• SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY •

VOLUME 47

LOCKNEY, FLOYD COUNTY, TEXAS FRIDAY, SEPTEMBER 2, 1949

NUMBER 52

COUNTY VOTERS WILL VOTE ON \$200,000 BOND ISSUE SATURDAY

A simple majority of the votes is all that is necessary to carry the courthouse bond election. The Beacon was informed Thursday by County Attorney Enos T. Jones.

Floyd County voters will go to the polls tomorrow (Saturday) to determine the fate of a proposed \$200,000 courthouse bond issue.

Proposed to modernize and restore the county courthouse, which was destroyed by fire last spring, the bond issue would add 35 feet to each end of the court house, modernize the interior and provide extra room for the offices who need it.

A drawing of the proposed new building was published in last week's Beacon.

County indebtedness at this time is \$656,000 plus \$3,000 in time warrants, the records show. Interest on the county's debt ranges from 2 1/2 per cent through 3 1/2 and 3 3/4 per cent interest to 6 per cent. Of the above amount \$495,000 was voted last year for road construction. In addition to the road bond issue above the road and bridge fund is pledged for \$141,500 bearing interest rate varying from 3 per cent to 6 per cent. The general fund owes \$20,000 which bears 6 per cent interest and \$3,000 in time warrants are outstanding which bear 6 per cent.

The proposed bond issue is limited to an interest rate not to exceed 3 1/2 per cent. With a county valuation of a little more than \$11,000,000, it was estimated that a 12c per \$100 valuation tax would retire the bonds in 25 years.

Voting in West Lockney will be at the High School building and voting in East Lockney will be at the City Office, officials said.

A comparatively light vote is expected by most observers.

Langfieldt Is Head Of Meteor Reunion

Friends of the former Meteor community, now Aiken, met Sunday at the Aiken Baptist Church for their sixth annual reunion. A basket lunch was served at the noon hour. Coffee and tea, furnished by the organization, and the ten gallon jar of lemonade brought by Roy Ragle were served with the meal. Among those present were fathers and mothers, former school teachers, trustees, and school boys and girls of Old Meteor. A short program was rendered but most of the time was spent in visiting and recalling the happenings of those good old days.

New officers for the ensuing year are: Arnold Langfieldt of Aiken, president; and Mrs. Maggie Thompson Weathers of Lockney, secretary.

GRADE SCHOOL WILL REGISTER MONDAY; CLASSES TUESDAY

High school students were registering this week end and grade school students will register Monday preparatory to beginning classes Tuesday morning. Supt. Sidney Reeves, superintendent of Lockney schools said Thursday.

The luncheon rooms also will begin operations on Tuesday.

The faculty is complete, Mr. Reeves said with 31 teachers. Seventeen of these will be at the grade school, 13 at the high school and Mr. Grimard, band instructor will alternate between the two.

H. H. Morris, a graduate of Texas Technological College, has been employed to teach science in the high school replacing Donald Green, who resigned. Mrs. Myrtis Cope has been employed to teach mathematics in high school. The name of George Mizell was omitted from the list of teachers published recently in The Beacon. He will teach in the grade school. Lockney High School now has

Eddie Jarrett Is Still Unconscious

Eddie Jarrett, 20 year old son of Mr. and Mrs. C. L. Jarrett of South Plains, who was seriously injured in a truck accident seven miles east of Lockney twelve days ago, is still unconscious in a Floydada hospital. However, relatives say that his condition is improving and they have hopes that he will regain consciousness soon. He suffered a fractured skull and other injuries in the accident.

S. J. Williams, who was injured when his plane crashed after striking a high power line in South Lockney Monday of last week, is resting well in the Co-operative Hospital here and he is apparently improving.

Fire Destroys Pool Home Sat.

The house occupied by N. R. Pool and family on the Hammill farm in the Aiken community was totally destroyed by fire at 11:30 last Saturday night. All furniture, clothing and other belongings of the Pool family were destroyed with the house.

No cause of the fire could be determined, it was reported to The Beacon. The family was not at home when the fire broke out. They were visiting a daughter at Edmondson.

Neighbors were asking this week for used clothing, furniture or dishes for the family. Mrs. Bill Wesley, Mrs. Fred Duvall and Mrs. Lois Williams are leading the move to replace the furnishings of the family which was destroyed. Anything that the family can use will be appreciated, Mrs. Wesley said.

Clothing is being left at The Beacon Office and those who have good used clothing to give may bring it here. The Pools have six children at home including boys six, ten, 12 and 20 years of age and girls four and fourteen years of age. They will especially appreciate clothing.

Floyd Cotton Loan Rate Is 29.14 Cents

According to recent Department of Agriculture announcements, Floyd County loans on 1949 Middling 1516 inch cotton will be 29.14 cents. Loans will be available through April 30, 1950 and will mature July 31, 1950. Cottonseed will be price-supported at 90 percent of parity. The full details of this later program have not been received.

