**AT THE SCENE** of last week's shotgun fray at 307 N.W. Seventh St., City Marshal W. W. Jones investigates the spot where Harold Portwood wrestled Harlan Kenmore, 21, to the ground after being wounded in the leg. Also wounded in the shooting was Delton Foley, 21, a city employee

and Kenmore's co-worker. Jones's tape measure extends to three holes blasted in the front wall of the Foley home by a double-barreled shotgun. Note bloodstains left on ground, curb and hat by Portwood, who was bleeding profusely when officers arrived. See story below.

## Two Men Hospitalized After Shotgun Fracas

Two Dimmitt men are in an Amarillo hospital and another is being held in county jail under \$5,000 bond as the result of a shooting Wednesday night of last week.

**HARLAN KENMORE**, 21-year-old city employee, has been charged with assault with intent to commit murder, and is in county jail awaiting grand jury action.

Hospitalized were Delton Foley, 21, and his uncle, Harold Portwood. Each man received a shotgun wound in the leg, but both are reported by officials to be in satisfactory condition at Northwest

Texas Hospital.

The incident occurred at 10:24 p.m. at Foley's home, 307 NW Seventh St.

**CITY AND county law officers** said Kenmore and Foley had reportedly been together since finishing work Wednesday afternoon. They reported that one witness said the two young men had been drinking ale together during the evening.

Officers said the shooting incident apparently grew out of an argument that started between the two men at Foley's home and flared into two fights.

The first fight occurred at Kenmore's home at 608 W. Etter St., officers related. When Foley returned to his own home and told his wife and the Portwoods about the fight, investigators said, Mrs. Foley went to the Kenmore home where the two men's wives tried to straighten out the difficulty between their husbands.

A WITNESS told City Marshal W. W. Jones that a second fight occurred between the two — this time at the Foley home — but that Portwood separated them and ordered Kenmore to leave.

The shooting occurred later at Foley's home. Jones said five bird-shot blasts were fired — three through the front wall of the house

and two more in the front yard.

Deputy Marshal Fred Moulton and Sheriff Jack Cartwright, who arrived at the Foley home just minutes after the shooting reported that they found Portwood, wounded in the leg, lying on top of Kenmore and holding him down. Foley was also suffering from a leg wound.

**MOULTON** took the two wounded men to Plains Memorial Hospital, and they were transferred to Amarillo.

Cartwright placed Kenmore under arrest that night and filed the charge against him last Thursday morning.

Dimmitt and Castro County has been growing at a rapid clip for the past few decades, and people who have been away for several years can hardly believe their eyes when they see the solid progress that has been made in the city and county.

The growth and development of our community for the past several years will serve as a sound foundation for the phenomenal growth that is all but assured for this year, 1967. Two huge projects have already been assured, and construction should begin shortly on a County Recreation Center that will cost in the neighborhood of \$305,000 and a labor housing complex that will be built at a cost of approximately \$966,440. These two projects alone would represent healthy growth for a town of this size, but they are not all.

A community cannot grow in just one or two areas without becoming out of balance in its total needs and responsibilities. This fact was recognized by the board of directors of the Plains Memorial Hospital and resulted in their calling a bond election to be held February 11. They realized that with the present rate of population growth the existing hospital facilities would be inadequate by the time a building program could be completed. The sale of bonds in the amount of \$135,000, with matching Hill-Burton funds will finance the construction of additional hospital facilities sufficient to meet the needs of the community for the foreseeable future. This election will be held on February 11, and should receive the support of everyone interested in the health and development of our county.

## Tuesday's the Deadline

If you haven't yet registered to vote, you have only five more days to do so.

**TUESDAY AT 5 p.m.** is the deadline, and the county tax assessor's office is the place to register.

Voter registration is now free, but you must re-register each year.

Although this is an "off year," three important elections are already in the hopper — a county-wide bond election Feb. 11 on a proposed \$270,000 addition to Plains Memorial Hospital; a city airport bond election, expected to be called for March; and city commission race.

**AND ONE OR more other bond elections** may be called during the year as Dimmitt and Castro County try to quell their "growing pains" and prepare for the future.

County Tax Assessor Kent Birdwell reports that he expects a rush during the last few days because county voter registration is still lagging.

Voter registration forms may be picked up and filled out at Birdwell's office in the courthouse. Forms were also provided on the backs of this year's county tax bills. If you filled out the form on your tax statement and mailed it back, you're already registered.

**THE ONLY** persons who do NOT have to register in order to vote are those 60 or older. Attorney General Crawford C. Martin explained that these senior citizens will not have to register for 1967, regardless of the outcome of a pending lawsuit on the constitutional amendment which would require all voters to register. The effective date of the controversial amendment was fixed at Feb. 1, 1968, so it does not apply to elections held before that date.

