

Men Club  
Classes  
Fall Show

Lockney Garden Club will have its annual fall flower show on Friday, September 16, from 6:00 p. m. in the Wanda building.

Entrants of the show have announced that this week the classes will be judged, but they expect that flowers that are entered may be brought and judged.

Frank Roberson, chairman of the show, said that all entries will be in by 11:00 a. m. on the day of the show so that the judges can begin their decisions. Prizes will be awarded for the most ribbons won.

Roberson encourages all growers to bring as many as possible to help make the show a success. She emphasizes that the show is for every one and is sponsored by the Garden Club.

Roberson also asks that the names of the flowers be put on a separate card, and also that the exhibitors bring a card with this will aid in making the show and be a service to the exhibitors. She suggests that if the exhibitors are not known, they may be listed in the grower's flower book.

# THE LOCKNEY BEACON

• SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY •

VOLUME 49

LOCKNEY, FLOYD COUNTY, TEXAS, FRIDAY, SEPTEMBER 8, 1950

NUMBER 1

## Slow, Soaking Rain Covers Area

Practically all of West Texas was covered by a slow, soaking rain this week which measured 4.17 inches in Lockney according to the gauge kept at Hammond & Company.

The rain started Sunday afternoon and measured 2.20 inches up to Monday morning. On Tuesday 1.60 inches was added and Wednesday morning showed an additional .37 inch.

The rains here, however, were not as heavy as they were north of Lockney and in Briscoe County. Measurements up to 7 inches were reported in the Lone Star community and the water stood over the paved road north and east of town and also over the road to Cedar east of Highway 207.

Wesley Hay, living 6 miles north of town reported six inches up to Tuesday morning and Walter Sammann in the Providence community reported 5.5 inches to Tuesday. More rain fell on Tuesday to add to these measurements.

Water was reported to have been almost knee deep on highway 207 south of Silvertown Monday but the road was not impassable.

The rains fell slow and soaked into the ground for the most part although some washing of land was reported north of Lockney.

Wheat farmers and those with grain sorghum crops were rejoicing over the moisture but some cotton farmers were viewing the rain with misgivings. Fear of the return of the cotton boll and leaf worms was one reason. Another was that cotton now needs hot, dry weather to mature properly.

Some wheat had already been sowed in this area but much more is expected to be put into the ground when it is dry enough. Farmers believe that this rain with the July moisture will assure wheat of a very good start and probably carry it well into the winter.

Skies were partly overcast Wednesday afternoon and it appeared that the rains were over for the present.

## Seed Wheat Must Be Treated, Gibson Says

Everyone planning to sow wheat this fall should treat their seed for wire-worms, states County Agent, Bob Gibson.

The presence of the extremely large number of "model A" bugs the parent of the wire-worms, assures a great number of wire-worms and many acres of wheat will be damaged or ruined unless the seeds are treated.

In addition to treating the seed for smut treat them with BHC or Lindane at the rate of two ounces of pure gamma isomer per 100 pounds of seed wheat. This means that six to eight ounces of 10-12 per cent BHC should be added to 100 pounds of seed. The BHC or Lindane may be added to the wheat after it is placed in the seed hopper to be planted but should be mixed with the seed by stirring several times with a stick or something else. Do not stir with the hands and avoid breathing the fumes because they will make a person very sick and cause vomiting.

Excellent results have been obtained in killing wire-worms and saving a stand of wheat by this treatment, Gibson said.

### RETURN FROM WASHINGTON TRIP

Mr. and Mrs. D. D. Tate and son, Percy and daughter, Mavis, returned last Tuesday from Washington, D. C., Baltimore, and Norfolk, Va. In Washington they visited such points of interest as the Smithsonian Institute, Washington Monument, Lincoln Memorial, the printing and engraving mint and attended a session of Congress. They were gone about 10 days.

## First Maize Here From Husky Crop

The first maize of the year arrived at Patterson Grain Co. here Friday of last week. The maize was cut from the high end of a field farmed by Oscar Husky just northwest of Lockney. Mr. Husky was unable to cut through the field as most of the crop was not dry, he said.

The maize showed a moisture content of 13.1 and was yielding about 2000 pounds per acre, he said.

The rains this week have stopped the grain sorghum harvest altogether for the time but will be beneficial to the late grain if it doesn't continue too long, elevator men said. Early grain sorghums will be ready to harvest probably as soon as the ground dries.

## John M. Cooper Taken By Death

Death continued to take its toll of Floyd County pioneers and builders this week when John M. Cooper, prominent farmer and landowner of this community passed away. Mr. Cooper was 71 years of age and had lived 43 of those years in and near Lockney.

He had been in ill health for about six years but became seriously ill only 10 days previous to his death. He passed away at 9:25 a. m. Monday in the Floyd County Co-operative Hospital here.

Funeral services were held at the First Methodist Church here Tuesday afternoon at 3 o'clock conducted by Rev. R. H. Campbell, pastor of the St. Johns Methodist Church of Plainview assisted by Rev. E. J. Cobb, pastor of the Lockney Baptist Church. Interment was in the Lockney cemetery under the direction of Carter Funeral Home.

Pallbearers were Jay McPherson, Jimmy Hodel, George Webster, H. D. Griffith, Robert Thomas and James Taylor. In spite of inclement weather a large crowd attended the services and the church was filled with flowers from friends and relatives.

Mr. Cooper was born March 9, 1879 at Bowie, Texas. He and Mrs. Cooper were married in 1905 at Gatesville, Texas and came to Lockney to make their home in 1907.

During his first years of residence here Mr. Cooper freighted from Plainview to Lockney. He hauled much of the material used in building the early day buildings here. In 1908 he purchased the farm on which he lived at his death and had made that his home since. He put all the improvements on the place and broke out the first sod.

He was a member and a former steward of the First Methodist Church here.

Survivors include his wife, two sons, Paul of Lockney and W. Leo of Canyon, and one daughter, Mrs. D. H. Borum of Borger. He is also survived by five grandchildren and one sister, Miss Clara Cooper of Los Angeles.

### HERSHEL CARTHEL INJURED WEDNESDAY

Hershel Carthel suffered a badly dislocated elbow on the left arm Wednesday of last week when he fell from a trailer load- ed with hay. The joint was not only thrown out of place but the muscles and ligaments were torn, it was said. It was placed in a brace at the Floyd County Co-operative Hospital here where he was treated.

### BACK TO ROCHESTER

Mrs. Cleatis Jeffcoat will leave Thursday by plane for Kansas City to attend market and will go from there on to Rochester, Minn., where she expects to undergo another operation the first of next week at Mayo Clinic. She will be accompanied by Mr. Jeffcoat and Mrs. V. E. Spears.

Mr. and Mrs. E. J. Massengale and children of Eureka, Calif., are here visiting her parents, Mr. and Mrs. George Jeffcoat and his mother, Mrs. Etta Massengale of Cedar Hill.

## Committees Are Named For TB X-Ray Drive Here

Mrs. M. W. Wiley has been named Lockney chairman for the Floyd County TB x-ray drive here on October 4. County Chairman Enos Jones has also selected Mrs. Bob Gibson of Floydada as Floydada chairman and these two chairmen are this week setting up their local organizations and selecting members of their sub-committees.

The mobile x-ray unit of the Texas State Department of Health will set up in Lockney on October 4 and will be on Floydada on October 6th and 7th. All persons over 15 years of age are urged to appear for a chest x-ray, which reveals tuberculosis or other chest abnormalities.

