NEWS * NOTES * BRIEFS

TOP PERFORMANCE is a nutshell description of the play presented by Ranger's High School Seniors on Friday evening. The community is indebted to this fine troupe for more laughs per minute than they had experienced in many moons. On behalf of the class, Richard Boone presented the sponsors, Mrs. L. H. Hagaman, Mrs. Keith McDonald and Sam Burnes with gifts. He also expressed appreciation to all who contributed to the success of the program, especially to Montgomery Ward and Co. for furniture for the stage setting and to Ranger Times for publicity.

NEW RESIDENTS - Mr. and Mrs. B. D. Moore and daughter, Dana, are at home, 701 6th St. They moved to Ranger from Andrews last week. Mr. Moore is employed with the Magnolia Petroleum Co.

SWEET TOOTH satisfaction can still be found in candy on sale by members of Ranger Bulldog Band. High quality confection at a modest price, plus the opportunity to contribute to the purchase of new uniforms for the band.

RAINFALL MEASURING 75 inches brought smiles to the faces of Ranger farmers, ranchers and gardeners on Sunday night and Monday morning. Our reporter, D.C. Cox, Sr. joins in hoping for more of the same in the near future.

ROSS HODGES has been nominated as postmaster of Ranger, according to an announcement from Washington Tuesday. He was nominated by President Lyndon Johnson for the permanent position. Mr. Hodges had been acting postmaster since the retirement of Max Ohr several months ago.

REVIVAL CONTINUES Revival services now in progress at the Church of God of Prophecy and will continue through Sunday, Feb. 26, according to announcement of the pastor, Rev. H. M. Tomlinson. Services are held nightly with evangelist W. A. Newcome bringing the messages. The public is cordially invited to attend any or all services.

Mrs. L. D. Smith of Wichita Falls is visiting in the home of her daughter, Mrs. Charles Arnett and family.

Mrs. Verna O'Shields is a patient in Eastland Memorial Hospital.

Mrs. John Tibbels was in Dallas Sunday and Monday to attend the gift show and purchase merchandise for her customers.

Mr. and Mrs. Charles Smith and family were guests of his parents, Mr. and Mrs. Archie Smith in Duncan, Okla., last weekend.

Recent guests in the home of Mr. and Mrs. T. R. Bankhead were her mother, Mrs. Jim Bond and her brother and sister-in-law, Mr. and Mrs. Gene Bond of Gatesville.

BREAD of Life

Unto the Son he saith, Thy throne, O God, is forever and ever. — Hebrews 1:8.

His the fight, the arduous toil, His the honor of the day, His the glory and the spoil, Jesus bears them all away.

Daylight Savings Time Yes . . . or No . . . ?

To go or not to go - on Daylight Saving Time! That is the question facing Texas lawmakers as a result of the Uniform Time Act of 1966. The act requires all states, except those which exempt themselves by specific legislation, to observe daylight saving time from the last Sunday in April to the last Sunday of October. Daylight time is so called because it gives an additional hour of daylight in the evening. It was used throughout the country during World War II, but only about 20 states now observe it. Since it seems to be a controversial issue at this time, we asked six busy Ranger citizens how they felt about the matter, and we are happy to share with our readers some of the answers.

From her office at 106 N. Austin, Mrs. Ruby Springer said: "I fail to see that daylight saving would serve a useful purpose in this section of the country. I've always found time to do my yard work. Of course, I live by the clock and shall continue to do so, whatever the decision."

Over at Ranger Auto Parts, Gason Dixon made this observation: "I liked it when we had it before and, personally, I think it would be nice to begin the day an hour earlier and get through the same way."

Herbert Rapp, owner of the Ranger Drive-In Theater said: "I hope the schedule is not changed. 9:00 p. m. is far too late for Ranger folk to go to a movie. Things are fine the way time now stands."

Mrs. Paul Riffle, housewife and mother says "I just work. I don't believe a change would make any difference in my daily schedule."

Over at Gholson Coffee Shop, owner Ralph Lockwood paused in food preparation to say "I am against a change in time. I've worked in daylight saving in several states including California and Wisconsin and found it far less satisfactory than our present schedule."

