WANTED -10 HOMES THAT ARE IN NEED OF PAINTING

RANGER-Home Owners in

this general area will be given an opportunity of having the new B. F. Goodrich Geon exterior wall paneling applied to their homes at a very low cost. It will be of special interest to home owners who are fed up with constant painting and other maintenance cost. This new space age material, developed by B. F. Goodrich after 20 years of testing and research, is especially recommended for use in Texas climate and is now being introduced to the public. It carried a Lifetime guarantee in writing and provides excellent insulation both summer and winter, thereby lowering the cost of air con-ditioning and heating. It is not subject to damage by hail or other elements by the weather. The new product can be used over every type of home, including frame, asbes-tos, stucco, brick, etc. Home owners who act now will save substantially over those who delay to take advantage of this offer. Please white to Mr. Battles, 1250 Buttern ut. Abilene, Texas. An appointment will be made to see your home without any obli-gation. All types of financing are available. Please act at

WE BELIEVE IN THE FUTURE OF FARMING Aims and Purposes

The primary aim of the Future Farmers of America is the development of Agricultural leadership Cooperation and Citizenship. The specific Purposes for which this organization was formed are as follows:

1. To develope competent aggressive, rural and agricultural leadership. 2. To create and mature a love of country life. 3. To strengthen the confidence of farm boys and young men in themselves and their work. 4. To create more interest in the Intelligent choice of farming programs and establishments in farming. 6. To encourage members to improve the farm home and its surroundings. 7. To participate in worthy undertakings for the improvement of agriculture. 8. To develope character, train for us eful citizenship, and foster patriotism. 9. To participate in cooperative effort, 10. To encourage and practice thrift. 11. To encourage improvement in scholarship. 12. To provide and encourage the development of organized farming.