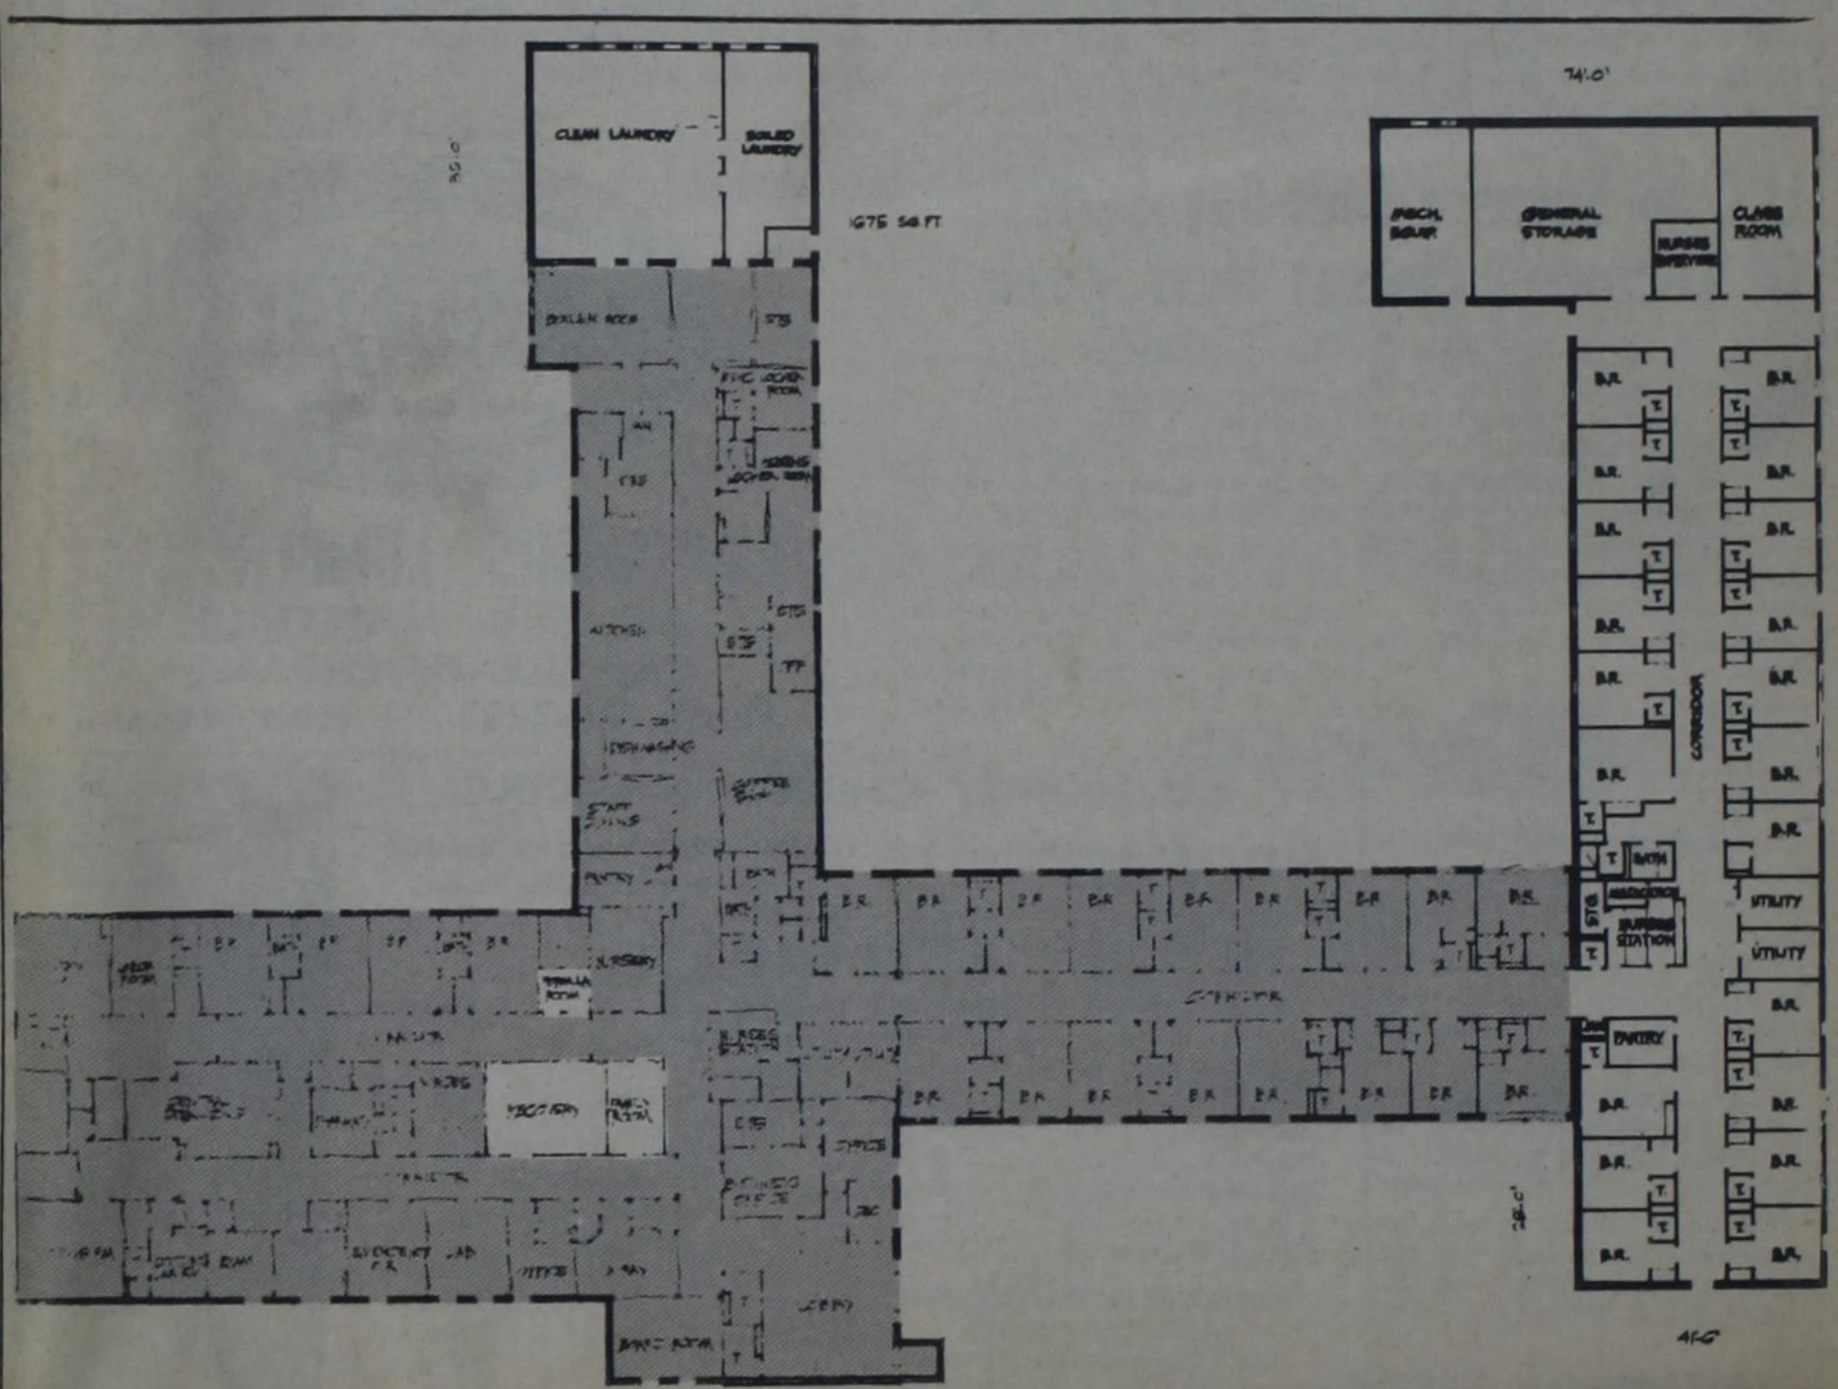

County Attorney Jimmy Ross explained that a voter for any regular city, county or state election must be 21 and a US citizen, must have filed out a voter registration form, and must have lived in the state one year and in the county precinct or city at least six months at the time of the election.

For bond elections, though, there's an added requirement, Ross explained.

**MEETING AT** the Colonial Inn, the county GSPA board adopted a resolution calling for the national GSPA to sponsor a referendum in gran states that would authorize the Dept. of Agriculture to collect fees from producers for marketing and research.

The resolution calls for promotion funds raised via the mandatory fee to be administered by the National Grain Sorghum Producers Association.

**THE ACTION** came as county

**THIS NEW HOSPITAL WING** for Plains Memorial will come up for county voters' approval in a \$135,000 bond election Feb. 11. Shaded area is the existing hospital. The new wing would add 20 beds to the hospital, increasing its capacity to 50, and would also include a head nurse's office, classroom for the hospital's Vocational Nurses' School, and storage facilities. Also, a large laundry would be added to the hospital's north wing. Main alterations in the present hospital plant (white areas) would

be the addition of a recovery room and three-bed intensive care unit combination, family waiting room, and formula room for the nursery. If the bond issue is approved by voters, the hospital board will apply for \$135,000 in federal Hill-Burton funds to finance the other half of the project's \$270,000 cost. Hospital Administrator Don Newman said the bond issue would raise the hospital district's tax levy by nine cents, to 39 cents per \$100 assessed valuation.

## GSPA Asks Mandatory Fee

Directors of the Castro County Grain Sorghum Producers Association voted unanimously last Thursday night in favor of an automatic "promotion fee" for grain sorghum, similar to the one passed by cotton farmers recently.

**MEETING AT** the Colonial Inn, the county GSPA board adopted a resolution calling for the national GSPA to sponsor a referendum in gran states that would authorize the Dept. of Agriculture to collect fees from producers for marketing and research.

The resolution calls for promotion funds raised via the mandatory fee to be administered by the National Grain Sorghum Producers Association.

**THE ACTION** came as county

GSPA directors anticipated a bleak harvest of grain-promotion funds through the current voluntary fee program carried out by the GSPA through elevators.

GSPA officials maintain that the voluntary fees from grain growers haven't produced enough money to carry out an effective program to expand grain sorghum markets.

After naming a committee to

check all county elevators for GSPA funds collected to date, the board set Tuesday as a special meeting date to get the final report on funds collected from the past crop year.

## Death Is Ruled Self-Inflicted

Last rites were held Monday morning in Anson for Harley W. Bolles, 43-year-old Dimmitt oil salesman, who died in his mobile home at the Acker Trailer Court in North Dimmitt about noon Saturday.

**CITY MARSHAL W. W. Jones** said Bolles was found dead at 12:15 p.m. with a bullet wound in his right temple. A .22 caliber pistol was found lying on his chest, Jones said.

Justice of the Peace T. E. Harrison ruled that Bolles had died of a self-inflicted gunshot wound. He is survived by his mother and stepfather, Mr. and Mrs. Emmett May of Fort Worth, two sisters and two brothers.

## Cats, Bobbies Shock Memphis

Dimmitt's Bobcats remained undefeated in conference play Tuesday night with a 72-45 victory over Memphis on the Cyclones' home court.

