PONY Tournament Set For Castro County

Castro County was awarded the District Two, Section 3 PONY League Tournament by District Director Jimmie Chapman Sunday afternoon in a meeting held at the Colonial Inn Restaurant. Other teams besides Castro County entered in the tournament will be Borger, Hereford, Anton, and Littlefield. The tournament will get underway at Nazareth Monday, July 18th with two games on tap for Monday and Tuesday night before a rain date set for Wednesday. The tournament will then be completed on Thursday, Friday and Saturday.

The teams drew for position in tournament and in the first days action at 6:30 Hereford will take on Littlefield and at 8:30 Castro County and Anton will tangle. Borger will play the second game on Tuesday with the losers playing at 6:30. Chapman stated that in locating

the tournament at Nazareth with Castro County being the host team has shown the great improvement that the local league has made in only three years of organization. Francis Wilhelm, President of the Nazareth School Board and Superintendent John Slavik have been the work horses in securing

the tournament for Nazareth and bleachers will be moved from the school grounds to accommodate the crowds. There will be a meeting tonight at 8:00 p.m. at the Courthouse in Dimmitt and all interested individuals and parents of the local boys are urged to attend this meeting.

Committees will be assigned for certain duties such as taking care of the gate, concessions stands, etc. This will be the first tournament for boys ever held in Castro County and all baseball fans should get behind this community effort to make it a success.

President Norvell Birdwell stated "that it is not money or contributions that we need now but just plain labor to make this a success. The new blue and white All-Star uniforms have already arrived and the boys are ready. We plan on announcing the All-Star team on the tenth of July."

Pictures, old pictures of pioneer scenes and people, we need them to be used in the issue of the Diamond Jubilee celebration. Pictures will not be damaged and will be returned to the owners immediately after they are used. We believe that the publication of some early day scenes will add to the desired atmosphere for the celebration. Accounts of early day happenings and experiences will also be appreciated by the News staff.

A gap in the editorial department of the News will be filled on August 1, when Don Nelson will return to Dimmitt to be associated with his father, that's me as co-publisher of the news. Don holds a degree in journalism from the University of Texas, and is an experienced newsman. He served as news editor of the Castro County News for several months prior to his induction into the U. S. Army. Stationed at Fort Gordon, Augusta, Georgia, Don did his Army stint in the P. I. O. office where he gained valuable experience in news writing.

Following his discharge from the Army, Don accepted a position as news editor of the Arizona Record at Globe, Arizona, a position that he has held for the past seven years. In addition to making a top-flight newsmen for the Record, Don has taken part in many community activities, and assisted in projects designed for the promotion of his adopted community. The Record has received many awards, under Don's direction, in regional, state and national competition.

Don shares his dad's optimism about the future of Dimmitt and Castro County, and he can be depended on to give a hundred percent effort in working for, and promoting, the best interests of the city and county.

Don and Verbie have two children, Connie, 7, who will be a star pupil in the third grade in the coming school term, and David, 4, who cons his granddad with regularity and at every opportunity. Verbie has been employed as teller at one of the banks at Globe for the past two or three years.

The quota of 250 members in the Castro County Recreation Association has almost been reached, and has possibly been exceeded in pledges, at the going rate of \$100.00 per membership. Beginning July 1 the membership fee will be increased to \$250.00, but regardless of the number applicants will be accepted at the \$100.00 membership fee until the deadline of July 1. The steering committee of the Recreation Association has done a fine job of basic planning and has developed a program that will provide a much needed facility for the entire county. They deserve the support and encouragement of everyone in making the endeavor a success. If you haven't qualified as a charter member in the association, do it now.

The Castro County Diamond Jubilee Celebration, scheduled to be staged in August, bids fair to be an outstanding success. I can't remember an occasion meeting with the enthusiasm of as many people, of all ages, as has been shown in the early stages of preparation for the coming event. Planning meetings are being well attended, men are growing whiskers in all styles and fashions, the Jubilee store where pioneer garb, badges, buttons, etc., are on sale is doing a land office business. Plans are being completed for the parade, jubilee queen contest, pageant, and other events scheduled to take place during the 75th anniversary celebration of the county. The County Activity Committee under the direction of its president, Maurice Campbell, assumed a terrific obligation when it agreed to sponsor the Diamond Jubilee Celebration, and to their credit they are making every effort to make the occasion a success. It will be.

Had you noticed, when there is one traffic mishap there will usually be several. The past week is a case in point.

Martin Has 3.42 GPA

Scott Martin, junior agricultural engineering major, averaged a 3.42 grade point out of a possible 4 point at Texas Tech. He is the son of Mr. and Mrs. W. J. Martin of the Flagg Community.

Father Of Mrs. Bob Estes Dies

Mr. Tom Inman, father of Mrs. Bob Estes passed away at his home at Reydon, Oklahoma Wednesday, June 22. Funeral services were held Friday at Reydon. Mr. Inman suffered stroke several months ago. He was past 90 years of age. Other than Mrs. Estes he is survived by his wife, one son and three daughters and a number of grandchildren.

The CASTRO COUNTY NEWS

THIRTY NINTH YEAR DIMMITT, CASTRO COUNTY, TEXAS, THURSDAY, JUNE 30, 1966 12 PAGES — NUMBER 37

A GRINDING CAR-TRUCK collision, at the intersection of Front Street and the Highway 86 bypass in south Dimmitt, claimed the life of C. W. George Thursday, and resulted in

minor injuries to his son, Danny, who was a passenger in the car, and to Thomas McLain Julian, driver of the truck. The two vehicles were totally wrecked. See story.

Dub George Is Wreck Victim

A car-truck collision at the intersection of Front Street and old Highway 86 caused the death of C. W. (Dub) George, Jr., 41-year-old Castro County farmer. George lived approximately ten hours in Plains Memorial Hospital following the accident. He died at 9:50 p.m. June 23. His 14-year-old son, Danny, a passenger in his father's car, remains in Plains Memorial Hospital recovering from his injuries. George, driving a 1966 blue Chevrolet, was travelling south on Front Street enroute to the Carl

years. He was born at Shamrock on April 12, 1925. He was a member of the First Methodist Church where he served as a steward. He was a member of the VFW of Dimmitt and of the Elks Club in Plainview. He entered military service in February, 1944 and went overseas in August of that year. He returned in April, 1946. Funeral services for George were held Saturday at 3 p.m. in the First Methodist Church. Rev. Weldon McCormick, assisted by Rev. Frank Pollard, conducted the services.

City To Get Facelifting For Diamond Jubilee Celebration

A city-wide cleanup campaign is scheduled for July 23, 1966, according to an announcement today by the Jaycees. Ronnie Stokes is chairman of the project. The purpose of the project is to clean up Dimmitt for beautification in preparation for the Castro County Diamond Jubilee as well as for insect control. "We plan to mow all vacant lots that have not been mowed by that date," states Chairman Stokes. "In addition, we plan to

have trucks and crews hauling off unsightly debris and also trash that residents have picked up and piled on the curb. Every organization and individual is being asked to participate to the fullest extent possible." More details will be announced next week. Anyone who desires to donate the use of equipment such as trucks, shredders, or physical labor should contact Stokes at Parsons Drug or call him at 647-2411 at night.

