

Men Called
Induction
January 19

men in the four-county
service district, No. 45
Floyd, Hale, Swisher
otley counties, have been
for induction on January
e that includes six Floyd
men.
men will leave Plainview
artered bus for Amarillo
January 19. Following is a
the men from the four-
areas:

Frank Dixon, Box 564,
Texas.
Raymond Springer, Gen.
y, Plains, Texas.
George Elkins, Route S.,
Texas.
ack White, Box 262, Ta-
Texas.

Waller Summers, 105 1/2
n Street, Plainview, Texas.
n Henry McCaghren, Rt.
nzo, Texas.
George Helms, Rt. 2,
Texas.

alton Black, Rt. 1, Hale
Texas.
an Lavelle Phelps, Rt. 1,
Springs, Texas.
Lamar McKenzie, Box 15,
our radishy, Texas.

Eugene Gilbert, Jr., Rt.
nathy, Texas.
Franklin Main, General
adio is in, San Saba, Texas.
Wayne Blain, % Mrs. Will
fix it for, 2, Lockney, Texas.
y Winfred Johnson, Box
ersburg, Texas.
Myers, Star Route, Vinson,
is and of

Pete McGee, Jr., Box 822,
ia, Texas.
Keith Perry, 910 Austin
Amarillo, Texas.

THE LOCKNEY BEACON

• SERVING THE RICH IRRIGATED SECTION OF FLOYD COUNTY •

VOLUME 49

LOCKNEY, FLOYD COUNTY, TEXAS, FRIDAY, JANUARY 12, 1951

Number 19

Baptist Worker's Conference Tuesday

The monthly Baptist Workers' Conference for the Floyd County Baptist Association will meet next Tuesday, January 16 at the First Baptist Church in Crosbyton, it was announced this week. Theme of the meeting will be "250,000 Souls for Christ." The program will start at 10:00 a. m. with a song service.

Lockney Wins 3 From Floydada

TO TULIA FRIDAY
The local basketball teams go to Tulia Friday for district games with the Tulia teams. The girls game as well as the boys will be a district affair. Tulia has the only other girls team competing in this district with Lockney. Next Thursday night the Lockney teams play Crosbyton here in three games, all non-district.

The Lockney basketball teams made a clean sweep of their games here Tuesday night with Floydada winning all three of them.

In the boys B string game, the locals won by a score of 35 to 18. John Kendall, a new student in the local schools, was high point man for the Longhorns with 13 points. For Floydada Hubert Ring was high point with 6.

In the girls game Coach Curtis Kelly's charges jumped to an early lead and he finished the game with substitutes. This is the first year the Floydada girls have played basketball while Lockney girls have been playing for several years. The final score was 38 to 10 with June Wiley making 11 points for high point player. Peggy Parkey was high point player for Floydada with 8 points.

In the first district game of the season for both teams, the Whirlwind A team won over the Whirlwind B team by a score of 38 to 27. Floydada was in the lead only one time and that soon after the game started. The end of the first quarter found the locals leading 13 to 7 and at the half had a 26 to 16 lead.

The end of the third quarter found the locals leading 35 to 21 but a rally by the Whirlwinds in the fourth quarter cut that lead to the final score.

Sid Thomas was high point for the Longhorns with 15 points while Eddie Fortenberry scored 9 for the locals. For Floydada Stovall was high with 9 points. In the free toss department, the Longhorns made 8 out of 20 while the Whirlwinds were making 9 out of 18.

Kress Games
Last Thursday night the Lockney teams went to Kress where they also swept the series. The A team won 46 to 20, with Sid Thomas making 18 points. The girls won 18 to 11 with June Wiley making 13 points for the Longhorns.

Last Friday night the girls A and B teams played the girls teams from Canyon on the local court dropping both games to the smooth working Canyon teams. The A girls team from Canyon defeated the locals 35 to 15 and the B girls team defeated the locals 37 to 20, Coach Kelly reported.

G. M. A. Meeting Saturday Night

A meeting of the Germania Mutual Assistance Association will be held at the City Auditorium in Lockney Saturday night, Jan. 13, it was announced this week by Hershel Carthel, secretary.

Tax Collector To Be Here Jan. 18

County Tax Assessor-Collector T. T. Hamilton will move his books to Lockney on January 18 for the convenience of local taxpayers. He will set up office for the one day at the Lockney Auto Company and will collect current and poll taxes only.

Mr. Hamilton said this week that out of a total county tax rendition of \$304,068.13, his office has collected a total of \$234,557.10 up to December 31, 1950. This is a little more than 77% of the total.

Up to Tuesday night of this week the office had sold only 1434 poll taxes and had issued five exemptions. This is considerably below normal even for an off-election year, Mr. Hamilton said.

In 1949 his office issued around 2800 polls and exemptions and last year they issued about 3375. Tax payers have until January 31 to pay their taxes without penalty and to secure poll taxes.

New Plymouth Here Saturday

The 1951 Plymouth will be shown at the Billrey-Motley Motor Co. here Saturday, Jan. 13, John B. Billrey said this week. The new Plymouth has many new features, according to advance publicity on it, and many are expected to be interested in it.

New features include new style, an improved riding and driving quality, new engine improvements and other features. Complete details about the new Plymouth will be found elsewhere in this issue.

Mrs. Clay Mercer Dies Monday

Mrs. Clay Mercer passed away in a hospital at Wichita Falls Monday. Funeral services were held at the West Side Church of Christ in Lockney Wednesday afternoon at 2:30 conducted by Earl Cantwell, minister of Silvertown. Burial was in the Lockney cemetery under the direction of Carter Funeral Home of Lockney.

Mrs. Mercer had been in ill health most of her life, relatives said.

The deceased was born Ethel E. Jones at Reagon, Okla., on March 18, 1900. The family lived in Wise county and at Turkey for a while and moved to Floyd County in 1924 settling in the Lone Star community.

Survivors include her husband, one son, W. C. Mercer who lives at home, her mother, Mrs. R. L. Jones and her grandmother, Mrs. Lovejoy, both of Austin; five brothers, Reece Jones of Lamar, Colorado, Robert Jones of Hale Center, Clyde Jones of Tucson, Arizona, James Jones and Pete Jones of Austin; one sister, Mrs. Vernon Gross of the Pleasant Valley community, south of Lockney.

Hospital News

C. E. Flinn was admitted January 6 for injuries received in a car accident January 5.

A. R. Harper was admitted January 6 for medical treatment for injuries received in a car accident. He was dismissed January 10.

Mr. and Mrs. W. H. Pece are the parents of a baby son born January 8.

Ed Milley is still receiving medical treatment.

Two Injured In Car Wreck Friday

Two local men were injured, one of them seriously, when the pick-up in which they were riding overturned on the Floydada highway, C. E. (Fat) Flynn, local blacksmith, is in the Lockney hospital suffering from a badly cut foot, a broken pelvis bone and a fractured right knee and cuts and bruises. Arnold Harper is suffering from cuts and bruises.

The accident happened about three miles out on Highway 70 southeast of town about midnight Friday. Harper was reported to be driving the pickup when he lost control and it overturned two or three times. The pickup was loaded with about 3000 lbs. of grain and the grain was scattered over the highway.

Both men were still in the local hospital Wednesday morning.

M. B. Salmon Dies In Colorado

M. B. Salmon, age 46 years, died in the National Jewish Hospital in Denver, Colo., early Tuesday morning. He and his family had lived at Aiken until about three weeks ago when they went to Denver for his health.

Funeral services for Mr. Salmon will be held at Midway, Arkansas Friday afternoon at 3 o'clock, friends at Aiken have been informed. Mr. and Mrs. Bill Wesley, now living at Peyton, Colo., called friends at Aiken about arrangements.

Mr. Salmon had been in ill health for years. He owned a farm joining Aiken townsite on the north and had lived there four years but recently moved to Colorado in an effort to improve his health. The family had come to Aiken from Umbarger.

Survivors include his wife, a 3-months old son, his father and three brothers in Arkansas, one sister, Mrs. Beatrice Minter of Casen, Texas.

J. P. Court Has First Case Monday

Justice of the Peace J. J. Harris tried his first case in Justice Court Monday afternoon of this week when a young man was charged with reckless driving. Officer Earl Cooper filed the charge and the defendant asked for a trial by jury. The jury found the defendant guilty and he was fined \$25 and costs, but has appealed the case to county court.

Mr. Harris, elected last fall for his first term in this office, is one of Floyd County's new officials.

Cemetery Assn. Well Supported All Last Year

The Lockney Cemetery Association was well supported all last year, Mrs. L. M. Honea, secretary-treasurer reported this week. Considerable work was done on the cemetery and some improvements were made.

Plans are now underway for more necessary improvements, Mrs. Honea said this week. This will begin soon and she suggests that everyone interested in the cemetery check and see if you have made a contribution to the association recently. If you haven't she urges that you send in your check soon so that the association will not be lacking in funds.

Recent contributors to the association were reported by Mrs. Honea as follows: Burton Thornton \$20, Sam and R. C. Ramsey \$15, Dr. E. O. Nichols \$20, C. V. Lemons \$15, Clifton Oliver \$20, A. R. Meriwether \$10, E. H. Foster \$10, B. A. Howell \$10, Joe Anderson \$10, V. Lee Matney \$10, Olen Ridings \$10, Mrs. J. C. Wilson \$10, Mrs. W. B. Wilson \$10, W. A. Carthel \$10, Mrs. H. C. Randolph \$10, J. W. Myers \$10,

Court Sets Official Salaries Wed.

The Floyd County Commissioners Court, meeting in the first real session of the new year, set salaries of county officials Wednesday. The only salary raises were given to justices of the peace and the county road hands. Commissioner Hugh Counts told The Beacon Wednesday night. All other salaries were set at the same level of last year.

Justice of the Peace Precinct 1 and 4 O. B. Olson of Floydada was raised from \$1400 to \$1520 per year and Justice of the Peace Precinct 2 and 3 J. J. Harris of Lockney was raised from \$600 to \$900 per year.

County road hands and the mechanic at the county barn were all given \$10 per month raises. Mr. Counts said that the road hands had not had a raise in salary in three years.

Most Easements Up

Mr. Counts has been working on the easements for the farm-to-market road from Lockney south to Pleasant Valley, west two miles and south to Sandhill and he now has all easements signed except six he told The Beacon. He said that the contract on this road along with the road to Barwise would probably be let the latter part of January.

Junior Fat Stock Show March 14

The tentative date for the 1951 Floyd County Junior Fat Stock Show, sponsored by the Floydada Chamber of Commerce has been set for March 14. This date is about three weeks earlier than we have been having the show, but it is believed that by having the show earlier it will work better for the boys who plan to exhibit animals at other shows in this area.