Mrs. Wiley has announced the following sub-committee chairmen for the local drive: Publicity, Edgar R. Hays; Clerical, Mrs. Wanda Baker; Hostess, Mrs. Thelma Hodel; Telephone, Mrs. Estelle Powers; Transportation, Mr. and Mrs. G. M. Brunner; House-to-house canvas, Mrs. Marvin Gilbert; Ministerial, Rev. N. S. Daniel; Location, A. P. Barker; Electrical committee, Joe Parish; Loading committee, Fay Pinner and J. D. Copeland. The committees will be filled out by the chairmen.

The x-ray unit is capable of x-raying 1500 persons per day and Mrs. Wiley has expressed the hope that the full number would be x-rayed during the day the unit is in Lockney. The state department was hesitant about setting the unit up here and only after persuasion by local citizens did it agree to do so.

The unit will be set up here in the show room of the Lockney Auto Co. Plenty of room is afforded here and Mr. Barker has promised to make the entire show room available if needed.

An extensive advertising and personal contact campaign is planned through the telephone committee and the house-to-house canvas committee as well as the publicity committee.

Local service clubs, home demonstration clubs and study clubs in all communities will be asked to help in the drive to see that everyone 15 years of age or older is x-rayed.

Mr. Jones pointed out that no charge was made for the x-ray and that it was not a charity proposition. The unit is paid for by tax payers money and every tax payer has had some part in paying the expenses of the unit. The purpose is to detect tuberculosis in early stages when the disease can be cured, and also to help to detect other chest abnormalities.

Those who are x-rayed will not have to remove any clothing and all findings through the x-ray will be kept absolutely confidential.

Plans are to furnish transportation to the unit of those persons who would be unable to attend otherwise.

Further plans for the day will be revealed as they are made, Mrs. Wiley said.

## Scholarship To Be Given Club Girl

A scholarship for a 4-H Club girl is a project of Home Demonstration Clubs in District 2. Contributions to the scholarship are voluntary. The fund has been aided by the Farm Bureau and other individuals and firms. The scholarship is expected to be worth \$500 and it is to be used at Texas Technological College.

On Saturday morning at 11:00 o'clock, September 9, a special ceremony to award the scholarship will be held in the Aggie Auditorium at Texas Technological College at Lubbock. All Home Demonstration Club members and 4-H Club girls are invited to attend.

Among the contestants for the scholarship is Marlene Hollums of Floydada.

GO TO CHURCH SUNDAY.

## Longhorns To Play State Champion Wildcats Friday Night on Local Field

### School Delayed Until Monday

Superintendent Sidney Reeves announced Wednesday that the opening of the Lockney Schools would be delayed until Monday, Sept. 11 due to the heavy rains that the school buses were unable to make their rounds to pick up students this week and for that reason the school board had decided to delay the school opening. Water has been over paved roads also on some of the bus routes.

The schedule next Monday will be the same as the one set for Monday of this week with the buses running Monday morning to pick up students and all students reporting to their home rooms by 10 a. m. Registration will follow and the buses will make the return trip by noon of that day.

Classes will begin Tuesday morning and the lunch rooms will serve lunch for the first time on Tuesday.

J. M. Williams of Sandhill was elected by the school board last week to fill the last vacancy in the faculty. Mr. Williams will teach mathematics in the upper grades at the grade school. He is a former teacher at Sandhill and Providence.

## Floyd Co. Will Have Exhibits At Area Fairs

Floyd County is planning to have an Agricultural exhibit at the Tri-State Fair in Amarillo and at the South Plains Fair in Lubbock, announces Bob Gibson, County Agent. The Tri-State Fair will start September 18 and the Lubbock Fair will start October 2. Any one wishing to exhibit livestock or crops at one of these fairs and needs some help in making their entries should contact the County Agent.

Gibson said he would appreciate it if any one having mature grain sorghums of any variety or any kind of nice vegetables, peas, beans, or fruits would let him know about it so he can come and get it or better still bring it to his office if they would.

## Mrs. R. G. Brown's Father Passes Away

C. M. Chauvin, 63 years of age, passed away at his home in Grandprairie, Texas, on Wednesday August 30. He was the father of Mrs. R. G. Brown of Lockney.

Funeral services were held at the Assembly of God Church at Grandprairie on Friday, Sept. 1 with burial in the Grandprairie cemetery. Attending the services from Lockney were Mr. and Mrs. Brown and their son, Bobby.

Survivors include the wife, three daughters, Mrs. Brown of Lockney, Mrs. R. J. Young and Mrs. Grady Dover of Grandprairie, eight grandchildren, one brother and two sisters.

Mr. and Mrs. Chauvin were married December 6, 1906.

## Bill Canon In Rest Camp

Cpl. Bill Canon, son of Mr. and Mrs. Ray Canon of Lockney, has been flown out of Korea to a rest camp in the Philippines, his mother was told this week. Bill has been with the Army Air Force in the Korean campaign for almost two months.

Mr. and Mrs. G. D. Lewis, Mrs. Jim Shamburger and Mike of Fort Worth spent the week end in the T. D. H. Whitaker home.

### Reserved Seat Holders Must Enter At Center

Supt. Sidney Reeves this week announced that north and south entrances to the reserved seat section at the local football field had been closed and that all those who held reserved seat tickets should enter the stadium from the center ramp. Also he requested that every one have their ticket with them.

Mr. Reeves said that the south side of the field had been reserved for the parking of cars for invalids or others who are unable to get out of the car but that the fence on the west side of the field would be moved to a point about 10 yards back of the stadium. Cars may be parked in the area back of the stadium but it will not be possible to park them where the occupant can see the game. This is being done to make the selling and handling of tickets more feasible.

## Two Hearings Set On Application To Stop Service

The Railroad Commission of Texas will hold two hearings next week on the Fort Worth & Denver City Railroad application to discontinue passenger service to the South Plains.

The first of these will be held at the County Courthouse in Lubbock Thursday, Sept. 7 starting at 10 a. m. The second hearing will be held at Plainview on the day following, Friday, the time and place to be announced at the Thursday hearing.

The Plainview Chamber of Commerce has accepted the offer of Wright Armstrong, vice president of the railway company, to inspect the books on the South Plains operations and see how much money the company was losing on the operation. The Plainview organization is making a determined effort to prevent the discontinuance of the passenger service and a number of Lockney business men will join them at the hearing.

## Area Asked For 22 Men In September

The four-county area under the jurisdiction of Selective Service Board No. 45, Floyd, Hale, Swisher and Motley counties has been asked for 22 men to be inducted into the armed forces on September 19, according to information from Austin.

The men inducted will be drawn from that group of men in the area who have already passed their physical examinations. A total of 2,513 men will be inducted from Texas during the month.

A number of local young men have already had their physical examinations.

## Worm Infestation Will Increase, Gibson Warns

The continued wet and cool weather will tend to make the leaf and boll-worm infestation greater when the weather clears and becomes warmer, said County Agent Bob Gibson. While it is cold and wet the worms do not do so much damage but are ready to go when the sun shines therefore every one should check their cotton carefully and make preparations to spray or dust as soon as weather permits, he said.

After this wet spell the boll-worms will increase and since they are harder to kill a full pint of toxaphene per acre should be used. If you are using 40% toxaphene put on one gallon every three acres, if 60% toxaphene is used put on one gallon every four and one-half acres, if 80% toxaphene is used put on one gallon every six and one-half acres. Those persons who are using dusts should apply at least 12 to 15 pounds, preferably 15 pounds to kill the boll-worms.

These insects still have sufficient time to ruin a cotton crop so every effort should be made to control them.

The rains have washed the poison off of all the cotton and every field should be watched carefully for both leaf and boll-worms.

