Parrish Rites Set Thursday Morning at 11

Funeral services for Mrs. Charles E. Parrish, 60, will be held Thursday morning at 11 o'clock in the Church of Christ, Rusk and Mesquite Sts., with Gary Beauchamp, minister, officiating.

Interment will be in Evergreen Cemetery with Killingsworth Funeral Home in charge of arrangements.

Mrs. Parrish, a resident of Ranger for 37 years, died Tuesday morning at 6:46 o'clock in Ranger General Hospital following a long illness.

She was born Aug. 7, 1905 in Erath County and married Charles Parrish June 10, 1940 in Eastland. She was a member of the Church of Christ.

Surviving in addition to her husband are three sons, C. Douglas Cox of Midland, Bob R. Cox of Garland, Gerald J. Cox of Fort Worth; 2 daughters, Mrs. O. O. Jones of Pasadena and Mrs. Eddie Cousin of Malta, Italy; two brothers, Walton Walker of Mingo and Harold N. Walker of Fort Worth; two sisters, Mrs. Onal Blue of Fort Worth and Mrs. Winnie Sims of Fort Worth; 13 grandchildren and three great-grandchildren.

Pallbearers at the funeral Thursday morning will be Reed Campbell, Bill Thomas, Thomas Williams, M. H. O'Field, Earl Blackwell and Jack Blackwell.

Mrs. T. J. Fonville Buried Wed. Following Rites

Funeral services for Mrs. Thomas J. Fonville, 76, were held at 2 p.m. Wednesday in Killingsworth Funeral Home Chapel with Gary Beauchamp, minister, officiating. Burial was in Alameda Cemetery under the direction of Killingsworth Funeral Home.

Mrs. Fonville, the former Rhoda Mary Johnston, who died at her home at 8:45 p.m. Monday, was born Feb. 25, 1889 in Hico. She married T. J. Fonville Aug. 24, 1919.

Survivors include her husband, two sons, T. L. and Paul U. Fonville; one sister, Nena Hargrave of Ranger, one brother, William Johnston of Riverside, Calif.; 11 grandchildren and three great-grandchildren.

Pallbearers were C. M. Rodgers, Walter Mitchell, Henry Walton, Reed Campbell, O. D. Hargrave, F. F. Sparks, J. E. Tidwell, and John Allen.

Ranger Man Now Hospitalized In Panama C. Zone

Michael Herrington, serving with the Peace Corps stationed in Quito, Ecuador, has been a patient in a Panama hospital for the past two weeks.

According to information received in Ranger on Monday, he will be hospitalized for approximately two more weeks, after which he will return to the states, either to a hospital in Washington, D. C. or to his home in Ranger to recuperate from an illness contracted in Ecuador.

Friends may address him: James M. Herrington, Ward L. Box 9 Balboa Heights, Canal Zone.

JEST for fun

Seeing a car rolling down the street without a driver, a man dashed from the sidewalk climbed into the driver's seat and slammed on the brakes.

A second man appeared from behind the car, puffing and yelling: "Get out, fathead! I'm pushing my car to a gas station and you're the third quick thinker I've met in the last two blocks!"

Ranger Jaycees Very Active Unit

This is a highly important week to the 35 officers, directors and members of the Ranger Jaycees.

It's "National Jaycee Week" — Monday, Jan. 17, through Sunday, Jan. 23.

And — most important also — it's "Ranger Jaycee Week" by proclamation of Ranger Mayor Morris L. Newham.

The organization may be comparatively young — it was chartered back on Oct. 18, 1962, — only little over three years ago — but anybody in town will attest to the fact that it's an action aggregation.

Two words best and aptly describe the optimistic, dynamic spirit exemplified by the Ranger Jaycees: "CAN DO!"

And — those two words are dramatically underscored by the accomplishments and achievements of these young men (over 35, and you're an ex-Jaycee) which have made the Ranger organization one of the going-est, planning-est, doing-est civic groups in local history.

In order to re-activate the annual rodeo, the new Jaycee organization in the spring of 1963 borrowed \$6,000 with assistance from the local bank, business men and out-of-town friends.

Their first show netted \$4,200, and at the end of the initial presentation they had whittled their indebtedness down to \$2,000.

Then in 1964 their show netted \$3,800.00. After financing repairs to the arena, and donating \$500 to the stadium fund of Ranger Junior College, the Jaycees rodeo project wound up with a debt of only about \$400. And that small debt was retired in '65.

Another outstanding annual project is their January poll tax campaign. In vigorous and non-partisan manner, they urge payment of polls and conduct house-to-house canvases to solicit orders for poll tax payments. Results, shown in official county records, verify the effectiveness of their efforts.

Planning Now Under Way For 4th Annual Rodeo

Ranger's action-packed, rip-roaring 4th annual Jaycee Rodeo will be unveiled Thursday, Friday and Saturday, July 7-9.

The event, major annual project of the Ranger Jaycees, will be held in the big arena out on old U. S. Highway 80 West, and there'll be plenty of action with whirling broncs, rugged, charging, elusive bulls and calves testing the talents and stamina of top amateur rodeo contestants.

Arena events to be featured during the three nights of rodeo action include calf roping, steer wrestling, bronc riding, bull riding, team roping and cowgirl barrel racing. Stock for the show will be furnished by Lloyd Woodley who is producing the fourth annual rodeo for the Jaycees.

ness of their efforts.

Other achievements of Ranger Jaycees include:

A community development survey to determine liabilities and assets of the city and to determine possible projects to consider to accelerate future growth and prosperity.

Ed Shinn Is Candidate For State Jaycee Post

Eddie Shinn, popular member who served as inter-club director last year, is a candidate for the office of state director of the Area III-C area of the Texas Jaycees.

Balloting for the important state office will be held during a two-day Area III meeting of North Central Texas Jaycee organization to be held at the Baker Hotel in Mineral Wells on Feb. 11-12.

Shinn, employed by Lone Star Gas Co., has been a Ranger Jaycee since moving here from Gainesville three months after the local chapter was chartered.

Son of Mr. and Mrs. J. B. Shinn of Breckenridge, the candidate for Jaycee state director has been associated with Lone Star Gas Co. for 10 years. He graduated from Breckenridge High School in 1952, served in the U. S. Army until Phyllis on Aug. 18, 1955.

Mrs. Shinn is state vice president of Area III Jaycees and is active in the local Jaycee wives' unit.

ANNUAL LL MEET IS SET MONDAY NIGHT

The annual business meeting of the Ranger Little League baseball organization will be held Monday night, Jan. 24, at 7 p.m. in the club room of the Paramount Hotel.

John Adair, 1965 LL president, said that all parents and other interested supporters of the Little League are urged to attend the session.

Main items on the agenda will be election of officers and mapping plans for the coming spring and summer Little League operation.