The classes of livestock exhibited at the show will be fat steers and heifers, both dry lot and milk fed, fat barrows, fat lambs, breeding gilts and sows, and breeding ewes. There will also be a class of Dairy animals.

All FFA and 4-H boys and girls are urged to give their animals special attention from now until show time so that their animal will be in the best possible condition for the show.

Funeral Saturday For Mrs. Upton

Funeral services for Mrs. Eula Upton, 74, of Plainview were conducted at 2 o'clock Saturday afternoon of last week. Dr. A. Hope Owen, pastor of the First Baptist Church of Plainview officiated in the rites at the church.

Mrs. Upton, widow of J. H. Upton who died in 1941, passed away at her home in Plainview at 10:30 Friday morning. She had been in poor health about four years.

Survivors are three children, Mrs. R. W. Wilhite and Miss Helen Upton, both of Plainview, and Raymond Upton, South Plains; five stepchildren, Mrs. J. H. Harper of Lockney; Mrs. E. W. Solomon, Hereford; Mrs. B. M. Ferguson, Amherst; W. E. Upton, Lamar, Colo., and H. A. Upton, Petaluman, Calif. Six grandchildren and twelve step-grandchildren also survive.

Mrs. Upton was born March 23, 1876 in Rockwall County. She and her family moved to Plainview in 1937 from South Plains. She was a member of the First Baptist Church.

Interment was in the Lockney cemetery beside the grave of her husband.

Pie Supper At South Plains Friday

An "old fashioned" Pie Supper will be held at the South Plains school house Friday night at 7:30, it was announced this week. The supper is sponsored by the South Plains Community

Holt Urges Mid-Winter Clean-Up

Joe Holt, chairman of the local Public Health Committee, this week urged that residents of the city go to work on a mid-winter clean-up campaign.

Mr. Holt urges that all weeds be burned and that trash be cleaned up and placed in the alley for removal by the city trucks. He expressed the opinion that a clean-up now would be of great benefit from a health standpoint.

Willbanks Quits As Principal Here

O. B. Willbanks has tendered his resignation as principal of the Lockney grade school effective at mid-term. Mr. Willbanks has accepted a position as class room teacher and playground supervisor in the Seymour school system.

Supt. Sidney Reeves said Wednesday that the board had "two or three" applicants and that they expected to fill the vacancy over the week end.

Mr. Willbanks has been grade school principal here for the past 2 1/2 years and prior to that was employed in the local school system.

His resignation will be effective at the end of next week, Mr. Reeves said. This is the end of the first half of the school year and the new term will start on January 22. Mid-term examinations will be given next week.

Corn And Wheat Planting Curbs Lifted For 1951

Washington. — Planting restrictions for 1951 on corn and wheat were lifted last week. That means farmers can plant and grow all they want of the two great grain staples.

Secretary of Agriculture Brannan said the move results from the national emergency and the country's partial mobilization.

But Brannan warned farmers that "increased livestock numbers" will need pasture as well as feed. And he said each farmer should make sure that in devoting more land to wheat and corn "he is not going violence to continuing needs for soil conservation."

Mrs. Rosa Beard Dies At Lubbock

Mrs. Rosa M. Beard, 76, a resident of Plainview for 45 years until six weeks ago, died Saturday morning at Lubbock. She recently went there to make her home with two daughters.

Funeral services were conducted at 2 o'clock Monday afternoon at the Lubbock Foursquare Gospel Church at Eighth and Q. Rev. Floyd Dawson, the pastor, officiated.

Graveside services were held at the Plainview cemetery at 4:30 Monday afternoon.

Mrs. Beard is survived by five sons, O. R. Beard, Lockney; W. T. Beard, Van Nuys, Calif.; Claude Beard, Los Angeles, Calif.; Otis Beard, San Bernardino, Calif., and Rev. M. D. Beard, Denver, Colo.; three daughters, Mrs. W. P. Ware, Floydada; Mrs. A. C. Parkhurst and Mrs. Harry Wiltbanks, both of Lubbock. Sixteen grandchildren and three great grandchildren survive.

VISIT COAST

Mr. and Mrs. Clark Harris, Joan, Ronnie and Carolyn went on a sight-seeing trip to the coast during the Christmas holidays. Among the places they visited was San Antonio, where they toured the Alamo. They also went into Old Mexico, visited in Corpus Christi, visited the capitol at Austin, and visited Mrs. Harris' mother at Stratford, Okla.

Business People To Meet Friday

Plans were laid Monday night for a meeting of all Lockney business and professional people Friday afternoon at 3 o'clock at the Plains Theatre. A number of things will be presented to the Friday afternoon meeting among them being these:

Re-organization of the business men's club.

Whether or not the business men will continue the Appreciation Day event.

The organization of a local retail credit group.

Possibly other matters will be discussed. Plans were laid for every business man and woman to be contacted during the day Friday and it is expected that every business house will be represented at the meeting.

Plans for the entire year from a civic standpoint will probably be outlined at the meeting and it is urgent that every business house have some say in the matter, it was pointed out.

23,000 Bales Total 1950 Cotton Crop

A check with Floyd County gins by Bob Gibson, County Agent, reveal that there had been approximately 22,988 bales of cotton ginned on January 9. It was also estimated by the gins that there would be slightly less than 100 bales more cotton to be ginned this season.

The total cotton ginned in 1950 is slightly less than one-third the 70,759 bales ginned in 1949. Gibson stated that 1950 was one of the lowest cotton producing years since cotton became a major crop in Floyd County.

The Secretary of Agriculture has requested 16,000,000 bales of cotton and removed all acreage restrictions for 1951 in order to produce this much cotton. Floyd County's quota of these 16,000,000 bales will be something like the 1949 production therefore all cotton growers are urged to plant more cotton in 1951, but not to such an extent that his livestock program cannot be maintained, said Gibson.

Lockney gins turned out 7,810 bales of the county total while Aiken ginned 3850 bales, and the Lone Star gins turned out 1850 bales. Barwise gin turned out 2950 bales. South Plains gin output was unavailable.

"42" Party At Lone Star Friday

The Lone Star Parent-Teacher Association is sponsoring a "42" party at the school house Friday night of this week. The event is just a social affair, no admission will be charged and everyone in the community is invited to attend, it was said.

Lease Hotel Coffee Shop Again

Mrs. Mozelle Billington has leased the Hotel Coffee Shop again and C. C. "Brownie" McDowell is manager. It was announced this week.

Both parties have formerly been connected with the coffee shop and they invite all their old customers as well as new ones to come in and eat with them.

Chiropractors To Meet At Amherst

Newly reorganized District 3 of the Texas State Chiropractic Association will hold a meeting at Amherst at noon January 14. Chiropractors are expected from 24 North Texas counties in the new district which was laid out at the T. S. C. A. convention in Corpus Christi last October. Counties in the district include Bailey, Lamb, Hale, Floyd, Motley, Cottle, Cochran, Hockley, Lubbock, Crosby, Dickens, King, Yoakum, Terry, Lynn, Garza, Kent, Stonewall, Gaines, Dawson,

Borden, Andrews, Martin and Howard.

Officers for the new district were elected at a recent meeting in Lubbock. They are Dr. H. L. Spitzer of Lubbock, president; Dr. T. C. Tinkham, Big Spring, vice-president; Dr. J. V. Miller, Plainview, secretary-treasurer; Dr. D. H. Jarrell, Plainview, state director; and Drs. L. B. Millsap, Lubbock, A. E. Hewitt, Plainview and R. D. Rice, Lubbock, district directors.

If a lighthouse is a sure-enough lighthouse, the fact does not have to be announced through a megaphone.

"YOU NEED MORE THAN a pair of pliers FOR EXPERT SERVICE"

"I was just thinking of the old days on the farm when we tried to fix machines with a pair of pliers and a piece of baling wire. How different it is now! Today's precision-made machines need servicing with precision tools and testing equipment that are accurate to a split hair. That's why I depend on my IH dealer and IH 5-Star Service in his shop to take care of my McCormick Farmall tractor and all of my McCormick machines. He has a big investment in tools and equipment to protect my investment in farm machinery. And he has the IH trained service men who know my machines... who do the job right."

Come in and let us tell you all about the many advantages of getting IH 5-Star Service in our shop... advantages that make your machines last longer... perform better. Come in... today!

Even the Band Fights

NORTH KOREA — Members of the 7th Inf. Div. band, dug in deep snow, are prepared to play a deadly tune with their weapons — much different than the music they play in better circumstances. Note dug-outs reinforced in photo, to give some idea of depth of snow.

Electricity Now On 90 Percent Of Farms-Ranches

College Station.—Approximately 90 percent of all the farms and ranches in Texas now have central station electric service. The bringing of electricity to rural homes has given the farmer and his family, says professor P. T. Montfort of the agricultural engineering department of Texas A. & M. College, a new tool which offers almost unlimited possibilities in revolutionizing farm living and farm operations.

Montfort says electricity is a versatile source of energy. From the same set of wires and by flipping a switch, the farmer may have light, heat or power. Electricity is easy to transport. It can be carried over-head, under ground or between the walls of any point where it is needed. It is safe when transported through a properly designed and constructed system of wiring and when the correct equipment is used. On the other hand, he points out that it can be the cause of fires and serious accidents when wiring systems are not properly installed and when the user becomes careless.

He says the most extensive use is now made of electricity on farms where most of the production and processing activity takes place in or near the farm buildings. Listed in this category are dairy, poultry, truck and livestock farms. Montfort estimates the 7,200 Texas dairy farmers who used milking machines in 1949 saved approximately \$10,700,000 in labor costs alone and the electricity for doing this job cost them about \$155,000. Dairymen have also found, he says, that a high rate of milk production can be maintained when the cows are kept comfortable and that electricity can help do the job.

Using inexpensive electric water heaters during the winter time for warming the cow's drinking water, ventilating fans for cooling the milking barn in the summer time, and better insect control through the use of electric sprayers are a few of the uses that can be made of electricity to help keep "Bossy" comfortable.

Montfort says some 250 profitable ways for using electricity on the farm have been proved by research but generally farmers are using only a limited number of them. He suggests that farmers take advantage of every opportunity that they may have for increasing their knowledge on using electricity on the farm and in the home. He says the housewife, like the farmer, is still doing many back-breaking jobs that could probably be done better and a lot cheaper with electricity and that the time saved could be spent doing some of the things they like to do when the home chores are done.