Mr. and Mrs. Leslie Floyd have returned from Harlingen where they spent several weeks.

Good Crowds At Baptist Revival

Large crowds have been attending the Baptist revival in progress this week at the City Auditorium.

Dr. John Cobb of the University of Corpus Christi is doing the preaching and Wiley Lee of Howard Payne College, Brownwood, is leading the singing.

Services are being held at 10 a. m. and 8 p. m. The public is invited to attend.

Dr. Pigford To Join Hospital Staff Next Week

Dr. C. A. Pigford will join the staff of the Floyd County Co-operative Hospital here next Monday or Tuesday, it was announced this week by hospital officials. Dr. Pigford comes here from Iraan, Texas, where he has been practicing for the past year. Previously he practiced at Seagraves.

Dr. and Mrs. Pigford have three children, Bettye Gene, 12, Lynda 11, and Walter 8. They will occupy the C. O. Roberts residence here for the present.

Dr. Pigford is a graduate of the University of Tennessee in the class of 1932. He has been a practicing physician and surgeon since.

Plan Emergency Polio Fund Drive

A meeting will be held tonight (Friday) at 8 p. m. in the county court room at Floydada to organize a polio emergency fund drive in the county. The drive will last only one week and is for the purpose of replenishing funds which have been exhausted in providing treatment for polio victims.

According to A. H. Kreis, county chairman of the polio committee, all Floyd County funds have been exhausted and the county has recently borrowed \$1818.19 from the national foundation in order to take care of county needs within the next 60 days.

This has been the experience of many other counties and the nation-wide one week emergency drive is for the purpose of providing funds so that no child will go without needed treatment.

Everyone interested in the securing of these funds are urged to be present tonight and especially officials of organizations such as Rotary Club, Home Demonstration Clubs, Boy Scouts, farm organizations, PTA organizations, fraternal organizations, and others.

Baxter & Smith Offer Prize For Best Feed Name

Baxter & Smith Grain Co. of Lockney are offering a \$25.00 prize for the best name suggested for a poultry and dairy feed which they will start manufacturing soon, it was announced last week by Charles Baxter, manager.

The feed will be a quality mixed feed, made and sold locally. The need now is for a name for the feed and that is why the company is offering a prize for the best name suggested, Mr. Baxter said.

Judges will be local disinterested persons. The rules say that anyone except employees of the firm and the judges and their families may enter. The contestant may submit as many names as he chooses but each must be on a separate sheet of paper with the name and address of the contestant on the paper.

All entries must be postmarked not later than Sept. 10, 1949. No charge is made for entering and you are not required to buy anything. Entries must be mailed not later than Sept. 10, 1949. Smith Grain Co. office here.

Homemaking Girls Complete Projects

Home making girls of Lockney High school have completed a number of worthwhile summer projects, according to a report from Miss Bonnie L. Yarbrough, home making teacher.

The students have painted the walls of the sewing room at the high school, varnished the woodwork, enameled all cabinets in the foods room, waxed the floors, and in addition spent from 130 to 150 hours in home projects such as child care, cooking, sewing and making home improvements.

Students taking part in these projects are Shirley Cooper, Velma Seale, Melba Weathers, Shirley Faye Holt, Ruby Messimer, Lucille Cargill, Lela Fern Huddleston, Sue Nelms, Betty Joan Handley, Freda Bybee, Mary Louise Rigdon, Wanda Kellison.

Each girl gave a detailed written report of her summer projects, Miss Yarbrough said.

REECER SELLS MATADOR CLEANING SHOP

A deal was culminated at Matador last week whereby R. L. Brandon purchased the Modern Cleaners, a dry cleaning plant, from L. L. Reece of Lockney.

Mr. Reece had operated the plant for approximately two years.

LONGHORNS WILL BE TESTED IN SHAMROCK GRIDIRON TILT

Farmers Meeting Here Tuesday Night

A meeting of farmers of Floyd County has been called to meet at the City Auditorium in Lockney on Tuesday night of next week, Sept. 6 by Ben Quebe, president of the Floyd County Farm Bureau. The meeting will begin at 8 p. m.

Chief topic of discussion will be cotton pulling prices in the county for the coming season, Mr. Quebe said. He urged that all farmers attend, regardless of membership in the farm bureau.

The farm bureau program will also be discussed. H. F. Quebe is secretary of the county organization.

Sanitation Group Continues Work

The steering committee of the sanitation campaign which was set up here several weeks ago, decided in a meeting Tuesday night to keep the organization intact and proceed with the work of keeping the town clean as it is needed.

Chairman Joe Holt said "The people of Lockney have done a marvelous job in cleaning up the town and we are urging that you continue your good work. Keep your weeds down and your trash and garbage cleaned up. We will appreciate it if you will report nuisances which are contrary to the sanitary condition we are striving to keep."