Tommy Stafford bucketed 27 points to lead the Bobcats to their lopsided win.

**IN THE GIRLS'** game, Debra Summers sank 27 points to spark the Bobbies to a 61-23 victory. Dimmitt will host Abernathy at North Gym Friday night for a pair of important conference bouts. The Bobcats and Antelopes are tied for first place in the second half of play with 2-0 records, and the Bobbies, are fighting to stay alive in the district girls' race with a 1-1 mark.

## City Doesn't Register Voters - It Only Logs Its Taxpayers

City officials reported a rush on voter registrations this week — although the city doesn't register voters.

**THE RUSH** was the result of a misleading sentence in last week's News.

The News reported that "If you are a city resident, you must register separately at city hall to vote in municipal elections."

The sentence should have read, "If you're a city resident, you must REGISTER YOUR PROPERTY separately at city hall to vote in municipal BOND elections."

**FOR A CITY** bond election — such as the airport election coming up in March — the city uses the county voter registration list to make sure its residents are registered to vote. But it also uses its own current tax renditions and rolls to see if the voter is qualified as a city taxpayer.

For a city office election, you need only be a registered voter and a city resident. But to be eligible for a city bond

election where property taxes are at stake, a city resident's name must appear on both lists — the county voter registration list and the city tax roll.

"If a city resident is already paying city property tax and has registered to vote through the county tax assessor's office, he's qualified for any city election that might come up," Noble explained.

## Rev. Pollard Is 'Service' Winner

"A surprising thing happened to Rev. Frank Pollard while he was waiting to make a banquet speech last Thursday night.

**HE LEARNED** that he was the winner to the Dimmitt Jaycees' "Distinguished Service Award" for 1966.

The award is presented annually at the Jaycee Bosses' Night Banquet to the young man judged to have performed the greatest service to his community during the year.

Presenting the award plaque was Johnny Linn, KDHN radio station manager who was a member of the selection committee.

Rev. Pollard was waiting to make his main address when the award was announced. And the usually eloquent minister of the First Baptist Church was almost at a loss for words.

**THE ONLY** comment he could muster was, "Boy, you sure took the wind out of me."

Linn cited Pollard's work in organizing the popular "Hootenanny" programs as post-game entertainment for high school students; helping organize the Dimmitt Rotary Club, of which he is now president; and delivering inspirational speeches at an average of a banquet a week in addition to his church and youth work.

Rev. Pollard is one of the most sought-after banquet speakers in the area, and he says the dinner circuit is "my biggest hobby — what I get the biggest kick out of. It gives me an opportunity to

family.

He attended Texas A&M, where he was a second baseman on the Aggie baseball team, president of the Baptist Student Union, and intelligence officer of the battalion staff with a rank of cadet major.

**BORN AND** raised in the oil fields of Olney and Graham, the 32-year-old minister was the youngest of seven boys in his

family.

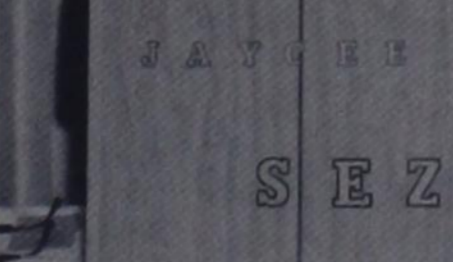

He attended Texas A&M, where he was a second baseman on the Aggie baseball team, president of the Baptist Student Union, and intelligence officer of the battalion staff with a rank of cadet major.

He and his wife Jane, were married in September, 1955, after he had received his bachelor's degree in business administration from A&M. He entered South-

western State University at San Antonio, where he received his

theology degree from Southwestern Baptist Theological Seminary in Ft. Worth, Texas.

He is a member of the First Baptist Church in Dimmitt, Texas, and is active in the community.

Bible Thoughts

"JESUS SUFFERED" By Ronnie Parker

These words tell the story of Jesus' suffering.

- 1. "A man of sorrows and acquainted with grief" — Isa. 53:3.
2. "My soul is exceeding sorrowful unto death" — Mk. 14:34.
3. "And being in an agony he prayed more earnestly and his sweat was as it were great drops of blood falling down to the ground" — Lk. 22:44.
4. "And bearing his cross went forth into a place called the place of the skull where they crucified him" — Jn. 19:17.

This tells the story of sin and suffering, of hate and hopelessness, shame and sacrifice, of blackness and terror, and of death. But God be thanked, these words tell also of hope, love, peace, life, God, Salvation, forgiveness, redemption. Oh, how he suffered to bring us to God.

Salvation is ours because of the suffering of Christ. You must love, obey, and imitate Jesus.

"COME WITH THE CURL ON TOP"

Editorial

A Universal Editorial

By Garland Jarvis

The other day as I was making the list of assignments for my reporters, I came to my own particular assignment. It was: "Write the editorial."

I STOPPED writing, put down my pen, and started thinking: "What is the world am I going to write about? Now let me see! Schoolwork is fair. Students are behaving well. Would you be lieve fair? No reverberating sounds of earth shattering troubles among the teachers. Just what in the world am I going to write about?"

I thought it over for quite some time, and then I came to a decision. "Garland, let's face it. You just don't know what to write on."

I began to look through old newspapers and magazines for any kind of an idea. This was all in vain. I strained and strained and finally came up with an idea. "Why not cover a whole group of subjects with one editor-

ial?" After this mighty decision had been reached, another problem arose. How in the world was I ever to do this? So, I had to think a while longer. I finally came up with the idea of combining a lot of little "brain stretchers" and thus achieving a "universal editorial".

Education is to the mind what food is to the body. Starvation occurs when either is absent. Everyone is strong enough to tear a telephone book in half - page by page.

One fact is worth a volume of opinions. The accent may be on youth, but accentuate your maturity.

The first mark of intelligence is knowing that you don't know it all.

All work and no play made Jack a dull boy. But all play and no work didn't improve his shine. Study the past for understanding; live the present for growth; plan the future for contentment.

Words should be cultivated like a garden. Pull out the weeds. Some people are that way because they don't know any better. Do you?

Wishes are earned, not granted. Your activities each day will determine how you grow when you are asleep each night.

If you cannot be popular by talking, be popular by keeping still. Youth, wisely spent, will allow old age.

There must be some reason for

you to become a little better than you are.

Life's hardships should make one better, not bitter.

Go as far in life as you can dream, and when you get there, you will be able to go farther.

You can say one thing for being poor; it doesn't cost much.

If ability to postpone action on bills means anything, a lot of us are as eminently qualified to serve in the Congress as any member in it.

Language is a wonderful thing. It can be used to express our thoughts, conceal our thoughts, and even to replace thinking.

Reckon a two-faced woman has to be twice as much makeup and a two-faced man has to shave twice a day?

Nothing in this world is impossible - if you don't count lousy weather.

They're becoming a little more culture-conscious out on San Francisco's North Beach. A beatnik was refused admittance to a topless go-go show the other night because he was barefooted.

To gain financial status requires no bodyguards. One need not flash a roll of cash. One makes a greater social splash, with a pack of credit cards.

Past fashions often were ridiculous, but it seems like today's styles are not only ridiculous - they're ridiculous on purpose.

Well, that was my editorial. I think everyone can see why I call it my "universal editorial." In this one editorial, I (Well, not exactly I, have said more about everything than any editorial could say in a million years. I hope you have enjoyed it.

In conclusion, I have only one thing to say. I sure am glad someone has enough intelligence to think up all these little proverbs!

Don't forget to go to all of the games, and support our Bobcats and Bobbies!

Beth Moore, John Howell

Our seniors this week are two very talented people.

Our senior girl is Beth Duane Moore. Beth is the daughter of Mr. and Mrs. Odie Moore, and she was born on July 28, 1949. She paints, draws, and knits for her pastime activity.

BETH LISTS sewing and "snoopy" people as her pet peeves. She is, however, very fond of the Tijuana Brass, horses and dancing.

Beth is an active member of FHA in DHS. In the future, she wants to go to West Texas to study art. She says she would like very much to be a fashion illustrator.

When asked about her most embarrassing moment, she said, "It was during a dance recital. The drape of my costume fell off, and I had to go through the whole dance holding it up."

