## Will Lead Baptist Revival

REV. A. A. BRIAN

SHELBY COLLIER

## Baptist Revival Starts Sunday

A two-week revival meeting  
with services both morning and  
evening will start Sunday at the  
First Baptist Church of Lockney.  
Rev. E. J. Cobb, the pastor, an-  
nounced this week.

Preaching during the series of  
services will be by Rev. A. A. Brian,  
now vice-president of  
Howard Payne College but formerly  
pastor of churches at Brownfield  
and Levelland. Rev. Brian is known  
in this area as a powerful preacher  
and large crowds are expected to  
hear him. He only recently resigned  
his pastorate at Brownfield to ac-  
cept the position with Howard Payne.

Shelby Collier, head of the  
voice department at Wayland  
College and director of the famed  
International Choir of Wayland,  
will lead the song service during  
the meeting. He is a noted musi-  
cian and he has promised to  
bring the International Choir to  
sing at least one time during  
the meeting.

Services will be held at 10:00  
o'clock in the morning and at  
8:00 o'clock each evening. Prayer  
groups will meet at 7:45 each  
evening.

The meeting will continue  
through Sunday, April 2.

## County Council Plans Meeting Sat.

The Floyd County Demonstration  
Council will have its regular  
meeting at 2:30 Saturday after-  
noon, March 18, according to  
an announcement by Mrs. C. L.  
King, Council Chairman. The  
meeting will be held in the  
county court room in Floydada  
in the new building on the east  
side of the square.

The district supervisors of the  
Soil Conservation Service will be  
guests with R. G. Dunlap as  
speaker. Edwin Bush, irrigation  
specialist at A. & M. College will  
show some slide films on irri-  
gation.

The election of delegates to  
the district meeting of the Texas  
Home Demonstration Association  
will also be held. Mrs. Raymond  
Teepie, county T. H. D. A. chair-  
man, will preside at the meeting.

## Floyd Farmers Are Promised Larger Allotments

QUITAQUE—O. C. Payne, Ford  
Johnson, Hayden Boggs and Fred  
Skinner went to College Station  
last Wednesday and Thursday,  
making the trip with W. J. Rice  
in his car, to appear in a hearing  
before the State PMA requesting  
transfer from Floyd County  
PMA district to Briscoe county.  
The request was in protest of  
the cotton acreage allotment and  
other reasons were given by the  
farmers from the northeast sec-  
tion of Floyd county for the re-  
quest of the transfer.

The appeal was not granted at  
this time but the farmers were  
assured of increased cotton allot-  
ments for another year.

Morris Wilson, vice chairman  
of the Briscoe county PMA, and  
James Lumpkin of Silverton,  
county administrative officer,  
also made the trip at the hear-  
ing.

## Auto License Tags Are Available Here

The Beacon has been asked to  
again announce that automobile  
and truck license tags may be  
purchased in Lockney. Frank  
Dodson is maintaining an office  
at the Lockney Auto Company  
here and will sell auto tags to  
any resident of the county.

New tags must be on vehicles  
by April 1.

## P-TA 3-Act Comedy Tonight

The Lockney Parent-Teacher  
Association's 3-act comedy will  
be presented tonight (Friday) at  
the city auditorium. The curtain  
will go up at 7:30. Title of the  
farce is "Her Emergency Hus-  
band."

The play tells the story of a  
couple who fall out and turn  
their home over to friends. The  
many entanglements which re-  
sult will keep the audience in  
laughter during the entire play.  
Bob Miller, as the negro cook  
and the mother of nine children,  
leads the comedy roles.

Admission of 25c for children  
and 50c for adults will be charged  
with the proceeds going to  
help pay for remodeling of the  
auditorium stage. Remodeling of  
the stage has been completed  
and new curtains and scenery  
are expected to be put up very  
soon.

Cast of characters for the play  
is as follows:

Nicholas Napoleon Nutt, or  
"Nicky," a newlywed—F. L. Mon-  
tandon.

furniture and hardware mer-  
chant of Floydada, who died at  
his home here at 5:30 a. m. Sun-  
day, were held at 3 p. m. Monday  
in the Wall Street Church of  
Christ.

## What's Your Guess As To Lockney's Present Population?

What would you guess as  
to the present population of  
Lockney? The census will be  
taken during the month of  
April and there is much  
speculation as to the popula-  
tion here. That Lockney has  
grown tremendously is a  
well known fact but how  
much is a matter on which  
there is wide disagreement.

The Beacon will give a  
prize of \$10 to the person  
who can guess closest to the  
population of Lockney as  
shown by the census to be  
taken in April. There will be  
no charge for entering the  
guessing contest, anyone  
may enter one guess and all  
guesses must be in by April  
1, when the enumerators  
start work.

Results of the census will  
not be known until about  
May 15 probably. When the  
final count is announced the  
prize will be given.

If you want to enter the  
contest just write your guess  
on a piece of paper, sign  
your name and mailing ad-  
dress and mail it to The  
Lockney Beacon. We will not  
accept any entries over the  
telephone. The answer must  
be written out on paper with  
your name and address. Re-  
member each person is al-  
lowed only one guess so  
make it a good one. April  
1 is the deadline for enter-  
ing.

## Plans Made For Early Clean-Up

At the meeting of the local  
steering committee last Friday  
night plans were made for an  
early clean-up campaign in  
Lockney. Purpose of the early  
start this year is to prevent flies  
from breeding and in other ways  
to get the city clean and keep  
it clean. Chairman Joe Holt said.

