

Bobcats gain regional berth

It will be the Dimmitt Bobcats vs. the Clyde Bulldogs Saturday afternoon in the first round of the Region 1-AA tournament in Lubbock.

TIP-OFF TIME is 1 p.m. in Lubbock Municipal Coliseum.

The Bulldogs, District 7-AA champions, won a berth in the four-team regional showdown by upsetting the Coleman Blue Cats of District 8-AA Monday night, 62-53. The Clyde lads hit a sparkling 66 percent of their field shots in sending Coleman back home.

The Spearman Lynxes of 1-AA will take on the Crane Golden Cranes of 5-AA at 11:30 a.m. Saturday in the first game of the tourney. Spearman whipped Childress this week, 56-49, to advance to the regional playoffs.

THE TEAMS that lose in the first round are out. There will be no third-place game.

The Class AA regional championship game will be at 8:30 Saturday night.

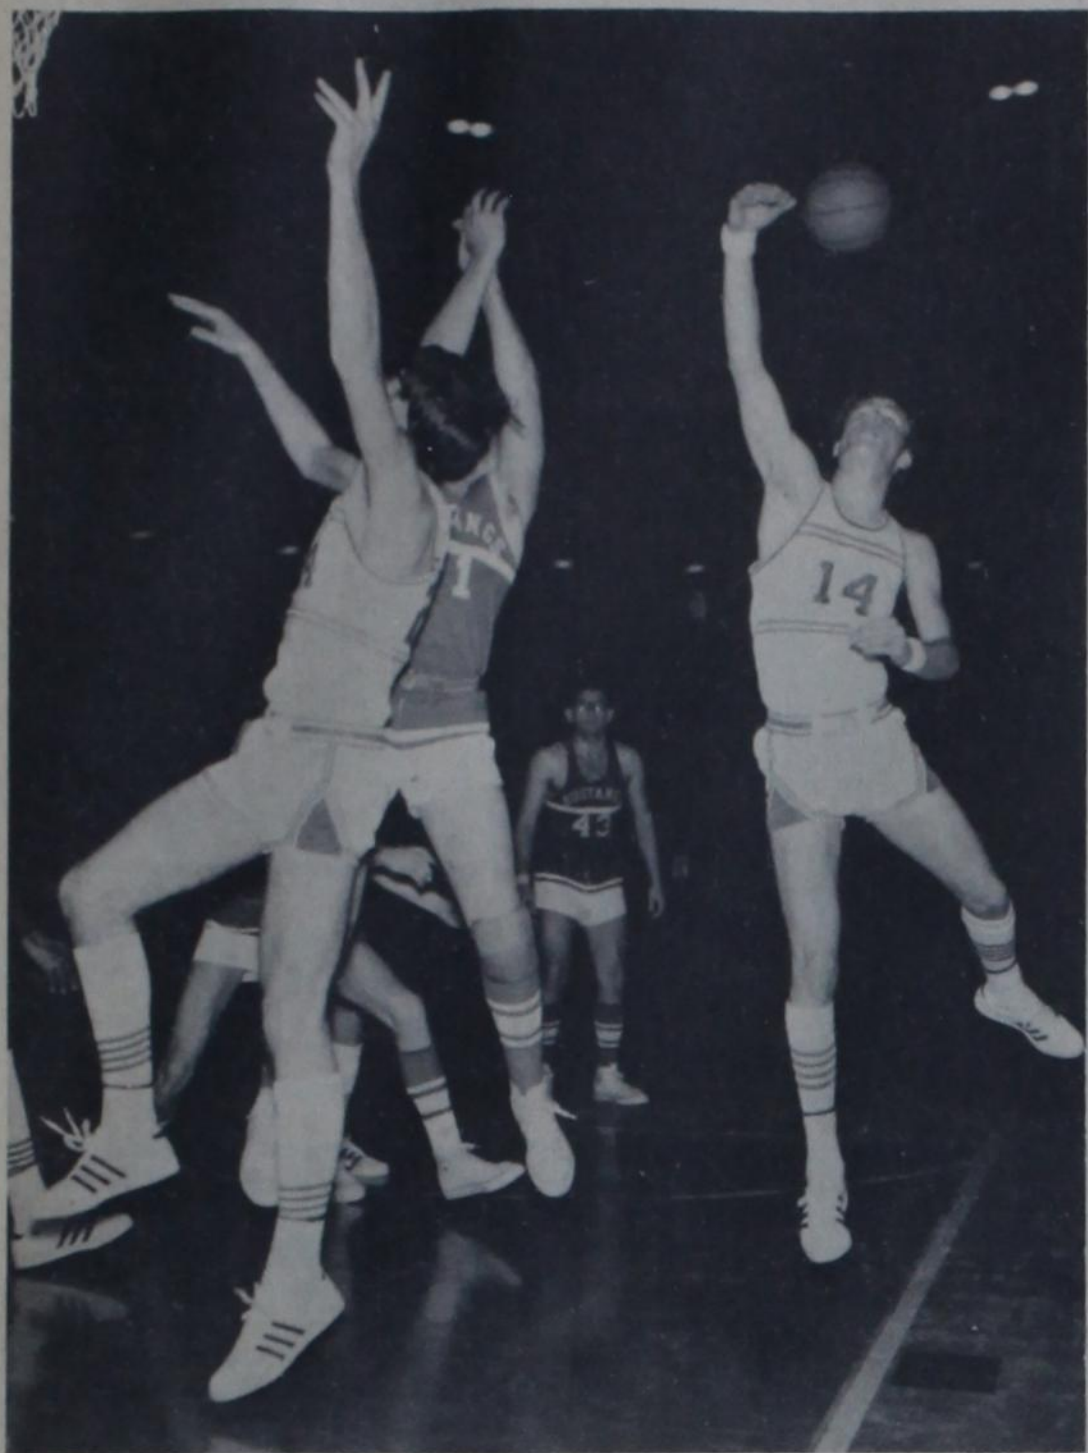

If Dimmitt and Crane win their first-round games Saturday, as they're favored to do, the stage would be set for a harrowing showdown in the title bout. Crane has a boy named Tommy Jones who drilled 60 points by himself Tuesday night as the Golden Cranes downed Parkland, 81-63, in their bi-district championship game. No defense has been able to stop Jones all year.

THE CLASS A regional tournament will be run in Lubbock Municipal Coliseum Saturday, also. Clarendon will meet Coahoma at 8:30 a.m. and Ralls will take on Iraan at 10 a.m. in the openers, then the championship game will be staged at 7 p.m., just before the Class AA title bout.

THE BOBCATS earned their regional tournament trip Tuesday night when they overpowered a fine Denver City team, 83-73, in a bi-district title game that had its tense moments.

More than 2,000 fans filed into South Plains College's Texan Dome at Leveland to watch the battle of the 3-AA and 4-AA champions — and they got their money's worth.

Big Jerry Brady, staging his most dazzling display this year, burned the nets for 36 points to steer Dimmitt in. (See **BOBCATS GAIN**, Page 13)

SWATTING at a loose rebound in the third quarter of Tuesday night's bi-district championship game are Dimmitt's Jerral Seale (foreground) and Bobby Baker (14), and Denver City's Richard Cox. At this point, the Bobcats were ahead by just six points, 52-48, and were fighting for survival. At far left is Dimmitt's Jerry Brady, who racked up the highest individual score of any Bobcat this year with 36 points. In background is Denver City's Ralph Russell (43).

Cleveland tops .600 on trips to regional

For Coach Kenneth Cleveland, Saturday's trip to the regional basketball tournament will be the fifth in eight years.

SEVEN TIMES since 1961 — including the last four years in a row — Cleveland's Bobcats have racked up the district title. They've won 56 straight district games, and have lost only one conference game in the last five years.

Five of his teams have captured the bi-district title — in 1962, '64, '66, '67, and again Tuesday night.

Two of his Bobcat quintets — those of 1964 and 1966 — advanced to the regional finals before falling to Crane, another big name in Texas schoolboy basketball.

And in 1967, Cleveland's famed Prairie Bandits won the regional championship, then advanced to the state finals before losing to Hardin-Jefferson in a hair-raising, heart-breaking championship game.

AS ONE OF the winningest coaches in North Texas, Cleveland has compiled a record of 187 wins and 77 losses since he came here in 1961 to succeed Johnny Ethridge and continue Dimmitt's prominence in boys' basketball.

Cleveland, then 26, had a tough act to follow when he came here. Ethridge's Bobcats had gone to the state finals the previous two years.

But the young tutor — who had broken the mold at the University of Texas by making the All-Southwest Conference dream squad as a 5-11 guard — was equal to the task here.

With a hardwood know-how and a quiet-uncle approach, Cleveland continued Dimmitt's tradition as the perennial powerhouse of District 3-AA. Few fans here can remember the last time a Bobcat team had a losing season. Instead, the records seem to get better every year, with this year's the best of all.

THE 1968-69 Bobcats, who have been described by Cleveland as "the best team I've had," have compiled an enviable 29-2 record. That's better than the 26-9 mark posted by last year's district champions, as good as the 34-5 balance sheet of the state finalists of 1967, and better than the 21-11, 18-14, 22-12, 13-12 and 25-12 marks posted from 1962 through 1966.

All that's been left for Dimmitt's opponents is to order bigger crying towels.

Young stockmen prepare for show

The county's young 4-H and FFA stock feeders are doing the final trimming and grooming on their calves, barrows and lambs in preparation for the annual Castro County Junior Fat Stock and Project Show, coming up March 6-8.

ALSO, 4-H girls throughout the county are doing their final baking and sewing for the project competition, which will be held in the American Legion Hall.

The show traditionally brings together the best animals raised during the year by the county's young stockmen, and the sale that follows brings them the top dollar for their efforts.

The first day of the show will be devoted mainly to penning, grooming and entering. Judging will start Friday morning, March 7, and end Saturday morning. The sale will get underway at 1 p.m. Saturday.

A POSSIBLE conflict is developing that could be disastrous to the sale, County Agent Charles Hottel said.

"If Dimmitt goes to the state basketball tournament it will take a lot of people out of town during the show and sale," Hottel said.

He urged those who usually buy animals at the show, "If you're going to be out of town that weekend, be sure you assign someone here to buy for you. The kids can't do without your help."

The Dimmitt Young Farmers are conducting the show this year, after requesting and getting the sponsorship from the Chamber of Commerce.

Copies of the show's rules and regulations are available at the county agent's office.

Two posts open on school board

With two Dimmitt School Board posts open and the filing deadline coming up Tuesday, only one candidate has announced.

BOARD Chairman Ward Golden told the News this week that he will not seek re-election to the board. However, Jack Miller, whose term also is expiring, said he will be a candidate for re-election.

The 1969 trustee election will be Saturday, April 5.

Petitions for filing are available at the office of Supt. Charlie White. The office will be open until 5 p.m. Tuesday to receive candidates' petitions, White said.

WHITE explained that any qualified voter who pays school district taxes is eligible to run for either of the available posts.

The two trustees elected April 5 will join John Merritt, Frank Wise, Melvin Barton, G. L. Willis and Clyde Damron on the seven-man board.

Fire levels young family's home

A lounge chair, a platform rocker and a dishwashing machine were all the Ray Clark family could salvage when their farm home burned to the ground Wednesday night of last week.

THE HOME, located eight miles east of Dimmitt, was owned by Mrs. W. W. Wallace. Clark rents Mrs. Wallace's farm.

Clark, 27, said he and his family were returning home from Friona about 7 p.m. when he saw flames shooting through the roof of the house from half a mile away.

Clark ran into the blazing house and saved the two chairs and dishwasher, but the heat and smoke drove him out before he could salvage any other family belongings.

The young farm family's personal possessions were not insured.

CLARK TOLD firemen that the blaze at first was concentrated in the utility room area, where the hot water heater was located, but that he also saw flames leaping from an open space heater in the front room when he ran into the house.

All the home's gas appliances were on butane.

Clark turned in the alarm to the Hart Volunteer Fire Dept. at 7:20 p.m. Hart answered the call with two trucks and nine men, but when Fire Marshal Richard Entreklin saw how extensive the blaze was, he radioed the Dimmitt Volunteer Fire Dept. for help. When Dimmitt's firemen arrived at the scene at 8 p.m., the blaze was out of control.

"I'M SURE that we could have put

If . . .

Basketball, for Dimmitt's play-off bound Bobcats and fans, will be a series of "ifs" from here on.

IF THE BOBCATS win the regional championship Saturday, all schools will dismiss an hour early next Wednesday and will turn out the rest of the week so students can go to the state tournament in Austin.

If the Bobcats don't win the regional title, schools will be closed Friday, March 7, anyway so the teachers can attend the district conference of the Texas State Teachers Association.