Gary Webb, 211 Pine St., student at Cisco Junior College and employee of Killingsworth Funeral Home expressed this opinion: "It seems to me that the present time is preferable. It affords more time for those extra chores one must do before going to work."

Senator Joe Christie, sponsor of the Senate bill to keep Texas under Standard time states that several neighboring states are waiting to see what Texas will do.

Mr. and Mrs. David B. Allsup were hosts to the faculty and personnel of Ranger Junior College in their home from 3 to 5 p. m. on Tuesday, Feb. 14.

The occasion honored Robert McReynolds, RJC biology teacher and Mrs. McReynolds who were married on Jan. 28 in Lubbock.

An attractive valentine motif was used in decorations and table setting. A white drawn work cloth covered the refreshment table where RJC students Misses Patti Mitzner presided at the silver tea and coffee service and Nancy Bess served white cake squares. Those in attendance were James McDonald, Mr. and Mrs. Ernie Haby, Mr. and Mrs. R. B. Golemon, Mr. and Mrs. A. B. Halbert, Mr. and Mrs. Doyle Williams; Mmes. Dalton Covington, Nolan Butler, James P. Morris, P. M. Kuykendall, E. W. Mince, Leonard Marusak, Ray Nealey, Annie Harper, Jay Neihany, Jack Allen, Marjorie ThePerge; Misses Sanya Sullivan and Nancy Coody; the honorees, Mr. and Mrs. McReynolds and host and hostess, Mr. and Mrs. Allsup.

RJC Enters First Track And Field Meet

The 1967 Ranger Junior College track team will begin their track season Saturday, Feb. 25, at the Southwest Recreation Track Meet in Fort Worth. Although they are few in number, the Rangers expect to place high in their first meet. Leading the Ranger runners will be miler Jesse Cavazos, quarter-miler Buddy Shepard, half-miler Ronnie Steadman, and hurdlers Joe Merrill and Don Kelly. Participating in the field events will be pole vaulter Herb Shannon, high jumper Eully Hughes, shot-putters, James Gilbert and Bobby Kendrick, and discus thrower Charles Vaughn.

The only returning letterman is sophomore Ronnie Steadman. Head track coach Jack Duvall has planned six meets for his team. After the Southwest Recreation Meet, the Rangers will begin preparing for their first home meet, the Featherlite Relays.

Davis and McGee Are Named Frosh Who's Who

The Ranger Junior College faculty chose Linda Davis and Johnny McGee for freshman Who's Who on Feb. 7.

Linda Davis, 19, is the daughter of Mr. and Mrs. M. A. Davis, 2402 Walnut Street, Abilene. She is a May 1965 graduate of Weinert High School where she participated in the Future Homemakers of America Club, basketball, track, and volleyball. In addition to serving as class officer, she was Senior Favorite, Most Beautiful Girl, Most Likely to Succeed, Most Popular, and Best All Around Girl. At Ranger Junior College she is a member of the Range Anns basketball team, Phi Theta Kappa, and is the secretary of the freshman class. She was also a Homecoming Duchess and was voted Most Beautiful Girl. Her major is business education and minor is elementary education.

Johnny McGee, 18, is the son of Mr. and Mrs. M. E. McGee of 531 Pine Street, Ranger, Texas. He is a May, 1966 graduate of Ranger H School, where he was president of the Beta Club, president of his freshman class, and held offices in the Drama Club and Future Teachers of America. In addition to these honors, he was chosen a captain of the football and basketball teams, recipient of the DAR History Award, Salutatorian of his class, and Recipient of the Bulldog Hall of Fame Award. At Ranger Junior College he is a member of Phi Theta Kappa and the college baseball team. His major is pharmacy, and his minor is education. He plans to attend the University of Texas at Southwestern after finishing at Ranger Junior College.

Mr. and Miss RJC Named For 66-67

Sue Dickerson of Trent and Lester Humbles of Pollock, La., were elected Mr. and Miss Ranger Junior College for the 1966-67 school year.

