## Approves audit

# School to install DHS language lab

The Dimmitt School Board accepted a bid of \$15,580 for language laboratory equipment at Dimmitt High School at their meeting Monday night.

The session was also highlighted by a series of reports and the acceptance of the audit report for last school year.

The bid for the laboratory equipment was submitted by ELS Educational Media in Oklahoma City, a firm started by Nazareth native Ralph Albracht. The equipment will be used in the new classroom constructed over the summer at DHS, and its unique design will allow the classroom to be used for other classes without the equipment being in the way.

Jack Anderson, CPA with Cornell and Co. of Amarillo, presented the independent audit for the school year ending Aug. 31, and reported the district was in good fiscal shape.

"We do have to be careful, though," Supt. Robert Ryan said, "because the state monies

are appropriated for two years, and we don't know for sure how much money we'll be getting. But we should be in good shape."

The board elected to join with Region 16 Educational Service Center in Amarillo to expand the DISD's Gifted and Talented program to grades K through 12.

Currently, the district only offers the program in grades five through eight, with resource time available at Dimmitt High School. Ryan said implementation of the program would not be expensive, with the district paying the ESC about \$1,000, with \$950 of that to be reimbursed by the state.

The ESC will provide staff training and other assistance with the program, while offering a minimum of five general exploratory seminars for G/T high school students and one seminar for G/T junior high students.

The board also appointed Ryan as the designated authority for ordering home-based instruction and/or expul-

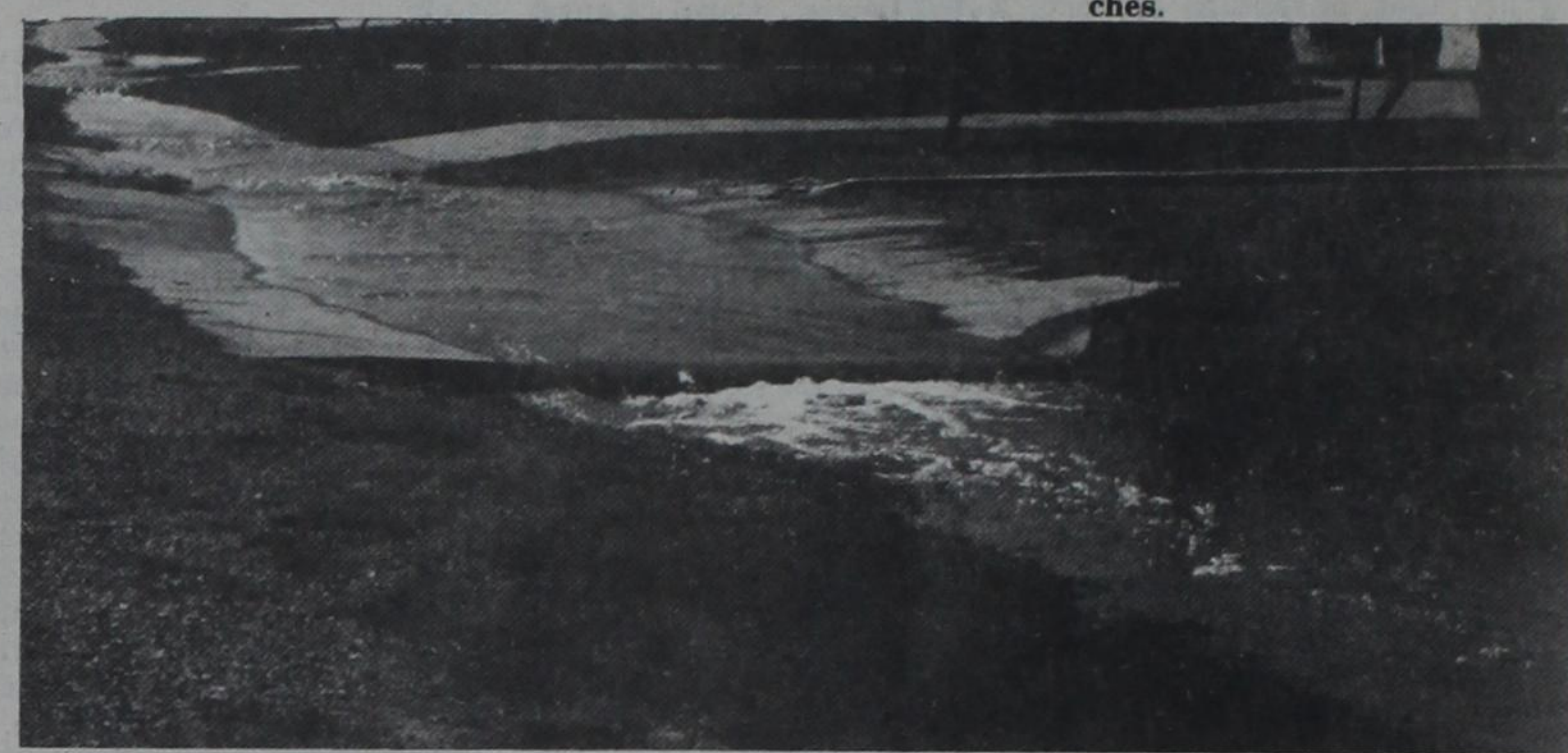

sion from school of incorrigible students.

The policy is similar to policy that was in place until last school year, when the state mandated changes in the expulsion policy and set up different due process steps. The board had formerly been the only school group that could order expulsion, and will still be contacted when a student is moved into the home-based program or is expelled from school. Parents may appeal to the board if a student is expelled.

The board also granted permission to the Dimmitt Booster Club to use Richardson Elementary School for a dance, and heard reports from Curriculum Director Corky Lockmiller on changes in the curriculum since the beginning of the school year and from school board members who attended the Texas Association of School Boards/Texas Association of School Administrators convention in San Antonio recently.

WHERE'S NOAH WHEN YOU NEED HIM?—Peddling arks at Killingsworth's True Value Hardware, if you believe the marquee last Thursday. 2.39 inches of rain last Wednesday through Saturday caused rivers to rise along West SH 86 (below), with offset driveways creating eddies and waterfalls as the water flows to area playa lakes, which are as full as they have been in many years. Last week's rain brings the total for the year to 29.72 inches.

## DOWN on the farm

(Editor's note: This is the second story in a series on the current devastating farm situation. This week, we'll examine a Texas Tech University study which looks at the breakeven and shutdown prices for farmers in the High Plains of Texas.)

By JOHN BROOKS

Have you heard the latest one making the rounds?

Farmers are suffering from AIDS — Agricultural Income Deficiency Syndrome.

But how deficient does that income have to be before a farmer should say, "No more?"

Don Ethridge, Associate Professor, and Randy Sudderth, Research Associate, at Texas Tech University, released a report in August that examined the breakeven and shutdown prices for major

crops in the High Plains.

Shutdown prices are the prices which farmers must receive in order to stay in business in the short-run, the farmer's variable or out-of-pocket costs. Breakeven prices are those a farmer must receive to stay in business in the long-run; these are the prices required to cover all costs of production.

The cost and price calculations and the comparisons made are average or typical situations, and, as averages, don't represent the situations faced by individual farmers because different farms have different costs.

However, the costs and prices presented illustrate the severity of the economic conditions faced by farmers in the region in general.

In general, it is much easier

for a farmer to make it if he owns the land instead of being a tenant. Full owners of their land with no land or rent payments can cover all of their out-of-pocket costs for major crops in Region 2, which includes Castro, Parmer, Deaf Smith, Swisher, Hale, Oldham, Potter, Carson, Gray, Randall, Armstrong, Briscoe, Floyd and Crosby counties only if deficiency payments stay at their current level.

If commodity programs were changed so as to eliminate the payments, the immediate situation for farmers would become substantially worse. None of the crop alternatives would be economically viable in the long run at current market prices. In the short run, corn, sorghum and dryland wheat would be the only viable enterprises over the next year in the 14-county area.

Using Texas Agricultural Experiment Station figures and average farm budgets as a basis, and with current farm programs in force, a Castro County farmer needs:

•65¢ a pound for dryland cotton;

•61¢ a pound for irrigated

## County accepts maintainer bid

The Castro County Commissioners Court agreed to buy two new, six-wheel drive maintainers for Precinct 1 at their meeting Monday.

Commissioners approved the bid of \$113,650 from Yellowhouse Machinery in Lubbock for two John Deere graders to replace one of the present maintainers in Commissioner Curtis Snitker's precinct.

The bid was the highest of four submitted, but the other three were for four-wheel drive maintainers. One of the graders was delivered Tuesday, while the other machine should be on hand within the next 10 days.

On a split vote the commis-

sioners okayed the recommendation of the county salary grievance committee in granting an additional \$100 a month raise to Justice of the Peace Marshall Young.

