GLAD to be back in her old home town is Mrs. Roland Henderson, 422 Pine, who with husband and three youngsters recently moved to Ranger from Euless. Mr. Henderson is employed by Southwest Machine & Engineering, growing local industrial enterprise. The Hendersons have four children — Mrs. Carroll Nettles of Natchez, Miss., and three at home. They're Mackie, 15, a student at Ranger High School; Kelly, 3, and Carrie, 9-months-old. Glad to have this family with us... Sidney Mac Young of Buffalo Gap was flying low on U. S. Highway 80 west of Ranger Saturday night. Jack Thewanger, Texas Highway Patrolman who's called the "Flying Dutchman" by his friends, clocked the young motorist at a speed of 105 miles per hour, slightly a shade above the 65-mile speed limit. Justice of Peace M. D. Underwood issued a warrant for the Buffalo Gap man Monday... New driver for C&H Transportation Co., nationwide trucking firm, is Kenneth Falls Jr. of Ranger. Veteran knight of the road, Connie Bradford, long-time C&H driver, has taken the novice under his wing... Rangers Are Gunning For Triumph in Peanut Bowl

The Ranger Junior College Football Federation battle will be waged on the turf of Maverick Stadium. Opening kickoff is set to blast open action at 8 p.m. sharp. A capacity crowd of rabid grid fans from all sections of the county is expected to be on hand to watch the two junior colleges — only 20 miles apart — renew a gridiron feud which began back in 1947. Larry Lee, one of the Rangers' defensive stars who received a head injury in the Wharton game two weeks ago, is expected to be in top fettle and ready for his usual rugged action against Cisco. Early Wednesday, RJC Coach Gerald Williams said he wasn't completely sure there'd be no changes in his offensive and defensive starting units for the Saturday night fray. Tentatively at that time, however, they remain the same as usual and stack up like this: Starting offense for the RJC Rangers: Bill Clary, 165, quarter; Tony Pietoso 190, and Joe Fitzgerald, 175, halves; John Demaris, 220, Full; Skipper Voss, 180, and Larry Lee, 185, ends; Dickie LeDoux, 235, and Dale Fruge, 222, tackles; Lawrence Helton, 210, and Arnold Stevens, 195, guards; and Tony Jackson, 230, center. And the defensive eleven: Don Carter, 180, Larry Lee, 185, Sterling Pike, 175, and (Continued on Page 4)

Rangers Drop Thriller To Kilgore JC, 8-7, As Homecomers Eye Action

Coach Gerald Williams 1964 Ranger Junior College Rangers were four minutes from a victory over the Kilgore Junior College Rangers last Saturday afternoon when a short bomb exploded and their fourth duel of the year ended in defeat. The score: Kilgore 8, Ranger 7 — the hair-thin difference of a point. The Rangers midway in the second period took possession of the oval on their own 35 and on a series of effective offensive plays rolled down to the Kilgore 20-yard stripe. From their halfback starting Pike took a handoff from Quarterback Billy Clary then optioned to leave a pass to Halfback Joe Fitzgerald who raced across the double stripe for the first score of the game, one of the highlights of one local College's 1964 Homecoming. Rudy Ramirez added the ex- (Continued on Page 2)

James R. Horton Dies In N. J.; Rites Tuesday

Downing, pastor of the First Christian Church, officiating. Burial was in the Evergreen Cemetery under the direction of Killingsworth Funeral Home. Mr Horton died early Saturday at his home in East Brunswick, N.J., after suffering a heart attack. Funeral was held at 8 p.m. Sunday in Jaqui Funeral Home in Highland Park, N. J. He was born April 15, 1926, in Caddo, Oklahoma. He was a former resident of Ranger. He married the former Vera Vivian Cooper of Ranger August 18, 1946 at the Methodist Church of Ranger. Employed by American Airlines for the past 19 years, he was manager of the Passenger Refunds Branch, New York City, at the time of his death. He was formerly of Tulsa and had lived at East Brunswick for the past four years. He was a member of the Aldersgate Methodist Church of East Brunswick. Survivors include his wife; two sons, James C. and Jeffrey S.; and one daughter, Sharon J., all of the home; his father, Melvin Horton of Laurel, Miss.; his mother, Mrs. Jessie Phelan of Fort Worth; and one brother, Dewey Ray Phelan of Fort Worth. The American Airlines Associates served as pallbearers.