45 RANGER SCOUTS ON WEEKEND CAMPING TRIP TO SITE IN CHEANEY VICINITY

Forty-five members of Troop 10, Boy Scouts of America, enjoyed a campaign trip last weekend.

The group, led by Scoutmaster Fred Bennett and Billy Anderson Jr. and Tommy Brasher Jr., assistant scoutmasters, hiked to a campsite in the Cheaney area, about 9 miles from Ranger.

They departed Saturday morning and returned to Ranger Sunday afternoon.

A Council Fire highlighted Saturday night activities and morning worship services were held Sunday morning at 8 a.m. with Rev. Avery Sullivan, pastor of First Baptist Church, bringing the message.

Scouts making the hike included: Jackie Melton, Steve Campbell, and Phil Sanders.

Ranger Families Attend Rites For Relative Monday

Mrs. T. L. Gilstrap, 79, passed away in a Cleburne Hospital at 1:20 p.m. Saturday, Jan. 15.

Funeral services were conducted from Pierson-Crozier Funeral Chapel at 3 p.m. Monday, with the pastor of Trinity Baptist Church officiating. Burial was in Green Acres Cemetery, Cleburne.

Survivors include a son, J. T. Gilstrap of Dallas; a daughter, Mrs. A. F. Taylor of Crane; a sister, Mrs. Lucy Kendrick of Ranger; two brothers, J. A. O'Keefe of Clyde and John of San Angelo; four grandchildren, three great-grandchildren, and several nieces, including Mrs. A. L. Stiles and A. N. Bradford of Ranger.

Mr. and Mrs. Stiles, Mr. and Mrs. Bradford, a son and Mrs. Kendrick were in Cleburne for the services.

Eldon Mahon Is Candidate For Representative

Eldon Mahon, Abilene attorney, has authorized this newspaper to announce that he is a Democratic candidate for the office of United States Representative, 17th Congressional District, of which Eastland County is a part.

Mr. Mahon is a native of Mitchell County, where he was born and reared. He is a past city attorney, district attorney and district judge of the Sweetwater area.

He will file as a Democratic candidate for the May 7 Primary soon, he said, and will issue a formal statement at a later date.

Bulldogs Better Albany For Fifth District Triumph

The Ranger High Bulldogs racked up another cage win Tuesday night, topping the Albany High Lions, 52-45, in a District 10-A contest played on the hardwoods of the Ranger Recreation Bldg.

The Maroon & White's latest triumph put their 10-A record at five wins against only one loss.

Next combat for Coach Charlie Harris' Bulldog cagers is scheduled for next Tuesday, Jan. 25, when they battle the Clyde High Bulldogs at Clyde on the enemy courts.

The Ranger Clyde battle promises plenty of thrills. The Bulldogs' lone loss in circuit play was to Clyde in the 10-A season opener, played here back on Dec. 17.

Johnny McGee hit 23 and Larry Monroe fired in 19 for the Bulldogs, while Jerry Speck and Bobby Farmer had 10 each for the Lions.

The Bulldogs opened up a 26-15 margin at intermission and had to fight off a last period rally by the Lions.

Ranger copped both girls' games, 43-35, and 27-17. ALBANY (45) — Speck 5 0 10; Farmer 4 2 10; Barker 3 0 6; Smothers 1 0 2; Gardner 1 1 3; Chambers 2 0 4; Brewster 2 4 8; King 1 0 2; Totals 19 7 45.

Poll Tax Sales Are Lagging

Sale of poll taxes at 11 sub-stations is lagging, according to Edgar Altom, tax collector. Deadline for paying these taxes is Jan. 31. There are only 12 days remaining in which to secure poll taxes, which must be paid in order for citizens to be eligible to vote in the next election.

Here is an important reminder for all persons over 60 years of age before Jan. 1, 1965. You are not required to have an exemption or registration to vote.

Public Schools Show Gains in Enrollment

Enrollment in Ranger Schools climbed to 608 Monday after being at the 601 mark for two weeks.

By schools the enrollment stood at 159 for Hodges, 149 for Young, and 300 in the Junior-Senior High School.

High enrollment for this school year was November 1, when a 616 enrollment was registered. The lowest was 601 on January 1.

There are now 64 enrolled in grade one, 50 in the second and 45 in the third for a total of 159 at Hodges.

At Young there are now 40 in the fourth, 54 in the fifth, and 46 in the sixth for a total of 140.

John Hart Is Candidate For County Judge

John Hart has authorized this newspaper to announce that he is a candidate for the office of county judge.

Mr. Hart, 49, son of the late County Judge John S. Hart and Mrs. Hart of near Cisco, is a native of this county, having lived for several years in West Texas, returning about a year and a half ago to make his home here.

In business as an independent land man for a number of years, he is also a prominent member of the Southwest Football Officials Association, and president of the Abilene Association, an area organization of referees for public school and college athletic contests. He has had 27 years experience working with young people.

During World War II, Mr. Hart was a flight instructor for the Army at Bruce Field, Texas.

His wife, Mary Elizabeth, is a member of Eastland High School faculty. They have three children: Judy, 20, a sophomore at Cisco Junior College; Bob, 15, a freshman in high school; and Pat, 10, a fourth grader.

An Eastland High School graduate himself, Mr. Hart attended Hardin-Simmons University as a business administration major. The Harts are members of the Methodist Church.

Mr. Hart said he will officially file this week and will issue a formal statement at a later date.

At the High school there are 60 each in grades seven and eight, 46 in the ninth, 49 in the tenth, 41 in the eleventh, and 44 seniors, for a total of 300.

County Sheep Will Be Checked For 'Scabies'

The Texas Animal Health Commission in cooperation with the USDA Agricultural Research Service is presently engaged in a statewide "scabies" inspection of all flocks of sheep within the state. Bill McCutchen, the Assistant County Agent, reports that Don Boaz with the Texas Animal Health Commission is in the county and plans to begin inspections in the next few days. Farmers and ranchers will be contacted individually as to the date and time their flocks will be inspected.

The main reason for the inspection is to lessen the restrictions on transporting sheep from Texas to other states. California restrictions require sheep from Texas to be dipped twice from 10-14 days apart before being shipped in. Other states have similar requirements. When

Texas sheep are scabies-free this should greatly facilitate shipment to other states. The Texas Animal Health Commission intends to inspect all of the flocks of sheep in Eastland County. If the sheep can be seen in the pasture they will not need to be penned as they can be inspected visually in most cases. If scabies are suspected after a visual check, they will need to be examined closely.

Sheep scabies, sometimes called scab or mange, is a contagious skin disease. It is caused by tiny mites that pierce the skin of sheep to feed, scabs, which give the disease its name form on the wounds. Infested sheep rub, bite and scratch themselves to relieve intense itching, and they lose wool from the affected areas. Untreated sheep may die after prolonged infection.