WE CHOSE John Kent Howell as our "Boy." He was born Nov. 16, 1947. John is very active in DHS affairs. He participated in all the sports, Science Club and FTA.

In the field of sports, John has attained many honors. He has been all-district in football, All South Plains, second team South Plains Dream Team, all-tournament '65 and '66 in the ABC Caprock Tourney, all-regional in basketball and all-district in basketball.

Among his likes - as we all know - are food, girls, and sports. He dislikes stuck-up girls and bad food. He likes to play ball and to raise pigs. Besides eating, that is the way John likes to spend his time.

John is planning to go to Texas Tech and play basketball. He wants to be a basketball coach. John lists as his most embarrassing moment an incident that occurred at a Sunday school party. He was jumping on a trampoline and ripped the seat out of his dress pants. He had to leave.

We want to wish each of these seniors luck and success in everything they attempt. With ambitions and ideals set as high as these two fine students have, success is sure to come their way.

Bobbie of the Week

Debra Summers

Debra Summers, daughter of Mr. and Mrs. Bill Summers, is our Bobbie of the Week. She plays post forward for the Bobbies and is a hard working Bobbie captain.

HER STUDIES at school include Algebra II, American History, Latin I and English III. Debra, when not engaged in studying might be found working with one of her other activities. They include band, Lyre Club, stage band, FHA, FTA, (vice-president), National Honor Society (secretary), and of course, basketball.

Debra says her hobbies are water skiing, sewing and reading. She says she likes people with a good sense of humor, and she hates eggs.

When Debra was asked about the Bobbie basketball team she had this comment: "I know that the Bobbies are on their way to State, and I am proud to be a part of the team."

Coach Kountz said Debra is a hard worker, a good leader, and she does a fine job on the court. Keep it up, Debra, and the Bobbies will go to State! GO! FIGHT! WIN!

B-Bobbies Bounce Friona

"What's the good word? - eat Friona!" rang out in the North Grade gym Tuesday afternoon as the B-team Bobbies defeated the Friona Squaws by a score of 42-26.

THE BOBBIES did an outstanding job as they outdid themselves to make the best scoring percentage this year.

Susan Thornton sank six field goals and nine free throws to lead the scoring. Delores Wilke had 12 points by hitting four from the floor and four from the charity line. Suzanne Merritt, Ann Spencer, and Doricell Oldham each contributed three points apiece.

The defense did a great job by pulling down 10 rebounds and getting several loose balls. The B-Bobbies are now 7 and 9. The next game is next Thursday afternoon with the Friona team. Get out and support the teams!

Cats Capture Championship Of First Half

The Dimmitt Bobcats won the first half of the district championship Tuesday night by defeating Friona, 69-61.

Higher scorers for the Bobcats were John Howell with 24 points, Tommy Stafford with 16 points and Bill Glidewell with 15 points.

THE TEAM standings in district play for the first half are:

- 1. Dimmitt (7-0)
2. Friona (5-2)
2. Memphis (5-2)
4. Hale Center (4-3)
5. Olton (3-4)
6. Floydada (2-5)

Round the Campus

Band Members Choose New Style of Jackets

By Sandra Coffman
Well, it's time to look in on the happenings on the campus of ole DHS again.

THE BOBCAT Band adopted a new style of band jackets this week. A gray knit jacket with purple and white trim on the cuffs and pockets was selected. The jackets will cost the usual sum of \$15.

The drama class is practicing on a new type of drama. It is preparing a speaking choir program to be presented to the school body at some later date. This will be the first time something of this sort has been presented in Dimmitt High School.

Dimmitt High School and the Bobcat Band were represented quite well at the All-Regional Band Contest in Lubbock. Ten band members from Dimmitt won the honor of making the band. Those from Dimmitt were: Paraly Render, Carolyn Dunn, Paula Birdwell, Marsha Baldrige, Betsy Simpson, Sharon Barker, Janice Mooney, Teresa Cranford, Sheila Hamilton, and Elaine Davis.

The freshman tournament was held last week. It seems the scior class had the concession stand and, if I remember correctly, Tommy Stafford wanted to sell season tickets to all the ball-games. Did you make any money, Tommy?

DHS students heaved a sigh of relief last week as they received their first semester report cards. It seems the midnight oil they've been burning studying can now be players have been hobbling down the halls of DHS. They are: Debra Summers, who has a knee injury; Sherry McGowan, who has her leg in a cast; Genita Aldridge, who has a knee injury also, and Belee Goodwin, who has a sprained ankle. We hope these

burned for activities more interesting. If your grades weren't quite what they should be, then try a little harder next semester. And remember, Seniors, these grades are very important to you, especially.

I KNOW THE Bobbies and Bobcats are on top in District, but could it be that our opponents are running all over our teams? It seems that quite a few of our

Organizations
THE NATIONAL Honor Society met to discuss a party to attend the movie "Dr. Zhivago," in Amarillo. The meeting was held Monday.

The club also sponsored the installation of the Hart chapter of the National Honor Society, Jan. 23.

THE STUDENT Council assembled to discuss sending a representative to the state convention. However, no decision was reached.

Mum sales, which the club sponsored during Spirit Week, were cleared up.

Bobbies and Bobcats will soon be well and able to once more play basketball.

America may be considered the land of equality, but the men still have the lion's share of it. If you don't believe this, just ask a well-known member of the annual staff and a beautiful, blonde junior!

The staff of the Bobcat Tales and its sponsor wish to extend their sympathy to Mrs. Heles Richardson, principal, of the elementary school, on the loss of her mother.

Dues Are Due For Seniors

The senior class met Monday last week to discuss running the concession stand at the freshmen tournament Jan. 19-20. Work schedules and food lists were drawn up.

The class is reminded to pay class dues, at \$2.50, this week.

NOTICE TO PARENTS Of School Age Children
The school census is being taken during the month of January this year. All children who are six years old on or before Sept. 1, 1967 but will not be 18 or older on or before that same date should be counted in this census. It is very important that all children six to 18 years be counted in this census. The child should be counted even though he may not be in school and even though he or she may be married.
If you, as a parent, have not received and filled out a school census blank on or before January 31 you are being overlooked and should do one of the following:
1. Phone the school office and ask for a census blank (647-3108).
2. Call in person at any of the Principals offices and get a census blank and fill it out.
Remember, if your child will be six years old next September 1, he should be counted in the census now, even though he is not in school now. If he is six but not 18 or older next September 1 he should be counted now. All children from six to 18 should be counted. The six year olds who start next September to school are the ones most overlooked in the census. Failure to count them costs the school and taxpayers extra money. Please help us not to overlook anyone.

Bobbies Fall To Friona Girls

Tuesday night, Jan. 18, Dimmitt Bobbies clashed with the Friona Squaws in the last game of the first round of district play. The Squaws led all the way in this game, but the Bobbies did an outstanding job on defense, but couldn't "Massacre" the Squaws.

ALLAN WEBB did an outstanding job on defense. She broke the individual points record here at Dimmitt. She hit 12 out of 19 field goals for 63 percent, and 29 out of 32 free throws for 91 percent.

The guards also did a fine job of guarding the ball and bringing the ball down.

The Bobbies met Floydada here Friday night in the second round of district play.

# McMurry Chanters to Present Choral Concert Here Tonight

The McMurry Chanters will present a program comprising some of the great choral music of the Christian Church when they appear in First Methodist Church tonight (Thursday) at 7:30 p.m. The concert by the collegians has been arranged by Rev. Weldon McCormick, pastor.

**THE 50-voice A Capella Choir** is conducted by Professor Paul Engelstad, considered one of the outstanding choral conductors in the Southwest. The director received degrees from St. Olaf College in Minnesota and DePaul University in Chicago, and has studied with Roger Wagner in San Diego and Robert Fountain of Oberlin Conservatory.

