FEDERAL ADULT CLASS WORK IS DOING WELL

Entries in the commercial classes of the federal adult school are still open. Mrs. Louis Pitcock announced today, with elementary shorthand and accounting being offered. Advanced bookkeeping is also being offered and the bookkeepers of Ranger who want to take advanced work can now do so.

The classes in practical electricity are increasing and on Thursday night work will be begun in building radios. The home making classes are to take up foundation pattern work next Monday after working on the making of novelty buttons of wood.

The cabinet work classes are making furniture from discarded pieces of furniture and are constructing radio cabinets from old phonograph cabinets. In the new material division they are making units for kitchen cabinets, what-nots and end tables. These classes are limited and those who are interested in taking the work should enroll immediately.

The most enthusiastic group is found in the colored classes, where 30 are attending the school regularly. There is a need, Mrs. Pitcock said, in more interest in the literary courses, including English and arithmetic, and unless more enroll in these subjects there is danger that the classes may have to be dropped.

Mavs at Ease This Week; Their First Since Belt's Start

Eastland Mavericks get a rest this week—their first since the season began in September—when they met an Angelo.

No game is matched for the week-end, it was announced at the high school Wednesday. The Mavericks will be at Abilene on Nov. 23, the Eastland team's final conference game.

Raw Cotton Exports Show a Decrease

WASHINGTON, Nov. 14.—Raw cotton exports from the United States in October amounted to 616,000 bales, valued at \$42,768,000, compared with 480,000 bales worth \$31,775,000 in September, the commerce department reported today. In October, 1933, 1,045,000 bales valued at \$54,073,000 were sent aboard.

Holiday Game Tickets to Go On Sale On Tuesday

W. W. Jarvis, registrar of the Ranger High School, announced today that reserved seat tickets for the annual Thanksgiving Day game between Breckenridge and Ranger, would be placed on sale at the drug stores of Ranger on Tuesday morning, Nov. 19.

"There have been many calls at the drug stores for tickets," it was said today by Mr. Jarvis, "and we decided to put the tickets on sale much earlier this year. This will likely be the deciding game of the Oil Belt district and more interest is being shown in it this year than ever before."

Both sides of the field will be reserved, Mr. Jarvis stated, and tickets on the Ranger side will be on sale at the Ranger drug stores, while a large batch of reserved seat tickets will be sent to the Breckenridge High School for sale.

Cooper School Is Winner Over the Hi School Frosh

The Cooper School Bear Cubs defeated the High School Freshmen in a ward school conference football game Tuesday afternoon by a score of 26 to 6 in a game that was filled with as many neatly executed plays and thrills as one would expect to find a Class A high school game.

The execution of individual assignments of the Cooper Bear Cubs, coached by Morris Jeffries, characterized the entire game. McKeehan, lead by brilliant block on the part of Gray, Cox and Savage, accounted for a great part of the yardage gained by Cooper. Cox and Savage displayed speed and power through the line, with Gray aiding with some excellent quarterback work.

Election Shows Need of Party Alignment

The New Year will have come, probably, before people get through talking about what the election signified. Just now we have the rather amazing spectacle of an administration winning the support both of those who feel that it is heading in the direction of change and of those who believe it to be the one secure bulwark against change.

That is to say that Mr. Roosevelt, in some manner, has contrived to draw strength from liberals and conservatives alike. The liberals believe that he is going to amplify and continue those changes inherent in the New Deal; the conservatives believe that he will make as few changes as possible, and that anyone who might be put in his place would almost certainly go farther to the left.

These exceedingly contradictory developments make it very hard to figure just what the election may have meant.

The administration continues to enjoy public support, in a quite unprecedented way; and yet this solidarity is more apparent than real, since it includes the support of two diametrically opposite schools of thought. Mr. Roosevelt cannot forever continue to be the darling of the liberals and the white hope of the conservatives.

All of which is just another way of saying that the much talked-of realignment of parties cannot be postponed much longer.

Liberalism and conservatism are not words of very exact meaning. Nevertheless, they will have to do for want of better ones; and sooner or later they will have to be the unofficial labels of our two chief political parties, with one party standing for the one attitude and the other for its opposite.

For what the New Deal needs more than anything else is a critical and intelligent reappraisal that goes to the fundamentals beneath it. It did not get that in this recent campaign. It cannot get it until the two parties stand for something more than just two groups of assorted office-holders and office-seekers.

The election advanced us very little toward that goal. It succeeded only in emphasizing the necessity for reaching it.

Rattlesnake Loses Battle With Hawk

FORT DAVIS, Texas.—A large rattlesnake lost a battle with a hawk near here recently, but the bird was unable to make off with the prize.

Epsy Miller, rancher, reported that the hawk carried the wriggling snake into the air, but he could not make headway on a straight flight and dropped the reptile.

Miller said the snake was thirty inches long.

The liberal Republicans who are criticizing their party for its losses in the recent election seem to think that its allotment of ivory isn't confined to the elephant's tusks.

Charters In Texas Show An Increase

AUSTIN, Tex., Nov. 13.—There was the usual seasonal increase in commercial failures in October as compared with September, but a sharp drop occurred from the corresponding month last year, according to the University of Texas Bureau of Business Research.

A total of nineteen failures was recorded for October, against eight for September and 34 in Oc-

tober last year. Liabilities totaled \$164,000 in October, compared with 3,193,000 in October last year, a decline of 95 per cent. In September, 1934, total liabilities were \$57,000.

Average liabilities per failure totaled \$8,632, 21 per cent greater than in September but 91 per cent below that of October last year.

Methodist Church History Reviewed

FORT WORTH.—The history of Methodism which came to Texas 100 years ago before the state had broken away from Mexico, was recalled here at the meeting of the 79th Central State conference of the Methodist church, South, which convened here Wednesday.

It was in 1815 that Protestantism first was preached south of the Red river by Rev. William Stevenson, an adventurous man of God, who was destined to be the forerunner of a new spiritual era in this vast section.

In those days it took real courage to bring new religion to this region. The Spanish Dons were

hostile to any religion except that of the Mother church. Reflex were used and battles fought before the rights of the new belief were established.

In 1834 the first disciple of John Wesley settled near Nacogdoches and built a meeting house called McMahan's Chapel. This disciple was Henry Stevenson, a relative of the Stevenson who 19 years earlier had preached the first Protestant sermon in the state.

But the church did not spring up over night, like Noah's gourd. It took the ardent work of a small group of laymen, Robert Alexander, Littleton Fowler, Jesse Hord, Chauncey Richardson, Josiah Whipple, Francis Asbury Mood, W. M. P. McKenzie, Homer Thrall and many others, to form the nucleus of the first congregation in a church movement which now numbers more than 400,000 in Texas.

In those days men killed and themselves were killed, seeking to bring about a spirit of religious tolerance. More than one Methodist person preached from his rough-hewn pulpit with a rifle near at hand a pistol on his hip.

The growth of Methodism is

synonymous with the growth of Texas. A hundred years ago the state had less than 30,000 whites, most of them poor, within her borders. Today there is a population of 6,000,000.

Progress of the state in the past century is due in part to the efforts of these hardy Methodist pioneers.

DEERING, Mo.—Students at Deering High School know how many feathers a chicken has because one of them, Vernon Davis, made an accurate count. The question of a chicken's feathers arose in a classroom session. Guesses ranged from 10,000 to 100,000. Davis killed a chicken and made the count. He said it was 8,537.

Not only members of the Methodist church but the people of our town were sorry to hear that at the Fort Worth meeting of the Central Texas Methodist conference Rev. Z. L. Howell was appointed to the church at Valera in the Brownwood district. For the past two years Rev. Howell has been pastor of the Desdemona-Olden charge and has done splendid work.

Members of the Baptist church deserve credit for the work they have done on their church which they have given a coat of white paint.

Mr. and Mrs. J. H. Adams and daughter, Miss Emogene Adams, accompanied by Mr. and Mrs. Robert Snead and Miss Dorothy Parks, drove over to Gorman Monday and attended the ball game.

Pete Wright, Jean Mitchell, Brownie Woods and Elizabeth Everett of Olden came down Friday evening and visited Mr. and Mrs. Bailey Stark, who went with them to the picture show at DeLeon.

S. M. Bailey left Saturday for his home at Fort Worth after having spent several days here.

Rising Star visited his parents, Mr. and Mrs. Billie Daffern Sunday.

