The surest way to keep "no-irons" wrinkle-free is to machine dry them electrically. Gentle tumble drying in controlled heat "relaxes" worn-in wrinkles, and a final cool-down cycle keeps new wrinkles from forming. A flameless electric dryer not only saves you clothesline work and ironing time . . . it costs up to \$40 less to buy. And right now, you'll save even more with your dealer's special wiring offer. See him about it soon!
