

In this corner, with **COLLINS**

Saturday afternoon we attended the Peanut Bowl parade in Eastland and were very impressed with the way the local high school band and the Junior College Band played and marched. The Junior College band members looked very sharp in their blue and white uniforms. Mr. Roan and Mr. Helmcamp are to be commended on the work they have done in forming the bands and the City of Ranger should be proud of their bands.

It has been announced that a Pep Rally will be held at 9 o'clock in the college gym for the Rangers. All business men and local residents are invited to attend. Let's go out and back the junior College. The Rangers will play Wharton here Saturday night and should be a very good game.

And speaking of football, the Ranger Bulldogs will travel to Comanche Friday to attempt to break up the Indians. It is reported that the Comanche team is tough and this will be another great game.

The Jaycees held their annual banquet Tuesday night, and were showing off the trophy they won at the parade Saturday when four members of the Graham Jaycees took the trophy to Graham and said if the Jaycees wanted it back they would have to come to Graham to get it. This is a typical joke of the Graham club.

87 YEARS OLD

An error in the recent account of the birthdays of Albert and Elbert Hill. They are 87 years of age — not 77. Our apologies.

Red Cross To Receive \$900 From Local UF

It was late evening a local resident died suddenly in Ranger General Hospital. His son-in-law, a member of the Armed Forces was stationed in a distant state where he and his wife lived off base, away from a telephone.

Within minutes, the attending physician notified the Red Cross office in Cisco, where Mrs. Lamb stood ready to make the necessary contacts.

Above is but one example of one of the perential services rendered by American Red Cross. Once looked upon merely as "a port in a storm", it is that, but much more.

Red Cross chapters maintain disaster committees that plan for assisting when misfortune strikes.

Red Cross supplies whole blood and blood products to physicians and hospitals in communities served by the program; teaches nursing classes and assists in community health services; teaches first aid and water safety as well as small craft programs.

These and other services are available for local residents, should the need arise. Currently serving as County Chairman of the Eastland County unit is Mrs. D. E. Pulley of Ranger who knows, first hand, the many benefits available.

Maintenance of this work is made possible largely through contributions made by United Fund and Community Chest groups. The sum of \$900 of Ranger's United Fund will go to the Red Cross. Let us all give generously and hope that we will never be declared a disaster area.

Historical Marker Dedication Planned For Oil Boom Era

The Chamber of Commerce in Ranger has announced plans are being made to celebrate the 50th Anniversary of the Discovery of Oil in Ranger.

Oil was first discovered in Ranger, October 19, 1917. The first well drilled was the McCleskey No. 1 which produced over 1,600 barrels of oil daily.

The Chamber of Commerce has been working on the plans for some time and will announce the program for the celebration at a later date.

The Chamber of Commerce stated the celebration will be held the latter part of October.

RHS Library Club Has First Meeting Sept. 20

The newly formed Ranger High School Library Club held its first meeting on Wednesday, Sept. 20.

Six RJC Basketball Players Named "Outstanding Prospects"

Six Ranger Junior College basketball players have been ranked among the nation's outstanding junior college prospects by "High School Basketball Illustrated" and will be featured in a special pre-season survey spotlighting the country's top junior college sophomores.

Ranger High School Band Displayed Action Saturday

The Ranger High School Band displayed a lot of action this week. Thursday night between the seventh and eighth grade games, the high school pep rally was held. The concert trembled the stands as the band played "Joshua". The twirlers were featured in "Hey, Look Me Over!"

Final Rites Held Wednesday For Mrs. Weaver

Mrs. Nora Weaver, 81, died at 4:45 p. m. Monday at Western Manor Nursing Home following a long illness.

Rangers Face Wharton Here Saturday Night

AMERICAN CANCER SOCIETY MEETS THURSDAY IN EASTLAND

The Eastland County Unit of the American Cancer Society met Thursday evening in the Reddy Room of Texas Electric Co. in Eastland. Sam Kimmell of Cisco, president, was in charge of the business session.

Boone Powell of Abilene, state director, presented the unit with the certificate of approval from the Cancer Society.

This being the beginning of their new year's work, emphasis was placed upon the goals to be achieved.

Eastland County has been taken out of District No. 13 and added to District No. 4 with Riley Sloan as District headquarters in San Angelo. East district is composed of 20 counties.

Cancer claimed the lives of 3 persons in Eastland County during the past year. It is expected that the county will have 56 new cancer patients during the coming year.