Hutch and Roy Hale visited Noel Hale at Huckabay Sunday night.

Mrs. Oma Daffern visited Grandma Minnick Tuesday.

Callie Lee visited Mrs. F. E. Ferrell Monday.

Jerri Lee visited Terrell Hale Tuesday.

Mr. and Mrs. Roy Thomas and baby spent Tuesday night with Mr. and Mrs. J. H. Ainsworth.

Tom Fox and family of Ranger visited his sister, Mrs. J. H. Ainsworth, Sunday.

Roy Kitchen visited his parents, Mr. and Mrs. J. W. Kitchen, Sunday.

ATWATER KENT RADIO

AN ATWATER-KENT ALL-WAVE RADIO WILL SWEEP YOU TO THE FAR CORNERS OF THE EARTH IN A SPLIT SECOND — BY A SINGLE TURN OF THE DIAL!

LOOK INSIDE!

It isn't necessary to be a radio engineer to recognize the superiority of Atwater-Kent workmanship. Simply look at the chassis. You may not understand the technical advantages of the superheterodyne circuit or the nicety of the adjustment which provides genuinely efficient all-wave reception. But one thing is certain: YOU'LL KNOW GOOD WORKMANSHIP WHEN YOU SEE IT!

Note the finished appearance of every part, even those hidden away where they are hard to see. Note the self-evident quality of materials and the sturdy construction methods by which they are assembled. In short, note the attention paid to every mechanical detail—then think what watchmaker precision of this sort will mean to you in terms of years of the finest, trouble-free radio entertainment.

OLDEN

Special Correspondent

Mr. and Mrs. J. H. Munn and daughters, Erlene, Unita and Pat, spent Sunday visiting Mr. and Mrs. E. R. Maxwell in Gatesville, returning to their home in Olden late Sunday night.

Robert Crawford, who was quite ill last week, is able to be up and around now.

Little Billie Cronk has been quite ill with chickenpox but is much improved at this time.

Mr. and Mrs. J. P. Crawford's children have been ill with chickenpox.

Mrs. J. H. Munn, Mrs. James Ward and Mrs. C. B. Croft went to Desdemona Tuesday, Nov. 13, to attend the Baptist workers' conference.

John Adams celebrated her sixteenth birthday Sunday, Nov. 11. John was born on Nov. 11, 1918, 20 minutes after 11 o'clock, the day the armistice was signed. A small, informal party was given last Saturday night in her honor at her home. Bridge, "hearts" and other games were played. At 9:30 the group enjoyed refreshments in the dining room. The table was prettily arranged in crystal glassware and a centerpiece of roses and chrysanthemums. Sandwiches, hot chocolate, fruit salad and birthday cake were served. Those present were Misses Eloise Morton, Katherine Stanton, Mary Ford and Jean Adams, and Meses. Cordell Union, Baldrige Crawford, and Glen Adams.

Mr. and Mrs. Claude LeChaire and daughters, Eula Mae and Christine, accompanied Mr. and Mrs. Sam Newcomb to Fort Griffin Saturday, where they visited Mr. Newcomb's brother, Mr. Art Newcomb.

A large number of Olden football fans attended both the Eastland and Ranger games Saturday and Monday.

Mrs. E. B. Miller left the first of the week for her home in Baton Rouge, La., following an extended visit with her parents, Mr. and Mrs. G. L. Russell here.

C. A. Howell has purchased a 10-acre tract in northwest Olden, which was originally part of the Harris survey.

Mrs. T. M. Maxwell received an announcement from Mr. and Mrs. George Belcher in Oklahoma City of the arrival of a baby son to them there last week. Mr. and Mrs. Belcher formerly lived in Eastland where they managed the Connelley theatre and have many friends here who wish to extend them their heartiest congratulations upon the arrival of their son.

At the general election in this precinct, held last Tuesday, Nov. 6, only 54 voters exercised their right to vote although almost 200 were eligible through poll tax payments or exemptions.

The Olden school now is equipped in each room with radio loud speakers. The radio room is completely equipped and has facilities whereby any one or all of the rooms may be tuned in or out, thereby permitting those programs of educational merit to be heard in the grades to which they are best suited. The large radio was donated to the school by A. H. Henderson, superintendent of the Magnolia Petroleum company here.

And while we are on that subject, Olden owes a vote of thanks to Mr. Henderson and the company he represents for the lights at the croquet ground which are furnished free. Many people here enjoy the croquet games each night and greatly appreciate the adequate light, which were made possible by Mr. Henderson.

Mae Edna Ward celebrated her thirteenth birthday Sunday, Nov. 11. She is the daughter of Mr. and Mrs. James Ward and a talented little violinist.

Jack Stephens visited his mother, Mrs. Will Stephens, in Stephenville Saturday.

Miss Maxine Francis of Eastland, teacher of tap, ballet and acrobatic dancing, was in Olden last week to organize a class in dancing, which is to meet every Friday at the Olden hotel.

A. J. Abbott of Austin was an Olden business visitor Thursday of last week.

A Toledo jury convicted a gangster in connection with four murders, but recommends mercy. As though the gangster understood that word.

Kansas again insisted on remaining dry, while six more states seemed to go over for repeal. Kansas must be waiting until the liquor gets better.

Squash Grew in Apple Tree AUBURN, Me.—C. S. Bragdon picked a 15-pound squash in one of his apple trees. The vine had climbed the tree.

With all the flying being done to and from Australia, the continent seems so close now, the bootleggers and racketeers soon may include it in their territory.

MASHUA, Mont.—All the pioneers aren't dead. John Desgeret, farmer, and his wife recently walked 70 miles to herd their sheep here for shipment.

U. S. libraries have registered a total of 24,000,000 book borrowers, although those who fail to return the loans might be classed as book buriers.

Outstanding Attractions At Two Theatres

ROGERS AND ASTAIRE ARE IN 'DIVORCEE'

A week of really outstanding screen entertainment has been announced beginning today by B. E. Garner local city manager of the Arcadia and Columbia theatres. In addition to excellent feature bookings carefully selected short subjects have been booked to make the entertainment complete in every detail.

Starting the week Friday the Arcadia plays Pursued with Rosemary Ames and Victor Jory. This is a story about a young night club entertainer and promised to very entertaining. Supporting this cast is Pert Kelton and Russell Hardie. To complete the program for this day a 20 minute Todd and Kelly comedy, Three Chumps and a 10 minute oddity are included.

The really big picture of the week comes to the Arcadia Saturday and Sunday when Ginger Rogers and Fred Astaire will be seen in the latest musical hit, Gay Divorcee. Astaire and Rogers will be remembered for their performance in Flying Down to Rio in which they introduced the "Carioca," a dance that took the country by storm. In their latest picture another dance, even greater than the Carioca, is introduced. It is the Continental, and is a sensation. A 10 minute short subject, Grandfather's Clock, and a Pathé News reel complete this already complete booking.

Monday and Tuesday for the first time in several months Ronald Coleman will make his appearance in Bulldog Drummond Strikes Back. This picture is Coleman's latest and has already promised to be his best. Supporting Coleman in this picture are Loretta Young, Warner Oland, Charles Butterworth and Una Merkel.

Wednesday and Thursday the greatest baseball picture of the year comes to the Arcadia screen. It is Murder on the Diamond, which stars Robert Young and Madge Evans. This is a picture about a championship baseball team which encounters many fatal blows on and off the field. Nat Pendleton and Ted Healy support Young and Evans in this picture. A Laurel and Hardy comedy, 10 minute musical short and Paramount News are added.

The Columbia shows Buck Jones in the Avenger Saturday, which picture promises much action and many thrills. The fifth chapter of serial Lost Jungle and a 10 minute screen song, Lazy Bones, complete this bill. Sunday this theatre is booked with Where Sinners Meet, which picture stars Clive Brook and Diana Wynyard. A Walter Catlett and Eugene Pallett comedy and cartoon complete this booking.

ARCADIA SATURDAY

Those dancers de luxe, Fred Astaire and Ginger Rogers, now introduce "The Continental," sensational dance feature of "The Gay Divorcee," RKO-Radio's lavish musical film, in its ballroom form. bids fair to surpass that of the "Carioca," in which these two stars made an international hit.

