Win No. 5! Dogs Crush Cats, 34-0!

After a slow start in the initial period of play, the Ranger High Bulldogs began to roll and went on to pound out a 34-0 victory over the Rising Star Wildcats at Rising Star Friday night.

The clash was a non-conference contest pitting Ranger's 10-A machine against the Cats' Class 21-B club.

The Friday night triumph was the Bulldogs fifth win of the season. Their only loss has been to the Dublin Lions (14-0) of District 7-AA in another earlier non-conference scrap.

The hosts were loaded with vim and vitality in the first quarter to hold their favored rivals scoreless. Two costly fumbles by the Bulldogs and a pair of 15-yard penalties assessed against the Maroon & Whites in initial action hampered the RHS offensive attack.

BULLDOGS HAVE 5-1 RECORD - BUT HOW ABOUT FRIDAY'S CHALLENGE AT EASTLAND?

After notching another impressive victory Friday night over the Rising Star Wildcats, the Ranger High Bulldogs - with a five won-one lost record - are looking forward to next Friday night's action which may prove to be one of the toughest tests of the season.

It's the Maroon & White's upcoming District 10-A clash with their heated rivals of schoolboy grid dueling - the Eastland High Mavericks.

Maverick Stadium, Eastland, site of the 1965 combat is scheduled to be packed tighter than a sardine car by kickoff time Friday night at 7:30.

The Mavericks unashamedly admit they'd rather beat the Ranger High Bulldogs than any other opponent they've met or will play the rest of the season.

They'll be working out hard and determinedly beginning Monday afternoon. They're hungry for a win, having suffered two humblings since their last victory over the Maroon & White back in 1962 when they stunned the Rangers 26-14.

In 1963 - in a thriller played in the final seconds of play - the Eastlanders by a thin 16-14 count. And last fall the Mavericks were clobbered, 35-6, their most disastrous defeat the Eastlanders had suffered at the hands of Ranger since their 47-0 loss back in 1962. The Red & Black will be working to avenge their loss of a year ago.

Coach Gerold Cumpton's charges, now just past the mid-mark of what may be one of the finest seasons in recent years, aren't looking to Friday night's contest as a cinch or pushover. They know, from past experience, that the annual meetings of these two spirited rivals have been marked with stunning upsets.

After their cars collided, one of the men handed the other a flash and said: "Maybe you'd like a nip to calm your nerves?" "Thanks," he said, and took a gulp. "Here, you have one too," he added, handing him the whiskey. "I'd rather not," he replied, "at least not until after the police have been here!"

Other coaches in attendance and giving reports were RHS Coach Charlie Smith and Coach Jack Duvall and Coach Ron Butler of Ranger Junior College.

Directors are Clyde Bond, Doug Blakney, Wayne Hale, Ben Robinson, L. R. Pearson Jr., Keith McDonald and Jim Stewart.

Patrons who are in doubt may wish to contact the Superintendent of Schools, Hodges said.

Patrons may always come to any board meeting whether they have a problem or not, Hodges said. The meetings are open to the public and so are the minute books.

Five plays later in the same period, Halfback Mike Landtroop got around the right corner and exploded on a 50-yard burst for another TD.

Conversion attempts after both touchdowns failed. At halftime, it was Ranger 12, Rising Star 0.

Third period Bulldog scoring action was triggered with Rising Star's opening kickoff boot by the Wildcats. Quarterback McGee gathered in the kick and raced 70 yards before he was dropped deep in Rising Star territory. Two plays later he banged over.

TOWN TALK

Huntsville has climbed to a new high of 6524 for the fall semester and includes students from 33 states and 22 foreign countries.

Attending from Ranger is Glenda Nell P. Blair, daughter of Mrs. Flora Perrin, who recently moved from Ranger to Gorman.

Jim Crawford has been driving a taxi for the past 17 years and has owned the local taxi company for the past 11 years.

He has had some interesting experiences, he says. We think Jim is especially nice to the elderly folks he helps out and salute him for his kindness.

A chart from the National Office of Vital Statistics shows that the suicide rate in Houston is 13.9 percent per 100,000 population for whites and 4.6 percent for non-whites.

In Dallas it's 18.2 percent for whites and only 1.5 percent for non-whites.