March 28 has been set as the  
tentative date for the first clean-  
up day. Mr. Holt said that stores  
would probably be asked to close  
a part of the afternoon and that  
an effort would be made to en-  
list the entire citizenship in the  
clean up campaign.

Another meeting of the steer-  
ing committee has been set for  
tonight (Friday) at which a  
larger representation is expect-  
ed. Also members from all civic  
organizations of the town are in-  
vited. More detailed plans con-  
cerning the campaign for the  
summer will be worked out. Mr.  
Holt said.

## Six Register For Selective Service From Floyd County

Six men who were eighteen  
years of age in February were  
registered from Floyd County last  
month, according to the Selective  
Service Board No. 45.

Helms, Rt. 1, Floydada; Loy Lee  
Trice, Rt. 1, Floydada.

## William Teuton Receives Praise As Honor Student

William Teuton, son of Mr.  
and Mrs. Ed Teuton of Lockney,  
received special praise as a stu-  
dent in a letter received by Sid-  
ney Reeves, superintendent of  
Lockney schools, from W. P.  
Clement, Registrar at Texas  
Technological College.

Teuton was one of only forty-  
one students of the entire student  
body of nearly six thousand  
members at Tech that made a  
straight A record the last fall  
semester, according to Clement.

The letter also stated that Teu-  
ton's record spoke well of the  
training and preparation he re-  
ceived in high school, Superin-  
tendent Reeves said.

## Junior Livestock Show Saturday

The Lockney Junior Livestock  
Show will be held Saturday of  
this week. The annual event is  
sponsored by the Lockney Rotary  
Club and exhibit animals be-  
longing to FFA members and 4-H  
club members in northern and  
western Floyd County.

General Superintendent of the  
show will be J. D. Wood and the  
show will be held in the build-  
ings of the National Alfalfa  
Milling & Products Co.

In the fat lamb class, breed-  
ing gilts class, fat barrows or  
gilt classes each are offered a  
first prize of \$4 with a second of  
\$3 and others receiving \$1.

Grand champion barrow gets  
an additional \$4 and reserve  
champion barrow \$2.

In the fat steer classes, first  
prize gets \$10, second \$7.50, third  
\$5 and all others \$2. The grand  
champion steer gets an additional  
\$10 with reserve champion get-  
ting an additional \$5.

General rules of the show fol-  
lows:

1. All FFA boys who attend  
school in Lockney and all 4-H  
club boys and girls 9 years of  
age and over, who attend school  
in Lockney, South Plains, Lone  
Star, Cedar Hill, Providence, or  
Liberty communities are eligible  
to make entries.

2. Each exhibitor will be lim-  
ited to two entries in each class.

3. All animals must be in  
place by 11:00 a. m. Judging will  
begin at 1:00 p. m.

4. Lambs must still have their  
lamb teeth.

5. Hogs in the fat classes and  
breeding classes must weigh at  
least 160 lbs. Barrows and open  
gilts may be shown in the fat  
classes, but the same animal  
cannot be shown in the fat and  
breeding classes.

6. Both 1st and 2nd places in  
the light and heavy steers and  
barrows will compete for Grand  
Champion and Reserve Cham-  
pion.

7. Animals exhibited may  
have been fed in any manner  
suitable to the individual.

8. Animals may be weighed  
at National Alfalfa Mill before  
entering. These weights will be  
used in determining the classes.  
Weights dividing the classes may  
be changed to fit the show.

10. The decision of the judge  
shall be final.

## W. M. Collins Buried Wed.

William M. Collins, a former  
resident of Lockney, died Tues-  
day afternoon in an Amarillo  
hospital. He had been seriously  
ill for about two weeks but had  
been in ill health for several  
months.

Funeral services for Mr. Collins  
were held at the Blackburn-  
Shaw Funeral Home in Amarillo  
Wednesday morning at 10:30  
conducted by H. L. Gibson of the  
West Amarillo Church of Christ.

Graveside services were held  
in the Lockney Cemetery Wed-  
nesday at 1:30 and burial was in  
the Lockney Cemetery. Clyde C.  
Sloan was in charge of the local  
services.

Survivors include his wife, Mrs.  
Trecy Collins of Amarillo, three  
sons, Marsh, Jeff and Jo Si, all  
of Amarillo; three daughters,  
Mrs. W. R. Darnell of Lockney,  
Mrs. Arthur Cox and Mrs. Anna  
Mae Gilbert of Amarillo, seven  
grandchildren and one great-  
grandchild.

Mr. Collins was 74 years of  
age. He and his family came to  
Lockney about 1912 and he lived  
here until about 1930 when the  
family moved to Amarillo. He  
was a farmer at one time but  
later operated a service station  
here and was connected with a  
local automobile firm.

## ATTEND CONVENTION

Mr. and Mrs. Delbur C. Rose  
attended a preacher's convention  
at Cisco, Texas, last week. Dr.  
V. I. Vanderpool, general super-  
intendent of the Church of the  
Nazarene was special speaker.

## Special Meeting of Business Men This Afternoon

A special meeting of business  
men and women of Lockney has  
been called for this (Friday) af-  
ternoon at 3 o'clock at the Plains  
Theatre. Joe Parrish announced  
this week.

There are two or three very  
important matters that must be  
decided upon and Mr. Parrish is  
urging that every business man  
and women be present if possi-  
ble.

## Trustee Election Set For April 1

Trustee elections in Floyd  
County will be held on Saturday,  
April 1. Voters will select trustees  
in the individual districts as  
well as three members of the  
county board.