TAX OFFICE TAKING JOB APPLICATIONS

Written applications for the position of tax assessor and collector for the Cisco Independent School and Cisco Junior College District are now being accepted at the school district's tax office, 610 Ave. D, in Cisco.

The announcement concerning applications was made following a meeting Monday night between G. C. Hogue, Cisco Junior College president; T. M. Roach, superintendent for Cisco Public

Schools; H. C. Brown, president of the Board of Regents; and W. E. Austin, president of the Board of Trustees.

Applications should include name and address, age, experience and qualifications, marital status, and salary expected. All applications should be mailed to the tax office on or before Feb. 1.

The position of tax assessor and collector had been filled during the past ten years by Stanley W. Webb, life-long resident of Cisco and Eastland County, until his death on Jan. 4, 1966.

All applications for the position will be considered at a joint meeting of the Board of Regents of CJC and the Board of Trustees for Cisco Public Schools.

POTTER TO ADDRESS AREA SCOUTING LEADERS FRIDAY

Mr. L. T. Potter, President of Lone Star Gas Co., Dallas, will be the featured speaker at the 33rd annual recognition dinner of the Comanche Trail Council, Boy Scouts of America, to be held Friday, January 21, in Brownwood.

Council President Paul A. Cuyus of Stephenville, has announced that the annual business meeting of the council will begin at 5:30 p.m. in the First Baptist Church educational building in Brownwood for the purposes of hearing the annual reports of committees; election of council officers for 1966, Executive Board and council members; and to review plans for the council's 1966 program.

A ladies reception and program will be held in the same building starting at 5:45 p.m. with Mrs. Thos. C. Yantis of Brownwood serving as hostess.

More than 200 adult Scouters and their wives and guests are expected to attend the recognition dinner to be held in the West Elementary School Cafeteria beginning at 7:30 p.m.

The speaker for the evening, Mr. L. T. Potter, is a very active Scouter in the Circle Ten Council, Dallas; and as a member of the regional executive committee for Region Nine (Texas, Oklahoma and New Mexico), as well as serving as a member of the National Executive Board of the Boy Scouts of America, Mr. Potter has served as a district committee member, District Chairman, Executive Board member, and Council President of the Circle Ten Council in 1964-5. He was awarded Silver Beaver Award by the Circle Ten Council in 1962. The National Council, Boy Scouts of America, elected Mr. Potter to the National Executive Board in 1963 and he was awarded the Silver Antelope Award by Re-

gion Nine in 1964. Mr. Potter has also been active in many business and community affairs, having served as President and Drive Chairman of the Dallas County Community Chest; on the Board of Directors for the Dallas Symphony and Theatre Center; he is a past-President and Director of the Dallas Chamber of Commerce and the American Gas Association; as well as many others.

Among the other highlights of the program will be recognition unit leaders, 1965 fall roundup award winners, the Eagle Scouts of the "class of 1965", and presentation of certificates of appreciation and awards to those who have contributed to the financing of the Scouting program through their leadership of their local community United Fund, Community Chest, or Boy Scout budget campaign.

The Scouter's Key, a leadership training award, will be

presented to Scoutmaster Jesse M. Sexton of the Stephenville Kiwanis Club Scout Troop; the officers of the Comanche Trail Council for 1966 will be formally installed; and the council will present its Silver Beaver Award for outstanding service to boyhood and citizen. The Silver Beaver Award is the highest honor a local officer of the Boy Scouts of America may give a Scouter. The Comanche Trail Council is allowed only

one a year. The Comanche Trail Council, Boy Scouts of America serves all Scout units and communities in Brown, Comanche, Eastland, Erath, Lampasas, Mills, San Saba, and Stephens counties. Its services in behalf of boys are supported financially by United Funds, Boy Scout budget campaigns, and Sustaining Memberships.

Mr. Bell liked to make things better...

After Alexander Graham Bell invented the telephone in 1876, he did not rest on his laurels. He helped form the National Geographic Society, developed the basic method of making phonograph records on wax discs and pioneered a method of locating icebergs by detecting echoes from them. He made suggestions and contributions that helped give us air conditioning and the iron lung. For 46 years after inventing the telephone, he lived a vigorous and creative life.

Southwestern Bell likes to make things better, too... Six short years ago, we did not offer the Princess® telephone, Home Interphone, Wide Area Telephone Service, Centrex service, Data-Phone data communications service or Panel Phone. There was no electronic artificial larynx, no automatic dialer and no Speakerphone. Today, these new items help us provide the best telephone service in the world. But we want to make it better. That's our legacy from Mr. Bell.

Final Rites For W. E. D. Johnston Held On Sunday

Funeral services for W. E. D. Johnston, 84, were conducted at 2 p.m. Sunday in the Rust Funeral Home Chapel. Mr. Johnston, a resident of Cisco for 31 years, died Saturday morning in the Ranger Nursing Home.

The Rev. J. Morris Bailey, pastor of the First Methodist Church, officiated with assistance from the Rev. Avery Sullivan of Ranger. Mr. Johnston was a member of the First Methodist Church.

Interment was in the Oakwood Cemetery. Mr. Johnston, a retired restaurant operator, moved to Cisco 31 years ago from Strawn. He resided at 901 W. 6th. He was born March 25, 1881, in Coryell County. He married Roby L. Stanton in September 1905, in Decatur. His wife died in February 1948.

Survivors include two daughters, Mrs. William A. Lewis, of Ranger and Mrs. Thomas H. Brookman of Fort Worth; two sons, M. B. of Fort Worth and James W. of Cisco; two brothers, Rushen of Wichita Falls and John of Temple; two sisters, Mrs. Monnie Goode of New York and Mrs. Mattie Harris of Waxahachie; two grandchildren and five great grandchildren.

Pallbearers were James Agnew, J. W. Smith, James Partin, John Penn, Lynn Echols and Neal Moore.

Out-of-town relatives attending the funeral were T. M. New and daughter, Kathy of Wichita Falls; Milton New of Dallas; Mrs. B. L. Harris, Mr. and Mrs. Wade Taylor and daughter, Barbara, and Martha Campbell of Waxahachie; Mr. and Mrs. William A. Lewis III and family of Houston; and Mr. and Mrs. Tom Brookman and family of Fort Worth.

Former Rangerite Dies January 7 In California

Willie P. Grogan, born August 25, 1895 at Victor, Texas, died January 7, 1966 in Bakersfield, California. Survivors are his wife, Mrs. Gertrude Anderson Grogan of Bakersfield, and two sons, Robert of Bakersfield and Melburn. Two brothers, Clifford Grogan of Dublin, Bennis, address unknown, one sister, Mrs. Olean Keen of Olney and several grandchildren.

Funeral was in the Nazarene Church, January 10, and burial was in Arvell Cemetery at Bakersfield.

Mr. Grogan was a World War I veteran and they are former residents of Ranger.