Attending the monthly meeting of Eastland County law enforcement officers at the Spot Restaurant in Cisco were three Rangers.

Chief of Police Bill Ogden, Justice of Peace M. D. Underwood and J. D. Clements, a patrolman of the Ranger Police Dept.

NOTWITHSTANDING opinions to the contrary, Town Talker is one who believes that Texas illustrious Slingin' Sammy Baugh, who played professional football for 16 years with the Washington Redskins, is the greatest quarterback in football history.

In those days he played 60 minutes, for there was no two-platooning. Baugh's passes were the most accurate of all time. In 1945 he clicked on 70.3 percent of his attempts.

(The New York Giants' Y. A. Tittle hit 60 percent at his best.)

Baugh also was the finest punter of his time. His averages of 51 yards in one season and 60 yards in one game are records that still stand.

Yes — and he also was a good defensive back.

A FIRE of undetermined origin Monday morning at 4:46 o'clock did considerable damage to the kitchen of the Frigid Queen, U. S. Highway 90 east. Fire Chief Charlie

Isabell said the fire apparently started in the kitchen. Exact amount of the loss is undetermined, he said. Later that day at 2:20 p. m. — the Ranger Volunteer Fire Dept. was summoned to extinguish a grass fire out at Lake Leon.

Not much activity at Ranger Police Dept. last week. Monday a Ranger man was jailed on a drunk charge. Released later — fine \$25.99.

Wednesday a Weatherford man was picked up at Ranger Hill by Constable Ralph Veal on charges of drunk and disturbing the peace, and Thursday morning Patrolman J. C. Rose took into custody two Call-fornians — ages 22 and 24 — and held them a short time for investigation.

Larry Don Williamson poked the Puppy scoring, running for the first TD on a pitchback. Then he charged across for the two extra points.

Presidents and secretaries of Lions clubs of Strawn, Breckenridge, Ranger, Eastland, Cisco, Clyde and Baird have been invited to the meeting, Chairman Nicksick said.

Representing the Ranger club will be Ernen Haby, president, and James R. Clark, secretary.

Principal topics for discussion during the Thursday evening sessions will be suggestions on strengthening the zone Lions Clubs and a review of the various clubs' projects as proposed for the coming year.

FB Convention Is Set Oct. 19th At Church Annex

The Eastland County Farm Bureau Annual Convention will be held Tuesday, Oct. 19, at 8 p.m. at the First Christian Church Annex in Eastland, according to the president, Jack Cozart.

During the convention, new officers and directors will be elected. Directors from Eastland, Ranger, Cisco, Gorman, Carbon, Desdemona and Rising Star will be voted on. The nominating committee will offer a slate of officers and directors, but every one should remember that nominations from the floor will be in order, said Mr. Cozart.

"This is also the important time of the year when we adopt our county, state and national resolutions, this is done at the 'grass roots' during our meeting, with the ideas of all Farm Bureau members helping to decide the policies of our county, state, and national organization for the coming year," Cozart stated.

Everyone is invited to attend the county meeting and express your ideas.

Game Warden's Jobs Open for Young Texans

AUSTIN, Oct.—That sturdy youth pursuing fall outdoor sports with more than ordinary zeal, perhaps just a little taller in the saddle, may have a different role come next fall.

He could be one of the young men the Texas Parks and Wildlife Department is counting on for the annual new warden class which, some time before late summer rains cool and reinvigorate the parched earth, will assume their new positions as full-fledged Texas game wardens.

Active interest in the outdoors naturally is a requisite for the applicants since a major portion of their routine will be in some form of wildlife contact, said J. B. Phillips, law enforcement co-ordinator.

"But a modern warden no longer is confined to the actual wildlife harvest routine," said Phillips. "Rather, he works it from both ends. He works on wildlife management details and, through con-

tact and education, works with the hunters and fishermen and all other outdoor recreation fans."

The law enforcement co-ordinator emphasized that opportunities for advancement for game wardens have been accelerated and that the last Legislature set the starting pay at \$384 monthly, plus retirement and other benefits, and an increase in pay after successfully completing the training course.

To qualify for the warden school, an applicant must have a high school education and be a resident of Texas for at least one year prior to date of appointment. He must be between 21 and 40 years of age as of July 1, 1966, at least five feet, eight inches tall and must weigh at least two, and not more than three, pounds for each inch of height.