Young had been given a \$100 per month raise along with most of the other elected officials in the county, but appealed to the grievance committee for the additional salary. Pct. 3 Commissioner Jeff Robertson cast the lone dissenting vote.

The county governors also okayed a change in the county retirement program, reducing from 12 years to 10 years the service required for vesting, and changing the early retirement eligibility from 30 years

to the "rule of 80," which is the sum of his years of credited service plus years of age.

If the sum is 80 or greater, an employee is eligible for early retirement.

Under the new plan, 10 years of service is required for retirement at age 60 as well.

In executive session, the commissioners heard a report from attorneys concerning pending litigation by two former Precinct 1 employees.

## Easter 4-H to serve 'appreciation burgers'

The Easter 4-H Club will hold its second annual "Farmers' Appreciation Hamburger Cookout" Saturday, and everyone is invited.

The youngsters will serve hamburgers from 10:30 a.m. to 2:30 p.m. Saturday in the Easter Community Building "to show our appreciation to our farmers."

There will be no charge for the burgers, although donations will be accepted. The cookout is open to the public.

The Easter 4-H Club includes 21 members, with Beth Schulte and Sonja Wheelless as the adult leaders. Cami Struve is the club president.

Dan Rather, anchorman on the CBS Evening News, is a journalist with a special brand of courage. He has covered invasions, revolutions, hurricanes, the intricacies of the federal government. He has gone toe-to-toe with presidents. His unique position puts him in daily contact with world leaders, and with the events and issues that shape the course of our lives, our nation and the world.

He could probably write a gripping book of memoirs every month.

So where does Rather reach for some of his fondest memories?

To the days of his youth, to the gridiron, to one of the men he still most respects, to this day—Leroy "Duck" Ashmore, his assistant football coach at Houston Reagan High School.

In his preface to Bill McMurphy's book, *Texas High School Football*, Rather recalls clearly his big play in the big game against Houston Milby his senior year, with time running out in the first half.

The clock was down inside 20 seconds. In came Lynwood Jackson, substituting for Smith at quarterback. He knelt on one knee in the huddle, put a blade of grass between his

UNFORGETTABLE MOMENT—A jubilant Cruz Arce receives a hug from a friend following the Bobcats' dramatic come-from-behind finish against the state-ranked Littlefield Wildcats Friday night. The Bobcats had just blitzed 98 yards in the final 1:38 of the game, scored a touchdown with two seconds remain-

ing and added a two-point conversion to tie the heavily favored Wildcats, 14-14. The Bobcats and their fans celebrated onfield for almost half an hour after the game. The tie not only provided the Bobcats with a moral victory, but kept their hopes alive in the District 2-AAA title race.

## Absentee voting gets underway

Absentee voting is now underway in the County Clerk's Office on the 1985 Special Election on 14 proposed amendments to the Texas Constitution.

The election will be held Tuesday, Nov. 5, from 7 a.m. to 7 p.m., with eight polling places designated in the county.

Registered voters who will be away on election day may vote in the County Clerk's Office until Nov. 1.

Voters who are temporarily living or stationed elsewhere, or who are physically handicapped, may write to County Clerk Joy Jones, 100 E. Bedford, Dimmitt, 79027, to request a mailed ballot.

# On the Go with Mary Edna Hendrix, 647-3343

Helen Richardson and her niece, Karen Estes of Dallas, recently made a two-week trip by car to Washington, D.C. and its surrounding area.

Several days were spent en route in Tennessee where they probed for ancestral records. Bell Buckle, Tenn., miles off the busy four-lane highway, offered an interesting afternoon with relics of the past. The drive through the Blue Ridge Mountains and the Smoky Mountains was so enjoyable that they had second thoughts about getting into the Washington, D.C. traffic.

In Washington, they visited Kathy and Tom Procopio, Helen's niece and her husband, who are employed by FDIC. They took advantage of the many things there is to do and see in our nation's capital. They visited both the Senate and the House of Representatives while they were in session and ate lunch in the capitol building one day.

Their visit to Williamsburg and Jamestown was cut slightly shorter than originally planned due to the hurricane just off coast, but as a result, more time was available for visits to the Smithsonian Institute and Arlington Cemetery.

The local unit of the VEW presented a memorial service in honor of Frank Latimer, Saturday afternoon. Harold Broadstreet recalled Mr. Latimer's tour of duty in the armed forces during World War II and his activities since moving to Dimmitt in 1947, where he lived until his death Wednesday, Oct. 9. His service to our country and our town made him worthy of special recognition. A US flag was presented to his son, J. F., in appreciation for his contribution to his fellowmen. Mr. Broadstreet was assisted by Ralph Lambright, Morris Gowdy and Florene Leinen. In addition to members of the Latimer family who attended, there were friends and VFW members with their wives.

The Dimmitt Book Club met Wednesday afternoon with a good attendance considering it had rained all day. Ronda Wise presided over the business meeting and Shirley Wise brought the reviews. Shirley gave a short review about the books "Vital Signs" by Barbara Wood and "I Will Be a Doctor" by Dorothy Clark Wilson. The main review was about the book "Lovestrong" by Dorothy Greenbaum, M.D. and Deidre Laiken. Shirley's ambition was to become a doctor.

D'Linda Evans and Diane

Townsend were the hostesses and they served delicious pumpkin roll, nuts, and hot spiced cider from a pretty table decorated with fall colors — ears of corn and a Halloween pumpkin jack-o'-lantern.

Joyce Davis was hostess for a baby shower for Amber Wellborn, daughter of Wes and Kimberly Wellborn of Hereford, and former Dimmitt residents. The proud grandmother, Shirley Peggram, was there to assist with the baby. The hostesses served party sandwiches and cookies, nuts, mints, and fruit punch from a serving table decorated with a grouping of white candles with pink ribbon bows and streamers. Hostesses were: Avie Lewis, Carol Lantz, Walter Maynard, Tami Griffith, Peggy Cline, J'Lyn Ryan, Eloise McMasters, Carolyn Wiseman, Kylee Black, Charlene Howell, and Mary Edna Hendrix. Pam White and her two children, James and Jennifer, from Hereford were among the out-of-town guests.

More birthday celebrations!

Bobby Murdock started celebrating on the weekend. He and Wanda went to Amarillo to be with their daughter, Debbie, and son, Brad. They ate out and shopped and watched the Dallas Cowboys game. On Monday the employees at Southwestern Public Service Company served "Over the Hill" cake with coffee. The cake was decorated with a man trying to lasso a hill, and the paper plates had "over the hill" written on them. Employees enjoying the occasion were: Calvin Marsh, Betty Batterman, Billie Gunn, a crew from SPS in Plainview and Wanda Murdock. Monday night I took Bobby and Wanda out to eat Mexican food. Bobby, it is down the hill all the way now!

Billye Wesson honored Thelma Bryson on her birthday with a luncheon at K-Bob's on Monday. Others attending were: Geneva Dennis, Hazel Bagwell, Irene Carpenter, Ruth Hays and Mary Edna Hendrix.

Evie Froehner was hostess to the Thursday Bridge Club that met at the Senior Citizens Center for lunch and a day of bridge. Johnnie Vannoy won high score and Faun Welker won second high. Others playing were: Cleo Forson, Loranel Hamilton, Susie Reeves, Edith Graef, Oleda Schumacher, Elizabeth Huckabay, Bernice Hill, Jo Gregory, Rosalie Hawkins and Dude McLeyan.

Would you believe a lilac bush at the museum has a few blooms on it here in October?

Sue Broderson brought her three high school art classes to the museum last Wednesday during the rain! Ruby Broadstreet has been driving the bus that brings the students to the museum. There were 58 students and I only knew 10 out of the three classes.

Mr. and Mrs. Amos (Isabel) Floyd from Sacramento, Calif. came to the museum on a rainy day last week. They flew into Amarillo, rented a car and drove to Dimmitt and on to Flagg, where Amos had lived at one time. They visited with J. R. Brown, but the roads were too muddy to do much visiting. They came back to town and visited with James and Mildred Bradford and Houston and Doris Lust during the noon hour. The Floyds had planned a trip into

Oklahoma before returning to their home in California.

Wilbur Dixon from Dallas visited his cousin Irene and Weldon Bradley recently and they came to the museum since he had lived in this area several years ago and knew about some of the old-timers who had donated articles for the museum.

Helen Richardson spoke to all seven second grade classes in Dimmitt last week at the Richardson Elementary School. Mrs. Richardson spoke on "A Long Time Ago in Dimmitt." The teachers of these classes are: Debbie Matthews, Miss Thames, Pat Evans, Mary Jo Brown, Beverly Schulte, Kay Kellar and Sydna Lynn.

