Industrial Development Team Has Second Training Session Tuesday

The Ranger Industrial Development Team began its first training session Tuesday afternoon with seventeen members of the team present.

The discussions for the first session was under the direction of Dr. John Foster and Wayne Mathews. Their topic was "Community Development and Government."

A lengthy discussion was held concerning what the City of Ranger has to offer in the way of good churches, schools, a Junior College, two medical clinics, hospital, and only a short distance for all sorts of water sports and hunting facilities located only a few miles from the City.

The Industrial Training program is being offered with the help of Texas Electric Service Companies Area Development Division. Every businessman in Ranger is invited to attend these training sessions to better acquaint themselves with what Ranger has to offer to a prospective industry that might be wanting to settle in this area.

The Training program was started a few weeks ago with business and professional men of Ranger and the interest and enthusiasm of the program has been great.

The program will last for six weeks which will have topics presented by various men on the team informing the group on what Ranger has to offer.

It was noted at the Tuesday meeting that Ranger has a tax of \$1.831 per one hundred dollar valuation. Dewey Cox, Jr., local attorney was in charge of the Taxation portion of the program.

SIX FLAGS TO OPEN '69 SEASON APRIL 12

SIX FLAGS Over Texas hostess Jill Tipps caused a slight work stoppage by some members of the construction crew building the Park's newest attraction, the 300-foot Oil Derrick.

Scheduled to be in operation when SIX FLAGS opens the 1969 season on April 12, the Oil Derrick will afford visitors a spectacular view of the 145-acre park from observation platforms near the top of the rig. At the 50-foot level (where workmen are waving), a giant 180-foot-long, 12-lane slide angled down 35 degrees will be built for visitors wishing to make a rapid and rather daring high-speed trip to ground level.

The 19-million-dollar, historical-theme park is located between Dallas and Fort Worth, Arlington, Texas. One of the first signs of Spring came about today as SIX FLAGS Over Texas, the big, historical-theme entertainment park between Dallas and Fort Worth, set the opening of its 1969 season for the weekend of April 12 and 13.

The announcement came from Angus G. Wynne, Jr., founder of the Six Flags Over Texas Great Southwest Corporation which owns and operates the park.

SIX FLAGS will be entering its 9th operating season this year and is expected to be the most popular single tourist attraction, according to the Texas Tourist Development Agency having drawn over 1,000,000 visitors since opening in 1961.

A large corps of workmen are busily engaged on a \$1.4 million expansion program which will add a fresh and exciting array of new rides, attractions and shows for the estimated 2,000,000 people who will visit SIX FLAGS during the 1969 season.

The expansion program is primarily centered on the area between the Texas and U. S. A. sections of the 145-acre park. Here construction on the world's largest land-based oil derrick, which towers 300 feet above SIX FLAGS, is nearly completed.

Designers of the Derrick have ideas other than drilling for oil. Instead, the Oil Derrick will serve as both an observation tower, with a spectacular panoramic view of the entire park stretched out below, and as an unusual ride.

Two elevators capable of carrying 2,000 passengers per hour will carry visitors up to observation platforms near the top. On the return trip down, passengers will have the option of getting off at the 50-foot level, where a giant 180-foot-long, 12-lane slide angled down 35 degrees has been built for a rapid and rather daring high-speed access to the ground.

A new ride especially for the younger set is the Mini-Mina Train. This ride is a smaller version of all the 85 rides, shows and attractions featured at SIX FLAGS.

Another new attraction for the 1969 season will be a performance featuring the aquatic talents of four trained porpoises. Through the porpoises, a 110-million tank is now being built, as well as permanent tanks around the tank with a total capacity of 1,500.

The Krofft Puppet Circus, which debuted last season with such critical acclaim, has an entirely different and lavish production planned for this year. The show promises more of the rollicking humor and imaginative surprises which delight audiences of all age groups.

Like all rides, shows and attractions at SIX FLAGS, the Krofft show is included in the one-price ticket that entitles the visitor to ride all the rides and see all the shows as many times as he likes during each operating day at no additional charge.