Sue, the daughter of Mr. and Mrs. Odell Dickerson, attended Trent High School, where he was Best All Around Football Sweetheart, Halloween Queen, and cheerleader. At Ranger Junior College she has been cheerleader for two years, 1965 Basketball Sweetheart, and 1966-67 Football Sweetheart. She is majoring in English and plans to teach in high school.

Lodge Birthday Supper Monday

A large group enjoyed the monthly birthday supper prepared and served by Ranger Royal Neighbors at 6 p. m. on Monday, Feb. 20.

Following the meal, 15 members attended the regular lodge meeting. During the business session, a former member, Virginia Dawson was re-instated.

Date for the next meeting will be Monday, March 6.

Cisco To Host Baptist Rally

First Baptist Church, Cisco, will host the monthly Baptist Association Meeting on Monday, Feb. 27.

Highway Patrol Investigates 3 Mishaps Sunday

Highway patrolmen investigated three accidents Sunday afternoon.

At 4:45 p. m., a truck driven by Troy Clyde Robbins of Fort Worth jack-knifed across Highway 80 about two miles west of Eastland.

A 1966 Dodge driven by B. W. Boyce of Mississippi and a 1967 Chevrolet driven by Lloyd D. Miller of Sweetwater were in an accident about two miles east of Ranger on Highway 80 at 5:05 p. m. Investigating officer Bob Rivers reported that Miller was taken to Ranger General Hospital.

At 5:45 p. m., a 1964 Corvett driven by Ronnie Joe Coleman of Denison went out of control 2.3 miles south of Cisco on Highway 183. Ken Perry investigated and reported there were no injuries.

A Thursday morning accident half a mile west of Cisco on Highway 80 involved a 1967 Buick driven by Steve E. Golub of Dallas and a 1965 Ford driven by S. H. Burdett of Fort Worth. Patrolman Jack Therwanger reported that Mrs. Mona Burdett, a passenger in the Ford, was taken to Graham Hospital in Cisco. She was released after emergency treatment.

Friday morning, a 1966 Ford pickup driven by Garland M. Hargus of Ranger and a 1962 Ford pickup driven by Winfred C. Coburn of Eastland collided a mile south of Eastland on Highway 6. No injuries were reported.

Youth Banquet Carries Out European Theme

A brief but fascinating "Holiday in Rome" was enjoyed by youth of First Baptist Church during the Sweetheart Banquet on Tuesday evening.

Murals of points of interest in Europe adorned the walls of the dining hall. White gandelas holding pink and red flowers decorated long tables, covered with white cloths and lighted by pink candles.

Following the invocation by Rev. Avery Sullivan, guests dined on fine American food bearing such exotic names as Pompeian lava, Adriatic seaweed, Venetian tiles, Juno's love apples and nectar of the gods.

Guide for the imaginary itinerary was Jerry Watson. Counsel for the day was by Rev. Aaron Backus of Arlington. An amusing skit "An American in Rome" was presented by Miss Kay Aishman.

It was a most enjoyable evening for a large group of local youth.

Rangers Play In TJCAC Tournament At Brenham

The Ranger Junior College basketball team will participate in the Texas Junior College Athletic Conference Tournament to be held in Brenham, Thursday and Friday nights, Feb. 23-24.

The Rangers' first opponent will be Wharton Junior College, Thursday night. Wharton handed Ranger two defeats last year, one in a tournament at Temple and another at the conference tournament in Temple later in the year.

If the Rangers beat Wharton, they play the winner of the San Jacinto - Temple game. San Jacinto is currently the number two ranked team in the nation. They handed Ranger a defeat last year at the conference tournament, so the Rangers will be gunning for them, too.

Temple has fallen twice to Ranger this year, 104-102 in overtime and 108-96. If Ranger and Temple meet, it should prove to be a good ball game.

Ranger and Temple represent the North Zone, and San Jacinto and Wharton represent the South Zone of the Conference. The sports writers are picking Ranger and San Jacinto to win the first round of play since San Jacinto is rated second and Ranger fourth in the nation. The Rangers will go into the playoff with a 22-2 record.