Mr. Holt pointed out that there are still 40 to 60 days of potential polio weather and that the people of the community should continue to guard against polio.

Some vacant lots in town have never been cleaned satisfactorily and the steering committee decided that if the lots weren't cleaned up by Sept. 15 that they would take further steps to get them cleaned. Many of the lots have old vehicles or other junk on them which should be moved at least to one side of the lot and stacked so that the lot can be cleaned, it was said.

A new type of spray is being used by the city now and is proving more effective and durable than the old spray. Spraying is still being done regularly.

The garbage pick-up system under the direction of Brownie McDowell is still going strong and is proving satisfactory in most cases. Residents are urged to keep their garbage cans in plain view in the alley.

The city grader will go through the alleys next week to level them out and all obstructions should be removed from the alleys, city officials said.

The steering committee will meet with the city council the fourth Thursday night of each month to discuss needs of the city and progress of the work, Mr. Holt said.

Floyd County Home Demonstration Work On The Air Sunday

Floyd County Home Demonstration work will be publicized on the air next Sunday at 1:30 p. m. over KAMQ, Amarillo. The county representatives of the home demonstration work will be Miss Leila Petty, agent, Mrs. C. L. King of Lone Star, county council chairman and Mrs. John Smitherman of South Plains, county council secretary.

Projects and achievements of the various clubs will be discussed on the program.

The program is the "Home-town Editor's Program" and is directed by George Young. The Beacon editor will act as emcee on the program.

Those visiting in the J. A. Stegall home are Mrs. H. A. Montgomery from Abilene, Mr. and Mrs. D. J. Stacy, daughter and son-in-law of Mr. and Mrs. Stegall, from Bangs, Texas.

The 1949 edition of the Lockney Longhorns will receive their first test under fire tonight (Friday) when they tangle with the Shamrock Irish at Shamrock. The game begins at 8 p. m. and quite a few Longhorn fans will probably make the long trek to Shamrock.

Although the Longhorns are shy on experience this year they still have a lot of weight, most of it concentrated in the two tackle positions. They also have more speed in the backfield than they had last year. Coaches Curtis Kelley and Metz LaFollette are expecting the boys to make an excellent showing against the strong Shamrock team although they won't come right out and predict a victory.

"The boys are ready and anxious to meet Shamrock and we will be at full strength for the game," Coach Kelley said Thursday. "We have a lot of pep and hustle and I'm expecting the boys to surprise those Shamrock fans."

Coach Kelley has 29 boys out so far for the team and he is expecting 10 or 15 more to start practice when school starts on Monday. The team this year is made up mostly of sophomores and freshmen with a sprinkling of juniors and one senior.

Three starters from last year's district champion team are Delbert Shearer, tackle, Robert Huckaby, guard and Dejuan Strickland, fullback. Around these three boys Kelley has shaped a team that will carry the Longhorn colors this year.

The Shamrock team has always been a tough one and this year is expected to be no different. The Longhorns will have their hands full in handling the Irish.

Starting line-up for tonight's game was announced as follows by Coach Kelley:

- LE—Bobby Baxter, 160.
- LT—W. L. Rowell, 265.
- LG—Tip Jeeffcoat, 170.
- C—Barry Thompson, 178.
- RG—Robert Huckaby, 180.
- RT—Delbert Shearer, 290.
- RE—Charles Crouch, 185.
- RH—Ray Ferguson, 155.
- LH—Stanley Conner, 130.
- FB—Dejuan Strickland, 175.
- TB—Mac Howard, 156.

Other boys who probably will see action are Eddie Fortenberry, lineman, Kenneth Williams, lineman, Jerry Paul Cooper, lineman, Sid Thomas, lineman, C. B. Smart and Orland Gilbert in the backfield, Coach Kelley said.

Doyle Accepts Portales Church

Rev. L. A. Doyle, pastor of the First Baptist Church of Floydada for the past eight years, has accepted a call from the First Baptist Church at Portales, N. M.

Rev. Doyle will take up his work at Portales this week.

Miss Martel McDonald, daughter of Mr. and Mrs. J. R. McDonald of Lockney, has gone to Amarillo where she will be employed by the Amarillo Hardware Co. She has just completed a business course at Plainview.

Nuptial Vows Said In Formal Ceremony

Saint Alice Church Rectory in Plainview was the scene Sunday afternoon, August 21 for the marriage of Eloise Langley, daughter of Mrs. J. R. Langley of the Liberty community, to Charles Galloway, son of Mr. and Mrs. G. T. Galloway of San Angelo, Texas.

Rev. Wilmer Riechel read the service. Decorations were of white gladiolus.

Attending her sister as maid-of-honor, Miss Bobbie Sue Langley, was attired in a blue marquisette gown. She wore a pink lace hat and a corsage of pink carnations.

Wilbur Galloway, brother of the groom served as best man.

