticipation of needed improvements in the functioning of the hospital. There has never been a better group of citizens to help in the operation of a county-wide project such as this hospital. Its complete equipment has made it possible for any physician to come and do any type of complicated work in all fields of diagnosis. Diagnosis is the essence of true medical care.

I wish to thank the staff, the curator, cooks, nurses, aids and the administration for their untiring service. Mr. Cox has magnificently welded this group into a smooth functioning team to aid the sick. May I add that there is no one to compare with my able assistant, Mrs. Nola Wood.

In closing I am happy in the fact that I have helped create a non-sectarian, non-political hospital. Politics and medicine do not mix. In the words of Paul "I have run a good course."

I wish to invite you to my Clinic which will be located in the Citizens State Bank building in Earth, Texas after June 20th.

Signed: F. B. Faust, M. D.

HART NEWS

Little Miss Marla Mayfield of Dimmitt spent Friday and Saturday with her grandparents, Mr. and Mrs. E. I. McLain.

Miss Geneva McLain returned to Lubbock on Sunday afternoon to attend the summer session at Texas Tech.

Mr. and Mrs. Hugh Lockaby and children spent Sunday in Hereford visiting relatives.

Mr. and Mrs. Earl Hacker and Erma Glen left early Sunday morning for Oregon to visit relatives for about three weeks.

Mr. and Mrs. M. E. Phillips entertained fellow team mates of their son, Jerry, with a supper in their home on Wednesday evening. Enjoying the feast were Andy Burleson, Fred Brister, Wayne Blankenship, Everett Allen, Martin Chandler, Ray Kenniston, Shelby Baucum and Jerry, all members of the Freshman Basketball team at Wayland College.

J. T. Lindsay, son of John Lindsay of Nezaireth, was crushed by a tractor on Monday morning while moving a loaded car of grain at the local Lindsay Elevator Co. warehouse. Since there was no eye witness to the accident and the young man has not recovered sufficiently to give an account it is supposed that he was trying to unhitch the car from the tractor and was unable to do it in time to prevent the car pulling the tractor over on him. He was reported to be in fair condition late Monday afternoon. He was treated in the Castro County Hospital.

Mr. and Mrs. M. E. Phillips, Jerry and Monte, Mr. and Mrs. Calvin Alexander and daughter joined Mrs. Phillips mother, Mrs. Andy Higgins and Mr. Higgins in an outing at Buffalo Lake on Sunday.

Mrs. Eva Sanders and children arrived on Wednesday from their home in Corpus Christi to visit with the Riley and Sanders relatives.

Mr. and Mrs. Jess Putnam and children of Lamesa visited their daughter, Mrs. Leonard Welty and Mr. Welty over the weekend.

Through some oversight San Rogene Jones did not receive her perfect attendance certificate at the commencement exercises. She earned it and did receive it later and we think it important enough to give her special mention. We were proud that several students made the effort and did have such a record this past school term.

Cecil Hamm has returned to his work in Dumas after spending a short vacation here.

Rev. Dale West will be Principal of the Baptist V. B. S. beginning on Monday morning, June 13th at 8 a. m. He will have an able corp of teachers to take care of all youngsters through the ages of 3 to 13. The classes will continue through the 22nd each

morning 8 to 11. All children of the community are invited to attend.

Miss Phyllis Wall attended the Assembly of God Youth Camp near Roaring Springs last week. There were 430 youths from the West Texas District.

Zealot Club Has Book Review
The Zealot Club met in the home of Mrs. Bob Bennett on Tuesday, May 31st with Mrs. Edie John Anderson as co-hostess. Mrs. Bill Wood reviewed the book, "Fields of Home." Former club members were invited as special guests. Fourteen club members and 8 guests attended. The next meeting will be in the home of Ann Bell with Jo Bass as co-hostess.

Byrnie Mack, son of Mr. and Mrs. Mack Bostick of Portales, is visiting in the home of his grandparents, Mr. and Mrs. A. R. Bostick.

Mr. J. V. Flippin is still confined to the Castro County Hospital after suffering a heart attack. His children, L. Edgar of Plainview, J. W. of Borger and Mrs. Rosalee Freeman of Edmonson are at the bedside. Mrs. Freeman is handling the mail route for part of each day.

Mrs. T. R. Davis is in Methodist Memorial Hospital in Lubbock after undergoing surgery on Thursday morning.

Mrs. and Mrs. Earl Tyler visited relatives in Pampa on Sunday.

Bill Bell is ill at his home east of town. We hear he has the flu.

Mrs. J. D. Murray, with her sister, Mrs. H. T. Gardner and Gene of Morton, went over to Childress for the weekend and a family reunion. Mrs. Murray returned home on Monday with another sister, Mrs. Joe Bennett and husband. The Bennetts spent the night before proceeding to their home in El Paso.

Mr. and Mrs. Roy Pyeatt and Royce Lynn attended the wedding of their friend, Miss Barbara Carthel in Lockney on Friday night. Royce Lynn was a bridesmaid.

Misses Jean and Beverly Mills and Rowan Shepard are at home for the summer after attending school in Dimmitt.

Mr. and Mrs. Freafoord Weems and family has as week-end guests her mother, Mrs. L. N. Sewell of Mineola and sister, Mrs. Homer Henderson, Mr. Henderson and Francis Jean of Dallas. Francis remained for the summer.

Mrs. Dewey Smith and Charlotte Ann Gibson returned Monday from Childress where they had been visiting Mrs. Smith's parents, Mr. and Mrs. Ed Gibson for several days.

Brother and Mrs. Larry Godfrey and baby spent the week end in Odessa with her parents. Malcolm Hull filled the pulpit at the local Assembly of God church in the absence of Bro. Godfrey. Mrs. Hull and children and Miss Imogene Williamson and Raymond Young, also of Plainview attended services in Hart Sunday.

Mr. and Mrs. Ervin Baker had his brother and family from Dallas as visitors over the week-end.