RECEIVES PRESS HONOR - Sergeant Major of the Army, William O. Woodriddle of Brownwood, Texas, was honored by Texas Press Association with its 1967 "Distinguished Service Award" at the Association's Winter Meeting in San Antonio. Woodriddle, shown here with the copper, engraved plaque, presented by TPA, is the Army's Number One enlisted man and the first ever to hold the title of Sergeant Major of the Army, a position created in July, 1966. In making the plaque presentation, TPA Pres. Jim Barnhill, publisher of the Hillsboro Daily Mirror, said "We are most proud to pay tribute to the Sergeant Major for the tremendous service he has rendered our nation and for the fame he has brought to Texas."

Senior Citizens Invited To Have Forms Checked

Older people in the Abilene district are invited to have their medicare claims checked at the Abilene social security office before mailing.

Tuley believes that most people will need this help only the first time they make a medical insurance claim.

The Medicare Handbook, given to all beneficiaries, shows how to make claims.

Under the other method, the patient pays the bill and then sends the completed request for payment form to the medicare carrier.

Bride-Elect Is Shower Honoree

Pre-nuptial compliment to Miss Zuella Carville, bride-elect of Paul Dan Mewbourn, was a miscellaneous shower held in the home of Mrs. D. E. Pulley on Saturday evening, Feb. 18.

Guests were greeted by Mrs. Pulley, the honoree and mothers of the betrothed couple. Mrs. R. C. Carville, grandmother of the honoree, registered guests.

The refreshment table was laid with an ecru lace cloth. An antique silver compote held an arrangement of baby mums in the bride-elect's chosen colors of white and yellow, flanked by yellow tapers in silver holders.

Appointments were silver. Miss Kay Aishman presided at the coffee service and Miss Della Camacho served white cake squares decorated with yellow confection flowers, salted nuts and mints.

Mrs. Dan Mitchell assisted at the table. The honoree was attired in a yellow two-piece suit worn with black patent shoes and corsage of white baby mums.

Presiding over the large and attractive gift display were co-hostesses Mrs. Linda Forney, Annie Lee Hughes, Joe Camacho, A. H. Powell, Ruby Springer and Jean Hart.

CAPITOL COMMENT

by State Rep. Burke Musgrove

There is no single training ground for a new member of the Legislature... and there is no daily guidebook to follow.

During the session a legislator's job is around the clock—usually beginning with a scheduled breakfast meeting at 7 a. m. and closing with delegation coffees at midnight.

Such an operation requires a highly organized staff, you might think, but each legislator is given by the House Administration Committee one secretary of the member's choosing.

HEART FUND DRIVE STARTED IN COUNTY; MAIL DONATIONS

The 1967 Eastland County Heart Fund will be dedicated to the memory of county residents who lost the battle with cardiovascular disease during a recent 12 month period, it was announced today by Mrs. W. L. Bourdeau, County Heart Association.

She stated that overworked volunteers are NOT being asked to knock on doors or to solicit donations, but that letters are being mailed to county residents today urging consideration to this all important cause.

Mrs. Bourdeau pointed out that the purpose of the Heart Association is to reduce death and disability due to cardiovascular disease through scientific medical research, public health education, professional education, and community service.

Although a campaign for funds is held only once annually, (always during the month of February — National Heart Month) Memorial Gifts may be made at any time during the year by mailing them to Mrs. Bourdeau at the Eastland National Bank, Eastland.

Cisco Baptist Ass'n. Meeting Set for Monday

Cisco Baptist Association will have its regular monthly meeting Monday, Feb. 27, in the First Baptist Church in Cisco, according to Rev. Jesse Castle, host pastor.

Executive and Women's Missionary Union meetings will be held at 5:30 p. m., and supper will be served at 6:15 p. m. Preparing the meal is the Cisco WMU, with Mrs. Truly Carter, president, handling the details.

Members will assemble at 7 p. m. for the program which will emphasize the "How, Where and When of Sunday School Work." The featured speaker will be Bob E. Shovel, minister of education at Pioneer Drive Baptist Church in Abilene.

Approximately 150 members from the 36 churches which make up the association are expected to attend the conference.