Entering on the arm of her brother, James Langley, the bride wore a gown of white slipper satin styled with a fitted bodice, lace yoke, long sleeves terminating in points at the wrist, with hoop skirt and chapel train. Her circular finger-tip length veil was attached to a beaded coronet halo. She wore a string of pearls and carried a prayer book topped with white carnations and showered with white satin ribbon knotted with lilies-of-the-valley.

Mrs. J. R. Langley, mother of the bride, wore a navy blue crepe dress with navy blue accessories. Her corsage was of pink carnations. Mrs. G. T. Galloway, mother of the groom, wore a corsage of pink carnations.

Immediately following the ceremony Mrs. Langley was hostess at a reception in her home for the bridal party and guests. Reception assistants were Mrs. Bob Covington, Miss Bobbie Sue Langley and Mrs. Roy Crawford. Mrs. Rene Yeary played wedding music at the reception. The bride's table was centered with a three tiered wedding cake topped with a miniature bride and groom, flanked by arrangements of flowers and tall white tapers. The house was decorated with arrangements of gladioli and white carnations.

For the wedding trip to Denver and other points in Colorado and New Mexico the bride chose a navy blue wool suit with navy accessories and white carnation corsage. The couple will be at home in Channing.

Mrs. Galloway is a graduate of Texas A. and M. College. He is the assistant manager of the Matador Land and Cattle company in Channing.

Intermediates Have Hayride and Picnic

A number of intermediates of the First Baptist Church enjoyed a hayride and weiner roast Friday night.

Substituting for the original horse and wagon were the pick-up truck and four-wheeler trailer owned and driven by Hilburn Casey. The ride followed country roads until they reached the roadside park west of town where the thirty-one young people and their four adult sponsors enjoyed a weiner roast climaxed with a watermelon feast. Strong winds striking directly from the Florida hurricane about nine o'clock sent the gay crowd scampering for advantageous places in the trailer for a windy ride home.

Panhandle Farmers Know The Value of LEVEL LAND
• They Make Irrigating Easy — Save Water — Cut Labor Costs — Increase Efficiency of Modern Farm Equipment

with an EVERSMAN AUTOMATIC LAND LEVELER

Here's a machine that makes LAND LEVELING easy. The automatic action of the EVERS-MAN planes off the high places, fills in the low ones as the machine moves along. While automatically leveling it also breaks clods, mulches the soil, forms a firm, well pulverized seed bed.

Makes possible "table top" land for irrigation farmers, saving time, labor and water, eliminating spots that drown out or high places that burn out. The EVERS-MAN, by producing smooth, level fields saves wear and tear on cultivators, combines, mowers and balers, makes harvesting faster, results in better yields and better recovery. Also efficient dirt mover operated from the tractor seat.

Here's a 3-purpose machine for land leveling, dirt moving and seed bed preparation — a machine you'll need year after year. One man and your present tractor operates it.

The EVERS-MAN is inexpensive to buy. Comes in four sizes to fit your tractor power. Come in today and get full details on all EVERS-MAN models.

Mr. and Mrs. Robt. W. Smith and sons, Brian and Howard are visiting in Stockton, California with his sister, Mrs. W. M. Stovall.

Mr. and Mrs. G. E. Patterson and daughter, Mrs. Ray Barr and Laura visited in Haskell and Abilene from Saturday until Monday.

Miss Bonita Glover spent the weekend with Miss Annie Murphy of Lockney.

Mr. and Mrs. Ray Harlan of

Turkey visited Sunday with Mr. and Mrs. M. A. Boone.

Mr. and Mrs. A. C. Nelson went to Quanah Saturday to accompany her mother and father, Mr. and Mrs. Lamb home. They had been visiting here the past week.

Mr. and Mrs. M. A. Boone were in Amarillo Thursday on business.

Mr. and Mrs. A. M. Hanks and Barbara Jo moved back to Sterley this week.

Friends of Elmer Mitchell will be sorry to hear that he passed away August 23 at Modesto, California.

Mr. Mitchell had been in poor health for a number of years and had been confined to his bed for several months before his death.

He was employed as section foreman for the Fort Worth and Denver railroad and lived at Sterley for several years but on account of poor health retired and moved to California three years ago.

We wish to extend our sympathy to Mrs. Mitchell and family in their time of sorrow.

Mrs. O. R. Skaggs and daughter, Lavern, of Petaluma, California came Wednesday for a visit with Mrs. Skaggs' parents, Mr. and Mrs. Jim Harper. Lavern will remain to attend school here.

Born to Mr. and Mrs. Jake Jones, a son named Dickie Lee, at the Plainview Hospital on August 17. He weighed seven pounds, three ounces.

The Lee Pope family returned last week from a trip through the Black Hills of South Dakota.

Launch Campaign Against Smut

Agricultural leaders of Oklahoma and Texas are conducting a concerted drive against stinking smut of wheat by encouraging cleaning and treating of seed before planting this fall.