Vance Stephens Is FIA Chief In Coryell

Recently opened in Coryell County was a Farmers Home Administration office, for which Vance Stephens is supervisor.

He and his wife, the former Frankie Marie McDonald of Eastland, have three children, Laura, 6, Scott, 5; and Pamela, nine months.

Mrs. Stephens is a graduate of Texas Christian University.

Mr. Stephens moved to Gatesville after serving three years as assistant county supervisor for Limestone County.

He attended Tarleton State College and graduated from Texas A & M University in 1958.

Veterans Due To Begin Receiving Dividend Checks

Nearly 154,000 veterans will receive checks soon as the first payments are made in distribution of a 1966 GI Insurance dividend totaling \$224,200,000.

In reporting this today, William J. Driver, Administrator of Veterans Affairs, said some 4,606,000 veterans are eligible to receive the dividend payments, which will be made throughout the year on the anniversary dates of the individual policies.

Although the amounts due individual veterans will vary considerably depending on the veteran's age, the amount and type of insurance in force and other factors, the amount to be paid in 1966 averages out at \$47.50 for World War II policyholders and at \$73.75 for World War I policyholders.

Of the total dividend, Mr. Driver said, \$209,000,000 will be paid to 4,400,000 veterans of World War II who hold National Service Life Insurance policies, and the remaining \$15,200,000 will be shared by 206,000 World War I veterans who have U. S. Government Life Insurance policies.

Korean Conflict veterans hold low-cost, non-participating type policies that do not

provide for payment of regular annual dividends. The dividends represent primarily a return to the policyholders of part of their premium payments since the death rate of insured veterans continues to be lower than the mortality rate upon which premium payments are based by law.

The Veterans Administration head said the payments would be made automatically on monthly anniversary dates, and that no application is required.

WINTER COMES — WITH SNOW!

After so long, Ranger finally has had some winter.

A cold front moved through the area Monday, bringing lower, but not real low, temperatures, and moisture in the form of wet snow.

Through Wednesday morning, some two inches of snow had fallen. Official Weather Observer James Smith reported. Low temperature was a 28 recorded early Tuesday morning — but the mercury for the most part, stayed near the 32, mark.

Heavy fog and drizzle continued Wednesday, and highways, though open, and with spotted icing, were slushy and generally safe.

Coast Guard Is Seeking College Grads For OCS

WASHINGTON, D. C. The U. S. Coast Guard is seeking college graduates for its February 1966 class at the Officer Candidate School, Coast Guard Reserve Training Center, Yorktown, Va.

Successful candidates will be commissioned as Ensigns in the Coast Guard Reserve upon graduation. They will be required to complete three years on active duty after receiving their commissions.

To qualify, the men must be between 21 and 26 years of age and must be college graduates or seniors who will graduate before February 13, 1966.

The officer candidates will receive 17 weeks of intensive, highly specialized training in navigation, seamanship, gunnery, damage control, anti-submarine warfare and other subjects.

In addition graduates will be eligible for flight training.

The newly commissioned ensigns will join the 3,000 Coast Guard officers who serve world-wide in a variety of interesting duties. These duties include oceanography, search and rescue, law enforcement, and merchant marine safety.

For complete information write Commandant (PTP-2), U. S. Coast Guard, Washington D. C. 20226.

RANGER TIMES

State Capital NEWS

AUSTIN — One of the big and recreation plan in Texas sleeper battles on the Texas history may be submitted to political scene during 1966 the Legislature next year, will be for control of the state says Governor Connally. Democratic party machinery. He may ask the lawmakers.

Some observers think this to approve a \$25,000,000 to brewing struggle is behind the \$50,000,000 land purchase program for parks during the next biennium. Total budget for parks this biennium is only \$5,400,000. However, that is more than has been spent on the system for the past 10 years.

In mid-December Connally said he will tour the state during 1966 discussing needs and plans — including an "expansive and ambitious" parks-recreation development.

State Parks and Wildlife Department announced recently that additional facilities are being planned for all types of outdoor recreation including boating, fishing, water skiing, canoeing, swimming, sailing, bicycling, sightseeing, horseback riding, golf, hunting, "rook hounding" and nature study.

More than 200,000 motorboats are subject to reinspection by April 1 under Texas' new Water Safety Act, so warns State Highway Engineer D. C. Greer.

Present certificates expire on March 31.

New law authorizes the motor vehicle division of the Texas Highway Department to issue certificates for boats operating in state waters. Same division handles license and title procedures for autos.

Renewal notices covering boats already registered now are being mailed out, along with a brochure outlining the Water Safety Act. Under its provisions, state game wardens now have full authority, for the first time, to enforce water safety statutes.

New registrations will cover a two-year period. Fees range from \$3 for boats less than 16 feet long, to \$12 for those 40 feet and larger.

Safety equipment requirements include lighting, horns, bells, fire extinguishers and flame arresters. Also required are rear view mirrors on boats towing skiers.

Sgt. and Mrs. Dale Wheat Sr. and daughter, Jan of Germany, spent the weekend here visiting with his mother, Mrs. Mary Wheat. Their son, Dale Jr. of Austin, joined them here.

The veteran soldier and his family have returned from a two year tour in Germany. They made the return trip by ship. He will report to Ft. Bliss in El Paso for his next assignment.

Not since the administration of Coke Stevenson has a Texas governor lost control of the state Democratic party machinery.

Work on Appeals Court Nearing Finish As First Session Is Held

By DIXIE DUNCAN

Brighter days are surely ahead for officials in the 11th Court of Civil Appeals on the fifth floor of the courthouse.

The new modern white ceilings and newly-painted walls, which are white and pale green, seem to say "No sunlight needed here."

And, of course, new lighting fixtures in each room help this light effect too.

First court action to be held on the fifth floor since renovation began about three months ago, was Friday morning.

Oral arguments and hearings have been heard in other halls in the courthouse during the remodeling project and judges have chambered in an assortment of locations.

A total of some 810 feet has made quite an increase in usable space after the remodeling, according to Judge Cecil Collins, associate justice. To keep cooler during summer months, 13 air-conditioning ducts have been provided; also, installed in each office, has been a new heating system which Homer Smith, clerk, described as "heat by invention."

Offices of all three judges, Clyde Grissom, chief justice, Collins and Esco Walter, associate justices, have been almost doubled in space and a new office for Stenographer Mineola Varner has been constructed where the old elevator shaft used to be.

In the library, additional bookcases and shelves will be added in the near future. Much more library space is anticipated.

Contractors have been given an additional time in which to install the circular staircase in the library, because a suitable one couldn't be found immediately.

Friday at 5 p.m. all electricity in the courthouse was to have been cut off in order that new electrical wiring and control boards might be installed in the remodel area.

Originally, wiring was installed with little more than light bulbs capacity.

Oleta Moseley is deputy clerk in the Court of Civil Appeals.