Coleman Is Back As Expert Called For 'Drummond' Again

Ronald Coleman returned from a year's vacation to bring an old friend back to the screen of the Arcadia theatre, where "Bulldog Drummond Strikes Back" begins Monday.

Ever since Coleman made the earlier talkie, "Bulldog Drummond," the filmgoing public has retained a fond memory of the dashing Captain Hugh Drummond whom he first portrayed in that picture.

Drummond also holds a fond place in Coleman's heart, for it was in the creation of his character that he scored his greatest screen hit.

It was pleasant news to the star, therefore, when Joseph M. Schenck and Darryl F. Zanuck informed him that they had purchased "Bulldog Drummond Strikes Back" as his first starring vehicle under their new contract with their 20th Century Pictures.

The story is based on the latest novel by H. C. McNeile, depicting the further exploits of the lovable adventurer. The excitement starts when Drummond attempts to unravel a completely baffling mystery for a beautiful young girl whose uncle disappears strangely in the London house of a sinister Oriental prince.

Loretta Young portrays the girl, Warner Oland plays the prince, Charles Butterworth is seen as Drummond's not quite bright friend, Algy, and Una Merkel appears as the bride Algy deserts on her wedding night to dabble in mystery with Drummond. C. Aubrey Smith plays Inspector Nielson of Scotland Yard who contributes complications.

Buck Jones Coming To Columbia Theatre

"The Avenger," Columbia's new feature, coming to the Columbia theatre Saturday, tells the romantic story of Joaquin Murieta, a famous California Robin Hood of the days of '49.

Buck Jones, noted actor and daredevil horseman, plays the part of the picturesque bandit. Dorothy Revier has the feminine lead, portraying a pretty school teacher who is in love with Joaquin. Other well-known screen artists who make up the supporting cast are Edward Peil, Sr., Otto Hoffman, Sidney Bracy, and Walter Percival. Roy William Neil is the director.

Boys Kill Bobcat With Bean Shooter

QUANAH.—Armed with ordinary "beanshooters," two Quanah boys bagged a bobcat four miles northwest of here.

The cat was sighted in the top of a tree. A well-aimed pebble from the sling struck him in the eye and he fell to the ground. He sought refuge in a hole but the boys drove him out and beat him to death with stones and sticks. The cat weighed almost 20 pounds.

Bobcats are sighted occasionally in Hardeman county, but rarely is one reported killed.

Meeting Is Called To Discuss Plans For Auditorium

A special meeting of the board of trustees of the Ranger Independent School District and a number of citizens of Ranger has been called for Friday evening at 7:30. The meeting is to be held in the offices of the chamber of commerce.

The purpose of the meeting is to give the citizens an insight into the plans for completing the city auditorium and gymnasium and to seek the cooperation of all in aiding the school board in seeing that the project goes through to completion.

Dance King And Queen Co-Starred In "The Gay Divorcee"

Many motion picture casts have boasted peers—even a duke or so—but RKO-Radio goes them all two better by co-starring a king and queen in the current musical comedy, "The Gay Divorcee," at the Arcadia theatre Saturday and Sunday.

Fred Astaire and Ginger Rogers, the stars, were recently crowned, by public acclaim, as the "King and Queen of Carioca" because of their interpretation of the fiery, exciting dance in "Flying Down to Rio."

In "The Gay Divorcee" the great terpsichorean pair present two grand new dances, one called "Day and Night," originated by Astaire and called "the dance of moods," another, the hit of the show, called "The Continental."

The latest creation, staged by Dave Gould, who staged the "Carioca" in "Flying Down to Rio," has already become the rage with movie folks, who call it "The Joy Dance," because it is said to combine beauty and sport, and is also well within the capabilities of young and old.

Music and lyrics for "The Continental" are the work of Con Conrad and Herb Magidson, authors of the current novelty song, "Yes, Sir, I Love Your Daughter." Conrad wrote "Champagne Waltz."

The play, a brisk and rollicking comedy built around a 100-mile-an-hour romance involving Astaire, Miss Rogers, Alice Brady and Edward Everett Horton, was adapted for the screen from the stage play which ran a full season in New York and another six months in London, starring Astaire.

Students Can Study Wild Life From School Window

ALPINE, Texas, Nov. 13.—School children on the Kokernot ranch, 15 miles north of here, don't have to leave their books to study wild life—they simply gaze out of the schoolroom windows.

The ranch is located in the heart of the Davis mountains and is ideally situated for wild animals. Deer in herds of 15 to 20 animals stroll by the schoolhouse. Squirrel play in an orchard nearby. Panthers have been seen on the ranch.

Martha Anderson is the teacher, and conducts classes of Mary Ann Kokernot and two Mexican girls.

Misses Elsie and Lena Meneghetti were Ranger visitors Sunday evening.

Mr. and Mrs. Cecil Goff of Mineral Wells visited relatives here Saturday.

Clarence Ledbetter, who has been visiting in Meral Wells is home again.

Pedro White and Misses Meneghetti and Miss Olympia Soligam motor to Breckenridge Friday evening.

A large crowd composed of Mingus and Gordon folks attended the dance in Stephenville Wednesday night.

A. F. McMillan and A. P. Tarr and Misses Lena and Emma Meneghetti attended the show in Ranger Sunday night.

Cow Produces a Third Set of Twins

CLEBURNE, Texas, Nov. 13.—If all cows were as industrious as one belonging to Mr. and Mrs. J. F. Milstead of the Sand Flat community, the government's cattle reduction program would be of little avail.

The cow has just produced her third consecutive set of twin calves. And what is more, five of the calves were heifers.

FALLON, Nev.—W. J. Heath, rancher, claims to own the heaviest calf born. The calf, named Baby Jumbo, weighed 127 pounds at birth. It was the second offspring from a Holstein cow now weighing 1,100 pounds. The average weight of baby Holstein calves at birth is about 75 pounds.

Eugene Everett Boston, 52, died Sunday morning at Harris sanitarium, Fort Worth, following an illness of two years' duration. Funeral services were held at the residence Monday afternoon conducted by Rev. W. H. Rucker, pastor of Strawn Baptist church, and Rev. W. E. Anderson, pastor of the Methodist church here. Burial was in the Thurber cemetery. Mr. Boston was born in Missouri on Sept. 17, 1882, coming to Texas in early manhood. He was married to Miss Grace Abbott in 1910. To this union three children were born, Florene, Ernestine and Charles. Ernestine preceded her father in death. Survivors other

than his wife and children are his father, A. L. Boston of San Angelo; two sisters, Mrs. Hall of Dallas, Mrs. Tullie of Cleburne; two brothers, Tom Boston of Stamford and Jack Boston of Angleton. For a number of years he was employed by the Texas Pacific Coal & Oil company and was honored and respected by everyone who knew him.

The ladies of the Methodist W. M. S. held a business meeting and social at the home of Mrs. C. H. Martin last Tuesday afternoon. After the business meeting a pleasant social hour was enjoyed. Cake and punch was served to Meses. W. M. Brown, H. L. Foster, Ben Robinson, Will Eyley, O. C. Callaway, H. M. Brown, Will Oyler, Miss Lavada Fenner, and the hostesses.

Mr. and Mrs. S. G. Bridges had as recent visitors Mr. and Mrs. Lonnie Bridges and daughter of Graham and Oren Bridges of Graham.

Joe Bailey Callaway of Fort Worth spent the week-end with homefolks.

The Epworth league meeting was held at the church Sunday evening at 6:30 o'clock. The leader, W. C. Bridges, gave an interesting talk on "What is the Christian Church." All of the young people are invited to attend these meetings.

Mr. and Mrs. Maurice Willett of Fort Worth spent the week-end with her mother, Mrs. Minnie Hale.

Rev. and Mrs. W. E. Anderson had as visitors Friday Newton Anderson and family of Pioneer and Mr. and Mrs. R. O. Jacobs of Rising Star.

Mrs. Sharp and children and Miss Estelle Hammitt attended trades day at Strawn Saturday.

Mr. and Mrs. E. Masters of Spokane, Wash., visited several days with Mrs. Maggie Masters.

M. M. Miller is on the sick list this week.

Rev. W. E. Anderson attended the annual Central Texas conference at Fort Worth this week. He will go to Abilene Wednesday to attend Northwest Texas conference.

Mr. and Mrs. Ray DeCordova of Fort Worth spent the week-end here.