Sylvia and Rachael Wall of Canyon are spending this week with their grandparents, Mr. and Mrs. Roy Wall.

Mrs. E. I. McLain has some African bermuda roots which she would like to give to anyone who will come and dig them up.

Born to Mr. and Mrs. Gus McLain on Monday, June 6th in the Olton Hospital, a son, Raymond Ireland, weighing 8 lbs. and 13 oz.

Mr. and Mrs. Roy Wall and Phyllis, Mr. and Mrs. Easton Wall and daughter attended a Wall family reunion at Elwood Park in Amarillo on Sunday.

Mr. and Mrs. E. I. McLain and Mrs. Homer Hill enjoyed boating at Buffalo Lake Sunday afternoon.

Mr. and Mrs. Willis A. Hawkins, Jr., attended the District meeting of the American Legion in Amarillo Saturday and Sunday.

Miss Nellie Wingren of Lubbock is visiting with her sister, Mrs. R. A. Futrell and family.

Mr. and Mrs. Jim Height have returned from a trip to Arizona and Nevada.

Most of the farmers have a good stand of cotton after the second planting. A few cases of measles and chicken pox, some flu and stomach virus are currently in the community.

Miss Maurice Aver, bride-elect of Joe Edd Carson, was honored with a bridal shower in the home of Mrs. Ed Bennett on Friday afternoon, June 4th. A color scheme of pink and gray, the bride's chosen colors, were carried out in the table and house decorations. Out-of-town guests were Mesdames Leroy and Hillary Aver of Hereford, Bacon Jones of Littlefield, Houston Carson of Sunnyside, Gerald Allcorn, Helen Lee, Uil L. Gunter, J. L. Carson, Jr., Carolyn and Jan, Bitsy Golden, Walter T. Ross, Sr., and R. L. Anderson, all of Olton. Hostesses assisting Mrs. Bennett were Mesdames Paul Armstrong, Ray Bennett, Lawrence McLain, Bo Bennett, W. D. Bell, Harvey Davis, Bill Wood, E. E. Davis, H. W. Davis, Homer Winnett, M. M. Smitherman, Clay Anderson, and Johnny Thompson, and Misses Geneva McLain, Wanda Jo Felder, Jo Davis and Mrs. W. H. Felder.

Mr. and Mrs. T. B. Cox are home after a trip to California and on north along the coast to Vancouver, B. C. They say fishing was good in Washington and brought home the proof, too.

Mr. and Mrs. Ray Bearden and Yvonne and Mrs. A. J. Bolton of Salt Lake City, Utah, are visiting relatives in Oklahoma City this week. Mrs. Bolton is a sister of Mrs. Bearden and has been visiting here the past week.

Linda Hance spent the weekend in Hereford with Judy Patterson.

Mr. and Mrs. Edgar Ramey are visiting in Fort Worth this week.

Mr. and Mrs. Ramsey have moved to Dimmitt from north of town.

They purchased a home in southwest Dimmitt.

for this wide-open beauty

**It's the new kind of hardtop—
The 4-Door Riviera!**

THERE seems to be some confusion about what a hardtop really is, and we'd like to set the matter straight.

A hardtop is a car that looks like a Convertible with the top up—but has a solid steel roof overhead—and no center posts in the side window areas.

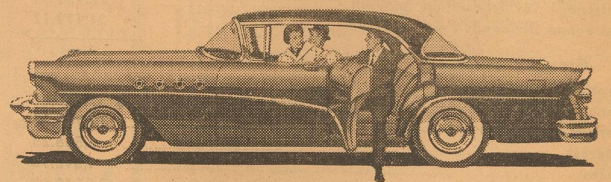

Up until just recently, it could be built in volume only with two doors—not more—because it would take wholly new structural principles to hinge another set of doors without floor-to-roof center posts.

But Buick came up with those new structural principles and is now building—in volume—hardtops with four doors.

You see one pictured here. It's the 4-Door Riviera. And it's taking the country by storm...

Because here, at long last, is an automobile with the sleek and sporty styling of a true hardtop—but with separate doors for rear-seat passengers, plus the added room of a full-size Buick Sedan.

On top of that, this beauty is all Buick—with the buoyant ride of Buick's all-coil springing—the walloping might of Buick's record-high V8 power—the whip-quick

getaway and sizable gas savings of Buick's spectacular Variable Pitch Dynaflo.*

And it's available in Buick's two lowest-priced Series—the budget-tagged 188-hp SPECIAL, and the high-performance 236-hp CENTURY, illustrated here.

Come visit us for a first-hand meeting with the 4-Door Riviera—and see how quickly and how easily the last word in automobiles can be yours.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

THANK YOU CARD
I wish to thank all my friends and neighbors for the beautiful flowers and get-well cards sent me while in the hospital. I especially wish to thank all the members of the senior class for the flowers they sent. May God bless everyone of you.
Mrs. Ben Smithson

Mr. Tom Lee and Danry of Little Rock, Arkansas visited their nephew and cousin, Mr. Bill Lee and family, Sunday night and Monday.
Mr. and Mrs. George Garrison of Childress visited Sunday with the Carl Bruegels.

Baptist VBS To Begin June 13

The local Baptist Vacation Bible School will commence Monday (June 13) and will be held each morning through Friday (June 17), according to an announcement from the church secretary.
Classes will be held each morning from 8 o'clock to 11 o'clock and will be open to children of nursery age through 16. Mrs. George Ray will serve as principal for the school.
The church secretary also revealed a change in church services and activities beginning Sunday, June 19. Training Union will be held at 7 p. m. instead of 7:30 p. m. and the evening worship services will begin at 8 o'clock instead of 8:30.