In the Lockney district a com-  
mittee composed of T. B. Mitch-  
ell, E. R. Harris and N. O. Wright  
have filed the names of M. W.  
Wiley, Leslie Ferguson and  
Frank Brown to go on the ballot  
in the Lockney Rural High  
School district. The terms of  
Leslie Ferguson, O. H. Huckaby  
and R. W. Smith expire this  
year.

The committee selected Mr.  
Wiley to represent the original  
Lockney district. Mr. Ferguson  
for Sterley district and Mr. Brown  
for the Ramsey district.

Other names may be filed with  
Supt. Sidney Reeves if there are  
others who wish to file a name  
for a place on the board, it was  
said.

Voting here will be at the  
Lockney High School.

## County Board Election

On the county school board,  
the terms of Bill Beedy in Pre-  
cinct 3, Earl Edwards in Precinct  
4 and R. M. Battey, trustee-at-

## Tragedy Takes Lives of Both Parents Saturday

A tragedy that took the lives  
of both parents of two small chil-  
dren occurred early last Saturday  
morning when Mrs. Edwin C.  
Stinebaugh was killed and her  
husband fatally injured in an  
automobile wreck near Carlsbad,  
N. M. They lived at Petersburg.

The accident occurred as the  
couple were returning home from  
El Paso where they had attended  
funeral services for an uncle of  
Mr. Stinebaugh. Mr. Stinebaugh  
was asleep in the back seat of  
the car and Mrs. Stinebaugh was  
driving when she apparently  
went to sleep. The car left the  
highway and ran into a large  
boulder. The couple lay in the  
car from about 1 a. m. until 4  
a. m. when Mr. Stinebaugh man-  
aged to attract the attention of  
a passing motorist.

Mr. Stinebaugh lived until late  
Sunday afternoon when he pass-  
ed away in a Carlsbad hospital.  
They leave two small children,  
Frances, age 12 and Stewart, age  
6. The two children had been  
left with neighbors while their  
parents were gone.

Funeral services for Mrs. Stine-  
baugh were held at the First  
Baptist Church in Lakeview Mon-  
day morning at 10:30 conducted  
by Rev. Guy Killiam and Rev.  
O. C. Evans. The body was then  
carried to Petersburg where it  
lay in state during the fun-  
eral services for her husband at  
the Petersburg Methodist church  
Tuesday afternoon.

Rev. N. S. Daniel of Lockney,  
Rev. Todd and Rev. H. G. Verner  
of Petersburg conducted the ser-  
vices for Mr. Stinebaugh. Mason-  
ic services were held at the  
grave site. Both were buried in  
the Petersburg cemetery. Carter  
Funeral home of Lockney was in  
charge of arrangements.

Survivors of Mr. Stinebaugh,  
other than his children, are his  
mother, Mrs. Lura Stinebaugh  
of Lockney, his father, L. B.  
Stinebaugh of Big Spring, a sis-  
ter, Mrs. Dorsey Baker of Lock-  
ney.

Mrs. Stinebaugh is survived by  
her children, her parents, Mr.  
and Mrs. Tom Stewart of Mem-  
phis, one sister and two brothers.

Mr. Stinebaugh was born at  
Lakeview in Hall County and the  
family moved to Lockney when  
he was about 4 years of age.

He attended school here, moving  
away when he was about 18  
years of age. He was a member  
of the Methodist Church and the  
Masonic lodge. The couple lived  
on a farm near Petersburg and  
he had been working as a car-  
penter in Lubbock. Mr. Stine-  
baugh was 38 years of age and  
his wife 35.

## Hugh Daniel Named Pastor at Clyde

lege, Abilene, has been appoint-  
ed pastor of the Clyde circuit, it  
was announced recently.

## KEITH JACKSON ILL

Keith Jackson, nine-year-old  
son of Mr. and Mrs. Dwight Jack-  
son of Lockney underwent an  
emergency operation in the Lub-  
bock Memorial Hospital Wednes-  
day afternoon. He had been very  
ill. Reports here Thursday were  
that he is doing as well as could  
be expected and that his condi-  
tion was satisfactory.

# ANNOUNCING THE Baker FlashOtrac System

PATENT APPLIED FOR

**Invented - Developed - Perfected BY G. R. BAKER**

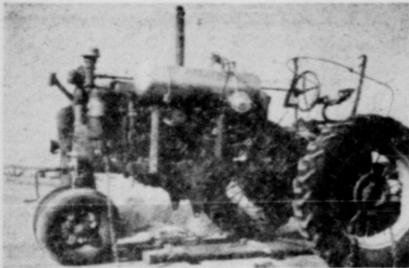

The FlashOtrac System

can be installed on any and all makes of Tractors.

### 5 Different Tanks

(3 upright—2 horizontal)

Affords proper type tank and size for any size or make of tractor.

### INVESTIGATION COSTS NOTHING

Why not you in your own way carefully investigate the Baker FlashOtrac System? Make an early visit to our store . . . through our shops. See and learn first hand facts—Don't wait—Come on now.

### Better Prepare Now

for lower farm product prices—cut your costs now and be ready when you will be forced to take low prices for what you sell.

The FlashOtrac System is the best L. P. Gas system on the market. For the past year G. R. Baker has devoted a great amount of time and spent a lot of money developing, experimenting, perfecting this system. A great number of severe tests on many makes of tractors have been made—Results of every test highly satisfactory.

Every FlashOtrac system has been sold with a money back guarantee—dozens are now in use—each and every farmer highly pleased. Not a one of them would even consider taking his money back. A number of farmers have 2 and several have 3 tractors equipped with the FlashOtrac System.