The annual Castro County Farm Bureau meeting was held Saturday night with a record attendance! Fins and Hens from Lubbock catered the meal with homemade ice cream furnished by the board of directors. Jeff Robertson is the president and he presided over the meeting. Each year the organization sponsors three outstanding high school students to the summer Citizenship Seminar held this year at San Angelo State University. Reports were given by the students this year; Charlyn Hunter from Dimmitt and Todd Hill from Nazareth. Hart did not send a student this year.

Richard Young asked me to write about his enjoyment at the Dimmitt-Littlefield football game on Friday night. He said he even smelled the sweat from the players!

Recently, James and Mildred Bradford went to Denton to visit Bob and Paula Bradford and their children, Jaime and Scott. While they were there, their son Jim, Jeff Lindsey, Mike Tucker, and Chris Coleman came over from Dallas and they all went to Lake Texhoma to ski.

Gene and Connie Ivey entertained the Dimmitt Dinner Club at Al's Restaurant with a fish supper on Friday night. The tables were decorated with flowers and candles. After the meal, everyone went to the Ivey home for cake and pecan pie and coffee. Members and guests enjoying the evening were: Guy and Oleta Walsler, Ivor and Hazel Bagwell, N. A. and Thelma Bryson, Irene Carpenter, Billye Wesson, Mauzee Youts, Mary Edna Hendrix, Hubert and Willa Mae Edwards, Charley and Edith Graef, and Wilton Graef and her friend from Lubbock.

Bill and June Smith of Tuc-

son, Ariz. were overnight guests of Ed and Betty Freeman Tuesday. Bill and June grew up in the same

church with Betty in Minneapolis and June and Betty were both in the class of '34 at Central High School in Min-

neapolis. Bill and June were returning from the celebration of the 50th anniversary of the class of '35.

## PARROTS DO TALK... *But!*

### SO DOES A RECORD PLAYER

Our Nation faces a serious threat of communism just off our shores. At the same time within our nation, they are seeking to undermine our faith in God. There are many sayings and expressions going around in our country that are communist inspired. In order to prevent "parroting" these sayings, that weaken our nation... attend church regularly, and study God's word so that the truth is more easily recognized.

*"Put on the whole armour of God, that ye may be able to stand against the wiles of the devil."*

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Louis Dolloff

Louis H. Dolloff, 67, of Concord, Calif., died last Wednesday in his home after a lengthy illness.

Funeral services were held Monday in Singleton Funeral Home Chapel in Denver City with the Rev. Dale Dozier, officiating.

Burial followed at Denver City Memorial Park under the direction of Singleton Funeral Home.

He married Bernice Smith on April 1, 1942. He was a longtime resident of Denver City. He was a member of the 27th Ordinance Company of the First Calvary Division of the US Army. He was a veteran of World War II and was decorated with several medals.

He is survived by his wife; his father, K. Dolloff of Denver City; two sons, Richard of Concord and Bill of California; two daughters, Carol Barbee of Antioch, Calif. and Joyce Mann of Ozark, Ala.; three brothers, Weldon of Sweetwater, S.L. of Denver City and Earl of Dimmitt; seven grandchildren; and five great-grandchildren.

## Diana Fangman

Diana Fangman, 32, of Lubbock, died Friday.

Mass was read Monday in St. Anthony's Catholic Church with the Rev. Joseph Egan, pastor, officiating.

Christian burial followed in Restlawn Cemetery in Hereford under the direction of Rix Funeral Directors.

She was killed in a two-vehicle accident Friday morning when wet road conditions caused a garbage truck to collide with her car just east of Lubbock.

She was born in Hereford and had lived in Lubbock for 12 years. She graduated from the LVN school at Plains Memorial Hospital in Dimmitt in 1974. She was a student at Texas Tech University. She was a Catholic.

Survivors include three brothers, Rick, Donnie and Clifford, all of Hereford; and four sisters, Sylvia Paetzold of Hereford, Rosemary Ripley of Illinois, Doris Fangman of St. Louis and Mary E. Harmony of Amarillo.

## Frank Latimer

Frank Latimer, 74, died Wednesday.

Rosary was said Friday at Immaculate Conception Catholic Church with Rev. Norman Boyd, pastor, officiating. A memorial service was held Saturday at the Castro Memorial Post, No. 8056 of the Veterans of Foreign Wars. Cremation was in Memorial Park Crematorium in Amarillo, with arrangements by Foskey Funeral Home.

Mr. Latimer was born in Higgins and moved to Dimmitt in 1947. He and his wife, Josephine, were married in 1942 at Camp Polk, La. She died in 1979. He was a retired administrator at Plains Memorial Hospital.

He was a member of Life Loyal Sigma Chi at Oklahoma State University. He was the seventh man drafted in Lipscomb County during World War II, serving in the Army.

Survivors include a son, Joseph, of San Antonio; and a daughter, Ann, of Dimmitt.

## Ernest Roberson

Ernest Roberson, 77, of Amherst, died Saturday at South Plains Hospital after a lengthy illness.

Funeral services were held Monday at the Amherst First Baptist Church with the Rev. Randy Bartley and the Rev. Larry Sanders, pastor, officiating.

Burial followed in Littlefield Cemetery under the direction of Hammons Funeral Home of Amherst.

He was born in Erath County and had lived in Amherst for the past 10 years. He was a retired school janitor. He was a Baptist.

Survivors include a daughter, Thelma Smith of Dimmitt; two sons, Edward of Port Townsend, Wash. and Tommy of Oklahoma City; a sister, Ola Dunn of Amherst; a brother, Bill of Amherst; seven grandchildren; and seven great-grandchildren.

The family suggests memorials to the American Heart Association.

## Florence O. Spencer

Florence O. Spencer, 84, died Tuesday.

Funeral services were held Friday at Foskey Funeral Chapel with Rev. Bentley Gwyn of Sunnyside Baptist Church and Rev. Butch Strickland of Dimmitt officiating. Burial followed in Westlawn Memorial Park.

Mrs. Spencer was born in Earlsboro, Okla., and was married to John L. Spencer in 1921 in Wewoka, Okla. They came to Castro County in 1945 from Bula. He died in 1982. She was a member of Sunnyside Baptist Church.

**LEGAL NOTICE**

The City of Dimmitt is hereby notifying the Claude Chavers Estate, the current registered owner of the property, which is located at 408 NE 6th, or Block 25 Lot 11, Original Town Dimmitt, that as the registered property owner, you are currently in violation of City Ordinance No. 421. This ordinance states in part, that all buildings or portions thereof, which are determined, after proper inspection by the City Building Official, to be dangerous, as defined within this code, are hereby declared to be a public nuisance. The structure which is therefore located at the above described property, is hereby declared to be a public nuisance, therefore, it must either be repaired, rehabilitated or demolished and then removed, in accordance with the provisions outlined in City Ordinance No. 421.

City Ordinance No. 421 also provides that, in the event that the appropriate registered property owner fails to take necessary action to abate this problem, or fails to file a written appeal with the building official of the City of Dimmitt within 30 days of the 2nd publication of this legal notice during a 10 day period, the City of Dimmitt may therefore take appropriate action to abate the dangerous condition. City Ordinance No. 421 also states that all expenses associated with the proper abatement of this condition will be assessed to the property or real estate in question as is indicated in the above listed address. The City of Dimmitt is therefore taking this opportunity to fulfill the legal requirements of the City Ordinance No. 421 and will therefore take appropriate steps to abate this dangerous condition in a timely manner.

**LEGAL NOTICE**

**NOTICE TO CONTRACTORS**

Sealed bids addressed to the City of Dimmitt, Texas will be received at the City Hall until 6:30 p.m., Nov. 4, 1985 and then publicly opened and read for furnishing all plant, labor, material and equipment, and performing all work required for assessment of street paving.

Bids shall be submitted in sealed envelopes upon the blank form of the proposal attached hereto and marked in the upper left hand corner.

All proposals shall be accompanied by a cashier's check or certified check upon a national or state bank in the amount of five (5%) percent of the total maximum bid price payable without recourse to the City or a bid bond in the same amount from a reliable surety company, as a guarantee that bidder will enter into a contract and execute performance bond within ten days after notice of award of contract to him. The bid security must be enclosed in the same envelope with the bid. Bids without check or bid bond will not be considered.

The successful bidder must furnish performance and payment bonds upon the forms which are attached hereto in the amount of 100% of the contract price from an approved surety company holding a permit from the State of Texas to act as surety or other surety of sureties acceptable to the Owner.

The right is reserved to reject any and all bids and to waive any informality in bids received.