The concert will include compositions of the masters such as "God Be in My Head," by H. Walford Davies; "Prer Natus Est Nobis," a Gregorian chant; "O Vos Amnes," by Vittoria; "Exsul-

tate Justi" by Viadona; "The Noise of the Multitude" and "The Paper Reeds by the Brooks," both by Randall Thompson; the Motet, Opus 29, No. 2 by Brahms, which includes "Create in Me a Clean Heart, O God," "O Cast Me Not Away" and "Grant Unto Me the Joy of Thy Salvation."

Also on the program are such selections as "I Want Jesus," a spiritual arranged by Jester Hairston; "Bell Carol," by Willis James; "O How Beautiful The Sky," a Danish Folk song; and "Wake, Awake," by F. Melius Christiansen.

Virtually all of the McMurry Chanters are active in church work on an individual basis. Many are choir members, choir soloists, choir directors and organists. The choral group was organized in 1923 when McMurry College was established in Abilene, and named "Chanters" in keeping with the college's Indian theme.

MR. AND MRS. DAVID WIMBERLEY  
... She's the former Linda Moore

## Couple Establish Home in Dimmitt

Mr. and Mrs. Ira David Wimberley are now at home at 604 Allen St. in Dimmitt after a wedding trip to South Texas.

**THEY WERE** married in a double-ring ceremony Dec. 22 in Dennis Chapel.

Mrs. Wimberley is the former Linda Marie Moore, daughter of Mr. and Mrs. O. R. Moore, 612 W. Jones St. Wimberley is the son of Mr. and Mrs. Ira Wimberley, 607 SW Sixth St.

Ronnie Parker, minister of the First Church of Christ, officiated at the afternoon chapel ceremony. The chapel was decorated with candelabra, baskets of white gladioli and greenery.

**KATHY GRIFFIN** was maid of honor, and Jerry Frazier, cousin of the groom, served as best man. The bride's brothers, Richard Moore of Dimmitt and Orby Wayne Moore of Canyon, served as candlelighters and ushers, and her nephew, Robert Moore, was ring bearer.

Miss Griffin and Deanna Moore, flower girl, wore identical blue velvet sheath dresses with lace bodices.

The bride, given in marriage by

her father, wore a sheer white wedding dress of peau de soie with appliqued white lace flowers at the neckline and on the skirt. The long sleeves tapered to a petalpoint at the wrists.

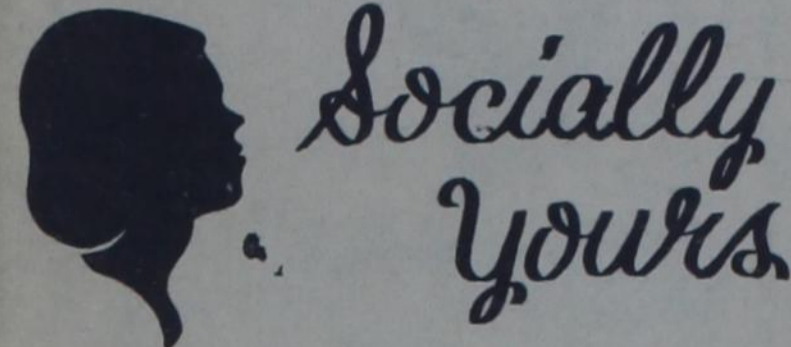

**SHE CARRIED** a white Bible topped with a white orchid surrounded by pompoms. Her shoulder-length veil was secured by a crown of pearls.

The bride's mother wore a blue crepe dress with white accessories and a white carnation corsage. The groom's mother chose a brown suit with light brown accessories and a corsage of white carnations.

Soloist was Douglas Self of Plainview, who was accompanied at the organ by Mrs. Gene Ivey, aunt of the groom.

**A RECEPTION** in the community room of First State Bank followed the ceremony. Rhonda Rhudd and Jeanette Seeley served the tiered wedding cake and punch from a table covered by a cutwork cloth.

The newlywed Mrs. Wimberley is a Dimmitt High School student. Her husband, a Lazbuddie High School graduate, is employed at Dimmitt Super Market.

## Electronic Oven Demonstrated For Young Homemakers Thursday

Laura Hickey, home service advisor for Southwestern Public Service Co., gave a demonstration on use of the electronic oven at last Thursday's meeting of the Dimmitt Young Homemakers.

**SHE SHOWED** a film that explained how the oven cooks by microwaves. Some foods cook in just a few seconds; cake will bake in about six minutes; a 14-pound turkey will cook in just one hour. Only the food gets hot; the con-

tainer in which the food is being cooked can be taken from the oven without a hot pad.

Mrs. Hickey explained that exact timing is very important in cooking with this type oven. Foods left in the oven for just a few seconds too long will make the food too hard to eat. She gave some recipes that are made especially for electronic ovens.

Young Homemakers attending were Maretta Smithson, Dickie Holcomb, Elvise Varner, Billie Gunn, Beth Odom, Onecta Cole and Mary Hawkins. Judy Moore was a guest, and advisor Joanne Snider was also present.

Babysitters were Darla Underwood, Marie Dones, Darlene Dodd, Sharron Flynt and Sharla Sanders.

## Shower Honors Miss Hammonds

Jeanie Hammonds, bride-elect of Jerry Blackwell, was the honoree at a bridal shower and tea Saturday afternoon in the home of Mrs. Allan Webb.

The reception line included Mrs. Webb, and the prospective newlyweds' mothers, Mrs. W. B. Hammonds and Mrs. J. B. Blackwell. Patti Summers registered guests.

Kathy Graham and Kay Hammonds served cake and punch from a table covered with white linen. The centerpiece was an arrangement of tall silver candelabra, giant white mums and blue ribbon streamers.

MRS. GARY EVERETTE HELLER  
... Formerly Glenda Kay Smiley

## Smiley-Heller Vows Are Recited Friday

Miss Glenda Kay Smiley and Gary Everette Heller were wed Friday evening in a candlelight ceremony in Dimmitt's First Baptist Church.

Rev. Frank Pollard, pastor, performed the double-ring ceremony before an altar decked with candelabra and baby blue foliage. The church aisle also was lined by single tapered candles and flanked by foliage.

**THE BRIDE** is the daughter of Mr. and Mrs. Dorit Smiley of Dimmitt. Heller's parents are Mr. and Mrs. Everette Heller of Edmondson.

Given in marriage by her father, the bride wore a formal length gown of white velvet, designed with a Florentine neckline and long fitted petalpoint sleeves.

Embroidered Alencon lace emphasized the natural waistline, and appliques of lace accented the A-line skirt. The detachable train was secured at the back waistline and fell to chapel length. A bandeau of pearls and crystals held her train-length veil of English silk illusion.

For something new, she wore diamond earrings that were a gift from the groom. For something old, she wore a dinner ring belonging to her matron of honor.

Completing the traditional accessories were a borrowed blue garter and a new penny which she placed in her shoe.

Mrs. Gary Morrison of Lubbock was matron of honor, and bridesmaids were Leona Barlow of Perryton, Neva Chowning of Hart and Sue Hendrix.

**THE BRIDE'S** attendants wore floor-length formals of turquoise and blue, styled with bateau necklines and elbow-length sleeves. The fitted velvet bodices featured raised waistlines accented with

front bows, and the column skirts were of crepe. Their headpieces were matching velvet bows, and they carried gold flowers.

Tommy Morrison of Hart served as best man. Groomsmen were Jerry Heller of Hart, Scotty Rundell of Bovina, Steve Waggoner of Friona and Jimmy Hall of Pampa. Richard Francis of Kress and Randy Hodges of Edmondson were ushers.

Gary Lewis of San Angelo and Ronda Kay Tidwell lighted the candles. Jill Brown and Debbie Giles were flower girls, and Mat Gilbreath was ring bearer.

Mrs. Steve Wesson of Lubbock sang wedding selections, accompanied at the organ by Mrs. Keith Howard.

**FOLLOWING** the ceremony, a reception was held in the home of Mr. and Mrs. Tom Davis, 702 W. Lee St. The houseparty included Mr. and Mrs. Davis, Mrs. Aural Davis, Mrs. George Bradford, Mrs. J. L. Touchstone, Mrs. J. C. Gilbreath, Patti Summers and Linda Schreck.