Cunningham Re-Elected As Prexy of Exes

Weldon Cunningham of Ranger was re-elected president of the Ranger Junior College Ex-Students Association at the annual business meeting of the Exes, which was held immediately following the turkey barbecue Saturday evening in the Athletic Building of the college. Jasper Williamson, also of Ranger, was named vice-president, and Jack Allen, business manager of the college, was elected secretary-treasurer. Earl Lebrede, Ranger, was made publicity director of the association for the coming year. The group voted to hold its 1965 business meeting immediately prior to the Homecoming parade, at which time the Coming Home Queen will be chosen.

MISS CLEMENS... Homecoming Queen

Miss Paula Clemens Is Crowned As Queen Of RJC '64 Homecoming

Miss Paula Clemens, Ranger Junior College freshman from Decatur, was crowned 1964 Homecoming Queen in a ceremony at halftime of the Tyler-Ranger Junior College football game October 10, that also included the presentation of the RJC Ex-Students' Coming-Home Queen, Mrs. Barbara Healer Crouch, now of Palestine but formerly of Ranger. Runners-up for Homecoming Queen were sophomore Ginger Gooden of Colorado City and freshman Naomi Bradford of Ranger. The Coming Home Queen was recognized first. E-corted by her husband, Melvin Crouch, to the center of a huge crown formed by the RJC Band, she was crowned by Ex-Student President Weldon Cunningham, who also presented to her a bouquet of white chrysanthemums. The three nominees for Homecoming Queen next took their places in the crown, and the announcer then revealed the name of the queen, whose identity had been kept secret. After crowning Miss Clemens, Mr. Cunningham also presented (Continued on Page 2.)

Ranger UF Is Far Short!

It's a sad story. And the whole mission of Ranger's annual United Fund is to change sad to glad. But... this is a sad story. As The Times went to press at noon Wednesday, Ranger's United Fund, scheduled for Oct. 6-10, (and this is the five days later) was \$3,556 short of the quota. That goal — in the interest of humanity and tear shedding heart-tugging needs, plus the operation of vital and constructive community services — is only \$6,836. "This is one of our city's most important and essential projects," comments Fred Bennett, UF president. "As a Boy Scout leader, I can assure you that scouting in Ranger is greatly aided by the UF and it is doubtful that we could survive without this valued assistance. Also, may I remind you of our Campfire Girls, our growing Community Public Library, and Teen Town?" "These are community aid and progress aspects. And most Ranger residents individually benefit from their sustenance and operation. So a UF donation is a contribution from which most receive individual dividends. "In time of stress, trouble and tragedy," adds Rev. B. L. McCord, pastor of the First Methodist Church and chairman of the 1964 UF drive, "there's only one place to turn — to the understanding, charitable United Fund." "When you give once, you give to all. Not only to our worthy community needs, but also to those agencies who are ready to answer the calls of the troubled and distressed — the American Red Cross, the Salvation Army, our own child-welfare club and other charity groups sustained and supported by the United Fund. "Remember," Rev. McCord reminded, "you are the UF and the UF is you!" Ranger's \$6,836 quota has been budgeted as follows: Red Cross, \$1,200; Salvation Army, \$600; Community Library, \$600; Camp Fire Girls, \$75; Boy Scouts, \$1,400; Child Welfare Club, \$800; Teen Town, \$1,600; and Texas United Fund, \$381. Glyn Gilliam, chairman of the special gifts committee, is conducting a final solicitation of Ranger's business and industrial firms. "I am sure," Mr. Gilliam said, "that our business community is keenly aware of the fact that the need is great. I am also sure that as good businessmen they are aware that we must meet the modest budget — our quota — to finance these vital agencies and services during the coming year."

Survivors include his wife; two sons, Jack R. of Austin and Teddie Joe of Odessa; one daughter, Peggy Joyce Neeley of the home; three brothers, Lester and Bill of Robinson, Ill., and Joe of Strawn; and one sister, Mrs. Frank Martin of Robinson, Ill. (Woodie) Parsons; two sons, Dale of Hurst and Dean of Mingus; six sisters, Mrs. Grisson of Ranger, Mrs. Lillie Daniel of Fort Worth, Mrs. Dorothy Mann of Ba-ton Rouge, La., Mrs. Louise Gazola of Mingus, Miss. Freshman Class, Royal Neighbors Floats Judged Best in RJC Parade

The Ranger Junior College Freshman Class and the Royal Neighbors of America were first place winners in the float contest of the RJC Homecoming parade Saturday morning, October 10. The Fish won in the college division with a float that depicted the demise of Tyler Junior College with appropriate mourners. Second in the college division was the RJC Choir float which featured a barber shop quartet on a red and white float which carried a realistic barber pole and the labels "Shave Tyler." Third was the RJC Band float, which carried out a musical theme. The Royal Neighbors won their prize with a float called the Pioneers. Members were in pioneer dress and were engaged in pioneer chores, such as churning. Second in the open division was the Ranger Garden Club, which entered a float filled with plants of various kinds, with children of Garden Club members as riders, depicting garden club members of the future. The Campfire Girls won third place. Judges were Mrs. Buck Wallace, Mrs. J. W. White, and Glen Gilliam.