Inspecting the official poster of the campaign which will be displayed by county agents, grain elevators and others throughout the Winter Wheat Belt are: K. E. Soder, left, Secretary of the Texas-Oklahoma Wheat Improvement Program; Dr. A. M. Schlehuber, center, Agronomist of the Oklahoma Experiment Station; and Fred Dines, Agricultural Service Manager of Burrus Panhandle Elevators at Amarillo, Texas and an operator of several seed cleaning and treating units in the Texas Panhandle.

Benefits of seed treatment, such as better stands and higher yields, usually return farmers ten times or more the cost of treatment—in addition to controlling stinking smut or bunt.

MILLERS ATTEND REHEARSAL OF ORIGINAL APACHE DANCE

While vacationing in the mountains of New Mexico two weeks ago, Mr. and Mrs. W. W. Miller and Vincent Felty, accepted an invitation from an elderly Apache couple, Mr. and Mrs. Dennie Treas, to attend the rehearsal of the original Apache dance which begins its tour of twenty states on September 1 at Albuquerque, New Mexico.

This was very colorful and impressive around the bonfire as Mr. Treas explained quite a lot about painting on their chests and backs being their prayers, saying if white man could understand them all and all the different dances, he could write a Bible. But a lot of the things white men will never know, he said, as they are sacred to the

Indians.

Few Indians are Catholic, Mr. Treas said. Apaches worship God in his own way.

He also explained that most of the celebrations and dances that are put on in New Mexico are made up of different people for entertainment to the public but that this rehearsal and tour will be made up of older Apache Indians as younger ones do not know and understand these rites. However they begin to teach them these religious rites at the age of seven.

Their costumes were made of buck skins, the horned head-gears of yucca and all feathers were from eagles alone. The dye used in coloring these was the only thing that was not original.

A supper of Apache Fry bread, doughnuts and coffee was served but Mrs. Miller said they did not accept the invitation to stay because few white people attend.

They noticed the Greyhound busses paused as long as possible to see the beautiful sights.

After leaving Albuquerque, a few other places included in the tour of the Apaches will be Santa Fe, New Mexico, El Paso, San Antonio and Del Rio in Texas and Denver, Colo., and New York City. The dates will probably be broadcast and in the newspapers.

The purpose of the tour is to raise funds for the completion of their beautiful new Apache church, and gymnasium for the school which is taught by white people, therefore all Apaches speak English. All the Government officials of Mesalero are educated Apaches.

Mr. and Mrs. Miller and Vincent also visited Carlsbad Cavern and Lincoln Court house, famous for its history of Billy the Kid. They also visited in Ruidoso but nothing they saw was as impressive as their visit with the Apache Indians, Mrs. Miller said.

Mr. and Mrs. Lee Young and Miss Faye Price, sister of Mrs. Young visited in the C. D. Kelley home last week.

THERE I WAS, SITTING ON A TELEPHONE WIRE, MINDING MY OWN BUSINESS, WHEN ALL AT ONCE A BLAST FROM A SHOTGUN KNOCKED ME RIGHT OFF MY PERCH.

I CAME OUT PRETTY GOOD—ONLY A FEATHERS MISSING—BUT THE HUNTER HAD ME CLIPPED A COUPLE OF TELEPHONE WIRES. ONE WAS MY FAVORITE ROOSTING PLACE, TOO.

THAT "ROOST" WAS ALSO CARRYING AN IMPORTANT LONG DISTANCE CALL, THAT'S WHY WE ASK HUNTERS: PLEASE DON'T SHOOT AT BIRDS ON TELEPHONE WIRES OR POLES. THANK YOU.

Friday, Aug. 19, the Leaguers of Trinity Lutheran church enjoyed their annual picnic which was held at Roaring Springs. Each one took a picnic lunch. Swimming was enjoyed.

Those attending were Rev. and Mrs. H. L. Anderson and David, Mr. and Mrs. A. Scheele, Linda and David, Mr. and Mrs. L. B. Brandes, Clara Sammann, Mildred, Marie Scheele, Rosalee Matthews, Don McLaughlin, Cecil Boedeker, Robert Matthews, Bobby D. Sammann and two visitors, Warren Mathis and Barbara Nance.

TO WASHINGTON D. C.

Ed Teuton of Lockney and his son, Bill Teuton of Lubbock left Thursday for a trip to Washington, D. C. where they will visit Mr. Teuton's youngest brother. They will also visit at Savannah, Tennessee and Bartmore, Maryland during their twelve day vacation. They expect to return home about Sept. 12.

Mrs. Mary Williams, Van McCAda Wed

Mrs. Mary Williams and Mr. W. V. McCAda were married Saturday afternoon at 5 o'clock at the home of the bride's sister, Mrs. Kelly Webster here. Rev. E. J. Cobb, Baptist minister, performed the ceremony.

The bride wore a royal blue dress with black accessories and a corsage of red roses. For something old she wore a watch belonging to Mrs. Kelly Webster.