## The FlashOtrac System

1. Is low in first cost.
2. Safer than gasoline.
3. Cuts oil costs 50% or more.
4. Cuts fuel costs 50% or more.
5. Doubles life of your tractor.
6. Does not dilute your oil.
7. Does not carbon up your valves or rings.
8. Has smooth power—no knocks or ping.
9. Develops more power.
10. Safe, quick, easy to fill fuel tank.
11. Thieves cannot steal L. P. Gas and put it in their car.
12. Easy to switch back to gasoline if and when Butane tank runs empty.
13. Fuel tank does not obstruct view.
14. Starts easy but can be switched to gasoline for starting.
15. Only clean vapor reaches carburetor and motor, no impurities, no sludge, no carbon deposit.
16. Easy to remove (if tractor is sold.) Easy to install on another tractor.

## SOLD WITH A MONEY BACK GUARANTEE

Status 'Overplanting' Wheat Farmers Is Explained

In order to clarify the status of the farmer who has "unknowingly" overplanted his 1950 wheat acreage allotment, the following material was released from the PMA office.

Ray S. McEntire, administrative officer of PMA, said, "If the 1950 wheat acreage planted on any farm after notification of the 1950 wheat allotment for the farm exceeds the allotment, it will be considered as having been "knowingly" overplanted unless the producer planting the wheat can establish to the satisfaction of the county and state committees that the 1950 wheat acreage allotment was "unknowingly" overplanted. If it appears that a producer who overplants made no effort, by measuring or otherwise, to plant within the allotment, he will be considered to have knowingly overplanted.

"Any producer who has an interest in a 1950 wheat crop on a farm upon which the wheat acreage exceeds the allotment may present the facts to the county committee."

McEntire further stated, "Producers who are overplanted should not destroy any wheat. This action of plowing up the wheat will not alter the acreage of wheat planted on any farm due to the fact that wheat seeded is considered wheat regardless of the disposition."

Producers who have received notices that they are overplanted

should contact the county office. No person should assume that he is not eligible for price support on the 1950 wheat crop until he has checked with the county office, filed his facts, and has

received a definite decision from the county committee stating that he is ineligible for the support.

## Bond-Tucker Vows Read

Miss Rogene Bond, daughter of Mr. and Mrs. T. L. Bond of Plainview, and Troy Tucker, son of Mr. and Mrs. Sam Moore of Lockney, were united in marriage Sunday afternoon, March 5 at 4:15 in the home of the bride's parents. The Rev. Roy Scott of Wayland College officiated in the single ring ceremony.

Given in marriage by her father, the bride chose for her wedding a street length dress of white tissue faille. Her fingertip veil and gloves were of white nylon lace. She wore white accessories and carried a white Bible topped with a bouquet of pink carnations and streamers of white satin ribbon.

Attending the bride as matron of honor was Mrs. Frank Horn of Snyder, sister of the groom. She was attired in a dress of beige taffeta complemented with white accessories. Frank Horn of Snyder, brother-in-law of the groom, was best man.

The bride's mother wore a gray dress with black accessories and a corsage of pink carnations. The groom's mother was dressed in a blue ensemble and chose navy accessories. Her corsage was of pink carnations.

A reception was held immediately following the ceremony.

Mrs. Tucker is a mid-term graduate of Plainview High School and the groom attended Lockney schools.

After a short wedding trip the couple will be at home on a farm south of Aiken.

Soil Conservation News

The board of supervisors of the Floyd County Soil Conservation District met in regular session March 7th with the following members attending: W. H. Nelson, Bert Bobbitt, Cecil Purcell and R. G. Dunlap. Others attending were County Agent Bob Gibson, Miss Leila Petty, home demonstration agent; Bob Crowell, manager of Chamber of Commerce; Henry Barber, vocational agriculture teacher and Dr. John Kimble, president of Jaycees.

Mr. Gibson is holding meetings in Lockney, Lone Star and Floydada to discuss legumes and their benefits, comparing the advantages of legumes with other methods of soil building as a result of the board discussing the need for this type of information.

Miss Petty reported to the board that she had discussed the possibility of the board of supervisors and the Home Demonstration Council holding a combined meeting in an effort to obtain engineering assistance for the club members working with yard and garden projects. The council wishes to cooperate with the district and invited members of the board to attend their meeting on March 18. Mr. Dunlap will give a talk on the type of assistance that will be available.

The annual field day sponsored by the district, in cooperation with various organizations and individuals, will be held May 4. Definite plans for this event will be announced at a later date. A window display will also be held for FFA and Homemaking students and 4-H club members. The routing and publicity committee was appointed as follows: Bob Gibson, chairman; Ralph R. Cogdell, Ray S. McEntire, F. L. Montandon and Henry Barber. The Floydada Lions Club has consented to obtain the principal speaker for the day.

The board approved applications for assistance from the following farmers: W. A. and W. W. Blair, Ralph J. Thayer, H. G. Watts, Isaac Smith, J. R. Robertson, Bill Norman, W. B. Mullins and R. H. Ford. Agreements between the district and the following farmers were approved: J. W. Kimbell, Neomia Smith, H. E. Payne, C. T. Morrison, Jr., W. H. Griffin, J. T. Hopper, G. C. Applewhite, Floyd Garrett, Kenneth Moody and D. R. Meek.

Several cooperators with the Floyd County Soil Conservation District are purchasing Hubam clover seed and a few have planted it. Green bug damage has been severe on some irrigated wheat. This area could be planted to Hubam and a cash crop of seed harvested in late August. The land could then be returned to wheat next fall. This crop would, in addition to being a cash crop, add nitrogen and organic matter and is a good chisler of soil.

For now have I chosen and sanctified this house that my name may be there forever; and mine eyes and mine heart shall be there perpetually.—Second Chronicles 7:16.