Tickets are \$4.50 for adults; and \$3.50 for children under 12-years of age.

After the opening weekend and starting April 18, SIX FLAGS will be open during the Spring on Fridays from 5 to 11 p.m. and on Saturdays and Sundays from 10 a.m. to 10 p.m. From May 26 throughout the Summer, the Park will be open seven days a week from 10 to 10.

After Labor Day, through September 28, SIX FLAGS will be open on Saturdays and Sundays only from 10 a.m. to 8 p.m. Then, from October 4 until closing November 30, the Park will operate on Saturdays and Sundays from 10 a.m. to 6 p.m.

# County Livestock Show Is Called Good Success; Animals Auctioned

## Top Prices Paid For Show Stock

The annual Eastland County Livestock Show was a good success from all standpoints as Eastland last Friday and Saturday, according to show officials. A large number of entries were on hand and attendance was good, despite the rainy weather.

Lynn Phippen, 16-year old daughter of Mr. and Mrs. Irven Phippen of Cisco, showed the champion steer. The steer,

named Abraham, weighed 996 pounds and was bred on the Phippen farm. Lynne, a regular stock show winner, is a junior at Cisco High School.

The reserve show champion was an Angus steer shown by Carter Housnel, 17, of Rising Star. He is the son of Mr. and Mrs. L. C. Housnel.

The banks of Eastland County paid 50 cents per pound for the champion steer. This was

21 cents over the market price. The reserve champion was bought by Peyton Scott of Rising Star at 45 cents per pound.

The Cisco FFA Chapter captured all four championships in the lamb competition. J. V. Rhyne, 14, son of Mr. and Mrs. Don L. Rhyne of Cisco, showed the champion crossbred and Southdown lamb.

Keith Clark, 16, son of Mr. and Mrs. Grady Clark of Cisco, had the champion fine-wool entry, and Gary Kent, 14 son of Mr. and Mrs. J. H. Kent, showed the champion medium-wool lamb.

The five banks bought the four top lambs and the four top hogs of the show.

The auction was held Saturday night at the Eastland Auction Company.

The Eastland FFA team won the team judging contest. Members of the team were Bobby Williamson, Rocky Maynard, Mike O'Dell and Eddie Blair. The Eastland 4-H team won team won second, and the Cisco Senior 4-H team won third.

High point individual was Frank Claborn of the Eastland 4-H team; second, Caryn Lee, Cisco Junior 4-H team; and third, Caddye Lee, Cisco Senior 4-H team.

## Lucy McDonald Buried Monday In Final Rites

Funeral services for Mrs. Lucy McDonald, 90, who died at 9:49 p. m. Sunday at Hickman Nursing Home, were conducted at 10 a. m. Monday at the Elliott's Chapel of Memories of Abilene with Rev. Truett Black, minister from Lawn, officiating.

Burial was in the Cedar Hill cemetery of Abilene.

Mrs. McDonald was born August 18, 1878, in Arkansas and was a longtime resident of Abilene before moving to Cisco. She had been a resident of Hickman Nursing Home for the past few months.

She was a member of the Church of Christ.

Survivors include one son, Willie O. McDonald of Rising Star; one daughter, Mrs. J. A. Pratt of Abilene; two stepsons, C. A. McDonald of Lubbock and Ernest O. McDonald of Wichita Falls; two stepdaughters, Mrs. Elvie Beasley of Yuma, Ariz. and Mrs. Ethel Estia of Abilene; 26 grandchildren; 55 great grandchildren and three great-great grandchildren.

Very little seemed to go right on the baseball diamond on March 7 and 8 as the RJC Junior College three times to bring the team standing to 3-3 for the season.

During the first game, the Rangers collected only one hit — a home run by Danny Ragland. The losing pitcher was Curtis Greene.