There are many services available free of charge to patients and may be obtained by contacting the service

Jimmy Watkins Named Semifinalist In NMSP

Principal James W. Childress has announced that one student of Ranger High School has been named Semifinalist in the 1967-68 National Merit Scholarship Program.

The student is Jimmy Watkins, 18-year-old son of Dr. and Mrs. W. P. Watkins of Ranger.

The 14,000 Semi-finalists nationwide throughout the nation have advanced to the second step in the competition for about 2,900 Merit Scholarships, valued at more than \$3 million, to be awarded in 1968.

Semi-finalists scored the highest in each state on the National Merit Scholarship Qualifying Test given last February. They constitute less than one percent of the graduating secondary school seniors in the nation.

The Semi-finalists are young people of high intellectual potential, according to John M. Stalnaker, president of the National Merit Scholarship Corporation. "From this group will come future leaders of business, industry, and the professions," he said.

These students deserve credit and honor. They have put forth the effort to develop their abilities and to attain academic success. They bring honor to their families, who deserve much credit, as do their teachers and their communities. Their future success, however, will depend increasingly upon their ability to become productive at the high intellectual levels of which they are capable.

Semi-finalists must advance to finalist standing to be considered for Merit Scholarships, since an winner will be selected from the finalist group. Semi-finalists become finalists by receiving the endorsement of their schools, taking a second examination, and submitting information about their achievements and interests.

Every semi-finalist who becomes a finalist will be considered for one of about 2,400 four-year Merit Scholarships financed by some 500 corporations, foundations, colleges, unions, trusts, professional associations, other organizations and individuals, and by NMSP itself. In addition, about 500 one-time National Merit \$1,000 Scholarships will be awarded for the first time in 1968.

Winners of four-year Merit Scholarships may receive up to \$1,500 a year for four college years, depending on their individual need. Winners of the National Merit \$1,000 Scholarships will receive one-time grants of \$1,000 upon enrollment in college.

High school grades, accomplishments, leadership qualities, extracurricular activities, and school citizenship of the finalists are evaluated along with test scores, in selecting Merit Scholarship winners.

Names of the Merit Scholars in the 1967-68 Merit Program will be announced by early May 1968. More than 5,900 students have received Merit Scholarships in the 12 annual programs to date. Over \$52 million in financial assistance to Merit Scholars and their colleges has been expended or committed through the Merit Program to date.

The entire Ranger Bulldog team was introduced by Coach Chas. Smith during the weekly meeting of the Quarterback Club held in RHS Library on Monday evening.

Club president Winston Squyres presided. Minutes of the previous meeting were read by Mrs. Margaret speed.

Lose Peanut Bowl Tilt To Cisco 30-6

The Ranger Junior College Rangers were defeated Saturday night in the 8th annual Peanut Bowl game in Eastland.

The Cisco Wranglers received the opening kick-off and returned the ball to the 44-yard line where they took over first down as quarter back Larry Wright handed the ball to half-back Barry Moore. Moore was stopped for no gain but a penalty against the Rangers set the Wranglers up for second and five yards to go for a first down.

Wright kept the ball and was thrown for a six yard loss as the Ranger front line charged in.

Wright again was thrown for another big loss on a keeper as the Rangers charged in on the third down situation leaving Cisco with a fourth down and 15 yards needed for a first. Cisco elected to punt and Ranger took over.

Wade Valdez, quarterback and captain for the Rangers handed the ball to Jack Martin who carried for four yards. On the second play for the Rangers Valdez handed to Harry Mathis, as he went for three more yards.

One of the third downs Valdez called for Bill Cherry to make the necessary yardage, but he was thrown for a 14-yard loss. The Rangers were forced to punt and Cisco took possession on the six yard line.

Rex Fry, full-back for Cisco, returned the punt to the 13 yard-line where it was first and 10 for the Wranglers.

Wright handed to Lonnie Bell for a two yard gain. On the second play Wright took the ball and raced around right end, picking up a good eight yards and the first down of the game for Cisco.

With a first and ten situation, Wright called on Collin Hinderman, freshman half-back, who ran for 35 yards to the 7 yardline and another first down for the Wranglers.

Wright handed to Clarence Jackson and he got about two yards as he drove through the Rangers defensive line. Again Wright handed to Fry as he picked up five yards on the second play of the series. A handoff from the quarterback Hinderman picked up nine more yards and another first down for the Wranglers.