Fonteyn-Nureyev Ballet Duo In Majestic Film, Oct. 26-27

"An Evening With the Royal Ballet," starring Dame Margot Fonteyn and Rudolph Nureyev, will be presented in Eastland with a special reserved performance engagement at the Majestic Theatre, October 26 and 27, Mgr. Dick Dixon has announced.

More details are available for persons writing the Texas Parks and Wildlife Department, John Reagan Bldg., Austin, Texas 78701. Applications may be obtained at regional or district Departmental offices. The deadline is October 25.

An evening and a matinee performance has been scheduled for each date. Advance seat tickets will soon go on sale at the theater. For further information on individual ticket orders and group sales for clubs and organizations, call MA 9-1120.

Presented by Sigma 111, the color film features four ballet highlights, "La Valse," "Les Sylphides," "Le Corsaire," and "Aurora's Wedding" from the "The Sleeping Beauty." The performances were filmed at the Royal Opera House, Covent Garden, London.

The film follows the exceptionally successful tour with

the Royal Ballet Company has recently completed in this country. When Margot Fonteyn and Rudolph Nureyev danced at the Metropolitan Opera House in New York, their performances were sold out weeks in advance and the ticket demand was the heaviest for any attraction in years. Their 33 curtain calls on opening night was one of the greatest ovations in the history of the opera house.

Directed by the noted British film-maker, Anthony Asquith and Anthony Havelock-Allan, who also produced, the BHE Production also stars David Blair.

"La Valse," with music by Ravel, features the artists of the Royal Ballet in a visually and musically imaginative example of the ballet art. "La Sylphides," danced to music of Chopin, offers Nureyev and

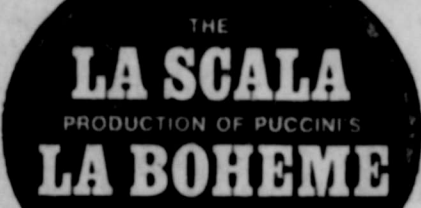

Fonteyn in one of the most famous achievements of the classical ballet. The pagantry and color of "Aurora's Wedding," with its Tchaikovsky score, presents the spectacle of the Russian Ballet, "Le Corsaire" which includes the pas de deux, the two solos, and coda, with music by Drigo, reaches a climax in a series of startling leaps that spotlights the artistry of the prima ballerina and the male dance considered by many to be the most exciting performer since Nijinsky.

GI Insurance 'Bonanza' Reports Incorrect, Says VFW Commander Roper

The Veterans Administration labels as "totally incorrect and misleading" recent reports that certain veterans may obtain up to \$200 for a 1948 GI Insurance Dividend. John Roper of Ranger, commander of Eastland County's

Veterans of Foreign Wars Post No. 4136, Eastland, said that the VA is being swamped with applications for the "bonanza" payment. This insurance dividend has already been paid to more than 16 million World War II

veterans and was concluded in 1950, according to Percy J. Mims, manager of the Veterans Administration Regional Office in Houston. The dividend was highly publicized and nearly all veterans who were eligible have received payment, Mims emphasized.

"For example," he pointed out, "99.8% of the 760,000 Texas veterans who had National Service Life Insurance at the end of World War II have received the dividend."

Some few veterans with lapsed policies were not reached by the Veterans Administration due to incorrect addresses.

The ruling about the "GI Insurance Bonanza" apparently has been fed by posting the misleading story boards of industrial plants. It has been denied repeatedly by VA in press releases throughout Texas.

Mims urged all veterans to carefully review their individual G. I. insurance policies to make doubly sure that no previous application has been submitted.

Alford Will Be Guest Speaker For Music Club

Kenneth E. Alford of Ranger Junior College, will be guest speaker for the Eastland Music Club Wednesday, October 20. The meeting, which will begin at 8:30 p.m., will be held in the Woman's Club in Eastland.

Alford, chairman of the Division of Fine Arts, will speak on "The Semantics of Chord Progression of the Tristan Chords," the subject of his dissertation for his doctor of philosophy degree at the University of Texas.