DIMMITT HIGH SCHOOL CHEERLEADERS 1966-67 attended National Cheerleaders Camp at Cisco Junior College June 12-17. They received four third place ribbons. They are (l. to r.) top, Anita Cameron, Pam Buchanan, Rochelle Johnston. Bottom (l. to r.) Kita Struve, Poppy Byrnes, and Doricell Oldham.

Muleshoe Woman Killed By Car

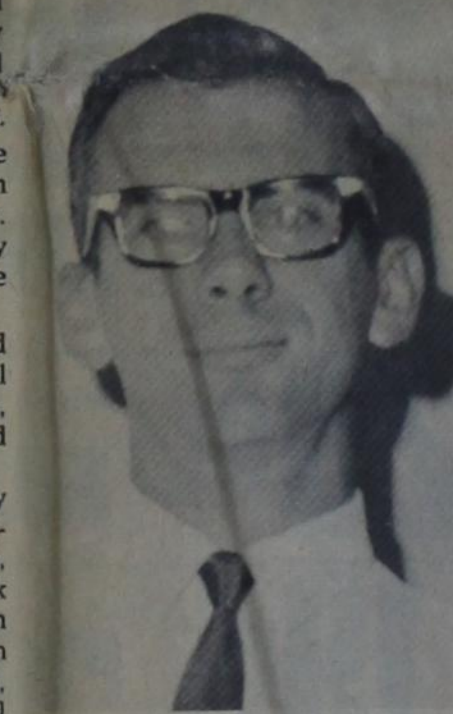

Mrs. Mary Louise Burris, 35, of Muleshoe, died about 9 p.m. Sunday in Plains Memorial Hospital after she was struck by a car near Dimmitt earlier in the day. Funeral services were held at 2:30 p.m. Wednesday in the Assembly of God Church in Muleshoe with the Rev. J. W. Farmer officiating. Singleton Funeral Home directed the burial in Bailey County Memorial Park Cemetery.

FHA Chapters Plan 1966-67 Year Book

The officers of both Dimmitt FHA chapters met June 28 to organize the yearbook for the coming year. Programs of work and projects were decided upon for most of the school months. One of their projects is to be a collection of canceled five-cent stamps. These stamps will be sent overseas and the money that they bring will be used to buy things for the needy. A date has been set to begin the typing of the yearbook.

LEE HENRY

Henry Accepts Position As KLBK Engineer

Lee Henry, announcer for KDHN radio for the past 15 months, is leaving Dimmitt to take a position as engineer with KLBK television in Lubbock. He will begin work there June 30. No immediate replacement for Henry has been named. Henry said that he is hoping to find an opening in the news department soon.

"My far-flung ambition is to be a network newsman," said Henry, "but to apply for such a job calls for at least 10 years experience and a college education." Henry graduated from Elkins Institute in Dallas in March, 1965 with a first-class radio telephone license. He began work for KDHN immediately after his graduation. In addition to his work with KLBK Henry will be attending Texas Tech in the fall.

Two Cars Crash Near Shopping Center Monday

A 1966 Ford driven by Mrs. Bobby Jones rammed a 1963 Chevrolet driven by Martha Jane Randolph of Earth in the two-car crash at 11:15 a.m. Monday in front of the Bruegel Shopping Center. Mrs. Jones, travelling west on Bedford, attempted to make a right turn from the center lane and hit the Randolph car which was in the outside lane and traveling in the same direction. City Marshal W. W. Jones estimated damages on the Chevrolet at \$75 and on the Ford at \$150.

Three Injured In 3-Car Pile-Up

Three people were injured in a three-car accident at the intersection of West Bedford and Front Streets at noon Monday. A white 1964 Ford driven by Mrs. Richard Isaac was stopped on Highway 86 waiting to make a left turn onto Front Street when her car was struck from behind by a 1966 two-tone Ford driven by Mrs. L. H. Stevens. Mrs. Stevens' car pushed the Isaac's car into the rear fender of a 1953 white Buick driven by Mrs. Raymond Palmer who was traveling east on Bedford, according to W.

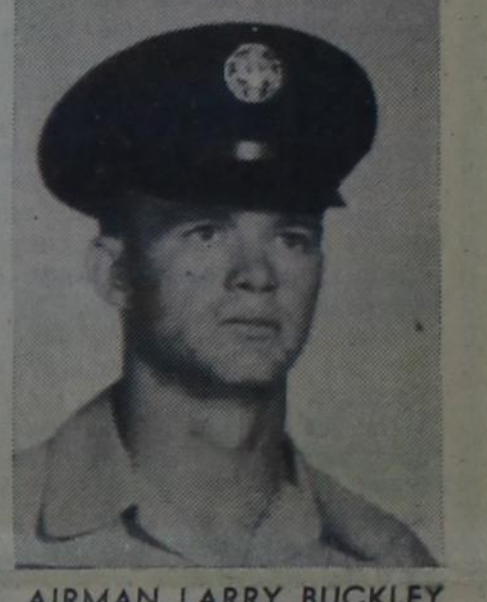

1966 Castro County Round-Up Week Parade Rules And Awards

The 1966 Round-Up Week Parade will be held at 3 p.m. August 18 in conjunction with Castro County's Diamond Jubilee Celebration. Parade theme is "75th Anniversary." It is requested that all organizations and businesses who plan to enter floats should try to use a theme along the line of the "Diamond Jubilee" or "75th Anniversary." Failure to do so will not disqualify the entry for judging. All floats entered for judging must be sponsored by either an organization or a business. The parade will form at the Dimmitt Gin Yard on South Highway 385. For the convenience of riding clubs and antique car entrants, unloading docks will be available at the Castro County Co-op Gin Yard, directly across from the Dimmitt Gin Yard on Highway 385. A member of the parade committee will meet each riding club, antique car entrant and other out of town entrants to escort them to their places in the parade line. Sixteen prizes will be awarded for this year's parade. First and second place prizes of \$30 and \$20 respectively will be awarded in both junior and senior divisions of the float contest. First, second and third place trophies will be awarded in both junior and senior divisions of the riding clubs. First, second and third place trophies will be given to the top three antique cars. The best dressed cowboy and cowgirl will be given trophies according to the best costumes depicting the 75th anniversary theme or old-time dress. A trophy for the best decorated bicycle will be given in this division open to boys and girls 12 years of age and under. Ribbons will also be awarded to bicycle entrants. Parade headquarters will be at the Dimmitt Gin Company office. Additional information can be obtained by calling Jimmy Presley at 647-3248 or 647-4268. All entries must register at parade headquarters before the parade begins in order to be judged for prizes. Jaycee-Ettes will register parade entries.

TEC Opens Farm Labor Office Here

The Texas Employment Commission has opened a farm labor office in Dimmitt in an effort to bring together farmer employers and farm labor. Joe Bradley, manager of the Hereford office of the Texas Employment Commission, was here Monday to assist in setting up the new office in the basement of the Castro County courthouse. Glenn Gripp will be manager of the Dimmitt office. This temporary office will be open 8 a.m. to 5 p.m. Monday through Friday till October 15 or through the harvest. "Our objective is to get employers and workers together," Bradley said. Farmers place orders for labor needs. Workers make application at the office. Then the office refers the labor applicants to the farmers. No regular office has been set up in Dimmitt before. Farm labor week has been the only effort previously held.