If the Bobcats go to the state tournament, they will play their first game either at 2 p.m. or 4:35 p.m. next Thursday. If they win their first game, they will play in the state finals Saturday morning. If they lose their opening game they will play in the third-place game Friday.

it out if we had had access to water close to the house," Entreklin said, "but we had to refill our pump truck from an irrigation well and we couldn't get ahead of the fire."

Clark and his wife, Janice, and their 8-year-old daughter, Doniece, were left homeless by the fire — but not friendless.

WRECK SCENE OF FOG-SHROUDED HIGHWAY FRIDAY MORNING . . . Teenage brothers hospitalized after smash-up

Car-bus crash hurts two

Two teenage brothers were injured — one seriously — when their new car sideswiped the rear of a loading school bus in heavy fog on US 385 Friday morning.

THE ACCIDENT occurred at 8:20 a.m., 100 feet south of the south city limits. Both the bus and the car were en route to Dimmitt High School.

Hospitalized were Jackie Matthews, 17-year-old DHS senior, and his brother Jerry, 15, a freshman. They are the sons of Mr. and Mrs. J. R. Matthews, Route 1.

Highway patrolmen said a stopped cattle truck played a part in the wreck, but that its driver left the scene apparently without realizing the wreck had occurred.

All three vehicles were northbound on the highway, coming to Dimmitt.

THE SCHOOL BUS, driven by Bill Talley, was pulled off the highway to take on passengers, and the cattle truck was stopped on the highway behind the bus.

Officers said Jackie Matthews, driving the brothers' 1969 Ford Torino, came upon the truck and swerved off the

highway to miss it, apparently not seeing the bus.

The car sideswiped the right rear bumper of the bus, demolishing the car and knocking several seats loose inside the bus. No students were seriously hurt.

Jackie received a concussion, multiple

Final rites held for Edward Dowse

Edward Martin Dowse Jr., maintenance supervisor of Dimmitt Public Schools, died in Plains Memorial Hospital at 9:25 p.m. Sunday, the victim of an inoperable brain tumor.

MR. DOWSE, 46, was a native of Gilmer and had lived in Dimmitt two years, having moved here from Canyon. He was a member of the First Baptist Church.

Funeral services were conducted at 2 p.m. Tuesday in Dennis Memorial Chapel. Dr. Raymond Perkins, pastor of the First Baptist Church, officiated, assisted by Rev. Don Cass, pastor of the Lee Street Baptist Church.

Burial was in Memory Gardens Cemetery of Randall County, near Canyon.

Pallbearers were Larry Morris, Ike Moore, Emmett Broderson, Jim Upfold, Weldon Skinner, Herman Acker, Charlie White and H. T. Dodson.

MR. DOWSE is survived by his wife, Ruby, of the home, 623 NW Seventh St., two sons, Robert of Amarillo and Kenneth of Dimmitt; two daughters, Rita and Rhonda, both of the home; two brothers, Ralph Dye of Gilmer and J. C. Stevens of Canyon; and one grandson.

Civil Defense plan to be aired Friday

Further plans for a Civil Defense unit for Dimmitt and the county will be discussed Friday night in a public meeting at the courthouse.

THE MEETING will begin at 7 p.m. in the assembly room, and is open to all interested in a Civil Defense system here for disaster relief and emergency communications.

County Judge Raymond Wilson is chairman of the organizing committee.

NOTHING IS LEFT OF RAY CLARK FAMILY'S HOME . . . Blaze melted television antenna, was still smoldering next morning

Mrs. McMahon, 83, dies in Amarillo

Mrs. Mary Rachel McMahon, 83, a resident of Dimmitt more than four decades, died at 12:45 a.m. Monday in the Southwest Convalescent Center in Amarillo.

FUNERAL SERVICES were held at 11 a.m. Wednesday in the First Baptist Church. Officiating were Rev. Frank Pollard of Tullia, former pastor of the church, and Dr. Raymond Perkins, present pastor.

Mrs. McMahon was buried in Castro Memorial Gardens. Dennis Funeral Home was in charge of arrangements.

Born April 4, 1885, in Newport, Mrs. McMahon had been a Dimmitt resident 41 years. Her husband, R. V., who operated a blacksmith shop and later a real estate agency, died in 1956. She was a member of the First Baptist Church.

SHE IS survived by six daughters, Mrs. Anna Lee Ferrell of Panhandle, Mrs. Louise Meachum of Colorado Springs, Colo., Mrs. Fern Busby of South Everett, Wash., Mrs. Hazel Mobley of Farmington, N.M., Mrs. Nell Kenmore of Dimmitt and Mrs. Jeanette Powell of Cortez, Colo.; a son, R. V. Jr. of Dimmitt; two sisters, Mrs. Casey Wells of Wichita Falls and Mrs. O. L. Borden of Lubbock; 14 grandchildren and 11 great grandchildren.

Pallbearers were Troy Kirby, Dick Reinhardt, Gene Kenmore, Buck Powell, Harlan Dodd and Austin Mobley.

Lake near Nazareth sought for sewage

The Nazareth Water Supply and Sewer Association has applied to the Texas Water Quality Board for a permit to utilize a playa lake northeast of town in its proposed sewage disposal system.

THE IMPROVEMENT association, which is planning a city sewage treatment plant north of State 86 and west of FM 168, is seeking permission to discharge an average of 28,000 gallons per day of treated domestic sewage into the playa lake, which is just west of the proposed treatment plant.

A legal notice on the application appears in this issue of the News, and a public hearing has been set for 10 a.m. March 25 in the First National Bank building in Amarillo.

MRS. WAYLAND (PAT) Burk was the honoree at a layette shower Thursday evening in the home of Mrs. Buster Tidwell. Cake, coffee and hot tea was served by Ronda Tidwell and Janie Boothe from a table covered with white linen. The centerpiece was arranged in a pretty silver epergne using small yellow flowers and yellow candles. Mrs. Burk taught eighth grade English the first semester. Hostesses were Betty Boothe, Geneva Schaeffer and Shirley Underwood.

Mr. and Mrs. Grady Norris of Roscoe were visitors this week of daughter Kathryn Birdwell, Bill and son Jim. The Birdwells are doing a few things to the house they bought on Tenth St.

Bible Thoughts

BAPTISM

By Ronnie Parker

Our risen Lord gave this commission; "Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned." (Mark 16:15-16). The gospel message is incomplete if baptism is omitted. To accept Christ is to accept all that he and his inspired apostles taught on the subject of baptism. The scriptures reveal that baptism is an immersion. "... buried with him by baptism ..." (Rom. 6:4). "Buried with him in baptism ..." (Col. 2:12). The purpose of baptism is expressed in Acts 2:38 and 1 Pet. 3:21. "Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins." "... baptism doth also now save us."

These verses teach the necessity of man being baptized in order to have salvation in Christ but the New Testament never presents baptism as a meritorious work. People are saved by the merit of Christ, His sinless life and the sacrifice of Himself on the cross, and not by any merit of their own. Baptism, just like repentance, is a condition of salvation. I urge you in the language of holy writ, "And now why tarriest thou? arise, and be baptized, and wash away thy sins, calling on the name of the Lord" (Acts 22:16).

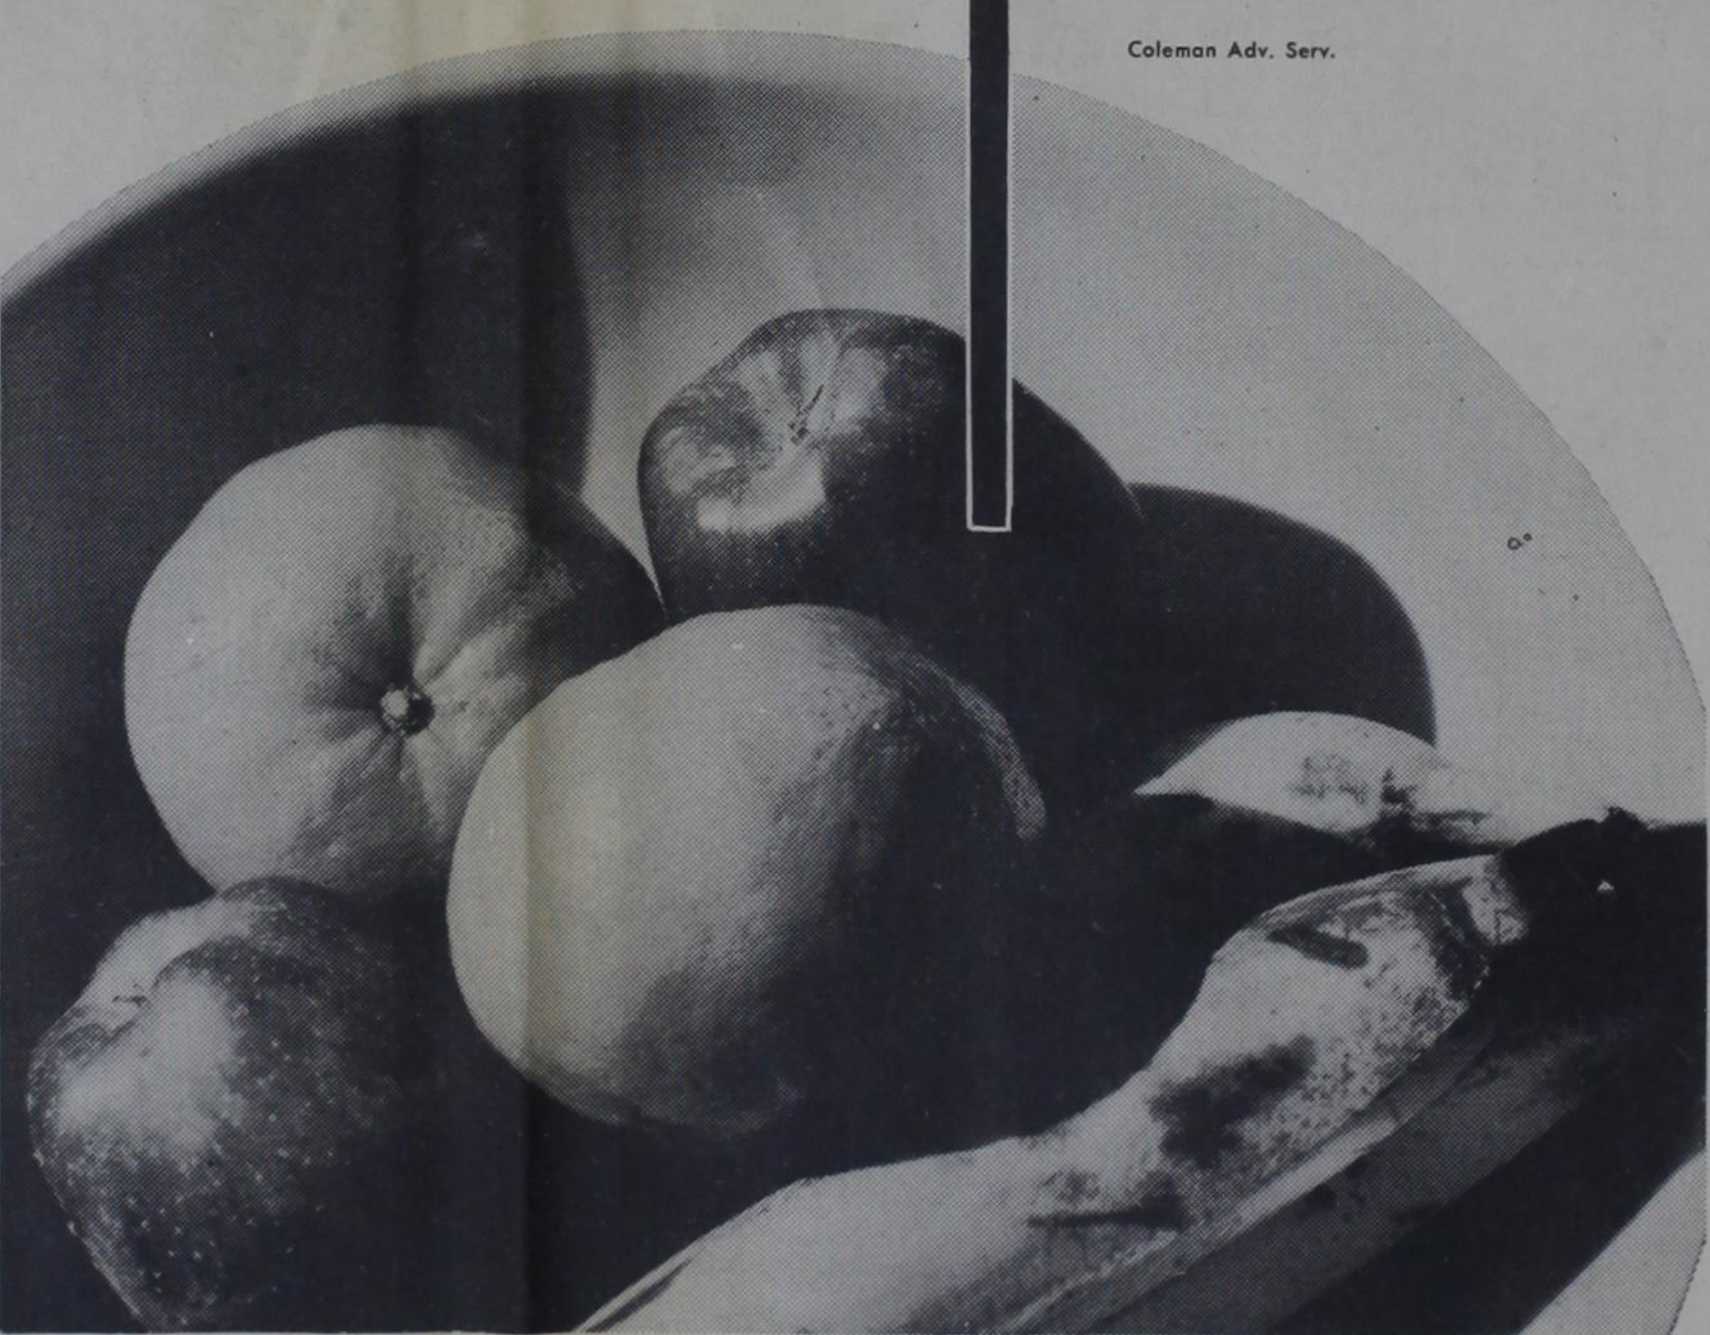

FOURTH AND BEDFORD CHURCH OF CHRIST WELCOME TO ALL OUR SERVICES

GOOD FRUITS

"The wisdom that is from above is first pure, then peaceable, gentle, and easy to be entreated, full of mercy and GOOD FRUITS."

