Curry Charged In Amarillo

Former Cisco resident, Nathan Curry, a West Texas State University student, was held March 6, Clark said. Monday night in the Potter County jail on charges of assault, rape and robbery.

Curry was arraigned before Justice of Peace Bonita Pot-ter, who set bond at \$10,000 on each charge. The suspect is accused of the Feb. 3 knifepoint attack and robbery of a 19 year-old Amarillo housewife while she was doing the family wash at a laundry.

The rape charge stemmed from the alleged criminal assault on Feb. 25 on a 23-yearold Amarillo woman who also was at a laundry when the attack reportedly occured.

DRAWING TOWARD GOD

The Art and Inspiration of JACK HAMM

DRAWING TOWARD GOD is a book designed to apply scriptural truth to everyday living. By means of some 50 full-page drawings interspersed in the text, the reader is led to reflect with the artist-author on the great issues of life. Over a billion Impressions of Jack Hamm's religious art have been printed in the U. S. and 17 foreign countries. For the first time he sets down his reasons behind the drawings. ner of four national cartooning awards, Hamm contends that the nature of God and man's nature need to be, and can be, related one to the other.