Hinderman tried again but fumbled as Arnold Pierce, lineman guard for the Rangers fell on the ball.

This put the Rangers on the 51 yard line as Valdez passed to Harry Mathis for

Callahan County Farmers Co-Op Meet Set Sat.

The annual stockholders' meeting of the Callahan County Farmers Co-Operative will be held at 8 p. m. Saturday, Sept. 30 at the American Legion Building in Baird, according to an announcement by A. G. Black, manager.

IN FIRST DIVISION — Entering the Peanut Bowl Twirling Contest Saturday, were Kim Cloud and Kelly Gentry of Ranger. Both won first division twirling awards and were presented first place medals. Kim is the three-year-old daughter of Mr. and Mrs. Scott Cloud of Ranger and Kelly is the four-year-old daughter of Mr. and Mrs. Doyle Gentry. The girls are students of Jane Bradford of Rt. 3, Ranger.

HISTORY OF HIGHWAY DEPT. HERE IS RICH AS 50TH ANNIVERSARY BEING CELEBRATED

The Texas Highway Department will mark 50 years of progress in Austin Tuesday.

Progress of highway construction in Eastland County closely parallels that of the state; in that approximately \$10 million of the some \$17 million that has been spent in this county on construction, has come during the past ten years.

Right now there is approximately \$2 million worth of work underway, Supervisor R. P. (Buddy) Haun reports, on the Int. 20 project south of Eastland.

The Highway Department has been a vital part of the Eastland County scene for many years. Until the mid-1930s, highway work in the county was supervised out of a three-county office at Comanche, which included Comanche, Eastland and Stephens Counties.

Dave Hogan was the first Eastland County resident engineer and he came here in the mid-30s to set up the office. Operating until the war years, the office was virtually closed during the war and E. M. Pritchard became resident here in 1946. He went to the Brownwood District office in 1952 as assistant district engineer, and was promoted to the top district job in 1960, the position he still holds.

Gordon Smith, who had come in 1948, became local resident engineer in 1952, serving until about 1960, when he was transferred to Brownwood where he became assistant district engineer.

Buddy Haun worked for five years in Comanche County under Mr. Huntington, the man who had overseen the earlier three-county set-up, before coming to the Eastland office in 1954 as assistant resident engineer.

H. L. (Mutt) Lewis, who came to the Eastland office in 1950 from Coleman heads up the Maintenance Dept. here, and with some 34 years highway department experience he remembers when Mr. Baker was the maintenance engineer here.

The Eastland Department is one in Mr. Pritchard's nine county District 23 which includes Coleman, McCulloch, San Saba, Comanche, Eastland, Stephens, Brown and Mills and Fannin.

The Interstate 20 highway work in Eastland County began in 1957, and to date, accounts for \$6,919,785 in construction.

Total construction to date in Eastland County is \$17,400,000, Haun reports, with \$2,853,388 in Farm-to-Market

work (began in 1946); \$2,967,099 in state work (St. 205, St. 36, St. 6 and St. 16); and \$4,125,853 in US highways (US 80, US 380 and US 783). Seal coats and leveling has amounted to some \$533,475.

The maintenance budget naturally goes up yearly, and is presently some \$250,000 a year.

There are 26 employed in the resident engineer's department here and 23 in the maintenance department for a total of 49 state Highway Department employees.

Richard Johnson and R. T. Magness Jr., are local senior resident engineers here.