Plans, specifications and bidding documents may be secured from the office of Bill R. McMorries & Associates, Inc., 6300 Canyon Dr., Amarillo, Texas 79109, on deposit of Fifty (\$50.00) Dollars per set which sum so deposited will be refunded, provided: (1) All documents are returned in good condition to Bill R. McMorries & Associates, Inc. not later than 48 hours prior to the time for receiving bids; or (2) The Contractor submits a bid and all documents are returned in good condition to Bill R. McMorries & Associates, Inc. at the time that bids are opened.

**Beetles swarm in area yards**

Many homeowners have recently observed swarms of large chestnut brown or black beetles flying around their trees and yards. Although called cedar beetles, these insects can be seen on any kind of tree.

Large numbers of these crawling, buzzing and flying beetles may appear threatening to people, trees, or lawns. Actually, these beetles are not only harmless, but beneficial, says Allen Knutson, Extension Agent-Entomology. Their larval stage lives as a parasite on cicadas in the soil. Cicadas, or "locusts" damage twigs of young trees and shrubs each summer. Thus, for every cedar beetle in your yard, there was at least one less pesky cicada this summer.

Cedar beetle adults are now emerging from the soil, mating, and laying eggs in crevices in tree bark. Eggs hatch into tiny grubs which tunnel into the ground to search for cicada larvae on which to feed.

Cedar beetles are a rare insect in the US, while our area seems blessed with an abundance of this helpful and interesting beetle. Although cedar beetles will not eradicate cicadas, think of how many more cicadas we would have if it weren't for the cedar beetles.

**Nazareth**

Congratulations to Larry and Tammy Robb of Nazareth on the birth of a son, Trey Taylor, Oct. 3 at Plains Memorial Hospital in Dimmitt. Grandparents are Ted and Jean Robb and Gene and Benie Ross of Dimmitt.

A couples' shower was held Sunday evening at the Nazareth Legion Hall for Bruce Schulte and Tanya Fry, who will be married Saturday in Holy Family Church. The shower was hosted by the bridesmaids and groomsmen of the couple.

Visiting in the Joe Lange home over the weekend were Bill Lange and family of Gainesville and Bob and Grace Chism and family of Amarillo.

Marvin Jones and Paul Pohlmeier are both patients in the Veterans' Hospital in Amarillo.

Louise Braddock is home after being a patient in Central Plains Hospital in Plainview several days last week.

Donna Charanza and sons, Kris Ryan and Bryan, and Durdward Hamby of Hereford visited with the Albert Gerber families Sunday.

Rick Gerber and daughter Jessica of Austin are spending the week with the Albert Gerber families and the W. J. Albrachts in Hereford.

**Wrights win trip to JI Case plant**

Jim and Danice Wright of Dimmitt were among 42 couples who recently won a trip to the JI Case Engine Plant in North Carolina.

The Wrights were one of 22,000 farming couples who entered a drawing for a trip for two to an agricultural equipment plant during International Harvester's Red Power Days.

The couples traveled to Rocky Mount, N.C. on Sept. 25 for a two-day visit.

They enjoyed authentic blue grass band music, a tour of "Rose Hill," a *Gone With the Wind*-style mansion renovated as a convention center, and equipment presentations.

1a: it's an adjective

b: it's a noun 2: it's

something special

for 60,000,000

people from

coast to coast

That something special means 40,000 member-owned co-operatives throughout the United States devoted to serving their members and communities in every way imaginable.

For example, there are cooperatives for electric and telephone service, housing, food, furniture, insurance, farm marketing and farm supply, credit unions and farm credit, health and day care.

The cooperative way of conducting business has proven over and over again to be both a highly efficient and extremely economical way to provide services and goods. That's why co-ops come in every size and kind and are found in the city, the suburbs and rural America.

No matter whether you think of cooperative as a noun or an adjective, it means the same thing — people working together to meet common needs to benefit their entire communities. And co-op people are proud of their track record because better communities mean a better America for everyone.

(Continued from Page 1)

- cotton;
- 4.21 per hundredweight for dryland sorghum;
- 4.90 per hundredweight for irrigated sorghum;
- 2.24 per bushel for dryland wheat;
- 4.07 per bushel for irrigated wheat;
- 2.84 per bushel on irrigated corn;
- 9.19 per bushel for irrigated soybeans.
- Without the current deficiency payments, you can add another 19¢ on cotton, 82¢ on sorghum, \$1.08 on wheat and 47¢ on corn. There are no deficiency payments on soybeans.
- According to current market prices, a tenant/farmer selling on the open market is losing:
  - six cents a pound on dryland cotton, and two cents on irrigated cotton;
  - 21¢ per hundredweight on dryland sorghum and 90¢ per pound on irrigated sorghum;
  - \$1.06 per bushel on irrigated wheat;
  - 57¢ on irrigated corn;
  - \$4.07 a bushel on soybeans.

If a farmer has no land costs, however, the picture becomes a little brighter. He may not be tomorrow's newest millionaire, but chances are he's keeping the banker off his back. Projections indicate the average landowner farmer (a farmer with no land payments) is making:
 

- 19¢ a pound on dryland cotton (even with the deficiency payment) and 13¢ a pound on irrigated cotton;
- \$1.92 on dryland sorghum, and 73¢ on irrigated sorghum;
- \$1.31 per bushel on irrigated wheat, and \$2.84 on dryland wheat;
- 14¢ on corn;
- 36¢ on soybeans.

All of those prices include the deficiency payment. If you eliminate the deficiency payment, dryland cotton, dryland wheat and soybeans would be the only crops with any return. That return would be minimal, at best.

If a farmer owns a section of land, with no payments on the land, and has a ¼ section of irrigated wheat, a ¼ section of irrigated sorghum, a ¼ section of corn and a ¼ section of dryland cotton, and those crops make the average area yield, he can expect a return of \$23,475.60 — that's gross, not net. Out of that, he's got to feed his family, make equipment payments, and whatever else he needs, including paying back a loan.

If he's a tenant farmer, he's got problems. Even if he's trying to buy his land, he is probably faced with a choice — pay on his operating loan, or pay on his land loan, or pay a little of both. Until the land is paid for, chances are a farmer isn't going to make very much money at all, if any.

Some folks may look at these figures and say farmers need to go back to more dryland farming, but it takes:

- 257 acres of dryland cotton to make as much as 160 acres of irrigated cotton;
- 432 acres of dryland sorghum to produce as much as can be made on 160 acres of irrigated sorghum;
- 353 acres of dryland wheat to produce as much as 160 acres of irrigated wheat.

In other words, it would take 1,042 acres of dryland farming for those three crops as opposed to 480 acres for irrigation, or 217% more area.

In addition, farmers know from experience how successful an irrigated farm can be — they've made money with irrigated crops in the past, and fully believe they can make money with irrigated crops in the future. It is because of irrigation that Dimmitt is a town of 5,019 people instead of 2,000 people in the pre-watering days.

Irrigation also lessens the gamble a farmer takes — you don't have to depend on Mother Nature to water your crops. One watering might cost as much as \$2,000, but depending on the weather could cost you an entire crop, and, in turn, an entire farm and livelihood.

All of this adds to the stress a farmer endures, and puts additional stress on the financial sector. We'll look at the amount of stress on both next week.

**CAP to hear search-rescue talk tonight**

Lt. Col. Pete Minden of Amarillo will speak on aerial search and rescue procedures when the Dimmitt Squadron of the Civil Air Patrol meets tonight (Thursday).

The meeting will begin at 7:30 in the Dillon Gage building on Highway 86 west, and is open to all interested persons.

Capt. Jerry Annen, squadron commander, urged all persons who are interested in the Civil Air Patrol to attend the meeting. He emphasized that a person does not have to be a pilot to be a member, because much of the CAP's work is done by ground-based personnel who enjoy volunteer service.