Within two or three weeks, all banging, hammering, scraping and other sounds heard there during the past months should cease.

An open house will probably be announced soon.

FFA Emblem NEXT CJC NURSING COURSE WILL START IN FEBRUARY

The emblem of the F. F. A. Chapter of Future Farmers of America is significant in every detail.

On close observation, one will find five units in the emblem, the plow, the rising sun, an owl and a cross section of an ear of corn on which is mounted the American Eagle, national bird of the United States.

A symbol of knowledge and wisdom is the owl.

The plow stands for labor and tillage of the soil. It is of special importance to the F. F. A. for it is known that without labor, neither knowledge nor wisdom can accomplish much.

Harold, last Saxon king of England, was slain in 1066.

Those wishing to enter a nursing career now have the opportunity to apply for enrollment in the vocational nursing course at Cisco Junior College.

The next year-long nursing course, which prepares enrollees for licensed vocational nurses, will begin in February. The course lasts 52 weeks. The first 20 weeks, the pre-clinical period, is spent primarily in classroom study and work in the nursing arts, laboratory plus short periods of hospital experience. During the last 32 weeks, the clinical period, students gain experience in the affiliating hospitals with four hours a week of classroom instruction. Affiliating hospitals pay a monthly stipend, starting at \$19 and increasing to \$60.

To be eligible for enrolling, an applicant must be between 18 and 55 years of age; have at least two years of high school education or the equivalent; and be in good physical and mental health.

Tuition costs \$120, payable \$10 per month if desired. The student buys uniforms (approximately \$30), books (about \$20), name pin, bandage scissors, nurses hose and watch. Total estimated cost for the course is \$205.

Application may be made to the administrators of affiliating hospitals, which are: Eastland Memorial, Ranger General, Graham of Cisco; and Shackelford County Memorial in Albany. Application may also be made to the course instructor, Mrs. Veneta Mitchell, who will be at CJC on Fridays and at her home after 4:30 p.m. Her home phone number is HI2-1449.

Funeral arrangements were made through Arrington Hamner Funeral Home.

Joc B. Scotts Attend Banquet In New Mexico

Mr. and Mrs. Joe B. Scott, Celeste, Joe Shelby, and Caprice flew to Clovis, N. M. Saturday Jan. 15, to attend a Ralston Purina dealers' banquet in Portales, N. M.

The Saturday evening event was held in the new Campus Union Building at Eastern New Mexico University. Among the Purina dealerships represented were those from Carlisbad, Roswell, Tucumcari, and Clovis. Speakers forth meeting were Mr. Scott, sales manager for the area, and Mr. Harry Harvey, Purina salesman from Clovis.

The Scott family were guests in the Harvey home of their son, Mr. and Mrs. Gary Beauchamp and Greg. While here they attended Church services and heard Gary present the lesson.

Graveside Rites Held Wednesday For Mr. Stewart

Graveside services for William Frank Stewart, 78, were conducted at 2 p.m. Wednesday, Jan. 19, in the Eastland Cemetery with the Rev. Moody Smith, pastor of Carbon Baptist Church, officiating.

Interment was in the family plot of the Eastland Cemetery under the direction of Arrington - Hamner Funeral Home.

Mr. Stewart, born Dec. 9, 1887, in Durden, Tex., died at his home Tuesday morning. He had been a resident of this area for many years.

Having served in the U. S. Navy from 1916 until 1919, Mr. Stewart was a member of the Veterans of Foreign Wars Administration.

Survivors include one sister, Mrs. W. P. Everheart of Fort Worth.

The young people of the Mesquite Church of Christ went to Cheaney last Sunday at 5 p.m. for a singing session there.

Royal Neighbor Birthday Party Held on Monday

Approximately 40 members and guests of Ranger Chapter, Royal Neighbors of America braved the wintry weather to attend the monthly birthday supper held in the lodge hall at 6 p.m. Monday, Jan. 7. Four members will observe birthdays this month.

Scheduled lodge activity was postponed until a later date.

Date for the next regular meeting is February 7.

Mr. and Mrs. T. R. Bankhead spent several days last week at the bedside of her father, J. R. Bond, in Gatesville. T. R. is in Gatesville now where Mr. Bond's condition is serious.

Mrs. John Love Honored At Farm Bureau Meet

Some 70 persons, Farm Bureau members and their families, were present at the First Christian Church Annex Monday night to honor Mrs. John Love who retired last November as service agent for Texas Farm Bureau Insurance Companies.

Mrs. Love began her devoted 16 years with the Eastland County Farm Bureau when it was organized in 1939. For ten years she was secretary-treasurer of the organization; then in 1949, when Farm Bureau Insurance Companies were organized, she became service agent, the position which she held until her retirement.

A resident of the Chaney Community, Mrs. Love came to Eastland County in 1919 and

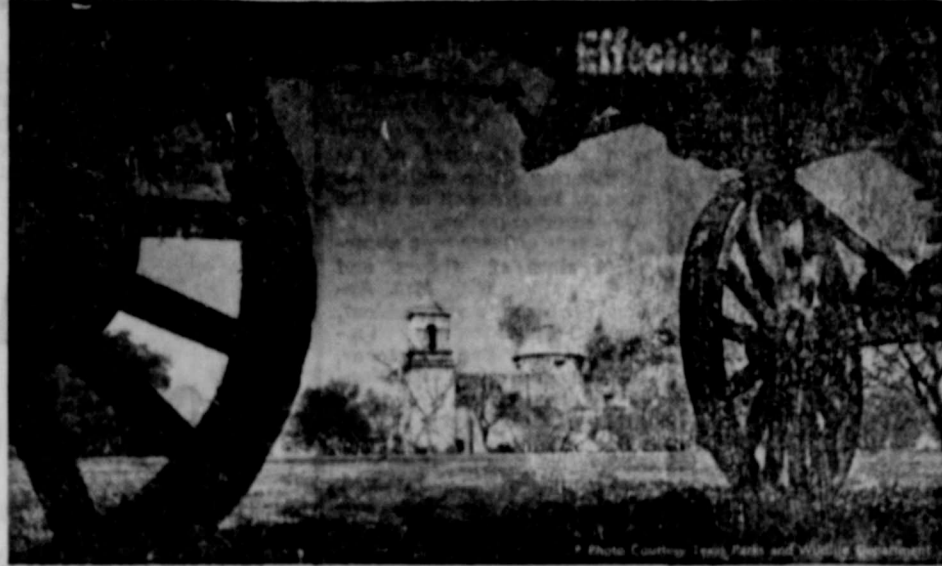

has lived here most of the time since. She and her husband have one daughter, Mrs. Charles Veale of Ranger.

She formerly taught school in Eastland and Palo Pinto Counties; also, she has served as a member of the Rural Area Development Board for this county. Mrs. Love is past president of District Seven, Home Demonstration Association of Texas.