Religious Census Sunday

The annual city-wide religious census, sponsored by the Ranger Ministerial Alliance, will be held next Sunday, Oct. 18, beginning at 2:30 p.m. Robbie Hobbs, pastor of Second Baptist Church, is chairman of the 1964 house-to-house census. He is being assisted by a committee of laymen, including Lloyd Bruce, Bill Marslander, Edgar Ward, Kenneth Bounds, Tommy Huling and Dick Jones. Between 75 and 100 volunteer workers will canvass the city and visit residences to have members of families to supply information for "Family Church Survey Record" cards. Residents who won't be at home Sunday afternoon were asked to clip the census form in today's Times and leave it in a conspicuous place on the front door of their residences. The survey cards will also be distributed at church services Sunday morning, Rev. Hobbs said. The survey will be conducted after workers gather at the First Baptist Church at 2:30 p. m. Sunday.

It'll Be Dogs and Cats in Grid Scrap Here Friday Night

Rising Star's powerful Wildcats, currently rolling roughshod over opponents in Class B, invade Bulldog Stadium in Ranger Friday night determined to outplay and outscore the Ranger High Bulldogs. The Wildcats currently are rated No. 1 in District 18-B. They open their conference play next week against the Bangs Dragons. Coach Jack Duvall and his aides, Jerry Trice and Leroy Duke, were far from happy over the poor showing of their Maroon & Whites in their District 10A duel with the Clyde High Bulldogs in enemy territory last Friday night. The sad story was a stunning 31-6 defeat. Only bright prospect is the fact that the Bulldogs are in good physical shape for the Friday night home encounter. Also heartening is the possibility that Halfback L. H. Pounds' ailing foot may be improved to such a point that he can get back in action as a classy pass-snatcher as well as a yardage-masking runner. He'll start Friday night against the Wildcats with mates Johnny McGee at quarter, Ray Newnham at fullback, and Larry Blackwell in the other half slot. In the offensive starting line it'll probably be Jerry Watson and Milton Kennedy at the ends; Bill Robinson and Jack Watson at tackles, and Wednesday morning the guard slots remained a question. It may be David Dunson and David Speed or Alec Garcia. Alec, however, got some face injuries in the Clyde game and may get a recuperative rest from combat. The defensive unit: Left, side, Leroy Pearson, Milton Kennedy and Alec Garcia. Middle linebacker Ray Newnham. Right side, Jack Watson, Johnny cGee and David Speed. Halfbacks, Lec Aurburne and Larry Blackwell. Safeties Jessie Renieria and Jerry Watson. Elsewhere around the 10-A circuit Friday night Cross Plains collides with favored Albany, Baird should top DeLeon, Clyde will clobber Eastland. Here's the situation after last weekend's schoolboy grid (Continued on Page Two)

Fireside Fancies
The warmth toward you is wonderful, yet without reason or warning, you are chilled through and through. Your blood races at a new speed, your energies are renewed, your head seems lighter when it is filled with the intoxication of the beauty. Moments such as these can never be held forever but will never be forgotten. God did not intend for these times to last. It seems that these are only to educate the heart of man.

Many people rush about in the midst of all this beautiful art of fall, in such a hurry to live that they seem to forget how to live. How hollow their mere existence must be! If we would but only take time to watch Nature at work, we would be so much closer to God. He must perform these wonders to remind us of Him — let us not go on unnoticed. Young said, "Nature is the glass reflecting God, as by the sea reflected is the sun, too glorious to be gazed on in his sphere."

TOWN TALK

(Continued from Page One)
in the building formerly occupied by White Auto Store... And another new business institution also is under construction on Highway 80 west and the Prairie Street crossing. Bill Ogden, boss of the Ranger Police Dept., is building an automatic car wash. So—in the near future, while gals are awaiting their wash at the nearby Ogden Coin-Operated Laundry they can also launder their jitneys.

Clergymen of Ranger Ministerial Alliance, along with their wives, enjoyed a fellowship dinner last Saturday at 5:30 p. m. at the White Elephant Cafe in Eastland.

A RANGER man went to a rummage sale in Eastland last week — and when he bought an electric fan for a dollar bill, he was pretty well assured that he'd got a real bargain.