### Get a Wildcat" was the battle cry on the Longhorn practice field this week as the local football team went through hours of practice in preparation for meeting the state champion Littlefield Wildcats on the local field Friday night.

The boys were working hard on defense against Littlefield plays as well as running their own. The week's practice was marred by an injury to Orland Gilbert, reserve backfield man, who had a thumb jammed in Tuesday's practice and will probably be out of the play for two or three weeks.

However, Deanie Henderson returned to the practice field, it was reported and that will strengthen the Longhorns somewhat. Coach Curtis Kelly planned to use about the same lineup he used against Shamrock last week, he said Wednesday. The boys appeared eager and ready to go.

The Wildcats trimmed Crosbyton 33-6 last week and could have made the score much more, according to newspaper reports. However Crosbyton has lost some of the team which the Longhorns defeated 26-0 last year. The Littlefield team has lost some of their stars of last year but still are strong enough to be rated as contenders for the state crown. They have 15 returning lettermen from their 1949 squad but only three of these were regulars on last year's team. Big Gene Renfro, fullback is one of the region's outstanding power runners. He is also line backer on defense.

The game will be called at 8 p. m. and a large crowd is expected to be on hand to witness the tussle.

Following is the probable starting line-up for the Longhorns, with their position and weight:

- LE—Joe Cunyus, 155
- LT—Eddie Fortenberry, 180
- LG—Bobby Griffith, 140
- C—Barry Thompson, 180
- RG—Tipp Jeffcoat, 193
- RT—Bobby Baxter, 170
- RE—Sid Thomas, 150
- TB—Ray Ferguson, 160
- FB—C. B. Smart, 155
- LH—Stanley Conner, 145
- RH—Mac Howard, 155.

I. M. Willson

Willson To Head Drive For Funds For Hospital

I. M. Willson has been selected as the General Chairman of the three year public subscription pledge campaign now being organized for People's Hospital in Floydada with a goal of \$100,000. The money will remove a \$70,000 building and equipment indebtedness and establish a reserve fund to provide additional equipment, anticipating building repairs, etc.

Mr. Willson has chosen as associate chairmen M. H. Martin, and A. H. Kreis of Floydada, W. S. Poole of Dougherty, Lee Rushing of Fairview, and Marvin Shurbet of Petersburg. All have accepted. These men, along with Mr. Willson, will form the executive committee and will be the nucleus for building the 200 man campaign organization. It is expected that each of the associate chairmen will be assigned to specific executive positions in the campaign.

In accepting the General Chairmanship Mr. Willson said: "There is no question that People's Hospital must be free of all building and equipment indebtedness if it is to perform its best service to our area-wide community. The hospital has done a remarkable job thus far in caring for more than 14,000 patients in its year and one half of operation and that figure alone should remove any doubts that the hospital is needed."

Mr. Willson continued: "It is a well known fact that hospitals just don't make money the way other businesses do. A full staff must be maintained at all times in case of emergency, regardless of the number of patients in the hospital—then too there is always a charity load. I honestly feel and I am sure most of our other citizens do too, that a fine job is being done at People's Hospital today—even under the burden of heavy indebtedness. But if it is to continue to serve the people adequately we must all join in this effort to set it right. Once the obligations are retired we will not only have one of the best hospitals in the South Plains but one that is self-sustaining."

"I am confident," Mr. Willson concluded, "that with the able assistance of the associate chairmen and the many others who will identify themselves with the campaign and the whole hearted support of all citizens in the Floyd County area we will win this campaign, provide the \$100,000 fund and establish People's Hospital on a sound financial footing."

Mr. Willson has announced the appointment of J. W. Reese, Frank C. Harmon, Walter C. Collins, and J. C. Webster as permanent members of the campaign executive committee.

According to Mr. Willson the ten man committee will draft the master plan for the campaign and steer the course of the project.

In addition to enlarging the executive committee, it has been decided to establish a 7 man campaign finance committee to administer the \$100,000 fund once it is raised. At a joint meeting

of the campaign group and the hospital board of trustees on Friday last, a resolution was passed calling for a finance committee composed of two board members. The decision as to who these men will be is now under consideration and will be announced at an early date.

Upon completion of the campaign, the finance committee will supervise the allocation of the money raised to the hospital creditors and maintain control of the reserve fund. In this way it is hoped to not only satisfy all creditors but also to establish a firm policy for the hospital finances.

Other important developments in the campaign include the appointment of Charlie Bedford as Secretary & Treasurer and the selection of three men to head the major divisions of activity. W. S. Poole has been chosen to serve as Big Gifts Chairman, Marvin Shurbet, Special Gifts Chairman, and Walter G. Collins General Solicitations Chairman.

## Huntin' AND Fishin'

By Harve Pennington

The dove hunters are reporting only fair luck finding birds but most of them are getting a few.

President Truman, Tuesday, released the hunting dates for migratory waterfowl from Nov. 3 to Dec. 17—a continuous 45-day shooting period. The season ends before the Christmas holidays, but there is 9 more days than last season which only had 36 days. An early starting date for north Texas should permit some good hunting in this section. The bag limit was increased from four to five ducks per day and ten in possession, where we had eight in possession last year. Also you may kill five geese per day and not more than five in possession.

We also have some new game and fish laws in the 28 Northern countries of the Panhandle. There are a few things to watch. Limit on Crappie and channel catfish is now 15 per day. Limit on bass is 6 per day. Trotlines must not have more than 20 hooks and no fisherman may use more than one trotline. A provision is included restricting the number of minnows a fisherman may have in possession at any one time to 200 minnows.

In buying a new gun, buy the best gun your purse will stand. You will never regret a few extra dollars, for a good weapon will prove a constant satisfaction. Cheap guns are badly balanced, clumsy and difficult to align accurately. They shoot loose, their locks stick, their triggers crawl and their bad workmanship proves an annoyance in many ways. A good gun, honestly built may wear bright from constant use but it will always close tight and strong and shoot hard and true to center. There is added pleasure and great moral assurance in the use of a first-class gun, as it never fails to give confidence to the user. Select a gun according to your uses. For shooting at the trap, geese, ducks and other wild fowl, the 12 with 30 inch barrels, weighing in the vicinity of 7½ pounds is the standard weapons. For upland game shooting such as prairie chickens, the 16 gauge with 28 inch

barrels is ideal. It should weigh from 6-14 pounds to 6-3-4 pounds. For quail shooting the 20-gauge with 26 or 28 inch barrels, weighing 5½ to 6 pounds, is a graceful gun that will prove quite as effective as a larger gun at the distances that these birds are usually killed and in addition is a much faster and more elegant weapon to handle.

The diameter of all American rifles are given in decimals of an inch and this designation has been called calibre, a 30 calibre meaning that the rifle has a bore of 30-100 of an inch in diameter. On the other hand shot gun gauges were not measured in inches, but had their origin in muzzle-loading days from the number of round balls of lead to the pound. The balls of such a diameter as to enter the muzzle of the shotgun. In the 12 gauge, twelve lead balls whose diameter is equal to the diameter of the muzzle weigh one pound. The diameter of a lead ball, sixteen of which weigh one pound, gave us the sixteen gauge, etc.

To determine which eye is the master eye, select some object, or make a cross on the wall three or four yards away and then point your finger at it with both eyes open. Close your left eye and glance down your finger. If it points directly at the cross your right eye is the master eye. If the finger points to the right of the cross, then your left eye is the master eye. The man who

shoots a gun from the right shoulder with the rib in line with the right eye, but whose left eye is the stronger, is looking across the muzzle of his gun at an angle, and he will shoot considerable to the left of any object at which he aims with both eyes open. The remedy for the man whose left eye is stronger than the right is to shoot with the left eye closed.

