We like to sing "God Bless America" and we like to pray and Mrs. A. M. Hanks and that God will help the U. S. A. wonder how many of us really put God, and the building of there was not some vacant seats left in every church in Lockney last Sunday. We had a good crowd for the morning service, but we had room to seat a great many who did not come. Sunday night we had 127 present, by count. We have 469 members of our church. I could not help wondering where the 342 were. who were not there.

Can God bless America when we go to the show on Sunday night instead of attending services, or stay at home and play cards while the pastor and the faithful few carry on the service of the church?

I am sure that some were not there because of illness or some aves of Tulia, Mr. and Mrs. good reason; but when just a Glover of Amarillo, Mr. and little over one-fourth of a church H. R. Stanley of Floydada, membership attends the night y Mullins and Louwana service, when just from 45 to 55 attend Prayer Services on Wedand Mrs. Jess Merrick of nesday night; it makes the pastor blue and I doubt that God will bless a church when the members act that way. I doubt that God will bless a nation where people are so indifferent. That is not much better than what communist Russia would do if they had a chance to worship God. Let us not neglect our great privilege of worship, less we loose this precious privilege.

The serene, silent beauty of a holy life is the most powerful influence in the world, next to

the might of God. Patriotism consists not in waving a flag, but in striving that our country shall be righteous

Hub Cap Thieves Caught In Act

Two Plainview boys, who had previously stolen some hub caps off of cars in Lockney, were later caught in the act at Floydada, it was reported here this week.

The boys stole two hub caps off the Plymouths belonging to Willis Reynolds and two from Jake Smith's Plymouth about ten days ago. The boys parents found that they had stolen the caps, however, and made them return them to their owners here. Later the boys were caught in Floydada in the act of stealing and were held for authorities.