LACASA NEWS

Attendance at New Hope Baptist Church was low Sunday due to illness of the members and some visitation here were nineteen at Prayer services Thursday night. The pastor, Rev. Doyle Combs brought a very timely Bible study on the second chapter of Psalms, stressing the thought that in these times of war, political strife, and crime the Ruler of the universe is still on his throne, with full control of the affairs of the world and will answer prayers.

Mrs. and Mrs. Robert Bradford brought her father, Martin Stuard, home from the Sunday morning. He was feeling some better.

Mrs. J. C. Bradford has been ill for several days with an infection from a burn on her leg. She may have to be hospitalized.

Mr. and Mrs. Jerry Bradford and son of Temple visited his parents, Mr. and Mrs. J. C. Bradford this week.

Mr. and Mrs. G. V. McGowan visited her sister, Mrs. Fay Boone at Mingus Sunday.

Mrs. Mary Herrington and Mr. and Mrs. Zelma Herrington visited Mrs. J. B. Herrington and other relatives at Woodson, Sunday.

Mrs. Jack Pockrus and her son, Mr. and Mrs. Hubert Pockrus visited her brother, Mr. and Mrs. Riley Eudy at Coleman Sunday. The Eudys are celebrating a wedding anniversary Wednesday.

Texas Scottish Rite Centennial of Texas signing of the Governor's Proclamation in Austin. Left to right: William S. Healy, Jr., State Senator; R. Lee Lockwood, Sovereign Grand Inspector General in Texas; Bruce K. Jackson, Chairman of the Centennial Committee and seated is Governor John B. Connally.

Desdemona News

Only a trace of rain was recorded here during the past weekend.

A visiting preacher, Rev. Robert Jeffery, of Fort Worth, filled the pulpit at the Baptist Church Sunday for both services. Mrs. Jeffery and their children were with him and they had lunch with the Ed Crumbleys and visited others in the community.

This community extends sympathy to the family of Mr. Albert Johnston upon the loss of a sister, Mrs. Agnes Walker, who passed away at Kerrville, Sunday at 3 p.m. Those from here who attended were Mrs. Evah Williams, Merlene Wisdom, Evah Sparkman, Lucille Davis; Mr. and Mrs. C. E. Ragland, Myrtle Morris, Mary Harrell, Ethel Keith, Rev. and Mrs. Nelson Shipman.

Mrs. Lena Rogers of Big Spring is here visiting her sister, Mrs. Emma Quinn.

Mr. and Mrs. Roy Jack Burleson and children of Athens visited his parents, Mr. and Mrs. Leroy Burleson last week.

Visiting with the Anse Browns last Thursday afternoon were Mrs. LaNell McLeod, Vernie Anderson of Harlingen, Mrs. E. J. Huckabee of Stephenville, and Mr. and Mrs. O. C. Vinson of Floydada.

Mr. and Mrs. H. T. Lane returned home Sunday from Granite Shoals where they had spent the past several days.

Mrs. Buma Abernathy returned home Sunday from Fort Worth where she had spent several days visiting her daughter, Mrs. Evah Alread.

Attending the DeLeon singing Sunday afternoon from here were Mr. and Mrs. Earl Lane, Mrs. Dora Williams, Myrtle Reid, Ethel Keith, and Lena Abel.

Mr. and Mrs. Fred Lamb and daughter of Fort Worth, Mrs. Paul Free and son, Scott of Odessa were recent guests in the home of Mr. and Mrs. W. A. Calvert.

March of Dimes Patient Cheats Death To Develop Into Pint-Sized Tarzan

"The hospital suggested that I sign the autopsy permit ahead of time because my son had practically no chance to live."

In these words, Rosalind Bessell, Natick, Mass., recalls the ordeal that she and her husband, Henry, lived through four years ago when their newborn, premature baby lay wasting away in an incubator with death coming ever closer.

Mrs. Bessell's story is borne out by the records at Boston City Hospital to which the infant was hurried soon after his birth with a severe intestinal obstruction. But an air of unreality surrounds her grim recital because, as this attractive young teacher recalls the days and nights when her baby hovered at death's door, she points out the window at home where this same boy—seemingly healthy as a young Tarzan—is now swinging from a low branch of a towering maple tree, grinning and yelling, "Look, Ma!"