Miss Ardell Caery of Abilene spent the week-end with her parents, Mr. and Mrs. M. M. Caery.

Mrs. C. H. Ransdell had as week-end guests her parents from Hemleigh.

Byron Richardson underwent an appendicitis operation in Breckenridge Tuesday. Although his appendix had ruptured he is resting well and we wish him a speedy recovery.

Rayford Gilbert is visiting his parents this week. He has been in the navy the last two years and his many friends are delighted to see him.

Mrs. Toke Mansker visited in Caudo Sunday.

Mrs. Grace Ledbetter visited her brother, M. M. Caery, Monday.

Mr. and Mrs. M. M. Caery made a business trip to Breckenridge Wednesday.

Miss Addie Laddner of San Angelo spent the holidays with her sister, Mrs. J. M. Brown.

Miss Moseley spent the week-end visiting in Gorman and Ranger.

Miss Gentry visited friends in East Texas over the week-end.

Miss Evelyn Thompson of Aker spent Wednesday visiting friends and relatives here.

A very large crowd attended the party at the home of Mr. and Mrs. Bob Gilbert Tuesday night, given in honor of their son, Rayford. All reported a very good time.

We are very glad to have Rev. Mr. Helms as our pastor for another year.

The P. T. A. met Wednesday night at the schoolhouse in a business meeting. It was decided to have the meetings on the second and fourth Wednesday nights of each month. The next meeting will be in the form of a social. A large crowd was present and we urge that all the parents attend the meetings.

Three from Ranger Named On the TCU Celebration Group

FORT WORTH, Nov. 13.—Trickey Ward and Mr. and Mrs. R. F. Holloway of Ranger have been named local chairman for the annual Texas Christian University Homecoming, Saturday, Nov. 17, by Mrs. Charles A. Stephens, stage president of the exes.

Mr. Ward and Mr. and Mrs. Holloway will be the official homecoming representatives from Ranger and will represent the state association in promoting interest in the affair among the T. C. U. exes in the Ranger section.

The football game between the Horned Frogs and the Texas Longhorns will, of course, be the chief item of interest on the program of the day. Other features will be a giant pep rally, Friday night, an alumni "mixer" Saturday morning, the annual reunion luncheon at noon, and an open house in Jarvis Hall that evening, followed by the Homecoming dance, sponsored by the "T" Association of the school.

Officials of T. C. U. report a large advance ticket sale, indicating that the largest crowd of the 1934 season will attend the annual Frog-Longhorn grid contest.

Terrible Turk to Make Appearance At the Elks Arena

Jim Shaber, the Terrible Turk, a newcomer in Texas, will make his first appearance before the Ranger fans in the semi-final, one-hour time limit bout. He is a tough boy and brings his Turkish whiskers with him. He meets a worthy opponent in former Coach Simmons. Simmons holds the welterweight championship of the Pacific coast. This bout promises to be full of

action all the way. The main event is to be a two-hour time limit bout, best two out of three falls, between "Horse-shoe" MacIvers, the fighting Scotchman, and Lew Kodrick, the little giant. Lew has wrestled in Ranger on a number of occasions and has successfully defeated his opponents on each occasion. The show will start promptly at 8 o'clock.

HOPKINS WILL PROBE RELIEF EXPENDITURES

WASHINGTON, Nov. 10.—Relief Administrator Harry L. Hopkins today met the challenge of Senator William E. Borah of Idaho, ordering a prompt and thorough gathering of any information on alleged "shameful waste in giving out funds."

Hopkins assigned his investigation division to the inquiry, directing all facts available with regard to Borah's charges be obtained.

Earlier Hopkins said he was willing that congress should initiate an investigation of relief expenditures, provided "Senator Borah will be good enough to furnish me with a bill of particulars regarding what he characterizes as 'shameful waste in doling out funds.' If so, I promise him quick action."

A FERA representative will be instructed to interview Senator Borah, asking him to elaborate on the evidence, if any, at his disposal. If Senator Borah reveals any irregularities, Hopkins appeared ready to act to remedy them.

A Unique Business Is Opened In Ranger

A new and unique firm has opened for business in Ranger in the form of a Helpy-Selfy laundry at 300 Hunt street.

The name comes from the fact that customers of the new firm can bring their bundle of clothes and find everything ready for them to put out their own washing at a very small price per hour.

Signs Invite All To Ranger Churches

Attractive signs, reading "Welcome to Church in Ranger," have been installed on all the roads leading into the city of Ranger, as an invitation to out-of-town visitors.

The signs were sponsored by the ladies of the First Christian church, but were paid for by donations from members of all the churches in the city.

BANTAMWEIGHT PLANS RETURN TO PRIZE RING

MONTREAL.—"Panama Al" Brown, deposed bantamweight champion of the world, will try to wig back his title in the forthcoming world's bantam elimination tournament here, it is announced. Promoter Armand Vincent said Brown had advised him by cable from Tunis that he will arrive in Montreal in December to take part in the tourney.

CAT RIDES ON FLYWHEEL

BRETON, Alta.—Tabby, a pet cat, is the latest champion of the world's "loop-the-loop" record. It made 7,500 consecutive loops in an hour and 15 minutes. Tabby strayed into a sawmill near here and jumped into the rim of a flywheel. Somebody started the wheel, and Tabby started "looping-the-loop" at the rate of 100 revolutions per minute. The cat remained in the wheel 75 minutes before workmen heard it cries. When the wheel was stopped, Tabby jumped out, and staggered away in a bush nearby. It has not been seen since.

He had served as chief for 15 years. Murphy, at the time of his resignation, was the oldest employe of the city and one of the oldest in the state in point of service.

JURY AGREES AFTER FURTHER DELIBERATIONS

Mrs. May King of Deadmona, charged with the murder of Leon Robinson, Gorman night watchman on the night of Nov. 13, 1933, was today found guilty by a 91st district court jury and her punishment fixed at two years in the penitentiary.

First reports from the jury said that they stood 7 to 5 for conviction after deliberating since Thursday. The verdict was reached Friday at noon, after they reported to Judge Davenport earlier that they were hopelessly deadlocked, but were asked to continue their deliberations longer.

Mrs. King was tried in the district court in February of this year, at which time the jury was hung and, after failing to reach an agreement, were dismissed.

It was not announced whether defense attorneys would make a motion for a new trial, or if an appeal would be filed from the findings of the petit court jury.

Waxahachie Baby Wins Contest Honors

WAXAHACHIE, Texas.—Waxahachie's sons yield the palm to no one.

Samuel Edward Noel, aged 1, has just won honorable mention in the largest baby contest, in competition with 100,000 youngsters from all over the country.

The contest was conducted at the Century of Progress Exposition in Chicago. Visitors at the fair did the choosing, casting ballots for the babies they considered the best.

Samuel Edward is the son of Mr. and Mrs. Frank Noel of Waxahachie.

Unemployed Trek To Burnet to Get Work On Big Dam

AUSTIN, Nov. 13.—Passage of the Colorado river bill for completion of a hydro-electric project near Burnet has started a migration of unemployed to Burnet county, relief headquarters reported today.

Burnet county Relief Administrator Fred Craddock appealed to state authorities after he had received 20 applications for relief from the stream of men moving into Burnet to await the beginning of construction work. Authorities advised it was likely construction work will not begin for at least four months.

Funeral Is Held For Aged Resident Of Ranger Tuesday

Funeral services were conducted at 2:30 Tuesday afternoon at the Central Baptist church of Ranger for William Syrus Witt, who died at his home in Ranger Monday, Nov. 12. The services were conducted by Rev. K. C. Edmonds. After the services at the church the body was shipped to Terrell for interment. Killingsworth, Cox had charge of the shipment of the body.

The decedent was born in Alabama on July 9, 1855 and had been a resident of Texas for a number of years. He is survived by two sons, W. C. Witt of Kemp and G. R. Witt of Ranger, and four daughters, Mrs. Sude Kennedy of Poscock, Texas, Mrs. Estel Lee Kennedy of Tres Lagunas, New Mexico, Mrs. Joe Perl Adams of Abilene and Mrs. Fannie Mae Bigham of Cleburne.

Rev. J. M. Bond Is Returned to Ranger

Rev. J. M. Bond, pastor of the First Methodist church of Ranger for the past year, has been returned to his pastorate by the Central Texas Conference, which met in Fort Worth.