Marine Second Lt. Charles R. Trompson, son of Mr. and Mrs. Joseph O. Thompson of 213 S. Walnut, Eastland, graduated Sept. 2 from a ten-day course in Tactical Air Controlling at the U. S. Naval Amphibious School, Little Creek, Va.

MAVS-BULLDOGS ...

(Continued from Page 1.) Since the two ball clubs first met back in 1922, the Maroon & White Bulldogs have won 30 while the Red & Black Mavericks have triumphed only 10 times. However, scores for 3 of the 43 years—1942, 1943 and 1944 — are unavailable.

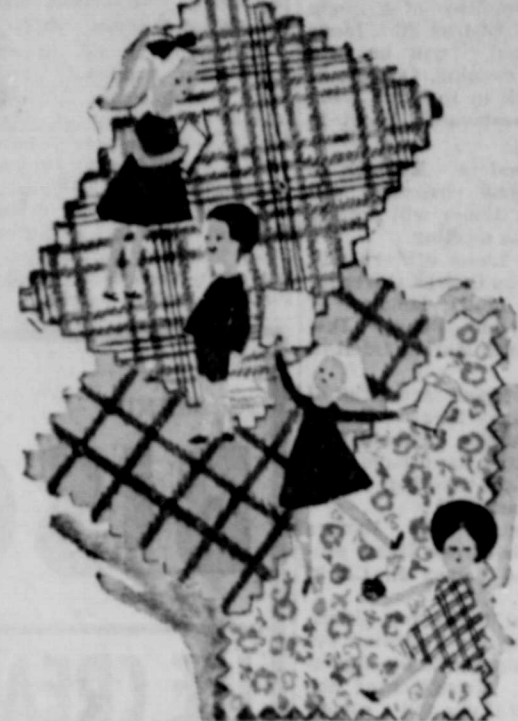

The Eastland-Ranger game is one of those affairs that can't always be doped out on paper. Even comparative scores and records aren't necessarily factors in victory.

Here is the record of Eastland-Ranger football rivalry since 1922:

PEANUT BOWL ATTRACTION—One of the many, many features of the 6th Annual Peanut Bowl Saturday was the H-E-U Cowboy Band, shown here in performance. The Bowl attracted thousands of people to town and provided entertainment and football action for all. Pretty girls, bands, and action marked the day.

'65 Edition of Peanut Bowl Is Labeled 'The Best Ever'

Eastland County's annual Peanut Bowl '65 edition, has been declared a giant success on every hand — with activities and entertainment attracting enormous crowds and keeping young and old busy for a long, long day Saturday. It all started bright and early as the Peanut Bowl Twirling Contest got underway on East Commerce St. under the direction of John Foster and Leo Thomas.

Miss Texas flew into Eastland and her plane and party were met at the local airport at 2 p. m. by Jaycee officials and city dignitaries. Crowds began to line the streets by 2:30 p. m. to find vantage points to see the spectacular parade which began at 3 p. m., and included the world-famous Hardin-Simmons University Cowboy Band, as well as floats, pretty girls, new cars, riding clubs, and bands, bands, bands.

Bruce Pipkin on behalf of the Oldsmobile Co. A giant bouquet of red roses from the Jaycees accented the Texas Miss's happiness. Recognized as special visitors were Misses Ereckenridge, Cisco and Abilene prior to the National Anthem and flag raising. The Cisco and Ranger alma maters were prelude to the game-of-games between the Rangers and Wranglers.

Immediately following the parade the Fort Hood band was in concert on the south steps of the Courthouse much to the pleasure of the Eastland visitors. It was "chow-time" for the visiting performers at 5:30 p. m. when the Eastland County Home Demonstration Club Council fed the bands and marching groups — real home cooking and lots of it was the fare.

Record numbers reported for the Peanut Bowl Twirling Contests, and at presstime, these winners had been announced: Class I (Single Twirling) — Donna Seabourn, Eastland; Adela Lopez, Cisco; Louise Woods, Cisco; Patty Penell, Cross Plains; Terry Baum, Cross Plains; Vanda Anderson, Cross Plains; all won one.