The Navy has developed a powerful aircraft rocket which has been nicknamed the "Mighty Mouse." It has a greater range and speed than any rocket used during the war.

According to FBI Chief Edgar Hoover, a major crime occurs in this country every 18.9 seconds. There is a murder every 38.8 minutes, a car theft every 2.85 minutes. Too many young people, Mr. Hoover says, have developed false ideas of law and order. Too many lack sufficient character training and parental example. Through indifference and neglect, Mr. Hoover continues, we are paving the way for a bumper crop of adult criminals in the future. This is a challenge that must be met by every American—a challenge which must

be faced in every village, town and city throughout the nation, if we are to assure the continuance of peace and security in our country.

According to Albert Einstein, it will be possible, if the hydrogen bomb is developed to destroy all life up the earth by radioactive poisoning of the earth's atmosphere. In view of the discovery of the hydrogen bomb, Einstein says the arms race between this country and Russia is disastrous and called for the most vigorous peace moves.

The quick settlement of the coal strike after the government really entered the picture came as a surprise to the experts. Most of them confidentially believed that the government would have to seize the mines. Lewis secured for his miners an increase of 70 cents a day in the basic pay, bringing it to \$14.75. Lewis had asked for a 95 cent increase. He also received a 10-cent per ton increase in the royalty payments for miner's welfare, bringing these payments to 30 cents a ton. Lewis had asked for 15 cents increase in royalty. Since the American miners produce from 40 to 50 millions tons of coal a month the welfare payment or royalty will produce from 12 to 15 million dollars a month.

The nation pays a tribute to the lawless element of the land, racketeers, criminals and thugs each year amounts to more than it costs to maintain all the educational institutions of the nation. During the next twenty years it is established that more Americans will be murdered by this element than lost their lives in the second World War. To combat this, a nation-wide campaign extending to every city and small town in the nation is being prepared. Congress has been asked to prepare a set of laws that will make operation of the big time racketeers more difficult by providing laws which will give law enforcement agencies means for their control of the operations of the big time racketeers. The leaders of the big rackets are known in the communities in which they operate but under the present laws there is no way of successfully pinning specific crimes upon them. In addition to the special committee set up to combat rackets 14 leading metropolitan newspapers of the country have joined in a campaign to expose the facts about organized crime.

#### THE INCOME TAX

About the time a man thinks he's cured of swearing, it's income tax paying time again. That's a forceful way of saying that March 15 is just around your next deduction. We have a suspicion that the folks who make a living making out income tax returns know enough grim secrets to get them barred from all their best clubs. One guy believes he can tell how much money a man makes just by asking him what his incomes should be exempt from taxation, and another opines that there's no justice because if you make out your return correctly you go to the poorhouse, and if you don't, you go to jail. Which reminds us of a blast unleashed by the Washington Post about these instructions that come with the official blanks: "The surtax on any amount of surtax net income not shown which is less than the income, the surtax upon the excess over the amount at the rate indicated in the table." With each set of

instructions the Post requested a slide rule, a prayer book and an ouija board.—Ralls Banner.

#### DON'T PRACTICE WHAT THEY PREACH

One of the most glaring inconsistencies of those who rant most about racial discrimination is that they do not themselves practice what they preach. Do those vain butterflies of society, many of whom are continually denouncing Southern people for their "jim crow" laws, ever invite Japanese or Chinese, or Negroes into their drawing-rooms? No, never—at least not unless said Jap or Chinaman or Negro has distinguished himself or herself in some way. Does the President himself practice racial equality? Most of this hue and cry against segregation of the Negroes in our residential sections in public parks and seaside resorts, on trains and buses, in schools and colleges and elsewhere is just "politics pure and simple." A lot of folks are playing the hypocrite just to get the Negro vote. While we know that this is true, we do insist that ample educational facilities should be furnished the Negroes in our own state and our own town and that we should never

**4-H Girls Learn to Sew and Save In Clothing Project**

With one eye on spring and the other on their pocketbooks, Texas 4-H club girls are off to a good start in the 1950 National 4-H Clothing Achievement program. Last year more than 7,500 girls throughout the state took part in the activity.

Interest in the program is always keen because every young lady—whether she's 10 or 20—likes pretty clothes. Local club leaders and Extension agents teach the girls to select attractive patterns, buy good fabrics, and plan a practical wardrobe. Hats, bags and other accessories are designed, too, at a considerable savings.

Evidence that 4-H'ers do acquire a working knowledge and skill in dressmaking is the fact that in 1949 more than two million garments were made by some 591,000 club members. Another important phase of the clothing program is learning how to remodel out-of-date dresses and coats. Many daughters stretch the family budget by making over apparel for younger brothers and sisters.

In addition to these accomplishments, members have a chance to earn recognition for outstanding achievements in clothing work. The Spool Cotton Company, sponsor of the program, provides scholarship awards of \$300 each to the 12 top ranking girls in the nation; an all-expense trip to the National 4-H Club Congress in Chicago for State champion; and gold medals for county winners. ### Silage-Fed Lambs Gain Most at Tech

LUBBOCK — Sorghum silage-fed lambs outgained lambs fed a straight alfalfa ration during the first 56 days of a 75-day dry lot feeding research project now in progress at Texas Technological college.

Prof Ray C. Mowery, head of the animal husbandry department, said concentrates in the project consist of cottonseed and milo. Roughages are varied to determine the most effective type for dry feeding. Alfalfa hay, red top sorghum silage, red top sorghum bundles, African millet bundles and hegeria bundles provide the roughage.

