RJC TO PLAY 2 CAGE TILTS DURING WEEK

The Ranger Junior College Rangers, one of the hottest junior collegiate cage aggregations in the nation, wind up their regular season play next week with two final contests.

Tuesday night on the hardwoods of the RJC gym, the Ron Butler-coached roundballers will host Hardin-Simmons University in a non-conference clash.

Then Thursday night the Rangers journey 29 miles west to collide with the Cisco Junior College Wranglers in a conference contest which is due to draw a capacity crowd.

The Rangers lead the conference with 11 wins, no losses, and have a season record of 21 wins against two setbacks.

The Purple & Whites, barring an upset next week, are favorites to win Texas Junior College Athletic Conference basketball tournament to be held Thursday and Friday Feb. 24 and 25.

A meeting of coaches will be held at Temple next Sunday, Feb. 20, to plan the big playoff event and to determine the site for the two days of top cage action.

Coach Ronald Butler and his Ranger Junior College Rangers racked up two more wins this week in cage play to hike their season record at 21 wins against two losses.

The Purple & Whites downed Weatherford Junior College's Coyotes, 79-75 Thursday night and nailed Navarro Junior College, 84-73, Friday night.

The two triumphs put the RJC cagers conference record at 11 straight with no setbacks.

In Friday night's action on the hardwoods of the local gymnasium, the Ranger quint handled the visiting Bulldogs with ease and were out front all the way.

At halftime it was RJC 37, Navarro 33.

Dogs Lose Last Basketball Duel

The Ranger High Bulldogs were surprised by a hustling underdog Albany High school-boy basketball crew, 46-44, in a District 10-A contest unheralded in the RJC gymnasium Thursday night.

It was the final cage contest of the season for the Maroon & White charges of Coach Charlie Smith. The Bulldogs wound up their conference play with a record of eight wins against four losses.

Prior to the final week of 10-A play, the RHS cagers had been defeated only by the Albany freshman sharpshooter, Donnie Chambers,

Clyde High Bulldogs — twice. They were upset Tuesday night by Cross Plains prior to their Thursday night loss to Albany.

FREDDIE BENNETT, RECIPIENT OF HIGH SCOUTING AWARD, IS AN ACTIVE LEADER IN COMMUNITY

Freddie L. Bennett of Ranger, received the annual Silver Beaver Award presented by the Comanche Trail Council, Boy Scouts of America, at its recognition dinner in Brownwood on Saturday evening, February 12.

The award, the highest that may be presented by a local council of the Boy Scouts of America, is for "distinguished service to boyhood."

A crowd which broke all attendance records at the annual recognition dinner, heard Dr. T. C. Graves of Goldthwaite announce a special gift

to the council of five thousand dollars given by the H. T. Hunt Foundation of Dallas.

The purpose of the gift is to help provide needed additional staff personnel for the Comanche Trail Council; a need which was indicated by studies recently completed by the council's long range planning committee under Dr. Graves' leadership in accordance with Scouting policy, a matching amount will be raised locally.

Key goal of the long range plan is to increase Boy Scout membership in the eight-county area served by the Comanche Trail Council from

wood to four of every ten boys of Scouting age. This is almost double the present membership of just over two of every ten eligible boys belonging to the Scouts.

The immediate need to reach this boy membership goal was additional executive staff personnel; this goal can now be attainable with the Hunt Foundation gift and the matching funds.

Other features of the evening's program were an address by L. T. Potter, President of Lone Star Gas Co. of Dallas, and the presentation of the council's Silver Beaver Award "for distinguished service to boyhood."

SUBURBAN TELEPHONE SERVICE FOR RANGER INTO EFFECT FEB. 17

A new service which will make a significant improvement in telephone service for people living within a three-mile radius of Ranger will be introduced here Feb. 17, Steve Simmons, manager for Southwestern Bell Telephone Company, announced.

The new service, called Suburban Telephone Service, will mean there will never be more than four parties on any line within the three-mile area. At present, there can be up to eight parties on any rural telephone line.

"There will be a small increase in monthly rates to help offset the cost of providing this improved service," Simmons said. Residence service will increase from \$4 to \$4.85 per month.

Letters have been sent to all customers in the three-mile radius explaining the improved service, the manager added.

Customers outside the three-mile area can have the improved service by making special arrangements with the company's business office. A monthly mileage rate will apply for this service beyond the three-mile area.

CHAMBER COMMITTEE CHAIRMEN ARE NAMED

Appointment of chairmen of standing committees and transaction of routine business highlighted the regular monthly meeting of the officers and directors of the Ranger Chamber of Commerce held Tuesday night.

Pete Brashier, newly-inaugurated president, announced the following standing committees and their chairmen: Agriculture — Dr. John Foster and W. T. Eaton, co-chairmen.

Finance — Glyn Gilliam and C. B. Pruet, co-chairmen.

Federal and State Aid — Dewey C. Cox, Jr., Dr. Ted Nicksick and Joe Collins.

Membership — James Ratliff, Felton P. Brashier Sr., and Charles Arnett.

Merchants Activities — Harold Turnipseed and John Wylie.

Highways — Loe Cantrell, R. E. (Dick) Henderson and Morris Campbell.