There are two forces at work in this world, evil and good. We have the freedom to choose between these two things.

"O taste and see that the Lord is good: blessed is the man that trusteth in him."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Letters to the Editor

'Please be brutal,' mother urges police

To the Editor: The following letter to the Editor was published in the Cedar Rapids Gazette a few weeks ago. I believe it will be beneficial to everyone to have the opportunity to read it.

WELDON BATES Principal, Hart High School

PLEASE BE BRUTAL

To the Chief of Police: One of the most common phrases heard in our society and our city today is "police brutality." Perhaps I don't understand the meaning, but I would like to give you one mother's viewpoint on this subject.

To begin, I should tell you that I have two teenage sons, and being a mother, I cannot help but want the very best of everything for them. I am a "typical mother" in that I don't want to see them hurt by anyone. I am not a typical mother, for I see things many mothers never hear of, much less become involved in, because my husband is a minister and we see the very best and the sordid worst.

I WOULD like for you to be brutal with my sons. Is that a surprise?

If you find them speeding in a car, please be brutal. I have sat at a hospital holding a grieving mother's hand because of someone's mistake. That was brutal. I have gone with my husband to tell a wife her husband was killed. That was brutal. I have played organ music at funeral services for babies, teenagers and adults because someone drove too fast. That was brutal. I have helped nurse a beautiful teenage girl crippled in a wreck. That was brutal.

IF YOU should catch my underage sons with liquor in their possession, please be brutal.

I have sat at night by my husband's side trying to piece together two underage men's lives, both broken by drinking. That was brutal. I have listened to the horrors experienced by another man while he was drunk, and heard him recall the many jails he had served time in for this. That was brutal. I have helped feed hungry children because a drunken father didn't come home. That was brutal. I have tried to console a mother whose daughter was killed after being struck by a drunken driver. That was brutal.

If you should find my sons with drugs in their possession, please be brutal. I have tried to rehabilitate a woman just out of prison for shooting her husband while she was drugged. That was brutal. I have seen a handsome young man turn into an ugly old one because of drugs. That was brutal. I have seen a young mother who was addicted to a drug scream and rave for lack of a "fix." That was brutal.

IF YOU find my sons committing any kind of immoral act or carrying any pornographic materials, please be brutal! I have listened to the sad cry of a young girl who was pregnant but not married. That was brutal.

If police ever see my sons doing something that isn't thoroughly in the interest of society, please be brutal. I have walked into a hushed, sacred church that was stripped of everything that could be sold. That was brutal. I have seen a lovely, expensive home and yard completely torn up by vandals. That was brutal. I have seen a school and its marvelous equipment torn apart by young vandals. That was brutal. I have wiped a little boy's tears and helped

him hunt for his stolen bicycle. That was brutal.

MY HUSBAND and I have tried to teach our sons that their rights end where someone else's begins. We believe they have learned their lesson, but in case they forget, we look to you and others who influence their lives — teachers, coaches, etc., to see that they remember.

I do not want my two sons to grow into two grown-up boys. I want them to become men, able to assume their places in this world and make good contributions to it. I sincerely hope they won't need your help; but if they do, and if you must, then be brutal.

Tower announces changes in staff

Sen. John Tower announced Sunday that a new legislative assistant and a new press secretary will join his Washington office staff about March 1.

RICHARD J. AGNICH, 25, of Dallas will become legislative assistant, replacing Jack Tom Cole, who has joined the White House staff. Agnich, a graduate of the University of Texas Law School, served on Sen. Tower's legislative staff during the summer of 1966.

Martin Casey, 29, a Washington correspondent of the Dallas Morning News, will become press secretary. Casey, a native of Plainview, is a graduate of Colorado State University and the Medill School of Journalism at Northwestern University. He joined the Morning News staff in 1965 and has covered Washington affairs, particularly the Senate, for the paper since 1966.

Casey will take over the press duties from Jerry Friedheim, who will assume a new position as executive assistant in the Tower office, exercising broad supervision over both press and legislative affairs. Friedheim has been with Tower since 1963.

BIG HAUL — This was just one morning's catch for Ray Robertson of Dimmitt (left) and Eldon Lilley of Sunnyside during a successful 2,000-mile round trip to Guaymas, Sonora, Mexico, over the weekend. Here, the two proud flatlanders show Saturday morning's string of red snapper (in tub) and yellowtail tuna (hanging). After fishing all day Friday and half a day Saturday along the coast near Guaymas, they brought home 130 pounds of red snapper and 145 pounds of yellowtails. "It was a good experience for Ray," said Lilley. "I think he learned a lot from me."

Mrs. Wakefield attends session

Mrs. Lewis Wakefield of Dimmitt was among the 250 Texas educators and churchmen attending the 11th annual School on Alcohol and Narcotics Studies at Baylor University Friday and Saturday.

THE SCHOOL was sponsored jointly by Texas Alcohol Narcotics Education (TANE) and Baylor University.

Experts in the fields of alcohol, narcotics, other dangerous drugs, tobacco, and highway safety conducted the school.

School for retarded needs more workers

Dimmitt's Day Care Center for retarded children is seeking a teacher and more volunteer aides.

THE SCHOOL, under the direction of the Amarillo State Center for Human Development, meets each weekday from 9 to 11:30 a.m. and 1 to 3 p.m. in its classrooms at the Castro County Agricultural Housing Project. Seven retarded but trainable youngsters are now enrolled in the program.

Max Zamorano, new chairman of the school's advisory board, said a teacher will be hired within two months to succeed Mrs. Mary Bingham, who has taught the class since the school was formed here in 1967. Mrs. Bingham is expecting a child later this year.

Mrs. Bingham said this week that more volunteers are needed for the school, both as classroom aides and drivers.

THE TEACHER aides — preferably two in the mornings and two in the afternoons — help supervise the students'

class work. The volunteer drivers are needed to help transport the children to their weekly bowling session in Hereford and on other class trips in the area.

Burtis Hollis, educational supervisor for the Amarillo State Center, told the advisory board recently that the local school will have to be closed if a new teacher and enough volunteer aides aren't recruited.

Zamorano has appointed Mrs. Violet Barton, Mrs. Elouise Lewis and Mrs. Gail Gray to coordinate volunteer aides' working periods and assignments. All three ladies are volunteer workers at the school.

Also, Zamorano has assigned members of the advisory board to meet with local civic and church groups, explain the school's problem and recruit more volunteer aides and drivers.

LOCAL LADIES willing to serve as volunteer teacher aides or drivers for the school should contact Mrs. Barton, Mrs. Lewis or Mrs. Gray, or may contact Mrs. Bingham during school hours at 647-425.

Anyone interested in the year-round teacher's position should contact Zamorano at 647-3434. Zamorano explained that he has teacher application forms, but that the actual hiring will be done by the Amarillo State Center staff.

Minimum requirement for the teacher is a high school education, and emphasis will be placed on the applicant's natural teaching ability, patience, dedication and enthusiasm, Hollis said.

TWO NEW programs have been started for the Day Care Center's pupils — a non-denominational religious class on Monday afternoons, taught by Mrs. Carlos Calvert, and an art class on Thursday afternoons, under the direction of Mrs. Nell Proffitt.

The view from your library

By VIRGINIA NEWSOM
The library has been the place to be, for our little folks the past two Fridays. It has been party-time.

WE HAD a lovely Valentine's party on the 14th. Mike Wilkerson's mother, Mrs. Charles Wilkerson, went all out for us on this one. About 20 youngsters enjoyed decorated cookies, punch, individual bags of Valentine treats and Valentines for everyone.

Mrs. W. A. Baldrige was kind enough to stay and help with the refreshments and the fun.

On the 21st of February we celebrated Jane Ann Butler's fifth birthday with her mother furnishing lovely decorated cupcakes and helping us, along with Mrs. Jerry Watts. We had 24 little people enjoying this one. The children love these get togethers so much. They get so much pleasure from being allowed to select their own library books and checking them out each week also. If you have a child of pre-school age who would enjoy stories, games, songs and just fun, why not bring them down some Friday? We meet in the library from 1 to 2 p.m. every Friday afternoon.

WE CONTINUE to add new books every week. If you haven't been down for a few weeks, I'm sure you will find something new and interesting to read.

We had a visit this past week from two very nice young men. One from Roy, Utah and the other from Sacramento, Calif. They are serving a mission for the Church of Jesus Christ of Latter Day Saints. I think they will remain here for a short time and then will go to Canyon or Muleshoe for a time. They stayed for sometime with the Bartons, and are now visiting in the Heston home. During our years in service, we were stationed near Roy and have friends there and also close to Sacramento, and know people in that area, so I especially enjoyed visiting with these young men. The old cliché "It's a small world," proves itself over and over again.

A passing thought for this week: If you would have a friend, first learn how to be one.

40 Jaycees attend work session here

Forty Jaycees and their wives from Lubbock, Amarillo, Plainview, Post, Muleshoe and other area cities gathered in Dimmitt Monday night for an area work forum, hosted by the Dimmitt Jaycees and Jaycee-Ettes.

THE WORK forum, designed as "an exchange of ideas and enthusiasm" among the young men's civic clubs, was held in Lamar Fellowship Hall of the First United Methodist Church. Dimmitt's Jaycees served a free chili supper before the forum.

Chairman of the event was Harold Miller.

Social Security representative due

A field representative of the Social Security Administration will be in Dimmitt Wednesday to help local residents with their Social Security questions. Office hours will be from 9:15 to 11:15 a.m. in the courthouse.

On the Go

Paula Birdwell and her friend Patti Ragsdale of Hereford, both students at WTSU, were Sunday guests of the Kent Birdwells, also at church. And I saw A'llan Webb and Beth Sheffy. They were home for the weekend. A'llan came down for Grandmother Vera's birthday party Friday and Ken Bob Shannon was home from South Plains College in Levelland.

Records needed for farm census

Farm and ranch operators will need good records for the 1969 census of agriculture, according to James Mallett, Extension farm management specialist at Texas A&M University.

THE FARM census will be taken by questionnaires mailed out in January 1970 to be completed and returned by mail. Response is required by law, and information for each farm will be entirely confidential.

The census will ask for amounts spent for feed, fertilizer, pesticides, lime, gasoline, livestock, livestock and poultry. Other information will include size of the farm, age of the operator, value of farm products sold, off farm employment, income from recreational use of the farm and numerous other items.

Mallett emphasized that good records are also essential to today's commercial farmer. Top management required for success with narrow profit margins in agriculture must rely on complete and accurate information about the farm or ranch business.

THERE ARE two kinds of farm and ranch records, according to Mallett — financial records and production records. Financial records are used to make tax reports, analyze the performance of the farm, and establish a basis for credit and other services.

Production records combined with financial records can be used to determine the profitability of each practice or enterprise. Production records include yields per acre, weaning weights of calves or pigs, milk production per cow, percent calf crop, the cost of producing a unit of output and other measures of production efficiency.

THE FOUNDATION of soil conservation farming is proper land use — using our farm lands for the things they are best fitted to produce and in such a way that they will keep on producing.