Nazareth News

The Catholic Order of Foresters celebrated their fortieth anniversary with a social Sunday night, June 5. Present at the affair were three of the original charter members. Six past chief rangers were also present. Membership in the organization consists of men, women, boys and girls. There are now 167 adult members and 117 juvenile members.
Willie Ramos, Jr., son of Mr. and Mrs. Willie Ramos, Sr., was baptized in Holy Family Church by Father Morsch on June 5. Sponsors were Mike Reyes and Mrs. Isabel Urbano.
Home on vacation is Elmer Albraecht, seminarian. He has been studying at Conception Minor Seminary in Conception, Missouri.
Visiting in Nebraska the past week has been Mrs. Evelyn Acker and Mary Jane Albraecht.

Nazareth Cattleman Sells Three Bulls

A transaction involving the sale of three bulls from the Brown Swiss herd owned by Vincent Braddock of Nazareth to Cattlemen Juan F. Gonzales Muzquiz of Chihuahua, Mexico and Ernest Hardy Perryton was announced this week by Fred S. Idtse, secretary of the Brown Swiss Cattle Breeders' Association, Beloit, Wisconsin.
Braddock sold the bulls, Brad-Lou Farms Bill and Brad-Lou Nazareth to Muzquiz. Hardy purchased Brad-Lou Domino. The transaction was completed recently for an undisclosed amount of money.

FLAGG NEWS

Mr. and Mrs. Cecil Ginn were in Lubbock Sunday visiting the Rayphard Ginns.
Mr. and Mrs. Joe Birchfield were in El Paso over the weekend.

Mr. and Mrs. Jewell Gossett visited with the Pete-Cokes Saturday night.
Several families of the Flagg Community attended the Rex Wooten and Darlene Cates wedding Saturday night.

Mrs. Douglas Dameron went to Amherst with Mr. and Mrs. Otis English Sunday to see Willis Branscum. She also visited with Mr. and Mrs. L. D. Watkins of Ft. Worth who are up here to visit Mr. Branscum.
Mr. and Mrs. Jewell Gossett visited with the Clyde Dameron's Srs. Sunday night.
Mr. Loyd Lust of Littlefield had dinner with the James Bradfords Thursday.

The Flagg H. D. Club met in the home of Mrs. Cecil Ginn Friday, June 3. There were nine members present. One new member, Mrs. Lynn Smith.

An ice cream supper is to be held at the Jess Birchfield home June 10th for the Flagg Progress Club.
Mr. and Mrs. Earl Lust are visiting in Kansas and Missouri.

False Wire Worms Hit County Crops

False wire worms, a dangerous enemy to the farmer, have shown up in some fields over the county but only in isolated areas and not of sufficient number to cause alarm, according to Castro County Agent Marvin Simms.
The false wire worm attacks all kinds of crops, particularly wheat and grain sorghums. It is very destructive and can ruin entire stands. The thin jointed, shiny, light brown worms eat sprouting seed and sometimes eat root ends of small plants as they are coming up. Their presence can be detected by scratching the surface of the ground, according to Simms.

Dimmitt Loses To Friona Nine

The Dimmitt Central Plains League baseball team absorbed its second licking of the season Sunday at Friona but managed to cling to second place as third-place Bovina also lost.
The locals outthit Friona but made some costly errors and dropped the important game by the score of 12-10. A win would have advanced the Dimmitt outfit into a tie with Friona as they were only one game behind. Alvin White went the route for Dimmitt and was charged with the loss.
In other league action, Umbarger won its fourth game by edging Nazareth 10-9. Olton gained some prestige by blasting Bovina 16-6, and Hereford outscored Lazbuddie 16-10.

RUNNING WATER SOIL CONSERVATION DISTRICT NEWS

Thursday night, June 9, is the regular meeting date for the SCD Board of Supervisors.

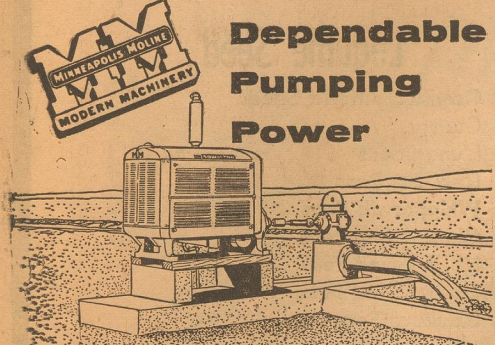

Everyone enjoyed the fire food and program at the Dimmitt Wheat Growers Thursday night. Cleo Shellabarger will be producing some hybrid grain-sorghum seed this year. This will be something to watch. Cleo is farming Jack Millers farm north of Dimmitt. This section of land is almost entirely bench levelled. The grain sorghum yields were increased on this farm after land was benched, and what is it going to do with hybrid sorghum. This week Sam Gibbs, L. A. Steiret, and Paul Venhaus were some of the farmers observed preparing wetland for row crops. Roy Campbell is benching some more of his farm. He is also installing concrete pipeline as another conservation aid on his farm.

Howard E. Hershey, SCS, assisted in the design and layout of these conservation practices. The County Farm Bureau Service Agent Gene Ivey points out that it is important to get all log and registration data on new wells in before applications expire. This enables the Bureau to keep a more accurate and up-to-date record and in turn expedites the office service both to the farmer and the area office in Lubbock.

Sunday is an open date in the league and no games are scheduled. This is a precautionary measure taken by League President "Smitty" Smith to assure playing of the annual all-star game here on the night of June 16. No make-up games are scheduled and all teams are expected to have players in the all-star lineup.
The league standings this week read:

	W	L
Friona	7	0
Dimmitt	5	2
Bovina	4	3
Umbarger	4	3
Olton	3	4
Hereford	3	4
Lazbuddie	1	6
Nazareth	1	6

PLAINVIEW, TEXAS

New 800-6A power unit develops 148 hp on LP gas and 134 hp on natural gas at 1200 rpm.
Here's another dependable MM power unit designed to furnish low-cost, trouble-free performance. Smooth, 6-cylinder high-turbulence power and counter-balanced crankshaft reduce torsional vibration for longer engine life.
Newly designed heat exchanger base plan keeps oil at proper operating temperature, greatly increases engine life and lengthens period between oil and filter cartridge changes. Pan acts as a cooler as well. Sight oil glass provided in base pan can be converted to oil-flow control valve for adding oil directly to crankcase from a barrel of oil, thereby keeping oil at a constant level. Pan attaches directly to an SAE standard flywheel housing and provides a rigid mounting of the power take-off for heavy belt drives, etc. Double-disc clutch and power take-off are of heavy-duty design.
MM heavy-duty power units are noted for their long life. Nine models to choose from. Stop in soon. Let's talk over your power needs.