Each of the long tables in the church annex held a heart-shaped centerpiece with ribbons inscribed with "Love" in the center of each.

Master of Ceremonies was Mr. Ed Cumbie of Brock area field man for Farm Bureau. Jack Cozart, president of the Farm Bureau, Luke Par-

VETERANS ADVISED TO RETURN INCOME QUESTIONNAIRES SOON

World War I veterans and dependents who receive pension and all dependent parents who get disability and indemnity compensation have been advised to return their annual income questionnaires before Jan. 31, 1966. Otherwise, benefits may be stopped.

This notice came in the form of a letter to Mr. O. A. Nance, Veterans Administration service office, for the Cisco area, from A. A. Hunter, adjudication officer for the VA.

Mr. Hunter said in the letter that the questionnaires were

Morton Valley HD Has Take On 'Medicare'

A program on "Medicare" was given when Morton Valley Home Demonstration Club members met on Jan. 12 for their first meeting of the new year.

Mr. H. L. Weatherly, Social Security representative from Abilene, presented the program.

Mrs. C. T. Brockman, president, called the meeting to order and Mrs. H. N. Sherman led the club motto, pledge and prayer.

After the devotional, given by Mrs. Joe Bond, Mrs. L. W. Leach read two cards of thanks and Mrs. Sherman, council delegate, gave the council report, at which time Mrs. Josie K. Nix was elected delegate to the Texas Home Demonstration Association.

Hostesses for the day were Mrs. C. M. Pogue and Mrs. Sherman, who served sandwiches, cookie and coffee.

Visitors were Mr. Weatherly, Mr. H. C. Pounds, Mr. R. W. Gordon, Mrs. Bert Duncan, Mrs. Buddy White, Mrs. Cecil K. Miller, Mrs. F. M. Rollins, Mrs. Erma Vaughn and Mrs. Nora Harbin.

Members present were Mrs. Mmes. Brockman, Bond, J. B. Bryant, R. W. Gordon, G. M. Hargus, M. V. Harrison, Alvin Kincaid, Leach, Jeff Laughlin, L. E. Orms, Pogue, H. C. Pounds, Sherman, Homer White, Nix and W. S. Rice.

The next meeting will be on Feb. 26, with Mrs. W. S. Rice as hostess.

WASHINGTON AND 'SMALL BUSINESS'

By C. WILSON HARDER

King Solomon was undoubtedly a very wise man and quite able in the field of jurisprudence. But despite his wisdom, it is doubtful that he would have even attempted to render decisions on some of the laws passed by the American legislators. Rather, he would probably have fled to a cave in the Judean hills to seek peace.

As a matter of fact, if he perhaps attempted to run our courts today being made a great ex- C. W. Harder

Perhaps nothing better illustrates the futility of seeking to solve all human problems by legislation than a recent incident in the State of Washington.

As a part of the legal attempt to eliminate discrimination, Congress passed laws and set up a Federal commission to ferret out discrimination in employment and invoke the newly passed laws. Many states have set up similar commissions, with good salaries, expenses, et al.

Two ladies, aged 35 and 32, complained they have been relieved of their jobs as cocktail waitresses because of discrimination against age. Not so, said the employer. The reason for the dismissal was that the ladies lacked the degree of sexiness needed for the job.

This, of course, led to a full scale study of the situation. The first point to be decided was whether or not aptitude as a cocktail waitress involved sexiness. This point was decided in the affirmative.

Next was to determine how one goes about determining sexiness.

Apparently the august body of commissioners decided that it would be quite a formidable job to define precisely what constitutes sexiness.

The commission debated at what age do women present a sexy appearance.

Their decision was quite profound. They ruled that while some older women do possess a satisfactory degree of sexiness, it is usually more common with younger women. But on the other hand, the commission pointed out, not all younger women have sexiness.

The upshot of the entire proceedings was that they upheld the right of the employer to dismiss the two waitresses, aged 35 and 32, on the grounds they were not sexy enough for the job. However, their ruling did not indicate whether women aged 35 and 32 are considered non-sexy.

Thus, there is one more example put on record for the comfort of payers of taxes in federal and state governments. Their money is being wisely spent. What is more important than having groups of highly paid officials ready at all times to ponder on such weighty questions as in what constitutes sexiness in a cocktail waitress. The ramparts are being watched.

JAYCEE WEEK
(Continued from page One)

Participating in the physical fitness campaign initiated by the late President John F. Kennedy.

Lending volunteer assistance in parking automobiles at local football games.

Active participation in state and national Jaycee conventions.

Last spring the group assumed sponsorship of re-activated Troop 63, Boy Scouts of America.

Gaining them widespread publicity during the holidays were their two very highly successful turkey shoots held in the old E. L. Martin Bldg. in downtown Ranger.

The Jaycees also sponsored publication of a new map of the city of Ranger. The folders were widely distributed and extra copies are available at the office of the Ranger Chamber of Commerce.

In 1963 the junior chamber staged the first all-girl rodeo in West Texas. They presented another femme arena event late last August.

And one of their most impressive accomplishments of the past was a cleanup campaign to improve the beauty and appearance of U. S. Highway 80 within the city limits of Ranger.

The Ranger Jaycees have hosted several banquets and also have been active in participating in out-of-town events to create greater goodwill between this city and neighboring communities. The local group has won several prizes for participation in out-of-town parades with unique floats and displays.

For the past two years the Jaycees and Jaycee-Ettes have erected a Christmas tree downtown at the corner of Austin and Main Streets.

They also have established a scholarship fund at Ranger Junior College for a graduate of Ranger High School each year.

Currently, they are assisting the Ranger Chamber of Commerce in its beautification campaign to improve and enhance the appearance of buildings in downtown Ranger. In cooperation with the Ci-

ty of Ranger they are initiating a joint project to renovate the Scout Hall in Willows Park.

The Jaycees go all-out to support every cause and project for community betterment.

For example, they're even helping support Teen Town. The coins from gum ball machines in many locations over the city are donated by the Jaycees to aid in financing the popular youth facility on West Pine Street.

Currently serving as president of the Ranger Jaycees is Harry Weldon, who is employed by Athletic Repair and Manufacturing Co., a growing Ranger industrial concern. Other 1965-66 officers are Dr. Luther Gohlke, first vice president; Robert Cherry, second vice president; Wade Allbritton, secretary; Buddy Bills, treasurer; and Roy Thackerston, inter-club director.

The 1966 board of directors, in addition to the above-named officers, includes Kenneth Pendleton, immediate past president of the local Jaycee organization, Calvin Ainsworth, Bill Griffith and Duke Dixon.

Officers and directors of previous years:

1964-65
Kenneth Pendleton, president; Charles Arnett, first vice president; Wade Allbritton, second vice president; Lee Roy Duke, secretary; Buddy Bills, treasurer; Ed Shinn, inter-club director. Other board members: John Gum, Harry Weldon, Don Yarbrough and Doyle Gentry.