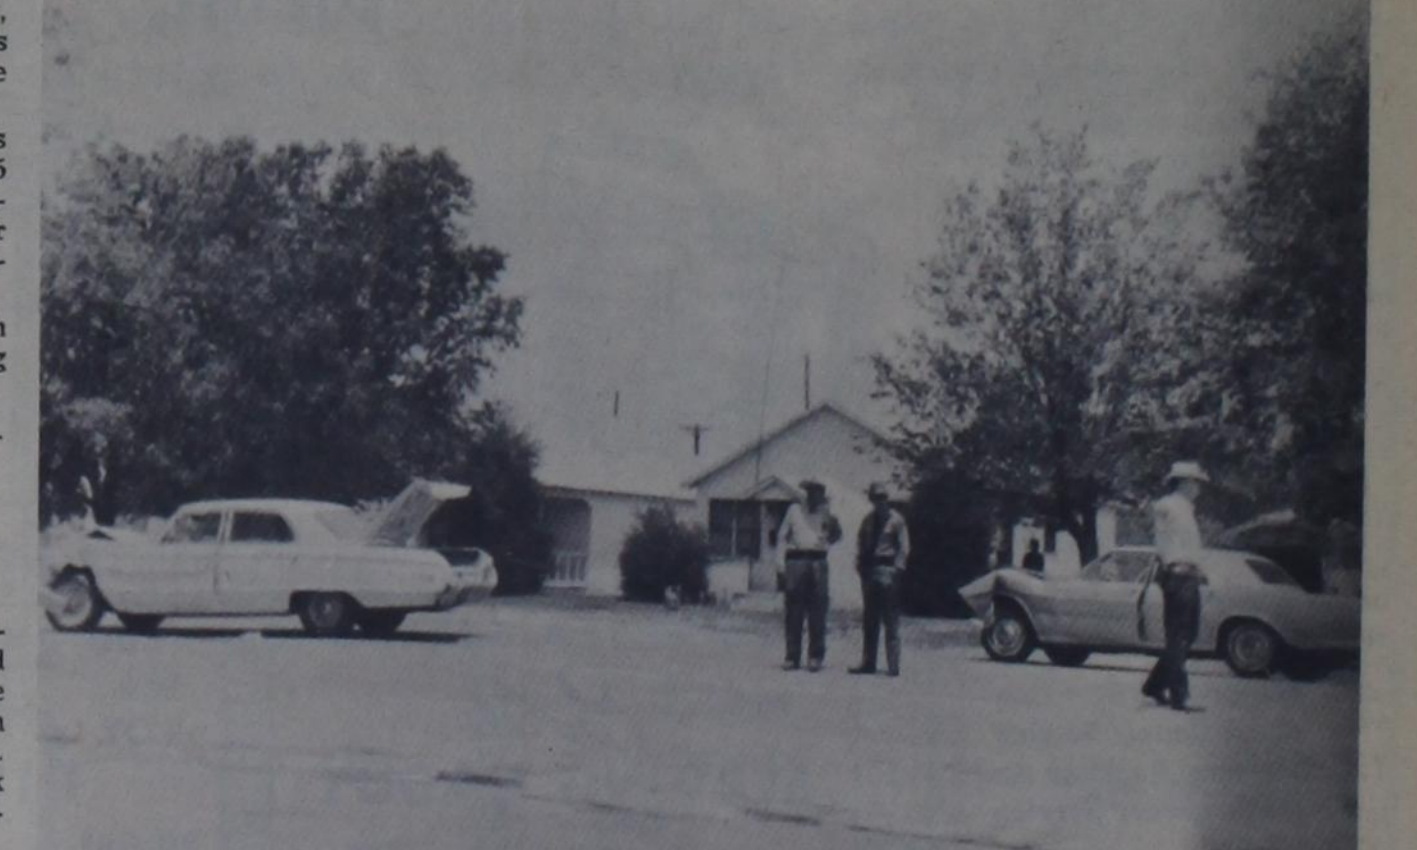

This office is a public service by the state of Texas. All employers and workers are urged to make use of it, Bradley said. Buckley is a 1965 graduate of Friona High School and attended West Texas State University. He recently completed basic training at Lackland AFB, Texas.

AIRMAN LARRY BUCKLEY

County Recreation Association Memberships Will Increase July 1

The last day for purchasing charter memberships in the Castro County Recreation Association is today. The \$100 memberships will go up to \$250 July 1. A steering committee spokesman said that prospects of the committee's reaching their goal of 250 memberships are looking very favorable. The June 30 deadline was set in order to allow time for the engineering to be finished and details on the planned facilities to be worked out. The blue prints must also be perfected and sent to the national office of the Farmers Home Administration for approval on the loan. After these steps have been taken, the committee will receive bids for construction of the project. A committee spokesman said that separate contracts will be secured for the dirt work, swimming pool, golf course and club house. Construction period for the project is estimated at 180 days. The facilities should be ready for use by June, 1967.

A REAR-END COLLISION that resulted in painful injury to three people Monday was investigated by Sheriff's officers and Highway Patrolmen. The accident occurred at the intersection of Highway 86 and Front Street. Painfully injured were Mrs. L. H. Stevens and Mrs. Richard Isaac and her six year old son, Christopher. Driver of a third car involved in the collision, Mrs. Raymond Palmer, escaped injury. See story.

Art Gallery Perspective

by Alice Cowen
 Dr. H. W. Bischoff is the new president of the Castro County Art Guild. At a meeting of the Guild Monday night officers were elected for the coming year. Helen Braafladt is vice president, Babe Scoggin, secretary-treasurer, and Alice Cowen, reporter.

The group agreed that the new president should appoint a steering committee to take the responsibility of arrangements for exhibits, etc. Those the new president appointed are Eddie Lee Smith, Aurelia Sanders, Jasper Proffitt, Becky Maxwell, Ethel Jones and Helen Richardson. A telephone committee was appointed as follows: Elizabeth Huckabay, Anna Gabel, and Tommie Bischoff. June Taylor was made Public Relations Chairman.

Theo Campbell, outgoing president, was not able to attend the meeting, and Eddie Lee Smith, vice president, presided. Incidentally, Theo has paintings hanging in Canyon at the Art Gallery there. He gets around in the art world.

Those who have seen the Art Guild's paintings at the Chaparral Inn in Ruidoso report an impressive exhibit.

Eddie Lee is still at it too — she has an afternoon class on Tuesdays.

The Art Guild wants and needs new members. Any one who might be interested is invited, whether he is a painter or not. Just any one who is interested in what the Guild tries to accomplish for the art interests of the community is most cordially invited to join.

Pink Lady Party Line

by Helen Braafladt
 14 were present for the Orientation course last Tuesday, which, according to all reports, was most informative even for those who had had it before.

Mr. Ronnie Parker gave the thought for the day. Don Newman, one of our abler Dimmitt speakers, was next on the program, giving a resume on the hospital, its functions and meaning to the community.

The purpose of the Auxiliary was the subject pursued by our president, Emily Clingsmith. Courtenay Armstrong explained the code of ethics each member is to follow and Jane Blackburn enlightened the new members on the procedures to follow when on duty at the various posts covered by the Auxiliary.

A tour of the hospital was made and the meeting was adjourned. Bea Hawkins has very kindly made another contribution to the Hospital Library for which we wish to thank her.

Mrs. Cornelius is making some much needed short night gowns for the hospital nursery. Be thinking of your culinary contribution to the Tasting Tea coming up during the 75th Anniversary Celebration. The date as of now is August 16th.