**Your Co-op Gin.  
A Good Place to Do Business.**

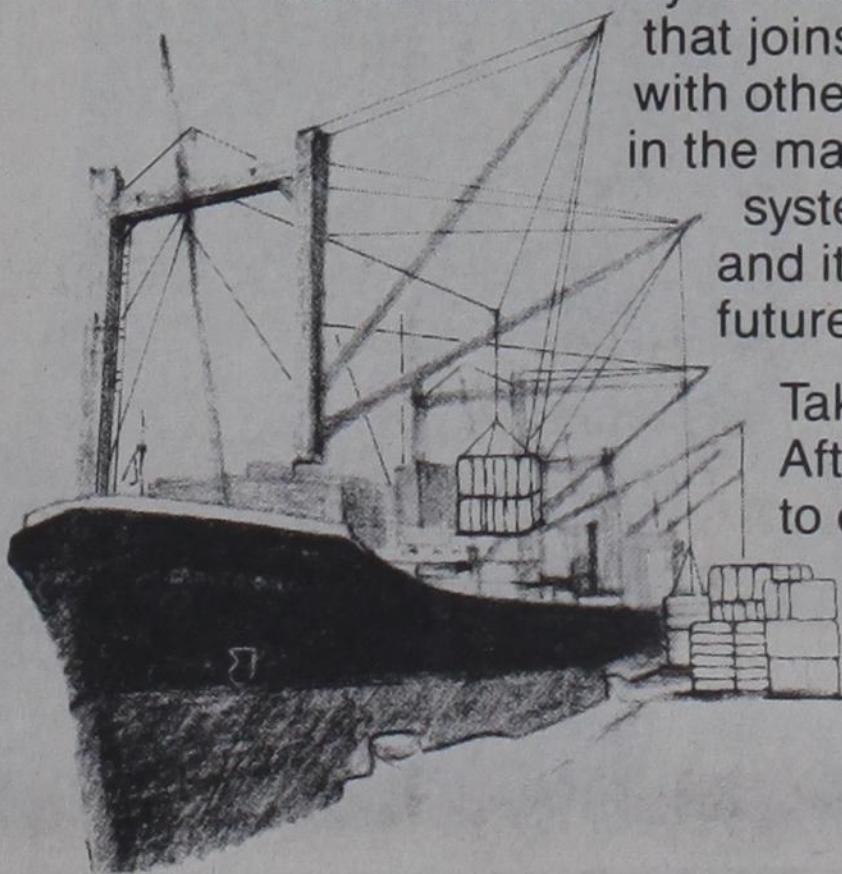

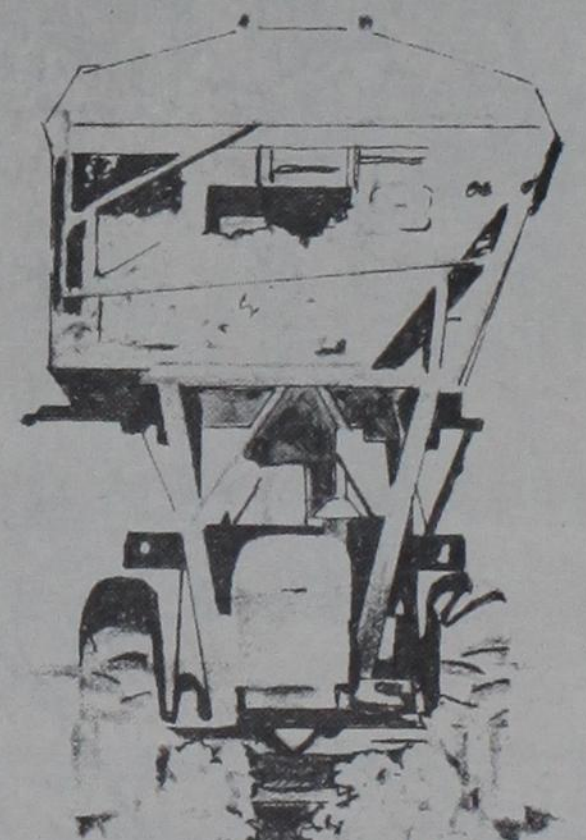

It makes sense to stay involved with your cotton after it leaves the farm. That's why taking your cotton to your co-op gin is a good idea—for a couple of reasons:

First, when you take your cotton to a co-op gin, that gin becomes a part of your business. You have a voice in how it's run and you share in the profits. The more cotton you bring, the more it pays.

But, even more importantly, when you bring your cotton to your co-op gin you become part of a system that takes your cotton all the way to the market. A system

that joins your local co-op gin with other co-op gins to give you a voice in the market. Being a part of that system is important to you now and it's even more important to the future of cotton farming.

Take your cotton to your co-op gin. After all, it's just good business to do business with yourself.

## Dr. B.H. Lee is honored

Dr. B. H. Lee of Dimmitt is being recognized for 25 years of continued membership in the American Academy of Family Physicians (AAFP).

Long-term members of the AAFP were honored at the opening ceremonies of the organization's 37th Annual Convention and Scientific Assembly here last Thursday. In a speech during the opening ceremonies, AAFP President Robert W. Higgins, M.D., said, "We are here today to pay tribute to a very select group of Academy members who have devoted 25, 30, and 35 years of involvement in the Academy's growth."

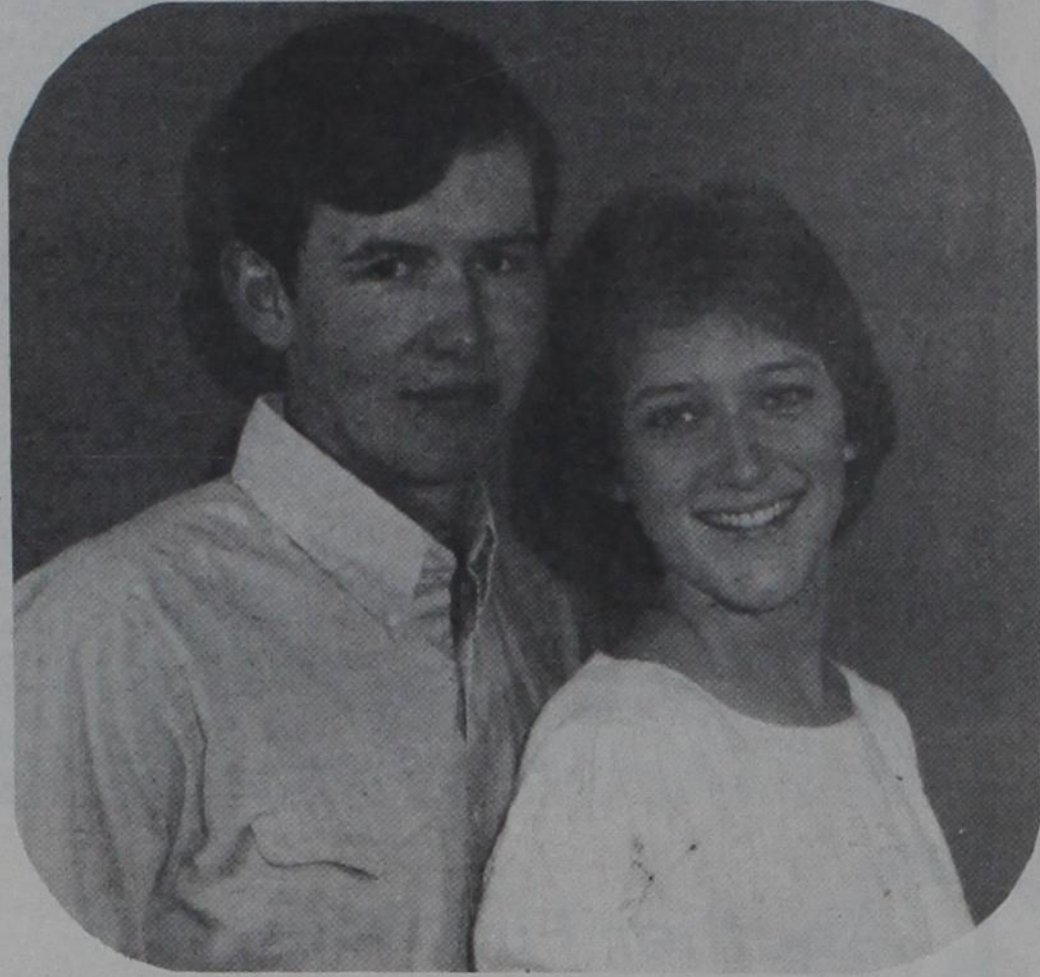

The 55,000 member AAFP, headquartered in Kansas City, Mo., was instrumental in establishing the medical specialty of family practice in 1969. It also was a pioneer in continuing medical education (CME), requiring its members to maintain 150 hours of approved CME credit every three years.

### Simpson will direct Bee

County Judge Polly Simpson will direct the Castro County Spelling Bee this year, according to the *Amarillo Globe-News* and West Texas State University. The Amarillo newspaper and WTSU are sponsoring the Bee in this region for the 38th year for public and parochial school students. Students may be no older than 16 and may be in no grade higher than the eighth to be eligible for the Bee. The best spellers in the coun-

ty must be selected by next March 29. Winners in 46 county competitions in Texas, New Mexico and Oklahoma will compete next April 26 for the district championship, with the winner going on to the national competition during the last week of May next year. All expenses for the 1986 area champ and one parent are provided by the *Amarillo Globe-News*.

A junior Bee for young students in grades six and under will also be conducted in each county, and winners will be given a trophy and be special guests at the area Bee.

### Mobile office discontinued

State Senator Bill Sarpalius will be discontinuing the visits of his mobile office to the 31st senatorial district. Representative Henry Honea wishes to thank the people for their help and friendship while he worked with the mobile office.

### SA reaches halfway point in fund drive

The Salvation Army has reached the halfway point in their annual fund-raising drive. Donations to the drive, which is still underway, are tax deductible and can be made to the SA treasurer, Linda Fitzgerald at the First State Bank Bank.