In deed he had. It was a \$38 fan that had been loaned to the women for their comfort during the sale.

So naturally, women of the club would be happy to return the man's money, in return for the bargain fan.

BECAUSE OF conflicts of dates the CROP Drive, sponsored by the Ranger Ministerial Alliance, will be held on Oct. 21 and 22.

Spirits of local fans were high at halftime with the Purple & White a jump ahead and prospects better than fair for more RJC point-making in the second half.

But the prospects vanished into the afternoon sunshine with four minutes left to tick away on the clock in the fourth quarter when the Rangers of Kilgore knifed deep into RJC territory on an offensive dash and scored their effort with a touchdown pass, Mike (Doc) Holliday, 182-pound Kilgore quarterback, ended the leather on target to Ed Richard Mooney who "bounced" over the yard dirt.

With two points needed for victory, the visiting Rangers had but one choice — another pass.

So they presented their touchdown formula. Holliday took the oval, backed into the key and hit Mooney with a perfect pitch for victory.

With three minutes on the Purple & White had fans in a state of excitement and they launched another drive. Finally down from the Kilgore 40 they attempted a pass. But an alert RJC defender leaped into the air and intercepted the aerial. Taking control of "the ball" Kilgore didn't gamble. They just took their time, stayed on the ground and ran out the clock. Then victory was theirs.

It was the Ranger's second conference loss in three Texas "College Football Federation" starts. They opened their TJCFE campaign with a 22-9 upset over Tyler Jr. College, but a week later were jarred by Wharton 28-6.

In other conference games last weekend, Wharton set the pace with a 36-6 win over Tyler, Texas A&M defeated avarro 18-13 to remain atop the nine-member circuit in the standings. Cisco barely beat Blinn 14-13. Henderson County Jr. College, with a one-win-one-loss conference record, beat Northwestern Oklahoma 20-14.

REV. McCORD

The Sunday edition of your Times.

LIKE MOST PEOPLE and things these days, newspapers have special weeks. And this is National Newspaper Week. And we would like to take this occasion to reiterate again our pledge to try harder and harder to make this newspaper a good example of a good community.

Country newspapers reflect to a pretty accurate degree the kind of communities they serve. If its a good, progressive community, you can often see it between the lines and pages of your home paper.

Like most businesses, we have our problems. These include the trend of big advertisers to run their ads in a few big dailies and skip the country papers. And like a lot of businesses, if we had the business that goes to out-of-town advertising and printing concerns our prosperity would be greatly enhanced. Moreover, there would be more payroll dollars in our town.

We certainly appreciate the support of an overwhelming majority of the residents as readers. Our circulation list has had a steady growth over the past dozen years although the community's population has gone down slightly.

roof company is permitted to withdraw these trains.

"On October 1, regional representatives met with patrons of the Ranger office to discuss present and proposed transportation patterns for mail service in Ranger. They do not anticipate any further complaints regarding transportation of mail at Ranger."

In letters to The Times and local civic leaders, Congressman Burleson wrote: "Just as soon as I received your telegram and those from others in Ranger concerned about the curtailment of mail service there in Ranger, I immediately contacted the Post Office Dept. in an effort to be of all possible assistance."

In response to my contact, the congressman continued, "officials of the Department from the Fort Worth office were sent to Ranger to discuss plans with interested citizens. You, of course, are aware of this and I hope that this meeting had the effect of allaying the anxieties in this regard. I am glad you wired me in order that I could set in motion the investigation and discussion with Post Office officials."

"I have waited to respond to you until I had a final report from the Department, a copy of which is now enclosed. Should it develop that this new plan results in service which is impaired," Congressman Burleson concluded, "certainly I will want to know about it and to intervene again with Postal officials."

Needless to say, we are grateful for the fine advertising support of local merchants. And we're going to try harder in the year to come to merit the support of those few who either do no advertising or who use non-local mediums.

We invite one and all to drop in this week (or any week) to offer us any suggestions about how this newspaper can do a better job of serving this fine community.

Needless to say, we are grateful for the fine advertising support of local merchants. And we're going to try harder in the year to come to merit the support of those few who either do no advertising or who use non-local mediums.

We invite one and all to drop in this week (or any week) to offer us any suggestions about how this newspaper can do a better job of serving this fine community.

Quote From Sen. Goldwater:

On peace through strength: "I am trying to carry to the American people this plain message: 'This entire nation and the entire world risk war in our time unless free men remain strong enough to keep the peace. We seek a strong America because only a strong nation can keep the peace. The Republican Party, this Party of peace through strength, has no clearer message. Peace has no greater hope. And I can give you no greater pledge.'"

