Natural Gas Line Report Is Given DALLAS - Lone Star Gas nary plans for construction of On Bond Sales

mission pipeline of 20-inch diameter designed to dramatically increase the availability In Past Month of natural gas to the com-pany's South Texas market a rea, according to E. A. the Eastland County Savings own, Lone Star's executive Bond Committee, has an vice president of operations. | nounced that the county's Au-Mr. Brown said that the gust savings bond sales totalnew line, extending from ed \$11,598. Sales for the first Bartlett, Texas to United Gas eight months of this year Pipeline Company's Buda were 5236,187, which repre-Compressor Station in Travis sents 53 6 per cent of the 1964

County, will be built in order to obtain additional gas reserves for use in Waco, Texas and the area south of Waco. The line costing approximately \$3,000,000, will have capacity to deliver an additional 45.000,000 cubic feet of gas every 24-hours. It will reinforce gas supplies on the entire Lone Star market area consisting of aoms 500 communities, towns and cities in Texas and Southern Oklahorna, Mr. Brown pointed out.

Sents 53 6 per cent of the 1964 sales goal.

Total sales in Texas for the first eight months of the year were \$100,643,333. Savings bond sales have increased approximately \$900,000 compared to the same period in 1963.

"In a recent brochure the Treasury Department stressed the tax advantages of buying E bonds. While the interest is subject to federal income tax, the reporting of E bond interest may be deferred until

oklahorna, Me. Brown and the surveys and bushase right-of-way are now under by Lone Star. Preliver plans call for consturction he new line in the near full and completion of the line mid.— December. This edule will make these new reserves available to are summers during the coming ting season, Mr. Brown ed.

tax, the reporting of E bond interest may be deferred until the bonds are cashed or reach final maturity. This means that the owner of the bonds an choose to cash his bonds an years of lower income. This fact makes the E bond meticularly attractive to the large investor and for those persons either planning retirement or supplementing an existing retirement program, "Chairman Parker stated.

"Everybody should be a newspaper boy," says Yogi Berra

"I was. And I believe it develops traits that will be important whether you're going to be a ball player or a corporation president.

"It teaches dependability, for one thing. I know it isn't easy to get those papers around when the weather's mean, but those kids do it.

"(Trying to hit 30 or 40 front porches every day with folded papers never hurt any kid's pitching arm, either.)

"Reing a newspaper boy teaches you to be

a good businessman too. You learn how to handle money and to save some-as so many of these boys do by buying U.S. Savings Bonds regularly.

"The dollars they save in Bonds might help put them through college someday. Right now, they help Uncle Sam keep our country

"I'm proud to have been a newspaper boy. It's a big job."

Keep freedom in your future with
