Montgomery Ward of Ran-ger is expanding its facilities

to include an automotive ser-

from Harold Turnipseed, who,

authorities in Kansas City last

Monday evening, received the final "go ahead" for which

negotiations have been in pro-

gress for several weeks, as announced during the recent

Chamber of Commerce ban-

cated in the building formerly occupied by the Mission Ga-

rage adjacent to the store. A

long-term lease has been se

cured and a mechanic will be employed. Workmen are now

in process of renovating the building.

Service of the department will include installation of

brake shoes, mufflers, shock absorbers, tail pipes, and light

nechanics. The broadened in-

entory of automotive parts

will also include installation of seat covers.

the opening of its Ranger store in November, 1928. In

these years, it has become a

#### KEEP THE FLAG FLYING

One of the main objectives of the Charles Crawford Chapter, Daughters of the American Revolution, is to help make everyone Flag conscious; to encourage a strong patriotic feeling and respect for the Flag of the United States of America.

The principal objectives are to keep the Flag flying, protect it continuously under all conditions, to insure the correct use and display of the Flag, and to educate children and adults in the authorized rules of the Flag Code adopted by the Congress of the United States, Public Law 829, 77th Congress, approved Dec. 22, 1942. By an official decision of the national society, the DAR Flag usage follows the rules set forth in the Flag Code, which is published by the Society with illustrations in

In support of its objective regarding the Flag, various activities are undertaken by local chapters of the DAR Society to help make Americans more Flag-conscious, which include: distribution of Flag Codes to thousands of school children each year; the presentation of flags to new citizens at naturalization courts and schools and youth organizations and similar groups.

There are more than 20 holidays on which Old Glory should be flown. It is a grand tradition of raising Our American Flag on these special days; a heritage that should be passed on from year to year and from generation to generation.

Let's all join in on the Flag crucade. Fly your Flag on June 14th - National Flag Day - and on July 4th.