"Today, as I think back," she says, "I often believe that none of this happened at all, that it was just a frightful nightmare, that I was never told my baby was dying, and that my brother, a rabbi, hadn't really raced down here from Utica to conduct the funeral service."

There is no air of unreality, however, about the records at Boston City Hospital where young Mark received treatment at the March of Dimes Birth Defects Center and to which he regularly returns for check-ups.

Mark, a second child, was premature by six weeks and weighed only 4 lbs., 10 ounces at birth. Doctors soon estab-

lished that he had a gross obstruction between the small and large intestine. In the next four months, five operations were performed to remove the block and to repair a perforation in the small intestine. Most of this period the infant was fed intravenously. His weight dropped to 2½ pounds. The doctors feared he might die at any hour.

The suggestion was even made that Mrs. Bessell sign an autopsy permit in advance because it appeared the full force of the 1961 hurricane would soon slam into Boston making it impossible for the family to reach the hospital from their home 18 miles away.

"I wouldn't go along with the suggestion about the autopsy permit, although it was meant well under the circumstances. Also, I could not bring myself to fill in and return the birth certificate to the proper authorities although I had been warned that I was breaking the law in holding it back."

"The only way I can explain my hesitancy about signing the birth certificate and the autopsy permit," she continued, "is that, during much of those four months when I seemed to be living on a seesaw or on a pogo stick, up and

ONCE AT DEATH'S DOOR because of severe birth defect, Mark Bessell, Natick, Mass., survived five operations in his first four months of life to grow into the normal tree-climbing four-year-old shown here.

down all the while, I could not convince myself that a 2½ lb. infant, lying inert in an incubator, was a real living baby. Also, I had been told so often not to expect him to live."

At the March of Dimes Birth Defects Center at Boston City Hospital, Dr. David Ingall, the medical director, says of Mark's recovery:

"You're simply compelled to regard this as a miracle—a medical miracle, a miracle of faith, a spiritual miracle."

Safeway Stores Sales Up 14 Per Cent in '66

Safeway Stores, Incorporated, today announced preliminary, unaudited 1966 net income totaled \$59,747,957 which amounted to \$2.35 per common share. For the 52-week fiscal year 1965 net income was \$46,184,568.

Safeway's earnings amounted to 70 cents per share for the final 16-week period of 1966, as compared to 68 cents for the comparable period of 1965.

For the 52-weeks of 1966, Safeway's consolidated sales totaled \$3,345,186,868 — the highest in the company's history — 14 per cent ahead of 1965's 52-week sales of \$2,939,043,421.

Bill Wofford is manager of the Eastland Store.

Taxes on 1966 income will amount to \$58,045,000, according to the company's preliminary estimate. After this provision, 1966 consolidated

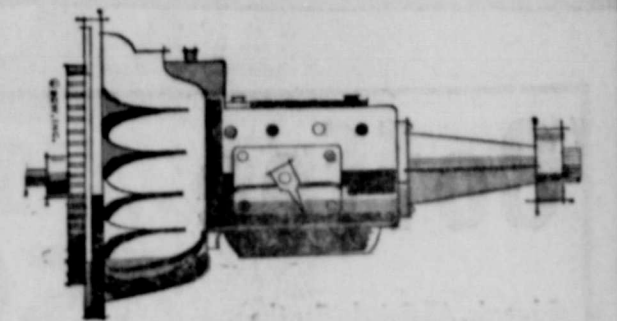

earnings available for common shares amounted to \$59,747,957 or \$2.35 per share of common stock based on an average of 25,401,733 shares outstanding during the year. The average number of common shares outstanding during 1965 was 25,371,973.

There were 2,173 stores in operation at the close of 1966, as compared to 2,128 at the end of 1965.

Mrs. Dorothy Anderson and children were weekend guests of relatives in Monahans.

R. D. Simpson, Supt. of Medina Children's Home, was an over night guest in the home of Mr. and Mrs. O. G. Lanier Monday.

Questions and Answers about All Number Calling coming to Ranger in March

Q. What is All Number Calling?

A. It's the modern telephone numbering system that is being adopted across the nation, changing telephone numbers from two letters and five numerals to seven numerals.