Rev. Bond returned to Ranger Monday in time to attend the Ranger-Cisco football game. He said that he was delighted at being returned to Ranger because he felt that his work here was not completed.

Oil Belt Bible Class In Contest

Oil Belt Men's Bible class of Central Baptist church, is now holding a contest in the class to increase membership with a prize of the side losing treating the opposing side to turkey banquet. Joe Dennis is captain of one group and T. J. Anderson heads the other.

Reports from the class indicate the membership has been doubled and the group captains say 100 men in the class each Sunday is the goal. The drive will continue through the balance of the year and the losing side will serve turkey banquet shortly thereafter.

Wallace Wagner is teacher of the class and the meeting begins promptly at 10 on Sunday morning.

Huey Long Would Give Everyone a Fortune If President

BATON ROUGE, La., Nov. 13. Senator Huey Long today unveiled the national program which his friends and political associates say he hopes will put him in the running as a presidential candidate in 1936.

Long was vague about presidential aspirations, but should Lady Luck smile, he intimated, he would not be asleep.

"If I was running his country, I'd guarantee a fortune of not less than \$5,000 and more, if necessary, to every American family to provide for a home, the education of their children and something to eat and something to wear," Long said.

Long gave his interview in the new state capitol where his closely controlled legislature is in session, passing laws which he says will make Louisiana a Utopia.

23 CHILDREN TOO MANY

MIAMI, Fla.—The saddest story police here have heard came from a negro woman, whose husband ran away and left her after she had borne him 23 children, including quadruplets.

IF YOUR BREATH HAS A SMELL YOU CAN'T FEEL WELL

When we eat too much, our food stays in our bowels. Our friends smell the leaky coming out of our mouth and call it bad breath. We feel the poison of this leak all over our body. It makes us stinky, groggy and so good for nothing. What makes the food decay in the bowels? Well, when we eat too much, our bile juice can't digest it. What is the bile juice? It is the most vital digestive juice in our body. Unless it gets into our bowels every day, our movements get hard and constipated and 4 of our food decays in our 23 feet of bowels every six minutes.

When our friends smell our bad breath (but we don't) and we feel like a whipped animal, don't use a mouthwash or take a laxative. Get at the cause. Take Carter's Little Liver Pills which gently start the flow of your bile juice. But if "something" is offered you, don't buy it, for it may be a salomol (mercury) pill, which causes tooth, gripes and sends the rest of many people. Ask for Carter's Little Liver Pills by name and get what you ask for—54¢, C1884, C.M.C.

Chastain Tells How Tax Bill Will Aid the People

Those who owe taxes which were delinquent on Aug. 1, 1934, will now have the opportunity to pay them without the penalties and interest which have heretofore accrued on them, according to Chastain at Austin.

The Pope law which was passed in the closing days of the fourth called session, will be effective immediately as a result of a resolution which was passed after the bill was passed. When the bill was passed it did not receive the necessary two-thirds vote in the senate to place it in immediate effect so the resolution was later passed in order to accomplish this purpose.

The law provides that all penalties and interest on ad valorem taxes which were due on or before Aug. 1, 1934, are released if the taxes are paid on or before March 15, 1935. If the taxes are paid between March 15, 1935, and April 1, 1935, there will be added a penalty of 2 per cent. If the taxes are paid during the month of April there will be added a penalty of 3 per cent. If the taxes are paid during the month of May there will be added a penalty of 4 per cent. If the taxes are paid during the month of June there will be added a penalty of 5 per cent. If the taxes are paid after June 30, 1935, there will be added a penalty of 8 per cent, together with interest at the rate of 6 per cent per annum.

The law is mandatory on all cities, school districts, water districts, etc., up until March 15, 1935. After that date the law is optional and the governing bodies of political subdivisions of the state may adopt the provisions of the law by passing an ordinance or resolution to that effect.

Morris Sheppard To Renew Fight for Prohibition Era

WASHINGTON, Nov. 13.—A determination to renew the battle for national prohibition in the next congress was voiced today by Sen. Morris Sheppard of Texas, author of the repealed 18th amendment.

"The reaction in favor of repeal has just about run its course," Sheppard told the United Press. "I predict that we will make up the ground we have lost in the prohibition cause and go on to another period of prohibition."

He already has introduced a joint resolution providing for a return of prohibition and retraction of the repeal amendment.

Ranger and Eastland In First and Second Place District Race

Ranger, by virtue of continuing their season of victory by their defeat of Cisco, and Eastland through its win over Brownwood now occupy first and second position, respectively, in the district standing. Breckenridge shares with Ranger the first position.

The standings are as follows:

Team	W	L	Pct.
Breckenridge	4	0	1.000
Ranger	3	0	1.000
Eastland	2	2	.500
Ahilene	1	2	.333
Cisco	1	3	.250
Brownwood	0	4	.000

Arnon Anderson, Ranger quarterback, by his two touchdowns and six extra points ran his scoring total up to 62 Monday. Rankin Britt, Ranger fullback, scored once Monday to send his total to 48, four points ahead of Tully of Eastland.

Garrison, Eastland maverick back, moved into fifth place in the district scoring by his three touchdowns Saturday against the Brownwood Lions.

Waples-Platter Head Dies After Illness

FORT WORTH, Nov. 10.—Lloyd H. McKee, pioneer citizen here and president of the Waples-Platter company, died at 12:50 p. m. today at his residence here.

He had been critically ill for three weeks following a heart attack. Funeral services will be held early next week.

BANISH COMMON CONSTIPATION WITH DELICIOUS CEREAL

Kellogg's ALL-BRAN Brings Relief

Look out for headaches, loss of appetite and energy, sallow complexions, sleeplessness. Frequently, these are warning signs of common constipation. If neglected, your health may be impaired.

Today, you can rid yourself of common constipation by eating a tempting cereal. Laboratory tests show that Kellogg's ALL-BRAN furnishes "bulk" and vitamin B to aid regular habits. ALL-BRAN is also rich in iron for the blood.

The "bulk" in ALL-BRAN is much like that found in leafy vegetables. Within the body, it forms a soft mass. Gently, this clears out the intestinal wastes. How much better this is than taking patent medicines!

Two tablespoonfuls of ALL-BRAN daily will usually overcome most types of common constipation. Chronic cases, with each meal. If seriously ill, see your doctor. ALL-BRAN makes no claim to be a "cure-all."

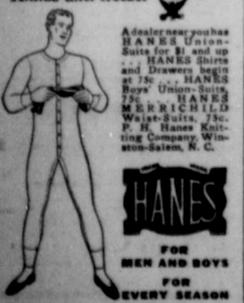

Serve ALL-BRAN as a cereal, or use in cooking. At all grocers. In the red-and-green package. Made by Kellogg in Battle Creek.

"HANES UNDERWEAR is my anti-freeze"

OLD MAN SHIVER, he don't do nothing, if you just keep buttoned in HANES! Get hold of a Heavyweight Champion, and smooth your hand around inside . . . let the thick, rich pile curl under your fingers, and imagine HANES hugging your body. It's the most comfortable feeling in the world . . . to have that warm, fleecy fluff softly rubbing your ribs!

You won't feel all cooped up in HANES. There's nothing to hold you back, when you bend or stretch. Elastic-knit and cut to your full size, HANES gives you plenty of "give"! Convicted of the Murder of Negro; Given Two Years

Sam Gardener, Brownsfield, was given a two year suspended sentence in 91st district court Thursday afternoon after pleading guilty to the murder of Ira Lashley, negro of Romney, on Dec. 20, of 1933.

The jury is reported to have been out less than 15 minutes until they reported to the court.

New Trial Motion Overruled Saturday

Motion for new trial by Mrs. May King was overruled Saturday in the 91st district court at Eastland. Mrs. King Friday was assessed a two-year term in the penitentiary for the alleged murder of Leon Robinson, Gorman night watchman on Nov. 13, 1933.

It is understood the case will be carried to the court of criminal appeals.

Pecans From a Tree Planted By Former Gov. Hogg Received

Superintendent of Eastland Schools P. B. Bittle has received pecans from the tree planted by former Governor Jim Hogg at Austin.

They were sent by Cecil Lotief, representative, who stated in a letter to the superintendent that they were given him by the Board of Control to be mailed to some school in this district.

Lotief stated they might be planted around the school grounds in Eastland.