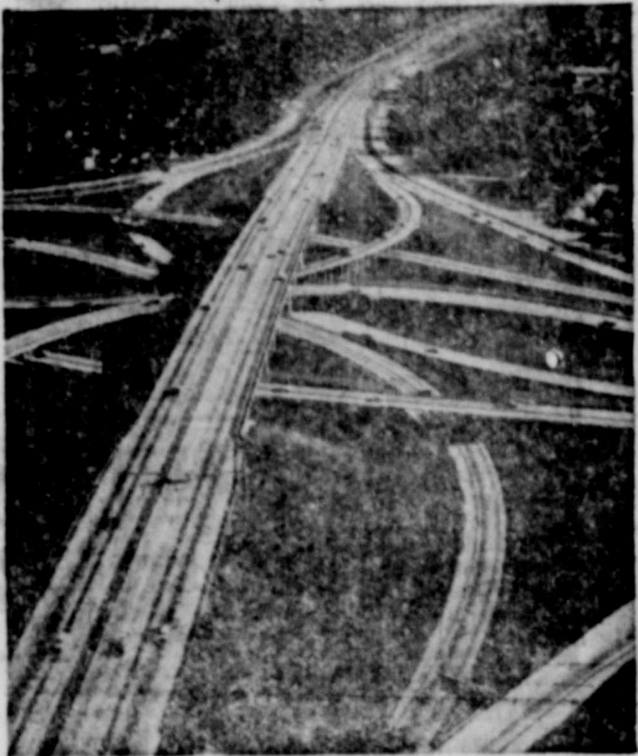

Good roads enthusiasts from throughout Texas will gather in Austin Tuesday to mark the 50th Anniversary of the Texas Highway Department.

Pioneers in highway development — both local boosters and veteran Highway Department employees — also will pay tribute to State Highway Engineer Dewitt C. Greer. A Department employee for four decades, Greer has been the top administrative officer for 27 years.

Highlight of the anniversary will be a dinner Tuesday evening at the Austin Municipal Auditorium. Tickets for the dinner, priced at 10 each, may be obtained by sending a check or money order to the Texas Good Roads Association, 342 Vaughn Building, Austin, 78701.

Many chambers of commerce and other civic groups plan to bring big loads of highway boosters to Austin for the event.

Governor John Connally will be the main speaker. Arrangements for the 50th Anniversary observance are being made by a committee of leading Texans headed by former Governor Allan Shivers. Former Congressman Joe M. Kigore of Austin and L. P. Guvin of Amarillo are vice-chairmen.

WMU Circle Of First Baptist Church Meets

The Marilois Kirksey Circle, WMU of First Baptist Church, met in the home of the chairman, Mrs. Lloyd Clem at 2:30 p. m. Tuesday, Sept. 19.

Mrs. H. B. Weathers read the calendar of prayer and scripture, John 19:27 followed by the missionary prayer offered by Mrs. C. A. Strong.

Mrs. Clem conducted a short business meeting and presented Mrs. J. B. Houghton who reviewed the concluding chapters of the mission study text, "The Holy Spirit in Missions," by J. B. Lawrence.

During the social hour, the birthday of a member, Mrs. Earl Horton, was honored with a shower of beautiful gifts.

Refreshments of cake and punch were served to Meses. H. E. Brooks, Harry Deal, Frank Arrendale, F. U. Bourland, Thelma Lynn, Strong, Houghton, Horton, Weathers, two visitors, Meses. M. L. Loving and Mary Morrison and the hostess.

Mrs. Bourland offered the closing prayer.

First Christian CWF Members Enjoy Luncheon

Members of CWF, First Christian Church, enjoyed a pot-luck luncheon in the church dining area at 12:30 p. m. Tuesday, Sept. 19.

Following the meal, the president, Mrs. Alberta Pirkle conducted a short business meeting.

Members attending were Meses. O. R. Ervin, B. S. Dudley, Sr., Luna Lane, C. L. Dinesmore and Pirkle.

Mr. and Mrs. R. W. Hanberry of San Antonio are visiting in the homes of Mr. and Mrs. Albert Hise and Mr. and Mrs. H. V. Davenport.

Mr. and Mrs. Frank Marlan of Garland were weekend visitors in the home of Mrs. Lottie Davenport.

Personals

Mr. and Mrs. L. L. Bruce had as weekend guests their daughter and family, Mr. and Mrs. Callie Smith and children of San Antonio and their granddaughter, Sylvia Thomas of Abilene.

Mmes. Wayne Mathews, John Langford, W. A. Reuser, James Clark, Larry Hunt, J. C. Carter and Avery Sullivan attended a Leadership Conference of Women's Missionary Union held in First Baptist Church of Abilene on Friday.

1947 Club Holds Meeting Sept. 16

The Lake Leon home of Mr. and Mrs. Morris Newnam was the setting for a covered dish supper for members of the 1947 Club, their husbands, and new club members, held on Saturday evening, Sept. 16.

Hostesses were Meses. Jack Umberson, Bill Marslander, F. P. Brasher, Jr. and Newnam.

Welcomed as new members were Meses. Beverley Pair, Dewitt Jones, E. W. Mince, James Childress and Richard Helmcamp.