Both are students at West Texas State University. Mrs. Heller, a 1965 graduate of Dimmitt High School, is a sophomore business major. Her husband, a 1965 Hart High School graduate, is a sophomore majoring in accounting.

**OUT OF TOWN** guests for the wedding included Mrs. Aubrey L. Lewis and Mrs. C. M. Jones of San Angelo, Mrs. T. H. Jones of Snyder, Mr. and Mrs. J. L. Francis and Joe of Kress, and Mr. and Mrs. J. C. Curb, Mrs. Hazel Williams and Grace, and Mrs. Jim Axe, all of Canyon.

The award was presented during the Jaycees' annual "Bosses' Night" banquet, in which members of the young men's civic organization hosted their bosses and wives, hon-

### Your Livelihood Is One of 36,000

In the United States today there are over 36,000 different ways of earning a living, according to Texas A&M University Extension family life education specialists.

BY 1970 THERE will be about 87 million workers employed, and if the trends continue, by 1975 the number of employed persons will reach 95 million.

Most jobs require at least a high school diploma. This is cause for great concern when more than 30 percent of today's students in the US drop out of school before graduating.

The need for education is further underscored by the likelihood that a person may face several job changes during his working career, specialists say. Today a 20-year-old man can expect to change jobs six or seven times during his work life expectancy of 43 years.

ADJUSTING to job changes applies to women as well since a single woman will probably work 40 years and a married woman without children will work 30 years. On the average, women with children will work 25 years.

To switch from one job to another, a person must have an educational background broad enough to enable him to absorb the training that will be necessary to permit him to switch.

### First Christian Smith to Return To Pulpit Sunday

Minister Bedford W. Smith of First Christian Church will again bring the messages at Sunday's services.

CHAIRMAN of the board Othole Fry filled in for the minister during the past three Sundays, while Mr. Smith was recuperating from injuries received in an auto accident Jan. 2.

"First, A Little Cake" will be the sermon topic at the morning worship service. At the 6 p.m. vesper hour, the minister's sermon will be entitled, "After We've Done All."

SUNDAY WILL also be the time for annual elections of board members, church trustees, Bible school leaders, and other church officers. The elections had been postponed due to the minister's temporary disability.

The newly elected board members, together with those whose terms do not expire this year, will meet Wednesday at 8:30 p.m. to organize for the year's activity.

At the January board meeting Minister J. Fred Bayless of Pueblo, Colo., was called to conduct the spring revival. Dates set for this revival meeting are March 13 through 19.

### Shelly's Chatter

# Pool Joins Tour of Mexico

By Myrtle Shelly  
Ray Pool, a member of Dimmitt's Chamber of Commerce was telling us about his recent trip with a road caravan composed of people from Crain and Big Bend going to Mexico in the interest of making 385 go on down through Mexico.

They crossed the river at Boquillas, traveled 150 miles by car on rocky trails to Musquiz, Mexico. The Mexicans are building the road. He said they had 10 tire blowouts, and one pickup went over a cliff. The road was as crooked as a snake, but they have paved about 80 miles in lower Mexico. This will take four years to complete and join our Highway 385.

TWO WEDDINGS in Dimmitt Saturday evening — Many people here in town for them; Mrs. Merlie Lewis and Judy Lewis of Temple, grandmother and aunt of Jackie Johnson who married Joe James at 4 p.m., were here and will visit a few days with the Bob Johnsons. And I saw Sharon Weston Blackmore of Portales, here for the same wedding and for a visit with sisters, Helen McLean, Jo Evans and her father, Mr. and Mrs. N. L. Wesson of Hereford, who were also here for the ceremony. Sharon says her husband, Richard Blackmore, is president of the First National Bank at Portales.

The other wedding was Glenda Smiley and Gary Heller of Hart at the First Baptist Church. You can read all about it on the society page.

SAW MANY Nazareth folks in town Friday; Mildred Ball and daughters (they are nurses here), Lucille Drerup, Mrs. William Hochstein, Mrs. Huseman, the Ackers and many more. And speaking of nurses, I met a pretty one, Linda Gibbs, while visiting E. B. Wright and Cordye Birdwell. Several others were there; makes being ill a little nicer — these good helpers.

Vera Webb is visiting a few days with her daughter, Mary Jean and Floyd Copeland at Monahans, and Leola Haberer visited her friend Fannie Cash Laas at Plainview Friday.

Mrs. Florence Stanley, mother of Dr. Stanley, and his sister, Mrs. Thomas Higgins of Bridgeton, N. J., are here for a visit with Dr. Stanley, who is ill, and his wife, Virginia.

Carolyn Elmore of Lubbock was a guest of her aunt, Mrs. Marion Lee, and girls on Thursday.

ALLAN WEBB flew Mr. and Mrs. Earl Brock and the Raymond Wilsons to Kansas City to be with Pat and Bob Brock. The little baby is very ill.

The Bill Kellers and the Dan Heards have exchanged houses. The Kellers moved to 717 W. Grant and the Heards moved out to the Keller house on West Hall-sell.

Mrs. Sarah (N.R.) Williams, Tommy and Kathy of Burbank, Calif., are here for a visit with her sister Norma Webb and Donald and children. I saw them shopping for jackets, needed more here than in Calif.

DO COME! Hear the McMurry College Chanters, at the First Methodist Church tonight (Thursday) at 7:30 p.m. This is a concert of sacred music featuring great anthems from four centuries of musical art. The choir is conducted by Dr. Pall Englestad. Everyone is invited.

Guests in the Keith Huggins home this week were her mother, Mrs. Pond, and a sister, Shirley

from Whiteface and a niece, Kathy Pemberton from Clovis. Mrs. Bert Huggins (Marilyn) is visiting her folks in Oklahoma City.

The men of the Lee Street Baptist Church observed Laymen's Day Sunday. Jackie Harris was speaker at the morning service and Bill Mason of Edmondson was guest speaker at the evening service. Rev. and Mrs. Mayo attended the evangelistic conference at Dallas this week.

Rev. Garrett, a Baptist preacher of near Cleveland, Tex., and his wife were weekend guests of Mr. and Mrs. H. T. Dodson. He is a brother of Mrs. Dodson.

Mr. and Mrs. James Rials of Levelland were Sunday guests of Mr. and Mrs. H. B. Rials. Mrs. Rials is a nurse here.

Viola and B. M. Nelson drove out to Albuquerque for a few days' visit with their daughter, Mary, son-in-law Herb Burnham and boys, Mike, Rex, and Jay.

ALLAN WEBB and son Johnny, Bernie Gollehon and a friend from Hereford flew Sunday down to Seymour to do a little quail hunting. Peggy Webb received a call that a near relative died in Dallas. She went to the funeral Tuesday.

Going to the clothing market in Dallas this week are Helen McLean and Jo Evans of The Village Shop, and the Al Jacksons and Polly Manning of Cobb's. Bill Harman of Harman's and Nick Gonzales of Anthony's said they are not going at this time.

Rosa Mae and Roland Sheppard of Hart were in to visit her parents, Mr. and Mrs. Claude Johnson, and her aunts, the "Turner girls" — Mrs. Gollehon, Mrs. Burch, Maggie Turner and Katy Noble. The Sheppards went on to Paris, (Tex.) to visit his mother, Lola Sheppard. Mrs. Johnson told me they visited with Tom Tate, who is in the hospital, and with their granddaughter, Carol Dennis, who is laid up for a few days.

Edgar Ireland of Hereford was down to visit E. B. Wright and the Bill Grahams.

Mr. and Mrs. James Welch and children spent a few days skiing at Red River.

## Former Dimmitt Coach Lists Four More All-Staters Here

Is life so short and fame so fickle that we forget so soon the accomplishments of our past athletes?

I NOICED on the front page of last week's paper Mike Bruegel's picture and the caption that it was believed that he was the first to receive the honor of making the all-state football team.

Hal Ratcliff made it in both football and basketball. Junior Coffey made it in both, and also made one of the All-American high school football teams. Jimmy DiCuffa made the third team I believe, and James Cowell was on one of the all-state teams. He also won the state championship in the 880-yard dash two years in a row.

I don't know if any athlete made it before Hal, and I hope I haven't overlooked anyone who made it while I was at Dimmitt.