EDWIN E. MERRIMAN AND COMPANY
CERTIFIED PUBLIC ACCOUNTANTS
Lubbock, Texas

As members of this Association, you no doubt have heard the objection that Cooperatives do not pay taxes. Your Association paid, last year, a school tax of \$1,191.71; a City Tax of \$1,589.84; a State and County Tax of \$1,047.46 and Social Security Taxes amounting to \$951.92. These direct taxes total \$4,780.93. As you can see, your Association not only helps the State — it helps the County, it helps the City and last, but not least, your Association helps you. The figures in this Financial Statement show beyond any reasonable doubt that IT PAYS TO COOPERATE WITH YOUR COOPERATIVE.

NEW! FORD TRICYCLE TRACTORS

The power you need...
The features you want
FOR BETTER
ROW-CROP FARMING!

Once again Ford brings you advanced tractor models. And this time they're tricycles! Two great power series... both fitted for 4-row and 2-row front mounted cultivators and planters, and for 2-row and 1-row mounted corn pickers. The 900 has full 3-plow power. The 700 handles 2 plows with ease. And just look at these features—

- Ford's Economical "Red Tiger" engines.
- High Clearance, with Safety—High crop clearance, extra low seat.
- Tailored Traction with Ford's exclusive Vari-Weight System. (Weights sold separately).
- Power-Adjusted Wheels on 900 Series.
- 5-Speed Transmission on 900 Series.
- Live Power Take-Off on model 960.

Drop in today and see the new Ford Tricycle Tractors. See how much better row-crop farming can be with a Ford!

WASHINGTON NEWSLETTER

Foreign Relations

The Senate has just passed the President's foreign aid program by a vote of 59 to 18. This calls for 3.4 billion dollars in new money to supplement the present unspent funds in the foreign aid program. I have been told from several sources that these unspent funds are in the amount of several billion dollars. The estimates vary from 2 billion to 12 billion. This is a wide variance. The reason for the variance lies in the fact that it is very difficult to get the entire story on a subject from a bureau. You do not receive false information, but you receive only such information as will barely answer the question that you ask. This procedure is not very enlightening. Unless you know how to ask questions, you will end up with no information at all. In any event, it presently appears that the 3.4 billion dollars in new money means that the foreign aid program will have available to it somewhere between 12 and 15 billion dollars. Part of this has been obligated, part has not.

While studying this foreign aid situation recently, I came across an article written by a prominent Italian journalist, which was originally entitled, "The Americans and Us." Actually the article undertook to explain the resentment that many Europeans have for America. It was an excellent piece of work, and I wish I could print it in full. He points up that the many claims that Americans have on the gratitude of Europeans are obscured by one incurable defect in the Americans. That defect is the craze in Americans to improve foreigners, to make them kinder to each other, juster richer and happier. He points out that good faith and honest intentions are such rare commodities on the European market that Europeans scarcely expect to find them anywhere else. He further comments that the United States as a victor in a war which was declared by Italy, asked for no colonies and no commercial servitude, but on the contrary, accepted further taxation in order to aid the defeated. He says that the real trouble is: "The great inexplicable crime of Americans is that they really are better than the Europeans." (Remember this an Italian talking; not an American.) The article is very soul searching, and I repeat I wish I could make it available in full to you.

Concerning our foreign problems, it must be remembered that we also have the immigration

problem, which has been in the news a great deal recently. No doubt, there are many, many foreigners who would give their eye teeth to come to America, and I might add that certainly as Christians, we would like to be of some assistance to them. However, we must face reality and appreciate the fact that the population recently passed the 165 million mark; that the United States is growing no larger in size. Every time a person is born or a new immigrant enters the country, the size of the country shrinks to that extent. This simply means that Americans are reproducing themselves at a rate much faster than was anticipated even five years ago. It would seem to me that it would be much better if people who live in other countries would put their shoulder to the wheel to correct their own governments and try to bring their own countries the things that we Americans have. A much better balance on a world scale could be maintained.

The Public Debt

It is anticipated that the Administration will ask for a new ceiling on the public debt. It presently stands at around 277 billion dollars, which is a figure that is among the all-time highs in the public debt of this country. You will recall that Congress authorized an increase in the public debt authority to 281 billion on a temporary basis. (Incidentally, I voted against that increased authority.) The debt will recede a few billion when corporation taxes come in, but will increase thereafter for several months. The Administration no doubt feels that they will need additional authority to borrow more money. Very little has been said recently about the public debt, probably because it has been increased rather than reduced, as the American people were told it would be. The Administration will have to make out an excellent case if they get the authority to increase it.

Never A Dull Moment
Last Sunday I was at home

trying to catch up on some of the chores around the house. I had been trying to put up some awnings and almost fell off the ladder three times. At one point I had a screen in one hand, an awning in the other, one leg hooked over an upstairs window and the other foot on the ladder, when the ladder started slipping. I don't know what happened, but I lost no limbs and everything worked out all right, except I didn't get the awning up. I had just come into the house and was resting when the phone rang. It was a friend of mine wanting to ask about some of the legislation that was pending before one of my committees. Just as I got into a full explanation, Susan came to the door and advised me that the kitchen was on fire. I excused myself from the telephone, went to the kitchen and found the stove on fire. Susan was baking a cake and something inflammable had spilled in the oven and caught fire. It took me about ten

minutes to get it put up and get back to the phone. My friend was very apologetic and said that perhaps he should let me go, but I told him that we had put out the fire and Susan was back in the cake-baking business.