St. Mark's Colored Baptist church of Cisco will observe the Thanksgiving Day religiously. The membership of the church will render the program.

O. B. McKinney, pastor, will deliver a special sermon, it was announced. Colored people of this district have been invited. A turkey dinner will be served from 12:30 to 2 p. m., according to the announcement.

BUILT MODEL IN 8 MONTHS
SAN FRANCISCO.—Tevis E. Dooley, former navy man, worked eight months on his contribution to the Navy Day observance in the San Francisco bay region. Dooley made a 20-pound model of the U. S. Destroyer Chauncey from pots, pans, pieces of an alarm clock and a chunk of white cedar. The model was exhibited in a downtown show window.

Teachers Are Apt To Talk Too Much Educator Claims

EL PASO.—Public school teachers are apt to talk too much and not give the children a chance to tell what they know, according to Lynn E. Davis, assistant superintendent of schools here.

In a letter of criticism distributed recently to all El Paso teachers, Davis listed 23 mistakes that teachers, especially inexperienced ones, often make.

These mistakes included:

- Talking too much and too loud.
- Aloofness on the part of the teacher who holds himself apart from his pupils.
- No attempt to arouse enthusiasm and interest.
- Permitting a few brilliant pupils to do all the reciting and class work.
- Impoliteness and bad manners in class.
- Failure to show animation and life.
- Failure to develop character.

Rev. Hugh Blair Preached On Sunday

Rev. Hugh Blair, county missionary Eastland county Baptist churches, preached at both the morning and evening services at Central church last Sunday. Rev. H. H. Stephens, pastor, is in attendance at the state Baptist meeting at San Antonio.

Prayer meeting Wednesday at the church will be led by Les Taylor and the entire membership of the church is invited.

HAS TREE AS MONUMENT
SALE LAKE CITY, Utah.—There is a living monument to the War of 1776 growing here. It is a tree that has sprung from a shoot of the famous elm in Cambridge that formed a canopy over the head of George Washington when he took command of the Continental Army. Its planting was the highlight of the local grade schools' 1931 Arbor Day celebration.

Activities of the H. Demonstration Clubs of County

Yard Improvement
 "Yard plans are as essential as patterns in making dresses and should be put on paper because improvement is a long time job," stated Miss Onah Jacks, landscape specialist, College Station, to a group of home demonstration agents and home demonstration club women in a foundation planting demonstration at the home of Mrs. J. W. Hancock, north of Rising Star.

A complete plan of the yard, which is to be the pattern yard of the North Star home demonstration club, was made to include the following essentials of a well landscaped yard: Trees for shade and back ground at side and back of house. Smooth, unbroken grass lawn. Foundation plantings of permanent shrubs. Screen and border plantings where needed. Roses and flowers in separate beds in the side or back yard. Convenient service yard and sanitary toilet. Walks and drives where needed.

Mrs. Hancock had previously worked the beds around the house and they were well cultivated and the soil in condition for planting the nineteen foundation plants across the front and little to the side of the house. Buck bush, wax leaf ligustrum, Abelia, Nandina and Euonymus were used in the planting. Other plants will be added from time to time, following the plan exactly.

In addition to Miss Jacks, Miss Kate Adele Hill, district home demonstration agent, College Station, and the following county home demonstration agents and club women attended: Mayesie Malone, Brown; Gertrude Brent, Coleman; Mayme Lou Parr, Howard; Emma Gunter, Mitchell; Vida Moore, Callahan; Ruth Ramey, Eastland; Mrs. B. Watkins, Mrs. J. T. Coursey, Mrs. Lee Burkhead and Mrs. Ann Tyson.

Wardrobe Demonstration
 Plan clothing according to individual needs, keep record of clothing expenditure for individual, have foundation pattern and make dress for county and state contest are some of the goals of Mrs. Edwin Erwin, Class 1 wardrobe demonstrator, Sabanno home demonstration club, will complete during the 1934-35 year's work. Mrs. Erwin will take inventory of clothing on hand, put all clothing on hand in good condition and study line and color, construction and selection of garments needed to have a more harmonious and economical wardrobe. Adequate storage space will be made or improved. She will budget the wardrobe and buy the garments according to what is needed and the kind.

Bedroom Demonstration
 Have all undesirable articles and furnishings removed; all furnishings in the best possible condition, comfortable beds with adequate supply of suitable bedding, have furnishings arranged to the best advantage for the particular room are some of the goals Mrs. F. M. Gattis, bedroom demonstrator of the North Star home demonstration club will work out during the 1935 program. In addition to these Mrs. Gattis will make a cotton mattress and work with the other club women to help with making the beds more comfortable.

Regarding Delinquent Taxes
 The committee report on the Delinquent Tax Bill has finally passed both Houses of the Legislature and will now go to the governor's office for her approval.

The bill as passed will not become effective until February 8, 1935, because it failed to get the necessary two-thirds vote in the Senate to put it into immediate effect. Under this law all interest and penalties that have accrued on all ad valorem and poll taxes which were delinquent on or before August 1, 1934, are released if such taxes are paid on or before March 15, 1935. This includes city and school district taxes, as well as county and state.

Such taxes may be paid after March 15, and before April 1, 1935 with an addition of two per cent penalty on said taxes, and may be paid during the month of April, 1935, with an addition of three per cent. If paid during the month of May, four per cent penalty is added, and if paid in June a penalty of five per cent. If such taxes are paid after June 30, 1935, eight per cent penalty is added thereto, together with interest on said taxes at the rate of six per cent per annum on and from July 1, 1935.

Under this Act is such delinquent taxes are not paid on or before March 15, 1935, the provisions of this Act shall not apply to cities, towns and independent school districts, unless and until the governing body thereof shall adopt a resolution, or ordinance adopting the provision of this Act. The Act does not delay, or extend the time for payment or delinquent taxes, nor prevent suits for collection of same; but remits penalty and interest as above set out. The Act provides that no additional cost shall be charged against anyone who shall pay his taxes under the terms of this Act.

ON TEXAS FARMS

A specially prepared bed in which she systematically roots cuttings; the use of native shrubs; a definite plan for landscaping the farmstead; and the expenditure of \$3 together with some sure enough work has given Mrs. B. F. Curry, home demonstration club member of Matagorda county a lovely yard.

From Brazos county comes this story of improved farm conditions as a farmer every one of them has been paid up in full this fall and is out of debt, and I give the cotton control program credit for the improved conditions and financial circumstances of the tenants on my farm as well as myself."

From 10 cents worth of pecans planted by Mrs. Will Mattingly, member of the Tarzan Home Demonstration club in Martin county, 61 little pecans will be set beside the surface tank at the Mattingly home, as shade for the fish that are in the tank. Plums and peaches, from seed, are growing by the pecans in the plant bed. Eleven grape vines are already started from cuttings this year.

WHEELER—Not only did Joy Bill Riley of the Briscoe 4-H club in Wheeler county plant a spring and fall garden, but she also canned 211 quarts of five varieties of foods this year and set out 20 trees, 100 berry vines, and 300 grape vines, according to Miss Viola Jones, home demonstration agent. Joy Bill did not sell any vegetables, but she sold 55 gallons of berries and made a profit of \$11. "Club work has meant so much to me. I have learned to can, to sew, to cook, and to do many other interesting things," Joy Bill says.

BROWNSVILLE — A smooth even carpet grass lawn in the place of a potty one of Bermuda has been achieved by Mrs. Rena Snaveley of Cameron county during the past year, according to Miss Dorothy Porter, home demonstration agent.

The Bermuda grass was a poor quality volunteer grass that would not cover the area under the trees as was desired. Without removing the existing Bermuda, runners of carpet grass were laid and covered with about one inch of soil. This was kept well watered for several weeks. It was weeded by hand several times and was mowed frequently. The front lawn is now completely grassed over.

HOUSTON — Twenty-seven varieties of vegetables are growing in the fall garden of Miss Katie Koimn of the Aldine Home Demonstration club in Harris county, according to Miss Helen Cowan, home demonstration agent. Miss Koimn had never had a garden before, but in March she fenced in a plot 165 by 100 feet, hauled 11 truck loads of soil, made a garden plan and planted her vegetables. During the summer Miss Koimn harvested 817 pounds of vegetables valued at \$40.85. The cost of the garden was \$4.50.