Those attending the wedding were Mr. and Mrs. Kelly Webster, Charles Williams, Mr. and Mrs. R. V. Webster and son, Mrs. George Webster and Mrs. T. W. Ward, mother of the bride.

After a wedding trip to Carlsbad, New Mexico the couple are at home in southeast Lockney. Mrs. McCAda is employed at the Floyd County Co-Operative Hospital here as a nurse and Mr. McCAda is an employee of the National Alfalfa Dehydrating and Milling Company.

GO TO CHURCH SUNDAY.

Crawford-Hicks Marriage Vows Are Spoken Tuesday

Tall baskets of white gladioli, carnations and fern interspersed by cathedral candelabra formed the decorative setting for the impressive church ceremony uniting Miss Selma Louise Crawford and Rev. A. Clayton Hicks in marriage. The wedding took place Tuesday evening, August 30 at 8:00 o'clock at the Baptist Church at Dougherty, Texas. Pews were marked with sprays of greenery.

Rev. E. J. Cobb, pastor of the First Baptist Church of Lockney performed the double ring ceremony.

The bride, entering on the arm of her father, was attractive in a floor length white dotted Swiss gown fashioned with a fitted bodice, low neck and puffed sleeves. The skirt was three-tiered with lace incertion between each tier with hoop and bustle effect ending in a short train. The waist length veil had tuberose trimming. She carried a white Bible topped with gardenias.

Royce Dowell sang "I'd Rather Have Jesus" and "Always" accompanied by Jane Wiley at the piano. Miss Wiley also played the traditional wedding processional and recessional with "Love Dreams" as a prelude. "The Voice That Breathed O'er Eden" formed the musical background for the exchange of vows.

The candlelighters were Beth and Cheryl Ann Crawford, cousins of the bride. They wore orchid dotted Swiss floor-length dresses.

The bride's attendants wore dotted Swiss gowns in pastel colors with fitted bodice, low neck, puffed sleeves and gathered skirts. They carried baskets of flowers and fern. Mrs. H. P. Hicks, Jr., of Marlin, Texas, was matron of honor. She wore blue. Bridesmaids, Georgia Fay McCAda of Lockney and Norma Lou Hamilton, Floydada, cousin of the bride wore green and yellow.

Flower girls were Charlene Wright of Paducah and Paula Sue Wright of Amarillo. They are cousins of the bride.

Roy Lynn Sparks of Floydada, also cousin of the bride, was the

ring bearer. Ushers were Ewell Crawford, Jr., Fort Worth, brother of the bride and Wayne White, Strong City, Okla., friend of the groom.

H. P. Hicks, Jr., Marlin, Texas, served his brother as best man.

The bride is a graduate of Lockney High School, Wayland College and Texas Christian University where she received her B. A. degree Sunday night, August 28. She will begin her position as teacher next Tuesday, Sept. 6 at Bloodworth school near Fort Worth. She is the daughter of Rev. and Mrs. E. E. Crawford of Fort Worth who made their home in Lockney several year ago. Mrs. Crawford is a former Lockney teacher.

The bridegroom is the son of Mr. and Mrs. H. P. Hicks, Sr., of Chilton, Texas. He is a graduate of Chilton High School and of Wayland College, Plainview. He will enter Southwestern Baptist Theological Seminary this fall. In addition to his school work at Wayland, Rev. Hicks has been pastor of Dougherty Baptist Church for several years. He received his B. A. degree at Wayland this summer.

For a wedding trip to points in New Mexico the bride chose a black sheer two-piece dress with red accessories. After Saturday they will be at home in Fort Worth.

One hundred seventy-five friends and relatives attended the wedding.

Reception

Mrs. Norman Hamilton of Floydada, aunt of the bride was hostess at a reception at the church for the wedding party and guests immediately following the ceremony.

Wiladean Bradford, Colorado City, Texas and Barbara Marshall, cousins of the bride presided at the bride's table. Wedding cake and punch were served.

NEW ARRIVAL

Mr. and Mrs. Joe Pinner are parents of a baby daughter born, Tuesday, August 30 at the Plainview hospital. The baby is named Beverly Jo and weighed 8 lbs., 1 oz. Grandparents are Mr. and Mrs. Calvin Tomme and Mrs. Vergie Pinner of Lockney.

Nurses Training Begun At Hospital

A course for training student nurses was begun this week at the Floyd County Co-operative Hospital here. Lectures will be heard two nights each week in the course, with Joseph Holt, M. T., lecturing one night a week and Miss Alyce Dawson, R. N., lecturing the other night. Thirteen were in attendance the first night the course was taught.

The hospital now has a vacancy for a student nurse or two, officials said Thursday, and any girl between the ages of 18 and 30 who is interested in this type work should contact J. D. Copeland, business manager or Miss Dawson, supervisor of nurses. The hospital pays a salary, and furnishes uniform and laundry and meals while on duty.