## WTSC To Open September 12

Canyon. — West Texas State will open the doors of her 41st regular session September 12. On that day upperclassmen will take their English and Psychological Tests. Registration for freshmen classes will be held Wednesday, September 13.

All dormitories will be ready for occupancy on Sunday, September 10 before registration and class work will commence September 14.

Advance reservations point to another record-breaking enrollment at the college. Attendance records have been topped for 6 consecutive semesters and the school has gained the tab of 'Texas Fastest Growing College.' One new department, that of Geology, has been added to the curriculum for the coming year. Study courses in 28 other fields leading to 6 major degrees are offered. Dr. Roy Rinehart, has arrived on the campus to direct Geology work. He has been employed by the University of California.

Other new faculty personnel added for the regular term are Mrs. Mary Brown, college nurse; Dr. W. E. McIntyre, geography; T. C. Brown, journalism; Zeke Merchant, business administration and Dr. W. R. Presser, music.

If money could buy youth we'd all be misers.

## Perry-Gilbreath Exchange Vows

Marriage vows were exchanged between Miss Betty Perry of Floydada and Mr. J. W. Gilbreath of Floydada at 8:30 on Saturday evening in Plainview.

The double ring ceremony was read by the Reverend R. H. Campbell, pastor of St. John's Methodist Church.

Miss Bobbie Nell Cross attended the bride and Dick Campbell was best man to the groom.

The bride wore a greyed rose crepe dress with lace collar and tiny button trim. The bridesmaid wore tan crepe.

The bride is employed by the Bell Telephone Co. and the groom is now farming after several months in the service. The couple will live in Floydada.

## RA'S AND GA'S HAVE JOINT MEETING

A special meeting for the Junior R. A.'s and Intermediate G. A.'s of the Baptist Church was held Wednesday afternoon, August 30 at the church. Twenty-seven members of the organizations and their sponsors met for joint mission study, conducted by Rev. E. J. Cobb. He taught the book "This is My Father's World" during the study.

An enjoyable picnic lunch was spread on the lawn of the Church at the conclusion of the program to entertain the young people.

## NEW ARRIVALS

Mr. and Mrs. Jack McCandless of Ralls, former Lockney residents, are now proud parents by adoption of a girl, who has been named Sherry Lajuan. The young lady was born Saturday, August 26, weight 7 1-4 pounds.

## Shower Compliments Recent Bride

Mrs. Edward Babitzke, the former Lena Sue Pylant, was complimented with a bridal tea and miscellaneous shower Friday afternoon, September 1. The affair was in the Mrs. Leon Wofford home.

Mrs. Wofford, the honoree and Mrs. O. V. Pylant received the guests at the door. Miss Albertine Foster presided at the bride's register.

The color scheme used throughout the entertaining rooms was white and yellow. Arrangements of dahlias and asters added to the beauty of the rooms.

The serving table was centered with punch bowl, with yellow tapers flanking each end. Small wellow dahlias former a background for the punch bowl. The guests were served lime sherbet punch and individual cake squares iced in yellow with the honoree's and her husband's initials as the decoration on top.

Mary Louise Manning and Mary Evelyn Manning served the guests. Members of the houseparty were Meses. Olsen Allison, Frank Jameson, Glen Watson, Claude Keeter, L. L. Reecer, Lee Seaman, Barney Manning, Tommy Ray Assister, Leon Wofford, and Misses Eldora Jameson, Beth Kellison, Albertine Foster, Iva Mae Wright, Mary Evelyn Manning and Mary Louise Manning.

## WCS HAS MEETING MON.

Mrs. A. P. Barker gave the devotional to open the meeting of the Woman's Society of Christian Service Monday, September 4. The meeting was held at the Methodist Church. The program subject for the meeting was "Spiritual Life."

Mrs. D. O. Aldredge brought an interesting talk on that subject. All the members present joined in a discussion about Spiritual Life at the close of the program.

Mr. and Mrs. B. E. Harris and Ilene visited Mr. and Mrs. Paul Craig at Oklahoma City last week end. They were accompanied on the trip by Mr. and Mrs. Raymond Nelson and daughter, Jane, who visited Mr. Nelson's brother at Oklahoma City.

## Joy Huff And Hugh Daniel Are Married In Church Ceremony

Vows exchanged in a formal ceremony Tuesday, Sept. 5 at 10 o'clock in the First Methodist Church in Panhandle united in marriage Miss Joy Huff and Hugh Daniel. Rev. N. S. Daniel, father of the groom, read the double-ring service.

The bride is the daughter of Mr. and Mrs. C. H. Huff of Pampa.

Miss Christine Cummings of Panhandle sang "With This Ring" and "I Love You Truly" in the prenuptial concert. She was accompanied by Mrs. Douglas Smith, organist, who also offered the traditional wedding marches.

Arrangements of white gladiolus and fern decorated the altar where the vows were read. Candelabra containing white tapers completed the decorative scheme.

Entering on the arm of her father, the bride was lovely in a gown of white embroidered organdy, with a skirt that swept into a train. Her veil was of illusion. She carried a white Bible topped with a shower of white rosebuds.

Her maid-of-honor was her sister, Miss Suzie Huff. She was attired in a gown of orchid organdy and carried a bouquet of daisies.

The four bridesmaids wore identical yellow organdy dresses, and complimented them with their bouquets of daisies. Bridesmaids were Misses Barbara Davis, Oleta Dowlen, Patricia Roberson, and Billy Grace Burum, all of Panhandle.

Sam Daniel assumed the duties of best man for his brother. Groomsman were C. L. Record of Lockney, Wesley Daniel of Becton, Deon Martin of Pampa, and Dranon Huff, brother of the bride, of Pampa.

Mrs. Huff, the bride's mother, wore a black dress and a red carnation corsage. Mrs. Daniel, mother of the groom, was dressed in gray and wore a white corsage.

## Reception Follows

A reception in the church immediately following the ceremony honored the young couple and the wedding guests. Tea and a white wedding cake, decorated with yellow flowers and topped with a miniature bride and groom were served. The refreshment table was covered with a lace cloth and attractively decorated with arrangements of Shasta daisies.

Mr. and Mrs. Daniel will visit in Lockney a few days after they return from their wedding trip to the mountains of Colorado.

The bride is a graduate from Panhandle High School, and the groom graduated from Lefors high school. They will be at home this fall in Abilene where they will both attend McMurry College as seniors. Hugh will serve as president of the senior class this year.

Guests attending the wedding from Lockney other than those in the wedding party were Mr. and Mrs. F. L. Brown, Mrs. C. L. Record and Donna Lynn, Phil Daniel and Mrs. Wesley Daniel from Becton.

## Pioneer's Folks Now Number 98

Plainview.—It was third-cousins' day here Sunday, August 27, when 98 members of the family of the late Billy Ginn, Texas pioneer, met in reunion for the first time.

Mr. Ginn's three surviving children—Mrs. Cora Oxenreider of Sayre, Okla., Mrs. Inez Roberts of Sweetwater, Okla., and Mrs. Claude Ginn of Ardmore, Okla.,—were unable to attend the get-together.

But there were grandchildren a-plenty and a few great-great-grandchildren. The reunion was arranged by Mr. and Mrs. C. W. Ginn of Lockney, who report that visitors unanimously agreed to make the party an annual event.