1963-64
Doyle Gentry, president; Don Yarbrough, first vice president; Bill Rippey, second vice president; Fred Bennett, secretary; Dr. Luther R. Gohlke, treasurer, and John Gum, inter-club director. Other board members: Carlos Martinez, Lee Crawford and Frank Brooks.

1962-63
Don Yarbrough, president; Herman Cupp, vice president; Dan Dixon, second vice president; Doyle Gentry, treasurer; Richard Fletcher, secretary, and Johnny Gay, director of inter-club relations. Other board members: Marlin Lufkin, Wendell Reed, and Frank Brooks.

CHARTER MEMBERS
Charter members of the re-activated Ranger Jaycee organization, in addition to the officers and directors listed above, included Mike Fisher, Hale Dunson, Dr. Luther R. Gohlke, Gerald Dugan, Willie Dean Hatton, Randall Hoover, Dr. S. J. Jones, James Lewis, Roger Martin, Pete Miller, Bennie Moseley, Dr. Theodore Nicksick, Jr., Oscar Oakley, Melvin Anderson, Melvin Slagle, Alonzo Stevens, Jack Umberson, Jerry Wilson, William Auvenshine, Fred Bennett, Dwaine Crawford, Donnie Chestnut, Johnny Roberson, Jurel Varner, Don Moorhead, Pat Collins and Thomas Fox.

PREDECESSOR GROUP
The present Jaycee organization is the second in the history of Ranger.

Jaycee-ism first blossomed into flower here in the mid-1940's, immediately following World War II.

Price Crawley and Howard Oliver were the first two top officers of the initial Jaycee organization. Crawley, now

TOP OFFICERS of Ranger's first Jaycee chapter—organized back in the mid-1940s—were PRICE CRAWLEY (above), now of Midland, who served as president, and HOWARD OLIVER, well known Rangerite, who was vice president of the organization for two years.

of Midland, later served as mayor of Ranger.

Oliver, still a Ranger resident, served as vice president under the tenure of the late James P. Morris.

Then—as now—Ranger's first Jaycees constituted an energetic, hard-working group. One citizen, as a matter of fact, then aptly described them as a perfect definition of "perpetual motion."

Their initial project was sponsorship and support of activities of the Ranger chapter of Future Farmers of America. For several years a bank account with a balance of at least \$300 was maintained to finance FFA projects.

This forerunning Jaycee organization—two decades ago—initiated the city's first rodeo and for several years successfully presented an annual arena event in the modern plant now again being used for the same purpose.

It was a professional RCA-approved show, however, and heavy expense was involved. Eventually, increasing production costs forced abandonment of the popular project and, as a result, the initial Jaycee organization eventually became dormant.

Jaycee Femmes Support Men of Ranger Chapter

There have been many contributing factors responsible for the phenomenal growth of Jaycees first and foremost—the Jaycee-Ettes.

It was on Sept. 24, 1963, at the National Guard Armory, that wives of Jaycees met with seven members of the neighboring Cisco club who assisted in organization of the Ranger organization.

Pro-tem officers soon secured a slate of officers and work began. With Mrs. Audrey Yarbrough as president, other charter members included Mmes. Betty Fletcher, Joy Gum, Loresta Veale, Nancy Bethany, Gwen Arnett, Jo Rippey, Ethel Crawford, Pat Gohlke, Bonnie Stewart, and Kathy Downing.

The third Tuesday in the month is the meeting day for this group. Like their husbands, they are alert for any opportunity to render community service.

Projects for the past year included assisting in the Jaycee drive for poll tax payments; assisting with March of Dimes; selling box lunches during the rodeo; mending toys for needy children, and decorating the Jaycee Christmas tree.

Mrs. Barbara Thackerston, current president, states that they face the new year in anticipation of many happy, busy, and profitable experiences.

Ranger Jaycees Sponsor Boy Scout Troop 88

Last April the Ranger Jaycees organized and chartered Boy Scout Troop No. 88. With a starting membership of eight, the unit has enjoyed a steady growth and today has an enrollment of 15.

Scoutmaster Duke Dixon and Assistants, Robert Cherry and Adra Fox are untiring in their efforts. They accompanied the group to camp last summer, conduct special meetings, and do many things to add interest to the regular 6 p.m. meetings held at the Scout Hut each Tuesday.

What profits derived from their pre-Christmas target shoot, Jaycees purchased much-needed scout equipment and with the help of city officials, will make extensive repairs on the hut in the near future.

Members of Troop 88 include: Greg Fox, Jimmie Mosley, Glen Cate, Randy Hughes, Steve McGough, Milton Kitchens, John Hart, Glen Arterburn, Donald McGov, Jimmy Cork and Randy Keller.

ON TO MORE PROGRESS, RANGER JAYCEES!

For three years we have been witness to the accomplishments and achievements of Ranger's dynamic Jaycee organization. And so, during "Ranger Jaycee Week," all of us here at ANDERSON CHEVROLET, consider it a genuine pleasure to join scores of other Ranger business firms and organizations in extending our congratulations and good wishes to this outstanding civic group. We are very proud of our own Jaycee, Doyle Gentry, manager of our parts department, a charter member and past president of this fine young men's organization . . . all the other 34 members of the Ranger chapter of the Jaycees, certainly one of the leading units in Lone Star Land!

Record Construction Budget Is Announced by Telephone Firm

A record expenditure of nearly \$182 million will be made by Southwestern Bell Telephone Company in Texas during 1966 on a largest construction program in its history, according to Steve Simmons, Manager of the company here.

The program will cost \$11 million more than the 1965 construction, Simmons said, which set the biggest expansion up to that time.

The money will go for new telephone buildings and additions and equipment to improve and extend telephone service, he stated.

As in past years, the huge economic budget will have an economic impact on nearly every community served by the company. Simmons pointed out that many Texas firms that sell supplies, services and materials to the company.

Southwestern Bell plans to complete 11 new telephone buildings and make additions to 33 more during the coming year. A number of other projects will be started. In 1965, there were 11 new buildings and 42 additions completed.

One of the major service improvements during the coming year will be making direct distance dialing available to more telephone users. This service will be brought to an additional 273,000 main telephones in the state in 1966, making a total of more than 1,600,000 from which long distance calls may be dialed direct. This is more than 69 per cent of the main telephones operated by the company in Texas.

The company will continue its schedule of placing more long distance cable underground and increasing its mileage of microwave radio relay circuits, both of which help to storm-proof telephone service, make it more dependable. Last year 273 route miles of long distance cable was buried, and 172 miles of microwave routes were added.