Class II — Mary Rosales, Cisco; Judg Rendall, Cisco; Dianna Isbell, Debbie Johnson, Cisco; Patricia Barr, Cross Plains; Sue Walters, Cross Plains; Vickie Hargrove, Cross Plains; all ones. Class III — Eddie Lee Sikes, Eastland; Sharon Sanders, Eastland; Johnnie Harrison, Eastland; Donna Coeber, Eastland; Tenna Clark; Peggy Latham; Rena Aubrey; all ones.

Hall Gets 10 Years In Death Of Brother

An appeal was not expected following the verdict and sentencing Thursday of Robert Hall, 25, who was found guilty of murder and assessed ten years in the penitentiary for the July 29 shooting of his brother, Johnny Hall. The 91st District Court deliberated about six hours, before returning at 10 p. m. Thursday to pronounce the verdict and sentence. The case went to the jury at 3:15 p. m. after testimony by the defendant, his mother and his former wife.

Earl Conner Jr., court-appointed attorney for Hall, did not cross examine the ex-wife. In the charge to the jury, Judge Frank Sparks gave five possible findings: not guilty, guilty with a death penalty, guilty with a life term, guilty with a given number of years (which the jury choose) or guilty with a penalty of not more than five years and a suspended sentence.

Under cross-examination by Dist. Atty. Perry Brown, she agreed that she had seen the sons drink intoxicants, but denied that Robert had beaten her, threatened to kill her or that he was quarrelsome when drinking.

RHS BULLDOGS

(Continued from page 1)

from the one-yard stripe. Then Fullback Larry Blackwell cruised around right end for two extra points.

A few plays later Blackwell scored again on a smash over left tackle. The payoff play was set up with a 45-yard aerial from McGee to Phil Brown.

Landtroop shot around right end for two extra points and at the end of the third quarter, the Bulldogs held a 29-0 buage.

In the final period, Blackwell got loose over right tackle and charged 15 yards to score the RHSers' final TD of the night.

The Maroon & Whites' non-conference triumph proved costly, however. End Jerry Watson was badly shaken up in the first half, and Quarterback McGee suffered a knee injury. Coach Gerald Cumpston is hoping that the two starters will be able for some action in the Eastland encounter next Friday.

In their 10-A combat Friday night, the top-ranked De Leon Bearcats ran berserk at Boird ripping the Boars, 44-0. Eastland's Mavericks swung back into the win column with a 14-6 win over the Clyde Bulldogs. And the Albany Lions shutout the Cross Plains Buffaloes, 22-0.

Schools Serve 7,751 Meals In September, Supt. Clark Reports

Ranger School lunchrooms served 7,751 meals to students in September or an average of 337 student meals a day, Supt. James R. Clark reports. Hodges Oak Park school served 4,781 meals of which 252 were free of charge while Young Elementary served 2,970 meals for an average of 133 a day.

During the month of September the two lunchrooms received \$532.35 Federal reimbursement, \$2,244.30 from students, \$326.44 from adults and from sale of extra milk. That added to a beginning bank balance of \$2,961.10 gave a total income of \$6,364.19.

Expenses for September were \$2,301.83 for food, \$540 for labor and \$165.32 for non-food items. Closing cash balance September 30 was \$3,557.94 with

\$615.47 reimbursement to be added. This leaves the total worth at \$3,973.50.

Mrs. Pat Falls is manager of the Hodges cafeteria and is assisted by Mrs. Thelmas Reasoner and Mrs. Lucille Gentry. Ernest Dempsey also helps parttime in the cafeteria.

Mrs. Helen White is Young cafeteria manager. Helping her are Mrs. Barbara Tucker and Albert Harris part-time. All meals are 30 cents each. Visitors are welcome in the lunchrooms at least once a year in order to acquaint the citizens with the quality of meals served.

Students have a choice of chocolate or white milk with every meal at no extra cost. Extra milk at recess and at noon is three cents a carton.

RHS REPORT

By Bob McKelvain

Another busy week ends at RHS with many activities finished and many more started. Classes met Thursday morning to discuss a number of important proposals and problems.

The Seniors take the spotlight for their newly found project. They voted unanimously to help O. L. Justice repair the Frigid Queen. Everyone at RHS knows that the drive-in was severely damaged by fire earlier this week. O. L. is a good friend of the Senior class and will be getting lots of help with the clean-up job that lies ahead.