Perkins Theology Building Will Be Dedicated Feb. 8

Dallas. — Dedication of the seven-building, \$3,500,000 Perkins School of Theology at Southern Methodist University will be held Feb. 8, climaxing Ministers' Week scheduled to begin Feb. 5. At the same time the first official homecoming for alumni and ex-students of the Perkins school will bring to the campus hundreds of ministers in the Southwest.

The dedication ceremonies will

mark the first time that an entire separate plant for a theology school has been constructed at one time, SMU officials believe.

A record attendance of Methodist churchmen from all over the U. S. is expected for the occasion.

There are 492,000,000 acres of forest land in the United States, less than one-half of which contains timber of any size.

It requires 200,000 farmers each providing 1000 bushels of grain a year to support the rat population of the United States.

America's largest ranch is the King ranch in Texas. It comprises a million acres.

The ocean is 1.7 times as long on the Pacific coast as on the Atlantic coast.

8 Cases Of Polio In Texas

Lockney, Texas wound up 1950 with a grim new record in incidence — 2778 cases for the year.

Before in state history so many cases been reported during a 12-month period. Cases occurred during the week in December.

It in itself is significant, for a single week passed that saw at least one case of polio-called hot weather disease diagnosed in some part of the state.

The total 1949 incidence of the disease reached 2355 cases, setting a record up to that time. But there were 53 weeks in 1949 instead of the normal 52. That figure includes cases occurring in all 53 weeks.

In 1949, 100 and 3 counties of the state's 254 were involved in the 1949 outbreak. This is comparable to the 201 counties which experienced polio in 1948.

Counties of Coleman, Harrison, McCulloch, Neufuss, and Tom Green each reported a single case of polio last week of the year. A State Administration hospital reported the case as the year ended, bringing the total for the week from all sources.

The disease reached its peak last August 12, when 131 Texans died. That marked the greatest single weekly incidence ever reported.

At that time State Health Officer George W. Cox ruefully predicted that 3000 cases would be missed before the year ended. He missed his estimate by only eight counties had 20 cases; ten had more than 20; six had more than 100 and three counties—Dallas, Harris, and Tarrant — had more than 200 cases each. Those areas represent the most serious regions in Texas.

In the polio season, Dr. Eddins urged the facilities "of the State Department of Health" local communities in combating polio. The health agency laboratory and field personnel working in cooperation with organizations and local units, were credited with greater proportions. The health department death toll shows 201 polio deaths in the first 11 months of 1950 and 192 deaths from that time during all of 1949. Complete death figures are not yet available for December, a department spokesman said.

Check your expiration date.

My Neighbors

It is more opposed to economic liberalism. How come the greedy fellows call them "liberals"?

The New Plymouth Cranbrook Four-Door Sedan

Featuring improvements which produce unprecedented roadability and riding qualities, the beautifully redesigned 1951 line of Plymouth cars have numerous mechanical improvements and have retained their traditional roominess. Shown above is Plymouth's Four-door Cranbrook sedan.

New Plymouth Combines Beauty and Riding Ease

Detroit, Mich.—Spectacular new qualities which produce driving and riding ease heretofore unknown in automobiles of any price feature the new line of Plymouth cars. Combining smart new body lines with unprecedented interior luxury, the new Plymouth will go on display in dealer showrooms throughout the United States Saturday, Jan. 13.

Designers have given the Plymouth a striking new silhouette, and refinements in the interior are innovations in the lowest price field. The styling improvements retain the traditional roominess of the cars.

Easier to drive and more comfortable, the new cars have greater beauty, more safety features and broader ranges of vision than ever before.

Engineers say the new "Safety-Flow ride" takes the bounce and wallop out of bumps. A new application of hydraulic flow control in the shock absorbers provides a more gradual change of resistance during spring deflections and thus a softer ride when driving on average roads. It also exerts extra resistance on rough roads to a degree where driver and passengers are almost completely freed of the discomfort of being jolted around.

The "Safety-Flow ride" is one of the greatest contributions to driving comfort and safety in recent years, according to D. S. Eddins, president of Plymouth Motor Corp.

"The new Plymouth gives you roadability never before offered in any car," he said. "There is no necessity for steering wheel fatigue to control the car on difficult roads. The driver is no longer required to focus full attention on the condition of the road. He may be more watchful of oncoming traffic, pedestrians, curves, crossroads and other potential hazards."

Eddins called the new development a major step toward restful motoring. More confidence is gained by driving or riding in a new Plymouth with the "Safety-Flow ride," and as a result there is less driver and passenger fatigue, he said.

The lines of the new Plymouth

have been beautified. An appearance of massiveness combined with smart streamlining is induced by a new grille, beautifully redesigned front fenders and hood, a wider windshield and a larger rear window. Narrower windshield pillars together with the wider windshield provide additional lateral vision. To utilize fully the greater vision through the new rear window, the rear view mirror is two inches wider. The chair-height front seat and the new design of hood and front fenders permit the driver to see the road nearer the car.

There are numerous mechanical improvements. Windshield wipers are electrically operated, and are of the single-speed, self-parking type.

A unique pressure-vent radiator cap, which has been added as standard equipment, permits the cooling system to be operated at atmospheric pressure during normal driving conditions. Under high-load, high-temperature driving conditions, the new radiator cap provides a pressurized cooling system to allow high coolant temperatures without boiling or loss of anti-freeze.

All Plymouth engines now have a built-in by-pass cooling system permitting water circulation and resulting in more uniform temperature throughout the engine during the warm-up period. The new system consists of a passage in the cylinder head and block providing direct access to the water pump, and a choke-type thermostat to regulate coolant flow to the radiator.

The generator output has been raised to 45 amperes, an increase of five amperes, providing greater electrical capacity for the operation of car accessories. The new hand brake "T" control handle is more accessible, and, as on former models, it operates independently of the foot brake as an added safety measure.

In the convertible club coupe, the spare tire is mounted vertically as in other coupe and sedan models, rather than on the trunk floor.

The new Plymouth interiors offer the finest selection of upholstery and trim and the most harmonious color

schemes in the company's history. The colors which have been chosen provide throughout the interior a pleasing combination of shades in harmony with the car's exterior color. Designers say the interior is an unparalleled achievement in combining practicality with luxury. Always noted for spaciousness, Plymouth now has even more head room and more room to stretch out in comfort in the rear seat.

To go with the high quality of the upholstery, there is a handsome new instrument panel which features a more convenient grouping of controls, newly shaped instruments and improved coloring and lettering for easier checking while driving.

The wide, deep chair-height seats, the ease of entrance and exit, and all the other traditional Plymouth features for driver and passenger comfort have been retained.

There are nine body-types in the new Plymouth line: the Concord series includes a two-door sedan and a three-passenger coupe as well as the two all-metal utility models, the Suburban and the Savoy; the Cambridge series has a four-door sedan and a club coupe; and the Cranbrook series includes a four-door sedan, a club coupe, and a convertible club coupe.

The Suburban and the Savoy, with their smart, distinctive lines are all-purpose vehicles. They have the beauty and comfort of a sedan, and by simply lowering the rear seat flush with the floor they become sturdy cargo carriers for farmers, salesmen, sportsmen, tourists or others who require large cargo capacity. The Savoy, called the "country-club companion" of the Suburban, provides a greater variety of luxurious interior appointments and more exterior refinements to enhance the car's striking appearance.

Among the "high-priced car" features which are retained are six-cylinder, 97-horsepower engine with a 7 to 1 compression ratio, the combination ignition and starter switch, automatic electric choke, super-cushion tires, safe-guard hydraulic brakes, and safety-rim wheels.

That the farming industry has come a long way is indicated by the fact that the young man named this year as the prize Future Farmer of the nation has earned, up to the time the honor was bestowed upon him, some \$45,000 in his farm operations. Time was when a young man

was considered a highly successful farmer if he could scrape together that amount of money after fifty or sixty years on the farm.

The optimist is often as wrong as the pessimist, but he is far happier.

The foolish person seeks happiness in the distance; the wise one grows it under his feet.

Dollars don't go very far these days, but they seem to go far enough to never get back.

GO TO CHURCH SUNDAY.

Lone Star News

By Mrs. Harold Griffith

There is to be a community 42 party in the school house Friday night, sponsored by the P. T. A. Everyone is invited to attend. Bring dominoes, tables and cookies for your family. The club will serve punch and coffee.

Those enjoying the New Years holidays in the Albert King home were Mr. and Mrs. Ben O. King of Silverton with Mr. and Mrs. Noah Amonson of Canyon.

Mr. and Mrs. Tom Wells and Nell with Mr. and Mrs. Tom Edd Wells and family of Halfway spent last week in McGregor visiting relatives.

Those enjoying a New Years family get together at the home of Mr. and Mrs. Sidney Rodgers and children in Plainview on New Years day were Mr. and Mrs. Bailey Henderson, Deanie and LaJuan, Nita Kellison, Mr. and Mrs. Conrad Henderson and sons, Mr. and Mrs. Walter Brannon and girls of Silverton, Mr. and Mrs. Luther Vardell and girls of Clovis and Mr. and Mrs. John Vaughn of Silverton.

Mr. and Mrs. W. T. Rankin visited in Clovis, N. M. Christmas in the Reginald Brown home.

Myra Applewhite, senior at Baylor, spent the Christmas holidays in the home of her parents, Mr. and Mrs. G. C. Applewhite and Louise. They all spent Tuesday night and Wednesday in Canadian as guests of their son and brother, Mr. and Mrs. Calvin Applewhite.

Edith Johnston of Lubbock visited in the G. B. Johnston home Christmas and New Years.

Mr. and Mrs. Delbert Phillips of Dallas, Elbert and B. J. Phillips visited in the B. R. Phillips home Christmas.

Eleanor and Betty Wingo spent the Christmas holidays in the home of their parents and aunt, Mr. and Mrs. W. H. Wingo and Miss Lillie Wingo.

Those visiting in the Harold Griffith home over the New Years holidays were Mr. and Mrs. Leon Webber of Tulsa, Okla. Mr. and Mrs. Chester Griffith and girls, Mr. and Mrs. Hubert Griffith and family, Mr. and Mrs. Elton Griffith and family of Lubbock, Mrs. Walter Griffith, Kenneth Wayne Griffith, Jay B. and Mark Harbin of Whitharrell.

Mrs. Lina Phillips of Plainview spent last Monday night in the D. J. Phillips home.

Mr. and Mrs. L. M. Readhimer, Nita Jo and Glenda Ann, C. B. Smart, with Mr. and Mrs. Har-

old Griffith spent from Friday until Tuesday in Dallas and Fort Worth. On Saturday they saw Wichita Falls and Austin play football at Dallas. On Monday Harold and Lloyd attended the Cotton Bowl game in Dallas between Texas University and Tennessee. They also visited in the home of Mrs. Readhimers sister, Rev. and Mrs. A. A. Peacock in Fort Worth several times.