'Freedom Is Choosing Attitudes'

-- TESCO Quarter Century Speaker

"Man's ultimate freedom is his right to choose his attitude," noted speaker Fred Smith told members and guests of the Texas Electric Service Co.'s Quarter Century Club at their annual dinner meeting in Breckenridge Monday evening.

"Don't just absorb an attitude," he said, "choose one. Then you're accomplishing freedom." Smith went on to outline "points of control," stating that a person needs to control his money, time and energy. The emotion of revenge is a waste of energy, where as the attitude of gratitude is an energy restorer.

Introduced by Division Manager Frank Sayer of Eastland, master of ceremonies, Smith, making his second appearance before the annual meeting, entertained with dry humor, spicing his remarks with gems of thought.

Outlining the company's growth and progress, Mr. Bee-man Fisher, company president, cited the safety record attained by the Leon Plant under Mac Beazley's management and the Division Transmission Department managed by Kenneth Thompson.

Jim Parks of the Eastland Division headquarters, was a coordinator for the Quarter

A Newspaper Comments:

The Johnson party and the disparate following upon which it depends are the prisoners of their own contradictions. The convention has exposed them, just as it has disposed of the myth of Johnson as the inflexible behind-the-scenes fixer, the Great Manipulator. A coalition resting solely on shared interest in political plunder cannot survive without principles. Lyndon Johnson's administration is barren of any. — Chicago Tribune editorial.

There'll Be A Smashing Good Time on Weekend

Ever get mad at your car and wish you could smash it with a sledge hammer—we'll take your venom out on the car which is being provided especially for that purpose at the Ranger Junior College Friday and Saturday.

The Ranger Junior College band is sponsoring a Car Smash and will provide a '51 Dodge, donated by Caraway Paint and Body Shop, and an 8-pound sledge hammer, for everyone to come out and relieve their tensions. One hit at the car will be 15 cents and two hits for 25 cents. Proceeds from the Car Smash will go to the Trip Fund of the RJC band.

The Car Smash will be held on the field next to the gym at the college beginning at 8 a.m. Friday morning and again Saturday morning. At 10 a.m. Friday the front and back windshields will be auctioned off and the car windows each, first come, first served. The car smash will also be held at the Ranger High School stadium Friday night during the football game. It will be located inside the gate at the stadium.

The car will be in the Peanut Bowl Parade in Eastland Saturday.

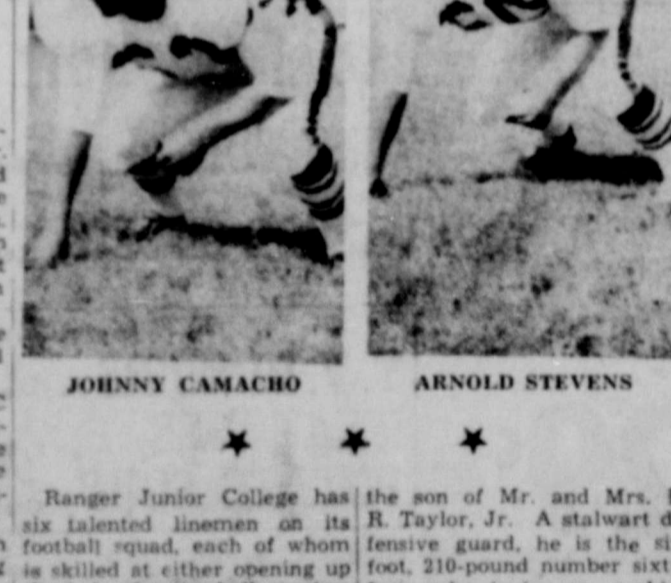

Introducing the 1964 RJC Rangers

LAWRENCE HELTON BYRON WHITE

BOB TAYLOR RUDY RAMIREZ

JOHNNY CAMACHO ARNOLD STEVENS

Ranger Junior College has six talented linemen on its football squad, each of whom is skilled at either opening up the holes for the ball carriers on offense or plugging them up on defense.

First of the men up front to be introduced is the popular sophomore from Corpus Christi, Rudy Ramirez, Rudy, the son of Mr. and Mrs. Petra Ramirez, is a hard-hitting linebacker. Weighing 225 six feet, he plans to attend West Texas State College to complete his major in physical education and then enter the field of coaching.

Number thirty-three in your program is another of the bone-crushing "Renegade" defensive team which RJC boasts. Another outstanding linebacker, he is Byron White, a sophomore who carried a six foot, 185-pound frame. The son of Mr. and Mrs. B. White of Aransas Pass, he is a physical education major and plans to enter the coaching profession.