Candy sales begin November 1 with Debbie Johnston and Alice Hodges team captains. Juniors spent their meeting discussing the results of their magazine sale and making plans for a party. It was agreed that the losing team in the magazine sales would throw a party for the winners. Bob McKelvain, captain of the losing team, appointed Robbie Scoggins, Linda White, Jerry Watson, Larry Blackwell, Dowell Hartsfield, Janice Black, and Janie Johnson as a planning committee. Johnson, Hartsfield, and Black were on the winning team.

The National Beta Club with its chapter here in Ranger conducted a survey of the high school's juniors. The information will be used in the college fact chart it publishes every year. Both the seventh and the eighth grades worked on the assembly programs that they will be presenting in the near future. Again this year each class will present a play or program for the whole school. The type of program is left up to the class to decide.

Many of the high school and junior high students attended and enjoyed the paid assembly program that we had Wednesday. Don Comfort, an accordionist, played for the students and explained some about what makes his instruments work. Many students remained after the program to hear more of his playing.

The 1966 BULLDOG annual went on sale Thursday. They sell for \$3.92 as last year. Already much work has gone into putting the annual together and it promises to be one of the best ever published. With its unusual theme everyone will want to purchase one.

The seniors won the "spirit stick" presented by the cheerleaders to the class spirit at the pep rally Friday morning. Class president Don Buntun received the maroon and white award from junior cheerleader Robby Scoggins.

The finalists in the FFA Sweetheart contest are: Senior, Sherry Sullivan, junior, Dorothy Oliver, sophomore, Kathy Sharp, and freshman Donna Johnston. From these girls will be chosen the 1965 FFA Sweetheart. Others nominated were Dixie Hodges, Linda White, Ann Ratliff, and Donna Seymour. Voting is with money and will continue through next week to determine the winner.

Funeral services for Mrs. H. D. Warren, Sr. will be held this afternoon, Oct. 17, at 2:30 p. m. in the First Baptist Church with Rev. Haston Brewer, pastor, officiating. Burial will be in the Eastland Cemetery.

Mrs. Warren, an Eastland resident for 35 years, passed away at 4:30 a. m. on Oct. 15 in Eastland Memorial Hospital.

She was a member of the First Baptist Church.

Child Welfare Club Is Outstanding Ranger Charity Organization

Ranger's Child Welfare Club is one of the city's outstanding organizations. The club is one of the eight agencies who will share in the proceeds of the 1965 United Fund drive now in progress.

Other agencies sharing in the UF this fall include Boy Scouts, Campfire Girls, Community Public Library, Salvation Army, Teen Town, American Red Cross, and the Texas United Fund.

Mrs. John T. Roberson, president of the Child Welfare Club, is enthusiastic about the organization's activities and the humanitarian service it renders.

The group has spent money to buy food and clothing for families of fatherless children. In January the club placed a little girl in an institution in Abilene. She was nine years old and unable to speak. Now, however, she has progressed to the point of being able to utter short sentences.

Mrs. Pat Gohlke, chairman of the club's investigating committee, and local teachers are alert to the needs of under-privileged children who are without adequate clothing and shoes to attend school.

The Child Welfare Club has been instrumental in arranging the adoption of orphaned or mistreated children, and is working now for the placement of four youngsters. They also are planning to arrange for the placement of another child who has been grossly mistreated in his home.

Ranger Child Welfare Club's Christmas banquets will be delivered to children of needy families. This annual project assures of Christmas dinner, toys, etc., for about 70 families each year.

The club recently transported children to Abilene

for tests in order to secure a teacher in the future who will form a class for mentally retarded youngsters in Ranger and the surrounding area. There are 30 other children yet to be evaluated, a club spokesman said.

Supt. James Clark of the Ranger Public Schools has offered his assistance in counseling with Shelley Smith, executive director of the West Texas Rehabilitation Center, Abilene, relative to securing the visit of a qualified psychologist to Ranger to speed up this evaluation program.

In addition, elderly citizens—in need of food and medicine—are aided through efforts of the Ranger Child Welfare Club.

This organization collects money through the United Fund—and spends an abundance of love.

Mrs. Louks Hosts Child Welfare

The Child Welfare Club met Wednesday in the home of Mrs. Cecil Louks.

Mrs. John T. Roberson presided and read the report for activities in 1964 as submitted to the United Fund.