GRANDCHILDREN VISIT
 Mr. and Mrs. E. O. Norris have been hosts this week to their grandchildren, Jimmy Cristal and Millissa Baskin of San Saba, Texas. On Monday Mrs. Norris gave a party for the 6 and 8 year olds. They enjoyed a fashion show or dress up and other games. Pine-apple punch and Spudnuts were served to Treva Shugart, Joan Shugart, Donna Hudson, Alona Hudson, Bobbie Kirby, Juanita Ewing, Cynthia Henderson, Cora Bell Hodges and several mothers.

peals to those who like the unusual. Mix 1 qt. of grape juice with a No. 2 can of pineapple juice. Sweeten to taste with mild flavored honey. Grated lemon peel adds a tang that many like.

3. Sparkling grape punch is good for teenage parties. Follow your favorite punch recipe and substitute grape juice for at least half of the total fruit juice. The distinctive color and flavor appeals to the younger set.

4. Grape-orange float is sure to please as a dessert for teenage parties. Fill a sherbert glass a little less than half full of chilled grape juice and add a scoop of orange sherbert. It's both colorful and good.

5. Grape juice appetizer starts a meal with a colorful flair. Dilute frozen grape juice, following package directions and serve with a thin slice of lemon floated on top of each glass of juice. It's pretty — and a little extra lemon juice will increase the tartness and popularity of the drink.

JULY PLENTIFUL FOODS LIST
Freshness is the by-word for July. And freshness comes in many forms — fresh plums, peaches, watermelons and seasonal vegetables all signal the arrival of Picnic Month, according to the U. S. Department of Agriculture.

USDA's Consumer and Marketing Service lists broilers as one of the July plentiful foods — for a total of five.

Salads can be really special, with lots of fresh plums and peaches to make them extra tasty. Peaches and plums are favorites for eating out of hand. Peaches are at their best peeled, sliced and sprinkled with a little sugar. You know how good they are in cobbler and pies.

During the summer, you can hardly let a day go by without enjoying the refreshing taste of watermelon. And July is Picnic Month.

How will you know what vegetables will be plentiful? Watch your local ads for the specials that are bound to occur when fresh vegetables are so plentiful. All kinds should be in good supply.

Chicken is a high-protein item — and you'll probably find price tags that fit your budget.

How will you know what vegetables will be plentiful? Watch your local ads for the specials that are bound to occur when fresh vegetables are so plentiful. All kinds should be in good supply.

Chicken is a high-protein item — and you'll probably find price tags that fit your budget.

The freshness of these summer foods will give added freshness to your menus. So keep July plentiful foods in mind when you do your shopping.

CHICKEN

How many ways are there to cook a chicken?

Probably no one has ever attempted to add up all the delicious variations created by clever cooks down through the centuries. But judging from the vast number of chicken recipes used by today's homemakers, the number may well run into the thousands.

Of course chicken was a popular dish from the very start here in America. Some of our recipes are truly American, but many are "imports" — recipes brought here by settlers and handed down from one generation to another.

You'll find chicken an important part of the cuisine of almost every country in the world. One reason for its international popularity is the way it responds to all manner of seasonings.

Chicken is the perfect choice for July meals. It gives added zest to picnics and outdoor barbecues.

Imaginative Fried Chicken introduces a scrumptious delight you'll be proud to serve. For the unusual, dip the chicken pieces into subtly tangy fresh buttermilk instead of the usual egg-water mixture. And use smooth corn oil rather than a pure vegetable frying.

Kippen also is a new taste in fried chicken. This is a specialty introduced by Dutch cooks of central western Michigan. To make it, simply sprinkle chicken pieces with salt, pepper and ground ginger. Roll in flour, then fry in a skillet until brown and tender.

Chicken with Dumplings — You'll need 1 disjointed fryer weighing from 3 to 3½ pounds, 3 cups broth, 6 tablespoons chicken fat, 3 to 4 tablespoons flour, salt and pepper.

Place the disjointed chicken in enough water to cover and simmer slowly until tender. Remove pieces of chicken from the broth and keep them hot. Skim fat from broth. Blend fat and flour, stir in several spoonfuls of the broth and pour the mixture into the rest of the broth stirring constantly. Cook the gravy until it is slightly thickened. Season to taste and return chicken to gravy.

For the Dumplings, the recipe calls for ¼ cup sifted flour, 2½ teaspoons baking powder, ½ teaspoon salt, 1 egg and one-third cup milk.

Sift the flour, baking powder and salt together. Beat egg, add milk and mix with dry ingredients. Drop by small spoonfuls into boiling chicken gravy, cover tightly and cook 15 minutes. The cover must not be removed while the dumplings are cooking, for if the steam escapes they will not be light and tender.

For cool summer eating, try Chicken-Avocado Rice Salad. Six servings call for 4 teaspoons lemon juice, 1½ cups diced avocado, 1 cup each cooked, diced chicken and cooked rice, ½ cup finely chopped celery, ½ teaspoon finely chopped green onion, 2 tablespoons each sour cream and mayonnaise, 1 teaspoon salt and several lettuce leaves.

Pour the lemon juice over avocado. Combine remaining ingredients, except the lettuce. Mix well. Add the avocado mixture and toss lightly. Chill and serve on crisp lettuce leaves.

This salad is delicious served with miniature ham-on-rye bread sandwiches, carrot sticks and radishes.

Several bulletins we have that might be useful to the homemaker this season are "Salads", "Getting Enough Milk", "Frozen Desserts" and Vegetables — Selection — Care — Cooking." These are available at the extension office in the courthouse. You are invited to come by for these and other bulletins. You can call 647-3455 and we'll mail any of these or other publications to you.

ADD NUTRITION TO YOUR SUMMER BEVERAGES

For a summer treat for your youngsters and their small-fry friends, you may want to use chilled grape juice. This colorful and nutritious food is plentiful and a good buy. Here are some good ways to use grape juice.

1. Grape freeze — Prepare whipped dessert topping according to package directions and fold in frozen undiluted grape juice, at the mushy stage, until the flavor suits your taste. Brighten with red food coloring if you like. Pour into a refrigerator tray or individual sherbert glasses and freeze until firm.

2. Grape-Pineapple drink ap-

First decorate your driveway with a new Chevrolet!

Park your new Impala Sport Coupe right out front. Let your neighbors admire the handsome sculptured lines.

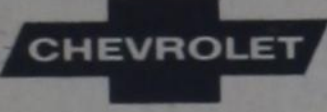

There're luxury and comfort inside. The Sport Coupe comes with color-keyed deep-twist carpeting. There's richly tufted textured pattern cloth upholstery with deeply padded vinyl bolsters. Eight standard safety features including seat belts all around.

Your Impala can have the personal touch. Order a pushbutton AM/FM

radio with FM multiplex stereo... Four-Season air conditioning or Comfortron, a 7-position Comfortilt steering wheel or a Tilt-telescopic wheel. For extra power, order a whisper-smooth Turbo-Jet 396 V8 or the big Turbo-Jet 427 V8.

So what about that painting chore, Pete? Who'll notice with a new Chevrolet Impala Sport Coupe in your driveway!

Big-saving summer buys on Chevrolet, Chevelle, Chevy II and Corvair.