CONSERVATION ESSAY WINNERS — Mark Brockman (left), Nazareth eighth grader, and Jim Steiert (right), Hart High School senior, are the top two young conservation spokesmen in the Running Water Soil and Water Conservation District. Writing on "How Conservation Helps Texas," Mark placed first and Jim second. Both boys' 750-word essays are now entered in state competition, sponsored by the Fort Worth Press. Mark is the son of Mr. and Mrs. Ernie Brockman and Jim is the son of Mr. and Mrs. Pete Steiert.

ASCS notes

Wheat measuring important in '69

By CHARLEY HILL
ASCS Office Manager

A change in the regulations on the substitution of wheat for feed grain in 1969 makes it more important than in past years that you accurately measure and report the exact acreage you intend to leave for harvest.

IN 1968 and prior years, on farms participating in both the wheat and feed grain programs, any acreage of wheat found by a spot check over the acreage certified by the producer could be substituted for feed grain without a reduction in payments. However, this is not the case in 1969.

If your wheat is spot checked and the acreage found to exceed the acreage to which you certified, by the larger of 2.0 acres or 5 percent (not to exceed 15 acres), a reduction will be made from your wheat payment equal to 1 1/2 times the wheat loan rate, times the farm projected yield, times the number acres by which the measured acres exceed the certified acres.

Example: Certified acres - 50.0, projected yield - 40 bushels, measured acres - 55.0. Tolerance: 2.5 acres (50.0, projected x .05 equals 2.5 acres). The excess wheat in this case is 5.0 acres, times \$1.89 1/2 times the county wheat loan rate of \$1.26 times 40 bushels (projected yield) equals \$378 payment reduction. In addition, the feed grain acreage must be reduced by the 5.0 acres wheat excess.

FARMS WILL also be spot checked on feed grain to see that the total planted acreage of wheat and feed grain does

not exceed the total feed grain and wheat permitted. If there is an excess, a further reduction in payment would be necessary for feed grain.

Any adjustments in your wheat acreage should be made prior to certification of your acreage and the remaining acreage accurately measured, not estimated.

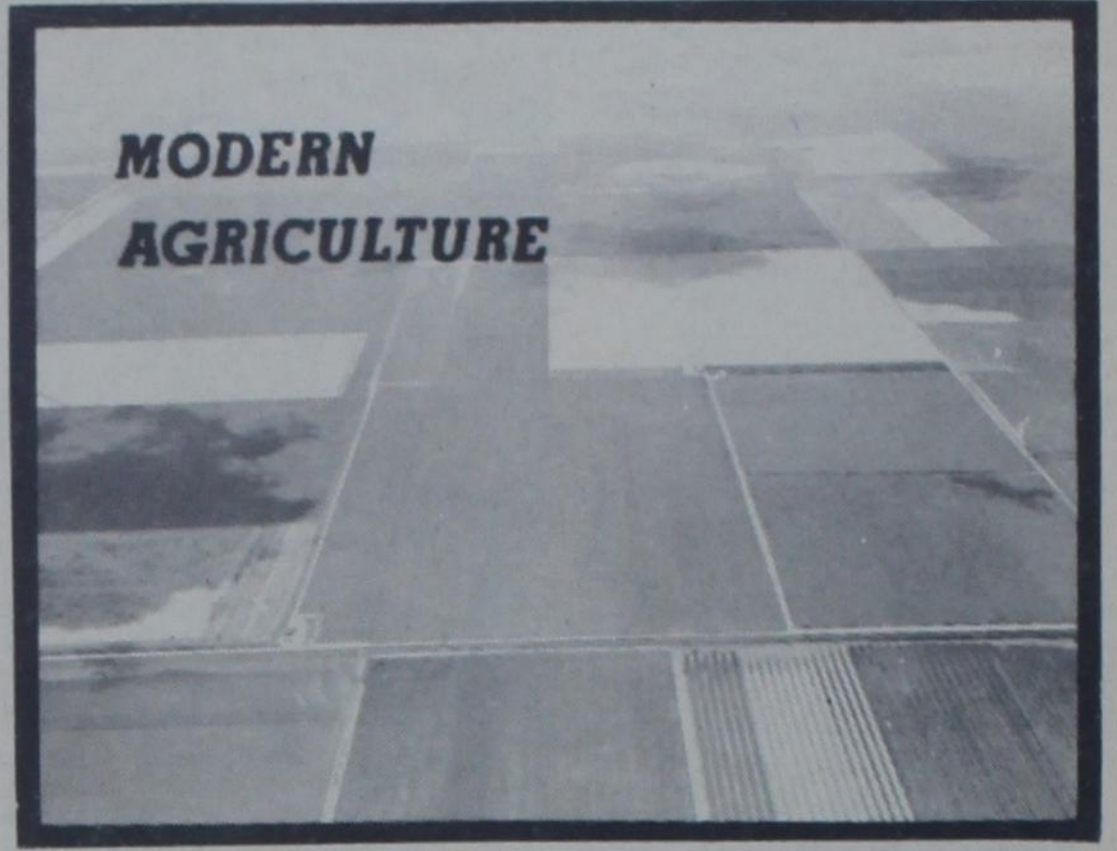

If the acreage is in irregular shaped tracts and you cannot be sure, you should consider applying for measurement service. Wheat acreage reports must be made by May 1 and all adjustments made by this date, since any wheat not destroyed by May 1 will be classified as wheat.

It is also very important that you accurately measure and certify your corn and grain sorghum acres separately. Each commodity must be reported accurately, even though they both may be feed grains, or a penalty may be applied.

CERTIFYING CROP ACREAGES Interested producers are urged to "come early and avoid the crowd" since we are reaching the midpoint of the sign-up period. The sign-up is going slow, and there aren't too many days left before the March 21 deadline date.

THE STORY of our nation in the last century as regards the use of grassland, forests, wildlife and water resources, is the most violent and the most destructive of any written in the long history of civilization.

—Fairfield Osborn

PCG directors add two more counties

Directors of Plains Cotton Growers, Inc., meeting in Lubbock last Thursday, voted unanimously to accept the membership applications of Martin and Midland Counties, and to work further toward improvements in procedures and policies of the government loan and Commodity Credit Corporation.

The 50 members and guests present from what is now the organization's 25 counties also discussed proposed bills on seed breeder rights and the authorization of commodity check-offs approved in County, regional or state referendums.

Food bill: \$30 billion

Americans spend about \$30 billion a year for food and beverages served away from home. About \$18 billion of this is spent in restaurants, cafeterias, lunchrooms and refreshment stands.

ANOTHER \$6 billion is spent in institutions such as hospitals, colleges, homes for aged and children and camps. Hotels and motels account for \$3 billion, and another billion goes to such places as drug and department stores, delicatessens, movies, private clubs and factories.

EASTER SEAL societies nationwide have invested more than \$25 million in facilities and services for the physically handicapped, according to a report by the organization.

Financial Facts

By Willis A. Hawkins, Jr.

During 1844, the coinage of the United States was so limited that notes were issued for ten cents.

The first paper money of North America was issued by Canada in 1685. It was called "playing-card money." These were actual cards on which was written the monetary value and signed by the Governor. They were used for paying the soldiers.

From the days of Caesar, the mountainous problem of paying troops has worried government.

During 1861, the North used postage stamps extensively as small change, due to the shortage of coins. Then followed "shin-plasters" which were small paper notes issued by corporations, banks and tradespeople.

Causing too much confusion, "shin-plasters" were soon driven from the

scene and replaced by coins.

MRS. JERRY DOW DODSON
The former Faye Evelyn Taylor

Evelyn Taylor becomes bride of Jerry Dodson

In a formal ceremony Monday evening at the Fourth and Bedford Church of Christ, Miss Faye Evelyn Taylor of Dimmitt became the bride of Jerry Dow Dodson of Okmulgee, Okla.

THE BRIDE is the daughter of Mr. and Mrs. D. C. Taylor of Dimmitt. The groom's parents are Mr. and Mrs. H. T. Dodson, also of Dimmitt.

Ronnie Parker, minister, performed the double ring ceremony before an altar setting that included a white satin heart flanked by 28 spiral candles, greenery and baskets of gladioli. The bridal path leading to the altar was marked by white satin bows.

Mrs. Elaine Ruffner of Hobbs, N.M.,

the bride's aunt, served as matron of honor. Maid of honor was Betsy Simpson of Denton, and bridesmaid was Linda Langford of Dimmitt.

JULIAN ACEVEDO Jr. of Dimmitt served as best man. Groomsmen were Michael Dodson, the groom's brother, and Glen DuBose, both of Dimmitt. Serving as ushers were Elroy Wisian Jr. of Springlake, John Charles Fry of Dallas, and Loy Wylie, Clayton Ellis and Randy Griffith of Dimmitt.

Balynda Ruffner of Hobbs, N.M., the bride's cousin, was the flower girl. Janet Wylie of Dimmitt registered guests at the wedding and at the reception that followed in the church's fellowship hall.

Vocal music was provided by the Hereford Girls Choir, which sang "Wedding March," "Whither Thou Goest" and "I Love You Truly."

THE BRIDE, given in marriage by her father, wore a formal, floor-length wedding gown of angel skin peau de soie, designed with a Sabrina neckline, controlled skirt and long pointed sleeves. Re-embroidered inserts of Alencon lace enhanced the front of the gown, and tiny buttons covered the back of the gown and extended to the waist. The skirt was complemented by a chapel train which fell from the shoulders. Her veil, which the bride designed herself, was of imported illusion and descended from a peau de soie coil.

The bride carried a cascade of roses, feathered mums and English ivy. For something old, she carried a personalized Bible; something new was her gown; something borrowed was a pearl necklace; and something blue was the traditional garter. Also, she carried in her shoe a penny that was minted the year she was born.

The bridal attendants wore formal, floor-length gowns of peacock blue peau de soie, and headpieces of blue net and matching bows. Each carried a nosegay of blue feathered mums with blue and white streamers.

AT THE reception that followed, bridesmaids served cake and punch in fellowship hall.

For a wedding trip to New Mexico, the bride chose a coral and white checked suit ensemble.

The newlyweds are now at home at 422½ E. Twelfth St. in Okmulgee, Okla., where Dodson is a drafting major at Oklahoma State Tech.

Mr. and Mrs. Dodson are both 1968 graduates of Dimmitt High School. The bride also attended Lubbock Christian College and is a graduate of La Plata Beauty School in Hereford.

Camp Fire leaders plan special 'week'

At their February meeting last week, Dimmitt's Camp Fire Leaders made plans for observing National Camp Fire Girls' Birthday Week.

THE SPECIAL week will be March 23-29. On March 23, local Camp Fire Girls will attend their churches in uniform, sitting in a group. Also, each Camp Fire Girls group will be responsible for making and displaying two posters during the Birthday Week.

The leaders also discussed the annual father-daughter banquet. Mrs. Bobbie Bruegel is program chairman for the banquet.

Leaders reported a successful candy sale, and voted to express their thanks to the city's merchants for displaying the candy sale signs, to the people who bought candy, and to the Castro County News for publicizing the sale.

THE CAMP Fire Girls' monthly singing session will be held March 10, and the next leaders' meeting is set for March 17.

Three girls to go to district contest

By IRENE KEATING
Since the Bake Show-Food Show winners didn't get listed last week, I want to apologize to you girls who participated, and put your names in this week.

ALL THE food show participants were juniors. Patty Hochstein will represent us at the district contest in Canyon in April in bread and cereal. Carol, her sister, will represent us in the milk group. Both girls won blue ribbons.

Sandra Tischler won a blue ribbon in the fruit and vegetable category, and Tanya DeVaney won a red ribbon in the same group.

The 1969 Bake Show Queen is Diana Adams of Frio. This will be her third year to represent Castro County at the district contest during the Tri-State Fair in Amarillo. She was a blue ribbon winner, and so was Sandra Tischler from Flagg.

Red ribbon winners were Karen Hutto, Patricia Yerby, Carol, Debbie, and Patty Hochstein and Christy Wilhelm. White ribbon winner were Sheri Bruegel JoAnn Smith, and Margie Wilhelm. Debbie Davis, Hart, and Carol Hochstein, Nazareth, were in charge of the contest.

Students recite vows

Miss Debbie Newsom became the bride of Charles Bass at 5:30 p.m. Wednesday of last week, in a private ceremony in the United Methodist Church of Hart.

REV. FRED BROWN, pastor, officiated at the nuptial service, which was attended by members of the immediate families.

The bride is the daughter of Mr. and Mrs. Stewart Newsom. The groom's parents are Mr. and Mrs. Harold Bass. The newlyweds are both Hart High School students.

On the Go

MR. AND MRS. W. R. GIPSON visited their children in Lubbock last weekend.