Local funds are used for transient needs as well as for local needs, and the need for funds is greater this year, according to Polly Simpson, chairperson of the local SA service unit.

The local unit sent four boys to the Salvation Army summer camp at Camp Hoblitzelle during the past year.

Chairperson for the 1985 fund-raising drive is Dorothy Hopson. Committee members are Lonny Rhynes, Emmett Broderson, Chet Braafladt and Helen Richardson.

## Buster, Bobcats rally for 14-14 tie

Buster always knew he was going to go into coaching, but he probably didn't know one of his biggest games would come against his alma mater, Littlefield High School, at homecoming 16 years later.

"When you called him Clifford, I didn't know for sure who you were talking about," said one of the former teachers of DHS head coach Clifford Smith Friday night. "He's sure done a good job."

Buster Smith ruined his old high school's homecoming Friday, as he guided the Bobcats to a 14-14 tie with the Wildcats.

"This was definitely the biggest character check we've had all year, and we passed," said Smith of the tying Dimmitt drive down the field with 1:38 left in the game. "What a drive!"

Trailing 14-6, the Bobcats found themselves at their own 2 after a 62-yard punt by Littlefield's Mike Pierce. Fullback Mark Smothermon got the Bobcats out of the hole with a 23-yard sprint up the left sidelines.

Tailback Cruz Arce gained a yard, then quarterback Woody Glass picked up seven yards and rolled out of bounds, stopping the clock with a minute left to play. On third-and-two at the Dimmitt 33, Smothermon picked up eight yards and the first down with :50 left.

Glass dropped back to pass, then was flushed out of the pocket, and was tackled late by Pierce, giving the Bobcats a first down at the Wildcat 44. It was the first of two big penalties during the drive that crippled the Wildcats.

Glass then flipped a shovel pass to Smothermon, who carried down to the 28 with 25 seconds left.

Glass fired an incomplete pass, then tried to hit tight end

Mark Shackelford in the left corner of the end zone. Shackelford was pushed from behind, though, giving the Bobcats another first down at the Littlefield 14 with just eight seconds to play.

On a play similar to the Bobcats first quarter touchdown, Glass rolled to his right, then found split end Ben Benton in the end zone. The pass was a little behind Benton, but he reached back with one hand and gathered it in for the score.

It was 14-12, Littlefield, with two seconds left in the game. Dimmitt had gone 98 yards in 1:36 without using a timeout. Now they called one to set up the last play, a two-point conversion.

"We considered a pass at first," Smith said, "but we had put on a special play and formation just for Littlefield."

The play, 28 sweep, had done well for the Bobcats. Running it twice, Dimmitt had picked up 40 yards.

"When we had run it, Littlefield never really adjusted to it," said Smothermon. "I never had a doubt that we could put it in the end zone. I never had a doubt when the coaches said we were going to run it, and I never had a doubt when we lined up on the three yard line to run the play."

"We owe it to the backs," said guard Eddie Jordan, who threw one of the critical blocks that sprung the play. "We all knew 'Smo' could do it, and we just did our job. It was a team effort, and we all did our job."

Moving the ball to the left hash mark, the Bobcats lined up in a Wing-T formation they had, put in just for the Wildcats. Todd Durham, at wingback, was on the right side to add another blocker, while Benton split out wide to string

**BENTON AGAIN**—With just two seconds left in the game, Dimmitt wide receiver Ben Benton makes a diving catch for his second touchdown of the night against the Littlefield Wildcats Friday. At left, a Littlefield defender has slipped down trying to cover Benton's slant-in pass route. The pass capped a dramatic

the defense out.

Arce was the right halfback, and delivered a crunching block, while Jordon pulled from his guard spot to lead Smothermon, who took the pitch from Glass, into the end zone.

The Wildcats had led from the five minute mark of the first quarter until the tying conversion.

With eight minutes left in the first quarter, Wildcat quarterback Lloyd Champion hit split receiver Craig Williams at the Bobcat 43 for a first down. Littlefield then attacked the left side of the Bobcat defense, running the rest of the way for a touchdown.

Fullback Ronnie Willard picked up six yards on first down, then tailback Steve Lair got the next five carries, picking up 37 yards and the touchdown, a five-yard run. Pierce added the extra point for a 7-0 lead.

The Bobcats bounced right back, though, going 80 yards on five plays.

After Arce gained a yard on first down and Glass threw an incomplete pass on second down, Glass then kept on the option on the right side and raced 70 yards, eventually brought down at the Wildcat 9.

Arce was stacked up at the line on first down, then Glass

98-yard scoring drive in 96 seconds and brought the visiting Bobcats within two points of their state-ranked hosts, 12-14. Fullback Mark Smothermon followed with a two-point conversion run to end the game in a 14-14 tie. It was Benton's third touchdown reception in the past two games.

throw an incomplete pass on second down. On third down, Glass hit Benton on a slant-in pattern in the end zone. The snap bounced away from Benton, the holder, on the PAT try, leaving the Bobcats behind 7-6 with 3:11 left in the first quarter.

Both teams had drives fizzle during the second quarter, as the Wildcats drove to the Bobcat 28 before fumbling the ball. Terry Wright recovered at the Wildcat 15 with 7:48 left in the first half.

The Bobcats bounced back with a 14-play drive to the Wildcat 31, but came up a yard short on fourth-and-two.

Littlefield kept the Bobcats shut down in the third quarter, while marching 74 yards for their second, and last, touchdown of the night.

## We Salute Our Firemen

October is National Fire Prevention Month. This special period was set by Congress to call attention to the many ways we can prevent fires and avoid the loss of lives and property.

Through the years, Fire Prevention Month has also evolved into "Firemen's Appreciation Month." That's just fine. Every month should be Firemen's Appreciation Month.

Castro County has four fire departments—at Dimmitt, Hart, Nazareth and Sunnyside. All four are "volunteer" fire departments—i.e., all the active firemen and department officers are volunteers.

The men in all four departments have equipped and trained themselves to fight fires not just in their communities, but in the surrounding countryside as well. They aren't shackled by city-limits signs or boundaries—they go where needed, and help each other out when called.

They don't just fight fires, either. They also are called upon to rescue or revive highway accident victims and drowning victims, and to help in other life-threatening emergencies. They train themselves not only in fire-fighting techniques for all types of fires (residential, business, industrial, rural), but also in such things as cardio-pulmonary resuscitation (CPR), use of the "Jaws of Life" tool, etc.

Since they're volunteers, they do all this training on their own time, and perform all these services in all kinds of weather, at any time of day or night—whenever the alarm sounds.

Volunteer firemen are a breed unto themselves. Whoever heard of a man who will dash from his desk, bench or bed and ride a fire wagon or rescue vehicle to the scene of an alarm or accident, ruining his clothes, neglecting his business, risking his life and exhausting himself physically—not for money, but because he believes in serving his community?

Whoever heard of a man who will give up his favorite TV show, postpone some reading or home projects, and spend time away from his family in order to attend training sessions to become a better volunteer servant?

These guys care about us. And we're grateful to them for it. Let's not take them for granted.

# Swifts slip, slide past Cowboys, 20-0

By **BARBIE STEFFENS**  
The Nazareth Swifts swamped the Happy Cowboys 20-0 last Friday at Happy in the District 2-A North Zone opener for both teams.

"All you got was a face full of mud after every play," said powerback Billy Steffens. "It was hard to hold onto the ball or get a block on offense, or get a good hit on defense in all of that mud."

"I guarantee you, it was terrible," said NHS coach Rex Minshew. "Between the twenties, you would sink up to your shoetops in muck."

Happy officials had drained the field into the parking lot Friday, forcing fans to walk quite a ways to the field and making them negotiate the slimy mud to get to the stadium.

Once they got there, they saw the Swifts slide to three scores while shutting the Cowboys down.

Happy got just six first downs and 84 yards of offense,

while the Swifts picked up 17 first downs and 237 offensive yards.

Tailback Mike Huseman paced the Swifts with 108 yards on 27 carries and two touchdowns.

The Swifts took the opening kickoff and drove for their first touchdown on 15 plays, with Huseman going in from the one with 4:06 left in the first quarter. Kevin Hoelting added the PAT kick.

After forcing Happy to punt, the Swifts drove again, with Huseman scoring from a yard out with six minutes left in the second stanza. Hoelting's PAT made it 14-0, the score at halftime.

Happy dominated most of the third period, but couldn't muster a touchdown in the muddy conditions, while the Swifts struck once more midway through the fourth quarter. Quarterback Chris Schmucker culminated the drive with a two-yard pass to Alan Birkenfeld. A bad snap

foiled the PAT try.