I AM SURE proud that Mike made it. It is a great honor. Mike has he desire ha all-Americans are made of. My congratulations to him and the entire team on their fine season.

We enjoy the Castro County News and the progress it and the city of Dimmitt are making.

Editor, I wish you all continued success and prosperity. If any of you happen out this way, would sure appreciate sharing a cup of coffee with you and our door is always open if you have the time to spend the night. We are not limited on entertainment. We can go to the mountains for skiing and snow sledding, or out to the White Sands for picnicking and sun bathing.

I must close for now, but I did want to give credit to some of our past athletes who did outstanding jobs for the school and town.

J. D. COVINGTON  
Alamogordo, N.M.  
(Editor's Note: Are our faces red? We like a gibe credit o our kids every chance we get, and we regret very much this oversight. To our knowledge, no concise records are kept on such individual athletic awards, and this is the inevitable result. We thank you for bringing us up to date, J.D., and we'll file this information for fut-

### Holly Announces Three Transfers

Glen W. Yeager, agricultural vice-president of Holly Sugar Corp., has announced the transfer of three of the firm's district agricultural managers.

DEXTER LILLIE, manager of the Hereford district, will be transferred to San Mateo, Calif., as western agricultural manager. Succeeding him at Hereford as manager of the Texas-New Mexico area will be Percy M. Rose-now, who has been northern agricultural manager.

E. M. Daniels, western manager, will be transferred to Colorado Springs, Colo., as eastern manager. He also has worked in the past with sugar beet growers in this area.

LILLIE has been manager at Hereford since 1963. As the corporation's new western agricultural manager, he will supervise all of Holly's agricultural operations in northern and southern California.

Rosenow, 53, is a native of Billings, Mont., and holds a degree from Montana State University. Yeager said the three transfers "reflect the corporation's desire that its top employees have experience in all the corporation's major beet growing areas."

ure reference. Incidentally, we were under the impression that while Junior Coffey made the All-American high school football team, he was overlooked in the "official" all-state selection by coaches and sports writers. This would have been a disservice to a fine athlete, and we're glad to have your information on it.)

# Miss Merritt Outlines Library's Recent Gains

Miss Hazel Merritt, chairman of the County Library Advisory Committee, briefed the new county commissioners' court Friday on the two-year-old program to update the library.

**HERE IS THE context of the report to the commissioners:**  
"A step toward a more up-to-date library began in 1965 when the Dimmitt Book Club, which originally opened the library with a few books donated by members, received permission of the Castro County Commissioners' Court to catalog Castro County Library. In June 1965, the Dewey Decimal System of cataloging the library was begun by members of Dimmitt Book Club, assisted by a student working through West Texas State University's Opportunity Plan and a local high school student, member of the Neighborhood Youth Corps.

"Mrs. A. J. Kemp acted as overall chairman of the Book Club committee appointed to plan the groundwork for cataloging and Mrs. Charles Vanidver assisted by Mrs. Steve Taylor, was in charge of cataloging books. Mrs. John Merritt, Mrs. Ray Axtell, Mrs. Charlie Hays, Mrs. Frank Wise, Mrs. James Horton, Mrs. Russell Moran, Mrs. Glenn Merritt and Mrs. Jim Cleavinger helped in sorting, evaluating, discarding, and rearranging books. The two students did most of the clerical work.

"**AT THE END of the summer,** approximately two-thirds of the books were cataloged. Due to the loss of the clerical help then, the project was discontinued until the commissioners' court provided funds to obtain the services of Mrs. Paul Armstrong, a trained librarian, during the summer of 1966. Mrs. Armstrong completed the cataloging and supplied some training for Mrs. Don Robb, who was hired as librarian following the retirement of Mrs. Easter. Some clerical help was supplied by students from Dimmitt High School through the Work-Study Program.

"During the time Book Club members were doing this work in the summer of 1965, Castro County Commissioners' court had the library redecorated, provided needed supplies, some new shelf space and a portion of the salary for the student working under the Opportunity Plan.  
"Late in 1965, to assist in piloting the library program, a Library Advisory Committee with continuity was established by the commissioners' court; the term served by each representative on the committee to coincide with the term of office of the commissioner of the precinct in which each lives. Persons who have been serving on the Library Advisory Committee are Miss Hazel Merritt, chairman, Mrs. Willis A Hawkins Sr., Mrs. Ray Axtell, Mr. Fred Kuntz, Mrs. Ray Riley, Mrs. Steve Taylor, Mrs. Murray Sny-

der, Mrs. Gwyn McFarland and Mrs. John Merritt.

"In the past year, Mrs. Don Robb innovated a number of devices for progress at the library. A collection of children's books valued at \$400 was borrowed from Texas State Library and these are on loan to readers. Displays of children's books from the state library have been available for inspection only. (These displays give the librarian and any reader an opportunity to inspect newly published books before buying for the library or the home.)  
"A summer reading program was sponsored by Castro County Library, in which 70 enrolled. Twenty-nine completed the requirement of reading 12 books and received certificates, while many others read five or more books.

"A sale of discarded books conducted by the librarian, under the direction of Mrs. Ray Axtell, netted \$53. This money with an additional amount provided by the county was used to buy card files.  
"Through the effort of Mrs. Robb, a story hour for children four to six years old began during the fall of 1966. Mrs. Jack Newsom, with some assistance from the Young Homemakers, told stories and read aloud to the children on Thursday mornings. (The story hour will continue as long as enough children attend to make preparation for it practical.)  
"In 1966, Mrs. Robb attended two workshops for librarians - a three-day workshop at Texas Tech emphasizing and providing information on books for young adults from 12 to 20 years of age, and a one-day workshop on children's books, story hours and the value of reading to children at Amarillo Mary E. Bivins Library.

"Mrs. Ray Axtell and Miss Hazel Merritt attended a workshop for trustees and library advisors at Lubbock Public Library in April. Duties of trustees and advisors was the theme of this meeting.  
"Mrs. Robb and Miss Merritt attended the District I Texas Library Association meeting at Amarillo College Library in November. Plans for establishing several loan libraries throughout Texas were discussed. This was one of the proposals made during the Governor's Conference on Libraries. When plans are consummated, Castro County along with 25 other Panhandle counties will be able to borrow books from the Mary E. Bivins Library. A loan of 50 books from their multiple book list, selected by the local librarian and approved by the head librarian at the Mary E. Bivins Library, is now available to test this new system.  
"Several orders of new books have been made and the books received, and Mrs. Robb is now preparing orders for approximately 75 new books, which will be placed on the shelves as soon as they are cataloged after arrival.  
"Castro County Library is supported by funds from Castro County, the City of Dimmitt and gifts by various donors.

## Something New

By Rev. Frank Pollard  
Pastor

I have never known a church paper to be published in a commercial newspaper. In January's business conference we decided to try this unique communication for four weeks. If it is well received, we will continue on a permanent basis.

There are many advantages: it costs less, it takes less time, it teaches seven times as many people, it gives us opportunity to advertise and it is more apt to be read.

However, there is one thing about which I am anxious. I am convinced that this dialogue between the pastor's heart to the hearts of a family of God's people called the First Baptist Church. While no exclusiveness or snobbery is intended, it is a fact that these words are not sprayed in backshot fashion upon 2100 subscribers to the Castro County News, but the teleoptically aimed at our members.

### Laymen's Day

February 5 has been designated as Laymen's day in our church. We hope to have a choir loft full of husky male voices, and the men to go with them! Mr. Tommy Phelps, former professional wrestler, will give his testimony in the morning service. Tommy is a living example of how God can change a life. He is one of the most dynamic, energetic men I have ever known. It is almost as great a blessing to watch him speak as it is to hear him! Let me urge every one of our men, in particular, to hear him and to bring a friend. Because of Tommy's testimony many men have come to know our Lord.

In hope to see you in all of the services this Lord's Day.