Those from Floyd County attending included: Mrs. Effie Ginn, Floydada; Mr. and Mrs. C. W. Ginn, Lockney; Mr. and Mrs. Guy Ginn, Vaughn, Pat, and Nancy Ginn, Floydada; Mr. and Mrs. Doyle Whitfill, Kress; Mr. and Mrs. J. C. Ginn, Lockney; Mr. and Mrs. Emmett Johnston, Sterley; Mr. and Mrs. Eber Ginn, Altha, Dewayne, Alton, Maurice and Janice, Lockney.

Mr. and Mrs. Gilbert Roberson and Donna of Olton visited the first part of the week with their parents, Dr. and Mrs. J. M. Floyd and Mr. and Mrs. Frank Roberson.

## Wofford Children Enjoy Reunion

The children of the late Mr. and Mrs. C. A. Wofford, pioneer residents of Lockney, met for a reunion Sunday, September 3 in the Jake Smith home. Following are the children, grandchildren, relatives and friends that enjoyed the day:

Will Wofford, of Los Alamos, N. M.; Lee Wofford of Amarillo, Mr. and Mrs. Dud Wofford, Idalou, Mr. and Mrs. John R. Davis and Dale Lee of Amarillo, Mr. and Mrs. Finis Myrick, Joan and Joyce of Lubbock, Mr. and Mrs. A. B. Blount of Floydada, Mr. and Mrs. Raymond Blount of Tulla.

From Lockney, Mr. and Mrs. Claude Wofford, Mr. and Mrs. Jake Smith and Josephine, Mrs. Lloyd Wofford, Sue and Nelson, Mr. and Mrs. Kenneth Wofford, Jean and James Ray, Leon Wofford and Jerry Lynn, Mr. and Mrs. Thurman Davis and Danny, Mr. and Mrs. Charles Smith and Randy, Mr. and Mrs. S. A. Bayley, Pat and Dan, Kay McPherson, Mrs. Fannie Brown, Mr. and Mrs. Hugh Carroll, Kelly Harrison, and J. H. Fowler.

## Vows Exchanged In Home Ceremony

Wedding vows exchanged in a lovely home ceremony united in marriage Miss Merlene Miller of Panhandle and Bill Ed Whitfill of Lockney, Friday, September 1. Rev. Taylor, pastor of the First Christian Church in Panhandle read the single ring ceremony at 10:00 a. m. in the home of the groom's sister, Mrs. J. Floyd Howe in Panhandle.

The bride is the daughter of Mr. and Mrs. W. A. Miller of Panhandle, and the groom the son of Mr. and Mrs. Ed Whitfill.

Vows were read before the fireplace, which was decorated on either side with baskets of yellow gladiolus. Nuptial music supplied by records formed a background for the reading of the vows.

The bride chose for her wed-

ding a royal blue velvet dress fashioned with a lace yolk. She carried yellow roses to complement her attire. Her accessories were of royal blue velvet. Her maid of honor wore a corsage of white roses.

Charles Whitfill served his brother as best man.

A wedding breakfast was served immediately following the ceremony to honor the couple. The table was beautifully decorated with yellow and white roses.

When Mr. and Mrs. Whitfill return from their wedding trip to

Corpus Christi they will be home in Lockney.

Mr. and Mrs. Herman and daughter of Borge, daughter of her parents, Mr. and Mrs. Honea and other relatives, were present for the weekend.

Candlelight Service Unites John Carter And Wanda Rogers

Miss Wanda Gate Rodgers, daughter of Mr. and Mrs. V. R. Rodgers of Plainview, and John Calvin Carter, son of Mr. and Mrs. John R. Carter of Plainview, formerly of Lockney, were united in marriage Friday, August 26 in the First Methodist Church in Plainview. The double ring, candlelight ceremony was read by Rev. W. E. Peterson, and carried out the tradition of the Order of Rainbow for Girls.

The bride, given in marriage by her father, was attired in a marquisette dress fashioned with a yoke of sheer illusion framed by a shirred band of Chantilly lace. Her finger-tip veil of illusion was held in place by an open-work beaded band fashioned in a Dutch bonnet style. She carried a white Rainbow Bible topped with a white orchid showered with Stephanotis and white satin streamers.

Miss Geraldine Rodgers attended her sister as maid-of-honor. Bridesmaids were Mary Pauline Buck, Carolyn Haithcock, Zondola King, Mary Marie Bier, Ellen Jean Bolles, and Mary Ruth Shannon, all members of the Order of the Rainbow. They wore rainbow colored dresses of Marquisette.

Candlelighters were Miss Ronald Carter and Miss Lynette Buck. Robert Cooper of Crowell served the groom as best man. Ushers were Jerry Harder, Wilburn Rodgers, Newell Standford, Byron Bennett, Andy Willingham, and Bill Shannon, all of Plainview.

A reception was held immediately following the ceremony in the home of Mr. and Mrs. S. E. Rodgers.

The bride is a graduate of Plainview high school, and attended Texas University and Wayland. She was a grand officer in the Order of Rainbow for Girls and Past Worthy Advisor of the Rainbow Assembly.

Mr. Carter attended Texas Tech, West Point, Wayland and served two years in the Army. He is now associated with his father in farming.

The couple will be at home in Plainview.

Mr. and Mrs. Charles Whitfill and daughter, Mary Lane of Silvertown visited the first part of the week with their parents here.

Mr. and Mrs. Earlie Joiner of Floydada and M. M. Julian of South Plains visited Mrs. Suia Julian Tuesday.

H. D. Dress Revue Culminates Years Study Of Clothing

A dress revue culminated the study of clothing construction in Home Demonstration Clubs for the year. House dresses, street dresses, evening gowns, and children's clothing were modeled in the style show that was held in the American Legion Hall in Floydada Thursday afternoon.

To start the afternoon's program a number of costumes of the past were modeled. The oldest costume, a calico house dress modeled by Mona Ray Williams, had a madarian collar, back fullness, and pockets extending around the hips. All of these fashions have recurred in styles the past year. This dress was made by Mona's great grand mother about 1878. Other costumes were worn by Mrs. S. J. Latta, who modeled a bustle dress of her grandmother, Mrs. R. C. Guest and Mrs. Thomas L. Fawver who modeled dresses over 40 years old that belonged to Mrs. J. L. Montgomery of Center; a shirt waist and skirt of 1910 vintage, modeled by Mrs. J. E. Green and owned by Mrs. C. E. Nell; a gray chiffon dinner dress, very stylish in 1920, and an evening coat of 1930, owned and modeled by Mrs. D. D. Shipley. The model that brought down the house was the 1925 style wedding dress owned and modeled by Mrs. Jno. Smitherman. This long-waisted, short skirt affair is a style that some designers have been trying to bring back in the present day.

The first group of modern dresses shown were house dresses. These were made and modeled by Mmes. L. K. Sherman of Pleasant Valley, D. D. Shipley of Homebuilders, Henry Bollman of Lockney; and Floyd Fuqua of the Homebuilders Home Demonstration Club.

Street dresses were shown in the second group. They were modeled by Mmes. Clyde Farrish, Lone Star; Raymond Williams and D. T. Mayo of Homebuilders; W. E. Grimes; J. H. Buchanan; Mal Jarboe; George Stiles, A. H. Kreis, and F. O. Conner of Friendship; L. B. Brandes, Providence; John B. Tinnin, Dougherty; O. C. Vinson, and C. W. Burton, Center; Jno. Smitherman South Plains; Foster Amburn, D. W. Burke, Leslie Waver, W. C. Sims of Sunnyside; Roy Hollums, Sand Hill; L. M. Honea of Lockney and N. S. Abbott of Starkey. Children who modeled dresses or suits in this division were Debra Brandes of Providence; Dee Ann Wilson of Center; Stanley and Linda Abbott of Starkey.