"We put in our JV kids after that, and they got to see some other playing time, and they held them off, too," Minshew said. "I was really pleased that we didn't have any turnovers. That's a first for us this year. It was really surprising considering the conditions."

**STR-R-R-ETCH**—Dimmitt tailback Cruz Arce makes a stretching catch of a Woody Glass pass for a 10-yard gain and a Bobcat first down at midfield during the second quarter of Friday night's Dimmitt-Littlefield game. Defen-

ding is Littlefield's Kevin Pearson (51). The game ended in a 14-14 tie and a moral victory for the Bobcats, who were four-touchdown underdogs.

# 'Horns fall to 'Lopes, 41-15

Luck and muck handicapped the Hart Longhorns Friday night as the Abernathy Antelopes trudged to a 41-15 win at Abernathy.

"The weather didn't help us at all," said Hart coach Mark Stroebel. "Everything was just fine between the 30's, but inside the 30 yard line on both ends of the field you'd sink in past your shoe tops."

"And we couldn't get a break all night. We didn't have any luck at all."

The bad breaks started at the end of Hart's first possession, when HHS punter Paul Ramirez lost the handle on the snap. He recovered in time to kick, but a host of 'Lopes blocked the kick. Rowdy Powell scooped up the loose ball and ran 10 yards for the touchdown.

Bill DuBose missed the PAT, giving Abernathy a 6-0 lead with 10:44 left in the first

quarter.

The 'Lopes drove to the Hart nine, but DuBose missed a 26-yard field goal try. On their next possession, the 'Lopes drove 45 yards on eight plays to double their lead.

On fourth-and-four at the Hart 25, quarterback Jaime Mansanales pitched to tailback Billy Cooper, who fumbled the ball twice but finally recovered and carried to the Hart eight.

Cooper scored two plays later, then Mansanales passed to Dan Evans for a two-point conversion and a 14-0 lead.

The teams traded interceptions on the next two plays, with Brett Ritter picking off a Mansanales pass at the Abernathy 46 and returned it for a

touchdown. Arthur Guzman added the extra point to bring the 'Horns within seven, 14-7.

Moments later, Chuck Thompson picked off his second Ritter pass of the night, returning the theft 25 yards for a touchdown. DuBose added the extra point to put the 'Lopes up 21-7 with 7:26 left in the second quarter.

Late in the first half, the 'Horns drove to the Abernathy 15, where they gave the ball up on downs. After that, it was almost all Abernathy.

Another mishandled center snap early in the third quarter gave the 'Lopes the ball at the Hart 17, and Cooper scored from four yards out two plays later to make it 28-7.

# Glass named top 3A player

Dimmitt quarterback Woody Glass was named the Area Class 3A Player of the Week by the *Amarillo Globe-News* Tuesday.

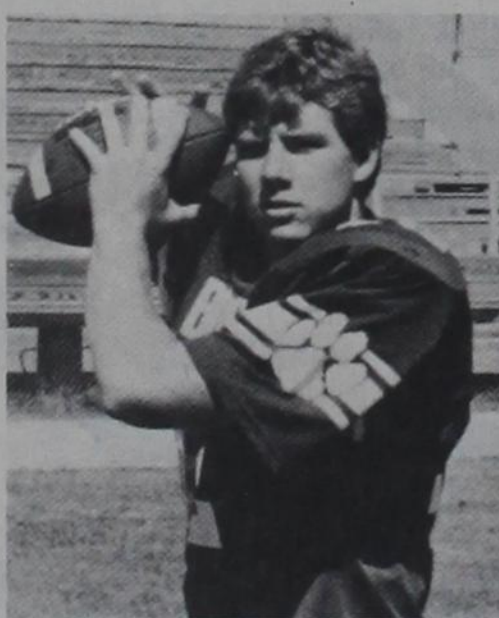

Glass had 15 carries for 75 yards, including a 70-yard run to set up the Bobcats first touchdown, and threw both touchdown passes in Dimmitt's 14-14 tie with Littlefield last Friday.

"He had a lot of folks in front of him, but he did a great job of moving the football on the last series," Dimmitt coach Clifford Smith said. "We had a pass interference call that probably set up the final touchdown, but it would have been a touchdown if it wasn't for the interference."

"He's smart. He thinks well. The team has a lot of respect for what he says and does in the huddle. Sometimes I'll make a mistake on a call and he'll correct it," Smith told the *Globe-News*.

On defense, Glass had 10 tackles from his strong safety position.

Mark Smothermon, who ran for the tying conversion points,

**WOODY GLASS**

and Ben Benton, who had two touchdown catches, received honorable mention. Smothermon also had 73 yards on 15 carries and 23 yards on three pass receptions. "Smo" also had 13 tackles from his linebacker spot.

Benton, who had the two catches for 23 yards, also had a dozen tackles at cornerback.

# Naz-Vega highlights week's slate

The Vega Longhorns visit the Nazareth Swifts for Homecoming and the lead in the north zone of District 2-A, while the Dimmitt Bobcats host the Muleshoe Mules and the Hart Longhorns host the

## More about Bobcats ...

(Continued from Page 10)

Champion hit tight end Jody Nelson at the Bobcat 48 for a first down, then the Wildcats stayed on the ground, going the last 48 yards on 12 rushes. Lair scored from a yard out with 1:57 left in the third quarter, and Pierce added the extra point for a 14-6 lead.

Early in the fourth quarter, the Bobcats drove from their own 20 to the Wildcat 39, but the drive was stalled when Glass was sacked (the only sack given up by the Bobcats) at the 50, then lost four more yards on the next play.

"We probably had our best offensive effort of the season," Smith said, "and Kerry Lewis definitely had his best game of the year. He took on an all-state noseguard, Cornelius Conley, and won."

"And, of course, Ben Benton made two super catches, and Woody Glass did a great job with his run, and running the offense all night."

All three games begin at 7:30 p.m.

### Muleshoe at Dimmitt

"All we have to do is remind our players of the final score from last year — that should be more than enough incentive for us."

That's how Dimmitt coach Clifford Smith summed up the Bobcats approach to this week's game against the 0-6 Mules.

"They beat us 28-14 last year, and that game really knocked us out of the playoffs. As it turns out, if we win that game, then our destiny is in our own hands, and we could have gone to the playoffs. Instead, they win, and we don't really have any say in the matter. We might have gotten in if we had beaten Idalou, but we should have beaten Muleshoe last year. We need to pay them back."

Gone are the big players for the Mules, especially Mark Moton, who had been a thorn in the side of the Bobcats for three years. Instead of having one of the 3A powerhouses, the Mules have become a whipping boy for area teams, as they try to build for the future with some young players.

One of their best young players is freshman fullback Mike Dunham (193), who is joined in the backfield by junior tailback Todd Bessire (135) and senior quarterback Mike Holt (155).

"Muleshoe hasn't had a lot of success this year, but this is a big ball game for us. Not only do we owe them one for what they did to us last year, but we need it for this year. We need to win the rest of our games for us to control our own destiny for the playoffs, so this is an important ball game."

### Hale Center at Hart

"They must have been holding somebody or something out," HHS coach Mark Stroebel said of the Hale Center Owls, who came bouncing back from 0-4-1 adversity

to whip the Olton Mustangs 30-7 last week.

"They surprised Olton, to say the least. Olton lost their quarterback, Troy Don Allcorn, and that hurt them, but I believe Hale Center would have beaten them even if Allcorn had been in there."

Hale Center will feature three outstanding backs Friday in Mitch McBeth, Donald Phillips and Michael Peggram. "McBeth is a big (197), strong runner," Stroebel said. "You've got to wrap him up, and Olton didn't do that. He just ran over them. Phillips is about 195, and he's a good one, too. Peggram isn't as big (145), but he's extremely quick."

"Their line isn't nearly as big as it has been — they had one of their biggest lines ever last year, and now they have one of their smallest, but they are still going to try and run right over us."

"We'll run a lot of outside veer stuff. Hopefully, the con-

ditions will be a lot better this week than they were last week.

It was almost impossible to do anything inside the 30 on either end at Abernathy.

"This is a big game for us. If we're going to stay in the playoff hunt, we need to win this game. We had some bad luck against them last year, or we could have won, and we need to have some breaks. We didn't get a single break last week, and it's our turn."

### Vega at Nazareth

"It's one of those games where anyone who comes should get their money's worth. I just hope our kids give more people their money's worth than Vega's kids do."

It's a money game for Coach Rex Minshew's Nazareth Swifts as they host the 1985 Homecoming contest and the lead in District 2-A's North Zone.

## Naz, Menchaca take run honors

The Nazareth Swiftettes took the 1A-3A team trophy, while Hart's Tammy Menchaca grabbed second place at the Lubbock Cross Country meet last weekend.