It was an evening of fun and fellowship for Dr. and Mrs. W. P. Watkins, Messrs. and Meses. John Adair, Jack Umberson, Edwin Lummus, F. P. Brasher, Jr., L. R. Pearson, James Ratliff, Bill Marslander, Bill Collins, Joe Collins, Dewitt Jones, E. W. Mince, James Childress, Richard Helmcamp, Glyn Gilliam, Chas. Smith, H. G. Adams, Meses. Jack Duvall and Beverley Pair and hosts, Mr. and Mrs. Newnam.

Ranger Baptists attending the Associational Rally held in Cisco on Monday evening were Mr. and Mrs. H. L. Caraway, Mrs. Jack Bearden and Debbie, Rev. and Mrs. Avery Sullivan and Meses. Lera Beck, L. E. Orms, Oma Ewing, J. B. Baker, Chas. Bush, Walter Mitchell, Larry Hunt, J. B. Houghton and Lee Mitchell.

Mrs. Jerry Cole Honored With Bridal Shower

A bridal shower honoring Mrs. Jerry Cole, the former Miss Ann Jacks, was held in Fellowship Hall of Merriman Baptist Church on Wednesday evening, Sept. 13 with ladies of the church as hostesses.

Guests enjoyed refreshments of punch and cookies served from a table laid with a white linen cloth. Long branches of ivy encircled the crystal punch bowl to form a centerpiece. Miss Joyce Falls presided at the table.

Gifts were displayed on a long table covered with a white cloth and bearing arrangements of assorted flowers.

A large number of guests registered during the social hour, 8:45 to 9:45 p. m.

Mrs. Boo Smith of Fort Worth is visiting her sister, Mrs. T. L. Thompson.

We want to take this means to say "THANKS" to all our friends and customers while we were in business at The Texaco Station on Main St. in Ranger.

Peanut Bowl Parade Winners Announced

A huge pink "Peanut Bug" snaked down Commerce St. in Eastland Saturday afternoon and won first place in the float division of the annual Peanut Bowl Parade. The bug was the entry of Xi Alpha Zeta Chapter of Beta Sigma Phi, of Eastland.

A float urging participation in the United Fund Drive scheduled to begin Oct. 2, won second place. The float was prepared and entered by the Socialites, a social club for sophomore girls at Eastland High School.

Third prize went to the Cisco 4-H Club.

Judges were representatives from the county's banks. Prizes to riding groups were Ranger Jaycees, first; Cisco Riding Club, second; and Eastland County 4-H club, third.

Included in the three-mile-long parade were floats carrying Peanut Bowl Queen Joan Kelly and the other sixteen girls who vied for the title at Eastland Elementary School Tuesday night; Little Miss Eastland, Miss Rhonda Rushing; and the queen of DeLeon's Peach and Melon Festival.

Wilco Seed of San Antonio entered a float, Owens Country Sausage of Fort Worth was represented by six giant Belgian horses pulling a century old circus wagon.

Bands from area schools, new cars, and tractors were also in the parade.

RANGERS . . .

(Continued from Page 1) seven yards. Valdez tried a keeper play and was thrown for no gain. A pass from Valdez to Robert Jackson was overthrown. This put the Rangers in a fourth down situation. Two penalties against the Rangers for illegal procedure forced them to punt as Cisco took over on the 35 yardline.

On the first down Cisco was penalized five yards for off-sides, which set the Wranglers up with a first and 15 to go.

Larry Wright took the ball on a roll out play and netted two yards. Wright handed to Clarence Jackson on the next play as Jackson picked up five yards.

Wright called on Hinderman again as he picked up 47 yards and another first for Cisco.

The Wranglers were working hard at this part of the game to put a score on the scoreboard. Wright handed to Jackson as he racked up two yards. Wright called on Matthew Young, who traveled the final 10 yards to pay-air for the Wranglers.

An off side penalty against the Rangers put the ball half the distance to the goal as Hinderman kicked the extra point for the Wranglers.

After the T. D. kickoff, Cisco took possession of the ball on the 20-yard line. Gary Chandler at quarterback handed to Ronnie Smith as Smith got four yards of the first play. Chandler again called on Smith, a freshman, who traveled the 20 yards to the launching pad at Cape Kennedy for testing. Charles is a graduate of Brockridge High School, Ranger Junior College, and Texas University.

EIGHTEEN USO CLUBS NOW IN OPERATION IN VIETNAM

What is USO doing to provide the traditional "home away from home" for men and women in our Armed Forces? Eighteen USO Clubs are now being operated in Vietnam provide the same basic facilities, namely a snack bar, comfortable chairs, games, musical instruments, hi-fi sets and records.