MRS. LARRY HENDERSON
nee Roxie McDonald Duncan

Marriage announced

Mr. and Mrs. Ollie Duncan of Littlefield announce the marriage of their daughter, Roxie McDonald, to Larry Henderson, son of Mr. and Mrs. Cliff Henderson of Hart.

WEDDING vows were exchanged Feb. 11 in the Big Spring Hospital at the bedside of her father, Ollie Duncan.

The bride is a junior in Littlefield High School and Henderson is a 1968 Hart High School graduate.

The newlyweds are making their home in Hart, where Henderson is in the trucking business.

In-a-wa-pa Girls give mothers' tea

The In-a-wa-pa Camp Fire Girls honored their mothers with a tea during their Monday meeting last week.

THE GIRLS presented a short program, then served their mothers cookies and punch. The serving table held a centerpiece of burlap flowers which the girls had made.

As the mothers left, each was presented with the flowers her daughter had made.

Pant short course to continue today

Can you describe a city pant suit? Do you know what "think" clothes are?

Did you know that there is no single "right look" — there is the "look of you?"

YOU CAN learn this and much more at the pant buying and construction short course, now being conducted by the Castro County Family Living Committee.

The first session of the course was held Tuesday afternoon, and included a discussion of pant types, accessories, fabrics and styles.

The second meeting will be today (Thursday), and will include a tour of a pant shop to see the new styles, learn label information and examine construction.

Classes are being held from 2:30 to 4 p.m. in the courthouse assembly room. The third and fourth sessions are scheduled for March 4 and 7.

The third and fourth sessions will consist of actual alterations of a pant pattern to make a well-fitted pattern for each participant.

THERE IS NO charge for the short course, and it is open to everyone who is interested.

"Pants are the latest, most fashionable garment, and we need to learn as much as we can about them," said Mrs. Irene Keating, County home demonstration agent, who will conduct the short course.

WOMEN SUFFER WITH BLADDER IRRITATION

Common Kidney or Bladder Irritations affect twice as many women as men, often causing tenseness and nervousness from frequent, burning, itching urination. MRS. KENNETH JOSEPH SCHULTE
... Formerly Cynthia Arlene Hoelting

Hoelting - Schulte vows exchanged at Nazareth

Mr. and Mrs. Kenneth Joseph Schulte have established their home at Nazareth, following their wedding Feb. 15 at Holy Family Church.

THE BRIDE is the former Cynthia Arlene Hoelting, daughter of Mr. and Mrs. Edward Hoelting. The groom's parents are Mr. and Mrs. Ray Schulte. Rev. Raphael Chen, pastor of the Immaculate Conception Church of Dimmitt, conducted the 10 a.m. nuptial mass before an altar decked with two bouquets of white gladioli. The double-ring ceremony was formal.

Serving as matron of honor was the bride's sister, Mrs. Edna Rae Schilling of Dimmitt. Bridesmaids were Darlene Birkenfeld, the bride's niece, Sharon Hochstein of Nazareth and Susie Gerber of Canyon.

TOMMY HOELTING, brother of the bride, served as best man. Groomsmen

were the bride's brother, Jimmy Hoelting, and the groom's brothers, Clyde and Bob Schulte.

Ushers were Ralph Brockman, Joe Venhaus, Elmer Huseman and Gene Gerber, all of Nazareth.

Mrs. Leonard Conrad, organist, performed traditional wedding music and accompanied a trio composed of Mrs. Tom Brockman, Mrs. Bob Klemm and Mrs. Dennis Heiman, who sang "Mother, at Thy Feet Is Kneeling" and two other selections.

GIVEN IN marriage by her father, the bride wore a floor-length wedding gown of angel skin peau de soie, designed with an Empire waist, scoop neckline and long pointed sleeves. The bodice was of re-embroidered lace, and the detachable train fastened around the waistline and extended to chapel length. Her veil of imported illusion was secured by a coil accentuated with lace and seed pearls. The bridal bouquet was an orchid surrounded by stephanotis and French mums.

Each of the bride's attendants wore a pink floor-length gown of rayon blend, designed with an Empire waistline accentuated by white embroidered lace, with a train fastened in back of the waistline. Each carried a nosegay of pink carnations.

A reception and dance in Nazareth Community Hall followed the ceremony.

FOR THE wedding trip, the bride wore a tan knit suit with black accessories. Her corsage was the orchid from her bridal bouquet.

The groom, a 1964 graduate of Nazareth High School, is engaged in farming. The bride is a 1958 Nazareth High School graduate.

Tops Club members 301 pounds lighter

Members of the SOS Tops Club learned last week that they had shed 301½ pounds from May to Dec. 31 last year through their group effort of sensible dieting.

THIRTEEN members weighed in at last week's meeting, recording a total weight loss of seven pounds for the week. A new member was also welcomed into the club.

Members heard a report on their recent bake sale, and discussed the kinds of souvenirs of Dimmitt to take to the state convention this year. The discussion was postponed until the next meeting since so many members were absent due to illness.

Girlstown benefit auction is planned

By MRS. J. T. STEHR

An auction sale is being planned to raise money to send to Girlstown some time during the next month, so everyone has time to plan and get things gathered up for the event. Articles which do not sell will be taken to Girlstown. A local auctioneer has volunteered his services, and a building has been promised. Any time, you may leave things at the courthouse with Sheriff Jack Cartwright.

SEVERAL relatives were guests in the Ed Mayhew home for the funeral of Lee McAfee. Mrs. Lee McAfee is Mayhew's sister.

Donald Gilreath's mother is very ill in Muleshoe Hospital. They have been going to see her every day and sitting up with her.

Mrs. Marshall Young, daughter of Mr. and Mrs. Hubert Edwards, has been very ill following surgery and pneumonia, but is home now and feeling better. Mrs. Edwards kept the baby daughter of the Youngs while Mrs. Young was hospitalized.

Playing bridge Thursday night at the Wesley Smith home were the Houston Lusts, Jim Howells and Jack Howells.

The Cecil Cranfels of Magazine, Ark., visited Sunday until Thursday with her sister and family, the Vernon Wests.

EASTER Community Building was the scene Sunday of a gathering of Clark relatives, to celebrate the 40th wedding anniversary of the Carl Lees of Summerfield and the 41st anniversary of Mrs. Lee's sister and husband, the Moody Stephens of north of Hereford, and other kin numbering about 60 people. The Wesley Smiths went to Clovis Friday night for supper.

The Jack Howells attended an ice hockey game at Amarillo Saturday night.

The Ed Mayhews had a lot of company over the weekend, coming to see their father, who had been in Plains Memorial Hospital about a week. Coming from Dallas was a daughter and family, the Fred Palletts, the Bob Jouetts and children from Austin, the M. E. Jouetts of Plainview, and a brother and wife, the Joe Jouetts of Estelline. Also visiting were the Mayhews' children, the Blake Adamses and son of Hereford and the Glen Mayhews of Dimmitt. The Glenn Mayhews have a new baby girl.

THE WESLEY SMITHS were in Amarillo for the ice hockey game Saturday night.

The Monty Boozers and the Danny Brutons were in Ruidoso, N.M., for skiing over the weekend.

The Jack Howells were Sunday lunch guests of the Brown L Smiths in Dimmitt.

The Wesley Smiths were guests of her parents, the Norman Grays of Hereford, for supper Sunday night.

SATURDAY was Grandmother Bagwell's birthday. The Ivor Bagwells brought lunch and ate with her at noon. Calling during the day were the Jim Howells and children, the Jack Howells, Mrs. Moss Howell and John.

The J. T. Stehrs were in Hereford Sunday afternoon at a meeting at the Lutheran Church to discuss enlarging the facilities of the church.

Wolfgang speaks to Garden Club

Wolfgang Buschardt, American Field Service exchange student at Dimmitt High School, was the guest speaker at the February luncheon meeting of the Dimmitt Garden Club Wednesday of last week.

THE LUNCHEON was in the Colonial Inn Restaurant. A "Washington's birthday" theme was carried out in the decorations, with a miniature cherry-tree centerpiece.

Wolfgang, a native of West Berlin, told the ladies about his father, who is a probation officer; his mother, who is a housewife "and a very good cook"; his 15-year-old sister; and his older sisters, who were killed during World War II.

Noting that one of his aunts manages an opera company in West Berlin, Wolfgang said the German people maintain a "high culture," with many opera houses, theaters, etc.

He also described the 28-mile-long Berlin Wall, which cuts in half his home city of three to four million people.

HE SHOWED slides of beautiful mountain scenes and fine German cathedrals that were not damaged during the war.

Wolfgang lived with Mr. and Mrs. D. H. "Butch" Strickland and family during his first semester here, and is now living with the Ike Moore family. He told of going to Carlsbad Caverns recently with Mr. and Mrs. Jim Roberts, and said he will get to attend the state convention of the Future Teachers of America in Austin this week.

Wolfgang is a language student, and is concentrating on English, French and Latin.

Hostesses at last week's meeting were Mrs. Sid Sheffy, Mrs. Posie Cunningham and Mrs. Wes Anthony. Among the 25 ladies attending were five guests — Mrs. John Merritt, Mrs. Jack R. Miller, Mrs. Clarence Bearden, Mrs. Leola Haberer and Mrs. Neva Hickey.

PLAINS MEMORIAL HOSPITAL. It's a son for Mr. and Mrs. Fred Rayford Wilkerson of Route 1, Fioria. He was born at 2:38 a.m. Feb. 17, weighed 7 pounds, and has been named Terry Wayne.

Twin daughters, who have been named Delia and Delicia, were born Feb. 17 to Mr. and Mrs. Pedro Gonzales of Dimmitt. One of the girls was born at 8:38 a.m. and the other at 8:43. Delia weighed 7 pounds, 1 ounce at birth, and Delicia weighed 6 pounds, 12 ounces.

Mr. and Mrs. Nathaniel Childers of Route 4, Dimmitt, became the parents of a 7-pound, 1½-ounce girl at 3:20 a.m. Feb. 19. She has been named Barbara Denise.

Gardner will be ordained Sunday

J. C. Gardner of Dimmitt will be ordained into the Baptist ministry in special services Sunday at 3 p.m. at New Hope Baptist Church, where he is serving as pastor.

PASTORS and deacons of many Baptist churches in the area are expected to attend the service and conduct the ordination. The service is open to the public.

ELECTED—Beth Sheffy, daughter of Mr. and Mrs. Ted Sheffy of Dimmitt, is the new president of West Texas State's Zeta Zeta chapter of Delta Zeta, national social sorority. Miss Sheffy is a junior at WTSU, majoring in elementary education.

Sweetheart Ball reset for March 29

The Dimmitt VFW Auxiliary has postponed its annual Sweetheart Ball until March 29.

THE DINNER dance was originally scheduled for last Saturday night.

The ball was postponed, the ladies said, because of the bad weather Saturday and the fact that the annex to the VFW Hall had not been completed.

"We decided it would be a much nicer event, with more floor space and better accommodations, if we postponed it," a spokesman for the auxiliary said.

All original times and features of the dinner dance will apply on the new date — a shrimp and oyster dinner at 6:30, dancing from 9 o'clock with Lily Marie Howard at the organ, formal or semi-formal attire, and an admission price of \$7.50 per couple.

On the Go

LT. VERDEL MASTEN, son of Mr. and Mrs. Cecil Masten, is en route home from Germany with his family for a 30-day furlough. He will visit his parents and other relatives in this area. Lt. Masten is scheduled for 13 months' duty in Vietnam, and his wife, Rita, and their daughter, Paula, will remain in the States.

G. L. DuBose earns 'best teacher' award

Glen L. DuBose, woodworking, drafting and power mechanics teacher in Dimmitt High School was honored at the State Industrial Arts Convention last weekend as the outstanding industrial arts teacher from the Panhandle Industrial Arts Association.

THIS REGION takes in all of the Texas Panhandle north of Dimmitt.

The convention was held at Texas A&M Thursday through Saturday.

The award is made each year by the Texas Industrial Arts Association, a professional group of 800 public school and college industrial arts teachers and supervisors. It is to recognize one teacher from each of the 17 regional associations for doing outstanding work in the field of industrial arts education each year.

DuBose was born Sept. 4, 1941 in Ralls, where he grew up and graduated from high school in 1959. He started his college education at North Texas State University in 1960. After completing two years there, he married and transferred to West Texas State University.

WHILE attending WTSU, he was employed as an apartment manager and was the woodcrafts instructor at Maverick Boys Club in Amarillo, where he developed an interest in the teaching profession. He was vice-president of the Student Industrial Education Club at WTSU.

In January 1966, he received his bachelor of science degree from WTSU, with

DuBose

majors in industrial education and industrial management.