CARD OF THANKS. We thank you very much for your good wishes, flowers and visits at our formal opening. We appreciate everything you have done to welcome us and our new office.

Lawn Party and Weiner Roast Held At Cox Home Sat.

A lawn party and weiner roast was held at the home of Mr. and Mrs. John Cox Saturday night with about seventy-five guests enjoying a large table laden with weiners, marshmallows, potato chips, pickles, tomatoes, cantaloupes, rolls, cookies, ice tea and punch.

Mr. and Mrs. Clark Harris entertained the crowd with moving pictures of their trip to Yellowstone National Park. They were accompanied by their family and Mr. and Mrs. Ike Johnson and family. But I say unto you, Swear not at all; neither by heaven; for it is God's throne; not by the earth; for it is his footstool; neither by Jerusalem; for it is the city of the great King. Neither shalt thou swear by the head, because thou canst not make one hair, white or black. Matthew 5: 4-36.

When this writer came to Lockney more than seven years ago, it was difficult to rent a house but it could be done. Now it is virtually impossible to rent a house here although probably more than 200 houses have been built here since that time. The housing shortage is so acute that the man who has a house for sale told the Editor that he had forty people come to him asking to rent it.

-oOo-

Something should be done to try to alleviate the housing shortage here. Many people are working here and living at other places because they can't find suitable place to live. A man

spends his money in the town he lives in, and not necessarily in the town in which he works. Then too, the federal census is coming up next Spring. Lockney wants to show as good an increase as possible in the census. To do that we need to provide living space here for the people who want to live in Lockney. We need to see that employees and others connected with business, school or church affairs live here.

-oOo-

Providing an apartment in your home if you have room to spare will help some. But we need houses and more houses. People want to live in a house to themselves in most cases and they are willing to pay sufficient rent to do it. What can be done about the housing shortage?

-oOo-

Everyone ought to vote. The courthouse bond election is to be held Saturday of this week and every citizen of this county ought to vote. Let a majority say whether the bonds shall be issued or not. Too many times a minority of the voters determine the issue. Everyone vote Saturday.

-oOo-

The National government is getting more than its share of taxes, causing the states, city and other local governments to search frantically for new sources of revenue. The cost of local government has skyrocketed, just as everything else has. But the Federal government taxes so much and so many things that the other political subdivisions are having a hard time getting enough money together to meet their obligations. According to the U. S. News, the local governments were taking nearly twice as much in taxes as the Federal government in 1940. Now the Federal government takes almost three times as much as all local governments combined.

-oOo-

The nation's economy seems to be heading into the last stages of its current down drift and should turn sharply upward on the second half of this year. This is the consensus of most government economists concerned with the administration business policy, who follow day to day development in the economic picture. The experts base this conclusion on the theory that the downward adjustment would have picked up speed long before this and consumer demand would have fallen off all around if the country were headed into a full fledged depression.

NOT TOO GOOD THE VERY BEST

An appeal to the Texas voter to use the utmost discretion in choosing the new 21-member board of state education has just been sent out by President Joe C. Humphrey (Abilene) of the Texas State Teachers Association.

The elective board replaces the much smaller former body named by the Governor and in turn will select the Commissioner of Education, an office superseding the formerly elective State Superintendent. This under the terms of the collective legislation grouped together as the Gilmer-Aiken laws.

The News felt throughout the course of the Gilmer-Aiken committee deliberations and the legislative debates on its report that the elective board is an error. This because each district must determine by ballot the designation of board members who should have certain qualifications with which the electorate may not be familiar. The committee itself may have thought the policy bad. Certainly some members of it so thought. But the practical fact stood out that the Gilmer-Aiken plan might not have been possible of legislative enactment without this appeal to public selection of the board.

In any event, The News hopes that the voting public will prove its pessimism wrong. To do that, the best must be persuaded to seek the office and the best must be selected. The best will be none too good for the demands on judgment, integrity, character and unselfish public service that can make the State Board of Education the great public servant that it should be.

President Humphrey sees clearly that the tremendous advances in the Texas school system inherent in the constructive Gilmer-Aiken legislation can be blocked or retarded by the choice of an inept or mediocre board. Let's get the best.—Dallas News

GOSH, WHAT A MESS!

There is something funny in everything if you look far and hard enough for it and there certainly was something funny in the recent meeting of the Democratic National committee. The committee, with full approval of President Truman, "read out of the party" several such Democrats as Gov. J. Strom Thurmond, of South Carolina, a first class gentleman whose political "crime" had been committed in opposing Truman policies equally opposed by nearly all Southern Democrats. Then the committee invited "back into the Truman fold" all Southern Democrats who supported Governor Thurmond last November.

In other words, the Tru-Deal wing of the party kicked Governor Thurmond out—then invited those who agreed with him to buddy up to "real Democrats"—like General Vaughn, John Maragon and the "5-percenters"—against whom no member of the ruling clique has yet voiced a word!