Something New About the Panhandle

I was attending a party the other evening and met a very charming and delightful person by the name of Mrs. Beale Thomas. She asked where I was from and I told her the Panhandle of Texas. She asked if that included Amarillo and I advised her that it did. She said, "I will never for-

get Amarillo; the only time I was there it was so HOT that I didn't think I would come out alive." You can imagine my surprise. It is the time I have conversed with anyone discussing the weather who didn't say that the only time they had ever been to Amarillo it was so cold that they nearly froze in their tracks. I told Mrs. Thomas that she would certainly go down in history, and I wanted her to spread the word around as much as possible because we are a very warm people in that section.

"I love the time-saving advantages of my ELECTRIC RANGE!"

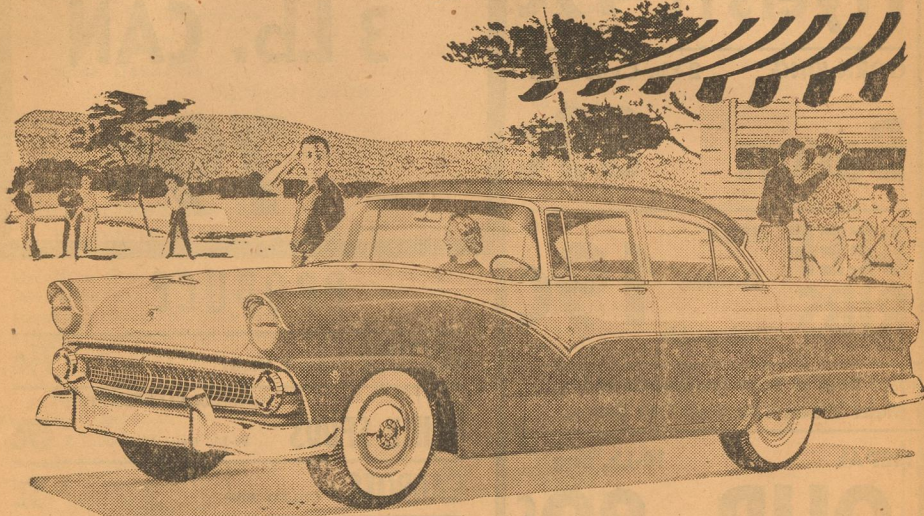

says Mrs. James Russell,
1009 BALTIMORE STREET
PLAINVIEW, TEXAS

Reddy Kilowatt just loves to take the work out of cooking, as he has for so many homemakers like Mrs. Russell. "Preparing breakfast for my husband, James, is a snap. The controlled heat of our electric range turns out perfect pancakes every time." Start the day right—cook breakfast electrically.

Ford leads all low-priced cars

in V-8 power . . . Of all the low-priced V-8's, only Ford's Y-block V-8 has an extra-deep engine block to give you smoother, quieter, longer-lasting "GO"! New Trigger-Torque power obeys your commands instantly, reassuringly.

in years-ahead looks . . . Only Ford brings you the years-ahead beauty of Thunderbird styling. The lower roof line, longer body line and flatter rear deck all say "fine car." And interiors feature new fabrics appearing for the first time in any car.

in smoother going . . . No matter where you go, Ford's advanced form of Ball-Joint Front Suspension smooths your way. Springs have been tilted to smooth out the bumps from the front as well as up and down for a new Angle-Poised ride.

in modern power assists . . . You can have your Ford as automatic as you want . . . at a price you want to pay. Power can help you shift, steer, stop . . . move windows and seat both up and down . . . even condition the air you breathe.

in choice of models . . . No other car offers you so many models to choose from. And in station wagon choice—whether you prefer 2 doors or 4 . . . seats for 6 or 8—Ford has a best-seller beauty to suit your needs.

and in resale value . . . Ford has traditionally returned a higher portion of its original cost at resale than any other car in its field. Why not get the whole story at your Ford Dealer's. You'll never want to settle for less than Ford.

Sells more because it's worth more... **Ford** the new best seller!
Castro Motor Company

The modern range? Of course, it's electric. Mrs. Russell points out the "plus values" on her electric range. "The minute minder—convenience outlets—grill—automatic timer—and well-lighted work surface are all wonderful. They give me a big bonus—extra time for other things."

Perfection comes from accuracy—and the heat of an electric range is pre-set, no outside force—a breeze, for example—can affect it. In Mrs. Russell's words: "I can put my pie in the oven, set the timer, and go about my other household tasks while my electric range bakes the pie perfectly."

Yes, in ranges, as in all other appliances, to be modern, it must be electric. And if it's electric its convenient and time-saving, like Mrs. Russell's all-electric kitchen. "My all-electric kitchen affords more leisure time for my family and friends." Yours will, too.

SEE YOUR REDDY KILOWATT ELECTRIC APPLIANCE DEALER

LEGAL NOTICE

ORDINANCE NO. 138
AN ORDINANCE ESTABLISHING FIRE LIMITS; REGULATING BUILDING CONSTRUCTION AND ALTERATIONS; AND PROVIDING A PENALTY FOR VIOLATIONS.

BE IT ORDAINED BY THE COMMISSION OF THE CITY OF DIMMITT, TEXAS:

SECTION 1. FIRE LIMITS: The Fire Limits shall be divided into three (3) classes—Class I, Class II and Class III. The following shall be and are hereby de-

clared to be the Fire Limits of the City of Dimmitt:

Class I: Beginning at the intersection of North Broadway and West Halsell; thence west to West Second Street; thence south to Andrews Street; thence west 1/2 block; thence south through the North-South alleys to the center of block 109; thence west through the East-West alleys to the center of block 126; thence south through the North-South alleys to the center of block 125; thence east through the East-West alleys to the center of block 110; thence south through the North-South alleys to Stinson Street; thence east crossing South Broadway to

the North-South alley in block 60; thence north through the North-South alleys to East Bedford Avenue; thence west to East Third Street; thence north to the East-West alley in block 75; thence west 1/2 block to the North-South alley in block 75; thence north to Andrews Street; thence west to East Second Street; thence north to Dulin Street; thence west to the North-South alley in block 80; thence north through the North-South alleys to the intersection of said North-South alley with the Fort Worth & Denver Railway right-of-way; thence north-westerly with said right-of-way to the intersection of the Railway right-of-way with the State Highway No. 51; thence south along the west side of Highway right-of-way to the place of beginning.