"We have long been aware of the fact that eight party service does not adequately serve the telephone needs of our suburban customers. At the same time, we have known that good business practices make it impossible to extend enough plant into all thinly populated areas to make a substantial reduction in the number of telephone customers served on one line. The new Suburban Service plan seems a practical beginning to the solution of this problem," Simmons said.

Down Town Beautification Project — W. H. (Bill) Marslender and Bill Collings.

Present for the Thursday night meeting were Brashier, Ratliff, Eaton, Marslender, Nicksick, Arnett, Collings, Collins, Wylie, Turnipseed, Gilliam, Campbell, and Gary Beauchamp, a visitor from the Ranger Jaycees.

Bills for January were gone over and explanation made where necessary and a motion passed to pay the listed bills.

Supt. Clark reported that the school bus now in Sweetwater for repairs made necessary when it overturned last month will be ready to be picked up next week probably and that delivery of a new school bus chassis for Dan Mitchell's bus would not be delivered before April probably.

The next meeting of the board will probably be a supper meeting catered by the Homemaking girls of Mrs. A. B. Halbert and wives of the members will be invited. Date will probably be March 15, date to School Week at the time of the regular meeting.

When you get your Feb. 15th paycheck, be sure to save money for tickets for the High School Senior play "Curtains Going Up", to be presented in the High School auditorium Feb. 18. Curtains going up at 7:30 p.m.

Out of the Bowling Bag

By RALPH SETLER
TOO OLD TO BOWL?
Not likely — judging by recent visitors to the Fiesta Bowl. A vacationing couple from Missouri — he 75 and she 74 years YOUNG — brought in their balls and had a wonderful time on our lanes. They bowl all over the country, he told us, and were very kind with compliments about our facilities.

ROLLING UP an unusually high total this past week was J. C. Holloway of Eastland, in the Thursday Night League, who totaled 238 pins scratch, when added to his handicap of 50, came up to a handsome 288. Gail Whitley followed with a 229 scratch, plus 41, for a 270 total. J. D. Johnson had 263 in the play.

In The Monday Night Men's League, Leo Gann, bowling with Montgomery Ward of Ranger, almost had another 600 — James E. Wright, bowling with Texas Electric Service Co. had an all-spare game of 181. There should be an award patch for this, but there isn't at present. Gene Woods won a patch for three games alike, that's right, three of a kind, each of 167.

OUR REGULAR Tuesday morning Housewives Party — from 9 to 11:30 each Tuesday is a big favorite. This week approximately 25 women were out having a good time. More expected this coming Tuesday. Our prizes were a stereo album from the World of Music and a Teflon cake pan from Perry's, won by Hanna Cantrell of Eastland.

A NEW HIGH series was set by Lou Dell Bryan in the Wednesday Night Ladies League, from a 536 to a 550.

RANGER JR. COLLEGE has awarded trophies for their first semester League play on Wednesday nights. First-place team trophy went to Carl Fricke, Ken Dickenson, Jodie Offield and Bob Malloy. Second place went to Kenneth Wood, Gloria McAnally, Ronald Kuykendall and Willie Barnes. High game trophy to Ken Dickerson for a 220 and high series was earned by Billy Matthews with a 564.

Scores for the Ladies Wednesday night Bowling League were reported by Sandra Holloway, secretary, as follows:

JOIN THE ORGANIZED FARMERS IN THE FARM BUREAU

The week of Feb. 7-12 was designated "Farm Bureau Membership Week" in Texas by Governor John Connally and in Eastland County by County Judge Scott Bailey.

During this period, volunteer membership workers in Eastland County joined thousands of fellow workers in a state-wide campaign to enroll 100,000 farm and ranch families in Farm Bureau in Texas.

Join Farm Bureau and help give agriculture a stronger "voice" in the affairs of our county, state and nation.

Farm Bureau is an independent organization of 622 farm and ranch families in Eastland County — financed by their voluntary dues and controlled by them to represent their interest in local, state and national affairs.

Eastland County Farm Bureau is affiliated with the Texas Farm Bureau (95,204 members), which, in turn, is affiliated with the American Farm Bureau Federation (1,677,820 members).

Kick-off supper for the Eastland County Farm Bureau membership drive will begin at 7 p. m., Feb. 14, at the White Elephant Restaurant in Eastland. Wayne L. Little, director of the Texas Farm Bureau organization, will be guest speaker.

HERE'S HOW FARM BUREAU WORKS FOR AGRICULTURE..

LEGISLATION

Today only the strongly organized are heeded! As the largest general farm organization in the nation, the Farm Bureau has represented agriculture in the Nation's Capital for over 45 years. The Texas Farm Bureau is the only general farm organization in Texas with a full-time representation in Austin when the Legislature is in session.

MARKETING

Farm Bureau works for farmers and ranchers through assistance in contract bargaining, developing markets at home and abroad, and hay-testing and marketing service. In cooperation with the Farm Bureau Trade Corp. office in Rotterdam, the Texas Farm Bureau promotes new markets in Europe for Texas farm produce.

LOCAL ACTIVITIES

Farm Bureau works for betterment of rural life through — sponsorship of youth activities, social events for the entire family, crop and livestock improvement programs, animal health projects and safety demonstrations. Other activities include citizenship and educational programs.

FAMILY SERVICES

There are many available to farm and ranch families through membership in Farm Bureau. These include complete insurance protection, pre-paid medical care, tire program, and such local services as income tax and gas tax refund, predator control projects and fire extinguishers.
