re-

those producers interested in the latest cultural practices for profitable peanut product-ion will be held at Stephenville on Jan. 29 & 30, reports Eastland County Agent De Gordon. Speakers will cover such subjects as oil man-ogement, water requirement, irrigation system manage-ment, herbicide functions and principles of use, diseases nematode control, and they will include the latest informwition on varieties, seedling rates and planting methods. There will be a panel on the safe use of pesticide and Mr. Ross Wilsos of the Southwestern Peanut Grower's Association will dicuss the market-ing and production outlook. The program will feature research scientists of Texas

cussing irrigation, insect con-trol and other subjects. Gordon said that anyone

What's so great about the new '68 gas ranges? The changes!

You'll find space age burners and ovens with solid state ignition. And new stainless steel utensil supports that let you slide pots and pans without lifting! And cook-and-keep warm ovens, automatic meat probes and Burner-With-A-Brain! Some ranges have oven/broiler doors that lift off effortlessly, and cook-tops that pop up and off to make cleaning a snap! Gas makes cooking great for '68! /

See the new ranges at your gas appliance

GO TOTAL ELECTRIC

... THE CLEAN, MODERN ENERGY THAT DOES SO MANY OF THE NICE THINGS FOR YOU

Only electricity can do so many things for your total comfort and convenience. And only in a Total Electric home can you enjoy all of electricity's many advantages. Such as the work-saving convenience of an all-electric kitchen. The wonderful year around comfort of electric heating and cooling. An abundant hot water supply from a fast, efficient, electric water heater. Plus the work-saving cleanliness that is one of the most enjoyable features of a home in which flameless electricity does everything. Let us tell you more about Total Electric living and our low rate for Total Electric homes.