Class II: Beginning at the intersection of South Broadway and Stinson Street; thence west to the North-South alley in block 113; thence south through the North-South alley to the center of block 88; thence south through the North-South alley to Grant Street; thence east to East Second Street; thence south to the East-West alley in block 68; thence east through the East-West alleys to East Fourth Street; thence north to Grant Street; thence west to East Third Street; thence north to Lee Street; thence east to the North-South alley in block 61; thence north through the North-South alley in block 61 to Stinson Street; thence west to the place of beginning.

Class III: The North-East quarter of block 89; North 1/2 of block 42; all of block 62; East 1/2 of block 61, 60, 59, and 58; all of blocks 57, 47, 48, 31, 32, 21, 22, 5 and 6; the North-east quarter of block 75; all of block 76; East 1/2 of block 80.

SECTION 2. CONSTRUCTION REQUIRED WITHIN THE FIRE LIMITS:

Class I: No building or structure of wooden, ironclad (whether on wood or metal supports), stucco, or veneer type construction, or any building whose walls contain wood supports, shall be permitted except as indicated in Section 3. The thickness of walls shall be not less than as given below:

Brick walls shall be not less than 12 inches thick, except that small one-story buildings with floor areas of 750 square feet or less may have walls 8 inches thick. Reinforced concrete walls may be three-fourths of the thickness of brick walls, but in no case less than 8 inches.

Hollow building tile may be used as filler walls provided such walls be supported on reinforced concrete beams and footings, and by adequate reinforced concrete or brick pillars or columns spaced not more than 16 feet apart; walls to be not less than 12 inches thick. Small one-story buildings of less than 500 square feet floor area may have walls of 8-inch hollow building tile.

Solid stone walls shall be 4 inches thicker than brick walls for like construction. Roof: Roof shall have steel beams, metal lath, built-up of fire proof material.

Class II: The walls shall be of the same construction and thickness as in Class I. Roof: Roof can be of wooden beams and wooden lath, built-up of semi-fire proof material.

Class III: Any building allowed in Class I or II. A building of all steel construction. **SECTION III: FRAME BUILDINGS:** No structure whose walls are wholly, or in part, constructed of wood, shall hereafter be built or moved into the fire limits as herein designated or as they may hereafter be established except as follows:

- (a) Temporary one-story frame buildings for the use of builders.
- (b) Wooden fences not over 8 feet high without cover or roof.

Any existing frame, within the fire limits, which may hereafter be damaged by fire, decay, or otherwise, to an amount greater than one-half of its present value exclusive of its foundation shall not be repaired or rebuilt, but shall be removed. Extensions to or remodeling to change the type of construction of existing buildings shall not be considered as repairs. Repairs to existing wood shingle roofs shall be limited to minor repairs and where exceeding 50% of the value of the roof, shall be replaced only with incombustible materials. **SECTION IV: PENALTY:** any person violating any of the pro-

visions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any sum not to exceed \$100.00.

Passed and approved this the 1st day of June, A. D. 1955.

E. B. Wright
Mayor
ATTEST:
E. B. Noble
City Secretary

Mr. and Mrs. Don Nelson left Sunday for Austin after a week's visit here with his parents, Mr. and Mrs. B. M. Nelson and family.

Mary Nelson have enrolled at Texas Tech, Lubbock, for the first 6 weeks semester. They went to Lubbock Sunday.

Dimmitt, Texas

Here's where all that wonderful performance begins!

They're all true—all the wonderful things you hear about Pontiac's great performance.

The way it sweeps uphill or down with the same effortless ease. The tremendous burst of passing power that answers the nudge of your toe. The thought-quick response in stop-and-go traffic that makes the car seem part of you. The smooth, quiet way it goes about its business however hard or far you drive.

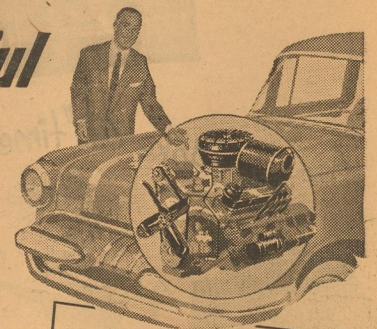

Lift the hood of a Pontiac and you'll be face to face with the reason. That compact power plant nested there may look much like other V-8's—but that's where your eyes deceive you!

The Strato-Streak V-8 is in a class all by itself—filled with engineering "firsts" that make it the mightiest engine ever to appear

in Pontiac's price field. And it's one of the many Pontiac advantages you can't get anywhere else. Pontiac alone gives you the terrific drive of Strato-Streak performance.

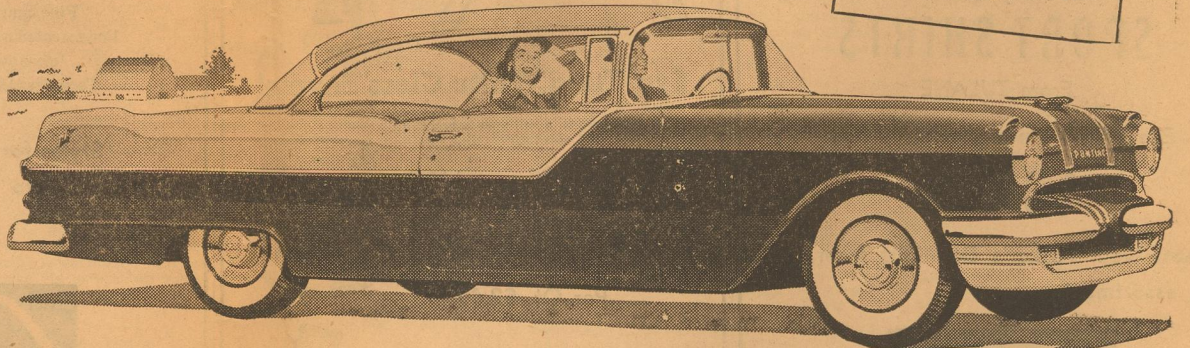

This sensational performance, remember, comes in a distinguished, future-fashioned beauty that is tagged with a price any new-car buyer can readily afford.