USO shows have been expanded to include a new circuit for wounded American GI's from the Viet Nam conflict. Last year, the USO booked 687 entertainers in 91 Nam. These vary in size but audience of over 3,200,000 units which performed to an

Lacasa HD Club Has Meeting

The Lacasa Home Demonstration Club met Thursday, Sept. 14, at 1:30 p. m. with eight members present.

The president, Mrs. Kenneth Mitchell, called the house to order and opened the meeting by having Mrs. Zelma Herrington read the group in repeating the THDA Creed, and the Prayer in unison.

Roll call was answered with a sick room hint. The Gold Bond project was discussed.

Mrs. Mitchell brought the program on Reclaiming Furniture and Accessories. She demonstrated a number of articles that could be reclaimed for use that might have been discarded as useless, showing some articles she had reclaimed with little expense, showing pictures of other articles she had reclaimed with pictures of other articles and describing any more. This included old lamps, cork jars and churns, rub boards, old stools, trunks, and many articles of furniture.

The next meeting will be all day, Sept. 28, with a covered dish luncheon. If you want your mail box name plate repaired have it at the Lacasa Community Center that day.

Those present for the meeting were: Mabel and Joe Jackson, Zelma and Mary Herrington, R. E. Miller, J. C. Bradford, Kenneth Mitchell and D. B. Raney.

service men and women a-round the world. During 1967, a total of 108 shows with 324 performers have been projected for Viet Nam alone.

The "voice" of USO in Viet Nam is a daily radio program on Armed Forces Radio called "What's New at the USO." This 30 minute broadcast features announcements of coming programs, personal interviews with stars and the reading of excerpts from letters which express the concern of the American people.

Since USO receives no government funds, these things, and all other services, are made possible through the voluntary support of the American people largely through their contribution to their United Funds or Community Chests.

Would you be willing to entertain a homesick soldier in your home for an evening? How would you jump at the chance! Sure, you can't, but your contribution to Ranger United Fund will do the next best thing — carry your hospitality to where he might spend an otherwise miserable evening. The sum total of \$100 of local funds will be applied toward making USO a better "home away from home."

4-H Awards Program Moved To Gorman

Site location for the Annual Achievement Awards Program for Eastland County 4-H Club members has been changed from Rising Star to Gorman, Bob Cohen, assistant county agricultural agent, has announced.

The event will be held Saturday, Sept. 30, beginning at 8 p. m. in the Fellowship Hall, First Baptist Church, in Gorman.

A conflicting homecoming grid tilt at May, between May and Rising Star teams necessitated the change of location, he said.

Keynote speaker will be Rep. Burke Musgrove and program will be in charge of Bobby Lee, Eastland County 4-H Club Council President, master of ceremonies.

There will be some 100 awards and pins given in recognition of 4-H Club projects and achievement work for the past year.

National 4-H Club work begins Monday.

AUSTIN—Constitutional Revision Commission is busy revising or rewriting the basic document which has governed Texas since 1876.

Before it could start, it rounded out its membership by naming five senators.

Lt. Gov. Preston Smith refused to name the Senators. He says the Commission was not legally authorized. It was

created by a simple House resolution and the Senate did not concur.

Senators chosen by the Commission itself were A. M. Aikin of Paris, Grady Hazlewood of Amarillo, J. P. Word of Meridian, Don Kennard of Fort Worth and Henry Grover of Houston.

Gov. John Connally opened the Commission's meeting by urging its members "to make some very profound recommendations about the structure of Texas government with out removing fundamental safeguards."

Connally said the commission should "eliminate those portions (of the Constitution) which are outmoded and no longer applicable."

Commission Chairman Robert Storey, a Dallas attorney, said the 25-member commission, which will report to the 61st Legislature in 1969, should try to write a brand new

constitution.

Recommendations of the Commission must go first to the Legislature. If two-thirds of the lawmakers agree that the proposed revision is worth submitting to voters, a state-wide election will be required before any changes can go into effect.

Larry Temple, executive assistant to Governor Connally, was designated secretary and chairman of the drafting committee. San Antonio Mayor W. W. McAllister was named vice-chairman.

Legal or not, the group will devote 14 months to the project. Eight committees were named to study various parts of the Constitution — executive, legislative, judicial, political subdivisions, bill of rights, education, revenue and taxation, and drafting.