Lambs fed on silage showed an average daily gain of .36 pounds per head, compared with .33 pounds per head for alfalfa, .31 pounds per head for sorghum bundles, .29 pounds per head for African millet and .27 pounds for hegeria. Professor Mowery said the cost per 100 pounds gained ranged from \$13.30 for silage to \$16.59 for hegeria.

The research project will be concluded March 17 and the animals will be available for observation at the quarterly meeting of the Texas Sheep and Goat Raisers association in Lubbock March 18.

Harry E. Blenden, Lubbock graduate student, is in charge of the research.

### Weed Control Meet At Amarillo

AMARILLO—The third annual Weed Control conference, sponsored by the Texas Weed Control Association, has been scheduled for April 20 at the Municipal Auditorium in Amarillo, Art Bralley, Potter County Agent and Association chairman has announced.

The one-day meeting will consist of an educational program and exhibits by various firms of equipment and supplies for the eradication and control of noxious weeds, Bralley pointed out. Knox Parr, district agent and chairman of the program committee, is completing arrangements for the program on April 20. "We will have a worthwhile and informative meeting which should be of interest to a large number of land owners and farmers in the entire area," he declared.

Scheduled to appear on the program are C. E. Fisher of the Spur Experiment Station; Dave Savage, Woodward, Okla. Experiment Station; Dale Carter, Field Supervisor PMA; and Roger Hamilton, Amarillo Experiment Station. There will be a round table discussion by eight county agents on brush and weed control as carried out in the various counties. Parr added that the complete program will be announced within about two weeks.

J. B. "Uncle Jay" Linn with radio station KGNC in Amarillo will be in charge of the musical portion of the program.

### COTTON MANUFACTURING

AUSTIN — Cotton consumption in Texas rose 5 per cent from December to 12,286 running bales in January 1950, reports from the Bureau of the Census to the University of Texas Bureau of Business Research showed.

Cotton consumption in January 1950 fell 3 per cent as compared with January of last year.

**Water Code Meet  
Amarillo Mar. 20**

Senator Rogers Kelley, chairman of the Texas Water Code Committee created by the 51st Legislature for the purpose of studying a study of the Water Code of Texas, announced in a radio address today that Hon. John D. Hill, Dallas attorney and secretary of the committee, would make a radio address explaining the work of this legislative committee over KRLD, of Dallas, between 8:30 and 9:45 a. m. the morning of Saturday, March 11th. The address will be broadcast by transcription over station KRVG, Weslaco, between 9:30 and 9:45 a. m. Sunday morning, March 19th.

This radio program is sponsored by the H. Row Company, of Lubbock, Texas, which has done this time for the use of the committee as a public service and Hon. Sid L. Hardin, of Lubbock, the regular broadcaster.

Senator Kelley stated that the committee was deeply indebted to the H. Row Company and to Mr. Hardin for the donation of this radio time to the committee in the interest of the public.

It was also announced that the committee would hold its next regional meetings in Amarillo at the Herring Hotel on Monday, March 20th, in Wichita Falls at the Texas Electric Auditorium on March 21 and in Stamford at the Country Club on March 22nd. All hearings will convene at 9:00 a. m. and continue throughout the day. All persons and organizations interested in the administration and revision of the Water Laws of Texas are urged to attend these hearings and to submit their views on the subject. Based upon the information obtained at these and similar hearings, the committee will submit recommendations for the revision of the Water Laws at the regular session of the Legislature next January.

Mr. and Mrs. Charles Steen moved this week to a place west of Hope, N. M. Their daughter, Monita, a member of the local girls basketball team, will finish the school term here.

Richard Patterson and Kelton Shaw attended the annual meeting of the Texas Certified Seed Grower's Association held this year at Texas Tech in Lubbock last Saturday.

Mr. and Mrs. Pat Woodburn of Van, who are here visiting his mother, Mrs. Estes Woodburn, visited in Littlefield Tuesday, March 7, with Mr. and Mrs. Jimmy Sams. Mrs. J. M. Floyd accompanied them to Olton where she visited her daughter, Mrs. Gilbert Roberson and family.

**1950 MAID OF COTTON**

Nineteen-year-old Elizabeth McGee, of Spartanburg, S. C., a charming hazel-eyed Southern belle, is the 1950 Maid of Cotton. The pretty brunette Maid was selected from a group of several hundred Cotton Belt beauties to make a 10,000 mile tour as King Cotton's fashion and goodwill ambassador. Beginning at Miami Feb. 6, her cotton travels will carry her to 35 major U. S. cities and to England and France before the tour concludes in June.

Week end guests of Mr. and Mrs. Ernest Spradlin and Ernestine included Mr. and Mrs. Buddy Spradlin, Mrs. Jack Bench and daughters, and Lloyd Williams, all of Dallas; Mr. and Mrs. Lon Williams and Ray of Lockney; Mr. and Mrs. Claude Howard and children of Sundown; Mr. and Mrs. Bill Ballard and family and Veona Rae Watson of Lockney.

Construction on the chapel also is slated to begin within the next 10 days.

**Allergy Sufferers  
Promised Relief**

GALVESTON.—Respiratory allergy sufferers—those who battle hay fever, asthma, and hives—will be aided by a research discovery of University of Texas scientists.

The process, allowing physicians and researchers to watch actual allergic reactions on living human tissue, was developed by Drs. J. M. Rose and C. M. Pomeroy.

"The technique may be used to find what causes a person's allergy by testing his sensitivity to possible irritants, and to find new allergy-stopping drugs," Dr. Chauncey Leake, University Medical Branch vice-president, said. In testing a sufferer, minute pieces of tissue are clipped from his nose with little discomfort. They are kept alive in a chick embryo fluid culture.