Here's your wide-open invitation to come in and try the result—the fastest-selling Pontiac of all time. The car is ready whenever you are! Make it soon.

Most Modern Engine in Any Car
THE STRATO-STREAK V-8

The Strato-Streak V-8 is one of the great landmarks of automotive progress—the newest and most advanced engine you can buy. Standard with all three lines of Pontiac, it develops 180 H.P. and reaches a blazing 200 H.P. with the four-barrel carburetor, optional at extra cost. Either way you get the most power per dollar delivered by any car at any price.

New Officers for WSCS Installed Here on Monday

The Methodist Woman's Society of Christian Service and Wesleyan Guild met at the church Monday, June 6 at 11 a. m. for the installation of new officers. Mrs. George Bagwell, president, presided. Mrs. Raymond Van Zandt gave the devotional. Lunch was served at the noon hour and a business session was conducted.

Mrs. R. L. Kirk of Plainview wife of the district superintendent of the Plainview district, installed the following officers for the W. S. C. S.

Pres., Mrs. George Bagwell; Vice-Pres., Mrs. P. P. Robb; Recording Sec., Mrs. Clarence Bear-den; Promotional Sec., Mrs. H. E. Hershey; Treasurer, Mrs. Posie Cunningham; Sec. of Missionary and Service, Mrs. Iris Touchstone; Sec. of Youth, Mrs. D. Neumayer; Sec. of Student Work, Mrs. Fred Faust; Sec. of Literature and Publications, Mrs. J. C. Gilbreath; Sec. of Status of Women, Mrs. Ethel Womack; Sec. of Christian Social Relations, Mrs. Ray Haber; Sec. of Children's Work, Mrs. Allen Webb; Sec. of Supplies, Mrs. Will Wright; Sec. of Spiritual Life, Mrs. J. H. Lip-gard; Pianist, Mrs. Raymond Van Zandt.

Due to the Lions Club banquet Monday evening, June 13, the W. S. C. S. will not meet next Monday but will combine the program with the June 20th, meeting. All ladies are urged to come. Visitors are always welcome.

Surprise Birthday Party Is Given

Mrs. Dan Heard entertained her husband with a surprise birthday party at their home Friday night, June 3.

Games of dominoes, checkers and bridge were enjoyed during the evening.

Refreshments of coffee, punch and cookies were served to Mr. and Mrs. Buster Tidwell, Mr. and Mrs. Jerry Edwards, Mr. and Mrs. Dorit Smiley and Glenda, Mr. and Mrs. Ray Haltom and Ray, Mr. and Mrs. Harvey Abbott and granddaughter, Debbie, Mr. and Mrs. Don Carpenter and Vicki, Mr. and Mrs. Cecil Crum and Mr. and Mrs. Heard.

13 Members Attend Northedge HD Meeting

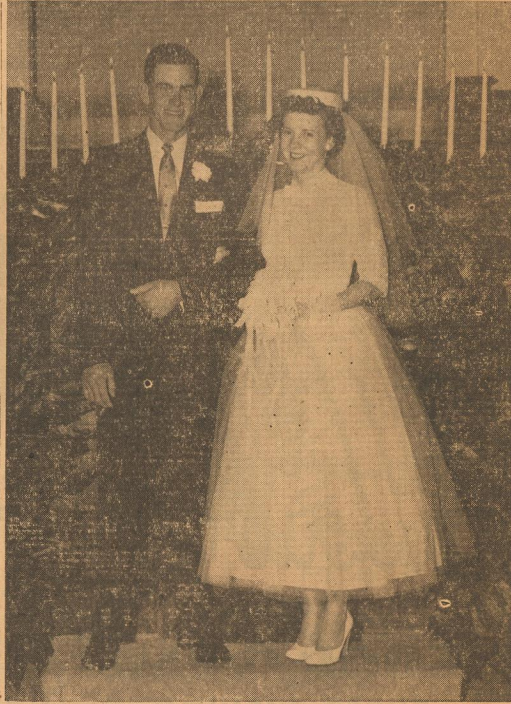

The Northedge Home Demonstration Club met June 2nd at its regular time.

We had thirteen members present.

Mrs. Harvey Abbott gave a very useful and interesting demonstration on the mixing and baking of pie crusts. We discussed the topic of what we would like to do at the county fair in the fall.

Refreshments were served to the following: Mesdames Harvey Abbott, Jimmy Brock, John Crum, Don Carpenter, E. E. Huggins, Bert Huggins, Dan Heard, Troy Maxwell, J. T. Stevens, Dorit Smiley, Fred Waggoner, and the hostess, Mrs. Bob Myers.

Next meeting will be with Mrs. Harvey Abbott June 16th.

Darlene Cates, Rex Wooten Married In Colorful Ceremony Here Saturday

Saturday evening the First Baptist Church of Dimmitt was the scene for the wedding of Darlene Cates, daughter of Mr. and Mrs. Deroy Cates, and Rex Wooten, son of Mr. and Mrs. Jess Wooten.

The double ring service was read by the Rev. George E. Ray before an altar banked with jade and topped by pink cathedral tapers, flanked by huge baskets of pink gladioli and carnations and arrangements of jade.

A medley of nuptial selections was played by Mrs. Geo. Ray, organist, with the traditional marches used for the processional and recessional. Soloist, Miss Gail Cooper, sang "Oh, Promise Me" and "With This Ring."