All available federal aid will be sought by Governor Connally for Rio Grande Valley and Texas coastal areas ravaged by Hurricane Beulah.

Small Business Administration, early declared SBA relief loans were available to firms in the hurricane-devastated sections.

State Insurance Board dispatched experts to the Valley to help interpret the fine print of policies. Insurance companies, which paid out \$120,000,000 in Hurricane Carla losses six years ago, moved to implement "catastrophe plans" for speeding claims handling.

Board officials advised that Texas insurance policies do not cover losses due solely to flood waters or wave damage, although some do provide coverage against wind-driven rains, as well as wind damage.

Source of controversy surrounding Carla policies mainly involved losses caused by both wind and water and assessment of that portion attributable to hurricane winds.

Railroad Commission delayed setting oil allowable for October pending a survey of how Hurricane Beulah affected Gulf Coast refining capacity.

More than 240,000 needy Texans will get small raises in their welfare checks effective Oct. 1. Burton G. Hackney, Commissioner of State Department of Public Welfare, says old age assistance recipients will receive \$4 a month more and those eligible for aid to the permanently and totally disabled \$3 more.

New maximum OAA grants will be \$104 a month and disability top grants, \$79 a month. Increases will benefit 228,567 on OAA rolls and 11,450 on disabled rolls.

Legislature this year made raises possible by increasing appropriations for OAA by \$6,500,000 and aid to the disabled by \$1,000,000.

House Bill 78 of the 60th Legislature, which would repeal certain fees for attorneys

DIVERTED ACRES MAY BE GRAZED AFTER OCTOBER 1st

Farmers who diverted acreage under the 1967 feed grain and cotton acreage diversion programs will soon be able to graze this acreage without losing program benefits, Robert G. Lyster, Chairman, Agricultural Stabilization and Conservation, County, Committee, has announced.

Authority was recently granted to ASC State Committees to extend to seven months the free grazing period for livestock on lands taken out of production under the annual commodity diversion program. The starting date for such grazing, therefore, will be Oct. 1, 1967, marking the end of the period during which the no-grazing provision was in effect under the diversion programs.

Formerly, commodity diversion program lands could be grazed for six months each year, and the "normal" grazing period in Eastland County was from May 1, 1967 through Oct. 31, 1967.

During the intervening five-month period, diverted lands can be grazed only if they are located in an area or county designated as a disaster area by the secretary of agriculture because of drought, excessive rains, floods, or other natural disaster. In such cases, Conservation Reserve and Cropland Adjustment program lands also may be used for grazing and for the harvesting of hay. Downward adjustments are made in diversion payments to farmers if these lands are grazed or hay is harvested under the disaster provision.

"Extension of the free grazing period," the Chairman stated, "will give farmers an additional month each year for grazing livestock on these diverted croplands. It will permit program participants to graze their fields without the expense of erecting fences between lands on which they have grown crops and those they have diverted."

