# PANTHERS WIN TWO

to Boll Weevils-Pennant

Looks Nearer

One W. H. Ward of Fort Worth has found the remedy for the Boll Weevil fered by the state of Texas.

The new remedy was turned loose on out. two occasions in the Haynes Cotton Third Inning

GFRORER IN ACTION.

Patch Wednesday afternoon and each time made a clean killing of the nine Mitchell. Too much Boles again ended boll weevils placed before it. Though the inning, Shelton's high one dropping the Boll Weevils put up a fight, they managed to inflict but slight wounds and those at the beginning of each contest, wearying in a short time and for Pennell's two-bagger, which was giving up. On the first occasion they fully as lonely as had been Erwin's. managed to destroy but one boll before Big Seventh being destroyed, while upon the second two bolls went to the bad before the destroyer settled down to good work. In the meantime the pickers who acted with the exterminator ginned two good bales on the first occasion and eight upon the second. A good market was afforded for the cotton and Farmer Ward smiled.

To open the first game Temple scored in the first inning upon a pass and two hits. Things then seesawed along until the Fort Worth half of the sixth. Then safe on the throw to second. Two on the fun began. Gfrorer was hit by Mitchell and walked to first. Cavender attempted to bunt but put up a pop fly to Mitchell, who caught Gfrorer off win scored. Cavender took a rap at Fink, 3b. ......... the base, making it a double. All hope the leather and Christman came in as ones and a moment later stole second as Wilson let one go by. Wilson then Gfrorer scoring by a slide on the rearose to the occasion and swatted one turn from first. Wilson then fattened

Wills looked like he wanted to bring Pennell in and cinch the game, but found nothing but dreams floating by. The real game then begun. Mitchell and Christman settled down to good hard work and every player was on the jump, the Panthers to maintain their lead and Temple to make first place sure. Gfrorer accepted two faultless chances, retiring Salm and Spencer and Mitchell fanned. Three strike outs put the Panthers back in the cotton In the eighth a partial eclipse occur-

red but the shadow was pushed back. Coyle flied out to Wilson and Aiken went out from third over. Shelton then rapped left fence for a two-bagger and pirouetted between bags until Clayton went out from second over.

For the Panthers' half Gfrorer again got hit by the ball and went to second on Cavender's sacrifice. Boles then came up and Gfrorer went to third on Fort Worth ..... 0 0 a wild pitch. Boles fanned and Wilson Temple ........... 1 0 0 0 0 0 0 0 0 0-1 flied out to center, giving Temple their first one was won.

Game number two opened with the pyrotechnics. First surprise came with he address by Umpire Spencer, who declared that the batteries would be Gfrorer, cf. the same as in the opening game.

Temple started the fireworks. Coyle placed one between first and second. Wilson, rf. ...... Ward's pets, however, did not think so. Gfrorer managed to get safely to first on the fumbling of Mr. Shelton. Cavender got in the box and Gfrorer stole second. The crowd brightened up and lost itself the next minute as Cavender with a three bagger to right. Christman's Curves Impervious Cavender put a three-bagger to right fence, scoring Gfrorer. Fourth Inning

Christman made it three straight in the fourth for Temple, two fly outs and a grounder to Pennell seeing the Fort Worth did little better, Erwin's two-bagger being lonely with fly outs and fans flanking it.

Fifth Inning

Temple looked dangerous in the Spencer went out from Boles over. Mitchell then got a hit to third, Markley being barely able to cut the ball down. Coyle then flied out to Wills and Aiken hit to left, advancing in his mit.

Fort Worth's half or three-quarters

Experts know the quality required and how to secure it-not for one lot of cigars but for millions. The several varieties of leaf necessary to produce a smooth, well-balanced smoke undergo delicate, complex and vital processes-hitherto unknown-of fermenting and blending. These processes extract all the original greenness and rankness and develop a rich, even, full-

No woman can look beautiful without good health. A woman's good health depends on those organs peculiarly feminine, and which so often become disordered, causing misery and dragging-down pain. Nature's laws are perfect, health endures if you obey them, but disease follows disobedience. The distressing complaints of women are often brought about by catching cold at a critical period, breathing foul indoors' air and long hours of work and nervous tension. Go straight to Nature for the cure—to the forest. Dr. Pierce's Favorite Prescription is Nature's cure for the distressing complaints of women. Prof. King, M. D., in his American Dispensatory, says of Black Cohosh or Black Snake-root-"our early American Indians set a high value on this root in diseases of women. It is surpassed by no other drug, in congestive conditions of the parts where there are dragging pains and tenderness."

Lady's Slipper root is a "nerve stimulant and tonic, improving both circulation and nutrition of the nerve centers—favoring sleep and cheerful condition of the mind; of service in mental depression, nervous headache, irregularities of women with despondency."—Prof. King. Besides the above ingredients there are—Golden Seal. Unicorn and Blue Cohosh roots in Dr. Pierce's Favorite Prescription