The community was sorry to lose the Gene Belt family who have moved closer to town. We hope they enjoy their new home. We extend a welcome to the new families moving into our community and trust they will enjoy being here.

Those enjoying Canasta in the Clyde Farish home Monday night were Mr. and Mrs. Jack Frizzell and children, Mr. and Mrs. Howard Mosley and sons and Mr. and Mrs. Lowell Jarrett and Larry.

Mr. and Mrs. Bailey Henderson and Mrs. Sidney Rodgers and children of Plainview attended a birthday dinner in Silverton last Wednesday honoring Mrs. John Vaughn. Mrs. Vaughn is Mrs. Henderson's mother.

Mr. and Mrs. Tom Word and girls visited in Silverton last Friday night in the Obie Word home.

Mr. and Mrs. James Wiggington are the proud parents of a new daughter who arrived last Friday night at the Lockney Hospital. The new daughter has been named Nancy Christene. Mrs. Wiggington and daughter are at the home of his parents in the Cedar Hill community.

Mrs. L. M. Readhimer, Mrs. Reed Lawson, Mrs. Jack Frizzell, Mrs. Howard Watkins and Mrs. Clyde Farish were in Lubbock last Friday shopping.

Herman King and A. O. Foster were in Amarillo last Friday on business and visiting relatives.

Mrs. Jimmie Stover and baby daughter left last Friday for Mt. Pleasant to visit with her parents, Mr. and Mrs. Tom Shroves and family for about a month.

Mr. and Mrs. D. J. Phillips and children visited in Plainview Sunday in the home of his mother, Mrs. Lina Phillips.

Mr. and Mrs. Jack Frizzell and children, with Mr. and Mrs. L. M. Readhimer and Jo were dinner guests in the Lowell Jarrett home Saturday night.

Dinner guests in the C. L. King home on Sunday were Mr. and Mrs. Glenn Horton, Mr. and Mrs. Harlow Downs and children, Mr. and Mrs. Walter Downs and Mr. and Mrs. Hardy Downs of Littlefield.

Mrs. Herman King and Ben Richard visited in the W. H. Workman home Monday afternoon while Herman attended a R. E. A. meeting in Floydada.

Mr. and Mrs. Harold Griffith Dean and Dennis, were dinner guests in the Frank Roberson home on Sunday. Others present were Mr. and Mrs. T. J. Roberson and children.

LaJuan Henderson spent several days week before last visiting relatives in Clovis.

Mr. and Mrs. Ira Graves and daughters with Velma McClure visited Mrs. James Wiggington and new daughter, Nancy in Cedar Hill Sunday afternoon.

Mr. and Mrs. C. P. Lane with Mrs. Nettie E. White of Petersburg spent Sunday in the J. E. Stover home.

Rev. and Mrs. Ross Harmonson with Jim Nance and Mrs. Dick Patterson of Lubbock attended a State Evangelistic Conference in Dallas Tuesday and Wednesday. Mrs. W. T. Rankin taught for Mrs. Harmonson while she was away.

Mr. and Mrs. Harold Griffith and sons, Mr. and Mrs. Raymond Nelson and Janie and Mr. and Mrs. B. E. Harris were visitors in the V. D. Harris home late Sunday afternoon.

Mrs. Hugh Counts and Mrs. A. L. Vernon of Lockney are studying ceramics with Mrs. Albert King.

Deanie Henderson was at Plainview Monday to see a dentist.

Mr. and Mrs. A. E. Frizzell visited in Silverton Sunday, visiting in the home of Mr. and Mrs. George Long and daughter.

Mr. and Mrs. Shorty Hartman and family with Mr. and Mrs. B. R. Phillips were in Wellington Sunday visiting relatives. Mr. and Mrs. Hartman visited with Mr. and Mrs. Lacy while Mr. and Mrs. Phillips visited Mr. and Mrs. Mercer.

Mr. and Mrs. Jack Frizzell and children visited in the Milton

Frizzell home in Rock Creek Monday night.

Callers in the J. B. Nance home Sunday afternoon were Mr. and Mrs. Charley Noland and family of Hereford, Texas.

Visitors in the W. D. Nance home Saturday night and Sunday were Mr. and Mrs. Charlie Noland and family of Hereford.

Mayme Lou and Bobby Nance of Amarillo.

Mr. and Mrs. J. C. Boswell, Okla. spent several days in the home of Mr. and Mrs. Howard Watkins and family.

Sterley News

by Mrs. M. A. Boone

worst property damage flood waters in this country in 1927, when the lower Mississippi broke through its banks and spread over 20,000 miles. The property loss was \$270,000,000.

Mrs. W. E. Johnston is spending this week in Floydada with her mother, Mrs. Ginn. Mr. and Mrs. A. K. Glover and family visited relatives in Bovina Sunday.

The Sterley home demonstration club met Thursday in the club room with Mrs. A. H. Suiter and Everett Rivers as hostess. Refreshments of spiced tea and sandwiches were served to twelve members and one guest.

Mr. and Mrs. David Hulien of Amarillo visited over the week end with their daughter, Mrs. Lester Rivers.

Mr. and Mrs. Gracen Hunter and Regina Kay of Benr, Oregon and Mr. and Mrs. Glenn Gibson of Quitaque visited Mr. and Mrs. Everett Rivers Sunday night.

Mrs. A. H. Suiter entertained the young people with a party at the club house Friday night. Games were played and refreshments of sandwiches and hot chocolate were served.

Maxine Owens, Kenneth Crawford, Lowell Dean Owens and wife and son Larry of Burnett, Texas visited this week in the home of Mr. and Mrs. V. E. Penix.

Mr. and Mrs. V. K. Nelms visited Mr. and Mrs. L. A. Claborn Sunday.

Mr. and Mrs. B. A. Howell visited Sunday in the G. A. McAda home.

Mr. and Mrs. Robert Lee Crawford were dinner guests Sunday in the Cliff Gilley home.

The 6,068 cases of infantile paralysis reported thus far in 1950 are 1,135 less than for the same period in 1949.

The Carlsbad Caverns in New Mexico, are estimated to be 200,000,000 years old and have not yet been completely explored.

HOLLYWOOD'S NEWEST

Hollywood's newest "find" is beautiful Faith Domergue. After being groomed for several years by RKO Pictures, she now is making her debut in the recently released movie, "Where Danger Lives." Here, fashionable Faith wears a bare-shouldered cotton sundress for the California climate. A feminine note is added with the dainty apron effect in crisp white cotton.

Simple Inaugural Ceremony Scheduled For Gov. Shivers

Austin. — A simple "swearing-in ceremony" here Jan. 16 will start Gov. Allan Shivers on his first full term in the state's highest office.

The Governor will take the oath of office at noon that day on the front steps of the state capitol. It will be administered to both Shivers and Ben Ramsey, Lieutenant-governor elect, by J. E. Hickman, chief justice of the state supreme court. Both Shivers and Ramsey will make brief inaugural addresses.

The only state function to be held in connection with the inaugural is a reception at 7 p. m. in the capitol rotunda, where the public will have a chance to meet Shivers, Ramsey and other state officials.

No inaugural invitations are being sent out, as a result of the Governor's request for a simple ceremony.

Because of the international situation, Governor Shivers asked the Citizens' Inaugural Committee to abandon plans for the usual elaborate festivities normally scheduled for a Governor's inaugural.

WTCC to Increase Farm Activities

Abilene. — Agricultural and livestock activities of the West Texas Chamber of Commerce will be projected into every section of West Texas as a part of the organization's 1951 program of regional and community level services. Fred H. Husbands, executive vice president and general manager of the WTCC, announced today.

George A. Logan, former manager of the agricultural department of the Waco Chamber of Commerce, assumed management of the WTCC's agricultural and livestock department on January 1. Logan will spend most of his time in the field on regional projects and activities, and cooperating with local chambers of commerce and farm and ranch groups in organizing and activating agricultural and livestock programs, Husbands said.

Development of more efficient marketing practices and procedures for agriculture and livestock, more and better farm roads, and water and soil conservation for improved and increased production will be important area-wide projects of the department, Logan said.

Services of the WTCC will also be available to chambers of commerce and other farm groups throughout the territory in helping to organize and expand local agricultural and livestock programs, and in county and area fair planning. These services will include advisory assistance in the selection of committees, planning sound programs of work, financing, and methods of successfully executing the program for maximum benefit to all concerned.

A graduate of Texas A and M College, Logan has spent several years in extension and soil conservation services and on the faculty at Texas A. and M. as graduate assistant in agricultural economics. He is 36 years old.

At Waco, he received wide recognition for outstanding work in developing the state's first Save-A-Farm Day with the complete rebuilding of a worn-out 185-acre farm, the state's first economy beef program for farm boys and girls, an extensive milk production program, an early cotton stalk destruction project, and the development of plans for a

\$1,250,000 agriculture and livestock exposition.

Other Central Texas projects supervised by Logan were corn contest activities and a coordinated cotton production program. This included cotton insect control, cotton labor supply, cotton growing contest and first bale auction.

The Waco Farm and Ranch was developed by Logan to meet the needs of landowners

and "windshield" farmers and ranchers.

Logan is a charter member of the Texas Commercial Agricultural Council, and was made an honorary Lone Star Farmer in 1948 for outstanding work with FFA programs in the Central Texas district.

Our ideals are the blue prints of our lives; if it happens that the blue print is mistaken, the life is misshapen.

Society News

Miss Laura Casey Wed Recently

Miss Laura Casey, daughter of Mr. and Mrs. R. E. Casey of Colmae, was recently married to Robert C. Ryan of Colorado Springs, Colo. The couple were married on Saturday, Dec. 30 at Clovis, N. M. They will make their home at Colorado Springs. The bride at one time made her home here with her uncle, the late T. F. Casey. She has a number of distant relatives here.

Steel that loses its temper is worthless—so are men.

SPEND CHRISTMAS IN NORTH CAROLINA

Sergeant and Mrs. Chas. Givens and daughter spent Christmas in Welcome, North Carolina with Mrs. Givens sister, Mrs. C. E. Shouse. Later they traveled on to Charleston, West Virginia to spend New Years with Mr. Givens family, Mr. and Mrs. Fred Givens. Mrs. Givens and daughter returned home Saturday, January 6.

CARD OF THANKS

We wish to thank everyone who had any part in making our Christmas most enjoyable.
Mrs. A. O. Gilder.

Lockney H. D. Club Meets January 11

The Lockney Home Demonstration Club will meet Thursday afternoon, January 11 at 2:30 in the home of Mrs. I. A. Applewhite.