Gosh, what a mess! —Lubbock Avalanche

Arnold Johnson of Albuquerque, N. M., visited last week in the home of his parents, Mr. and Mrs. J. B. Johnson here and with his sister, Mrs. W. E. Helms and family at Gasoline.

Time To Plant Fall Garden, Expert Says

College Station.— It is time to begin the fall garden. Recent rains over the state should make it possible to get the garden off to a good start, and you'll want to include in the early planting, Irish potatoes. Before beginning the plowing job, clean off all weeds and grass for if turned under at this season, heat and cause the soil to dry, says John E. Hutchison, associate extension horticulturist of Texas A. & M. College.

If well dried barnyard manure is available, spread it over the garden and plow it under five to six inches deep. It adds plant food and increases the water holding capacity of the soil. Three to five pounds of 5-10-5 fertilizer per 100 feet or row space will also help increase the yield.

Home gardeners may select seed potatoes from the spring crop, says Hutchison. Small potatoes may be planted whole. Larger potatoes should be cut into pieces about half the size of hen eggs. He recommends the Bliss Triumph. The Bliss Triumph (red) reaches maturity in about 70 days. Five to six pounds of seed potatoes will plant 100 feet of row.

Seed potatoes from the spring crop must have a rest period of six weeks from time of harvest to planting time. It is often a good idea to sprout the potatoes before planting and Hutchison says this can be done by spreading them on the ground in a cool shady place, covering them with straw, damp sand, sawdust or old sacks. Keep them moist for several days until sprouting begins, then plant immediately but not in dry soil. If necessary, irrigate a day or two before planting.

The rows should be three feet apart. Drop the seed potatoes about 14 inches apart and cover

three to four inches deep as soon as possible. Exposure to heat and light increases the chances for decay and a poor stand, says Hutchison. After the potatoes are up to a stand, they should be worked every few days. If the plants wilt during the day, it is an indication they need water and should be irrigated. Methodist Notes

(Delayed from last week)
Our church school attendance has been off all summer. May each of us do our best to get it back where it should be. We ought to have 175 in church school every Sunday.

We are all anxious that our children have the best things in life. Some of the best training they can have is the training they get in Sunday school. This training is also good for mother and dad. Bring your children and let the whole family enjoy this Christian training together. Parents, let us live in such a way that we can say to our children, "Follow me, as I follow Christ" for they know whether or not our lives ring true.

Jesus said, "Seek ye first the Kingdom of God and His Righteousness and all these things shall be added unto you."

"One example is worth a thousand arguments."

When we give our children Christian training we are giving them something that can never be taken away from them.

The greatest compliment that can be paid us parents is for our children to say, "Dad is a good man or mother is a good woman." May each of us seek to build this monument to our name for time and eternity.

W. W. Brown Dies At Littlefield

W. W. Brown, a former resident of Lockney, passed away at his home in Littlefield Monday of this week. He had been in ill health for several years.

Mr. Brown came to Lockney in 1927 and was an employee of the Anderson-Clayton oil mill here. He moved to Littlefield in 1936 and retired from work in 1945 because of ill health.

Funeral services were held on Tuesday afternoon at the Presbyterian Church in Littlefield and interment was in the Littlefield cemetery. Pallbearers were George Webster, C. Marvin Keefler, Carl McAdams Jr., Jack Fore, Vic Bullman and P. A. Cowan.

Attending the services from Lockney were Mr. and Mrs. Geo. Webster and Miss Emma Stalbird.

He is survived by his wife and a step-son, W. M. Magrane of Culver City, Calif.

Mr. Brown was born November 28, 1870 at Maquoketa, Iowa. He was married to Mrs. Nellie T. Magrane on October 10, 1898.

Twin sons were born to the couple, one of whom died in infancy. The other Wilburn, died in England on February 3, 1943 while serving his country.

Baccus Motor Enters Safety Contest

"Whitey" Baccus, local Ford dealer has entered his company in the \$100,000 car safety contest sponsored by the Ford Division of the Ford Motor Company, he said this week.

Seven hundred prizes totaling \$100,000 will be awarded winners of the safety contest. The prizes include 25 new Fords including five Ford trucks; 25 \$1,000 U. S. saving bonds, 100 \$100 bonds, 200 \$50 bonds and 350 \$25 bonds.

In order to participate in the contest, Mr. Baccus said, motorists must bring their car or truck, of any make, to the dealership for a safety check at absolutely no cost or obligation to the motorist.

Free checks will be made on the brakes, steering, headlights, rear and stop lights, tires, windshield wipers, muffler, glass, horn and rear view mirror.

An attractive safe driver reflector insignia will be placed on the car or truck inspected and motorists will be given an entry blank to participate in the contest.

The motorist must then complete in no more than 50 additional words the following statement:

"All cars and trucks should be safety-checked periodically because _____"

Other details are available at the Baccus Motor Co.