Menchaca, who finished third in the 2A two-mile at last year's state meet, finished second in 13:08. Teammate Risha Ammons grabbed sixth place in 13:34.

Linda Birkenfeld led the Swiftettes, finishing fifth in 13:16. Other Swiftettes included Rachel Huseman, 16th, 14:01; Shanna Birkenfeld, 21st, 14:05; Bobbi Hochstein, 31st, 14:40; and Kelly Schilling, 44th, 15:01.

The Swiftettes JV finished second in the JV division agains all classifications. Runners included Stephanie Brockman, 9th, 14:41; Missy Brockman, 10th, 14:42; Gail Birkenfeld, 14th, 15:05; Jenny Brockman, 19th, 15:22; Barbie

Steffens, 39th, 16:09; and Tammy Drerup, 82nd, 17:34.

The Swiftettes had earlier captured the Plainview meet, while the JV captured first place medals at Plainview and Amarillo.

### Harris Picks

Here are this week's picks by the Harris Rating Service (home team in CAPS):

DIMMITT 30 over Muleshoe; IDALOU 8 over Friona; Littlefield 15 over TULIA; Vega 6 over NAZARETH; HALE CENTER 7 over Hart; Abernathy no line over BOVINA; Olton 8 over SPRINGLAKE-EARTH; Lockney 7 over PADUCAH; Morton 14 over SHALLOWATER; FARWELL no line over LAZBUDDIE; KRESS 1 over Happy; SUDAN 24 over Anton; SUNDOWN 23 over Whiteface; Hereford 6 over CAPROCK; PLAINVIEW 21 over Coronado; Abilene 3 over ODESSA; Permian 32 over COOPER; Waco Midway 17 over WACO HIGH; Jacksboro 31 over PETROLIA; Roosevelt 14 over COOPER.

"They've got a good, good ball club," Minshew said of the Longhorns, who are 6-0 and have given up just seven points all season. "Their defense is excellent, very aggressive. Offensively, they're an average ball club, but their defense is above average."

"Linebackers Lyle Crist (150) and Tony Badillo (160) are their leaders, but the man with the plan is definitely noseguard Tim Vogler (185).

"Vogler, at fullback, is one of their stars, along with quarterback Lynn Pulliam and 6-5 tight end Tracy Walker. But they don't need a lot of stars, the way they play. They're just a good, solid 11-man unit."

"They've intimidated some people, but I don't believe they will intimidate our kids. It's really going to come down to who knocks who the hardest. It

will be a super defensive game, and it will probably come down to who makes the fewest mistakes, both penalties and turnovers."

A loss won't knock either team out of the playoff hunt, but a win would help things considerably.

"A win would definitely help them, because they've already beaten Farwell, but it wouldn't knock us out. A win could do a lot of good for us."

"This is just going to be a game between two good bunches of kids. We've developed a pretty good rivalry — our kids are pretty much alike, and it should be a heck of a ballgame."

"I wish it was already here — I'm looking forward to Friday night, and I know the kids are. They wish we were playing them right now (Monday). We're ready for them."

## Operators saying 'goodbye' Friday

Seven operators and their supervisor will be losing their jobs effective early Saturday as Contel closes down the local toll center.

"Dimmitt and area customers should notice no change in service," said Arlis McBee, customer service manager from Dumas. "All services now provided by the Dimmitt operators will be handled by AT&T operators in Amarillo and Midland."

Among those services will be special billed long-distance calls, including collect, third-party and credit card calls.

McBee explained the Dimmitt toll office is an expensive and increasingly uneconomical

facility that can no longer be justified under present and

foreseeable conditions. "Each of Contel's operator

centers throughout Texas is undergoing evaluation as part of a continuing effort to reduce costs, improve efficiency and keep telephone service rates reasonable. Plus, much of this had to do with the many changes in the industry."

McBee said the underlying cost and pricing structures have drastically changed since the breakup of the Bell System and new orders from the Federal Communications Commission. McBee said the end result should be better and more effective phone service.

The five fulltime employees have been given the opportunity to relocate with Contel or take advantage of an outplacement and severance pay package.

## NHS celebrates homecoming

Nazareth High School is celebrating their Homecoming this week with the crowning of royalty, annual parade and pep rally, a chili supper and football game highlighting the activities.

Homecoming festivities are set to begin tonight at 7:30 with the parade and pep rally. The coronation of the Spirit King and Queen will highlight the pep rally.

Candidates for Spirit King and Queen include seniors, Billy Huseman and Debbie Schmucker; juniors, Todd Hill and Charlotte Heck; sophomores, Heath Schulte and Missy Brockman; and freshmen, Brad Kleman and Shana Birkenfeld.

A chili supper, sponsored by the student council will be served from 5 to 7 p.m. and after the pep rally until 10 p.m. Prices for the meal will be \$3.50 for adults and \$1.75 for children.

Friday night's activities begin at 7:15 with the crown-

ing of the Homecoming Queen. Candidates for the 1985 queen are senior, Ramona Heiman; junior, Pam Ehly; sophomore, Kelly Hoelting; and freshman, Tammy Drerup.

The football game will conclude the homecoming celebration as the Swifts face the unbeaten Vega Longhorns in a district matchup.

## Police Calls

Bobby Murdock of Southwestern Public Service reported that a high tension electrical line hook-up tapping electrical power from a line running from the service pole to a homemade device was illegally supplying power to a residence in the 700 block of W. Andrews.

SPS officials estimate that an excess of \$400 of electricity has been used.

Five juveniles and one adult were charged with the theft of an automobile last Thursday.

Valeria Davis of Dimmitt told police her car had been taken at approximately 1 p.m. At 4 p.m., the Randall County Sheriff's Dept. reported they had spotted the vehicle and detained six persons occupying it. The vehicle was returned to Dimmitt.

Debbie Alexander informed police that someone gained unlawful entry into her car Saturday and took four cartons of Marlboro 100 cigarettes valued at \$8.95 per carton.

Damage was estimated at \$100 in a case of criminal mischief reported by Clara

Vick Oct. 3. She told police that unknown person(s) had damaged the left outer mirror on her car. According to police, the mirror had been jarred loose from the car door and had suffered damage to the step and base.

A CB antenna, valued at \$50.95 was taken from a butane tank stationed in the back of a pickup bed at Dimmitt Ready Mix on Oct. 6.

Leroy Kinser reported that someone had attempted to break into his residence Saturday morning. No entry was made and nothing was reported missing or damaged.

Cal Ray Hood was cited for failure to yield the right of way and for having no liability insurance late Friday afternoon, when the 1969 brown Chevrolet pickup he was driving struck a 1978 Chevrolet Nova driven by Kayla Jones.

Hood was traveling southbound on SW 2nd when he failed to yield the right of way to Jones, who was traveling east on Belsher crossing the intersection.

teeth and called "Slant-In Left." A pass. To me. He threw it high. I leaped, grabbed, juggled it momentarily on the fingertips of one hand but held on as the halfback buried his helmet in my back.

Ten seconds left. Time out. "80 Over the Middle," said Jackson in the huddle. Pause. "... to the left." It was our favorite play, his and mine. We had used it many times in "B" games the year before but never this season.

Jackson winked and smiled. At the center snap, they tried to hold me to the line of scrimmage. Razor Hosford cleared them out with a block. Jackson threw. The ball hit me square on the numbers. I fell over the goal-line in the arms of two defenders. We had beaten the clock. And went on to win the game.

I have never forgotten that pass, that moment, that joy.

Many mothers wonder why their sons play that crazy game, with all the protective equipment that still can't keep them from breaking arms or legs, twisting ankles or ruining knees.

Friday night at Littlefield, some mothers learned why.

Many of us dreaded the trip. We didn't want to go that far to see our kids get stomped into the mud. We were four-touchdown underdogs against a state-ranked team. There was a good chance we'd be sitting in the rain, to boot.

But the clouds drifted off, the field was in excellent shape, and it turned out to be a good night for football.

During the first half, it all became worthwhile. Our kids were playing 'em tough. At halftime, we trailed by only 7-6. Woody had sprung for an 80-yard run, and our defense

was keeping us in the game.

It still wasn't too shabby to be losing by only 14-6 when we got the ball for the last time on our own 2-yard line with just 1:38 left in the game.

Then came the miracle, and the lifetime memories for the boys and coaches who made it happen. Our boys drove 98 yards in 96 seconds without a time-out, scored with two seconds left, then ran a sweep-right to perfection for a two-point conversion.

Dimmitt fans didn't want to leave the field. After pouring out of the stands and celebrating with the boys on-field, they formed a victory line, then hung around outside the dressing room long after the Littlefield stands had cleared.

It wasn't a state championship game or anything. But it was just as good as.

No matter how far they go or how old they get, the boys who made that last drive will never forget the night that we tied the heck out of 'em.