KINGSVILLE — Terrace lines have been run on a 30-acre hillside field on the King ranch in Kleberg county, according to W. L. Wilkinson, farm demonstration agent, and the terraces will be built as soon as the grader and tractor belonging to the ranch are available for that purpose. Robert J. Kleberg Jr. found that a field of Rhodes grass on the hillside was not doing so well because the slope was so steep that the rains were washing the soil away from the roots. He decided that the field should be terraced to prevent this, to conserve the moisture, and to bring the production up to an equal with that of the fields having a heavier soil and more level slopes, so he secured the help of the agent to run the terrace lines.

EDNA—Good farming practices go a long way toward offsetting adverse conditions such as the drought, in the opinion of Charles Brandes, Jackson county farmer. Mr. Brandon made an average yield of 30 bushels of corn per acre over his entire corn acreage this year, according to D. I. Dudley, farm demonstration agent. He plants corn in seven-foot rows with a row of peas in the middle, but he attributes his success this year to

Pecan Agreement Tentatively Made

WASHINGTON. — Minimum price provisions and pack specifications requiring that all pecans sold through trade channels be graded according to United States grade standards are contained in a tentatively approved marketing agreement for the pecan industry of North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi, Louisiana, Arkansas, Oklahoma and Texas, the agricultural adjustment administration announced today.

The tentatively approved agreement is being sent to the industry for signature. It would be effective for a period of one year, and contains provisions for minimum prices would raise the average weighted price to growers approximately 2 cents per pound higher than the prevailing price of the past two years. The pecans graded in accordance with United States grade standards when bought direct from growers would sell for about 1 1/2 cents per pound higher than the ungraded or orchard-run pecans. Under the provisions of the agreement the selling grades would be used as a basis for purchases from growers.

The agreement provides for a central board of eight members. Three members of the central board would represent the growers, two members would represent the two co-operative marketing associations, and the remaining three members would represent the independent commercial distributors. The members of the central board have been named in the agreement as follows: E. C. Butterfield, Winona, Texas; Walter Weaver, Fowl River, Ala.; and Harold McCord, Albany, Ga., represent the growers; Paul J. Brown, Albany, Ga.,

represents the National Pecan Marketing association; William P. Bullard, Albany, Ga., represents the National Pecan Growers Exchange; and Ben Adler and Thad Huckabee, both of Albany, and Slater Wight, Cairo, Ga., represent the independent commercial distributors.

Copies of the tentatively approved agreement may be obtained at the Office of the Chief Hearing Clerk, Agricultural Adjustment Administration, Washington, D. C.

DRUGS?

Don't make the mistake of giving even a 14-year old boy strong medicines meant for adults.

Here is the proper treatment for the child who has grown sluggish.

Boys and girls who have reached their "teens" are not ready to be given powerful drugs!

It is not wise to give laxatives of adult strength to a child, just because you give them less frequently or in less amounts. Stomach upsets and bowel troubles of growing children can often be traced to this single mistake.

For Safer Relief

of constipation in children, do this: Stop all use of mineral drugs, whether they are salts, pills, tablets, or "candy" form. Even once a month is too often to give any child a cathartic, strong enough for adults.

Use a liquid laxative containing senna (a natural laxative). California Syrup of Figs has the right amount for children's use, and this rich, fruity syrup does not harm or upset a child's system.

When you change to pure California Syrup of Figs instead of harsh medicines, you risk no more violence to your child's appetite, digestion and general physical condition. You'll have a safer, more satisfactory result. Those little upsets and complaints just disappear as a rule when this laxative is followed.

THE "LIQUID TEST"

This is the way to treat occasional sluggishness, or constipation in a child of any age:

First: select a liquid laxative of the proper strength for children. Second: give the dose suited to the child's age, and condition. Third: reduce the dose, if repeated, until the bowels are moving without any help at all.

An ideal laxative for this purpose is California Syrup of Figs which every druggist keeps in stock. Be certain that it is the genuine product, with "California" blown in the bottle.

CREOMULSION

Your own druggist is authorized by a specialty refund your money on the spot if you are not relieved by Creomulsion.

BRONCHIAL TROUBLES

Many Humble customers have commented on the uniformity of Humble service at all Humble Service Stations, from Dallas to Brownsville and from Marshall to Midland. Such uniformity is not an accident; it comes about through the selection of good men, uniform training and constant supervision. Humble station men go to schools for theory; home study supplements class work and Humble Service Station supervisors finish these service lessons with practical, driveway demonstrations. Frequent inspections keep all Humble men on their toes. So wherever you travel in Texas, you find the same kind of Humble service: spotless restrooms; clean driveways; polished bright-work; ice water; free air and battery water; first aid kits and fire extinguishers; prompt, courteous, helpful attention.

We make no advertising claims for the Humble products you will find at Humble Service Stations. But we promise this: You will always find Humble products second to none. Humble Motor Fuel and Humble 97 Motor Oil have received the unqualified approval of literally thousands of users all over Texas. Test these two products in your own automobile; experience tells us that you'll come back for more. Other consumer-tested Humble products at Humble Service Stations include: Esso, the world's leading premium fuel, more powerful than any gasoline; Velvet Motor Oil, a first class, medium price product; special lubricants of all kinds; and a full line of petroleum specialties—Humble Household Lubricant; Humble Cedar Oil Polish; Fill and Fill Lotion; Humble Flashlight Lighter Fluid; Trim and Nu-Trim; Tri-Rad Radiator Rust Preventive, Radiator Stop-Leak, and Anti-Freeze; Extane Cleaner and Extane Spot Remover. CROP CONTROL SHOWDOWN IS EXPECTED

WASHINGTON, Nov. 13.—Insiders agreed today that the showdown on New Deal crop reduction plans will come on cotton rather than on wheat, corn or hogs. The administration is on the defensive, but will not retreat.

Big Eastern banks, leaders in the cotton exporting business and a powerful and growing group of Southern democrat statesmen are coming into the open against cotton control.

Opponents of curtailment argue that it is reducing the market for American cotton by encouraging foreign producers to rapid acreage

expansion. There may be serious difficulty in regaining foreign cotton markets now being won, to some extent, by Indian and Brazilian growers.

Jail Guest for 14 Week-Ends

HOQUIAM, Wash.—Hoquiam's city hall frog, embedded somewhere in the building wall, still is alive. He started croaking again when furnaces were started. His croaking made conversation difficult in the city's clerk's office. The building wall was opened twice in the search for him.

YORK, Neb.—K. J. Weis can do more with one shotgun charge than many Nimrods can accomplish with a whole box of shells. While hunting near Geneva, Neb., Weis fired at two ducks flying low over the surface and was gratified when he saw he had brought down both. He was astonished, however, a second later to see a large jackrabbit leap from the rushes and fall over dead. He investigated and found part of the charge apparently passed between the birds killing the rabbit.

Ford Is Planning To Build Million New Cars Next Year

DEARBORN, Mich., Nov. 10.—Henry Ford announced today the beginning of another of those titanic industrial drives which, from time to time throughout the last 30 years, have caused the world to wonder and, in the minds of millions, given him the stature of a modern giant.

Early in the day Mr. Ford announced plans to build, during the coming year, "1,000,000 cars or better."
Later in the day, officers, engineers and statisticians of the Ford Motor company, asked for figures showing the magnitude of the movement in terms of goods and dollars, disclosed that commitments have been going out for several weeks on a buying and productive program that will run into a total cost of more than \$415,000,000, to be spent during 1935 and 6,008 suppliers scattered all over the United States.

When large scale production is resumed—now planned for early in December—the Ford monthly payroll in the Detroit district alone will run to \$6,861,000.

In discussing his industry Mr. Ford indicated that "so far as the Ford Motor company is concerned the depression is over."

"Our experience during the last six months," he said, "and what we see in the future tells us a year of improved business is ahead."
"Do you think 1935 will end the depression?" he was asked.

"Why, the depression would be over for the whole country very soon," he answered, "if American industrialists would just forget these alphabet schemes and take hold of their industries and run them with good sound American business sense. They should take hold of their country, too, in the same way and run it with good, sound American common sense."

When production is resumed all additional jobs will be given to former Ford workmen or other mechanics in the Detroit area.

It is estimated that when the drive to produce 1,000,000 cars is in full swing, 87,000 men will be employed.