Scientists introduce a possible irritant in the culture and use a special-phase microscope to watch for an allergic reaction. If the tissue swells and stops living on the culture, the cause of the patient's discomfort is found.

New drug cures may be discovered by checking their effectiveness in stopping allergic reactions started on tissue samples.

**Cerebral Palsy  
Clinic Scheduled**

The Cerebral Palsy Treatment Center will hold a clinic for the examination of cerebral palsied children on Monday, March 20, Dr. C. B. Sadler, Amarillo; Dr. E. T. Driscoll, Plainview and Dr. R. Q. Lewis, Lubbock will examine patients.

The clinic will be the first held in the Treatment Center's new

\$42,500 building located at 3502 Ave. N. The new building provides facilities for physical therapy, occupational therapy and speech therapy. To date 244 cases have been registered at the Center for care.

Parents interested in bringing children to the clinic on March 20 are requested to register their child at the Center some time before the clinic date. Further information may be obtained by contacting Dr. Esther Snell, Director of the Treatment Center, 3502 Avenue N or calling Lubbock 6541.

**Princeton Professor  
Chosen for Lectures**

LUBBOCK.—Dr. E. G. Homrighauson, professor of Christian Education at the Princeton Theological Seminary, Princeton, N. J., will deliver the annual Willson lectures at Texas Technological college March 13-16, Pres. D. M. Wiggins has announced.

Dr. Homrighauson has been professor at Princeton since 1938. He served as a minister for 13 years and has been on several world religious conference boards, including the 1948 conference on evangelism at Geneva, Switzerland.

The Willson lectures are sponsored by J. M. Willson, Floydada business man, and his family through an endowment presented the college in 1946. Last year the lecturer was Dr. Louis Hadley Evans, minister of the First Presbyterian Church of Hollywood, Calif.

**Wayland's New Hall  
Construction Begins**

PLAINVIEW.—Construction for the new dining hall, the Colonel C. C. Slaughter Memorial Center, will begin at Wayland College this week.

The building will be ready for use for the fall term of 1950 unless there is a delay in getting steel. The excavations for the basement are already completed.

Creed Hancock of Plainview is chairman of the building committee. Others on this committee are W. B. Davenport, E. M. Osborne, and Burton Craig, all of Plainview. Dr. A. Hope Owen, pastor of the First Baptist Church of Plainview, is also on the committee.

Emmett F. Rittenberry of Amarillo is the architect. The dining room, 100 by 125 feet, will seat 350 at regular tables, 450 banquet style, and can serve 1500 to 1700 an hour cafeteria style.

The kitchen, 45 by 47 feet, includes all the necessary facilities plus cold storage for meat, cooler storage for fresh vegetables and fruit, and an elevator to the basement.

Made of cream brick, the building also has a porch and large lounge. Earl Perkins of Plainview is the contractor.

The building was given to Wayland by Mrs. George T. Veal of Dallas in honor of her father, Colonel C. C. Slaughter.

Mr. and Mrs. Lon Williams and their sons, Ray and Jack, are moving to Dallas soon. They

have been living here and farming for Melvin Potts the past three years.

### Tech Students Will Study Dust Storms

LUBBOCK — Nobody in the South Plains is going to be accused of perverting the facts. Dust storms do exist. But a research project at Texas Techno-

logical college is aimed at the discovery of useful information through study of dust storms and their intensity.

Burl Cox, Lubbock graduate, has begun a sedimentation study in the department of geology that will deal exclusively with dust and sand storms. Cox plans to collect sediment carried by the wind at different levels (from the ground to around 100 feet above the surface). He hopes to relate the collected particles to wind velocity and direction, and perhaps to learn more about the technical conditions which bring about the "dusters."

William C. Irvin, instructor in biology, will make culture studies of the air-borne particles as a sidelight of the research. Culture slides also will be used at the different levels and will be studied under a microscope for biological information that may be connected with the dust storms.

GO TO CHURCH SUNDAY.

### Red Cross Drive Making Progress

Although slowed by illness in many communities the Floyd County Red Cross drive was making progress this week according to a report from Edward Wester of Floydada, county drive chairman.

In Lockney Frank Perkins, local chairman said that G. M. Brunnier would work the industrial section of town while members of the B&PW club under Clara Copeland would work the business district. Others who wish to make contributions may leave them at Mr. Perkins' office. The local drive will not be made until the latter part of the month, it was said.

Reports from several communities for the Red Cross fund through Saturday, March 11 are as follows:

Antelope, Bill Smith, complete, \$38.50.

Cedar Hill, Clarence Ginn, complete, \$33.00.

Dougherty, Mrs. Ray Crawford, complete, \$66.50.

Lone Star, Howard Watkins, incomplete, \$48.10.

Lakeview, Milton Harrison, complete, \$22.50.

Pleasant Valley, Mrs. Roy Wilks, Mrs. A. M. Dorsey, complete, \$25.85.

McCoy, Leonard Smith, complete, \$50.00.

N. Floydada, Mrs. Allen, Mrs. Vinson, complete, \$20.00.

Floydada, Joe Arwine, incomplete, \$44.00.

The total donation from these communities is \$348.45.

The funds raised by the American Red Cross in the 1950 campaign will be utilized by the national organization and by the chapters:

To discharge its basic obligation to coordinate and direct the resources of the nation in time of natural disaster.

To meet primary and fundamental Red Cross responsibilities to the nation's armed forces and to veterans and their families.