Plumber Suffers Head Injury In Fall

Hooper Shaw, owner of Shaw Plumbing and Heating, suffered a concussion when he fell 11 feet from a platform in the high school shop while tightening a valve. His head struck a pencil sharpener and he received numerous stitches around the eye. Last report Shaw was recuperating at home.

McKee Completes Field Training

Private Gary H. McKee, son of Mr. and Mrs. C. W. McKee of Hereford completed a field communication crewman course at Fort Ord, Calif., June 17. During the eight-week course, he was trained to string wire from the field to the communication center. Instruction was also given in basic electricity, switchboard installation and operation and pole climbing.

Miss Walker Named To Honor Roll At TWU

Cheryl Walker of 806 West Bedford was named to the Vice-President's Honor roll at Texas Woman's University for the spring semester. To make this list a student must have a 2.3 grade average out of a possible 3.0.

EASTER NEWS

Mr. and Mrs. H. F. Paezold are vacationing in the mountains this week.

Mrs. Jewell Turner has returned to her home in Ventura, California following an extended visit with Mr. and Mrs. W. A. Epperson. Mrs. Epperson and her sister Mrs. Ben Medley and Sandra Kay of Hereford drove Mrs. Turner to Albuquerque to visit her son and daughter-in-law before going to California.

Mr. and Mrs. L. G. Edwards and Frank Haislip made a business trip to Lubbock Tuesday.

Mrs. W. A. Epperson and Mrs. Trent Downing spent a day last week in Lubbock visiting Mr. and Mrs. Joe Pryor and their new baby boy.

The Junior High Campfire girls met Thursday afternoon with Mrs. Louise Stone at her home for a campout and a cherry picking project. Eight girls were present: Alena Hudson, Pam Barker, Sheila Webb, Julia Hottel, Jo Ann Shugart, Janna Thannisch, Kathy Schumacher, Linda Schneider and Mrs. Claude Thannisch, assistant guardian.

Easter Lions Club will meet June 27th. At this meeting they will draw for the winner of the pickup.

Mr. and Mrs. Frank Haislip are moving to Dimmitt.

Mr. and Mrs. Trent Downing and Laura spent this last week end in Lawton, Okla. with his parents Mr. and Mrs. G. C. Downing.

Mr. and Mrs. L. E. Haislip are looking forward to a visit from their son, James N. Haislip, who now lives in Germany.

Mr. and Mrs. Steve Stowe of Houston spent the night with Mr. and Mrs. Trent Downing recently.

A thought: "No smile is so beautiful as one that struggles through tears."

An investment in Your Future

ATTEND CHURCH

FREEDOM

Inscription for the Statue of Liberty

BY EMMA LAZARUS

Give me your tired, your poor,

Your huddled masses yearning to breathe free,

The wretched refuse of your teeming shore,

Send these, the homeless, tempest-tossed, to me:

I lift my lamp beside the golden door.

This truly reflects the attitude of a nation living close to God. The concern and love for others grows through Christian fellowship. Attend Church Regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

LIFE-LINES

From BRUCE TAYLOR

A SPECIAL MESSAGE TO OUR YOUNG COUPLE FRIENDS

There are several very sound reasons for buying Life Insurance when you are young. As a young couple you should know that Life Insurance can mean savings. It can be a source of money when you need it. You should also know that your age allows you to buy it at a lower figure. This lower premium continues for the term of the policy. Although other things may go up, your premium always remains low. You as a young couple should be aware that Life Insurance is keeping pace with modern needs; for example, there may be a place in your program for our family policy that provides for increases in your family, with NO increase in premium. Or perhaps we can tell you about family income and family protection riders, as well as our guaranteed purchase option.

You should start now taking advantage of the SAVINGS and creating a SOURCE OF MONEY when you need it.

Could we visit with you about life insurance in your plans?

CARD OF THANKS
We wish to express our sincere appreciation to our many friends who have made our years in Dimmitt both pleasant and rewarding and our leaving a time of regret. Especially do we thank Mrs. Carole Dyer and the other hostesses and friends for their expressions of kindness. We shall always treasure the pleasant memories associated with the Dimmitt Public Schools and our friends in Dimmitt.
Sincerely,
Mr. and Mrs. S. T. Newman

TIPS FOR OUTDOORSMEN

by Vern Sanford

MAKE YOUR DOG HAPPY—It doesn't take much to make a bird dog happy. His life is made up of simple pleasures.

When hot weather comes he relishes a patch of soft ground in the shade, on which to nap, with a pan of cool, fresh water within easy reach.

If you care for your dog you'll see that he gets these physical comforts.

FINDING MOTOR LEAK—Have you ever had your outboard motor spring a leak that you could not find?

If so, try dusting a little talcum powder over your motor. In a few minutes the leak will stand out clearly against the white powder.

GIVING YOUR DOG MEDICINE—Does your sick dog stir up a storm when you try to give him a dose of medicine?

Don't try to ram the stuff down his throat. There's no need for unpleasantness.

Just pull out a corner of his lower lip and pour the liquid in. Then hold his jaws closed, raise his head and stroke his throat until the medicine is swallowed.

CLEANING A LEADER—To clean a leader that has picked up flotsam from the fingers, or from contact with freshly-dressed line, remove the fluid-soaked cotton filler from a cigarette lighter and strip-clean the leader with it.

DOGGONE GOOD FISH BAIT—If you want to create your own little fishing "hot spot" just take several cans of dog food—any brand—and punch holes in the end. Then tie these cans together with tough twine and sink them at your favorite fishing spot.

In a day, or so, you should be able to fill your stringer in a hurry—at that spot.

ICE FOR YOUR CAMP COOLER—Campers often are faced with the problem of not having enough ice.

Usually this is because the cubes they brought with them were soon melted. Ice can be made to last much longer if, instead of filling the chest with conventional cubes, you freeze water in 2-quart, or gallon, milk cartons.

TIPS FOR OUTDOORSMEN

by Vern Sanford

WHEN BASS STREAMS SHRINK—During the summer months small bass streams sometimes shrink to alarmingly low levels.

During this period of low water, try fishing the stream bends where the current has scooped out deep, dark pockets and holes close to the bank.

Place a dry fly there early in the morning, or late in the evening, and you will be surprised how many lunkers you can tie into.

STALK FISH LIKE GAME—It is just as important for a fisherman to sneak up on his quarry, as it is for a deer hunter to stalk his game.

As in hunting, small unimportant things often mean the difference between success and failure.

Always approach your still-fishing spot carefully and silently. Come in slowly from up wind, drop a long anchor line and kill your outboard motor as you drift the boat slowly into casting position.

USE SHADES FOR TARGETS—Really great targets can be made from old window shades.

Draw, or paste, the size target you wish on the shade, and mount on a frame.

When not in use the shade rolls up out of the way.

MOVE THOSE DECOYS—There are few things more unnatural-looking than a raft of decoys sitting still on a glassy water surface.

No matter how quiet the water may be, you still can have live-looking decoys, to lure in the ducks. First tie lines on two or three of the blocks in your setting. Next thrust the end of a clothes hanger (one end of which has been twisted to form a ring) into the mud bottom under the decoy you want to activate. Then string cord through this ring, extending to your blind, the other having been tied to the decoy.

When you see ducks coming, pull the strings and make the decoys bob around like live birds.

SOAK THAT AXE—When axe or hatchet heads fly off the handle there can be dire results. Keep all axe and hatchet handles tight and secure by soaking the tool in linsed oil for about 36 hours, so the wood can swell tight in its socket.