In the evening dress class were Misses Doris Elayne Snodgrass of Harmony; Ginger Tinnin of Dougherty; Lana Jean Davis and Darlene Mount of

Starkey; whose charming dresses were made by their mothers.

All of the dresses were characterized by becomingness of style and color, exactness of construction, economy in cost, and were modeled with grace and poise.

Adding to the afternoon's enjoyment was a number by the Junior Swing Club of Floydada and an appropriate reading by Mrs. Billy Brown, also of Floydada. The Swing Club is sponsored by Mr. and Mrs. Gene Aylesworth. Mr. Aylesworth called the square and the following young couples participated: Peggy Lanham, Bert Grimes, Beverly Thomas, Billy Charles Carmack, Edith Garrett, Dennis Wilkes, Pat Fralin, and Mac Hickerson. The costumes worn by the members of the swing club were made by Mrs. W. E. Grimes and Mrs. Lenton Lanham. The girls' dresses had 14 yards in each and were of the Colonial era. Attention was called to them, as well as to the fact that the Texas Home Demonstration Association, which has just convened its annual state meeting, recommends more activities among young people like the square dances.

Miss Leila Petty, County Home Demonstration Agent, announced the numbers on the program. Committees from the County Home Demonstration Council were in charge of all arrangements and special thanks were given them for their work. Mrs. Everett Miller of Harmony, Chairman of the Education Expansion Committee of the Council, was General Chairman. She was assisted by Mrs. W. E. Grimes of Friendship and Mrs. S. J. Latta of Sunnyside. The lovely decorations of fall flowers were furnished by this committee as well as by Mrs. Mal Jarboe, Mrs. Tom Price, and Mrs. Yearwood. This committee was in charge of the program and decorations. The Recreation Committee was in charge of refreshments. Its members are Mrs. O. G. Shearer of Lakeview, Mrs. B. H. Quebe, Providence; Mrs. Paul Sparkman of Starkey and Mrs. Wayne Russell of Lakeview.

Mrs. Lee Pope of Pleasant Valley and Mrs. Sam Lide of Dougherty, members of the Exhibit Committee, classified the entries and registered the guests. Mrs. Clyde Farrish of Lone Star played appropriate music during the Revue.

Special thanks were also given Mr. and Mrs. Aylesworth, owner of the Floydada Floral Company, for helping with the decorations, and to the Chamber of Commerce for the use of the loud speaking system.

About two hundred people enjoyed the afternoon's entertainment.

Mrs. Greer Whitaker who has been touring the Western States and Canada for the past three months, visited with her uncle, T. D. H. Whitaker and family this week, enroute to her home in San Angelo.

J. C. Wilson, who underwent an operation recently in a Lubbock Hospital, is reported to be doing fine.

that they don't want to keep up appearances, nor so rich that they don't want to keep down expenses.

The editor of one of our good exchanges makes this suggestion to his readers. "Don't go to the devil before you are dead."

World planners are now discussing a plan for rearming Germany. It will be recalled that following World War II the program was to not only completely demilitarize Germany but to dismantle all her heavy industries. The job was just about completed when the Russian situation presented the possible necessity of replacing all the stuff that has been removed and destroyed. The old German war set-up would be a wonderful help as a buffer against Russia. This thing of being able to look ahead is a rare gift that too few people have.

Henry Wallace has parted company with the Progressive party which two years ago nominated him for President. He split with his party over the Korean War. He made this statement at the time of his withdrawal from the party: I am on the side of my country and the U. N. It sort of raises the question as to where the so called Progressive party stood in principle in relation to this country and the U. N. before the Korean War.

A long time ago Thackeray wrote: "Let the man who has to make his fortune in life remember this maxim: "Attacking is the only secret. Dare and the world always yields; or, if it beats you sometimes, dare it again, and it will succeed." This is a wholesome philosophy. Dress it up anyway you choose in gilded and fluent phrases, but the fact still remains, "Attacking is the only secret." The reason why some men never get any where or accomplish anything is that they never dare, they never "attack." They either lack the energy or the decision. Life and the world yields when it yields to the one who "attacks." Approach either mildly, diffidently, hesitatingly apologetically and it will brush you aside for the man who knows what he wants, and where he is going.

When the end draws near you will wish that you had a lot of the time that you have wasted.

#### WILL GERMANY HELP?

Facing the overwhelming number of Russian divisions in Europe, the western nations have been tentatively considering the possibility of using German soldiers in the common defense of the West.

Under the pressure of the Communist threat the former enemies of Germany, despite fear of reviving German military power, are beginning to believe that the use of German soldiers is less dangerous than the possibility of Russian invasion.

The Germans, however, suggest that a genuine federation of Europe should come first and the use of German soldiers afterwards. Prof. Carlo Schmidt, speaking as a member of the German delegation to the Council of Europe, points out that in a strong state the army is servant but in a weak state the army is master. Germany, he said, is not a strong state.

Recognizing that some of Germany's neighbors are concerned about German military power, if it revives, Herr Schmidt sought to prevent this psychological disturbance to European unity by insisting that a genuine European federation, in setting up a real European army, could use Germany without danger to other nations.—Hereford Brand.

### NO MORE BUSINESS MEN, THANKS . . .

For many years we have watched "successful" business men sent into public office. For as many years we have been grieved at their recorded inability to conduct the public's business as they had their own.

For many years we have believed that the man who can become "successful" by extracting a profit from a free enterprise is also capable of extracting a profit for the people when he runs the people's business.

For as many years we have seen these successful business men keep right on being successful in a personal way, but the business of the public's business keeps right on getting worse and worse, more and more in the red, less and less efficient.

The business man has ridden to glory on his ability to line his pockets with money. The mere election to office cannot shut off the business man's ingrained desire to turn a private dollar—for "success" depends on getting the private dollar, not making the public a dollar. In office he's still a business man, with a profit to make.

O'Daniel rode into the governorship of Texas and into the U. S. Senate as "a business man," and when the smoke of his activity cleared away he had cost the taxpayers plenty—but he had and still has, plenty of private dollars in his pockets to testify to his ability as a man of business.

We want no more business men in public office. We want professional politicians, if you please. We want men for the business man's first and the professional politician's first who have devoted years of work and study to the science of government. These professional politicians offer hope for a better country. For the business man's first duty is to make himself a dollar, and the professional politician's first duty is to spend each public dollar wisely to achieve the greatest good for the greatest number.—The Rails Banner.

Men are like steel. When they lose their temper they are worthless.

## Better Sight BY THE CARTON

Lamps with empty sockets are about as handy as a ship without a sail! No matter how efficient . . . or how many lamps you have around the house . . . they're so much excess baggage if your supply of lamp-bulbs is down to the bottom of the carton.

Good light is so necessary to good sight. And a carton of bulbs always on hand is insurance against "bulb snatching" . . . being without . . . or inconvenient rushing to the store.