Bob Taylor, from the little town of Houston, Texas, is

the son of Mr. and Mrs. E. R. Taylor, Jr. A stalwart defensive guard, he is the six-foot, 210-pound number sixty-four, who is in on making many tackles.

Mr. and Mrs. A. L. Stevens of Baker, Louisiana, have given Ranger's football team a 5-foot 11-inch, 195-pound starting offensive guard by the name of Arnold "Doc" Stevens. This freshman was a member of the National Honor Society and Key Club at Baker High School. He plans to go to LSU, where he will study veterinary medicine.

Johnny Camacho is a familiar home-town boy who graduated from Ranger High School last year. The son of Mr. and Mrs. Joe Camacho, Johnny is a physical education major and hopes to enter into a coaching career.

Lawrence Helton, 210-pound guard from Bridge City, is the son of Mr. and Mrs. L. A. Helton. A business administration major, he plans to attend Lamar Tech after finishing his work at Ranger Junior College.

SS Office In Abilene Moved To New Location

The Abilene office of the Social Security Administration will move to the remodeled and expanded Federal building along with many other Federal offices previously located in other space. Monday, Oct. 19, will be the first day of operations at Room 2321 in the building.

One From County To Be Inducted In November

The state draft quota for November calls for 307 men, compared to 236 for October. Colonel Morris S. Schwartz, state selective service director, said Wednesday.

The state quota of 307 for November is the Texas share of a national call for 8,600 men, all for the Army. One only from the local board will be inducted and ten 18-year-olds examined, the local board reports.

The state selective service director also announced that state draft boards will forward around 2,900 males for Army mental-physical examinations in November, all of whom will be 18 year-olds.

These tests for 18 year-olds are the result of President Johnson's action early this year which ordered the director of selective service and the secretary of defense to examine all newly-registered men who are out of school and available for service. Males married at age 18 and those known to be in school at that age will not be examined.

Colonel Schwartz stressed that these youths will not be considered for armed forces at this time. Normally, draft for service is about age 22.

The 18-year olds who fail the Army's mental examination will be referred by draft board letters to local offices of the Texas Employment Commission.

Youths who get the letters are under no compulsion to visit the TEC offices, but may go if they feel the government can benefit them.

The November quotas already have been figured and sent to the state's 137 local boards.

Commissioners are also to consider the proposed county budget for the coming year and take action on a request to assist with some repair work at the Ranger General Hospital.

County Hospital Needs Some \$2,000 Repairs

The county commissioners court heard a request Monday from a group representing the city-county hospital (a joint enterprise between the county of Eastland and the city of Ranger) for assistance in a new building program.

The group was headed by Bernard Hannah of Eastland, chairman of the city-county hospital board, accompanied by Dr. Charles Ballew of Cisco, member of the board. Mrs. Roscoe Hopper of Ranger and Bill Harrington, hospital administrator.

They requested a change in the front steps at the hospital, since they are considered too steep, and new doors, Hannah said. These changes would cost a total of \$2,000. The commissioners informed the group that the county could pay half the total (\$1,000)

to have these changes made. Action was delayed until Tuesday.

Wesley Eisenhower of Brady appeared before the court and requested that the land which he has leased from the General Land Office be fenced.

Discussion was underway of new general election judges for Precinct One, the former judges having resigned.

The commissioners voted and accepted the resignation of former election judges, Don Pierson and Grover Hallmark and named in their places R. N. Wilson, presiding judge, alternate presiding judge. These newly elected judges will be in charge of the general election to be held Nov. 3.

Also discussed was a program to set up a food stamp program for Eastland County. If this change is made, instead of the welfare office distributing food, stamps will be given to persons who receive welfare, and with these stamps groceries may be purchased.

The county court agreed that it was interested in the stamp program and requested that it receive full information regarding the issue.

Ladies Bible Class Continues Study On Faith

The Ladies Bible Class of the Mesquite and Rusk Church of Christ met Tuesday at 10 a.m. for Bible Study.

Mrs. A. G. Langley led the class in continuation of the study of "Beautiful Clothing to Adorn the Soul" with faith as the basis of all other virtues. The question "what is faith" was answered with the statement that it is believing what God says and believing his commandments enough to obey them; believing his warnings enough to heed them and also believing his promises enough to be comforted by them.

Mrs. Langley explained that faith can come only through a knowledge of God's word, Romans 10:17. Without faith, it is impossible to believe God. Faith gives one power to be more than a conqueror, Romans 8:37. The obstacles last but for a time; the victory extends into eternity. Victory over sin, sorrow, fear and persecution — these can be overcome and joy cometh in the morning, Psalms 30:5.