Sheffy's Chatter

Doesn't Dimmitt look good after you are away for a few days? Mr. and Mrs. B. M. Nelson, Sid and I went to Ruidoso Friday. The pines and mountains are always a beautiful sight — also the horses. We went to Cloudfroft Saturday for dinner. The rain came in sheets for a little while. The view from the glassed in dining room is splendid. You can see the white sands, miles away. We came home on the road east of Roswell, went by to see the bottomless lakes. They are among the seven wonders. You can drive down there in three hours — go see them — we saw Mr. and Mrs. Earl Taylor and their friends, the Robert Dysarts of Amherst. Oh, yes! We went to the Chaparral Inn where the Dimmitt Art Guild has many pictures on display on the Mezzanine floor. They are very good pictures. Such talented folks around here.

Mrs. Ruby Lee Lafferty, state president, chose "Hand in Hand — Let Us Move On Together" as the theme of the convention attended by 743 members.

Filing An Estate Tax Return

TAX MAN SAM SEZ: What are the requirements for filing an estate tax return?

This question bothers many taxpayers, but the rules are fairly simple. Your administrator will have to file an estate tax return if the fair market value of your estate is \$60,000 or more on the date of your death. However, if there is a surviving spouse and the estate is community property, you do not have to file unless the estate exceeds \$120,000, since 50 percent of the community property belongs to the surviving spouse. Getting the correct evaluation on your estate is important since this evaluation affects all future tax transactions on the property.

Patsy Wooddell And Thomas Moody Plan Wedding Vows For August 27

Announcement of the engagement of Patsy Wooddell to Thomas Gerald Moody is made by her parents, Mr. and Mrs. Bruce L. Wooddell. Moody is the son of Mr. and Mrs. George F. Moody of Columbia, Mississippi.

PATSY WOODDELL

Miss Wooddell is a graduate of Dimmitt High School and Texas Technological College where she received a bachelors degree in clothing and textiles merchandising. At Texas Tech she was president of the American Home Economics Chapter, member of the Board of Student Organizations and personnel director of the Student Union Building. She is now employed by J. C. Penney Co. Fashion Distribution Center in Dallas as fashion merchandiser.

Moody, a graduate of Improve High School, graduated from Pearl River Junior College and received his bachelor of science

degree from Mississippi State University with a major in accounting and a minor in general business. At the University he was a member of Beta Alpha Psi, honorary national accounting fraternity.

He is now chief accountant for Cummins Engine Co., Inc. in Dallas.

The marriage will be solemnized August 27 in Dimmitt. Friends of the couple are invited to attend.

Bible Thoughts

ETERNAL SALVATION

By Ronnie Parker

Jesus is the author is eternal salvation. These are specific conditions that our Lord declared to be necessary to the salvation of our souls. In John 8:24 He said, "except ye believe that I am he ye shall die in your sins." In Luke 13:3 He declared, "Except ye repent, Ye shall all likewise perish!" In Mark 16:16 he said, "Go ye into all the world and preach the gospel to every creature . . . He that believeth and is baptized shall be saved, he that believeth not shall be damned."

These verses teach that there can be a great gain—eternal salvation or a great loss—eternal condemnation. Now remember, Jesus is the speaker. Quote: He that believeth and is baptized shall be saved." The baptized penitent believer has the promise of the greatest gain of all gains—SALVATION!

But, what about the loss of the same verse? "He that believeth not shall be damned." What an awful loss! An eternal loss that a million worlds like this could never repay. Obey Him while the time is yours!

HART NEWS

For the month of June to noon, Tuesday Hart has received 3.48 inches of moisture.

SUMMER REVIVAL SET
The First Methodist Church, Hart, has set their summer revival date for August 7-12. The Reverend and Mrs. Rex L. Mauldin, pastor, the Hale Center Methodist Church, will be the evangelists for the meeting. They are well noted for their ability in leading and working in revival meetings as a preacher and as singers. Mrs. Mauldin is an accomplished musician and choir director. More information will be given at a later date.

Granddad (H. L.) Reed, age 91 was dismissed from Plainview Hospital and Foundation on Wednesday last week after having major surgery.

Mr. and Mrs. W. C. Crick are remodeling their house on their farm southwest of Hart and Mr. and Mrs. Verle Crick and children will move there as soon as the house is finished.

Mr. and Mrs. Jim Cummings of Lubbock spent Tuesday night in the home of her niece and family, Mr. and Mrs. Miles Cox. Mrs. Alla Barnard of Lipan who has been visiting in the Cox home returned to Lubbock for a visit in the Cummings home.

Mr. and Mrs. W. A. Hawkins, Sr. did a bit of fishing at Ute Lake near Springer, New Mexico last week.

Van Earl Hughes was a surgical patient in Plainview Hospital and Foundation last week. Van Earl is pastor of the Mexican Mission.

WCS MEETS
The Woman's Society of Christian Service met on Thursday morning at the Methodist Church for regular meeting with Mrs. C. B. Landers, vice president in charge of short business meeting. The installation of officers for th

new year will be held next Thursday in the home of Mrs. Bob Bennett with Mrs. Douglas Gossett in charge of installation.

Program subject for meeting was "Unity of Methodist and Evangelical Churches," with Mrs. Gossett and Mrs. E. E. Foster leading the discussion.

Members present were Mmes. C. B. Landers, Douglas Gossett, Bob Bennett, Jeff Smart, Bill Yeager, W. C. Crick, E. E. Foster, Ed Bennett, Mabel Aven and H. E. Loman.

NINE ATTEND CAMP
Nine Junior High boys and girls went to Ceta Canyon Methodist Camp this past week. They were Sandy Bennett, Joan Dudley, Gaylene Hawkins, Jeton Jones, Sheila Gardenhire, Linda Gossett, Jerry Heller and Harold Bob Bennett. The two counselors were Mrs. Bill Bell and Warren Gossett.

They had a very good time, hiking, swimming and at other recreations.

There were three interest groups. They consisted of Bible, studying Ephesians, Exploring the Camp, and Christian Vocations. These were led by Rev. Albert Lindly, Rev. Elton Wyatt and Rev. J. B. Fowler.

Friday morning, they had a talent show that anyone could participate in. To close the last service together they had Holy Communion.

Camp is an experience to be closer to God and his great outdoor world and to have warm friendship among the young people.

The Young People of the Church of Christ of Hart attended a Youth Rally Tuesday night at Abernathy.

Sixteen Hart Boy Scouts and 3 sponsors will leave Sunday, July 2nd at 1 o'clock from the Legion Hall to go to Post for a full week of camping. The sponsors will be David Nelson, Dwight Miller and Deryl Clevenger.

Mr. and Mrs. Carl Rambo and children Gary, Dirk and Carla, have returned from a trip through the southern states seeing relatives.

METHODIST CHURCH ADOPTS BUDGET FOR NEW YEAR
The official board of the First Methodist Church of Hart met on June 15 to adopt a budget for the new conference year as of June 1, 1966-67 and elected officers. Wamon Foster was elected chairman of the official board succeeding Theron Morrison, who had served three years; Mrs. H. H. Parker was elected secretary of the board succeeding Mrs. Theron Morrison who had served several years.

The official board also approved the pastor's recommendation that the morning worship service and Sunday School meet earlier on Sunday at 9:30 a.m. and 10:30 respectively. The dismissal time will then be at 11:30 a.m. with this schedule on a trial basis for the month of July and will continue if satisfactory.