The program for the day will be on the Year Book and on the Reading List for 51. There will also be several reports on Hoover's Commission of Agriculture.

Each member is to be reminded to bring your gift for your Club sister for the past quarter.

Each and every homemaker in Lockney is urged to join the Home Demonstration Club, and you are welcome to attend at any time.

No boy ought to be allowed to handicap the man who is to be, through the indulgence of the boy who is.

City Cowgirl

Right from the wide open spaces comes this "dude shirt" inspired tailored classic in rayon gabardine by Fashion Frocks of Cincinnati. The shirtwaist top, in rich ranch brown with grey, features western-style saddle-stitching.

Newton-Munselle Vows Read Here

In an impressive double ring ceremony performed in the home of her parents, Mr. and Mrs. J. E. Newton, Lockney, Miss Myrtle Lou Newton became the bride of John A. Munselle of Lubbock on Thursday, January 4 at 9:30 p. m. Rev. E. J. Cobb, pastor of the Lockney Baptist Church read the vows.

Poinsettias and candles decorated a table at the double windows. Miss Mary Joyce Griffith played the traditional wedding march from Lohengrin by Wagner.

The bride, given in marriage by her father, was dressed in a blue gabardine suit, white crepe blouse and accessories of blue and white. Her corsage was of red roses. Something old was a white Bible, gift from her mother, something borrowed was a handkerchief belonging to Mrs. C. A. McClure, something new and blue was her suit. She wore a penny in her shoe.

Miss Bonnie Singer, niece of the bride, was bridesmaid. She was dressed in a bronze suit with black accessories and a corsage of white Carnations. Edgar Hartley served the bridegroom as best man.

The mother of the bride wore a light grey suit and black accessories with a corsage of red carnations. The mother of the bridegroom was dressed in a dark grey suit and black accessories with a corsage of red roses.

Mrs. Munselle is a graduate of Lockney High School with the class of 1950. She attended Lippert's Business College, Plainview and was employed at the time of her marriage with Southwestern Bell Telephone Co., Plainview.

A reception was held in the Newton home immediately following the ceremony. The serving table was laid with a lace cloth and centered with a tiered wedding cake on a ruffled dolly. A miniature bride and groom topped the cake which was decorated with pink and yellow roses and bore the names, Myrtle Lou and Johnny, Bonita Glover and Mrs. Verne Newton, both of Plainview, served cake and ice cream to sixteen guests and the bridal couple.

Immediately following the reception the couple left on a trip to Carlsbad, New Mexico. They are now at home at 2308 3rd Street, Lubbock. Mr. Munselle is employed with Furr Food Store there.

DINNER GUESTS

Dinner guests with Mr. and Mrs. E. J. Thomas on Christmas Day were Mr. and Mrs. Will Sims of South Plains; Mrs. Austin, Abilene; Miss Anna Sims, Plainview; Mr. and Mrs. J. A. Darden and Mary Jane, Manatau Springs, Colo.; Cpl. Aisie Darden, Shepherd Field, Wichita Falls, Texas; Mr. and Mrs. Joe Rogers, Mrs. Frances O'Hearn. Calling in the afternoon were Mr. and Mrs. Jimmie Sams and Judy of Littlefield, Mrs. Revis Harris, Lynda and Billie Nell, Mrs. Donnie Bybee and Diane, Mrs. G. T. Meriwether and Susan, El Paso, and Mr. and Mrs. Guy Sams.

The greatest of all human benefits is independence.

Know what you want to do, and

Wilson-Spears Vows Read In Home Ceremony

In a quite and impressive ceremony in the home of the Bride's parents, Jan. 5 Miss Almeta Joyce Wilson, daughter of Mr. and Mrs. Alvin Wilson of Lockney, and George William Spears, son of Mr. and Mrs. W. M. Spears of Floydada, were united in marriage. Rev. E. J. Cobb, pastor of the First Baptist Church in Lockney read the marriage vows at ten o'clock in the morning.

The home was decorated with baskets of white Gladiola and white candelabra, on either side of a picture window. Drapes of lace, fern and baby mums framed the window. The dining table held an arrangement of white lily, brother and cousin of the Gladiola.

Gail Wilson and Dennie Smalbride lighted the candles. Mrs. C. L. Record played the pre-nuptial music, I Love You Truly, and Indian Love Call. Miss Nova Jean Cox served as maid of honor and John Moss served the groom and best man.

The bride was gowned in a light blue lace dress with navy accessories. Her shoulder length veil was held in place with pink rosebuds. She carried a corsage of pink rosebuds on a white Bible tied with white streamers. For something old she carried a linen handkerchief, belonging to her cousin, Mrs. Glenn White. Something new was her wedding attire. Something borrowed was a white Bible belonging to her brother, and she also wore a blue garter and a penny in her left shoe.

The Maid of Honor wore a blue crepe dress with navy accessories, her corsage was of pink carnations.

Mrs. Wilson, mother of the bride, wore a black dress with black accessories. Her corsage was white Gardenias. Mrs. Spears, mother of the groom wore a black dress with black accessories. Her corsage was of white Gardenias.

The bride graduated from Lockney High School with the class of 1950. She is now employed at the Hesperian Office in Floydada.

The groom graduated from Floydada in 1949. He attended West Texas State College for one year and is now employed at the Santa Fe Depot in Floydada.

After a short wedding trip the couple will be at home in Floydada.

ADOPT BABY

Mr. and Mrs. Glen Cooper are parents of a new baby daughter by adoption. The young lady was born January 4 and weighed seven pounds, 14 ounces. She has been named Glenda Gayle.

LaVentana Study Club Has Luncheon

The LaVentana Study Club met Tuesday afternoon, January 9 in the home of Mrs. Bill Johnston for their annual New Years luncheon.

Mrs. Joe Foster was guest speaker for the day and spoke on "Protection from the Atom Bomb."

Officers for the new year were also elected as follows: Mrs. C. D. Merrick, President; Mrs. A. H. Suitor, Vice President; Mrs. W. T. Rankin, Second Vice President; Mrs. Herman Huffman, Secretary; Mrs. Albert King, Parliamentarian; Mrs. Ben McCreary, Treasurer; and Mrs. Baxter, Reporter.

The next meeting will be on January 23, in the home of Mrs. Wofford.

Miss Powell Bride Of Bobby Plumlee

Gracie Lee Powell of Las Cruces, New Mexico became the bride of Pfc. Bobby C. Plumlee Saturday evening at 7 o'clock in the Baptist church in the Center community, north of Floydada. Rev. C. C. Calhoun, Nazarene pastor in Floydada, officiated at the service as the couple stood before an arch of fern intermingled with white bows. Branched candelabra were on either side of the arch.

Attending the couple were James Mayfield and Loydene Hall of Las Cruces, New Mexico. The bride wore a gown of slipper satin, fashioned with a net yolk and low neckline. Satin material resembling a bertha ruffle extended from the back of the waist over the sleeves and came to a point in front. The long ruffled skirt was tied in front with two white roses. The elbow length veil fell from an array of carnations. She carried a white Bible topped with gardenias.

The bride is a daughter of Mr. and Mrs. Perry Powell of Tucumcari, New Mexico, where she graduated from high school. She attended the Pasadena Nazarene College two years and is now employed as typist at the White Sands Proving Grounds near Las Cruces, New Mexico.

The groom is the son of Mr. and Mrs. Carl Plumlee of Floydada and is a graduate of Floydada High School. He has been in the Army two and a half years, stationed at the White Sands Proving Grounds. Following a short wedding trip the couple will be at home in Las Cruces.

"Trouble with so many politicians is they have a champagne appetite on my beer income!"

GOOD HEALTH

1. HOW MANY CHILDREN HAVE WE? Answer to Question No. 1: Children make up almost one-third of the United States' 150 million citizens. Thanks to a continued high birth rate and a steadily falling death rate, the child population reached an all time high of 47.5 million in 1949. This is six million greater than in 1940. Answer to Question No. 2: 2. They are probably more health conscious than any other people in the world. Foreign visitors often comment on the widespread interest of the average American in medical discoveries. Newspapers, magazines, radio and television have

Grass-Carroll Vows Read In Clovis

The home of Mr. and Mrs. James Crane was the scene for the wedding of Nola Jean Grass, daughter of Mr. and Mrs. Warren Grass of Herington, Kansas, and Pvt. James M. Carroll, son of Mr. and Mrs. Hugh Carroll of Lockney. The vows were exchanged Tuesday, December 26, at Clovis, New Mexico at four o'clock with Reverend William E. King, pastor of the Central Baptist Church, reading the double ring ceremony.

For her wedding, the bride chose a blue wool suit with matching accessories and a corsage of red rosebuds. The couple's only attendants were Mr. and Mrs. Crane, sister and brother-in-law of the groom.

The couple are living at Fort Monmouth, New Jersey, where Private Carroll is stationed with the Signal Corps Laboratories.

Mrs. Carroll was graduated from the Herington high school with the class of 1948. She attended Kansas State Teacher's College at Emporia for two years and is a member of Alpha Sigma Alpha sorority.

Private Carroll graduated from Lockney High School in 1945 and from Texas Technological College at Lubbock in 1949, with a B. S. degree in Electrical Engineering. He is a member of Los Comrades social club fraternity, Alpha Chi, American Institute of Electrical Engineers.

Betty Dickerson Is Bride Of Robert McPherson

Saturday evening, December 30 at Clovis, New Mexico, Betty Dickerson, daughter of Mr. and Mrs. Elbert Dickerson of Silverton, became the bride of Robert McPherson, son of Mr. and Mrs. Houston McPherson. The vows were read by Reverend W. E. King, pastor of the Central Baptist Church of Clovis.

The bride wore a gold suit with black and off white accessories. For something old and borrowed she wore an Indian Head penny in her left shoe. For something blue, her earrings and something new was her wedding suit.

Mr. and Mrs. Edwin Dickerson, brother and sister-in-law of the bride, attended the couple.

The bride graduated from Silverton High School in 1950, attended Lippert's Business College in Plainview and is now employed at the First State Bank in Silverton.

The groom graduated with the 1950 class at the Silverton High School and has been engaged in farming in the Silverton area.

TO BE MARRIED SUNDAY

Friends here have received invitation to the marriage on Sunday, January 14, of Miss Freda Jean Brewer to Rev. Bobby Lee Vann at the First Baptist Church in Eldorado, Okla. Miss Brewer is the daughter of Mr. and Mrs. Everett Brewer and the family formerly resided near here.

Macaroni is one of the few things that no cook can prepare that will taste like anything of itself. It is what the cook puts in the macaroni that makes it a food.