Cans of food were brought for the store room and 93 visits were reported made. Get well cards were sent to Mrs. Jim Brewer of Ranger; Jack Donowho, Nath Pirkle, Mrs. Dee Rodgers, Ranger Hospital; Mrs. Guy Davis, Copperas Cove; O. G. Lanier, Kerville Hospital; Mrs. Clay Bunn, Sweetwater; Vester Furlough, Grandbury; and D. K. Meginnis, San Antonio.

Those present were Mmes. Sude Jones, Eura Tucker, A. H. Dean, Lela Quinn, Ben Freeman, Reed Campbell, Kenneth Brown, Dorothy and Joe; Luther Goblike and Greta, Ben Howard, Tollie Morton, C. D. Ervin, and Maggie Heard. Also Mmes. Clark Bradford, George L. Minnick, Winston Squyers, A. G. Langley, Buck Wallace, Earl Blackwell, Gene Brownning, L. J. Burnett, and Misses Betty Tucker, and Rosa Williams.

(down with hangover heat!)

Turn a gas burner off... and it's OFF! There's none of the hangover heat you find with electric ranges—wasted heat that causes boilovers and burned foods.

Gas broiling is cooler, too, because you broil with the door closed. And it's smoke-proof broiling—the flame consumes the smoke! With gas your kitchen stays cooler and cleaner! Now's the time to elect a modern gas range to head up your kitchen: it's sale time!

State Capital NEWS

By Vern Sanford

AUSTIN — A top finance authority on state government is hopeful that the tax bill written by the 1965 Legislature will be smaller than many advance predictions have indicated.

Jim McGrew, research director for the Texas Research League, said \$35,000,000 a year in new revenue ought to cover the bulk of Gov. John Connally's higher education program, teacher pay raises about 40 per cent of the budget increases sought by state agencies.

McGrew, who addressed Austin's chapter of Sigma Delta Chi, professional journalism fraternity, made these "guess-timates":

— About \$625,000,000 will be available for general revenue spending next biennium, including an \$83,000,000 surplus at the end of the present fiscal period. That's \$35,000,000 above the present level.

— With no new taxes at all, the Legislature could provide up to \$120,000,000 in additional general revenue spending for higher education and maybe \$45,000,000 more for state departments and agencies.

— An added \$60,000,000 plus in revenue (per biennium) would finance the state's \$74,000,000 share of a \$45-a-month pay raise for public school teachers as well.

Texas Commissioner on

Higher Education recommended \$89,000,000 more for higher education from general revenue. Governor's Committee on Education Beyond the High School recommended an increase of \$165,000,000. But it suggested doubling tuitions which would reduce the general revenue hike to \$120,000,000. State Hospitals and Special Schools, the judiciary and other state agencies have put in for \$112,000,000 more than the current budget.

Asked where additional money likely would come from, both McGrew and his boss, League Director Alvin A. Burger, noted that restoration of the \$2.75 corporation franchise tax rate, removal of exemptions in the present sales tax or raising of the rate would be big revenue producers. They made no recommendation.

Larry Temple, 28, formerly of Plainview, was named by Governor Connally as his executive assistant to succeed Howie J. Rose, who returned to law practice in Midland.

Connally appointed Edward H. Harte, publisher of the Corpus Christi Caller-Times, to succeed Vann Kennedy, Corpus Christi radio executive, who resigned from the Texas State Historical Survey Committee.

A State Department of Pub-

lic Safety investigation of Billie Sol Estes will continue "until all ramifications" are cleared, Connally told a press conference.

Sen. Ralph Yarborough has challenged authority of the DPS to look into allegations that he received \$30,000 from Estes, who now faces prison sentences for swindling.

Connally said of the DPS: "It has a clear duty and responsibility with respect to law enforcement. It is not a political organization. It has not been used as such, and will not be used as such if I have anything to do with it."

A Yarborough campaign aide, Fagan Dickson of Austin, issued a release in which he said he has information that Estes has made a statement bearing out an FBI investigation report that there was no \$50,000 gift to Yarborough.

Texas Highway Commission authorized \$362,000 in farm-to-market road development in Davy Crockett (Houston County) and Angelina National Forests. Two projects included are linked to development of Sam Rayburn Reservoir. A third would connect two scenic roads south of Kennard.

Commissioners also authorized preliminary engineering studies for development of sections of U. S. Highway 59 in Victoria and Jackson counties into multi-lane expressway. Eventually the multi-lane facility will extend from Houston to Brownsville.

AUSTIN — It's almost time to vote again. General election ballots already are in the hands of local officials, for printing.