The Sunday evening worship service changed to 7:30 p.m. with the Youths meeting at 6:30 p.m. Several members of the official board will be attending the district set-up meetings next Thursday, June 30 at 7 p.m. in the First Methodist Church, Plainview. From Hart called to attend are Wamon Foster, the district chairman and steward of the board, Mrs. H. H. Parker, the president of Women's Society of Christian Service, Jeff Smart, W. A. Gardenhire, Mr. and Mrs. Ed Bennett and E. E. Foster, Commission chairmen, Joe Bailey, Sunday School superintendent, G. C. Graves, Lay Leader, Rev. Douglas Gossett, pastor.

The Rev. W. A. Appling, the newly appointed District Superintendent succeeding Dr. J. E. Shewbert, who has served his limited tenure of six years will be leading the meeting. Rev. Appling came to this place of District leadership from the St. Lukes Methodist Church of Midland which has more than a thousand members.

MRS. JAKE SPEAKS UP

Hi there! The Jaycee-Ette Club is really staying busy this summer. Thursday evening, June 16, the Jaycees and Jaycee-Ettes had a very successful orientation and get acquainted party. Members and guests were served a variety of desserts, and enjoyed playing white elephant bingo.

At a recent Jaycee meeting Jaycee-Ettes measured all of the boys wishing to order the color-

ful tan and red vests worn by the Dimmitt Jaycees at all of their official functions. The Jaycee-Ettes will be making the vests which will be embroidered on the back with the slogan "Grain Sorghum Capital of the Nation" and on the front with the member's name.

That's all for now. Mrs. Jake

PROCLAMATION

BROTHERS OF THE BRUSH

The Officials and many working committees of the Castro County Diamond Jubilee have eagerly requested this official MEMORANDUM:

WHEREAS, the good men of the Castro County Area are hereby charged with the noble sprouting of bushy hairy outgrowths in commemoration of the 75th Anniversary of Castro County, Texas, which festive jubilation will take place from August 11, 1966, through August 20, 1966.

NOW, THEREFORE, I DO HEREBY PROCLAIM that in memory of their pioneer great-grandfathers of yore, any and all members of the male sex working or residing within the confines of Castro County, are requested that from this date until August 20, 1966, they shall refrain from appearing in public or on the highways of our 75 year old County while wearing a clean shaven face, without first joining the newly formed organization known as "THE BROTHERS OF THE BRUSH";

OR IN THE ALTERNATIVE, without first having obtained a SHAVING PERMIT, which permit with the certificate, will allow the wearer to use his trusty old razor and sweet smelling blandishments.

IT IS FURTHER SUGGESTED that these provisions shall be enforced by a special police force sometimes dressed in readily recognizable police uniforms, and at other times in secret, but not as officers or agents of the City or County. Evaders of this Proclamation shall be turned over to YE OLDE KEYSTONE KOPS and YE AWFUL JUDGES OF YE KANGAROO COURT, there to be sentenced and punished in accordance with the magnitude of their offenses.

This suggestion is issued to encourage the cooperation which an undertaking such as Castro County Diamond Jubilee Celebration so rightfully deserves.

Walter Rogers' NEWSLETTER WASHINGTON

ON FEDERAL — STATE — LOCAL GOVERNMENT RELATIONS
 One of the important reasons the Federal Government needs to adopt a greater sense of fiscal

responsibility — in curbing excessive spending and holding down the burden of taxation — is that State and local governments also must look to the same citizens for support of their operations. When a clear delineation is lost as to the proper role of Federal, State, and local governments, a trend I have opposed, a clear delineation is also lost as to sources of revenue each level should rely upon. It seems apparent from the

growth of the Federal budget that more and more Americans want and expect more from the Government in Washington. A theory of centralization in government activity has become more and more accepted as the years have passed, and its advocates are not limited to any one political party. But at the same time as Federal activity has expanded, so has that of the States and local governmental bodies. They, too, have attempted to deal with heavy demands for more, better, and costlier services. The extent to which the States and local governments have met these requirements is often overlooked. A new report of the Advisory Commission on body set up by Congress to study the intricate relationships among levels of government, makes the point that there has been a 300 percent post-war increase in State — local general government spending.

Between 1948 and 1964, the annual level of State and local governments' spending for general purposes increased by \$52 billion compared with a \$14 billion increase in Federal general expenditures for civilian domestic purposes, according to Commission figures. The number of State-local government employees increased by 90 percent compared with a 22 percent increase in Federal civilian employment. The per capita debt actually declined by \$91.

Some States and city governments — particularly those in huge metropolitan areas — have been looking more and more to Washington because their own ability to finance such rapid expansion has become jeopardized. Grant-in-aid programs have in-

creased enormously. A publication of the Congress entitled "Catalog of Federal Aids to State and Local Governments" contains 154 pages in the initial document and 257 pages in supplements issued to it. Together they list the myriad of Federal grants-in-aid and other forms of assistance to States and their political subdivisions. Many of these programs were enacted to assist revenue-short state and local governments — at their request. Others came as a part of the centralization of Federal activity and were forced into the States, whether they wanted the programs or not. Some programs in this latter category have, despite the Federal contribution, forced States into activities they'd have preferred to avoid.

At its command, the Federal Government has a vehicle for raising revenue — the personal income tax — that from modest beginnings now has grown to produce some \$50 billion a year. Because the income tax is directly tied to the degree of prosperity, meeting requirements quickly in an expanding economy, State governments have been more and more attracted to it — and now 33 States collect income taxes to raise more than \$3.5 billion. Texas, as you know, does not levy a State income tax. But because of the growing conflicts in taxation, we are certain to hear more about proposals that the Federal Government share more of its Federal income tax revenue with the States, and this is a controversy that will not easily be resolved.

Sharron Morgan And Ronnie Howell United In Double Ring Ceremony

Sharron Ann Morgan, daughter of Mr. and Mrs. Arnold Morgan, and Ronnie W. Howell, son of Mrs. Wyneth Howell of Lubbock were wed in a double ring ceremony June 10 at the Northside Baptist Mission. Rev. M. A. Pennington officiated.

Mrs. Faun Welker played traditional wedding music and accompanied Miss Keith Ann Howard who sang "The Wedding Prayer" and "I Love You Truly."

The bride wore a floor-length gown of white satin with bodice and sleeves of bridal lace. She carried a bouquet of white roses. Mrs. Thelva Stone, sister of the bride, served as matron of honor. She wore a pastel blue street-length dress fashioned like the bride's and carried a bouquet of blue-tipped asters.

D. C. McDaniel of Denver City served his grandson as best man. 6Ushers were Hoy Morgan, brothe

of the bride, and Paul Catoe. The mother of the bride wore a pastel blue dress and black accessories. The groom's mother was attired in black lace with black and white accessories. Both wore corsages of rosebuds.

A reception followed the ceremony in the First State Bank Community Room. The serving table was centered with candelabrum bearing three white candles and the bridal party's bouquets. A three-tiered white wedding cake topped with a miniature bride and groom, was served to the guests. Linda Bruton and Edna Slough served the cake and Beth Moore served the punch. Linda Bruton registered the guests.