The project calls for the pending of tremendous sums. For example, it is estimated that the bringing in of raw materials will require 161,000 cars and outboard products, 160,000 cars, involving payment of freight bills, largely to the railroads, of \$74,000,000.

Feed Man Closes Out Business After Many Years Service

ABILENE.—After 36 years in the feed and grain business here, J. L. Andrews, known as the "hot cutter" is closing out.

Although Andrews is 78, it is not old age, but rather the machine age, that is forcing him to close his shop.

"People don't buy much grain and feed any more," he explained. "They buy gasoline."

He acquired the title of "hot cutter" during the panic of 1907 when he sold 20 cars of ear corn.

"That year I made more money than I have made in any other one year of my life," he said.

He plans to retire from business and manage his farms in this district.

French Government Forbids Parades

PARIS, Nov. 13.—The government has decided to forbid, for the present, all street parades or manifestations by adherents of either the right or left political factions, it was learned today.

The decision was taken to prevent a restitution of the riots of last February. The cabinet today decided that all factions of parliament must be devoted to the 1935 budget until the bill has passed.

NEW YORK.—There are more Americans born during March than any other month, reports Ralph Hitz, nationally known hotel man, Hitz, who sends each guest registered at his hotel here a birthday card, disclosed that, of the 35,000

cards sent out during 1934, about 17 per cent were mailed during March. In contrast to this, more guests celebrated their birthdays on May 16 than any other single day.

Guests at the Duke of Kent-Princess Marina wedding will have to wear hats, so they won't talk altogether about the bride and groom.

Attention, MOTHERS, to what every doctor knows to be a fact, and what they say to avoid

BE CAREFUL

- IF any laxative is dipetetic (makes you thirsty).
- IF it affects your appetite.
- IF you need more today than the first time you took it.
- IF it drains the system (by too watery a movement).
- IF a bad "burning" is felt.
- IF there is severe griping.

If you have children who are occasionally constipated, you should know this. If you are "not yourself" because of a constipated condition, don't blame it on your blood condition, or your age, but first try this treatment that safely relieves sluggishness in children or adults.

The Proper Treatment
You can't safely relieve the bowels with any medicine if you can't regulate the dose. To regulate dosage, you should have a liquid laxative. When necessary to repeat, you can gradually reduce the dose. And that is the secret of safe relief from a sluggish, constipated condition at any age.

A liquid laxative can be measured. Its action can be thus controlled. If properly made, of such natural laxative elements as senna and cascara, it forms no habit—even in the youngest child. And such a laxative will help the bowels to help themselves.

Dr. Caldwell's Syrup Pepsin is an approved liquid laxative containing

herb, active senna, and cascara, and is the one widely used. You can always obtain it at any drug store. Why not make the "Liquid Test" which has attracted so much attention of late? It helps nearly everyone who tries it. It may make you feel better overnight. The children will like it, too; Syrup Pepsin has a delightful taste.

If you will risk sixty cents to discover the safe, pleasant action of Dr. Caldwell's Syrup Pepsin, we believe bowel worries will be over for your household.

WATCH KIDNEYS SAME AS BOWELS

Wash Out Your 70,200 Feet of Kidney Tubes
Your bowels contain only 27 feet of intestine, yet the kidneys contain nearly 18 million feet of kidney tubes or filters which would measure 70,200 feet if laid end to end. Therefore, it is just as important to watch the kidneys as the bowels. Kidneys are working all the time and are Nature's chief way of taking the acids and poisonous waste out of the blood.

Healthy persons pass 2 pints a day thru the bladder which contains nearly a pound of waste matter. If you pass less than this amount, your 70,200 feet of kidney tubes may be clogged with poisonous waste. This is the danger signal and may be the beginning of ranging headache, leg pains, loss of pep and vitality, getting up nights, lumbago, swollen feet and ankles, rheumatic pains and distress.

Kidneys should be watched closely and need cleaning out the same as bowels. Ask your druggist for DOAN'S PILLS, an old prescription, which has been used successfully by millions of kidney sufferers for over 40 years. They give quick relief and will help to wash out your 70,200 feet of kidney tubes.

But don't take chances with strong drugs and so-called "kidney cures" which claim to do you up in 15 minutes. Your common sense will tell you that this is impossible. Treatments of this nature may seriously injure and irritate delicate tissues. Insist on DOAN'S PILLS, the old reliable relief that contains no "drugs" or habit-forming drugs. Be sure you get DOAN'S PILLS at your druggist.

AIR-MINDED DOG DEAD
ANACONDA, Mont.—"Gypsy," a friendly little water spaniel, attained national fame as the most air-minded dog in America. In her 10-month life she crossed the continent four times by plane, visited 40 states by air. Recently Gypsy was killed here—by an automobile. She is buried in the center of the local airport.

College Gets Arms Collection
DELAVER, Wis.—One of the most complete and most valuable collections of old weapons in the country soon will be on display at the Northwestern Military and Naval Academy at Lake Geneva. The school fell heir to the collection under terms of the late Edward E. Tyler's will.

California Fair Sets Record
SACRAMENTO, Cal.—A record attendance at California's 1934 State Fair placed that exposition in third place among the state fairs of the nation. The California fair this year was topped only by Texas and Illinois. The official attendance figure for California's fair was 459,881.

The cost of the New Deal the last 20 months has been put at \$11,000,000,000. Now try to find your contribution in that haystack.

There are more private yachts than ever before, says an official report. So that's where prosperity went!

Colorado Authority Bill Signed Today

AUSTIN, Nov. 13.—Governor Miriam A. Ferguson this afternoon signed the Colorado river authority bill for the last session of the Texas legislature.

The bill becomes effective Feb. 9. Under it a public authority is created to receive a proposed \$4,500,000 federal loan and grant for completion of a dam on the Colorado river near Burnet.

HIS "GHOSTS" WALKED IN
ST. LOUIS.—When election commissioners intimated that Jimmy Miller, justice of the peace, had 500 "ghost" voters registered in his ward, he loaded the 500 persons in trucks and took them before the commission. They were put back on the rolls.

DRIEST IN 20 YEARS
DALLAS.—Last month was the driest October in 20 years—that's as far back as the weather bureau records go.

During the month, there was only .9 of an inch rainfall recorded against a normal for October of 2.71 inches.

MONTREAL.—McGill University's Date Bureau, designed to save shy students from pining away by finding them partners for an evening, is a failure. Less than a month after it started, the organizers admit that the lonely students are too shy to apply for partners.

Squash Grew in Apple Tree
AUBURN, Me.—C. S. Bragdon picked a 15-pound squash in one of his apple trees. The vine had climbed the tree.

County Jail Is Being Repaired

The Eastland county jail — unchanged since its erection in 1897 — is undergoing radical changes.

T. Ross of Gorman, supervisor of the job, stated that expenditure of between \$2,500 and \$3,000 is involved in the remodeling. Ceilings and walls are to be replastered and some stones unturned for 37 years will be taken out, Ross stated.

Bricks from Marshall, the same as in the courthouse, will be used in place of the first line of red brick on the outside of the building. The jail will assume an entirely different appearance after the repairing, Ross stated.

Old Grad Honored at Boston
BOSTON.—The Rev. Samuel M. Beale, Boston University's oldest and only surviving member of the original graduating class, celebrated his 95th birthday anniversary recently. Though his hearing is poor, his health and sight are almost perfect.

COLOMBIAN VESSEL ARRIVES
PHILADELPHIA.—An old visitor to the Port of Philadelphia in the past, docked here again recently but not in the role of a freighter as before. The Commercial Traveler, as she was known there, arrived all dressed up as a member of the Colombian navy and under a new name—Cucuta. This is the

Dog Got Human Burial
SHICKSHINNY, Pa.—Except for the words of a minister's prayer, the pet dog of Mrs. John Campbell was given a "human" burial here. Mrs. Campbell, who was attached to the dog—an Airedale—hired an undertaker to bury the dog in a casket.

"The public is still for me," said Samuel Insull recently. His lawyers, however, seems to think the public is still after him.

Long-Used Laxative
To be bought and used as needed for many, many years, speaks well for the reliability of Theodore's Black-Draught, purely vegetable family laxative. Mr. C. E. Ratliff writes from Hinton, W. Va. "My wife and I have used Theodore's Black-Draught thirty-five years for constipation, — tired feeling and headache. I use it when I feel my system needs cleansing. After all these years, I haven't found anything better than Black-Draught."