New Beef Carcass Grades Announced

College Station. — Changes in the Federal grade standards for steer, heifer, and cow carcasses have been approved and became effective on December 29, says the Production and Marketing Administration of the U. S. Department of Agriculture. The changes are in line with a USDA proposal made on May 12, 1950.

Under the new standards, the present Prime and Choice grades of beef will be combined under a single grade, to be known as Prime. The present Choice grade will be known as Good, and a new Good grade will consist of beef from the higher quality cattle now graded Commercial.

These changes are being made in an effort to make the grades more closely identify the different kinds of beef produced and preferred by the housewife, says Roy W. Snyder, meats specialist for the Texas A. & M. College Extension Service.

Snyder points out that the higher quality young beef in the present Commercial grade is popular with many housewives. Its identification as a separate grade will be beneficial to both the producers and consumers.

He says that less than one-half of one percent of the total

U. S. beef production qualifies for the present Prime grade, but with the combining of the present Prime and Choice grades, the new Prime grade will become an important factor in meat grading.

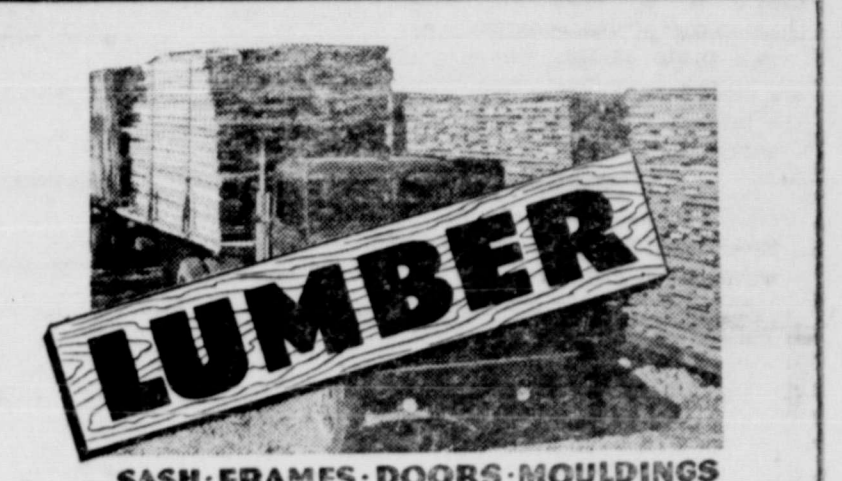

Snyder says that these changes in beef grade names should have no effect on price. Beef prices are determined by the demand of certain grades. Grades are a uniform guide for use in trading in meats.

These announced changes will

affect only Prime, Choice, Good and Commercial carcass beef grades. The standards for Utility, Cutter, and Canner grades will remain unchanged. The Production and Marketing Administration is now taking steps to bring the grade standards for slaughter cattle in line with the revised grade for beef carcasses.

EDITORIAL

The Lord is my light and my salvation; whom shall I fear? the Lord is the strength of my life; of whom shall I be afraid?—Psalms 27:1.

U. S. News and World Report began a recent article on international affairs with these words: "Joseph Stalin once again is making an offer of peace to the West. The Russian dictator makes it plain that peace can be had now, as it could have been had all along, at a price."

The catch, of course, lies in the phrase "at a price." For, according to the same well-informed magazine, here is what Russia is demanding: "Asking price for peace is Asia—abandon Korea to the Communists; give China's UN seat to the Communists; give Formosa to the Communists; give Communist China a voice in deciding Japan's future; withdraw Western forces from Southeast Asia. Asking price for peace in

Europe—accept permanent Russian control of Eastern Germany; give Russia a voice in the management of Western Germany; accept Russian control of Albania, Hungary, Bulgaria, Rumania, Poland Czechoslovakia; abandon plans to help Western Europe re-arm."

This is a sky-high price, but Russia shows no evidence that she might be willing to lessen it materially. It is equally clear that the United States will not pay that price or anything resembling it. It would, in the American view, be appeasement of a character even more potentially ruinous than that of Munich just before the last war.

Yet the Western powers certainly do not see eye to eye on the matter. Some of them would go a long way toward meeting Stalin's demands. Britain, for example, despite the fact that British troops are fighting in Korea, wishes to give Red China a seat in the UN and let her have Formosa. Italy and France, despite brave words from some of their leaders, seem willing to go to the most extreme lengths to avoid war—lengths which would, in the view of many authorities, pave the way for Russian domination of Europe without the firing of a shot.

It is apparent, therefore, that one of the hardest and most basic tasks now facing this country is to persuade Western Europe to do something more than talk about the Red menace. The feeling is unquestionably widespread that we cannot do any more for Europe until and unless she demonstrates her willingness to do for herself.

The hope of stirring Europe into action now rests, largely, on an individual—General Eisenhower. His selection as supreme commander of all the Atlantic Pact nations was virtually inevitable. His prestige abroad is undoubtedly greater than that of any living American. During the last war, he demonstrated high qualities of statesmanship, no less than military virtues. He is driving and single-minded. It is commonly felt that if Eisenhower can't do the job, no one can.

General Eisenhower has gone to Europe with a command which, measured geographically is the largest held by any single commander in history. Yet, meas-

TO ARM A FREE WORLD

ured in terms of divisions and air forces and fighting power, it is pitifully small and exists largely on paper. It is his appointed task to remedy that situation—and to reconcile all the conflicting views and old jealousies and enmities which have stood in the way of a remedy—at the earliest possible time. It can be said with full truth that the eyes of the world, East and West alike, will be upon him.

With Our EXCHANGES

TEXAS' BLESSINGS . . . It has been our policy, along with at least six million other Texans to complain about ever increasing high taxes. A comparison of our situation here with our neighboring states was recently brought to our attention. It shows that in Texas we definitely have the lesser of the evils. Best of all, we have no personal income tax, as do Louisiana, Arkansas and Oklahoma. Busi-

more taxes has proved to mean less business. We hope our legislators keep this in mind. — Post Dispatch.

WHO'S PROFITEERING?

We don't suppose you will believe us, but its true that Crosbyton merchants are actually making less money on each dollar's worth of merchandise now than they were before prices began to rise with the Korean war. Its no fun—and we speak from personal experience—to be making less on an article, then to be accused by a customer of profiteering.

We don't blame people for not liking the higher prices — we don't either. But if there is any profiteering done, it's before the merchandise reaches the retailer. It may be the manufacturer, or it may be the wholesaler, but you can rest assured that your retailer isn't going to raise his prices unless it is absolutely necessary—if he does he won't be in business very long.

It is a common practice of retailers to absorb price increases just as long as it is compatible with good business. But when wholesale prices reach the point where the retailer cannot make a profit, or even break even at the old price, he cannot be blamed for raising his prices.

One retailer told us this week that he told his customers when accused of profiteering, "Yes, I'm really getting rich." That's what they will believe anyway, he said. We happen to know that this merchant is having the same difficulty that at least nine-tenths are having in meeting their ever-increasing wholesale costs.

All this has a moral. Before accusing your favorite retailer of profiteering, be sure that you aren't benefiting more by inflation than he is. A little investigation might show that soaring prices are hurting him just as much or more than they are you.—Trends in Crosbyton Review.

Long Ago In Lockney

Items of interest from the files of The Lockney Beacon.

February 11, 1909

J. R. Moore of Whitfield, was down Saturday and Sunday of last week visiting W. R. Stovall and wife.

Tuesday the A. G. McAdams Lumber Company bought three lots off the J. S. Pickle block and are now building the lumber sheds and office and stacking the lumber on the ground.

J. F. Conner has been back near a week from Cuero and Port Lavaca, where he had been attending court and visiting. While he was gone he had plenty of wind, dust, and a good time.

Saturday H. T. Marsh was struck on the leg by a falling exhaust pipe, necessitating the use of a crutch for a day or two, the muscles of the limb being badly bruised.

W. M. Beall of Center, is in Floydada visiting his old friend, G. I. Brittain. Mr. Beall was much pleased with Lockney and may locate here.

H. A. Thompson, pastor of the Baptist Church, returned the latter part of last week from Oklahoma, Fort Worth, and his old home in Parker county.

Hub Ellis returned Sunday from Matador where he went on business.

March 14, 1919

Oscar Howard, son of Mr. and Mrs. H. Howard, is back from France, coming in Monday from Camp Travis where he was mustered out of service.

Dr. Thomas and Greer attend-

ed the Hale-Floyd County Medical Association at Ft. Tuesday afternoon.

W. A. Wedwick, the new barber and optician, visited folks at Silverton last Saturday and Sunday, returning Monday.

Mrs. Will Duke returned from a two week visit to relatives at Wichita Falls, Park and Leuders.

Mrs. C. Applewhite and her Coreine, of the Lockney Community were in town Tuesday shopping.

Mrs. Sophie West and Anna and Pauline Sims were in town Tuesday some shopping.

Mrs. W. E. Broyles and L. Norris left Monday for a visit to the Kellys.

Reverend J. R. Fort recently underwent an operation at Floydada was here Wednesday in company with his wife, here they were guests of niece, Mrs. E. L. Wood.

NEW 1951 Chevrolet

AMERICA'S LARGEST AND FINEST LOW-PRICED CAR

It has that longer, lower, wider big-car look!

- NEW! AMERICAN BEAUTY DESIGN**—Brilliant new styling . . . featuring new grille, fender moldings and rear-end design . . . giving Chevrolet that longer, lower, wider big-car look.
- NEW! AMERICA-PREFERRED BODIES BY FISHER**—With strikingly beautiful lines, contours and colors . . . plus extra sturdy Fisher Unisteel construction, and Curved Windshield with Panoramic Visibility.
- NEW! MODERN-MODE INTERIORS**—With upholstery and appointments of outstanding quality . . . and with extra generous seating room for driver and all passengers on big, deep, "Five-Foot Seats."
- NEW! SAFETY-SIGHT INSTRUMENT PANEL**—Safer, more efficient with overhanging upper crown to eliminate reflections in windshield . . . and with plain, easy-to-read instruments in two large clusters.
- NEW! MORE POWERFUL JUMBO-DRUM BRAKES** (with *Dubl-Life rivetless brake linings*)—Largest brakes in the entire low-price field . . . giving maximum stopping-power with up to 25% less driver effort—and longer brake life.
- NEW! IMPROVED CENTER-POINT STEERING** (and *Center-Point Design*)—Making steering extra easy, just as Chevrolet's famous Knee-Action Ride is comfortable beyond comparison in its price range.