Q. Will I actually dial most numbers as I always have?

A. Yes. There will be basically no change in the way you dial. The two letters of the exchange name will simply be changed to numerals.

Q. When will All Number Calling start in Ranger?

A. When the new Ranger telephone directory is delivered, about March 21. The present prefix of "MI 7" will be changed to "647" — actually the same in dialing. The last four digits of each number will remain the same.

Q. Are other cities making this change?

A. Yes, on a gradual basis. About three-fourths of the nation's telephones now have all-numeral numbers.

Q. It is really easier and faster to dial numbers only?

A. People who have been using All Number Calling have found it is definitely easier and faster to dial numbers only, because they no longer have to search for letters on the dial.

Q. Are there any other advantages?

A. Definitely. All Number Calling ends confusion between the letter "I" and the number one; and the letter "O" and zero. Nor will there be any more misunderstanding or misspelling of the exchange names.

Pecan Growers Plan Study Of Di-Syston At Feb. 24 Meeting

Uses of Di-Syston, the new systemic insecticide for control of honey dew producing aphids, will be discussed at a meeting of pecan growers in the agricultural building at Rising Star next Friday night, Feb. 24, at 7:30 p. m., it was announced today.

A representative of a large chemical company operating in this area will be on hand to discuss both the uses and the precautions about the material.

Pecan growers in the entire area are being invited to attend the meeting. The agricultural building is directly across the street from the high school. The meeting is being sponsored by the county pecan growers, a local feed company and the Extension Service said De Gordon, Eastland County Agricultural Agent.

The Di-Syston is applied to the soil where it enters the sap stream of the tree through the roots. The yellow aphid that sucks plant nutrients from the leaves and gives off honey dew as body waste are eliminated through the use of the material. It was recently approved for use by the Food and Drug Administration.

The material is readily absorbed through the skin and every precaution should be used in handling it, the County Agent said. It is toxic to man and animals if enough is absorbed.

Demonstrations on its use have been held in the county for the past several years by pecan growers and it has proven highly successful former county agent J. M. Cooper said.

Countians Attend Tuberculosis Meet in Austin

Leon Musgrove, administrator of Eastland Memorial Hospital and Dr. R. C. Ferguson attended a meeting of Texas Tuberculosis Association in Fort Worth Saturday.

Dr. Daniel E. Jenkins of Austin, president of TTA, presided during the general conference. Mrs. Pauline K. Matthis of Austin, executive director of TTA, presented the area development concept and Dr. John Selby of Lubbock, TTA's president-elect, listed advantages of the area program.

The organizational procedure was outlined by Dr. Jenkins, who named steps to be accomplished, confirmed April 1, 1967, as the target date for completion of Area 3, and formally appointed the steering committee.

Members of the steering committee were elected in county meetings held in January, with each county having one delegate. This committee was charged with the responsibility of recommending dates for consolidation of records, properly and funds, appointment of sub-committees and dates for subsequent meetings. The steering committee will serve only until organization of the area is complete and directors are elected.

Leon Musgrove, Eastland County's delegate, met with the steering committee following the general conference. Fort Worth was selected as site of the Area 3 headquarters, and the area name was chosen as North Texas Tuberculosis and Respiratory Disease Association. A committee was named to formulate and present the constitution and by-laws and a nominating committee was appointed. Charles Davis of Fort Worth was selected as acting executive director.

The sub-committee will report at a steering committee meeting in Fort Worth on Saturday, March 18. The area will have 37 directors plus nine directors on the state board. These will be allotted according to population and Eastland County will be allowed two directors on the area board.

NOW PAYING 4.15% WHEN HELD TO MATURITY

Savings Bonds are a great way to build a solid financial foundation for your child (or grandchild). It stands to reason. Every Bond you buy keeps growing right along with the child and becomes available for future, expensive needs.

Important needs like education, marriage or a business of his own.

Boys not only grow—they work hard at insuring the family's future by insuring the future of the country. A big job that doesn't come easy.

Buy Bonds at your bank or on the Payroll Savings Plan where you work. And see if you don't feel good about it.