Miss Jimmie Hyatt, maid-of-honor wore aqua silk crystalline dress, featuring a rolled collar, long torso and full waltz length skirt. She wore a headdress of aqua crystalline trimmed with maline puffs and pink frenched asters, and her mitts were pink lace. She carried a nosegay of pink asters tied with aqua ribbon.

The candles were lighted by Kelton Cates, brother of the bride, and Miss Gayle Buckmaster, who was dressed identically as the maid-of-honor and she wore a wristlet of pink asters.

Bob Hill, brother-in-law of the groom, was best man.

Milton Bagwell and Jack Hodges served as ushers. Given in marriage by her father, the bride was attired in a white gown with a high neck line, short sleeve val lace bodice with a full nylon tulle waltz length skirt over taffeta. Her mitts

were of nylon tulle and were beaded with seed pearls, and her scalloped finger tip veil of nylon tulle was attached to a tiny white taffeta hat that was enhanced with a profusion of seed pearls. The Y. W. A. of the Baptist church gave the bride a white Bible on which she carried a bouquet of white frenched carnations centered with a sparkled white orchid which was secured with streamers of white satin tied in love knots with maline puffs.

Mrs. Cates, mother of the bride, was attired in a navy one piece dress with white accessories, and Mrs. Wooten, mother of the groom, wore a light blue dress with white accessories. Each wore a corsage of white carnations.

Following the ceremony the brides' parents were hosts at a reception in their home.

The brides table was covered with a white cutwork cloth on which rested a colonial nosegay of pink asters tied with aqua satin ribbon that was backed by candelabras holding pink tapers, and the tiered wedding cake.

Misses Sonya Lowe and Gwynn Smith, and Mesdames Junior Cluck and Donald Wright presided at the brides table. Mrs. Bob Hill, sister of the groom, registered the guests.

For traveling the bride chose a navy and white two-piece suit with navy and white accessories and a white orchid corsage.

Mr. and Mrs. Wooten were both graduated from the Dimmitt High School and upon their return they will be at home on a farm south of Dimmitt.

Lt. John Damron Writes Family Of Visits to Japanese Cities

(EDITORS NOTE: The following descriptive bit of information was written by Lt. (jg) John D. Damron in a letter to his family now living in the Flagg Community. The son of Mr. and Mrs. Clyde T. Damron, Lt. Damron is serving aboard the USS Montrose and is currently on ship leave in Japan. He is expected to arrive back in the States about October or December. His wife and daughter, Roxane, are residing with his parents while he serves overseas. The ensuing letter is a resume of a sightseeing trip Lt. Damron and two shipmates made to the cities of Kyoto and Osaka.)

I went to Kyoto yesterday and it is the ancient capital of Japan and is located about 50 miles north east of Kobe. It took us about an hour to go by train. The trains are quite remarkable not so much for the luxury of the train; but, for the manner in which it keeps its time schedule. They arrive and depart within a few seconds of the scheduled time. The country side on the way up is level with mountains jutting up in the distance. As we rode the train I had a very good time just observing the country side. None of the houses are painted here in Japan. Most of the houses are tile. The general appearance of the houses is likened to that of the slums of any city in the states. We saw and ox pulling a breaking plow and also women and children planting rice

in the planting fields. We passed through Osaka on the way to Kyoto. Osaka is the second largest city in Japan. I think the population is over a million and a half. Osaka is industrialized as much as any city in Japan. They have a lot of factories and ship-

Mrs. Ethel Lowe of Dimmitt announces the engagement and approaching marriage of her daughter, Sonya, to Ted Godfrey, son of Mr. and Mrs. John Godfrey, also of Dimmitt. The ceremony will be held in the Baptist Church here on May 19, at 3 p. m. The public is invited to attend.

yards. Kyoto has a railroad station which is nicer than the one in Washington, D. C. We rode the trolley in Kyoto and saw such things as the Old Imperial Palace, Nijo Castle and the second largest wood building in the world. Kyoto is the home of Buddhism and most of their shrines are located there. Most of the temples are huge wooden buildings. The city of Kyoto is not yet as commercialized as the other coast cities of Japan. We spent about an hour in Daimaru, which is the largest department store in Kyoto. It is really very interesting to just browse in a foreign department store. Here in Japan only the most modern stores and buildings have separate rest-rooms for the men and women.

We ate dinner in a nice place and we decided to go oriental and have a Sukaaki (pronounced Ski Aki). The waitress led us to a room in which all the doors were sliding panels. The floor was covered with bamboo matting. We sat down on a pillow (cross legged) by the table. The table was about like our coffee tables with half of the legs sawed off. We had first removed our shoes before we entered the room. A girl came in with a small gas stove and a tray full of food. We were to have our sukaaki cooked before us. It seems that when you eat sukaaki you are performing a ritual. First the girl melted fat in the pan, then covered the bottom of the pan with green onions, white onions and something that looked like kroust. Then she added mushrooms. As it was cooking she laid very thin slices of beef over the top, and covered it with soya sauce. Then she

brought in a pan of rice. We had rice in one bowl and sukaaki in another bowl. I thought the sukaaki was good but I could not help remembering what a wise man once said, "That all good sukaaki is made with small dogs."

After the dinner we strolled down through the streets and back to the station and then back to the ship.

Local Girl Writes Magazine Article

Miss Faith-Helen Faust, daughter of Dr. and Mrs. F. B. Faust of Dimmitt, has been accorded a signal honor at Stephens College for a short story contribution published recently in the Stephens Standard, a quarterly magazine.

The Standard is the magazine which publishes outstanding articles of literature, poetry and art as they are written during the course of a school year by deserving students. Miss Faust's story is entitled "Spring."

Faith-Helen is now home for summer vacation. However, she will go to Monterey, Mexico in July to study Spanish and Mexican art as well as Spanish dance forms. She plans to return home for a few weeks before going back to Stephens in the fall.

Faith-Helen is also a member of the College Senior Pal Society and her duties require her to write letters during the summer to new (junior) students to orient and welcome them to Stephens.