The biggest single project of the company, which will stretch over a 30-month period, will be to bring country-wide, toll-free calling to Dallas and Fort Worth. This will cost an estimated \$25 million. When finished, it will enable telephone users in each of these counties to dial any other telephone in the county without additional charge.

Texas telephone users will

211,548 deer are Shot in Season Ending Dec. 31

AUSTIN — The 1965 Texas big game hunting season just ended produced an estimated 211,548 deer and 12,852 wild turkey for sportsmen, according to preliminary figures based on field reports by Texas Parks and Wildlife Department personnel.

It was emphasized that the totals are not final and serve only to provide "an early estimate of the kill."

The official totals will not be available until the shooting preserve records are compiled later this year.

These are based on the approximately 9,000 reports made by land owners, land renters and others who operate hunting facilities throughout the state and who charge for hunting privileges.

Under the law, these records are required to be turned over to the department by May 1 each year.

The books, designed for itemizing harvest results, are meticulously kept by conservationists eager to cooperate under the state's game management program, said a Department spokesman.

The records not only cover deer, turkey, antelope, javelina, and exotic species but small game, such as doves and quail, and also waterfowl, primarily ducks and geese.

Wildlife biologists termed the tentative harvest totals "conservative," particularly as applied to deer.

Biologists and game wardens who cooperated in checking out the overall bag agreed the season was one of the best in modern times.

But management experts said the harvest made only a small dent in the enormous deer population, estimated to exceed 2,250,000 and added that only the most favorable weather and range conditions would avert a sizeable dieoff in some areas between now and next fall's shoot.

When finally abolished, the savings will amount to \$50 million annually in Texas.

There were several noteworthy achievements of the company during 1965. Telephones increased by about 204,000 during the year, compared to a gain of about 184,000 in 1964. The company ended the year with about 3,622,000 phones in service in Texas.

The number of local calls handled daily rose to 21.5 million, about one and a half mil-

lion a day more than in 1964. Long distance calls totaled 473,000 daily, an increase of about 45,000 a day over the previous year. Nearly 85 per cent of these calls were placed by using the area code.

Southwestern Bell is the largest employer in the state, outside the government, with more than 26,000 employees. Payroll totals \$153,700,000 annually.

RANGER JAYCEES Meet
at Paramount Hotel
Thursdays at 6:30 A. M.

THE JAYCEE OBJECTIVES:

To make the community a better place in which to live. Develop leadership among its own members. Give young men a voice in affairs of their community, state and nation.

WHO CAN JOIN JAYCEES?

All young men in the Eastland area between the ages of 21 and 35 are invited to join the Jaycees — This is your community — Your organization.

WHAT ABOUT DUES?

Jaycee dues are \$12.00 per year. Many firms are happy to pay these dues for their employees.

THE JAYCEE CREED:

We Believe:

That faith in God gives meaning and purpose to human life.
That the brotherhood of men transcends the sovereignty of nations.
That economic justice can best be won by free men through free enterprise.

That government should be of laws rather than of men.
That earth's great treasure lies in human personality.
And that service to humanity is the best work of life.

Jaycee Week Proclamation By the Mayor

WHEREAS, the Ranger Jaycees are one of our community's outstanding civic organizations, and
WHEREAS, their achievements and accomplishments during the past years have been exceptionally noteworthy and of inestimable value to the welfare and progress of our city, and
WHEREAS, the local chapter is an outstanding unit of the world's largest young men's civic organizations with a membership of 250,000 in 2,500 cities and communities, and
WHEREAS, the energetic spirit and dedicated service of our Jaycees is deserving of our public recognition and sincere appreciation.

NOW, THEREFORE, I, MORRIS L. NEWNHAM, Mayor of Ranger, do hereby proclaim the week of Monday, Jan. 17, through Sunday, Jan. 23, as

RANGER JAYCEE WEEK

and urge that the citizens of our community join in this tribute and pledge continued support to this progressive young men's organization.

Witness my hand this 15th day of January, 1966.

MORRIS L. NEWNHAM
Mayor, City of Ranger

THE NATIONAL JAYCEE STORY:

The world's largest young men's civic organization began because young Henry Giessenbier, in St. Louis, Mo. felt that young men should not have to wait until middle age to participate in civic affairs.

Giessenbier was struck by the thought young men should be organized for the purpose of performing civic service and developing leadership in themselves. He called a meeting of interested young men and 32 responded.

By 1916 the work of the new organization had attracted attention of many others. The Jaycees had promoted projects aimed at securing greater participation in government, a better relationship among agriculture, industry and labor, less juvenile delinquency and a host of other activities.

Word about their activities spread and inquiries began to pour in from all parts of the United States. In 1919 Giessenbier sent a call to all known groups asking them to St. Louis to form a national organization. Twenty-four cities responded and on January 21, 1920, the United States Jaycees came into existence.

The Jaycees have grown until the present membership exceeds 200,000 in 2,500 local clubs.

ELECTRIC CO-OP HAS MADE SECOND REFUND

The Comanche County Electric Cooperative recently made the second refund of Capital Credits to members and former members who received electric service during the years 1944, 1945 and 1946.

Manager W. J. Parks said, "We are very pleased to be able to make these refunds be-

cause this fulfills the Cooperative's obligation to truly furnish electric service at cost. It is necessary to retain the margins long enough to maintain a reasonable reserve fund against emergencies and to build a good member's equity in the Cooperative. The Cooperative now does have

these necessary funds and the Board of Directors and management are most happy that we can make these refunds." Each year the amount of money left over after all expenses of operation have been met is allocated to the members in proportion to their total bill. This money which is left over is not called a "profit" because it does not belong to the cooperative—it belongs to the members. For this reason, it is called the "margin" and is shown as be-

longing to the member in the ledger accounts of the Co-op. This year's refund of \$37,000 was mailed to the members in time for Christmas and gave an added boost to the economy of the entire area. There were over 3,000 individual checks and the amount represented 15 per cent of the total electric bills paid during the period 1944 through 1946.

Jerusalem was captured by the first Crusaders in 1099.

Sen. Creighton Will Be Speaker For Law Meeting

Eastland County Law Enforcement Association will hold its quarterly meeting, Monday, Feb. 14 at the White Elephant Restaurant, Eastland, with Senator Tom Creighton, guest speaker. Lewis Tiner, city manager,

Sen. Tower Will Be C-C Speaker

L. W. Brooks, Jr., Breckenridge Chamber of Commerce president has announced that plans are now complete for the organization's annual meeting and banquet. The program is scheduled for 6:30 p.m. Saturday, Jan. 22, at the National Guard Armory. "We are most fortunate to secure the services of Texas Junior Senator John G. Tower as principal speaker for this occasion, and we are planning a 'real community celebration' at the banquet," Brooks stated.

Tickets to the banquet are \$3.50, and some 500 have already been sold. A limited number are still available on a first-come-first-serve basis and may be ordered from the Breckenridge Chamber of Commerce.