To provide for medical use, without charge for the products, blood and blood derivatives throughout the nation to help save lives and prevent needless suffering. This is the goal of the National Blood program.

To cover the maintenance of established and continuing Red Cross services for civilian welfare in this country and the development of such supplementary or related services as may be deemed appropriate.

To extend aid to other peoples when such assistance would be consistent with the national interest and consonant with the scope of activities and resources of the American Red Cross.

To deal with situations that have developed or that may develop as the result of war; and to meet any other requirements for Red Cross assistance covered by its charter responsibilities.

Mrs. E. L. McManamon of Dallas is visiting in the home of her brother, Gilbert Bean. Also in the Bean home last week end was their son, Bill Bean, a student at Texas Tech.

### Methodist Notes

There is a verse in the Bible that I would like to call your attention to at this time. It says: "There are some who are always looking for the bad in others." I am afraid that they have a bad eye on their brother, a good eye on themselves and no eye on God at all. Let us check up on ourselves and "Let him who is without sin, cast the first stone." How wrong it is to criticize and say unkind things of others.

Our revival begins April 6th. Mrs. Clyde Farish and Mrs. C. L. Record will play the organ and piano. Our quartet and others will bring special numbers each night.

Our prayer meeting services are being well attended. We invite all who will attend. Let us be much in prayer for our revival.

### Thoughts For the Week

The right spirit is assured when the heart is clean.  
"Love so amazing, so divine,  
Demands my soul, my life, my all."

### Farm Income Still At High Point

AUSTIN, Texas—Farm cash income in Texas totaled \$34,441,000 in January 1950, a 40 percent rise from January 1949, the University of Texas Bureau of Business Research reported.

Cash receipts of Texas farmers was 49 per cent less in January than in the previous month, as a result of reduced marketings of cotton, rice, grain sorghum, wool, poultry, eggs, and calves.

Cotton, bringing \$27,666,000, was the greatest source of farm income in January. Cattle marketed during the month brought \$14,835,000, and sales of milk products amounted to \$9,924,000.

Marketings of cotton, wheat, rice, cattle, sheep, wool, mohair, and fruits and vegetables were substantially above their year-earlier levels, while other farm products were lower in January 1950.

Farm income for January 1950 surpassed a year earlier in only four crop-reporting districts. Farmers in the Southern High Plains district received 209 per cent more in January than in the same month of 1949. Income climbed 151 per cent in the Red Bed Plains, 68 per cent in the Northern High Plains, and 27 per cent in the Lower Rio Grande Valley.

On the other hand, declines in farm income varied from 8 per cent in Coastal Prairies to 26 per cent in East Texas Timbered Plains.

Increased marketings of fruits and vegetables resulted in an 18-per cent increase from December for farmers in the Lower Rio Grande Valley. All other districts recorded December-to-January decreases in farm cash income. Southern High Plains registered a 67-percent drop; Red Bed Plains, 60 per cent; Western Cross Timbers, 56 per cent; East Texas Timbered Plains, 53 per cent; and Trans-Pecos, 49 per cent. Other decreases ranged from 12 per cent in Northern High Plains to 41 per cent in Coastal Prairies.

### High School Boxers To Meet Crosbyton

Lockney High school boxing team under Coach Curtis Kelley will meet the Crosbyton high school team in a return match at the local gymnasium next Monday night. The first bout is scheduled to start at 7:45.

The local boys went to Crosbyton two weeks ago and although they defeated the Crosbyton team in that match 10 to 5, they ran into the strongest opposition they had met all year, Kelley said. The bouts Monday night will see several good boys matched among them Melvin Raetheal, Crosbyton's football star vs. Mac Howard of Lockney. Kelley said that several of the heavier boys including Tip Jeffcoat and Robert Huckaby would probably see action.

Twelve to 15 bouts are promised on the Monday night card and a large crowd is expected to attend. Fans were urged to buy ringside tickets, on sale Friday or Saturday at Lockney Drug, in order to be sure of a seat. Admission is 50c for students, 75c general admission and \$1.00 for ringside seats.

### Defeat Kress Tuesday

The local fighters defeated the Kress High school team eight to two here Tuesday night in the local gymnasium. Results of the fights were announced as follows:

"Fat" Williams of Lockney defeated Wayne Collander of Kress in the 65 pound class.

Butch Hardage of Lockney defeated Kenneth Kelton of Kress, 74 lb. class.

Doyle McAda of Lockney kayoed McAnally of Kress in the first round in the 82 pound class.

Roger Conner of Lockney won over Cooky Benney of Kress in the 82 pound class.

Johnnie Clark of Lockney won over Derwood Pool in the 94 pound class.

Cleon Wiley of Lockney won by a kayo in the first 15 seconds of the fight over Marl Young of Kress in the 112 pound class.

William Kirkpatrick of Lockney won over Glen McLeod of Lockney in the 110 pound class.

Gene Applewhite of Lockney won over Bill Blain of Kress in the 11 pound class.

L. V. Eiland of Lockney kayoed Jack George of Kress in the 124 pound class.

Stanley Conner of Lockney lost to Bennie George of Kress in the 126 pound class.

Mac Howard of Lockney lost to Bill Freeman of Kress in the 142 pound class.

De Juan Strickland and "Trigger" Williams, both heavyweights, boxed an exhibition bout to close out the evening.

Mr. and Mrs. T. B. Mitchell, Glenn Mitchell, and R. V. Webster left Wednesday morning for Port Isabel where the Mitchells have a cabin.

After adjustment for seasonal variation, the Bureau's index of farm cash income decreased from 598 per cent of the 1935-39 base period in December to 288 in January 1950. A year ago the index was 211.