In making this move to

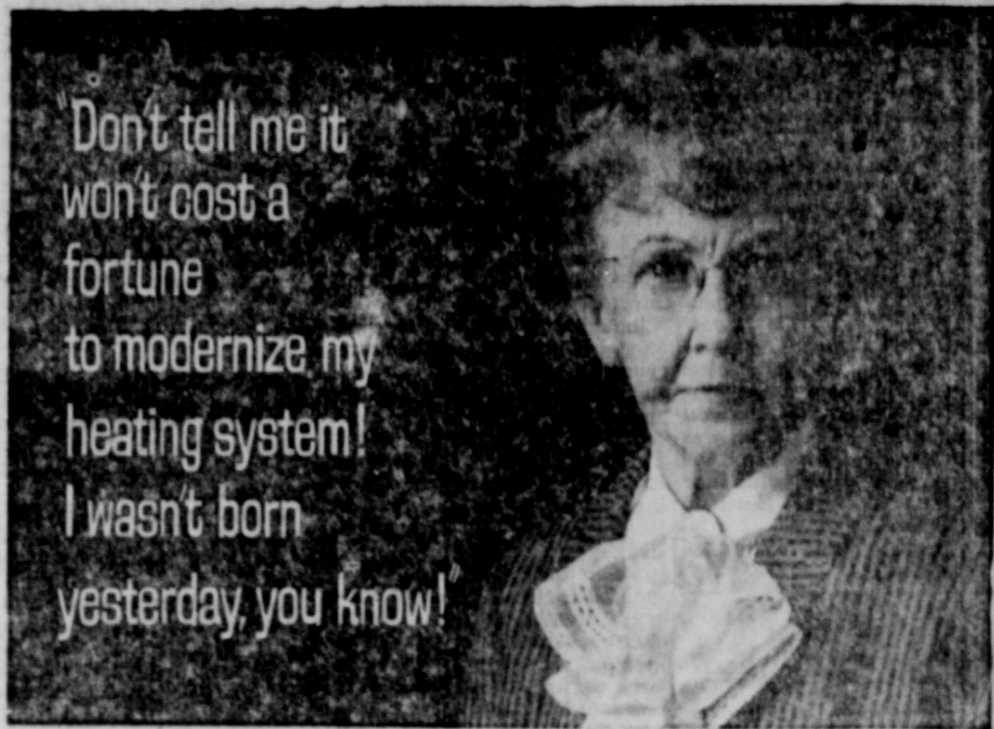

help the farmer, the Department took note of the expanding use of the picker-sheller in corn production which provides for harvesting earlier than was customary under old methods. The net effect of the change is to allow farmers seven months of free grazing for livestock on diverted lands instead of six months.

Eastland County farms participating in the 1967 commodity diversion program number about 245.

Don't tell me it won't cost a fortune to modernize my heating system! I wasn't born yesterday, you know!

Excuse us, Ma'am, but your gas heating contractor or Lone Star Gas may have a pleasant surprise for you.

Let's be realistic. You're just going to have to spend some money to modernize your heating system. But it will probably be a lot less than you think. Especially now during August and September when gas heating contractors have more time to make installations and are offering special savings. There's a wide variety of modern, automatic gas heating equipment to take care of any situation—whether you're heating one room, several rooms or your entire home. Why not get a free estimate? Talk to a gas heating contractor or the folks at Lone Star Gas.

and physicians under court appointment, is unconstitutional, says Attorney General Martin.

It is void, he says, because the title of the bill did not conform to the body of the bill, and the Constitution requires that both say essentially the same thing.

In other opinions Martin held that:

State Water Quality Board has authority to enforce water control standards adopted last June by its predecessor agency, the State Water Pollution Control Board.

Law setting fees for county clerks and recorders, did not repeal provisions for state apportionment of funds to county officers salary funds for services rendered.

Four years is the limit for deficiency determination and suit to collect state sales tax.

State is required to pay filing and recording fees on tax liens.

LACASA NEWS

Services at New Hope Baptist Church were well attended Sunday, with no visitors. Special music was brought at the morning service by Mrs. Gil Leonard singing the solo, "Moment By Moment", in the evening service by Mrs. Norman Harris singing the solo, "Take Jesus, Man of Galilee." Wednesday will be at the regular Prayer Meeting hour, 8 p. m. Mrs. A. N. Bradford, Prayer Chairman, is in charge of the program. Mr. and Mrs. James Maddux and Jimmy Mingus, visited Mr. and Mrs. G. V. McGowan Saturday afternoon. Mr. and Mrs. Vernon Stuard and children of Fort Worth visited his parents, Mr. and Mrs. Martin Stuard. They were accompanied by her mother, Mrs. Fay Boone of Mingus, who had been visiting them in Fort Worth the past week. Mrs. Maude Herrington of Fort Worth visited her sisters-in-law last week and the two ladies attended the Cemetery Working at Necessity. Mrs. Artie Sherrill and her sister, Leota of Fort Worth attended the Homecoming at Wayland last week. For the regular recreation at the Lacasa Community Center on the second Friday night, a few people gathered Friday night, Sept. 8 to play forty-two and enjoy fellowship together. Refreshments consisted of ice cream, punch, and cookies. Everyone is invited to these meetings. The new pastor of New Hope Baptist Church, Rev. Norman Ennis, preached Sunday. Visitors were Mr. and Mrs. James Screws and children of Fort Worth, who were visiting her parents, the Marlowe Langfords; and Mrs. Edna Schrade, her daughter, Mrs. Eddie June Bilby and her children, Gene, Joan, Linda, Deborah, and Larry, of Ranger. Mr. and Mrs. Marlowe Langford have a new granddaughter, Monica Lynn Langford, born to Mr. and Mrs. Buddy Langford in Fort Worth Sunday, Sept. 10. Remember to get Certificates when you cash your Gold Bond Stamps and help the Community Club by turning them in to a member.