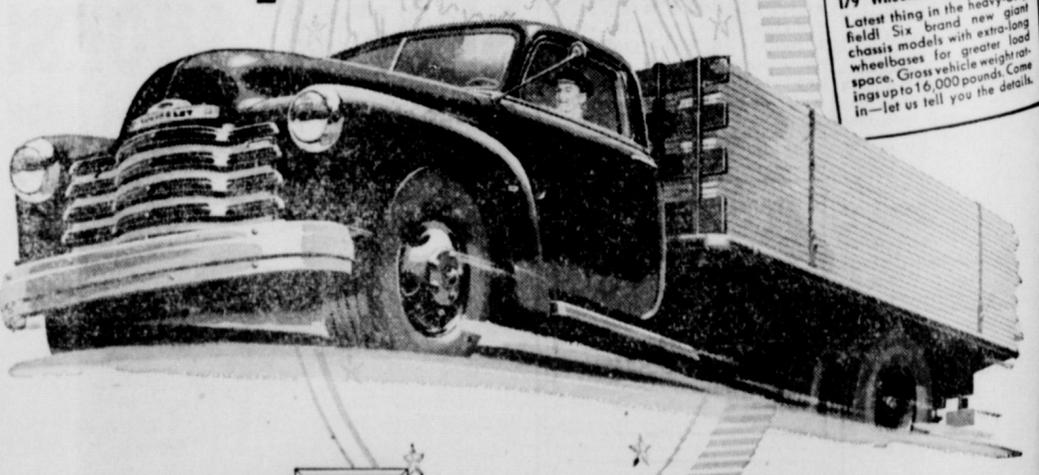

Yes, BULBS ARE MIGHTY IMPORTANT . . . cleanliness is, too! Your lamps and fixtures should be kept clean. Dust and dirt rob you of half the light you pay for. Reflector bowls can be washed with soap and water . . . bulbs wiped clean with a damp cloth. Shades may be dusted, washed or dry-cleaned . . . depending on the type fabric. Light-conditioning your home is economical, too . . . low cost, dependable electric service makes it so!

THERE'S A BULB FOR EVERY JOB . . .  
40-60 watt—Strictly decorative . . . such as boudoir lamps, brackets, etc.  
75-100 watt—Decorative and functional where the seeing task isn't too demanding.  
100-150 watt—Reading, sewing . . . where good, strong light is needed for proper "see-ability."

The Providence 4-H Club girls were entertained with a slumber party and outdoor cookery on Monday, August 28 from 4:30 p. m. until 8:30 a. m. Tuesday in the home of Mrs. B. H. Quebe. Each girl fixed their own supper over an open fire, after which various games were enjoyed. Very little sleep was had that night by any of the girls, as ice cream, cookies and watermelon was enjoyed all during the night, and a very delicious breakfast was served the girls at 8 that morning. Those enjoying this event were Misses Rosa Lee Brown, Arline Matthews, Carolyn and Delores Sammann, Roberta and Euleta Buhrkuhl, Alice Baker, Maebeth McLaughlin, Mary Lou Hawkins and the hostess, Mrs. B. H. Quebe. The mothers of these girls had very good girls the next day, as all slept during the day. In behalf of the 4-H Club girls, they wish to again express their "thanks" to Mrs. Quebe for an enjoyable party.

**Dan Montague Taken By Death**

Silverton.—Dan Montague, 75 years old, Briscoe County farmer and rancher since 1902, died here at 3 o'clock Sunday afternoon. He had been in declining health for about five months.

A wheat farmer and cattleman, Montague was known for his generosity and kindness. He was said to have loaned more money than most bankers and reportedly made most of the loans from an envelope in his hip pocket.

He was born July 19, 1875, in Missouri, and became a Texan when his family moved to Montague County when Dan was 3 years old. He came to Briscoe County about 48 years ago. His residence was about three miles south of Silverton.

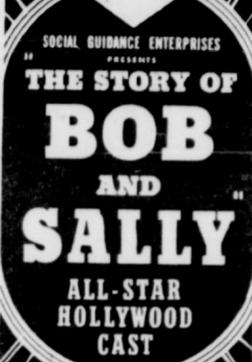

Survivors include his wife, Lorena; four sons, Nathan, in Australia, and Joe, Roy and Murl Montague, all of Silverton; four daughters, Mrs. Earl Cantwell, Mrs. Wayland Fitzgerald, Mrs. LaBelle Henderson and Mrs. Ray Teeples, all of Silverton; a brother, Sam Montague, New Mexico, and a sister, Mrs. Bill Smith, Colorado.

Final rites were read at 2 o'clock Tuesday afternoon in the Silverton High School auditorium. Burial was in Silverton Cemetery under direction of Douglas Funeral Home.

Coach Curtis Kelly's Lockney Longhorns played a whale of a ballgame last Friday night but still lost to the big Shamrock Irish team 12-0. The game, played on the local field was anybody's ball game up until the final few minutes and the Longhorns actually had a little better of it for the first three quarters.

Both of Shamrock's scores came in the fourth quarter, one of them on a very bad break. On this play the Longhorns had held the Irish for downs on the Shamrock 45 yard line. The Irish kick was short and went to little Pat Frizzell, playing the left half position. Pat was unable to catch the ball and hold it due to the difficult angle it came to him and in the scramble a Shamrock player covered the ball on the Lockney 26. The Irish scored in eight plays from that point but failed to kick the point. They scored again a few minutes later on a long pass when Roger Skaggs, fleet Irish halfback, got in behind the Lockney secondary and took a pass on a dead run. The Irish again missed the point and the score was 12-0.

Even in defeat Coaches Kelly and Elvin Lyons had something to be proud of. The Longhorn line consistently outplayed the much heavier Irish line and very few gains were made through the line by the Irishmen. Most of the Irish gains were made either by passing or by sweeping their own left end.

Defensive stars for the Longhorns included nearly all of the team, but Ray Ferguson, playing defensive left end, Barry Thompson, big Longhorn center, and the Longhorn line-backers, Stanley Conner and Norton Baker

seemed especially eager to get in and take the Irish runners down. C. B. Smart, playing at the safety position, also came in very fast several times to pull the Irish runner down. The Longhorns' pass defense left something to be desired, although they did intercept two Shamrock passes. The Irish gained a total of 108 yards passing. They completed 5 out of 15 attempts while the Longhorns completed 3 out of 8 for a total of 20 yards.

Fumbles hurt the locals considerably, since they lost the ball three times via the fumble route, and the Irish just refused to fumble.

This was probably the cleanest game played on the local field in several years. Only one boy had to leave the game because of an injury and it was nothing serious. Only one 5 yard penalty was stepped off all night, although two or three other off-side penalties were refused.

Offensively the Longhorns were hot at times and cold at times but they did show that they had the possibilities of going places. Mac Howard cut loose with some very nice runs as did Ray Ferguson and C. B. Smart.

Early in the game the Longhorn passing combination of Smart to Howard worked well but late in the game the boys couldn't hit.

Here's a quick resume of the game:

The Longhorns received, made 7 in three tries and kicked to the Shamrock 43. The Irish made a first on the Longhorn 45 in four plays, made 3 yards in two plays, tried a pass which was incomplete and then attempted to punt. But Barry Thompson broke through to block the Irish kick and the Longhorns took over on the Lockney 48. Smart carried to a first on the Shamrock 40 on the first play and the Longhorns drove on down the field making a first on the Shamrock 26 with a pass from Smart to Howard. They made a first on the 16 in three plays but here a Longhorn back fumbled and the Irish recovered on their own 20. The Irish made 1, lost 3 and then passed to their own 36. They swept their own left end for a first on the Lockney 34 but here, aided by a 5 yard offside penalty, the Longhorns held and the Longhorns took over on their own 35. Two plays made 5 and then another fumble gave the Irish the ball on their own 49. The Shamrock boys lost 3, made 1 and then threw a long pass which Smart intercepted and carried back to his own 34. The Longhorns made successive first downs on their

own 46 and on the Shamrock 44, but here the drive fizzled on an incomplete pass and the Irish took over on their 40. They made a first down on the Longhorn 41, lost 5, failed in an attempt to pass and then completed one to the Lockney 20. They lost 2, failed to complete a pass, completed one for 8 and then lost the ball on downs on the Longhorn 12. As the half ended Smart made 9 1/2 yards.