The second game hitting was led by Dean Gilstrap going 3 for 4 with Jerry Martinez close behind with 2 for 3. Other hits included singles by Berry Johnson, Danny Ragland and Eddie Gutierrez and doubles by Wayne Tyrone and David Balos. Losing pitcher was Bruce Tabor.

In the third game, the leaders were Kerry West with 2 for 3 and Joe Senejar with 2 for 4. Others collecting hits were Danny Ragland and Bubba Williams. Losing pitcher was Alan Pearson.

Coach Jack Allen told the ROUNDUP that changes are being made in the team lineup. These changes will be announced in the next issue of the paper.

## BSU Retreat

The BSU will sponsor a spring retreat on March 28 and 29. The theme of the retreat is "Tell It Like It Is", and the speaker is Charles Baker.

Students from Cisco, Cooke County, Ranger and Westboro Junior Colleges will attend. The cost is only \$4.00, and this includes meals, lodging, and insurance. Gas for the cars will be furnished by the BSU. The \$4.00 is due on March 26.

## FLOWER TALK

By OPAL MARSH THE GINSENG

The Ginseng, according to the Chinese, contains a great potent medicinal virtue. This plant is in great demand for exportation, and it gives a ruby-red berry which is supposed to help any type of sickness in China.

The flower is polygamous & is a green-yellow color. The name, in Chinese means man-like, which comes from the 2-legged appearance of the root. This is a very rare plant and many hunt this plant for a living.

Our flowers are not for medicinal purposes, but a lovely pot of them would make a sick friend or loved one know you care. Call 647-1811.

**27 Residents of County Face Last Medicare Chance**

The 1969 general enrollment period for the supplemental medical insurance under Medicare by some 27 Eastland County residents will close in a few days, according to R. R. Tuley, Jr., social security district manager. He cautioned that this will be the last chance for some people over 67 to ever be entitled to the doctor bill part of Medicare.

The supplemental medical insurance part of Medicare is financed through the participants paying \$4 a month and the Federal Government contributing \$4 a month from general revenues. Tuley stated that although over 95 per cent of those entitled to the hospital insurance have also taken the optional supplemental insurance, a few have turned it down in the past or have not said whether or not they want it.

Each year from January

through March there is a general enrollment period giving those already over 65 but not enrolled for the supplemental insurance a second chance to do so. One exception is that an individual who is not enrolled must do so within 3 years of his first opportunity. Those born October 1, 1901, or earlier fit this category; and if they have never been enrolled, they must do so by March 31, 1969. He noted that this group would not be able to apply next year in the general enrollment period since it will have been over 3 years since they could have first enrolled.

According to Tuley the general enrollment period does not apply to those now nearing age 65, as they should apply in the 3-month period before reaching 65.

**State Aging Conference To Beginz Friday**

The annual State Conference on Aging will convene in Austin this Friday, March 21 at the Terrace Motor Hotel. Gov. Preston Smith will open the meeting to plan for the million aging persons in the state.

Sen. Ralph Yarborough will speak at the noon luncheon.

Several state leaders will present a panel on involving all Texans in planning for the aged in their communities and cities. They are Dr. Hiram J. Friedsam, director for the Center for Studies in Aging, N.T.S.U., Denton; Sen. Barbara Jordan, Houston; Sen. Joe Bernal, San Antonio; Dr. David Jacobson, rabbi, San Antonio; and Mrs. Dora Huston, state coordinator for the Division of Vocational Rehabilitation, of Texas Education Agency.

An afternoon roundtable talk will involve Mrs. Thea Callaway, from Volunteer Services, Waco, speaking on community involvement; Mrs. Jane Berry, Extension housing specialist, on housing; Elmo Fisher, executive director of Texas

**Lone Cedar Bridge Winners For Sunday**

The Lone Cedar Duplicate Bridge Club hosted nine tables of players Sunday afternoon at the Lone Cedar Country Club in Eastland. The players were from Breckenridge, Stephenville, Eastland, Ranger, Cisco, Gorman, Lake Leon, Graham and Blanket.