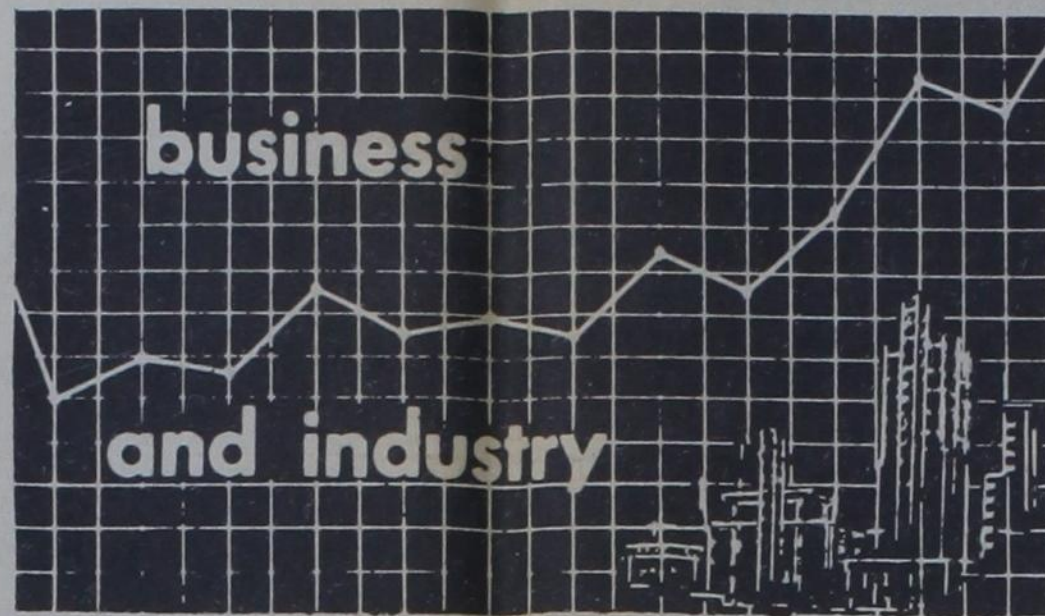

Directly after graduation, he was employed by a company in Amarillo which designs boat plans and does custom woodwork. At present, he is working toward a master's degree in industrial education at WTSU.

In July 1966, he signed a contract with the Dimmitt Independent School District as head of the industrial arts department, and was responsible for the completion of the new power mechanics and industrial metals trades building.

AT PRESENT, he is the Panhandle Industrial Arts Association representative to the Texas IAA board of directors. He is also an active member in the American, Texas, and Panhandle industrial arts associations. He is also a member of the National Education Association, Texas State Teachers Association and the Classroom Teachers Association, besides being a member of the Dimmitt PTA and sponsor of the junior class.

He formed the DHS Industrial Arts Club his first year here. At present the club has 45 members. The Industrial Arts Club chose as a project this year to design and build a fiberglass body for an altered Volkswagen frame. His students have won many awards at industrial arts fairs in woodworking and drafting.

DuBose and his wife, Carol, are members of the First Baptist Church. They live at 307 SW Fifth St. Mrs. DuBose is a second grade teacher.

Seminar set here on wheat grading

A "must" for all engaged in the wheat handling and milling business in Castro and surrounding counties is coming up next week.

IT'S A "Wheat Grading Seminar" designed to present the latest information on the Grain Standards Act, grading methods and wheat grades.

Everyone with a hand in the grading process — elevator foremen, supervisors, assistants and managers, as well as millers — are invited to attend the seminar, which will be held Wednesday beginning at 8:30 a.m. at the County Courthouse Assembly Room, Charles Hottel, county agricultural agent, announced.

Highlighting the seminar will be the Grain Standards Act and Their Impact" by J. P. McCollum, field office supervisor with the Grain Division, USDA Consumer and Marketing Service, Fort Worth. Included will be the permissive rather than mandatory grain inspection on interstate movements, kinds of inspections requested and the three-year term for licensed operators.

JIM ENIX, Extension economist at Oklahoma State University, will explain the newest innovations in grading methods. These include automatic sampling, equipment used in measuring moisture and weight and other techniques.

A history of wheat grades and exchange services will be presented by Robert Strand of the Grain Division, C&MS, Beltsville, Md., and should attract wide interest, Hottel said. This will enable each participant in the seminar to become more aware of the progress made and services available for the asking.

A grading workshop is slated for both the morning and afternoon sessions of the day-long seminar. This will allow participants to really get down to the "nuts and bolts" of grading.

ANOTHER topic of vital interest will concern wheat grades and their economic value to the market. Presenting this discussion will be Gabe D. Anderson of the Sherry Grain Co. of Bovina.

Chairing the morning session will be Raymond Nolen, executive secretary of the Texas Grain and Feed Association, Fort Worth. John J. Seibert, Extension grain marketing specialist for Texas A&M University, will handle the duties in the afternoon. Luncheon chairman will be W. W. Grisham Jr., Extension district agricultural agent.

Registration fee of \$10 should be paid in advance, Hottel said. Additional in-

formation is available at the county agent's office.

THE SEMINAR is sponsored by the Texas Grain and Feed Association, Grain Division of the USDA Consumer and Marketing Service, and the Texas Agricultural Extension Service.

Are you mixed up about '68 surtax?

North Texas taxpayers evidently are having trouble computing their surtax charge on their 1968 income tax returns.

AS A matter of fact, an average of 1,211 taxpayers call IRS each day with some sort of surtax charge problem. About half of these taxpayers feel the Internal Revenue Service is charging them the surtax twice — once through withholding and again when they pay their tax.

Actually, the tax form gives credit for all taxes withheld and IRS refunds any extra tax, whether regular or surtax, when the annual accounting is made by the taxpayer on his tax form.

Ellis Campbell Jr., district director, points out, "Taxpayers should carefully follow their line-by-line instructions in preparing their tax return and in com-

puting the tax they owe."

The surtax errors come from two sources: (1) Some taxpayers forget to add the surcharge to their regular tax, and (2) Some taxpayers fail to follow the complex instruction and make an error in computing the surtax.

The tax surcharge on 1968 income amounts to 7½ percent of the taxpayer's regular tax. For example, if a person's tax was \$1,000 before the surcharge, it would be \$1,075 with the surcharge taken into account.

Press association offers scholarship

The West Texas Press Association is looking for another winner in its 800 newspaper scholarship contest.

APPLICATIONS in the 1969 contest will be received from high school seniors until April 15, John H. McGaughey, chairman of the scholarship committee has announced. Applications should be sent to John H. McGaughey, editor of the Albany News, Albany, Texas 76430. Announcement of the winner will be made by May 15.

West Texas Press Association, which started the newspaper scholarship in 1956, has four students in college this year. One will graduate this spring.

Rules for the scholarship contest have been mailed to high school principals and to newspaper publishers of the West Texas Press Association, who will be glad to help with the necessary application details.

INTERESTED students here should talk with DHS principal Ike Moore or Don Nelson at the News Office, and start immediately to prepare the application.

All applicants must be in the upper 25 percent of their class, must have demonstrated ability in newspaper journalism and a desire for a newspaper career.

The winner will receive \$200 per year (\$100 per semester) for each of the four years of college, providing satisfactory academic requirements are met.

Eleven West Texas colleges and universities have been designated for scholarship winners by WTPA. These are Abilene Christian College, Angelo State College, Hardin-Simmons University, Howard Payne College, Midwestern University, Sul Ross College, Texas Tech, University of Texas at El Paso, Texas Christian University, Wayland College and West Texas State University.

Easter Seal letters going out this week

Easter Seal Appeal letters are being delivered this week in Castro County, according to Mrs. Walter Maynard, local representative for the Easter Seal Society for Crippled Children and Adults of Texas.

MRS. MAYNARD serves as contact representative for disabled persons needing Easter Seal rehabilitation services and also serves as treasurer of the Easter Seal Appeal in Dimmitt.

The Easter Seal Campaign will run through Easter Sunday, April 6.

NON S. ANDRUS ET UX VS. WILLIAM C. McDONALD ET AL. in which VERNON S. ANDRUS and wife, CLETA BELLE ANDRUS, are Plaintiffs, and Defendants are those persons first named in this writ and to whom it is directed.
A brief statement of the nature of this suit is as follows: A suit in statutory trespass to try title to the following described real estate situated in Castro County, Texas:
100 acres of land out of the Northwest part of Survey No. 102, in Block M-6, Castro County, Texas, described by metes and bounds as follows:
BEGINNING at the Northeast corner of that certain 328 acre tract of land in Castro County, Texas, known as the Northwest part of Survey No. 102, Block M-6, patented to Wm. Gossman et al by patent dated July 12, 1915, recorded in Vo. 1, page 420, Patent Records Castro County, Texas;
THENCE South along the East line of said 328 acre tract of land 958.5 varas to a pit, the Southeast corner of said 328 acre tract;
THENCE West along the South line of said 328 acre tract 389 varas to a point;
THENCE North parallel with the East line of said 328 acre tract 958.5 varas to the north line of said 328 acre tract;
THENCE East along the North line of said 328 acre tract 589 varas to the place of beginning.
SAVE AND EXPECT a 1/4th of 1/4th royalty interest.
Plaintiffs claim title in fee simple to said property by virtue of the three, five and ten year statutes of limitation and the statute of limitation of twenty-five years provided by Article 5519 of the Revised Civil Statutes of Texas, as is more fully shown by Plaintiffs' Petition on file in this suit.
If this citation is not served within ninety days after date of its issuance, it shall be returned unserved.
The officer executing this writ shall promptly serve the same according to the requirements of law, and the mandates hereof, and make due return as the law directs.

AMERICAN CYANAMID

Micro-Charger®

The sure way to beat micronutrient troubles

Are your crops showing signs of micro-nutrient deficiency? Then you owe it to yourself to find out about MICRO-CHARGER®, the totally different micro-nutrient supplement for blended fertilizers.

MICRO-CHARGER® is a micro-nutrient coating on each fertilizer granule in the exact formulation your soil needs. It can't settle out, as "shotgun" formulations do.

High-yield farming needs the extra "charge" that MICRO-CHARGER® gives. Ask us about it. Come on in, or call us now — before micro-nutrient deficiencies take their toll.

Have trailer, will travel

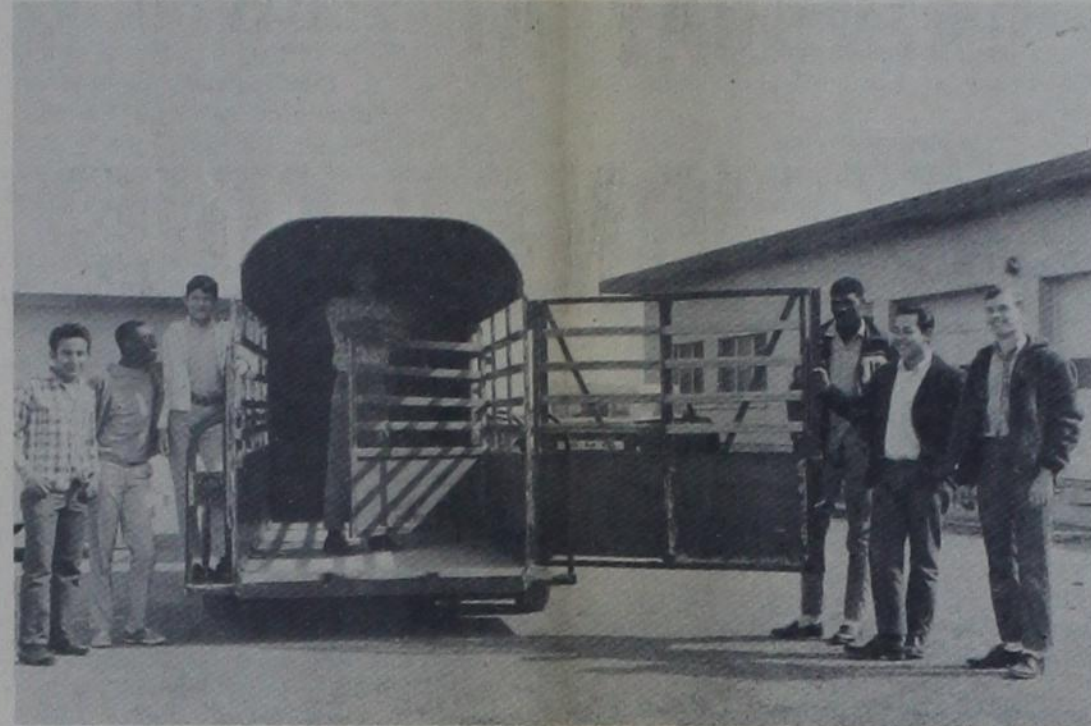

FIRST, THE FRAME — Members of Jim Dowty's general mechanics class at Dimmitt High School have just completed building — from the floor up — an all-steel custom stock trailer that includes several new innovations. Here, Robert Woolbright, George Ulloa, Joe Flores, Mike Constancio and Lino Perez weld the frame together.