Secretary of State Crawford C. Martin has mailed out the sample ballot to the clerks. Along with it went 44-page certified list of all state and district candidates. Many clerks had been pressing for

Preparing sandwiches for the school lunch pail can be a real morning chore for mothers who have several children in school. It can be made easier by preparing a large quantity of sandwiches at one time, then freezing them. Wrapped in a double thickness of heavy waxed paper, sandwiches can be stored a week in the freezer without loss of quality. If you use a moisture vapor-resistant wrap, you can extend this period to two or three weeks.

Let the youngsters help you the material so they could order necessary printing well in advance of the November 3 election date.

Absentee voting begins 20 days before the general election, and clerks must post ballots 10 days earlier than that.

This ballot will list Democratic nominees in column 1, Republicans in column 2 and Constitution Party candidates in column 3.

Three constitutional amendments also will appear on the ballot:

One would remove authorization for transfer of up to one per cent a year from the permanent school fund to the available school fund for current spending.

Another would set tougher requirements for creation of special conservation and reclamation districts; and

The third would permit the Legislature to authorize medical care payments (on a matching basis with the federal government) to needy persons over 65 who are not receiving old age assistance.

Martin held up his final certification of candidates pending a Supreme Court ruling on a Scurry and Borden Counties suit. Court declined to hear Snyder attorney J. Ray Martin's request for listing as an independent candidate for 132nd district attorney. Martin also sought, unsuccessfully, to keep Democratic nominee for district attorney, Wayland G. Holt, off the November ballot.

State Land Commissioner Jerry Sadler says Texans ought to vote again on whether to continue the veterans land program.

It just now is starting to make money for the state, he advises in his annual General Land Office report. Profits were reported as nearly \$3,000,000 last year and eventually should run to \$30,000,000 — maybe \$100,000,000.

Voters last year turned down a proposal to issue an additional \$150,000,000 in bonds to continue the purchase of land for resale to qualified veterans at low interest rates.

State Republican Headquarters here announces that a gold-colored bus — called the "Goldwater Special" — carrying Republican candidates for statewide office will arrive in Austin on October 3, following a three-day tour through East Texas, down the Gulf Coast to Corpus Christi, and up South Texas through Alice.

Passengers will include candidates Jack Crichton for Governor; Horace Houston, Lieutenant Governor; John Trice, Attorney General; T. E. Kennerly, State Supreme Court; Don Flanagan, Railroad Commissioner; Dallas Calmes Jr., State Comptroller; Fred S. Naumann, State Treasurer; John Matthews, Land Commissioner; and John Armstrong, Agriculture Commissioner.

This week's tour will be the first of three. On October 12, the "Goldwater Special" will tour four days from El Paso through West Texas and North Texas and wind up in Houston. On October 27, the candidates will make a plane tour of major cities not touched by the bus.

Non-farm employment in July rose to 3,316,300, compared to 3,314,300 in June and 3,255,500 in July, 1963, according to the Texas Employment Commission.

Percentage of job-seekers in the period dropped from 4.4 per cent of the state's potential working force to 4.2 per cent — a healthy change from the 4.8 per cent of jobless in July a year ago.

ry sour cream, applesauce, creamed butter, or lemon, orange, or pineapple juice to make spreading easy. Add sliced or chopped olives and pickles, if desired. Spread the bread with softened (not melted) butter or margarine to keep the filling from soaking into the bread.

But don't put in any raw vegetables such as lettuce, celery, or tomatoes. They

lose crispness, color, and flavor when frozen. Also, whites of hard-cooked eggs become tough, and jellies or very moist fillings such as egg salad or tuna salad soak into the bread.

Wrap the sandwiches separately. Freeze at 0 degrees F. or below.

Frozen sandwiches can go directly into the lunch pail. By noon, they'll be completely thawed. Once thawed, ever, they should be eaten once. Sandwiches spoil readily after they have waited to 450 degrees F.

Why Pay Twice? You already pay taxes to support a generous federal-state medical program for those over 65 who need it. Why pay again for a plan that isn't needed?

Surprised? Chances are you never heard of the Kerr-Mills Law, passed by Congress in 1960. We call it...Health Opportunity Program for the Elderly.

This program enables individual states, with federal assistance, to guarantee to every elderly person who needs it the health care he or she requires. Thousands of people every day are being helped by its broad benefits.

Yet, the supporters of the proposed Medicare Tax would have you believe that its passage is urgent...that persons over 65 are deprived of needed medical care because they can't pay for it.

So why pay twice? Find out about the health program you're already supporting. For information on health care for the elderly in your area, ask your doctor or contact your local medical society.