Your pastor and friend,

## Mrs. Wright Shares Fruit Salad Recipe

By Irene Keating  
The 4-H leaders money management training session given by Mrs. Argen Draper Tuesday was very successful. We have four very capable leaders who have had the training — Mrs. S. R. Hutto of Mulkey, Mrs. John Womack of Nazareth, Mrs. Donald Adams of Frio and Mrs. Edd McLeroy of Dimmitt attended the training.

MRS. DEWEY WRIGHT is a wonderful cook and I know many of you can testify to that. She makes an excellent fruit salad which she has offered to share with us.

**JELLO FRUIT SALAD**  
1 29 oz. can apricots  
2 pkgs. orange Jello  
2 cups boiling water  
1/2 cup miniature marshmallows  
1 29-oz. can crushed pineapple  
1 cup juice of apricots and pineapple  
Drain fruits, reserve juice, dis-

solve Jello in boiling water, add 1 cup fruit juice. Chill till syrupy. Then fold in fruit and marshmallows. Chill till firm.

**FRUIT TOPPING**  
1/2 cup sugar  
3 T. flour  
1 egg  
1 cup whipping cream (whipped)  
2 T. butter  
1 cup apricot and pineapple juice  
1/2 cup grated cheese

Combine sugar and flour. Blend in egg. Gradually stir in juice. Cook over low heat till thick. Add butter. When thoroughly cool, add to whipping cream. Then grate cheese over the top.

This makes a large amount of salad and serves about 20 people. Mrs. Wright says the recipe can be successfully cut in half.

FOR A simple thing like eating a grapefruit, you can find a surprising difference of opinion about how it ought to be done. Most people agree that it's best

to slice it in half, just as you might cut the earth in two at the equator rather than from north to south pole. But from this point of agreement, opinions seem to scatter in all directions.

Many people say it's easier to eat a grapefruit if the sections are separated; others say it's more fun to dig right in with a sharp-pointed spoon, without the added work of separating the pulp from the white tissue that divides the sections. An occasional squirt or two, they say, adds a sporting note to breakfast.

THEN THERE'S the matter of flavor. Many say there's no need to change the natural flavor of a well-ripened grapefruit with its delightful blend of sweet and sour. Others think a little more sweetening helps, so they add white or brown sugar or liquid honey. Another group says sprinkling a little salt on the grapefruit tones down the acid and brings out the natural sweetness of the fruit.

No matter how you treat it, grapefruit will give you a generous supply of helpful Vitamin C and moderate amounts of several other vitamins and some important minerals.

Furthermore, an extra plentiful supply is available at your food market. The US Department of Agriculture says this season's crop is about 10 percent bigger than last year's.

GLAMORIZED grapefruit can be prettier than a picture. Broil the halves until golden bubbly with any one of several toppings — a spoonful of orange marmalade, a mixture of butter, brown sugar and chopped pecans, a sprinkling of cinnamon-sugar, country link sausage or bits of chopped bacon.

Here's another sparkling, spicy hot grapefruit dessert to warm the insides after mid-winter meals: Gently toss grapefruit sections and sliced pitted dates with a little added grapefruit juice seasoned with cinnamon, brown sugar and grated lemon rind. Bake uncovered in a moderate (350 degree) oven for 30 minutes. Scatter chopped pecans on top before serving.

This variation of broiled or baked grapefruit can be prepared shortly before serving. Ahead of time, cut out the center, sprinkle grapefruit halves lightly with sugar and chill. Just before serving put a spoonful of vanilla ice cream in the center and cover with meringue made of one egg white for each two grapefruit halves. Bake in hot oven (450 degrees) or broil a few seconds until delicately browned.

## Freshman Congressman Vows To 'Represent, Inform You'

By Congressman Bob Price  
Texas 18th District

This is my first newsletter of the 90th Congress and I am looking forward to visiting with the residents of the 18th District by this means regularly.

MY PRINCIPAL function as your congressman is to be your legislative spokesman. It is certainly my duty as set forth in the Constitution. I have already exercised this duty several times. From the mail I have received I believe that I represented your wishes in voting to have Adam Clayton Powell barred from taking his seat until allegations against him can be investigated.

I am here as your representative. It is important that I hear from you as an individual. I am going to represent all 400,000 people in the district and to do this I must know how you feel on the issues which come before the Congress. I welcome your letters.

If you ever need any help in dealing with the federal government I stand ready and willing to do so. This is usually complicated and I can often help expedite matters. As you know, Congress makes the laws which are then administered by the Executive Branch — the various departments, agencies, and bureaus — in other words, the "bureaucracy."

Sometimes the bureaucracy's interpretation of these laws is somewhat different than was intended by Congress. So when you have problems with the federal "bureaucracy" don't hesitate to call on me.

A VERY important part of my job as your representative is in keeping you informed on what is happening in Washington. By means of press releases, radio and television reports, and this weekly newsletter, I will get the facts to you. If you would like to receive my newsletter just send your name and address and I'll be happy to put you on the mailing list.

If you need to contact me the best way is to write a letter. If you call, chances are that I'll be in a committee meeting or in debate on the floor. If you write, I'll have a record in my office of exactly what you want. Here's where to write me:

Congressman Bob Price  
1323 Longworth House Office Building  
Washington, D. C. 20515

FOR YOUR convenience I will also maintain two offices in the district. Eddie Baird and Mrs. Elizabeth Ravencraft will be in the Amarillo office which is temporarily located in Room 623, Bank of the Southwest. Mrs. Charles Wilkerson is in charge of my Pampa office at 800 North Sumner. They are in direct contact with me here in Washington should you ever need to contact me quickly.

In closing, I would like to remind everyone that Jan. 31 is the deadline to register to vote in 1967 — I would like to urge everyone to be sure and register.

Remember, I am in Congress to serve you. Please do not hesitate to write if you have problems I can help you with.

Frio

Community Pays Its Respects To Its First School Teacher

By Mrs. Owen Andrews The death of Mrs. Percy Estes of Dimmitt last week marks the passing of another pioneer who played a vital part in the development of this area, and specifically this community.

Mrs. Estes taught the first school in the Frio community in a dugout on the banks of Frio Draw, near the location of the J. E. Andrews home place. That was in 1902, and Mrs. Estes was then Miss Lenna Greer. The Estes family, including Mr. and Mrs. Helen, Greer and Bob, also lived in the community during the 19-20s, the children attending school at Frio in a one-room wooden school building. They moved in to Dimmitt about 1926 and later sold their farm to the Andrews.

Mr. and Mrs. Harlan Barber, Mr. and Mrs. Bill Williams and Mrs. Gail Alexander of Idalou returned home last week from an eight-day trip to California. Mrs. Alexander visited her son, Charles, who is stationed at George Air Force Base, near San Bernardino.

Rev. and Mrs. Sam Ogan and Mr. and Mrs. Bill Williams attended the Southern Baptist Evangelistic Conference in Dallas Monday through Wednesday. Services were held in the Dallas First Church and in Memorial Auditorium.

The Williamses arrived home to learn that they were grandparents again. The new baby is 6 1/2-pound Melissa Gaye, daughter of Mr. and Mrs. Richard Williams, born Smith County Hospital.

Mrs. James Dobbs and new daughter, Kerri Jayne, came home from Deaf Smith County Hospital Wednesday. The baby was born Jan. 15. Mrs. Dobbs's sister, Mrs. Jimmy Cassells, and daughter Jeanne of Goodland, Kan., came Tuesday to spend a few days with the Dobbses. The new baby has two sisters, LeAnn, 5, and Renee, 3. Grandparents are Mr. and Mrs. J. H. Dobbs and Mr. and Mrs. Walter Jay, of Elk City, Okla.

Frio Homemakers Club met Tuesday in the First National Bank community room. Mrs. George Tiefel talked to the group.

Following the business meeting Mrs. F. L. Bass Jr. introduced "Phyllis Dillard," who gave hints on her experience in entertaining guests, raising children and housekeeping. Mrs. Dillard said, "When unexpected company comes and catches your house in a mess, just start pushing everything into the laundry chute, and that includes the kids. Tell your children never to ride home from school with anyone, so they won't get home so soon. If Mrs. Clean should come over and catch your house rct quite spotless, have a potted plant handy and accidently turn it over, and that will explain for all the dirt within 50 feet of the plant."