NEXT, THE WALLS — These progress photos of the general mechanics class's project show how the trailer went together, section by section, using all-new materials. Working on the sidewalls and frame in this photo are (from left) Lino Perez, Richard Nino, Albert Cantu (kneeling behind wall), Ben Reyes and Mike Constancio.

HALFWAY POINT — Here, the big stock trailer, working to take shape as it reaches the half-way point in the DHS shop. Working on different parts of the trailer, from left, are Albert Cantu, George Ulloa, Lino Perez and Richard Nino. The trailer will carry 12,000 pounds on its double axles, and will be sold soon by sealed bids.

FINISHED PRODUCT — This week Dowty's students proudly rolled their stock trailer out to show it. Note the compartments and the middle and the "dual action" tailgate which will slide or swing open. From left are Arturo Velasquez, Roy Thomas, John Nino, Joe Perez, Jerry Brady, David Sanchez and Robert Fortner.

Chamber boss names chairmen

Chamber of Commerce President Jimmy Ross named his standing committee chairmen for the year at the first regular meeting of the new board of directors Friday morning.

"I'M GOING to depend heavily on these committee chairmen during the year," Ross said. "They're the ones who will make the chamber work."

His committee chairmanships include: Membership: Elvon DeVaney. Retail Trade: Al Jackson. Civic Responsibility: Ike Moore. Miss Grain Sorghum Pageant: Bo Bryant.

Transportation and Communications: Don Nelson.

Industrial Development: Dr. J. D. Blackburn.

Agriculture and Livestock: J. R. Brown.

Water Resources: Ray Joe Riley.

AFTER FORMING their committees, the chairmen are to hold regular meetings to formulate solutions to local prob-

lems and propose new chamber programs as needed.

New Hope Church holding revival

Revival services are underway at Dimmitt's New Hope Baptist Church, and will continue through Sunday.

EVANGELIST is Rev. Don Cass, pastor of the Lee Street Baptist Church. Services are being held at 7:30 nightly, and are open to the public.

New VFW hours listed

Dimmitt's VFW Hall has new operators and new hours. Mr. and Mrs. Bud Griffin are now in charge of the hall, and announced this week that the facilities will be open from 4 o'clock each afternoon.

Third quarter fatal as Cats lose, 54-50

A cold third quarter at Perryton last Thursday night cost Dimmitt's Bobcats their second loss of the year.

THE DISTRICT 1-AAA champion Rangers topped the Cats 54-50 in a thriller that saw Dimmitt come from 13 points behind in a fourth-quarter rally only to fall two baskets short.

By defeating the Bobcats, the Rangers joined an exclusive club that includes only one other team — Lubbock Coronado of District 1-AAAA.

Playing against a rafter-dusting Ranger squad that included three 6-5 play-

ers, the shorter Bobcats overcame the prodigious Perryton defense to build a 17-15 lead by the end of the first period and maintain it at 25-23 at halftime.

But in the third quarter the roof fell in as the towering Rangers struck for 21 points while holding the Bobcats to eight.

IT WAS during the third quarter that the Cats lost one of their bread-and-butter men — 6-4 center Jerral Seale went to the bench nursing four fouls. Seale started the fourth quarter, but within a minute was charged with his

fatal fifth and had to retire for good.

Meanwhile, 6-3 sparkplug Bob Gobin led the Rangers to a big 44-33 lead going into the fourth frame, as he and his teammates willed the ball through the hoop on virtually every shot.

Perryton extended its lead to 13 points before Dimmitt's Bobby Baker started a one-man crusade in the fourth and paced the Bobcats to within four points on steals and drives. But the gigantic Rangers went into a stall and held on for dear life, and it worked.

JERRY BRADY, who must have felt that he was standing in a forest, outfoxed his taller hosts often enough to lead the Dimmitt scoring with 16 points. Baker was the leading rebounder with 10, while Brady collected nine.

Baker finished with 14 points, followed by David Land with 10, Mark Cleavinger with 6, and Seale and David Bollinghausen with two each.

"I think the game did our boys a lot of good," Coach Kenneth Cleveland said afterward. "We learned a few things. This was the best defense we've run up

against all year — we usually get 40 rebounds, but we got only 24 against those boys."

He added, "It hurt when we lost Jerral Seale. They scored a lot on second shots after he fouled out."

Church observes ninth birthday; slates revival

Members and friends attending both services at the First Christian Church Sunday far exceeded the membership of the church.

THE OCCASION was the ninth anniversary celebration of the church's beginning in Dimmitt at its present site at 600 Western Circle Drive.

The present minister, Bedford W. Smith, was the minister of the church when the group desiring to be organized into a New Testament Church first met in its present building.

Eight of the 16 original members, including two of the original three elders — George Gabel and Othele C. Fry and their families — attended both services Sunday.

Minister Smith brought the Sunday morning message and Grayson Ensign, director and teacher of the Bible Chair of Amarillo College, was the evening speaker. Special music was arranged by Mrs. Roy Johnson, the church's music director, and featured her sister, Mrs. Bill J. Jordan and their sister-in-law, Mrs. Keith Pittman of Amarillo. The ladies' solos, duet and trio were accompanied by Mrs. Bedford W. Smith, the church's pianist.

THE CHURCH'S next special occasion will be the spring revival, which will start Sunday, March 23. Minister Gerald E. Durree of the Washington Avenue Christian Church in Amarillo will be the evangelist. Evening services during the meeting will be at 7:30, and the revival will close on March 30, which is Palm Sunday this year. Evangelist Durree will also give the daily radio devotionals that week at 10:30 a.m. on Station KDHN.

Minister Smith attended a meeting of the El Porvenir Christian Camp Corp. at Tucumcari, N.M., Saturday to represent the Dimmitt church, one of several churches member churches, providing camping with Christian training for youths each summer. He will teach in three of the five camp weeks in June during which senior, junior high and junior youths from Dimmitt will attend.

Five students attend TSTA convention

By MYRT LOMAN
Mrs. Juanita Myers, sponsor of the Hart High School FTA and five students spent the weekend in Austin, attending the 20th annual convention of the Texas State Teachers Association.

The group left Hart Thursday morning, spending the night in Lampasas arriving in Austin on Friday morning and making a tour of the State Capital and attending the First General Session in the Municipal Coliseum and hearing such notable speakers as Ralph Yarborough and Ralph Wayne, followed by a tour of the governor's mansion and attending a dance Friday night.

Saturday they attended a workshop on scrapbooks, programs, activities and working with retarded children. Closing the days program with a tour of the University of Texas.

Hart students attending the meeting were Carol Miller, a sophomore, member at large; Yolanda Gonzales, senior, Bill Bledsoe, junior, Sue Bates, a sophomore and Bobby Bledsoe, a freshman.

MRS. LEON SANDERS of Dimmitt hosted the "Trebletones" with a beef Ol'e dinner at her home last Thursday evening.

The "Trebletones" are a group of Hart High School girls who enjoy singing. The group is composed of Jeton Jones, Frances Cunningham, Sharon Brooks, Carolyn Cole and Sue Bates. Special guests at the dinner were Dana Hargrove and Sharla Sanders of Dimmitt.

Mrs. Sanders teaches music two days each week in Hart.

Hart patients in the Plains Memorial Hospital in Dimmitt at noon Tuesday were Mrs. Ike Bennett with pneumonia and Mrs. L. J. Rice for major surgery.

Mrs. G. C. Keenom and J. P. Armstrong have been released from the Plains Memorial Hospital in Dimmitt.

THE HOME of Mr. and Mrs. Ray Clark and daughter, Denise, burned on Wednesday night of last week, while the family was en route home from Friona where they had been to visit a sick relative.

The Hart and Dimmitt Fire Departments answered the call, but the fire was too far advanced to save any of the household furnishings except two chairs and a dishwasher and there was no insurance.

Mr. and Mrs. Roy Futrell and Mr. and Mrs. Levi Bennight have returned home from a fishing trip to Falcon Lake. Some of the neighbors are enjoying some of the catch.

Cub Scouts of Den 1 and 2 met last Wednesday and Thursday with leaders, assistant leaders and den chief to work on their projects of skits, and decorations for the Blue and Gold Banquet to be held on Thursday night, Feb. 28 at 7:30 in the Hart School Cafeteria.

There were 14 Cub Scouts present. The Cub Scouts are to each bring a lunch in a pretty decorated box for their evening meal. The drinks and dessert will be furnished.

The Brownie Troop 246 met Monday after school with 16 members present and one new member, Shelia Garriety.

Mrs. Hawkins and Mrs. Nelson led the girls in singing songs and playing the quiet game.

Kana Nelson was honored at the meeting with a birthday party. Her mother Mrs. Charles Nelson served the girls birthday cake and punch.

REV. C. T. Cunningham, pastor of the First Baptist Church attended the two-day Panhandle Pastor's and Layman's Conference on Monday and Tuesday on the Wayland Baptist College campus in Plainview.

The 48th annual session opened on Monday morning with a song service led by Ed Wittner, the music director of the First Baptist Church of Plainview.

Attendance was considerably reduced for the first session, due to the intense fog causing dangerous driving conditions.

Saturday night members of Girl Scout Troop 404 had dinner at the Nu Griddle and attended the concert in Plainview.

Mr. and Mrs. Deryl Clevenger and Mrs. Max Stephens furnished the transportation for the following girls: Kathy Crawford, Vickie Newsom, Cindy Dyer, Lisa Lacy, Kathy Kennedy, Dee Clevenger, Elizabeth Stephens and one guest Iona Clevenger.

The Hart PTA members were host on Friday night, Feb. 21, at the Hart School Cafeteria for a salad supper honoring the teachers.

Welcome was given by the PTA President Rev. Fred Brown with the response by H. L. Cheatham. The school superintendent Ted Averitt introduced

the guests and members of the administration. High School Principal Weldon Bates introduced the high school and junior high school teachers and grade school principal Elmer Six introduced the grade school teachers.

Rev. Frank Pollard, pastor of the First Baptist Church of Tulia was guest speaker on the subject "The Progress on the Teaching Profession."

Entertainment was by the Trebletones, a group of Hart High School girls: Frances Cunningham, Jeton Jones, Carolyn Cole, Sharon Brooks, assisted by Marianna Murphy and Deanna Hargrove of Dimmitt. Mrs. Leon Sanders of Dimmitt accompanied the girls at the piano.

RON CRIST OF Hereford was guest speaker on Monday at the Lions Club meeting in the community room of the Bank. His subject was on the "National Farm Organization."

Lion Boss Willis A. Hawkins Jr., presided over a short business meeting with members voting to sponsor the annual broom and light bulb sale on Saturday, April 5.

Twenty members were present with guests T. R. Davis, R. L. Hawkins, Sweetheart, Frances Cunningham and Ron Crist of Hereford.

MRS. BUD HILL of Dimmitt and Mrs. Weldon Jones and Mrs. Wister Clevenger were hostesses Thursday night in the United Methodist Church for the regular meeting of the Chi Psi chapter of Beta Sigma Phi.

The chapter voted to donate \$50 to the Ray Clark family, who lost their home and personal belongings in a fire. Plans were made for the annual chapter bridge and 42 tournament to be held on March 14-15.

Following the business meeting the program was presented by Mrs. Jack George and Mrs. Jerry Allen on "Happiness." Twenty-one members were present.

The following letter was recently received by Mr. and Mrs. W. H. Felder from Rick Austin of Vietnam:

Dear Mr. and Mrs. Felder,
The candy that you sent was real good and enjoyed by all my section and myself. I want to thank you very much for helping make this a much happier Christmas for us all at this time.

I'm fine and praying for my safe return home as well as for all others here. If there were only more people like you.

Sincerely,
RICK A. AND THE GUYS

OUT OF SCHOOL Friday.

No speaker yet — but we're trying

The Chamber of Commerce hasn't yet lined up a banquet speaker, but you can't say it isn't trying.

THOSE WHO have declined so far include Secretary of Agriculture Clifford M. Hardin, Lt. Gov. Ben Barnes and Mrs. Lady Bird Johnson.

The National Aeronautics and Space Administration is now studying an invitation to send one of America's astronauts to Dimmitt to speak.

The annual banquet will be held March 22 or 29, or April 19 — all Saturdays — depending upon the schedule of the still-unknown speaker.

Sen. John Tower was the banquet speaker two years ago, and last year Ace Reid, "Cowpokes" cartoonist, did the honors.

COMMITTEE chairmen for the CoC banquet are Elvon DeVaney and Walt Hansen, food; Reeford Burrous, speaker equipment; Robert Benton and Don Nelson, tickets and promotion; Bo Bryant, welcoming; Ike Moore, physical arrangements; and J. R. Brown and Jimmy Ross, program and awards. A theme and decorations chairmen is still to be appointed, Ross said.