Your Uncle Sam will.

NOW—Savings Bonds Pay 4.15%! Interest on new E and H Bonds you purchase has been raised to 4.15% when held to maturity. E Bonds mature faster—now in just 7 years. Your old Bonds will earn more, too. Savings Bonds are better to buy, and hold, than ever.

4-H members and foods and nutrition leaders will be busy during the next week finishing their subject matter group meetings and making final plans for the 1967 Foods Show. The Foods Show, a n

achievement event, will be held Saturday, Feb. 23, at 10 a. m. in the Eastland High School Auditorium. There will be food exhibits in the four food groups - fruit and vegetable; milk and milk

products; meat; and bread and cereal. During the past few months, these 4-H'ers have been meeting with their leaders in subject matter meetings, planning and preparing foods of the Basic 4 Food Groups. They studied the nutritional value of these foods and learned what each will do for growth and development. Table setting and choice of table appointments is also a part of the groups work. All of this will be on display at the Foods Show, Feb. 23.

Foods Records, Menus, and Recipes for the Foods Show are due in the Assistant County Home Demonstration Agent's office, Tuesday, Feb. 21.

Eastland County 4-H Club boys, Carter Housel and Frank Claborn, were in San Antonio on Friday and Saturday, Feb. 10-11 for the purpose of scrambling in the calf scramble which was held during the Friday night rodeo

Roses are now available in many stores throughout the county. You know, roses are probably one of the most popular of all garden plants, and anyone can grow them. However, the most common error made by many gardeners is to attempt to grow too many varieties or too many plants.

There are many different types of garden roses. The shrub roses can be used as shrubs in landscape plantings in the same manner as any other flowering shrub. The most popular types, however, are the tea roses, hybrid teas, hybrid perpetuals, floribundas and climbers. The hybrid teas and the floribundas are the most important garden roses today and are the ones with which the home gardener is primarily concerned.

When planting, select a location in the garden where the plants will receive a minimum of 6 hours of sunlight a day. In Texas, a location that is lightly shaded in the afternoon is ideal.

Roses should not be planted too close to trees which form matted roots near the surface, such as your elms or poplars. Any well-drained garden soil, mixed with peat or other organic matter, that is well fertilized can produce good roses. The soil should be slightly acid to neutral. Highly acid or highly alkaline soils are unsuitable for growing roses successfully. Also, good drainage is the most important consideration. In Texas, roses may be planted in the fall or spring. When plants are set out in the spring, cut the canes to 4 inches above the ground at the time of planting.

Mulching the rose bed with granulated peat moss or some other loose material, such as cottonseed hulls, ground corn-cobs, saw-dust, sugar cane

performance.

In this calf scramble 20 boys and 10 calves are released in the coliseum arena together. The object of the scramble is for a boy to catch a calf, put a rope halter on the calf, and be the first contestant across the finish line. However, in many cases this is easier said than done. When an 85-140 pound, 12-15 year old contestant catches one of the 250-300 pound calves, he quickly learns that he has his hands full of purebred old dynamite. There is no animal that can buck, stomp, and kick quite like a half-scarred calf.

Those individuals who catch calves receive certificates which can be used for the purchase of a breeding animal to be used with their 4-H projects. Carter Housel of Rising Star was one of these fortunate boys to catch a calf. After two catches in which the calf managed to get loose, Carter tackled a calf, haltered him, and half-dragged him across the finish line in 8th place.

These two boys from the Eastland County 4-H Clubs are to be congratulated for their fine competitive spirit and the manner in which they conducted themselves for the two day trip.

Ranges with self-cleaning or easy-cleaning features are coming into the 1967 market with prices low enough for many consumers.

This information is from recent equipment research which also notes that removable teflon coated panels for easy oven cleaning are being offered by manufacturer. One manufacturer has introduced a "counter that cooks" - a range with an opaque glass ceramic top. The surface, which is smooth and even, reduces the chore of cleaning to a minimum. The price? \$350.

While much has been done in the area of electronic cooking, many problems still exist - servicing, use education, and price. Manufacturers predict that consumer prices for electronic ranges will be