There will be a Class 7 tournament played at the Lone Cedar Country Club each second Sunday, it was announced by Lloyd London, club director. The tournament will be played on the third Sunday in May to avoid the conflict with Mothers Day.

The Sunday winners were north-south, first, Dr. D. V. Rodgers and Mrs. E. G. Henderson, both of Gorman; second, Mrs. James Horton of Eastland and Mrs. Angie McDonald of Stephenville; tied for third and fourth, Mr. and Mrs. Mercy Root of Breckenridge and Keith Whitt and Mrs. John Kimble, both of Gorman; east-west, first Roger O'Connor of Ranger and Burtley Richmond of Blanket; second Mrs. John Collins and Mrs. Joe Stephens, both of Eastland; third, Gus Frossard of Gorman and Mrs. Dick Bearman of Lake Leon.

**Grand Jury Returns 7 Indictments**

A 91st District Court Grand Jury was recessed and discharged at 4 p.m. Tuesday after returning seven indictments.

Indictments included: 3 for burglary, 2 for felony theft, 1 armed robbery and 1 armed robbery and habitual criminal.

This brings to 114 the number of criminal cases pending in 91st District Court.

Capias had not been served on those charged at presstime.

During the day and a half in the concluding February term, ten cases were considered. Gerald T. Jones, 28, and Alan Laceyfield, both of Dallas, were indicted for the robbery of Rangers' Sunset Motel Feb. 18 in which approximately \$25 was taken from the owner.

During the two-month term, 32 cases have been considered with 54 witnesses interviewed, 96 bills returned and 25 indictments made. Foreman was L. E. Clark of Desdemona.

# HEALTH COLUMN

AUSTIN — Ever heard of the Texas Interagency Council on Smoking and Health? If you haven't, you will because it's the nation's pace-setter in bringing smoking and health education to the state's youth and adults alike.

Here's the way the concept works to achieve a coordinated effort:

The council is comprised of the Texas State Department of Health, Texas Education Agency, Texas Division of American Cancer Society, Texas Heart Association, Texas Tuberculosis and Respiratory Diseases Association and Texas Medical Association. The Texas Parent-Teachers Association is a cooperating member.

It coordinates the regional conferences in developing leadership within individual school districts, making available to teachers and students special resource materials, consultants and activities relating to the hazards of smoking.

The goal of the Council is to bring to the state an increasing awareness of the health hazard of cigarette smoking with emphasis given to youth. And the goal is being rapidly reached in Texas.

There are 20 regional education service centers over the state where 10 conferences on smoking and health have already been completed; and five more will be completed by spring. This will total 75% of the state.

This is more in one state than in all other states combined.

A special resource kit is provided those school district representatives who attend the conferences and they take the material directly back into their classrooms. This way, education starts immediately and is lost in further meetings with local personnel.

Both national and state authorities in the education field are used as instructors at the conferences.

Recently two noted authorities in the education field met with the Council in Austin to evaluate its progress and stated that Texas is "by far the leader in this endeavor."

What this means, then, is that of all information concerning public health being brought to our students, the hazards of smoking are becoming uppermost in the curriculum. And again, Texas is leading the way.

Lt. and Mrs. Robert F. Gragg of Wichita Falls visited her mother and brother, Mrs. Captola Woods and Bill, on Sunday.

## Christian Science

"Set your affection on things above, not on things on the earth." This is the Golden Text of the Bible Lesson-Sermon to be heard at Christian Science churches on Sunday, March 29. The subject is "Matter."

Passages from the denominational textbook, "Science & Health With Keys to the Scriptures" by Mary Baker Eddy, will include the following: "To ascertain our progress, we must learn where our affections are placed and whom we acknowledge and obey as God. If divine Love is becoming nearer, dearer, and more real to use, matter is then submitting to Spirit. The objects we pursue and the spirit we manifest; reveal our standpoint, and show what we are winning."

In First Church of Christ Scientist, corner Plummer & Lamar Sts., Eastland, the service begins at 11 a.m.