Here's America's largest and finest low-priced car—the newest of all automobiles—as trustworthy as it is thrifty to buy, operate and maintain. New with that longer, lower, wider big-car look! New in its styling, smarter Fisher Body styling and beautifully tailored Modern-Mode interiors! New in safety, new in steering ease, new in feature after feature. Moreover, it's thoroughly proved in all things, from the finer driving of its Powerglide Automatic Transmission,* or the finer steering of its Synchro-Mesh Transmission to the fleet, frugal performance of its Valve-in-Head engine.

Come in—see and drive America's largest and finest low-priced Chevrolet for '51—the only car that brings you so many big-car advantages at such low cost!

PLUS TIME-PROVED POWER *Slide* AUTOMATIC TRANSMISSION

—proved by more than a billion miles of performance in the hundreds of thousands of owners. *Combination of Powerglide Automatic Transmission and 105-h.p. Engine optional on De Luxe models at extra cost.

LOCKNEY AUTO COMPANY

"Through blizzard after blizzard my car performed better!"

"I was one of those selected to test new Conoco Super Motor Oil in my own car before it was put on the market. Through blizzard after blizzard, I travelled in Northern Colorado and Wyoming. BUT THOSE WERE THE TWO BEST WINTERS I EVER HAD ON THE ROAD! New Conoco Super improved the operation of my car. And at the end of the test, with proper drains and regular care, gasoline mileage was virtually as good as at the beginning."

After a total of 386,422 miles, logged by Mr. Hubbard and other winter test drivers, Conoco engineers found no wear of any consequence! Analysis of crankcase drains showed that this great new oil actually stopped the dangerous accumulation of free water and acids, chief causes of winter wear. This test proved that new Conoco Super Motor Oil, with OIL-PLATING, fights off rust, corrosion and sludge. So, change to winter-grade Conoco Super Motor Oil.

Car Maker Boosts Record to 25 Million

A giant cake lettered with the production milestones of the company marked Chevrolet's observance of its twenty-fifth anniversary. Above, T. H. Keating, general manager of the division, watches his top assistants light the candles (l. to r.) E. W. Ivey, administrative assistant to Keating; W. J. Scott, general manufacturing manager; W. E. Fish, general sales manager, and E. H. Kelly, chief engineer. Registering an achievement without precedent in the history of the auto industry, Chevrolet built its 23rd millionth car on January 11, its 24th millionth June 30 and the 25th millionth December 22. The last milestone was reached with new 1951 models.

Methodist Notes

We started the New Year off in a big way last Sunday. We had splendid crowds at all services—214 in Church School. I believe we can beat that this Sunday. Each one come back and bring someone with you.

The Young People's class had 45 in it Sunday. Mr. Patterson's class had a large increase also, in fact every class showed the result of work done. Keep the good work going.

Let us not forget to pray. Our nation, as well as the world, is in a terrible fix. Perhaps more prayers for our leaders and less criticism will help them. Prayer is the greatest force in the world today. In the presence of earnest prayer to our Heavenly Father, the atomic power becomes weak. We need to learn that we can not stand in the wisdom of man, but in the power of God. God and His Church and God loving, God fearing people, is the answer to the world problem today.

Someone has said, and we know that it is true that, "there is no prayer of man that moves God more than praying in time of extremity." Our utter helplessness touches His fatherly heart. Gone is our pride and selfish desire, in its place is a humility which makes us willing to take God's way for our lives. This is that time, may we cease to live by the wisdom of men, but by the power of God.

Thoughts for the week
"Circumstances can not imprison me today; through prayer I abide in the Father's love." Though daily prayer I will increase my faith, "Nothing lies beyond the reach of prayer, ex-

cept that which lies outside the way of God."

Let us pray.
Newton Daniel, pastor.

NEW ARRIVAL

Mr. and Mrs. Ray Robertson of Plainview, are the parents of a baby daughter born December 31. She has been named Carla Sue and weighs 5 pounds and 13 ounces.

Paternal grandparents are Mr. and Mrs. G. W. Robertson of Plainview and Maternal grandparents are Mr. and Mrs. Vernon Daniels of Lockney.

Mr. and Mrs. Ben McGhee spent last weekend visiting with Mr. and Mrs. Floyd Teaff at Olney, Texas.

Good temper is like a sunny day; it sheds its brightness everywhere.

Texas Farm Income More Than 3 Million

Austin. — Farm cash income in Texas totaled \$320,162,000 in November, 3 per cent more than October and 7 per cent less than November, 1949, the University of Texas Bureau of Business Research reported.

Cotton was the greatest income source in November, bringing Texas farmers \$162,039,000. Cottonseed income totaled \$88,579,000; cattle, \$27,034,000; and poultry, \$15,984,000.

Farmers in the Southern High Plains turned in the largest dollar income in November — \$103,412,000. Red Bed Plains with \$81,345,000 and Black and Grand

Prairies with \$57,684,000 ranked second and third.

The Lower Rio Grande Valley recorded the largest increase in farm cash income in November from October, 126 per cent. Other gains were South Texas Plains, 107 per cent; Southern High Plains, 97 per cent; Northern High Plains, 17 per cent; Western Cross Timbers, 12 per cent; and Red Bed Plains, 2 per cent.

Monthly declines were recorded in the Black and Grand Prairies, 49 per cent; Coastal Prairies, 37 per cent; Edwards Plateau, 28 per cent; East Texas Timbered Plains, 21 per cent; Southern Texas Prairies, 12 per cent; and Trans Pecos, 10 per cent.

Clean Up And Fix Up The Barn

College Station. — Farmers in most sections of the state have either completed the job of harvesting or will soon do so. Chances are good that some time will be available now for doing jobs that have been neglected and one of these should be a clean up campaign that centers around the barn. During the winter months, most of the farm chores center around barns and they should be made safe.

Extension agricultural engineer W. L. Ulich of Texas A. & M. College says, the first step in the clean up campaign should be to go over the barn with a critical eye and locate the accident hazards and inconveniences. The second step is to correct them.

Here are a few things that should be on your check list. Watch out for loose objects or obstructions that might cause falls. High door sills, abrupt changes in floor levels, weak boards, protruding cleats or other tripping hazards should be removed. Better check the floor, says Ulich and be sure they are all solid and in good shape. The

My Neighbors

"No wonder the Communists are such sad apies. To them the funniest thing on earth is... THE TRUTH!"

alleyways and work areas in the barn should be given a good cleaning and should always be kept clear of obstacles.

There is little excuse, points out Ulich, for farmers to do their chores in the dark since about 90 percent of all farms in the state now have electricity. He urges farmers to light up the dangerous corners, the alleyways and especially the rooms where pitchforks and other equipment is stored. A well located light in the barnyard will make the night trips to and from the barn or

other outbuildings safe. The loft doors, feed ladders should be checked for a weak ladder can be the cause of a serious accident. Ladders should not be carried on the left of the barn. A well built ladder is hand-railed and should be used. Elevated platforms constructed with steel should remember barns and other will be safe and sound if they are constructed items in mind, and if they are properly and cared for.

Forgiveness is the one stouter shield in a crushed it.

We can charge a portion of the losses in ed forces in Korea that we were not ready time came. They need another monument to adhere to the eternal emanculating theory of parenthood and doing toward self defense to promote world peace.

Dime Campaign Gets Sanction

Austin. — Governor Allan Shivers emphasized the fact of polio on the family, community, state and nation in officially designating the period from January 15 through January 31 for the 1951 Texas March of Dimes.

The Chief Executive cited the exhaustion of National Foundation for Infantile Paralysis funds by the record 100,000 cases the last three years. He stressed the state polio fund deficit in caring for almost 2,900 new cases in 1950 alone.

"For three consecutive years," said Governor Shivers' proclamation, "Texas children and adults have been heavily attacked by the virus of poliomyelitis.

"The record shows that 423 more polio patients were reported in Texas during 1950 than in 1949, with 2,778 cases in 1950.

"Every penny raised in Texas during the last three March of Dimes campaigns has been spent for patient care of Texas polio patients and supplemented with \$377,000 sent into Texas from other states by the National Foundation for Infantile Paralysis.

"Not only was the last year the second worst polio year in the nation's history, but the cost of providing treatment for these patients continues upward along with the tremendous costs of caring for patients of previous years. Funds of the National Foundation for Infantile Paralysis must be replenished in the 1951 March of Dimes.

"Therefore, as Governor of Texas, I hereby designate the period January 15 to 31 for the 1951 March of Dimes in Texas, and urge every citizen to contribute as he is able to the success of this worthy campaign."

Schools Show Great Progress Under G-A

Austin. — One-half cent less of each state tax dollar went to support Texas' public schools last year than in 1939-40 despite the tremendous strides made in the school system since the Gilmer-Kilken laws went into effect.

"Not only has Texas climbed from very low on the national ladder to near the top in public school education in the first year under the Gilmer-Kilken program, but the state accomplished what amounted to a near-revolution in education without taking a bigger bite out of each tax dollar," Dr. Mortimer Brown, president of the Texas State Teachers Association, pointed out here today.

"In 1939-40 the public school support totaled 30.31 cents of each state dollar expended. During the last school year the schools' share of that dollar was 29.67, or exactly .54 of a cent less.

"At the same time, enrollment greatly increased, the number of teachers employed went much higher and the average daily attendance skyrocketed.

"The average daily attendance jumped in one year 35,708 under the new school program. Too, it is pertinent to point out that every child in Texas is guaranteed the opportunity of having 175 days of actual instruction per year.

New Student At Wayland

Plainview. — Frank Bounds, and's new student secretary, assumed his duties here Friday, Jan. 8.

Marshall stated, "Frank Bounds has been as successful as anyone I have known in winning athletes to Christ. He number of the worlds greatest as his personal friends."

Bounds is planning to go to Italy to do mission work in June. Some wealthy friends he met in Milan, Italy, have encouraged him to return as a missionary. These friends are not Christians, but they are sympathetic to the Christian belief.

He received his degree from Hardin-Simmons University after his return from the service, when he served in Italy. Bounds attended Texas Wesleyan College three years before he went into the service.

Young people are his chief interest and he has been active in the "Youth for Christ" work. He and his wife taught at Hardin-Simmons where he coached tennis. He played exhibition tennis matches with Davis cup winners while in Italy.

Bounds was state Baptist Student Union president in 1943-44.

An educated man is one who knows a lot and says nothing about it.

Aiken News

By Mrs. R. C. Rogers

Mr. and Mrs. Bill Thompson and Tim and Mrs. Ivan Thompson spent several days last week visiting in the Bill Wesley home in Peyton, Colorado.

Mr. and Mrs. Billie Jene Foster and Mr. and Mrs. J. C. Foster returned Sunday from a two weeks vacation in Hubbard, Texas.

Mr. and Mrs. Vernon Campbell and Carolyn visited in the home of Mr. and Mrs. Clem Vaughn Sunday.