Square Dance Tips

By BILL HARMAN

Host couple for the Promenaders Tuesday night was Lyndall and Patsy Warren of Hart. Door prize was won by Debra Harris. A large group enjoying the refreshments and fine calling of Sid Perkins. One tip was called by Larry Medders.

WHAT HAPPENS in a square dance? What is the caller saying? How does each person know just what to do? These are a few questions usually asked. Basics must be learned by the dancer. The caller uses the mastic as if he was baking a cake. He selects the basics which best fit the pattern he has chosen, and arranges them in any desired order. The dancer must be a good listener, a courteous dancer, a cooperative and friendly dancer, and enjoy having fun. Above all a square dancer

Dimmitt dominates Schools list 'PS Week' plans

'Plains' dream team

In the closest thing to a clean sweep ever posted by a single team, four of Dimmitt's five starters were named Wednesday morning to the Class AA All-South Plains Basketball Team. And the fifth Bobcat regular got an honorable mention.

IN ADDITION, one Hart player made the Class B All-South Plains squad, while another gained an honorable mention.

The All-South Plains selections, by classes, are being announced this week by the Lubbock Avalanche-Journal, which selects the dream teams after studying individual records and conferring with area coaches.

In all, seven Castro County cagers were named to the All-South Plains lists. Dimmitt completely dominated the Class AA selections as Jerry Brady, Bobby Baker, David Land and Jerral Seale were tapped as four of the top 10 AA players in this part of the state. Junior guard Mark Cleavinger came in for one of the five honorable mention spots.

BRADY is approaching the 500-point mark for the year after sacking 36 against Denver City Tuesday night to hike his total to 475. He also is one of the top four Class AA rebounders on the dream squad with 300.

Baker, one of only two juniors on the 10-man lineup, isn't far behind Brady in the scoring column. He has netted 415 for the season.

Land, the big guard who has made everybody's all-tournament teams this year, has sunk 359 points for the year.

Seale, the Bobcats' big fence under the basket, has scored 330 points for the year while collecting more than 270 rebounds.

HART'S Rex Henderson, 6-5 post forward, was the only Castro County lad to make the Class B All-South Plains lineup, although teammate Donnie Black, a 6-1 junior, gained an honorable mention.

Henderson sank 418 points and picked 273 rebounds off the boards while leading the Longhorns to a second-place finish in district play.

Here are the All-South Plains selections:

CLASS AA
JERRY BRADY of Dimmitt, BOBBY BAKER of Dimmitt, DAVID LAND of Dimmitt, JERRAL SEALE of Dimmitt, Richard Cox and Ralph Russell of Denver City, Kenneth Johnson of Olton, Raymond Sterling of Lockney, Byron Willis of Morton, Ricky Wilson of Idalou. (All are seniors except Baker and Sterling.)

Honorable Mention: MARK CLEAVINGER of Dimmitt, Brad Brunson of Idalou, Mike Cunningham of Tahoka, Charles McClain of Olton, Jake Rogans of Frenship.

CLASS B
REX HENDERSON of Hart, Rickey Braden of Ropesville, Mont Floyd of Union, Dwight Hickman of McAdoo, Loyd Jordan of Meadow, Wayne Matthews of Spade, Lynn Payne of Quitaque, Jeff Thacker of Roaring Springs, Joe Tienda of Whiteface, Wendell Williams of Three Way.

Honorable Mention: DONNIE BLACK of Hart.

Dimmitt will host 400-Scout campout

More than 400 Boy Scouts from throughout the Haynes District will converge on Dimmitt the first weekend in March for a district camporee.

THE SCOUTS will pitch their tents and cook their meals on vacant land provided by Dimmitt High School. The city will provide water for the boys.

Reeford Burrous, chairman of the camporee project, said local drivers will be needed Sunday morning, March 9, to take Boy Scouts to and from the city's churches.

WE RUIN THE lands that are already cleared. A half, a third, or even a fourth of what we mangle, well wrought and properly dressed, would produce more than the whole under our system of management.

George Washington, First President of the United States

Receptions, stage performances, hall-way displays and special programs are on tap next week as the county's schools observe Texas Public School Week, March 3-7.

Here are the various schools' schedules for the special week:

DIMMITT HIGH SCHOOL

Student Council members will register guests in the foyer every day and serve as guides during their visits.

The library, homemaking, art and industrial arts departments will set up special hallway displays. Individual rooms also will have displays designed to promote their subject areas.

THE SPEECH and drama department will present sketches from famous plays on Monday, March 3, for the public. The DHS Players also will present their contest play, "Medea," during the same assembly period.

The art department will distribute publicity posters to businesses downtown.

The homemaking department will serve coffee and cookies to everyone visiting the school during the week. The refreshments will be served in the living room of the department.

DIMMITT Rotary Club will be served a noon meal Tuesday in the high school cafeteria. Members will pay the regular meal price, 60 cents.

Arrangements are being completed for an assembly Monday to review Texas school history and spotlight the aims of public school education in the state.

DIMMITT JUNIOR HIGH

Wednesday will be "American Heritage Day," with students dressed in heritage costumes, and will also be "Parent Visitation Day." Parents unable to tour the school on this date may come any day during the week.

Student Senate members will register adult guests at a table in the foyer, and serve coffee. Also, they will compile a list of parents who wish to eat lunch in the school cafeteria with their children.

PARENTS will be directed to their children's classrooms during period breaks, by representatives from each class.

At 1:30 p.m. Wednesday, the eighth grade English class will present a play in the school auditorium.

The Dimmitt Lions Club will eat lunch

with junior high students in the South Elementary cafeteria Tuesday at noon, with members paying the regular 60-cent cost.

The junior high art class will make and distribute Public School Week posters for the school hallways.

NORTH ELEMENTARY SCHOOL

Parents are invited to eat lunch with their children in the lunchroom on Monday, paying the meal cost of 60 cents, and to visit the school any day of the week.

Members of the Dimmitt Lions Club and five officers of the Masonic Lodge are invited to eat lunch with North Elementary and Junior High students Tuesday in South Elementary cafeteria. Cost is 60 cents per person.

Paul Fry and Ruth Holman of the North Elementary faculty presented a radio program on Texas Public School Week at 9:30 a.m. Wednesday on Station KDHN.

SOUTH ELEMENTARY SCHOOL

Parents are invited to visit the school and eat in the lunchroom with their children Monday, Tuesday and Wednesday. The schedule is for first grade parents Monday, second grade parents Tuesday and third grade parents Wednesday. Meal price is 60 cents.

Through various classroom activities, pupils will be given the opportunity to express "Why I Appreciate My School" through creative writing, posters and art work.

DIMMITT'S Jaycees and Jaycee-Ettes are invited to eat lunch in the school cafeteria Tuesday at noon. Mrs. Evie Froehner will be the luncheon hostess, assisted by pupils. Price of the lunch is 60 cents per person.

School will dismiss March 7 (Friday) so teachers can attend the district con-

Practice game set here tonight

The district championship girls' teams from Hartley and Spade will meet in a practice game tonight (Thursday) in Dimmitt's North Elementary Gym.

TIP-OFF time will be 6:30. Hartley is the District 1-B champion and Spade is the District 4-B winner.

ference of the Texas State Teachers Association.

HART PUBLIC SCHOOLS

All parents are invited to visit the schools and eat in the cafeteria any day during the week.

The Hart PTA will meet Monday night at 7:30 and Mrs. Margaret Rambo's second grade will present the program. Also on tap is a movie, "The Challenge and the Chance," about the report of the Governor's Committee on Public Education.

C of C to promote 'Land of Coronado'

Dimmitt will be included this year in a special "Land of Coronado" tourist promotion program, coordinated by Southwestern Public Service Co.

THE CHAMBER of Commerce board voted Friday to spend \$200 as the local share for billboards, restaurant tear-cards and posters promoting the Dimmitt area and its attractions to visitors.

The billboards are designed so they can be changed seasonally to promote different local activities, such as the Miss Grain Sorghum of the Nation Pageant, Roundup Week, etc.

Southwestern Public Service Co., through its tourist promotion department, conducted a "Land of Coronado" pilot project in five Panhandle communities last year and felt the tourist-holding campaign was so successful it should be offered to other communities in the area.

Wet it, whip it

A dried skin milk which can be whipped into a low-calorie dessert topping has been developed by US Department of Agriculture scientists.

THE MIXTURE needs no refrigeration or precooling of utensils, report Extension foods and nutrition specialists. The experimental product can be stored without refrigeration. Skin: milk which has been homogenized before drying and reconstituted with one part powder to two parts water will produce a foam if whipped for three minutes.

(Continued from page 1)

to the regional playoffs. Before fouling out late in the fourth, Brady sank 12 field goals and hit 12 of 17 from the free throw line, in addition to keeping a tidy backboard on defense.

LIKE A quick-draw sheriff in a western showdown, Brady single-handedly outgunned Denver City's two top hands, long-shooting Richard Cox and post forward Ralph Russell, who notched 17 apiece.

Brady collected 20 points in the first half alone and Bobby Baker netted 11 as the Bobcats steamed to a 24-17 lead at the end of the first quarter and a 48-35 advantage at intermission.

The Bobcats needed every bit of their halftime cushion, though, because the determined Mustangs outscored them in the second half.

Denver City held the Bobcats to two baskets in the first four minutes of the third period, outscoring the Purples 18-15 to cut the Dimmitt lead to 10 points, 63-53, going into the fourth.

DURING THE final period, the surging Mustangs chipped to within six points before the Bobcats caught fire again in the last four minutes to stretch it back to 10 points, 83-73, at the buzzer.

Baker, Jerral Seale and Brady all left the game via the five-foul route late in the fourth quarter, and Dimmitt's bench strength became more important than ever. George Nelson, David Bellinghausen and Gary Langford went in to absorb Denver City's last-minute body blocks and take their lead-stretching free throws. Denver City lost three starters on fouls, too.

David Land drilled 14 points for the Bobcats and staged a razzle-dazzle dribbling display during the late-game stall. He also engineered scoring plays from all over the court.

Baker found the range for 11 points — mostly on long set shots, all in the first half — and Seale collected 10 while helping keep the backboard dusted off. Nelson drilled four long ones for eight points, while Bellinghausen and Cleavinger added two apiece.

MIKE MCKINNEY, Denver City's No. 23, led the Mustang attack with 18, while Cox and Russell contributed 17 each in a balanced attack.

It was Victory No. 29 for the Bobcats, against two losses.

Also, Mr. and Mrs. D. O. Benson and Mrs. Jack Baker were present.

T. L. SPARKMAN and Tommy Sparkman took cattle to the Houston Livestock Show, leaving last Sunday. They expected to be there all week and return this weekend.

Mr. and Mrs. Clark Andrews took her mother, Mrs. E. B. Berryman, and her aunt, Mrs. Clalia Jones of Amarillo, to Wellington Tuesday for a few days' visit with their other relatives. The Andrews returned home that night.

Royce Waldrip is home from an Amarillo hospital, where he has been the past several days, and was doing well. He was expected to be back in school, probably next week.

Mrs. Jackie Andrews underwent tests at Deaf Smith County Hospital this week. She came home by the weekend.

★
THE WELDON STEPHENS moved into their new house the last of last week. It is located on FM 1055, about a mile and half south of Frio Church.

The house which the Stephens have vacated is one of the landmarks of the

area, being the former home of the W. B. Green pioneer family. Miss Laura V. Hamner wrote of teaching the first Frio school term about 1903 in the building on the corner of Green's place, built by subscription and volunteer help of the neighborhood. She mentioned Mr. Green as being superintendent of the Sunday School which she promoted. This was the beginning of Frio as a community and a center of worship. The Greens lived there until about 1928, when they sold out to the Robbins family.

Storage is needed for Yule trimmings

The Chamber of Commerce is looking for storage space for its Christmas decorations and outdoor stage.

The bigger-than-ever decorations, many of which are new, are now stored in the fairgrounds buildings but must be moved to make way for the junior livestock show next month. And to Christmas decorations, a move is almost equivalent to a year's wear and tear.

THE CITY has informed the chamber that it hasn't enough barn space to store the bulky decorations.

To give the chamber more time for its search, Bruegel & Sons Elevator Co. has donated temporary space in one of its storage barns. Manager J. R. Brown said the storage barn can be used as long as it isn't needed for grain.

Meanwhile, CoC President Jimmy Ross and his directors are checking with other firms for a permanent storage site.

On the Go

Robert and Marty Benton, David and Marilyn Hardison had a good weekend skiing up at Red River. The weather was good and much snow. They saw Tom and Audrey Miller up there. Tom has farmland north of town here but lives in Amarillo.