The third quarter was played mostly in the center of the field with exception of one good boot that Smart rolled out on the Shamrock 7 yard line. The Irish worked out of the hole, however, mostly with passes finally driving to Lockney's 44 yard line. Here the Longhorns held and then came the fateful fumbled punt which set up a score for the Irish.

After the first Irish score the Longhorns took the ball and drove down to midfield but stalled here and on the next series Shamrock completed the long pass for their second score. The Longhorns again drove down the field after the score, getting stopped this time on the Shamrock 34. Here three incomplete passes and one completed for only a yard gave the Irish the ball. They made one first down and then Mac Howard came in to intercept an Irish pass and return to the Shamrock 8 yard line. But two plays lost 14 yards for the Longhorns as the game ended.

You can always depend on a streetcar having seats vacant, when it's coming back from where you are going.

TEXAN GAINS FAME WITH LATEST MYSTERY NOVEL

Lubbock.—A. B. Cunningham, professor emeritus of English at Texas Technological College, began writing mystery novels 11 years ago and has the chore now of autographing the 18th "whodunnit" from his pen.

"The Killer Watches the Manhunt," published by the E. P. Dutton company, is the story of a detective who has been tracking criminals since Dr. Cunningham's first book—Jess Roden.

Dr. Cunningham is known to thousands of readers by the pseudonym of Garth Hale. Another recent novel, "One Big Family," has been praised by critics for its understanding of family problems.

Texas Tech Helps Marshall Plan Aid

Lubbock.—Marshall Plan aid to Europe has brought Nurettin Madran, 42-year-old member of the Turkish agriculture mission to the United States, to Texas Technological College for a study of extension work in West Texas.

Madran has been in this country since last March. Through the ECA he will be able to continue his study of American agriculture until March. His work at Tech has been in the classroom and in the field with assistant county agent Morris Duncan. He has visited demonstrations ranging from home canning to farm fashions.

Before Madran leaves Tech late in November he will make a scheduled tour of nearby communities to study irrigation and other Plains agricultural techniques. From Sept. 5 to Sept. 14 he will visit Amherst, and then will make a tour of Dawson county.

**Wheat Overplus Rule Explained**

Plainview. — Wheat growers who overplant their acreage allotments will still be eligible for price supports on other crops.

Congressman George Mahon at the request of Hale County Farm Bureau members has queried the Department of Agriculture on the status of a farmer who might choose to plant as much wheat acreage as he wanted to and take his chance on the open market, Mahon said:

"I have talked with officials of the Department. I have been advised a farmer who overplants and is out of compliance for his 1951 wheat crop will be eligible for price supports on other crops. "Since you ask several specific questions in regard to the wheat program, I am taking the liberty of sending your letter over to the Department for an official answer. I will get in touch with you again as soon as I hear from officials."

Production Marketing Administration officials here explained that in case farmers overplant their wheat acreage they can sell the crop on the open market and be eligible for price supports.

**CARD OF THANKS**

We wish to express our deep appreciation for the many acts of kindness and expressions of sympathy in the passing of our beloved husband and father. We trust you may have the same comfort and loyal friends in time of sorrow.

Joe Webb of San Angelo is the driver.

**Farm Bureau To Hold Meetings At Plainview—Lubbock**

Texas Farm Bureau Federation will conduct a series of sub-district meetings throughout the State during September according to announcement today by J. Walter Hammond, Federation president. A meeting is scheduled for Plainview, Thursday, September 14 in the Hilton Hotel, and another will be held in Lubbock, Friday, September 15 at the Lubbock Hotel. W. R. Tilson of Meadow state Farm Bureau director, will preside. Meetings will start at 10:00 a. m. and will be concluded at 3:00 p. m. State and national Farm Bureau officials will be in attendance. Hammond said.

Farm Bureau policies are developing by the membership. Hammond asserted and the series of meetings has been scheduled so that state and national officials may have the benefit of the thinking of farmers and ranchers throughout the state, and at the same time for officials of the organization to give farm people more needed information on the program of the Farm Bureau, its aims and accomplishments. Every day the business of farming becomes more complicated, Hammond declares, and the need for a stronger Farm Bureau more necessary. If rural people want a democratic government, fair prices, good roads, a fair tax program, improved educational facilities for their children, and a better rural health program, then they want a strong Farm Bureau in Texas and the Nation, he concluded.

All farmers and ranchers of the area are urged to attend their nearest sub-district meeting.

Mr. and Mrs. J. J. Cobb and son, Jesse, and Mr. and Mrs. Herbert Griswood and son, all of Dallas visited Mr. Cobb's brother, Rev. and Mrs. E. J. Cobb and family here last Friday and Saturday.

Mrs. C. M. Chauvin of Grand-prairie is here visiting her daughter, Mrs. R. G. Brown and family.

**Board Seeks Data On Underground Water Reservoir**

Littlefield.—The State Board of Water Engineers is seeking maps and written data giving evidence of the geographical area and extent of the underground water reservoir in a 21-county Panhandle-South Plains area.

The board made the request for written material following a recent 21-county hearing in Plainview at which it received oral testimony on the ground water supply.

They are chiefly interested in receiving information about areas which will, or will not, support irrigation wells producing at least 107 gallons per minute (or 150,000 gallons per day).

The dry areas, together with 160-acre tracts of grazing land not irrigated, and areas where water is not suitable for commercial irrigation purposes, will be excluded from a proposed underground water conservation district.

The High Plains Water Conservation and Users Association, with offices in Littlefield, has members in 14 counties who are cooperating by submitting written data on the ground water supply.

Any individual who has information on the extent of the reservoir should communicate with the State Board of Water Engineers, Austin, Texas.

Information is sought from the following counties: Armstrong, Bailey, Briscoe, Castro, Cochran, Crosby, Deaf Smith, Dickens, Floyd, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Oldham, Parmer, Randall, Swisher and Terry.

Mr. and Mrs. W. S. Rexrode and T. J. Word visited in Spearman Saturday and Sunday to attend the 50th anniversary celebration of Mrs. Rexrode's brother and wife, Mr. and Mrs. O. C. Raney.

**Red Raiders Schedule Toughest In History**

Lubbock. — Head Coach Dell Morgan's Texas Tech football proteges report for practice Friday with the determined goal of denting a formidable array of five Southwest conference opponents.

Also high on Morgan's agenda is the capture of the Red Raiders fourth consecutive Border Conference crown.

Techans will work out twice daily to get ready for their grueling opener against Texas University at Jones Stadium here Sept. 23. Other Southwest conference battles are signed with Texas A&M, Rice, Baylor and TCU.

Tech also must topple five tough contenders in the Border Conference—West Texas, Texas Western, Arizona, New Mexico and Hardin-Simmons—to defend its championship. Tech also will tangle with Tulsa University of the Missouri Valley loop.

Four veterans of last year's campaigns, two defensive and two offensive, will return to lend stability to the squad. Tackle

Douglas McSwane, San Angelo and Halfback Tim Hatch, Lubbock, will form the nucleus of the offensive team, with Ed and Jerrell Price Brownfield, turning as defensive starters.

**it's a GIRL!**

It was a busy week for Mr. and Mrs. John Bowman of Independence, Missouri—the week that young Linda Marie joined them.

Busy week, too, for the Bowman telephone. As Mrs. Bowman reports, "We use the telephone a lot from day to day, but we never stopped to think how helpful it really is, until we kept a record of calls. We averaged our bill—and were really surprised at the low cost—about 2¢ a local call!"

Telephone service has grown steadily in the part it plays in our daily lives—and in the value it delivers. Most folks agree it's the best buy in their budget!