For going away, the bride chose a pastel blue sheath dress and beige accessories. She wore a corsage of white rosebuds taken from her bridal bouquet. Following the wedding trip, the

Bridal Shower Is Held For Mrs. Doty

Mrs. Tommie Doty of Tulsa, Okla., the former Lynda Hrabal was honored with a bride's shower June 23 in the Community Room at the bank.

The serving table was covered with a maderia cutwork cloth over yellow. The centerpiece was of daisies and white and yellow flowers. Crystal appointments were used. Bettye Carpenter and Kay Hilburn Neal served the fruit punch and yellow cake. Mrs. Bill Wheatley registered the guests.

Hostesses were Mesdames Glen Render, Harold McColum, Bruce Taylor, Bill Wheatley, Earl Griffith, Jack Tucker, Woodrow Nelson, Don Carpenter, Clayton Neal, Paul Hilburn Garland Jarvis A D. Schreck, Bill Harman, Horace Henley, D. L. Moore, Ed Brock and Corkey Lankford.

"THE HOME OF GREATER VALUES"

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

It's tourist season at the historic Texas State Capitol Building. On any summer day, visitors from all parts of Texas, many other states and even foreign countries can be found in its spacious rotunda and in the splendid legislative halls or on the green, tree-shaded grounds. More than 200,000 tourists looked over portions of the 78-year-old

state house during the last year, estimates the Capitol Tourist Bureau which is operated seven days a week by Texas Highway Department personnel.

Two-hour free parking is available for visitors on a lot at 11th and Congress Ave. — across from the south Capitol grounds. Limited parking also is provided on a first-come-first-serve basis in

marked tourist spaces on the grounds.

DOMES OPENED — A part of the famous Capitol dome was reopened last year for the first time in 12 years. Visitors can now go to the fifth floor landing (in company of a guide) and are rewarded by a spectacular view of the capital city from an outside balcony.

Six guided tours a day take them from the fourth-floor elevator stop — up 112 spiral steps to the fifth floor.

Many less adventuresome visitors are content to wander on their own through the columned corridors, to look up their Legislators' pictures in the House or Senate or to drop by the Governor's office and sign the guest book.

CONSTRUCTION — The Capitol covers three acres of ground and has 192,374 square feet of floor space.

At the time of its completion in 1888, it was said to be the seventh largest capitol building in the world.

In 1879, the Legislature appropriated more than three million acres of land in 10 Panhandle counties to pay for the building.

Construction was begun February 1, 1882. Owners of Granite Mountain near Marble Falls in Burnet County offered free of charge to the state all granite needed to complete the building. (Original plans called for construction of Texas limestone.) Extended labor problems delayed completion, but Texas finally got a building that cost more than \$3,700,000 in exchange for her three million acres of land.

Rising to a height of more than 309 feet (from basement floor to top of the Goddess of Liberty statue on the dome), the building is seven feet higher than the National Capitol in Washington.

It is 585 feet long and 299 feet wide, including outside steps in both measurements.

OX-POWERED — Fifteen thousand carloads of Texas red granite for exterior walls were hauled into Austin from Burnet County by ox-power and a specially built railroad. Texas limestone forms interior and dome walls.

Wainscoting of oak, pine, cherry cedar, walnut, ash and mahogany would reach a length of seven miles.

Door and window frames are all in oak and pine, except those in the Governor's ornate reception room, which are of cherry.

The original copper roof covers 85,000 square feet.

Original floors were of hand-blocked clay tile, glass and wood. New hall and rotunda floors are of terrazzo, all Texas rock aggregate except for the blue in the U. S. Seal which was imported from Italy. These rotunda floors

tell the story of Texas history and are regraded as among the largest and most beautiful terrazzo floors in the world.

Modeled after the classic design of the National Capitol, the Texas Capitol is built in the form of a Grecian cross.

ALWAYS WORK — Maintenance requires almost constant effort. Crews of painters, carpenters, electricians and plasterers are at work in some portion of the sprawling building almost every day. Many areas, including the Governor's quarters, have been remodeled, modernized and air-conditioned.

Most dramatic of the maintenance work is painting the interior of the Capitol dome every seven years. Painters work on a platform suspended 260 feet above the star on the rotunda floor.

There are still a few oldtimers around who remember when the grand old building was brand new.

OTHER ATTRACTIONS — "The Texas Capitol is more than a seat of government; more than a fountainhead of law," one writer has said. "With its treasures of Texana, it acts like a lodestone upon even the 'summer soldier and the sunshine patriot.' And those who enjoy deeper drafts of history may stand again and again before the Capitol's paintings, sculptures, and documents, each time finding something they had missed before. Here, one must thrill to the feel of an undercurrent of the tremendous energy and vigor which continues to keep Texas great."

Sen. Yarbrough's Washington Report

Friends and Fellow Texans:

Around the world today, the American Fighting Man stands guard to protect the liberty that this Nation and the entire Free World enjoy.

Sometimes it is easy to forget the stake we all have in that lone soldier on sentry duty. The young men of our country and State of Texas perform faithfully not only in Vietnam but in many other places that are bypassed by the bold, black headlines of your morning newspaper.

But the price that they pay may be the supreme one in any one of these trouble spots. It is always heavy.

This is the reason that I have fought for legislation in Congress that would bring justice to the veterans of this so-called Cold War period. It is the bedrock foundation for my Cold War GI Bill, passed this year, and signed by President Johnson — that will make certain that 5 million Cold War veterans not only know that we at home care — but that we are doing something about it by providing an educational opportunity in life for them after they return from their guard duty and their fighting fronts around the world.

With the growth of armed conflict in Vietnam, many more of our American and Texan boys are called upon to defend our freedoms.

Their pride in the State which has the traditions of the Alamo and Goliad makes many of these fighting Texans wish for some reminder of Home. Recently, I have received increasing requests from Texans on military duty in Vietnam and Korea for such a symbol of Texas.

At my own expense, I have been happy to buy and to send to military units in these areas the Lone Star Flag of Texas. This flag is a symbol of the 10 glorious years that Texas was an independent Republic, and of its 120-year record of growing strength as a State in the America Union. It is a symbol of the heroism of the stand at the Alamo where men died for God and Liberty to the last man, rather than retreat.

It is the symbol of the victory of Sam Houston at San Jacinto, which added Texas and the territory westward through California to the Pacific Ocean as part of the American Union.

It is the symbol of the unity of Texas in a welding together of 50 indestructible states into this indissoluble union.

A Houston soldier, now with the

Marine artillery in Vietnam, wrote that his unit would "fly the Lone Star Flag proudly and treat it with the greatest respect."

Another Texan, with the famed 7th Cavalry on duty south of the 38th Parallel in South Korea, wrote the flag showed "a connection with our homes and a tangible sign of support for those, who unlike other units of our Regiment in Vietnam, must sit and watch the enemy across an armis-

time line."

In December of 1964, I visited the 1st Cavalry while it was patrolling the so-called Demilitarized Zone along the 38th Parallel in Korea.

This is a place that calls for constant alertness and watchfulness. There was the Communist who slipped across the Demilitarized Zone and threw a hand grenade into an American bunker. I saw some of the conditions

under which the men serve there, and know that it is never safe for a single man to let down his guard for a single minute.

Now I ask other Texans, proud of our men overseas, to join with me in providing our native sons with the one symbol that spells "Texas" — the Lone Star Flag. Your efforts may make it possible for some lonesome Texan to bear the burden of the "long twilight struggle."