Mr. and Mrs. Johnnie Lee visited relatives in Littlefield Friday.

Mr. and Mrs. A. P. Shugart Jr. and Jimmie and Mr. and Mrs. A. P. Shugart Sr. are visiting in Eastland and Fort Worth.

Mrs. Floyd Compton underwent a major operation at the Lubbock Memorial Hospital last Tuesday. We wish her a speedy recovery.

Mr. and Mrs. Fred Duvall and Mrs. Vernon Campbell visited Mrs. Floyd Compton in the Lubbock hospital Thursday.

Mr. and Mrs. Bert Elam and family visited Mr. Elams mother and sister in Tulla Sunday.

Mr. and Mrs. Bud Dean and daughters visited in Amarillo Sunday.

Mr. and Mrs. Noble Fletcher and son have moved to Amarillo where Mr. Fletcher is bookkeeper for City Pipe and Junk.

Rev. and Mrs. O. J. Welch and Mr. and Mrs. L. L. Scott visited Mrs. Floyd Compton in Lubbock hospital Sunday afternoon.

Mr. and Mrs. Tom Gibson of Lamesa visited in the home of Mr. and Mrs. Connie O'Brien, Loy and Pat Sunday. Mrs. O'Brien's mother returned home with them after spending several days here.

Sunday visitors in the home of Mr. and Mrs. Pete Adams and Wilbur Lee were Mr. and Mrs. Earl Kellison and family, Jerrel Welch and Sonny Scott.

NO OVERCOAT HERE!

While the less fortunate are shivering in winter's icy winds, lucky girls are soaking in sunshine at Florida and California resort spots. No overcoats needed here! This pretty miss is dressed for the sun in a blazer striped cotton swim suit by Cole of California. Solid and striped cotton are combined for this eye-catching effect.

Mrs. L. T. Cox, Margie and Butch, Mrs. O. J. Welch and Cherie and Mrs. R. C. Rogers and James Riley visited in the home of Mrs. Alice Glenn Monday afternoon.

J. M. Tye went to Center, Texas last Thursday to accompany his family home from a two weeks vacation with friends and relatives.

The baby daughter of Mr. and Mrs. Clyde Lucas is in the Lubbock Memorial Hospital with pneumonia. The community wishes it a speedy recovery.

Wayland Harvest Queens To Play In Old Mexico

Plainview. — The Wayland Harvest Queens, coached by Sam Allen, left Plainview last week aboard four Beechcraft Bonanzas for games in Houston, Mexico City and Dallas.

In Houston, the Queens were pitted against a new team coached by Danny Lynch, formerly coach of the Dallas Dannies. Games were scheduled there Friday and Saturday nights, January 5 and 6.

Leaving Houston January 7, the Wayland party arrived in Mexico City the same afternoon. Coach Tony Delgado of the "Tintoreras" had a huge reception at the airport and plenty of sight-seeing during the visit to Old Mexico.

The Timoreras hank high in the Mexican National Women's Basketball. They have defeated the last year's National champs, the Politas, twice this year.

The Harvest Queens and Tintoreras closed three times on Jan. 8, 9, and 10. From Mexico City, the group will go to Dallas. Here they will enter a four-team tournament with the Dallas Hornets; Hanes Hosiery Mills of Winston-Salem, N. C., winner of third place in the National Tournament at St. Joseph, Mo., last March; and a high-geared team from Ft. Worth that has already beaten the Hornets this year.

Returning home for a day of rest on Sunday, the Queens play hostess to the Hanes Hosiery team on Monday and Tuesday, Jan. 15 and 16.

Velma Pickett from Sudan is captain of the Wayland team. Others on the team include Marie Wales from New Deal; Juanita Clepper, Mobeetie; Mona and Juanice McBeth of Wellman; Jean Belew Meadow; Myrtle Brown, Anton; Betty Phillips, Abernathy; Eloise Greathouse, Dimmitt; Juanel Schneider, Wilson; Pat Smith, Wilson; and Ella Bradshaw, Bovina.

John Deere Day message

January 10, 1951.

Dear Friends:

John Deere Day will soon be here again; in fact, next Thursday, January 18. This is the day we look forward to having all our farmer friends here to be our guests and spend the day with us. There just isn't time to call on each of you personally. We have endeavored to mail invitations to each one of you, but if you did not receive one, or have not been invited by any of our personnel, please consider this your personal invitation to attend.

We will serve free sandwiches, doughnuts and coffee from 11 a. m. until 1:30 p. m. Thursday at our store.

The feature picture, "One Happy Family" starring Marjorie Reynolds and Don DeFore, is a top notch production—one which we are sure you will enjoy. We will also have several interesting and educational features on modern equipment and farming practices.

Be sure to register at the theatre door for prizes which will be given away during the afternoon program.

Don't forget the time—Thursday, January 18th. Come early! Bring the whole family and spend the day with us.

Sincerely,

Pat Stansell
LOCKNEY IMPLEMENT COMPANY
Lockney, Texas

JOHN DEERE DAY...

JAN. 18

Crop Insurance on Cotton Offered Thru January 31

For 1951, Floyd County farmers have been asked to plant increased acreages of cotton since it is in this area that such increases can be made with the least expenditure of manpower and equipment. The Federal Govern-

ment is requesting this increased planting to meet the requirements of the "emergency" which has been declared. Such was the statement from the local PMA office this week.

Ray S. McEntire, Administrative Officer of PMA, said, "With the increased cost of production, farmers are looking for some means of eliminating the possibility of complete failure in the event the cotton crop is destroyed by causes beyond the control of

"ONE HAPPY FAMILY" TO BE FEATURE PICTURE ON JOHN DEERE DAY HERE THURSDAY, JANUARY 18TH

A full length feature picture entitled "One Happy Family" will be the chief attraction at the annual John Deere Day here on Thursday of next week, January 18.

The event is sponsored by the Lockney Implement Co., and they will serve free sandwiches, doughnuts and coffee at their store from 11 a. m. until 1:30 p. m. The picture will be shown at the Mesa Theatre and starts at 1:30.

Those attending are to register at the door for prizes which will be given away during the afternoon program at the theatre.

"One Happy Family" tells the story of the Lynns, a typical happy family until they are awarded the title "Family of the Year" in a contest conducted by a national magazine. The new title and the \$10,000 prize money toss all the Lynns into a whirlpool of excitement and comedy. As entertainment the picture rates a blue ribbon.

Five other new pictures are included in the fast moving program, according to Pat Stansell, local manager. One of the films, "His Father's Choice" features likeable Tom Gordon, who taught valuable lessons trimmed

with humor in previous John Deere pictures. Another of the films, "Oddities in Farming" offers something new and different in its presentation of unusual machines performing unusual farming operations. "What's New for 1951" will acquaint those in attendance with new John Deere implements and will prove of interest to every farmer. Two other short films complete the program.

Admission will be by ticket and farmers who have not received their tickets may obtain them by calling in person at the Lockney Implement Co.

Good Grass Best For Dairy Cattle

College Station. — "Good grass is the cheapest and best food for a dairy cow. Grazing must be supplemented with hay and silage to supply all the forage that cows will eat every day of the year."

There is nothing new in the above quotation, but the publication from which it was lifted is brand new. It appears on the front of a new circular prepared by Texas A. & M. College extension specialists.

Extension Circular No. 286, "A Forage Program for the Dairy Herd," is just what the title implies—a complete outline for a forage program. It was prepared by four extension specialists — Richard E. Burleson, associate dairy husbandman; A. W. Crain, associate pasture specialist; E. A. Miller, agronomist; and M. K. Thornton, agricultural chemist.

The publication gives in table form the recommended grasses and legumes for Texas. These pasture plants are listed under

soil area, type of pasturing season. On the circular, the specialist included a map showing different soil areas of the recommended fertilizers are also given for different classes of pastures for each soil area.

Another table lists the and legumes grown in are suitable for hay also gives the cutting the different classes plants and certain recom-

last column of the suggestions for feeding. A third table contains information on silage, plants, cutting stages, mended production practices, listed along with information storing silage.

The requirements for the three forms of forage—hay, and silage—listed at the top of the respect no more. This six-page circular is a great deal of information in a very condensed and understood form.

the farmer." He continued in discussing the all-risk insurance: "Federal Crop Insurance is the only protection of its kind available for farmers. It is backed by the Federal Government in order to meet a need that has existed and been recognized since farming began. Through it, the producer can add a basic principle of good business—protection of the investment of his operations. It provides protection comparable to that which has long been available to business men through private companies and is considered an essential part of business operations."

The service that crop insurance renders goes beyond the producer and his family. Crop Insurance not only protects the well-being of the farm family, but it cushions the impact of crop failure on the local business community, the stability of the Nation's agriculture and the national economy.

Interested producers should contact the local PMA Office where rates and applications are available.

Farm Workers Not Deferred Official Says

Austin, Texas. — Emphasizing that the draft law provides no blanket deferment for farm workers, Brigadier General Paul L. Wakefield, state Selective Service director, declared today that local boards are required both by law and regulation to consider each agricultural worker's case individually, just as other men's cases are considered.

General Wakefield said that regulations issued by the President provide for a deferred classification for farm workers only when the following conditions are met to the satisfaction of the local board:

1. The man must be "employed in the production for market of a substantial quantity of those agricultural commodities which are necessary to the maintenance of the national health, safety, or interest."

2. "The production for market of a substantial quantity of agricultural commodities should be measured in terms of the average annual production per farm worker which is marketed from a local average farm of the type under consideration. The production of agricultural commodities for consumption by the worker and his family, or traded for subsistence purposes, should not be considered as production for market. Production which is in excess of that required for the subsistence of the farm families on the farm under consideration should be considered as production for market."

The state draft director observed that "this still doesn't give the complete picture," and added that a man, to be eligible for farm deferment, must also meet the requirements in the section of the Selective Service regulations defining necessary employment.

He quoted as follows: "A registrant's employment in industry or other occupation, service in office, or activity in study, research, or medical, scientific, or other endeavors shall be considered to be necessary to the maintenance of the national health, safety, or interest only when all of the following conditions exist:

"1. The registrant is, or but for a seasonal or temporary interruption would be, engaged in such activity;

"2. The registrant cannot be replaced because of a shortage of persons with his qualifications or skill in such activity; and

"3. The removal of the registrant would cause a material loss of effectiveness in such activity."

whenever the cause for his deferment ceases to exist."

He explained that the designation Class II-C is used to indicate those deferred because of agricultural occupation.

Then there is the fellow who takes pride when he abandons some of his wickedness as he becomes too old to enjoy it any longer. He isn't fooling anybody, not even himself.
