PREPARATIONS TO HOLD MUNICIPAL CAMPAIGN

(Special to The Telegram.) NEW YORK, March 30.—The various political parties are settling down to real hard work in preparation for the municipal campaign next fall. Almost every day brings a new candidate for the mayoralty, or rather rumor names one. In the meantime the names of Mayor Low, District Attorney Jerome, Comptroller Groat and Edward M. Shepard continue to be prominently put forth.

CELEBRATE ANNIVERSARY. May 24 to 30 will be devoted to the celebration of the two hundred and fiftieth anniversary of New York's municipal government. The formal ceremonies will take place May 25 in the Aldermanic chamber and Mayor Low, on behalf of the city, will invite President Roosevelt and the incumbents of such cabinet offices as existed when the federal government was located in this city.

OBJECT TO CEMETERIES. The residents of two or three suburbs of New York are greatly perturbed over rumors that cemeteries will be located near them and from the projects of new burial grounds that are reported to be on foot it would seem that the promoters expect some kind of direful calamity to fall upon the city.

NO MORE HORSE CARS. The vaudeville stage pleasantry that "you've got to come to New York to see everything—even a horse car," will soon cease to be true, as far as the last proposition is concerned. MANY POLICEMEN FIRED. Not since Theodore Roosevelt was police commissioner has there been such an exodus from the police force as during the Low administration. Mr. Hill has not had much to say of late, but he has been quietly laying wires to obtain his old-time prestige as a state and national leader.
