Here at The Times we print for lots of folks, but none that we like or appreciate more than Cecil Stewart who operates the increasingly popular Volkswagen auto agency and repair service at Olden. Whenever Cecil hands out a card, it's off our presses - and we're proud of every one of 'em! We're mighty happy that he's one of our customers. He handles the world famous Volkswagens and good used cars and you'll like the way he treats you. Cecil lives on Spring Road right here in friendly Ranger.

Jenkins was proudly exhibiting his new car to an admiring friend. "Didn't have to put out a cent for it," he boasted. "They took my old guitar as down payment." "Really?" asked the other. "I didn't know they were

trading in guitars on automobiles." "They don't usually," Jenkins explained, "but this was sort of a special case. You see, the automobile man is a next door neighbor of mine."

LET'S BACK OUR Bulldogs Monday night and cheer them on to winning the bi-district championship !

A PUBLIC DEBATE

oncerning Biblical subjects will be held at the Ranger College Auditorium.

> MARCH 2nd, 3rd, 5th & 6th Each Evening at 7:30 P. M.

THE DISPUTANTS are Bob Craig who preaches for the hurch of Christ in Lometa, Texas and Marvin A. Hicks, who eaches for the United Pentecostal Church in Corpus Chris , Texas. Each session will last two hours.

PROPOSITIONS FOR EACH EVENING ARE AS FOL-

Monday Night: 1. The scriptures teach that Jesus Christ is the only person in the Godhead and that this Name Jesus Christ, is the only name to be orally pronounced when administering water baptism.

Affirmative Marvin A. Hicks Negative Robert L. Craig

Fuesday night: 2. The scriptures teach that there are three separate and distinct persons in the Godhead: the Father who is God, the Son who is God and the Holy Spirit who is God.

Affirmative Robert L. Craig

Negative Marvin A. Hicks Thursday night: 3. The scriptures teach that Spirit bap tism and the spiritual gifts of I Corinthians 12 cease before or by the close of the Apostolic age, or when the New Testament was completed in writing, and that the church of which I am a member is the origins

Apostolic Church of the New Testament. Affirmative Robert L. Craig

Negative Marvin A. Hicks Friday night: 4. The Scriptures teach that the Baptism of the Holy Ghost and the spiritual gifts of I Corin thians 12 are for the church today and that the Church of which I am a member is the original Apostoli Church of the New Testament.

Affirmative Marvin A. Hicks

Negative Robert L. Craig This will be an orderly discussion of differences ex sting between the church of Christ and the United Pente costal Church. Everyone is invited to come and listen to this discussion. Bring your Bibles for we are seeking only

the truth of God's Word.

Someone might say, "I believe what I believe and othing will change me!" No one should take this attitude if he is seeking the truth of God's Word. For by saying this we are admitting that there is nothing else we can learn and we are prejudiced even to the truth of God's Word. We ought always to be ready to put that which we believe to the test. If it is truth it will shine forth; if it is error it will fall to truth.

What About Romans 1:29 and II Corinthians 12:207 In those two passages the King James version speaks of de bating in a bad sense. The original word in these passage does not mean what our word "debate" means. It means rather "strife" and the identical word is so translated in Rom. 13:3; I Cor. 3:3; Phil. 1:15 and I Tim. 6:4. A public debate is not necessarily strife even though it can becomsuch; but then so can any kind of a discussion if the disput ants or the people involved do not behave themselves a

The kind of a discussion that this will be is authorized by what Jude says Jude v. 3. "Beloved, while I was giving all diligence to write unto you of our common salvation, was constrained to write unto you exhorting you to contend earnestly for the faith which was once for all delivered unto the saints." (ASV). The word "contend" literally means VERBAL DEFENSE.

WHAT WE HOPE TO ACCOMPLISH BY A DEBATE:

First of all we believe that when truth is laid alongsid rror people can see the difference. We also hope to gen erate some desire on the part of the people in this city to STUDY God's Word.

We commend the people of the United Pentecostal Church because they are willing to defend that which they believe. We wish that others would do the same for eve ome members of the Lord's church seem to be afraid to defend that which they say God's Word authorizes.
